Description of Facilities and Development to Be Financed

ATTACHMENT C

Description of Facilities to be Financed

The EIFD is authorized to finance the purchase, construction, expansion, improvement, or rehabilitation of the facilities described herein. These facilities have an estimated useful life of 15 years or longer and are public facilities of communitywide significance that provide significant benefits to the EIFD or the surrounding community. Any facilities located outside the boundaries of the EIFD have a tangible connection to the work of the EIFD. The EIFD will also finance planning and design activities that are directly related to the purchase, construction, expansion, or rehabilitation of these facilities. Facilities authorized to be financed by the EIFD include the following:

> Public flood control facilities including, but not limited to, public flood risk reduction infrastructure associated with ensuring that the resulting levee system complies with the Urban Levee Design Criteria promulgated by the California Department of Water Resources and San Joaquin Area Flood Control Agency Resolution ("SJAFCA") No. 19-06 and SJAFCA's Adopted Policy for Adapting Design Standards for the Mossdale Tract Area of SJAFCA in light of Climate Change.

Other Expenses

In addition to the direct costs of the above facilities, other incidental expenses as authorized by the EIFD Law, including but not limited to: the cost of engineering, planning, and surveying; construction staking; utility relocation and demolition costs incidental to the construction of the facilities; costs of project/construction management; costs (including the costs of legal services) associated with the creation of the EIFD; issuance of bonds or other debt; costs incurred by the City of Lathrop, City of Manteca, City of Stockton, County of San Joaquin or the EIFD in connection with the division of taxes pursuant to Government Code section 53398.75; costs otherwise incurred in order to carry out the authorized purposes of the EIFD; and any other expenses incidental to the formation and implementation of the EIFD and to the construction, completion, inspection, and acquisition of the authorized facilities.

fiscal

Source: EPS.

NOTE: All fiscal impact analysis assumptions in this analysis, including assessed values, property tax allocations, and property tax revenues for each jurisdiction, are derived from fiscal impact analyses prepared in 2021 and based on Fiscal Year (FY) 2020-21 budgets, current 2020 market-based assumptions, and the current Project boundary identified in 2019.

[1] This analysis estimates the maximum annual EIFD revenue generated using the maximum tax allocation rate for each affected taxing entity (ATE). The initial EIFD allocations (FY ending 2023 through 2028) are based on negotiations between all ATEs and vary by ATE. For all years following FY ending 2028, allocation rates are assumed to remain constant at 20 percent and are consistent across all ATEs. A listing of all allocation rates by ATE is provided in Table 4.

[2] This analysis assumes the EIFD will be formed in FY 2022-23 (Base Year) with the first year of revenue accruing to the district in FY 2023-24. Secured and unsecured tax rolls for a fiscal year are based on taxable assessed values with a lien date of the prior January 1. Thus, the initial phase of this analysis includes estimated development occurring in July-December 2022 (50% of development estimated in calendar year 2022) and development occurring in full calendar years for the remainder of the phase (2023-2025). Subsequent phases include 5-year development periods for development occurring from 2026 through 2040 and 10-year development periods from 2041 through 2060.

[3] The EIFD contribution omits EIFD revenue derived from growth of existing development and includes EIFD revenue derived from new development only.

[4] This analysis is an interim draft analysis. Fiscal surplus/deficit estimates are anticipated to change as additional edits are made to the Fiscal Impact Analyses completed for each jurisdiction.

Source: The Gregory Group; San Joaquin County; Costar; Colliers, International; CBRE; San Joaquin County Auditor-Controller; LWA; EPS.

NOTE: All fiscal impact analysis assumptions in this analysis, including assessed values, property tax allocations, and property tax revenues for each jurisdiction, are derived from fiscal impact analyses prepared in 2021 and based on Fiscal Year (FY) 2020-21 budgets, current 2020 market-based assumptions, and the current Project boundary identified in 2019.

[1] This analysis estimates the maximum annual EIFD revenue generated using the maximum tax allocation rate for each ATE. The initial EIFD allocations (FY ending 2023 through 2028) are based on negotiations between all ATEs and vary by ATE. For all years following FY ending 2028, allocation rates are assumed to remain constant at 20 percent and are consistent across all ATEs.
[2] Refer to Table D-3 for details pertaining to property tax allocations for existing City and unincorporated areas.
Refer to Table D-5, Table D-6, and Table D-4 for additional details pertaining to the calculation of property tax allocations for annexation areas.
[3] Assumes 2 percent annual growth plus an additional 1 percent to account for annual turnover.

Source: San Joaquin County; City of Lathrop; LWA; EPS.

[1] See Table D-1 for Fiscal Year 2020-21 beginning assessed value.
[2] See Table A-4 for new AV added to roll from 2021-22 on. It is assumed that new AV is added to roll in year after development occurs.
In 2020-21 prior to the start of the EIFD, it is assumed that the growth in new assessed value will be 3% of the existing assessed value.
[3] This analysis estimates the maximum annual EIFD revenue generated using the maximum tax allocation rate for each affected taxing entity (ATE). The initial EIFD allocations (FY ending 2023 through 2028) are based on negotiations between all ATEs and vary by ATE. For all years following FY ending 2028, allocation rates are assumed to remain constant at 20 percent and are consistent across all ATEs. A listing of all allocation rates by ATE is provided in Table 4.
[4] The City and County tax allocation rates vary between TRAs within the existing City boundaries and the annexation area. See Table A-2 and Table A-3 for more details.

[1] See Table D-1 for Fiscal Year 2020-21 beginning assessed value

[2] See Table A-4 for new AV added to roll from 2021-22 on. It is assumed that new AV is added to roll in year after development occurs
In 2020-21 prior to the start of the EIFD, it is assumed that the growth in new assessed value will be 3% of the existing assessed value

[3] This analysis estimates the maximum annual EIFD revenue generated using the maximum tax allocation rate for each affected taxing entity (ATE). The initial EIFD allocations (FY ending 2023 through 2028) are based on negotiations between all ATEs and vary by ATE. For all years following FY ending 2028, allocation rates are assumed to remain constant at 20 percent and are consistent across all ATEs. A listing of all allocation rates by ATE is provided in Table 4.

[1] Prior to annexation of the annexation area to the City, the City receives no property tax revenue for these TRAs.
[2] See Table A-5 for new AV added to roll from 2021-22 on. It is assumed that new AV is added to roll in year after development occurs.
In 2020-21 prior to the start of the EIFD, it is assumed that the growth in new assessed value will be 3% of the existing assessed value.
[3] As a conservative assumption, this analysis excludes incremental growth of the existing land value of parcels annexed into the City until the time that the parcel develops. The growth of existing value for these parcels will be included in the EIFD and a method for estimating incremental AV growth/revenue to the EIFD will be determined at the time of EIFD formation. Refer to Table D-2 for the anticipated value of parcels annexed into the City in the first year of development.
[4] This analysis estimates the maximum annual EIFD revenue generated using the maximum tax allocation rate for each affected taxing entity (ATE). The initial EIFD allocations (FY ending 2023 through 2028) are based on negotiations between all ATEs and vary by ATE. For all years following FY ending 2028, allocation rates are assumed to remain constant at 20 percent and are consistent across all ATEs. A listing of all allocation rates by ATE is provided in Table 4.

[1] See Table D-1 for Fiscal Year 2020-21 beginning assessed value.
[2] See Table B-4 for new AV added to roll from 2021-22 on. It is assumed that new AV is added to roll in year after development occurs. In 2020-21 prior to the start of the EIFD, it is assumed that the growth in new assessed value will be 3% of the existing assessed value.
[3] This analysis estimates the maximum annual EIFD revenue generated using the maximum tax allocation rate for each affected taxing entity (ATE). The initial EIFD allocations (FY ending 2023 through 2028) are based on negotiations between all ATEs and vary by ATE. For all years following FY ending 2028, allocation rates are assumed to remain constant at 20 percent and are consistent across all ATEs. A listing of all allocation rates by ATE is provided in Table 4.
[4] The City and County tax allocation rates vary between TRAs within the existing City boundaries and the annexation area. See Table B-2 and Table B-3 for more details.

[1] See Table D-1 for Fiscal Year 2020-21 beginning assessed value

[2] See Table B-4 for new AV added to roll from 2020-21 on. It is assumed that new AV is added to roll in year after development occurs
In 2020-21 prior to the start of the EIFD, it is assumed that the growth in new assessed value will be 3% of the existing assessed value

[3] This analysis estimates the maximum annual EIFD revenue generated using the maximum tax allocation rate for each affected taxing entity (ATE). The initial EIFD allocations (FY ending 2023 through 2028) are based on negotiations between all ATEs and vary by ATE. For all years following FY ending 2028, allocation rates are assumed to remain constant at 20 percent and are consistent across all ATEs. A listing of all allocation rates by ATE is provided in Table 4.

Source: San Joaquin County; City of Manteca; LWA; EPS.

[1] Prior to annexation of the annexation area to the City, the City receives no property tax revenue for these TRAs.
[2] See Table B-5 for new AV added to roll from 2021-22 on. It is assumed that new AV is added to roll in year after development occurs.
In 2020-21 prior to the start of the EIFD, it is assumed that the growth in new assessed value will be 3% of the existing assessed value.
[3] As a conservative assumption, this analysis excludes incremental growth of the existing land value of parcels annexed into the City until the time that the parcel develops. The growth of existing value for these parcels will be included in the EIFD and a method for estimating incremental AV growth/revenue to the EIFD will be determined at the time of EIFD formation. Refer to Table D-2 for the anticipated value of parcels annexed into the City in the first year of development.
[4] This analysis estimates the maximum annual EIFD revenue generated using the maximum tax allocation rate for each affected taxing entity (ATE). The initial EIFD allocations (FY ending 2023 through 2028) are based on negotiations between all ATEs and vary by ATE. For all years following FY ending 2028, allocation rates are assumed to remain constant at 20 percent and are consistent across all ATEs. A listing of all allocation rates by ATE is provided in Table 4.

[1] See Table D-1 for Fiscal Year 2020-21 beginning assessed value.
[2] See Table C-4 for new AV added to roll from 2021-22 on. It is assumed that new AV is added to roll in year after development occurs. In 2020-21 prior to the start of the EIFD, it is assumed that the growth in new assessed value will be 3% of the existing assessed value.
[3] This analysis estimates the maximum annual EIFD revenue generated using the maximum tax allocation rate for each affected taxing entity (ATE). The initial EIFD allocations (FY ending 2023 through 2028) are based on negotiations between all ATEs and vary by ATE. For all years following FY ending 2028, allocation rates are assumed to remain constant at 20 percent and are consistent across all ATEs. A listing of all allocation rates by ATE is provided in Table 4.
[4] The City and County tax allocation rates vary between TRAs within the existing City boundaries and the annexation area. See Table C-2 and Table C-3 for more details.

[1] See Table D-1 for Fiscal Year 2020-21 beginning assessed value
[2] See Table C-4 for new AV added to roll from 2020-21 on. It is assumed that new AV is added to roll in year after development occurs
In 2019-20 and 2020-21 prior to the start of the EIFD, it is assumed that the growth in new assessed value will be 3% of the existing assessed value
[3] This analysis estimates the maximum annual EIFD revenue generated using the maximum tax allocation rate for each affected taxing entity (ATE). The initial EIFD allocations (FY ending 2023 through 2028) are based on negotiations between all ATEs and vary by ATE. For all years following FY ending 2028, allocation rates are assumed to remain constant at 20 percent and are consistent across all ATEs. A listing of all allocation rates by ATE is provided in Table 4.

[1] Prior to annexation of the annexation area to the City, the City receives no property tax revenue for these TRAs.

[2] See Table C-5 for new AV added to roll from 2021-22 on. It is assumed that new AV is added to roll in year after development occurs. In 2020-21 prior to the start of the EIFD, it is assumed that the growth in new assessed value will be 3% of the existing assessed value.

[3] As a conservative assumption, this analysis excludes incremental growth of the existing land value of parcels annexed into the City until the time that the parcel develops. The growth of existing value for these parcels will be included in the EIFD and a method for estimating incremental AV growth/revenue to the EIFD will be determined at the time of EIFD formation. Refer to Table D-2 for the anticipated value of parcels annexed into the City in the first year of development.

[4] This analysis estimates the maximum annual EIFD revenue generated using the maximum tax allocation rate for each affected taxing entity (ATE). The initial EIFD allocations (FY ending 2023 through 2028) are based on negotiations between all ATEs and vary by ATE. For all years following FY ending 2028, allocation rates are assumed to remain constant at 20 percent and are consistent across all ATEs. A listing of all allocation rates by ATE is provided in Table 4.

[1] Includes FY 2020-21 total assessed value for parcels by jurisdiction, as provided by the County Auditor-Controller. The identified parcels are contained within the Project boundary and may not align with Tax Rate Area (TRA) boundaries. Details regarding implementing the tax increment allocation by jurisdiction will be determined at the time of EIFD formation.

[2] Reflects the FY 2020-21 total assessed value for parcels that are located within the unincorporated county, as provided by the County Auditor-Controller. These parcels are anticipated to be developed between 2021-2060 and annex to a proximate jurisdiction.

Table D-2
Mossdale Tract Infrastructure Finance Plan
EIFD Revenue Analysis
Estimated Annexation Assessed Value (2020 and Real $)

Jurisdiction / Project	Estimated Timing of Annexation (Fiscal Year Ending) [1]	Escalated Assessed Value of Annexed Parcels (2020$) [2]	Escalation Factor [3]	Escalated Assessed Value of Annexed Parcels (Real $)
City of Stockton	2022	$199,713,288	1.06	$211,875,827
City of Manteca	2023	$14,815,419	1.09	$16,189,208
City of Lathrop	2025	$52,267,728	1.16	$60,592,622

av ann

[1] It is assumed that the full project acreage will be annexed into the City on the initial year of development for each project.
[2] Represents the loss of assessed value to the unincorporated San Joaquin County. Potential revenue from the newly developed TRAs within the City is calculated in the potential revenue from each jurisdiction. Refer to Table D-1 for details.
[3] Assumes a 3 percent annual escalation factor.

[1] For each city, includes all TRAs in the existing city boundary within the Mossdale Tract boundary. This differs from the allocations used in the individual City fiscal impact analyses because those analyses include only the allocation for TRAs with anticipated development.

[2] City of Manteca TRA's reflect only those TRAs within the Mossdale Tract boundary that are not included in a redevelopment area.

fiscal

Source: EPS.

NOTE: All fiscal impact analysis assumptions in this analysis, including assessed values, property tax allocations, and property tax revenues for each jurisdiction, are derived from fiscal impact analyses prepared in 2021 and based on Fiscal Year (FY) 2020-21 budgets, current 2020 market-based assumptions, and the current Project boundary identified in 2019.

[1] This analysis uses annual EIFD revenue requirements provided by LWA to estimate the annual EIFD funding goals and the corresponding allocations for each affected taxing entity (ATE). The initial EIFD allocation (FY ending 2023 through 2028) are based on negotiations between all ATEs and vary by ATE. For all years following FY ending 2028, allocation rates are assumed to be consistent across all ATEs and step down over time as funding needs change. A listing of all allocation rates by ATE is provided in Table 4.

[2] This analysis assumes the EIFD will be formed in FY 2022-23 (Base Year) with the first year of revenue accruing to the district in FY 2023-24. Secured and unsecured tax rolls for a fiscal year are based on taxable assessed values with a lien date of the prior January 1. Thus, the initial phase of this analysis includes estimated development occurring in July-December 2022 (50% of development estimated in calendar year 2022) and development occurring in full calendar years for the remainder of the phase (2023-2025). Subsequent phases include 5-year development periods for development occurring from 2026 through 2040 and 10-year development periods from 2041 through 2060.

[3] The EIFD contribution omits EIFD revenue derived from growth of existing development and includes EIFD revenue derived from new development only.

[4] This analysis is an interim draft analysis. Fiscal surplus/deficit estimates are anticipated to change as additional edits are made to the Fiscal Impact Analyses completed for each jurisdiction.

Source: San Joaquin County; City of Lathrop; LWA; EPS.

[1] See Table D-1 for Fiscal Year 2020-21 beginning assessed value.
[2] See Table A-4 for new AV added to roll from 2021-22 on. It is assumed that new AV is added to roll in year after development occurs.
In 2020-21 prior to the start of the EIFD, it is assumed that the growth in new assessed value will be 3% of the existing assessed value.
[3] This analysis uses annual EIFD revenue requirements provided by LWA to estimate the annual EIFD funding goals and the corresponding allocations for each ATE. The initial EIFD allocation (FY ending 2023 through 2028) are based on negotiations between all ATEs and vary by ATE. For all years following FY ending 2028, allocation rates are assumed to be consistent across all ATEs and step down over time as funding needs change. A listing of all allocation rates by ATE is provided in Table 4.
[4] The City and County tax allocation rates vary between TRAs within the existing City boundaries and the annexation area. See Table A-2 and Table A-3 for more details.

[1] See Table D-1 for Fiscal Year 2020-21 beginning assessed value

[2] See Table A-4 for new AV added to roll from 2021-22 on. It is assumed that new AV is added to roll in year after development occurs
In 2020-21 prior to the start of the EIFD, it is assumed that the growth in new assessed value will be 3% of the existing assessed value

[3] This analysis uses annual EIFD revenue requirements provided by LWA to estimate the annual EIFD funding goals and the corresponding allocations for each ATE. The initial EIFD allocation (FY ending 2023 through 2028) are based on negotiations between all ATEs and vary by ATE. For all years following FY ending 2028, allocation rates are assumed to be consistent across all ATEs and step down over time as funding needs change. A listing of all allocation rates by ATE is provided in Table 4.

Source: San Joaquin County; City of Lathrop; LWA; EPS.

[1] Prior to annexation of the annexation area to the City, the City receives no property tax revenue for these TRAs.
[2] See Table A-5 for new AV added to roll from 2021-22 on. It is assumed that new AV is added to roll in year after development occurs.
In 2020-21 prior to the start of the EIFD, it is assumed that the growth in new assessed value will be 3% of the existing assessed value.
[3] As a conservative assumption, this analysis excludes incremental growth of the existing land value of parcels annexed into the City until the time that the parcel develops. The growth of existing value for these parcels will be included in the EIFD and a method for estimating incremental AV growth/revenue to the EIFD will be determined at the time of EIFD formation. Refer to Table D-2 for the anticipated value of parcels annexed into the City in the first year of development.
[4] This analysis uses annual EIFD revenue requirements provided by LWA to estimate the annual EIFD funding goals and the corresponding allocations for each ATE. The initial EIFD allocation (FY ending 2023 through 2028) are based on negotiations between all ATEs and vary by ATE. For all years following FY ending 2028, allocation rates are assumed to be consistent across all ATEs and step down over time as funding needs change. A listing of all allocation rates by ATE is provided in Table 4.

[1] See Table D-1 for Fiscal Year 2020-21 beginning assessed value.
[2] See Table B-4 for new AV added to roll from 2021-22 on. It is assumed that new AV is added to roll in year after development occurs.
In 2020-21 prior to the start of the EIFD, it is assumed that the growth in new assessed value will be 3% of the existing assessed value.
[3] This analysis uses annual EIFD revenue requirements provided by LWA to estimate the annual EIFD funding goals and the corresponding allocations for each ATE. The initial EIFD allocation (FY ending 2023 through 2028) are based on negotiations between all ATEs and vary by ATE. For all years following FY ending 2028, allocation rates are assumed to be consistent across all ATEs and step down over time as funding needs change. A listing of all allocation rates by ATE is provided in Table 4.
[4] The City and County tax allocation rates vary between TRAs within the existing City boundaries and the annexation area. See Table B-2 and Table B-3 for more details.

[1] See Table D-1 for Fiscal Year 2020-21 beginning assessed value

[2] See Table B-4 for new AV added to roll from 2020-21 on. It is assumed that new AV is added to roll in year after development occurs
In 2020-21 prior to the start of the EIFD, it is assumed that the growth in new assessed value will be 3% of the existing assessed value

[3] This analysis uses annual EIFD revenue requirements provided by LWA to estimate the annual EIFD funding goals and the corresponding allocations for each ATE. The initial EIFD allocation (FY ending 2023 through 2028) are based on negotiations between all ATEs and vary by ATE. For all years following FY ending 2028, allocation rates are assumed to be consistent across all ATEs and step down over time as funding needs change. A listing of all allocation rates by ATE is provided in Table 4.

[1] Prior to annexation of the annexation area to the City, the City receives no property tax revenue for these TRAs.
[2] See Table B-5 for new AV added to roll from 2021-22 on. It is assumed that new AV is added to roll in year after development occurs.
In 2020-21 prior to the start of the EIFD, it is assumed that the growth in new assessed value will be 3% of the existing assessed value.
[3] As a conservative assumption, this analysis excludes incremental growth of the existing land value of parcels annexed into the City until the time that the parcel develops. The growth of existing value for these parcels will be included in the EIFD and a method for estimating incremental AV growth/revenue to the EIFD will be determined at the time of EIFD formation. Refer to Table D-2 for the anticipated value of parcels annexed into the City in the first year of development.
[4] This analysis uses annual EIFD revenue requirements provided by LWA to estimate the annual EIFD funding goals and the corresponding allocations for each ATE. The initial EIFD allocation (FY ending 2023 through 2028) are based on negotiations between all ATEs and vary by ATE. For all years following FY ending 2028, allocation rates are assumed to be consistent across all ATEs and step down over time as funding needs change. A listing of all allocation rates by ATE is provided in Table 4.

Source: San Joaquin County; City of Stockton; LWA; EPS.

[1] See Table D-1 for Fiscal Year 2020-21 beginning assessed value.
[2] See Table C-4 for new AV added to roll from 2021-22 on. It is assumed that new AV is added to roll in year after development occurs.
In 2020-21 prior to the start of the EIFD, it is assumed that the growth in new assessed value will be 3% of the existing assessed value.
[3] This analysis uses annual EIFD revenue requirements provided by LWA to estimate the annual EIFD funding goals and the corresponding allocations for each ATE. The initial EIFD allocation (FY ending 2023 through 2028) are based on negotiations between all ATEs and vary by ATE. For all years following FY ending 2028, allocation rates are assumed to be consistent across all ATEs and step down over time as funding needs change. A listing of all allocation rates by ATE is provided in Table 4.
[4] The City and County tax allocation rates vary between TRAs within the existing City boundaries and the annexation area. See Table C-2 and Table C-3 for more details.

[1] See Table D-1 for Fiscal Year 2020-21 beginning assessed value
[2] See Table C-4 for new AV added to roll from 2020-21 on. It is assumed that new AV is added to roll in year after development occurs
In 2019-20 and 2020-21 prior to the start of the EIFD, it is assumed that the growth in new assessed value will be 3% of the existing assessed value
[3] This analysis uses annual EIFD revenue requirements provided by LWA to estimate the annual EIFD funding goals and the corresponding allocations for each ATE. The initial EIFD allocation (FY ending 2023 through 2028) are based on negotiations between all ATEs and vary by ATE. For all years following FY ending 2028, allocation rates are assumed to be consistent across all ATEs and step down over time as funding needs change. A listing of all allocation rates by ATE is provided in Table 4.

[1] Prior to annexation of the annexation area to the City, the City receives no property tax revenue for these TRAs.

[2] See Table C-5 for new AV added to roll from 2021-22 on. It is assumed that new AV is added to roll in year after development occurs. In 2020-21 prior to the start of the EIFD, it is assumed that the growth in new assessed value will be 3% of the existing assessed value.

[3] As a conservative assumption, this analysis excludes incremental growth of the existing land value of parcels annexed into the City until the time that the parcel develops. The growth of existing value for these parcels will be included in the EIFD and a method for estimating incremental AV growth/revenue to the EIFD will be determined at the time of EIFD formation. Refer to Table D-2 for the anticipated value of parcels annexed into the City in the first year of development.

[4] This analysis uses annual EIFD revenue requirements provided by LWA to estimate the annual EIFD funding goals and the corresponding allocations for each ATE. The initial EIFD allocation (FY ending 2023 through 2028) are based on negotiations between all ATEs and vary by ATE. For all years following FY ending 2028, allocation rates are assumed to be consistent across all ATEs and step down over time as funding needs change. A listing of all allocation rates by ATE is provided in Table 4.

[1] Includes FY 2020-21 total assessed value for parcels by jurisdiction, as provided by the County Auditor-Controller. The identified parcels are contained within the Project boundary and may not align with Tax Rate Area (TRA) boundaries. Details regarding implementing the tax increment allocation by jurisdiction will be determined at the time of EIFD formation.

[2] Reflects the FY 2020-21 total assessed value for parcels that are located within the unincorporated county, as provided by the County Auditor-Controller. These parcels are anticipated to be developed between 2021-2060 and annex to a proximate jurisdiction.

Table D-2
Mossdale Tract Infrastructure Finance Plan
EIFD Revenue Analysis
Estimated Annexation Assessed Value (2020 and Real $)

Jurisdiction / Project	Estimated Timing of Annexation (Fiscal Year Ending) [1]	Escalated Assessed Value of Annexed Parcels (2020$) [2]	Escalation Factor [3]	Escalated Assessed Value of Annexed Parcels (Real $)
City of Stockton	2022	$199,713,288	1.06	$211,875,827
City of Manteca	2023	$14,815,419	1.09	$16,189,208
City of Lathrop	2025	$52,267,728	1.16	$60,592,622
				av ann

[1] It is assumed that the full project acreage will be annexed into the City on the initial year of development for each project.
[2] Represents the loss of assessed value to the unincorporated San Joaquin County. Potential revenue from the newly developed TRAs within the City is calculated in the potential revenue from each jurisdiction. Refer to Table D-1 for details.
[3] Assumes a 3 percent annual escalation factor.

[1] For each city, includes all TRAs in the existing city boundary within the Mossdale Tract boundary. This differs from the allocations used in the individual City fiscal impact analyses because those analyses include only the allocation for TRAs with anticipated development.

[2] City of Manteca TRA's reflect only those TRAs within the Mossdale Tract boundary that are not included in a redevelopment area.

sum

Source: EPS.

[1] This analysis assumes the EIFD will be formed in FY 2022-23 (Base Year) with the first year of revenue accruing to the district in FY 2023-24. Secured and unsecured tax rolls for a fiscal year are based on taxable assessed values with a lien date of the prior January 1. Thus, the initial phase of this analysis includes estimated development occurring in July-December 2022 (50% of development estimated in calendar year 2022) and development occurring in full calendar years for the remainder of the phase (2023-2025). Subsequent phases include 5-year development periods for development occurring from 2026 through 2040 and 10-year development periods from 2041 through 2060.

[2] EIFD Allocation represents the portion of City property tax revenues diverted to the EIFD. Refer to Table B-3 for details.

[1] Reflects the City of Lathrop Fiscal Year 2020-21 adopted budget. Revenues and expenditures are in 2020 dollars. This analysis does not reflect changes in values resulting from inflation or appreciation.

[2] This analysis assumes the EIFD will be formed in FY 2022-23 (Base Year) with the first year of revenue accruing to the district in FY 2023-24. Secured and unsecured tax rolls for a fiscal year are based on taxable assessed values with a lien date of the prior January 1. Thus, the initial phase of this analysis includes estimated development occurring in July-December 2022 (50% of development estimated in calendar year 2022) and development occurring in full calendar years for the remainder of the phase (2023-2025). Subsequent phases include 5-year development periods for development occurring from 2026 through 2040 and 10-year development periods from 2041 through 2060.

[3] Based on population estimates from the California Department of Finance (DOF) data for January 1, 2020.

[4] US Census Onthemap.ces.census.gov estimated a total of 9,090 jobs in Lathrop, CA in 2018. California EDD reports an annual average growth rate of 0.95% since 2018 for the Stockton-Lodi MSA. EPS adjusted the 2018 employment figure to arrive at a 2020 employment estimate using this growth rate and further increased the total by 10% to account for self-employed workers. Estimate is rounded to the nearest hundred employees.

[5] Defined as total City population plus half of total employees within the City.

land use

Source: City of Lathrop; LWA; EPS.

[1] This analysis assumes the EIFD will be formed in FY 2022-23 (Base Year) with the first year of revenue accruing to the district in FY 2023-24. Secured and unsecured tax rolls for a fiscal year are based on taxable assessed values with a lien date of the prior January 1. Thus, the initial phase of this analysis includes estimated development occurring in July-December 2022 (50% of development estimated in calendar year 2022) and development occurring in full calendar years for the remainder of the phase (2023-2025). Subsequent phases include 5-year development periods for development occurring from 2026 through 2040 and 10-year development periods from 2041 through 2060.

[2] Development projections were provided by LWA and are based on land use data provided by the City as of February, 2020. Includes development projections in Central Lathrop, Mossdale Landing, South Lathrop, Lathrop Gateway, Crossroads, Historic/East Lathrop, and Sharpe Depot.

[3] Includes development projections in the South Lathrop Specific Plan.

[4] For the purpose of this analysis, low density residential is considered to be owner-occupied and high density residential is assumed to be renter-occupied.

[5] Nonresidential commercial land use projections provided by the City reflect a general commercial land use designation. This analysis assumes general commercial will comprise both retail and office land uses. EPS determined a preliminary estimated allocation of retail and office space based on the existing proportion of retail and office space in the City, the City's current General Plan, and the proposed land use plans of anticipated development projects within the EIFD boundary.

[1] Residential assessed values are based on sales data of comparable products as obtained through The Gregory Group for the last 4 quarters (Q1 2020 through Q4 2020). Nonresidential values per square foot based on comparable transaction data for transactions made in San Joaquin County since 2005 obtained from Costar, data accessed on March 25, 2021. Commercial retail and office categories are a blended average of retail and commercial uses.

[2] Owner-occupied residential assumed to turn over once every 7 years and renter-occupied residential is assumed to turn over once every 15 years. Nonresidential uses are assumed to turn over once every 20 years.

[3] Residential vacancy rates obtained from the US Census American Community Survey, 2018 estimates, for San Joaquin County. Commercial and industrial vacancy rates based on Q3 2019 Costar and Q3 2019 Colliers International market reports for the Stockton/Modesto area.

[4] Persons per household figures obtained from the US Census American Community Survey, 2018 estimates. Square feet per employee values are based on empirical research for proposed land uses.

rev pro

Source: City of Lathrop FY 2019-21 Adopted Budget and Budget Amendments (Dated March 4, 2021); EPS.

[1] Based on amended Fiscal Year 2020-21 Budgeted General Fund revenues as provided by City staff, current as of March, 2021.
[2] Refer to Table A-1 for details.
[3] City Property Transfer Tax revenues are included in the Property Tax total.
[4] Cities that did not receive property tax or exist in 1980 are ineligible for Proposition 172 revenues. The City of Lathrop incorporated in 1989 and is therefore ineligible to receive Proposition 172 revenue.
[5] This revenue source is not expected to be affected by anticipated development and therefore is not evaluated in this analysis.
[6] This revenue source is dedicated to and directly offsets costs as shown in Table C-1.

prop tax

Source: City of Lathrop; San Joaquin County Auditor-Controller; EPS.

[1] Reflects the average property tax allocation to the City General Fund for all TRAs within the 200-year flood plain that are within the boundaries of the City of Lathrop. TRAs include: 007-000, 007-007, 007-008, 007-012, 007-013, 007-014, 007-022, 007-029, 007-041, 007-043, 007-046, 007-047, 007-048, 007-049, 007-071, 007-074, 007-091, 007-092, 007-093, and 007-095.
[2] Refer to Table D-1 for details.
[3] EIFD allocation percentage represents the portion of property tax revenues to be diverted to the EIFD. Alocation percentages are negotiated allocation amounts based on discussions between the County, the Cities of Lathrop, Stockton, and Manteca, and Project Consultants. Reflects the Initial Base Rate for the period ending 2029 and the Maximum Tax Allocation Rate for 2030 and beyond.
[4] Reflects Assessed Valuation for FY 2020-21. Includes Citywide secured, unsecured, homeowner exemption, and public utility roll.
[5] Property tax in-lieu of VLF amount derived from the City of Lathrop FY 2020-21 Annual Budget. Refer to Table B-1 for details.

sales

Source: City of Lathrop; California State Board of Equalization; EPS.

[1] This analysis excludes Measure C sales tax revenues. Approved by voters in November 2012, Measure C enacts a permanent one percent "general purpose tax" rate to generate revenue that may be used by the City to pay for general City operations and programs, including public safety provided by the City or through contract with entities such as the County Sheriff Department and Lathrop Manteca Fire District.
[2] Cities that did not receive property tax or incorporate by 1980 are ineligible for Proposition 172 revenues. The City of Lathrop incorporated in 1989 and is therefore ineligible to receive Proposition 172 revenue.

exp

Source: City of Lathrop FY 2019-21 Adopted Budget and Budget Amendments (Dated March 4, 2021); EPS.

[1] Based on amended Fiscal Year 2020-21 Budgeted General Fund expenditures as provided by City staff, current as of March 4, 2021.

[2] An adjustment factor may be used to reflect the fact that new employees may not increase certain General Fund department expenditures at a 1:1 ratio. This analysis does not assume an adjustment at this time.

[3] With the exception of Police expenditures, this analysis estimates impacts of proposed development on City General Fund expenditures only. Fire services are provided to the City by the Lathrop Manteca Fire District and are excluded from this analysis.

[4] Police costs include expenditures allocated to the General Fund, COPS, Mossdale, and Measure C.

[5] Offsetting Revenues for Public Works categories of City Hall, Administration, Utility Engineering, and Building Maintenance totals $24,264 as provided by City Staff. As the allocation of these revenues is not available at this time, it is assumed that the revenue is divided evenly between these four categories.

[6] Amended Fiscal Year 2020-21 Public Works Administration expenditures include Code Compliance

[6] Includes capital replacement and pension stability.

[7] This expenditure category is not expected to be affected by the project and not evaluated as part of this analysis.

Estimated Average Annual Household Income (2020$)

City of Lathrop

Residential Land Use	Estimated Home Value [1]	Total Annual Mortgage or Rent [2]	Estimated Household Income [3]	Taxable Expenditures as a Percent of Income [4]	Annual Taxable Expenditures per Household (Rounded)
Owner-Occupied Residential					
Low Density Residential	$525,000	$39,356	$112,000	23%	$26,000
Renter-Occupied Residential					
High Density Residential	$200,000	$18,000	$51,000	30%	$15,000

income

Source: Costar; The Gregory Group; Bureau of Labor Statistics; EPS.

[1] See Table A-5 for detail on estimated values for owner-occupied units.

[2] Based on a 5%, 30-year fixed-rate mortgage with a 20% down payment, $150 monthly Homeowner's association dues and 2% annual taxes and insurance.
High density residential based on an average monthly rent assumption of $1,500 based on data on similar multifamily residential obtained from Costar and an average size of 1,000 square feet.

[3] Assumes 35% of income dedicated to housing costs (mortgage, taxes, insurance, and HOA dues) or rent payments. Rounded to the nearest $1,000.

[4] Based on household expenditures data from the Bureau of Labor Statistics, 2018 Consumer Expenditure Survey.

sum

Source: EPS.

[1] This analysis assumes the EIFD will be formed in FY 2022-23 (Base Year) with the first year of revenue accruing to the district in FY 2023-24. Secured and unsecured tax rolls for a fiscal year are based on taxable assessed values with a lien date of the prior January 1. Thus, the initial phase of this analysis includes estimated development occurring in July-December 2022 (50% of development estimated in calendar year 2022) and development occurring in full calendar years for the remainder of the phase (2023-2025). Subsequent phases include 5-year development periods for development occurring from 2026 through 2040 and 10-year development periods from 2041 through 2060.

[2] EIFD Contribution represents the portion of City property tax revenues diverted to the EIFD. Refer to Table B-3 for details.

[1] This analysis assumes the EIFD will be formed in FY 2022-23 (Base Year) with the first year of revenue accruing to the district in FY 2023-24. Secured and unsecured tax rolls for a fiscal year are based on taxable assessed values with a lien date of the prior January 1. Thus, the initial phase of this analysis includes estimated development occurring in July-December 2022 (50% of development estimated in calendar year 2022) and development occurring in full calendar years for the remainder of the phase (2023-2025). Subsequent phases include 5-year development periods for development occurring from 2026 through 2040 and 10-year development periods from 2041 through 2060.

[2] EIFD Contribution represents the portion of City property tax revenues diverted to the EIFD. Refer to Table B-2 for details.

[1] Reflects the City of Manteca Fiscal Year 2020-21 adopted budget. Revenues and expenditures are in 2020 dollars. This analysis does not reflect changes in values resulting from inflation or appreciation.

[2] This analysis assumes the EIFD will be formed in FY 2022-23 (Base Year) with the first year of revenue accruing to the district in FY 2023-24. Secured and unsecured tax rolls for a fiscal year are based on taxable assessed values with a lien date of the prior January 1. Thus, the initial phase of this analysis includes estimated development occurring in July-December 2022 (50% of development estimated in calendar year 2022) and development occurring in full calendar years for the remainder of the phase (2023-2025). Subsequent phases include 5-year development periods for development occurring from 2026 through 2040 and 10-year development periods from 2041 through 2060.

[3] Based on population estimates from the California Department of Finance (DOF) data for January 1, 2020.

[4] US Census Onthemap.ces.census.gov estimated a total of 18,767 jobs in Manteca, CA in 2018. California EDD reports an annual average growth rate of 0.95% since 2018 for the Stockton-Lodi MSA. EPS adjusted the 2018 employment figure to arrive at a 2020 employment estimate using this growth rate and further increased the total by 10% to account for self-employed workers. Estimate is rounded to the nearest hundred employees.

[5] Persons served is defined as total population plus half of total employees. Used to estimate specific revenues and expenditures that are assumed to be impacted by growth in resident and employment populations and to avoid double counting of employees who reside in the City.

[1] This analysis assumes the EIFD will be formed in FY 2022-23 (Base Year) with the first year of revenue accruing to the district in FY 2023-24. Secured and unsecured tax rolls for a fiscal year are based on taxable assessed values with a lien date of the prior January 1. Thus, the initial phase of this analysis includes estimated development occurring in July-December 2022 (50% of development estimated in calendar year 2022) and development occurring in full calendar years for the remainder of the phase (2023-2025). Subsequent phases include 5-year development periods for development occurring from 2026 through 2040 and 10-year development periods from 2041 through 2060.

[2] Development projections were provided by LWA and are based on land use data provided by the City as of February, 2020. Includes development projections in railroad Industrial Area, Center Point South, Telles and Willson, Villa Ticino West, Yosemite Greens, Kiper, Alma Apartments, Yosemite/Fishback, Family Entertainment Zone, Embarcadero, Airport/Daniels, Highway 120, Oakwood Trails, Denali, Sundance, The Trails of Manteca, Cerri, Terra Ranch, Wackerly, Lewis Estates, and Oleander.

[3] Includes development projections in the Manteca Annexation Area, and Oakwood Shores.

[4] For the purpose of this analysis, low density residential is considered to be owner-occupied and high density residential is assumed to be renter-occupied.

[5] Nonresidential commercial land use projections provided by the City reflect a general commercial land use designation. This analysis assumes general commercial will comprise both retail and office land uses. EPS determined a preliminary estimated allocation of retail and office space based on the existing proportion of retail and office space in the City, the City's current General Plan, and the proposed land use plans of anticipated development projects within the EIFD boundary.

Source: The Gregory Group; Costar; Colliers, International; CBRE; US Census; EPS.

[1] Residential assessed values are based on sales data of comparable products as obtained through The Gregory Group for the last 4 quarters (Q1 2020 through Q4 2020). Nonresidential values per square foot based on comparable transaction data for transactions made in San Joaquin County since 2005 obtained from Costar, data accessed on March 25, 2021. Commercial retail and office categories are a blended average of retail and commercial uses.

[2] Owner-occupied residential assumed to turn over once every 7 years and renter-occupied residential is assumed to turn over once every 15 years. Nonresidential uses are assumed to turn over once every 20 years.

[3] Residential vacancy rates obtained from the US Census American Community Survey, 2018 estimates, for San Joaquin County. Commercial and industrial vacancy rates based on Q3 2019 Costar and Q3 2019 Colliers International market reports for the Stockton/Modesto area.

[4] Persons per household figures obtained from the US Census American Community Survey, 2018 estimates. Square feet per employee values are based on empirical research for proposed land uses.

prop tax

Source: City of Manteca; San Joaquin County Auditor-Controller; EPS.

[1] Reflects the average property tax allocation to the City's General Fund for all TRAs within the 200-year flood plain that are within the City's boundary and not included in a redevelopment area. TRAs located in Project boundary include: 002-000, 002-005, 002-006, 002-055, 002-057, 002-058, 002-060, 002-063, 002-064, 002-074, 002-076, 002-078, 002-080, 002-087, and 002-088. Project TRAs not included in the redevelopment area include: 002-000, 002-060, 002-063, and 002-088.
[2] Reflects the estimated property tax allocation to the City's General Fund of TRAs anticipated to annex into the City of Manteca within the boundary of the flood basin. Refer to Table D-1 for details.
[3] EIFD allocation percentage represents the portion of property tax revenues to be diverted to the EIFD. Alocation percentages are negotiated allocation amounts based on discussions between the County, the Cities of Lathrop, Stockton, and Manteca, and Project Consultants. Reflects the Initial Base Rate for the period ending 2029 and the Maximum Tax Allocation Rate for 2030 and beyond.
[4] Reflects Assessed Valuation for FY 2019-20. Includes Citywide secured, unsecured, homeowner exemption, and public utility roll.
[5] Property tax in-lieu of VLF amount derived from the City of Manteca FY 2019-20 Annual Budget. Refer to Table B-1 for details.

sales b

Source: U.S. Department of Labor Bureau of Labor Statistics; Urban Land Institute; EPS.

[1] See Table D-4 for the taxable retail sales calculation. All retail is assumed to be community serving retail. Sales per square foot for the Retail space is based on average total sales per square foot figure derived from BizMiner and eMarketer data (escalated to 2020$) and converts total sales to taxable sales per square foot to account for a small portion of non-taxable goods sold.
[2] Estimated in Table B-5A.
[3] Represents a discount factor to account for taxable sales transactions that may shift from the City's existing retail centers to those included in the Project. Applied only to Retail uses within the Project.

exp

Source: City of Manteca FY 2020-21 Final Budget including Midyear Budget Amendments (Current as of March 10, 2021); EPS.

[1] Includes midyear budget amendments as provided by City staff, current as of March 10, 2021.
[2] An adjustment factor may be used to reflect the fact that new employees may not increase certain General Fund department expenditures at a 1:1 ratio. This analysis does not assume an adjustment at this time.
[3] Police and Fire protection expenditures included reflect only City General Fund Police expenditures and excludes any Measure M funded expenditures (Fund 320) for one-time capital expenditures included in the public safety endowment fund (Fund 330).
[4] It is anticipated that Project development would result in the need for an additional fire station to serve the Project area to the south of the City prior to development of the first phase of the Project, based on information provided by the Fire Chief. This ongoing operations of a new fire station in the initial phase of Project development (2020 - 2025).

exp est

Source: City of Manteca FY 2020-21 Adopted Budget; EPS.

[1] Annual expenditure estimated on a per persons served or per capita basis. Refer to Table C-1 for estimating procedure and Table A-5 for population and employment estimates.

[2] Based on information provided by the Fire Chief, it is anticipated that an additional fire station would be required to service Project development south of the City. Staffing for an additional Fire station would consist of Three Fire Captains, Three Fire engineers, Three Firefighters and two Firefighter floaters. It is estimated that staffing and operations of this station would result in annual expenditures equalling $1,700,000 annually, based on information provided by the Manteca Fire Department. The ongoing annual operational costs of a new fires station is included in the initial phase of the development. It is assumed that this cost is captured in the annual expenditures calculated using the multiplier method for all remaining phases.

retail sales

Note: Original data is based on an average of multiple sources and is presented in 2016$ unless noted otherwise in footnotes.

Source: BizMiner 2016; ULI Dollars & Cents 2008; State of California Board of Equalization (BOE) Publication 61; Bureau of Labor Statistics, "CPI-All Urban Consumers (Current Series) - West Urban"; RetailSails http://retailsails.files.wordpress.com/2011/09/rs_spsf.pdf; eMarketer pulled February 2019; respective annual 10-K reports; EPS.

[1] Sales adjusted to year-end 2020 based on the Consumer Price Index, All items in West urban, all urban consumers, not seasonally adjusted:

Year	CPI	Adjustment to 2020$
2008	219.65	25.9%
2016	247.71	11.7%
2018	263.26	5.1%
2019	270.35	2.3%
2020	276.59	0.0%

[2] Reflects percentage of total square footage by retail category by retail center type, estimated based on ULI's Dollars & Cents 2008.
[3] Reflects motor vehicle parts only; excludes taxable sales per square foot for dealerships.
[4] Sales per square foot for Food and Beverage stores estimated based on the averages from BizMiner, RetailSales, eMarketer, and annual 10-K reports, escalated to 2020$.
[5] Estimated using ULI's Dollars & Cents, 2008, escalated to 2020$.
[6] Included to account for non-taxable retail space occupants, such as services.
[7] Based on BOE Publication 61, March 2018.

sum

Source: EPS.

[1] This analysis assumes the EIFD will be formed in FY 2022-23 (Base Year) with the first year of revenue accruing to the district in FY 2023-24. Secured and unsecured tax rolls for a fiscal year are based on taxable assessed values with a lien date of the prior January 1. Thus, the initial phase of this analysis includes estimated development occurring in July-December 2022 (50% of development estimated in calendar year 2022) and development occurring in full calendar years for the remainder of the phase (2023-2025). Subsequent phases include 5-year development periods for development occurring from 2026 through 2040 and 10-year development periods from 2041 through 2060.

[2] EIFD Contribution represents the portion of City property tax revenues diverted to the EIFD. Refer to Table B-3 for details.

[1] Reflects the City of Stockton Fiscal Year 2020-21 adopted budget. Revenues and expenditures are in 2020 dollars. This analysis does not reflect changes in values resulting from inflation or appreciation.

[2] This analysis assumes the EIFD will be formed in FY 2022-23 (Base Year) with the first year of revenue accruing to the district in FY 2023-24. Secured and unsecured tax rolls for a fiscal year are based on taxable assessed values with a lien date of the prior January 1. Thus, the initial phase of this analysis includes estimated development occurring in July-December 2022 (50% of development estimated in calendar year 2022) and development occurring in full calendar years for the remainder of the phase (2023-2025). Subsequent phases include 5-year development periods for development occurring from 2026 through 2040 and 10-year development periods from 2041 through 2060.

[3] Based on population estimates from the California Department of Finance (DOF) data for January 1, 2020.

[4] US Census Onthemap.ces.census.gov estimated a total of 109,746 jobs in Stockton, CA in 2018. California EDD reports an annual average growth rate of 0.95% since 2018 for the Stockton-Lodi MSA. EPS adjusted the 2018 employment figure to arrive at a 2020 employment estimate using this growth rate and further increased the total by 10% to account for self-employed workers. Estimate is rounded to the nearest hundred employees.

[5] Persons served is defined as total population plus half of total employees. Used to estimate specific revenues and expenditures that are assumed to be impacted by growth in resident and employment populations and to avoid double counting of employees who reside in the City.

[1] This analysis assumes the EIFD will be formed in FY 2022-23 (Base Year) with the first year of revenue accruing to the district in FY 2023-24. Secured and unsecured tax rolls for a fiscal year are based on taxable assessed values with a lien date of the prior January 1. Thus, the initial phase of this analysis includes estimated development occurring in July-December 2022 (50% of development estimated in calendar year 2022) and development occurring in full calendar years for the remainder of the phase (2023-2025). Subsequent phases include 5-year development periods for development occurring from 2026 through 2040 and 10-year development periods from 2041 through 2060.

[2] Development projections were provided by LWA and are based on land use data provided by the City as of February, 2020. Includes development projections in Weston Ranch and the South Airport Area.

[3] Includes development projections in the future Stockton Annexation Area.

[4] For the purpose of this analysis, low density residential is considered to be owner-occupied and high density residential is assumed to be renter-occupied.

[5] Nonresidential commercial land use projections provided by the City reflect a general commercial land use designation. This analysis assumes general commercial will comprise both retail and office land uses. EPS determined a preliminary estimated allocation of retail and office space based on the existing proportion of retail and office space in the City, the City's current General Plan, and the proposed land use plans of anticipated development projects within the EIFD boundary.

Source: The Gregory Group; Costar; Colliers, International; CBRE; US Census; EPS.

[1] Residential assessed values are based on sales data of comparable products as obtained through The Gregory Group for the last 4 quarters (Q3 2018 through Q2 2019). Nonresidential values per square foot based on comparable transaction data for transactions made in San Joaquin County since 2005 obtained from Costar, data accessed on March 25, 2021. Commercial retail and office categories are a blended average of retail and commercial uses.

[2] Owner-occupied residential (low density) assumed to turn over once every 7 years and renter-occupied (high density) residential is assumed to turn over once every 15 years. Nonresidential uses are assumed to turn over once every 20 years.

[3] Residential vacancy rates obtained from the US Census American Community Survey, 2018 estimates, for San Joaquin County. Commercial and industrial vacancy rates based on Q3 2019 Costar and Q3 2019 Colliers International market reports for the Stockton/Modesto area.

[4] Persons per household figures obtained from the US Census American Community Survey, 2018 estimates. Square feet per employee values are based on empirical research for proposed land uses.

[1] Refer to Table A-1.
[2] Measure A is a 0.75% transaction and use tax approved by voters in November 2013 and is set to expire in 2024 or sooner if certain conditions are met. As it is unknown if Measure A will be extended beyond the initial 10 year period, it has been excluded from this analysis.
[3] These revenue sources are not anticipated to be impacted by development included in this analysis.
[4] Based on the City of Stockton Fiscal Year 2020-21 Approved Annual Budget, these revenue categories are fully offset by expenditures as shown on Table C-1.

prop tax

Source: City of Stockton; San Joaquin County Auditor-Controller; EPS.

[1] Reflects the average property tax allocation to the City's General Fund for all TRAs within the 200-year flood plain that are within the City's boundary. TRAs include: 003-159, 003-206, 003-238, 003,240, 003-289, 003-312, 003-455, 003-463, 003-464, 003-479, and 003-481.
[2] Refer to Table D-1 for details.
[3] EIFD allocation percentage represents the portion of property tax revenues to be diverted to the EIFD. Alocation percentages are negotiated allocation amounts based on discussions between the County, the Cities of Lathrop, Stockton, and Manteca, and Project Consultants. Reflects the Initial Base Rate for the period ending 2029 and the Maximum Tax Allocation Rate for 2030 and beyond.
[4] Reflects Assessed Valuation for FY 2020-21. Includes Citywide secured, unsecured, homeowner exemption, and public utility roll.
[5] Property tax in-lieu of VLF amount derived from the City of Stockton FY 2020-21 Annual Budget. Refer to Table B-1 for details.

[1] See Table D-4 for the taxable retail sales calculation. All retail is assumed to be community serving retail. Sales per square foot for the Retail space is based on average total sales per square foot figure derived from BizMiner and eMarketer data (escalated to 2020$) and converts total sales to taxable sales per square foot to account for a small portion of non-taxable goods sold.
[2] Estimated in Table B-5A.
[3] Represents a discount factor to account for taxable sales transactions that may shift from the City's existing retail centers to those included in the Project. Applied only to the Retail uses within the Project.

exp

Source: City of Stockton Fiscal Year 2020-21 Approved Annual Budget; City of Stockton; EPS.

[1] Represents the approved FY 2020-21 budgeted expenditures.

[2] An adjustment factor may be used to reflect the fact that new employees may not increase certain General Fund department expenditures at a 1:1 ratio. This analysis does not assume an adjustment at this time.

[3] Based on conversations with the Fire Chief it is anticipated that an additional fire station would be required to serve the anticipated development south of the City. The annual operating costs related to the operation of the additional fire station have been included as an additional annual expenditure in all phases of development.

[4] Under current budget conditions, Library and Recreation funding includes support from Sales Tax Measure M. This sales tax measure is expected to expire in 2034 and is not anticipated to be renewed. As a result all Library and Recreation expenditures currently funded through Measure M are expected to be absorbed by the City General Fund beginning in 2034.

[5] This expenditure category is not expected to be affected by the project and not evaluated as part of this analysis.

[6] Available Balance reflects surplus annual General Fund Revenues beyond those required to fund all annual General Fund Expenditures.

exp est

Source: City of Stockton Fiscal Year 2020-21 Approved Annual Budget; EPS.

[1] Annual expenditure estimated on a per persons served or per capita basis. Refer to Table C-1 for estimating procedure and Table A-5 for population and employment estimates.

[2] Based on conversations with the Fire Chief it is anticipated that an additional fire station would be required to serve the anticipated development south of the City. This analysis assumes the required station will be developed and staffed within the first phase of development. Based on information provided by the Fire Chief, current as of July 2020, the additional station would require nine additional firefighters to staff an engine and company for a total annual expenditure increase of $2,300,000. The fire station expenditures have been included in this analysis in addition to the per persons served multiplier expenditures.

[3] Under current budget conditions, Library and Recreation funding includes support from Sales Tax Measure M. This sales tax measure is expected to expire in 2034 and is not anticipated to be renewed. As a result, all Library and Recreation expenditures currently funded through Measure M are expected to be absorbed by the City General Fund beginning in 2034.

sum

Source: EPS.

[1] This analysis assumes the EIFD will be formed in FY 2022-23 (Base Year) with the first year of revenue accruing to the district in FY 2023-24. Secured and unsecured tax rolls for a fiscal year are based on taxable assessed values with a lien date of the prior January 1. Thus, the initial phase of this analysis includes estimated development occurring in July-December 2022 (50% of development estimated in calendar year 2022) and development occurring in full calendar years for the remainder of the phase (2023-2025). Subsequent phases include 5-year development periods for development occurring from 2026 through 2040 and 10-year development periods from 2041 through 2060.

[2] EIFD Allocation represents the portion of County property tax revenues diverted to the EIFD. Refer to Table B-3 for details.

[1] Reflects the County of San Joaquin Fiscal Year 2020-21 adopted budget. Revenues and expenditures are in 2020 dollars. This analysis does not reflect changes in values resulting from inflation or appreciation.

[2] This analysis assumes the EIFD will be formed in FY 2022-23 (Base Year) with the first year of revenue accruing to the district in FY 2023-24. Secured and unsecured tax rolls for a fiscal year are based on taxable assessed values with a lien date of the prior January 1. Thus, the initial phase of this analysis includes estimated development occurring in July-December 2022 (50% of development estimated in calendar year 2022) and development occurring in full calendar years for the remainder of the phase (2023-2025). Subsequent phases include 5-year development periods for development occurring from 2026 through 2040 and 10-year development periods from 2041 through 2060.

[3] Based on population estimates from the California Department of Finance (DOF) data for January 1, 2020.

[4] US Census Onthemap.ces.census.gov estimated a total of 251,730 jobs in San Joaquin County, CA in 2018. California EDD reports an annual average growth rate of 0.95% since 2018 for the Stockton-Lodi MSA. EPS adjusted the 2018 employment figure to arrive at a 2020 employment estimate using this growth rate and further increased the total by 10% to account for self-employed workers. Estimate is rounded to the nearest hundred employees.

[5] Persons served is defined as total population plus half of total employees. Used to estimate specific revenues and expenditures that are assumed to be impacted by growth in resident and employment populations and to avoid double counting of employees who reside in the City.

Source: San Joaquin County; City of Manteca; City of Lathrop; City of Stockton; LWA; EPS.

[1] This analysis assumes the EIFD will be formed in FY 2022-23 (Base Year) with the first year of revenue accruing to the district in FY 2023-24. Secured and unsecured tax rolls for a fiscal year are based on taxable assessed values with a lien date of the prior January 1. Thus, the initial phase of this analysis includes estimated development occurring in July-December 2022 (50% of development estimated in calendar year 2022) and development occurring in full calendar years for the remainder of the phase (2023-2025). Subsequent phases include 5-year development periods for development occurring from 2026 through 2040 and 10-year development periods from 2041 through 2060.

[2] Development projections include development projections in incorporated cities as were provided by LWA based on land use data provided by the Cities of Lathrop, Manteca, and Stockton as of February, 2020.

[3] Includes development projections in the future Stockton annexation area, the future Manteca Annexation area, and the Oakwood Shores and South Lathrop developments.

[4] For purposes of this analysis, residential units were categorized as owner- or renter-occupied based on assumed density.

[5] Nonresidential commercial land use projections provided by the applicable City reflect a general commercial land use designation. This analysis assumes general commercial will comprise both retail and office land uses. EPS determined a preliminary estimated allocation of retail and office space based on the existing proportion of retail and office space in each City, the City's current General Plan, and the proposed land use plans of anticipated development projects within the EIFD boundary.

Source: The Gregory Group; Costar; Colliers, International; CBRE; US Census; EPS.

[1] Residential assessed values are based on sales data of comparable products as obtained through The Gregory Group for the last 4 quarters (Q1 2020 through Q4 2020). Nonresidential values per square foot based on comparable transaction data for transactions made in San Joaquin County since 2005 obtained from Costar, data accessed on March 25, 2021.

[2] Owner-occupied residential assumed to turn over once every 7 years and renter-occupied residential is assumed to turn over once every 15 years. Nonresidential uses are assumed to turn over once every 20 years.

[3] Residential vacancy rates obtained from the US Census American Community Survey, 2018 estimates, for San Joaquin County. Commercial and industrial vacancy rates based on Q3 2019 Costar and Q3 2019 Colliers International market reports for the Stockton/Modesto area.

[4] Persons per household figures obtained from the US Census American Community Survey, 2018 estimates. Square feet per employee values are based on empirical research for proposed land uses.

[5] Estimated Countywide assessed value per unit reflects the weighted average, at buildout, of the assessed values per unit assumptions for Lathrop, Manteca, and Stockton. The assessed value per unit for low density residential is assumed to be $425,000 in the City of Stockton, $500,000 in the City of Manteca, and $525,000 in the City of Lathrop. The assumption varies in each phase based on varying amounts of low density residential development in each jurisdiction by phase.

prop tax

Source: San Joaquin County; San Joaquin County Auditor-Controller; EPS.

[1] Reflects the average property tax allocation to the County General Fund for all TRAs within the 200-year flood plain that are within the boundaries of the Cities of Lathrop, Manteca, and Stockton. TRAs include: 002-000, 002-060, 002-063, 002-064, 002-087, 002-088, 003-159, 003-206, 003-238, 003-240, 003-289, 003-312, 003463, 003-464, 007-000, 007-002, 007-007, 007-008, 007-010, 007-012, 007-013, 007-014, 007-022, 007-029, 007-032, 007-041, 007-043, 007-046, 007-047, 007-048, 007-049, 007-071, and 007-074.
[2] Refer to Table D-1 for details.
[3] EIFD allocation percentage represents the portion of property tax revenues to be diverted to the EIFD. Alocation percentages are negotiated allocation amounts based on discussions between the County, the Cities of Lathrop, Stockton, and Manteca, and Project Consultants. Reflects the Initial Base Rate for the period ending 2029 and the Maximum Tax Allocation Rate for 2030 and beyond.
[4] Reflects Assessed Valuation for FY 2020-21. Includes countywide secured, unsecured, homeowner exemption, and public utility roll.
[5] Property tax in-lieu of VLF amount derived from the San Joaquin County FY 2020-21 Annual Budget. Refer to Table B-1 for details.

sales b

Source: Costar; Gregory Group; Bureau of Labor Statistics; EPS.

[1] See Table D-4 for the taxable retail sales calculation. All retail is assumed to be community serving retail. Sales per square foot for the Retail space is based on average total sales per square foot figure derived from BizMiner and eMarketer data (escalated to 2020$) and converts total sales to taxable sales per square foot to account for a small portion of non-taxable goods sold.
[2] Estimated in Table B-5A.
[3] Represents a discount factor to account for taxable sales transactions that may shift from the cities' existing Regional- and Community-serving retail centers to those included in the Project.

[1] An adjustment factor may be used to reflect the fact that new employees may not increase certain General Fund department expenditures at a 1:1 ratio. This analysis does not assume an adjustment.
[2] A majority of the police protection budget serves the unincorporated County population only. This analysis excludes this portion of the budget and only accounts for countywide cost impacts.
[3] These cost categories serve the unincorporated County population only and have been excluded from the analysis.

[1] Refer to Table A-5 for details.

[2] Countywide Project assessed value is calculated as the sum of the Project assessed values for Lathrop, Manteca, and Stockton, based on differing assessed value assumptions by jurisdiction. The assessed value per unit for low density residential is assumed to be $450,000 in the City of Stockton and $500,000 in the City of Manteca, and $525,000 in the City of Lathrop. as the phasing of the Project varies from jurisdiction to jurisdiction, the average assessed value per unit for low density residential Countywide varies between phases.

Resolution No.

STOCKTON CITY COUNCIL

A RESOLUTION APPROVING THE DRAFT MOSSDALE TRACT ENHANCED INFRACTURE FINANCING DISTRICT FINANCING PLAN AND AUTHORIZING CERTAIN OTHER ACTIONS RELATED THERETO

Pursuant to Resolution No. R-22-5019 adopted on January 13, 2022 (the "Resolution of Intention"), the City Council of the City of Lathrop (the "City of Lathrop"), (i) initiated the process to establish the Mossdale Tract Enhanced Infrastructure Financing District (the "EIFD") to finance certain public and other specified facilities, (ii) approved the establishment of the EIFD's Public Financing Authority (the "Authority"), to be responsible for directing the preparation and implementation of the infrastructure financing plan (the "Infrastructure Financing Plan"), (iii) approved the preparation and distribution of the Infrastructure Financing Plan in accordance with Chapter 2.99 of Part 1 of Division 2 of Title 5 of the California Government Code (commencing with Section 53398.50) (the "EIFD Law"), and (iv) fixed the time and place when and where the Authority would conduct its first public hearing on the proposed establishment of the EIFD and the Infrastructure Financing Plan; and

Pursuant to the Resolution of Intention and in accordance with the EIFD Law, the City of Lathrop directed the Authority to request the assistance of necessary San Joaquin County ("County") staff, San Joaquin Area Flood Control Agency ("SJAFCA") staff, and other professionals to prepare the Infrastructure Financing Plan, and the Infrastructure Financing Plan was thereafter prepared and distributed in accordance with EIFD Law; and

Pursuant to Resolution No. 2022-02-08-1502 adopted by the City Council (the "City Council") of the City of Stockton (the "City") on February 8, 2022, the City agreed to participate in the proposed EIFD as a taxing entity pending approval of the Infrastructure Financing Plan by the City Council; and

In accordance with the EIFD Law, the Authority conducted the first public hearing on the proposed establishment of the EIFD and the Infrastructure Financing Plan on April 21, 2022, and the second public hearing on May 26, 2022; and

In accordance with the EIFD Law, the Authority is scheduled to conduct its third public hearing on the proposed establishment of the EIFD and the Infrastructure Financing Plan on July 21, 2022; and

The draft Infrastructure Financing Plan, which is incorporated herein by reference and which is on file in the office of the City Clerk, has been presented to the City Council of the City of Stockton for its review and approval, now, therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF STOCKTON, AS FOLLOWS:

1. The foregoing recitals are true and correct.

2. The City Council hereby approves the draft Infrastructure Financing Plan as presented at this meeting and authorizes City staff to file a copy of this Resolution with the Authority at or prior to the Authority's public hearing on July 21, 2022.

3. The City Council hereby authorizes the City Manager to provide the certifications required by Government Code section 53398.54 in the manner and time required therein.

4. This Resolution shall take effect from and after its adoption.

5. If any section, subsection, phrase, or clause of this Resolution is for any reason found to be invalid, such section, subsection, phrase or clause shall be severed from, and shall not affect the validity of, all remaining portions of this Resolution that can be given effect without the severed portion.

6. The City Manager is hereby authorized and directed to take all actions necessary or advisable to give effect to the transactions contemplated by this Resolution. Any actions heretofore taken, on behalf of the City, that is in conformity with the purposes and intent of this Resolution and with the provisions of the EIFD Law with respect to the proposed EIFD, are hereby approved and confirmed.

PASSED, APPROVED, and ADOPTED June 14, 2022.

KEVIN J. LINCOLN II
Mayor of the City of Stockton

ATTEST:

ELIZA R. GARZA, CMC
City Clerk of the City of Stockton

PROPOSED MOSSDALE TRACT ENHANCED INFRASTRUCTURE FINANCING DISTRICT – INFRASTRUCTURE FINANCING PLAN

City of Stockton
June 14, 2022
Agenda Item 15.1

Presentation Overview

- Project objectives and proposed solution
- Requested Action
- High Level Overview of Infrastructure Financing Plan (IFP)
  - Key Messages
- Next Steps in EIFD Formation Process

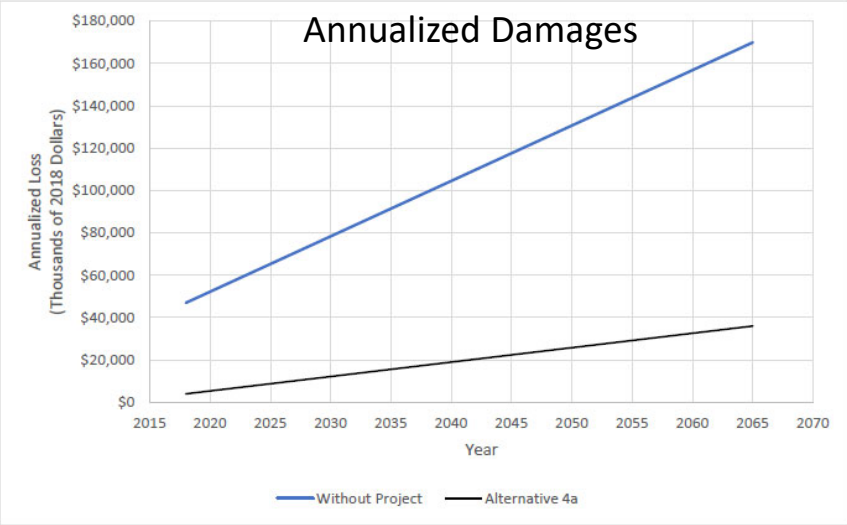
Project Objectives

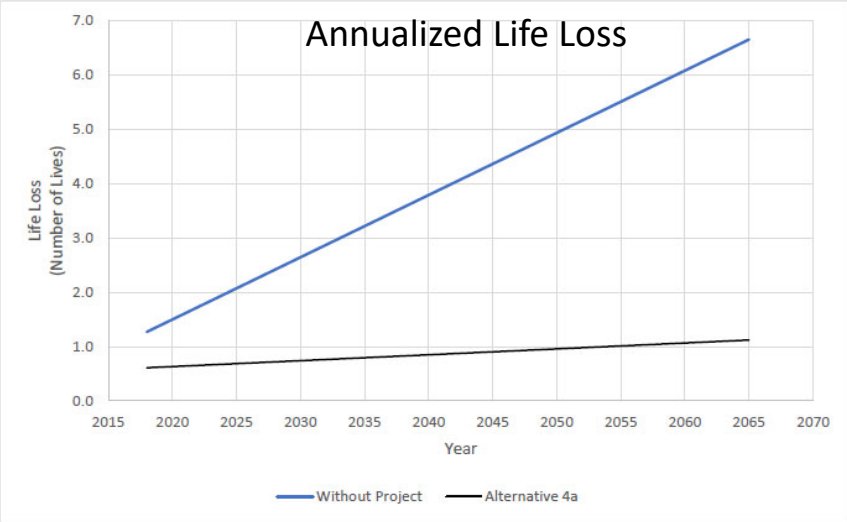
- **Protect life and property**
- **Comply with State Urban Level of Flood Protection (ULOP/Senate Bill 5)**
  - Allow for responsible development / investment
  - Allow for re-development
- **Protect economy**
  - Resiliency for changing conditions

Annualized Damages & Life Loss

Damages and Life Loss: Without-Project vs. With-Project

- 2018 Climate & Development Conditions:
  - Without-Project (Existing Development)
    - Damages = $46M/year
    - Life Loss = 1.2 lives/year
  - With-Project (Existing Development)
    - Damages = $4M/year
    - Life Loss = 0.7 lives/year
- 2065 Climate & Development Conditions:
  - Without-Project (Growth prevented due to SB5 restrictions)
    - Damages = $170M/year
    - Life Loss = 6.7 lives/year
  - With-Project (Includes additional development and growth projections)
    - Damages = $37M/year
    - Life Loss = 1.1 lives/year





Urban Level of Protection (ULOP)

- **Senate Bill 5 (2007)**
  - Establishes ULOP as – the "level of protection that is necessary to withstand flooding that has a 1-in-200 chance of occurring in any given year using criteria … developed by DWR."
  - Links flood management and land use authority
  - Must be achieved by 2028 (for Mossdale Tract)
- **RD 17 levees protecting Mossdale Tract don't comply with ULOP**
- **Land use agency responsible for findings that ULOP exists, or can be achieved by 2028 (Adequate Progress)**
  - Cities of Lathrop & Manteca, for the areas within Mossdale Tract, made ULOP Adequate Progress findings in June 2016
  - City of Stockton made a similar finding (Weston Ranch Area) in September 2018

ULOP cont'd.

Consequences of Non-Compliance with ULOP

- Increased Estimated Annual Damages & Life Loss
- Restrictions on development
  - No new residential dwellings
  - No discretionary permits for re-development
  - Result is stymied economic development, reduced investment and deterioration of value – addressed in 2015 UOP Economic Study

Proposed Solution

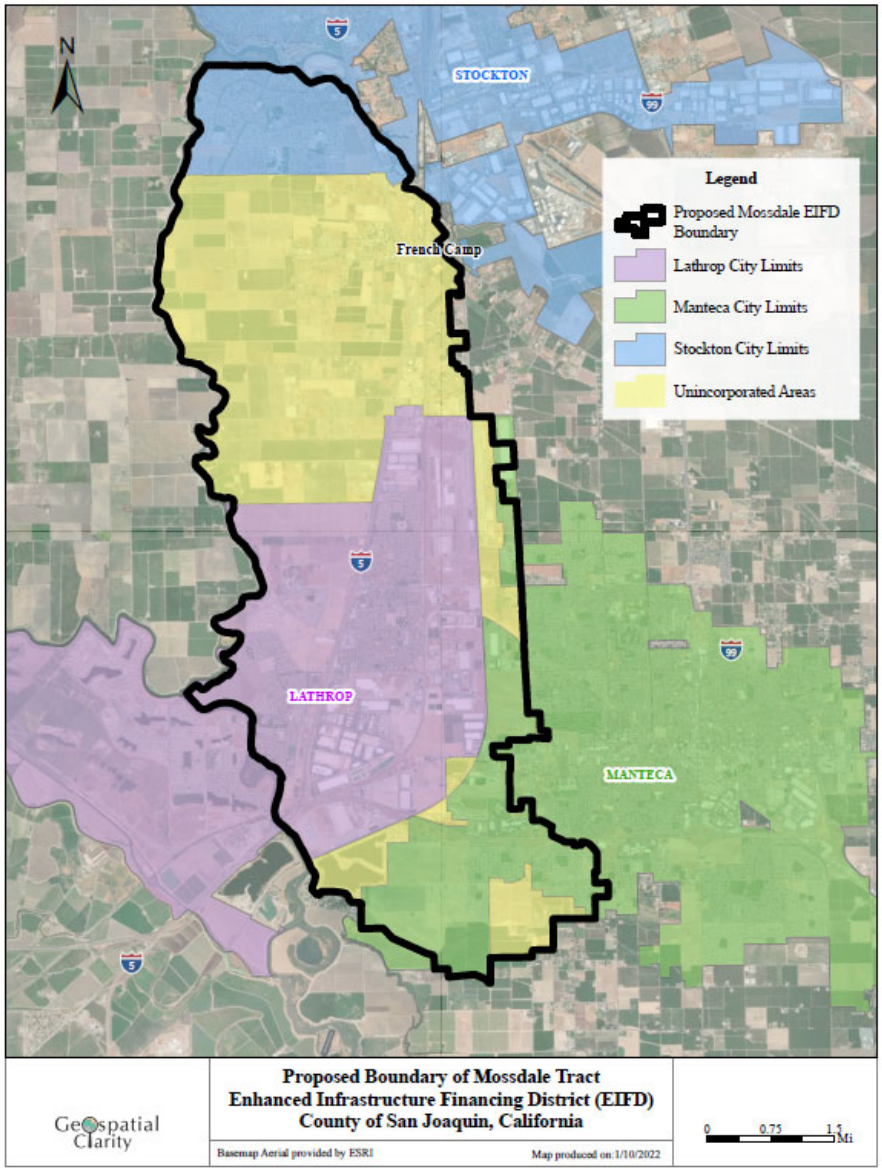
- **Levee improvements to meet ULOP**
  - Levee height raises, slope stability improvements, underseepage improvements (cutoff walls and seepage berms), erosion repairs, right-of-way acquisition, encroachment / pipe remediation & rehabilitation and an extension of the Dryland Levee in Manteca
- **SJAFCA proposes $270 million, locally-funded project to meet requirements. Funding Sources identified in last APR:**
  - Regional development impact fee (DIF)
  - "Overlay" assessment district (OAD)
  - Unspent funds from RD 17's LSRP
  - ***Enhanced Infrastructure Financing District (EIFD)***

Requested Action

- **Approval of EIFD Infrastructure Financing Plan**
  - EIFD Law requires:
    - Preparation of an Infrastructure Financing Plan (IFP) for review by all residents, property owners and affected taxing entities.
    - All participating entities must approve the IFP before the EIFD can be formed.
  - Requested action today reflects the Stockton's approval of the proposed IFP, as it is presented here today.

Proposed Boundary of the EIFD

- Reflects the Area of Benefit of ULOP
- Consistent with the Area subject to the Regional Levee Impact Fee and Proposed Overlay Assessment District



Infrastructure Financing Plan & Key Messages

- The EIFD does not impose a new tax
  - Portion of existing tax on new / increased Assessed Value after FY 2021/22 allocated to the EIFD to fund the Project.
- Draft IFP has been available for review and comment by the following
  - Property owners within the proposed boundaries.
  - Affected taxing entities (Lathrop, Manteca, Stockton and San Joaquin County).
  - Mossdale Tract EIFD Public Financing Authority.
  - Members of the public.

1186

Infrastructure Financing Plan Outreach

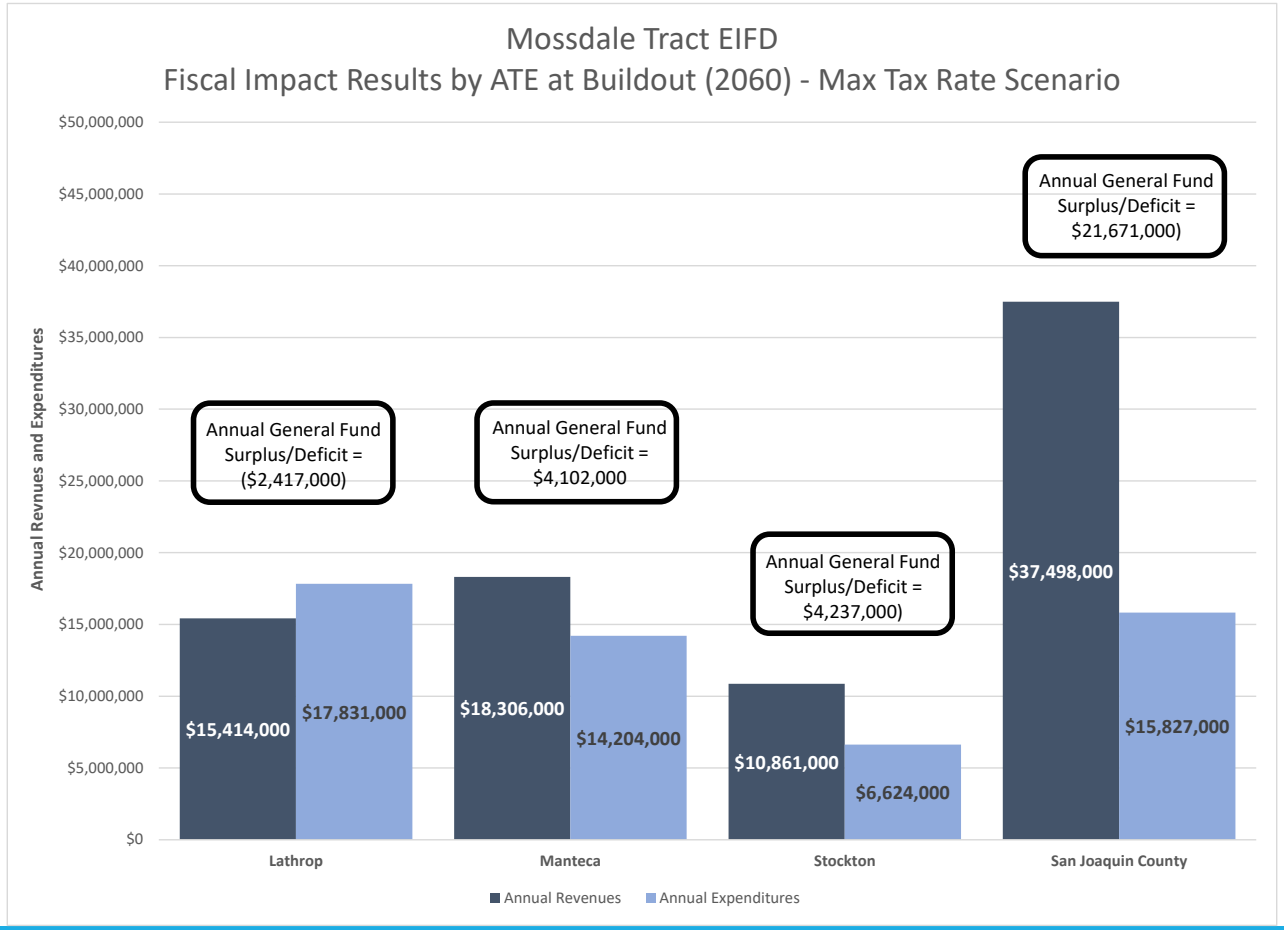
- Outreach to date:
  - 3 direct mailings to property owners and residents
  - 3 direct mailings to affected taxing entities
  - Direct mailings to planning commissions, councils and board of supervisors
  - Published notices of each of the public hearings
  - Posted notices of each of the public hearings
  - Informational briefings (study sessions / workshops) with each participating agency board.
- No comments received on Draft IFP to date; as such, we have prepared a Final IFP for Participating Agency approval.

Infrastructure Financing Plan

- Rate of allocation to the EIFD is based on approved Infrastructure Financing Plan
  - Maximum Rates: Initial rates through 2029 & 20% rates beyond

	EIFD Contribution Rate			
Affected Taxing Entity	Initial Years (2021-2029)	2030 - 2032	2033 - 2043	2044 -2061
Maximum Tax Rate Scenario				
City of Lathrop	10.0%	20.0%	20.0%	20.0%
City of Manteca	5.0%	20.0%	20.0%	20.0%
City of Stockton	1.0%	20.0%	20.0%	20.0%
San Joaquin County	47.3%	20.0%	20.0%	20.0%
Variable Tax Rate Scenario				
City of Lathrop	10.0%	13.0%	9.5%	4.5%
City of Manteca	5.0%	13.0%	9.5%	4.5%
City of Stockton	1.0%	13.0%	9.5%	4.5%
San Joaquin County	47.3%	13.0%	9.5%	4.5%

Estimated Annual General Fund Fiscal Impacts (After EIFD Allocation)



1189

Estimated Annual General Fund Fiscal Impacts: City of Stockton

Annual Fiscal Impacts to the City of Stockton's General Fund
Prior to EIFD Allocation and **After EIFD Allocation** under
Maximum Tax Rate and **Variable Tax Rate** Scenarios

Item	Estimated Annual Revenues/Expenditures (Rounded)					
	2025 [1]	2030	2035	2040	2050	Buildout (2060)
Annual Fiscal Impact						
Prior to EIFD Allocation						
Annual General Fund Revenues	$1,352,000	$2,886,000	$4,905,000	$7,103,000	$10,075,000	$11,239,000
Annual General Fund Expenditures	$2,988,000	$3,708,000	$4,730,000	$5,582,000	$6,348,000	$6,624,000
Net General Fund Surplus/(Deficit)	**($1,639,000)**	**($920,000)**	**($6,000)**	**$1,244,000**	**$3,367,000**	**$4,238,000**
Net of EIFD Allocation - Maximum Tax Rate						
EIFD Contribution [2]	($2,800)	($98,700)	($181,000)	($277,600)	($360,600)	($377,700)

fiscal stockton

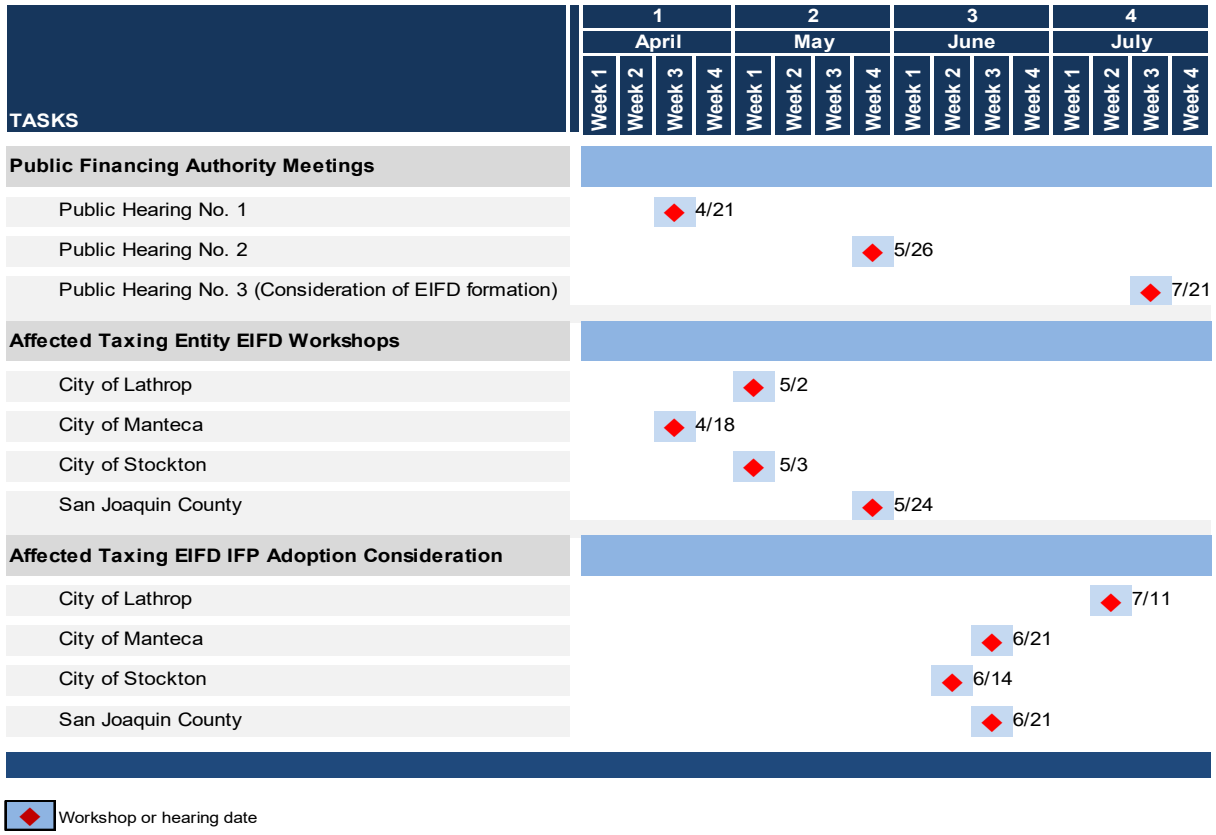
Source: EPS.

[1] This analysis assumes the EIFD will be formed in FY 2022-23 (Base Year) with the first year of revenue accruing to the district in FY 2023-24. Secured and unsecured tax rolls for a fiscal year are based on taxable assessed values with a lien date of the prior January 1. Thus, the initial phase of this analysis includes estimated development occurring in July-December 2022 (50% of development estimated in calendar year 2022) and development occurring in full calendar years for the remainder of the phase (2023-2025). Subsequent phases include 5-year development periods for development occurring from 2026 through 2040 and 10-year development periods from 2041 through 2060.

[2] EIFD Contribution represents the portion of City property tax revenues diverted to the EIFD. Refer to Table B-3 of Attachment H for details.

Next Steps – IFP Approval Schedule

- Final IFP to be presented to each of the participating entities for approval.



1191

Requested Action

- Adopt a Resolution approving the draft Mossdale Tract Enhanced Infrastructure Financing District (EIFD) Infrastructure Financing Plan (IFP)

SJAFCA
San Joaquin Area FLOOD CONTROL Agency

File #: 22-0451, **Version:** 1

ADOPT AN ORDINANCE AMENDING STOCKTON MUNICIPAL CODE TITLE 8, CHAPTERS 8.04 COLLECTION OF SOLID WASTE, RECYCLABLE MATERIALS, AND GREEN WASTE AND 8.28 CONSTRUCTION AND DEMOLITION DEBRIS WASTE REDUCTION

RECOMMENDATION

It is recommended that the City Council:

1. Adopt an Ordinance amending Stockton Municipal Code Title 8, Chapters 8.04 (Collection of Solid Waste, Recyclable Materials, and Green Waste) and 8.28 (Construction and Demolition Debris Waste Reduction) to ensure compliance with Senate Bill 1383.

2. Authorize the City Manager to take appropriate and necessary actions to carry out the purpose and intent of the Ordinance adopted by Council.

Summary

Staff recommends Council enact the proposed revisions to the Stockton Municipal Code (SMC) Title 8, Chapters 8.04 Collection of Solid Waste, Recyclable Materials, and Green Waste, and 8.28 Construction and Demolition Debris Waste Reduction (Attachment A - Redline Version of Ordinance). These amendments will allow the City of Stockton to achieve compliance with Senate Bill 1383 (SB 1383) legislative mandates.

DISCUSSION

Background

In September 2016, Governor Brown signed into law SB 1383 establishing methane emissions reduction targets representing the next step in California's environmental protection strategy. Methane emissions result from the decomposition of organic waste in landfills and are a source of greenhouse gas (GHG) emissions. SB 1383 directs the Department of Resources Recycling & Recovery (CalRecycle) to adopt regulations and requirements to achieve state-wide goals, including a goal to reduce organic waste disposal into landfills by 75 percent by the year 2025.

To meet the state-wide goals of SB 1383, CalRecycle established numerous organic waste disposal program requirements impacting municipal jurisdictions, generators, processors, and haulers of organic waste. Under SB 1383, CalRecycle has the authority to financially penalize non-compliant jurisdictions up to $10,000 per day, per violation.

On November 5, 2019, Council approved exclusive residential and commercial recycling, organics, solid waste, and street sweeping franchise agreements with Sunrise Sanitation, Inc. (also known as

Republic Services) and USA Waste of California (also known as Waste Management). The effective start date was January 1, 2020. The base term of the franchise agreements will expire on December 31, 2029.

The 2020 franchise agreements address SB 1383 requirements such as residential and commercial organic waste collection, color-compliant collection containers, contamination monitoring, enforcement, and increased reporting requirements. The franchise agreements also assign areas of responsibility between the City and franchisees.

Present Situation

The regulations set forth by SB 1383 are effective January 1, 2022. Jurisdictions are required to enforce against SB 1383 related ordinances beginning on January 1, 2024, allowing for a two-year period of extensive outreach and education to bring residents and businesses into compliance. To implement, meet, and enforce the provisions set forth by SB 1383, an update to the existing SMC is necessary.

Staff contracted with HF&H Consultants, LLC (HF&H) to assist the City with updating the SMC. HF&H has 30 years of experience and has provided support to over 150 public agencies in the field of recycling and solid waste. HF&H was one of CalRecycle's chosen vendors to develop implementation tools including model franchise agreements and enforcement ordinances. HF&H was also the City's chosen consultant to assist with negotiating Stockton's current franchise agreements.

HF&H conducted an analysis of the City's current SMC and identified areas in Chapters 8.04 (Collection of Solid Waste, Recyclable Materials, and Green Waste) and 8.28 (Construction and Demolition Debris Waste Reduction) that need updating to reflect the State's municipal ordinance requirements. The SMC revisions are contained in Attachment A (Chapters 8.04 and 8.28 Redline Version of Ordinance) and include:

- Alignment of SMC language with franchise agreement language;
- Alignment of SMC language with California Green Building Standards Code, 24 CCR, Part 11 (CALGreen);
- Organic food waste generator waivers and exemptions;
- Contamination inspection requirements for all generators;
- Waste stream inspections and investigations; and,
- Enforcement and penalties to achieve SB 1383 compliance.

Although municipal code ordinance enforcement mechanisms are required by SB 1383, education will be the City's first tool and primary effort to achieve compliance. The City will engage in enhanced public outreach efforts to reduce food waste and help prevent contamination. Customers will receive a variety of materials including sorting guides, newsletters, and access to online resources to promote proper sorting of recyclables and information on ways to reduce food waste at home and in the community.

It is recommended that Council adopt an Ordinance amending SMC Title 8, Chapters 8.04 (Collection of Solid Waste, Recyclable Materials, and Green Waste) and 8.28 (Construction and Demolition Debris Waste Reduction) to achieve compliance with SB 1383 legislative mandates.

FINANCIAL SUMMARY

There is no impact to the City's General Fund or any other unrestricted fund as a result of taking the recommended action.

Attachment A - Proposed Ordinance, Chapters 8.04 & 8.28 (Redline Version)

ORDINANCE NO.

AN ORDINANCE AMENDING TITLE 8, CHAPTERS 8.04 AND 8.28 OF THE STOCKTON MUNICIPAL CODE RELATING TO THE COLLECTION OF ORGANIC MATERIALS

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF STOCKTON, AS FOLLOWS:

SECTION I. AMENDMENT OF CODE

Title 8, Chapter 8.04 of the Stockton Municipal Code is amended and shall read as follows:

Chapter 8.04 COLLECTION OF SOLID WASTE, RECYCLABLE MATERIALS, AND ~~GREEN WASTE~~ORGANIC MATERIALS

8.04.010 Definitions.

The following words, terms, and phrases when used herein shall have the meaning ascribed to them in this section except where the context clearly indicates a different meaning.

"AB 939" means the California Integrated Waste Management Act of 1989 (Division 30, California Public Resources Code), as amended, supplemented, superseded, and replaced from time to time.

"Back-haul" means generating and transporting recyclable materials or organic waste to a destination owned and operated by the generator or responsible party using the generator's or responsible party's own employees and equipment, or as otherwise defined in 14 CCR Section 18982(a)(66)(A).

"Bin" means a container with capacity of approximately one (1) to eight (8) cubic yards, with a hinged lid, and with wheels (where appropriate), that is serviced by a front end-loading collection vehicle.

"Building" means all other buildings and structures not defined as dwellings.

"CalRecycle" means California's Department of Resources Recycling and Recovery.

"California Code of Regulations" or "CCR" means the State of California Code of Regulations. CCR references in this chapter are preceded with a number that refers to the relevant Title of the CCR (e.g., "14 CCR" refers to Title 14 of CCR).

"City" means the City of Stockton.

"City Manager" means the City Manager of the City of Stockton.

"Collection" means the act of collecting recyclable materials, organic materials, solid waste, bulky items, and other material at the place of ~~waste~~ generation ~~by an approved collection agent (public or private) and is distinguished from "removal."~~in City.

"Collector" means persons, firms, or corporations authorized by the City Council by franchise, contract, or permit to collect, transport, and process or dispose of ~~garbage, rubbish~~discarded materials on an on-call and ~~solid waste on a~~/or regularly scheduled basis.

~~"Commercial solid waste" means and includes all types of solid waste generated by warehouse, wholesale, or retail stores, service establishments of any type, professional offices, hospitals, education, health care, military and correctional institutions, and government offices and other commercial sources and wastes.~~

"Commercial" shall mean of, from, or pertaining to non-residential premises where business activity is conducted~~,~~ including, but not limited to, retail sales, services, wholesale operations, manufacturing, and industrial operations; but excluding businesses conducted upon residential property that are permitted under applicable zoning regulations and are not the primary use of the property.

"Commercial edible food generator" includes a tier one or a tier two commercial edible food generator as defined in this chapter or as otherwise defined in 14 CCR Section 18982(a)(73) and (a)(74). For the purposes of this definition, food recovery organizations and food recovery services are not commercial edible food generators pursuant to 14 CCR Section 18982(a)(7).

"Compliance review" means a review of records by the City or its designee to determine compliance with this chapter.

"Community composting" means any activity that composts green material, agricultural material, food material, and vegetative food material, alone or in combination, for which the total amount of feedstock and compost on-site at any one time does not exceed 100 cubic yards and 750 square feet, as specified in 14 CCR Section 17855(a)(4); or, as otherwise defined by 14 CCR Section 18982(a)(8).

"Composting or compost (or any variation thereof)" includes a controlled biological decomposition of organic materials yielding a safe and nuisance free compost product.

"Construction and demolition debris~~" means the~~ or C&D" includes discarded building materials, packaging, debris, ~~used construction materials, dredging, grubbing, and~~ and rubble resulting from ~~constructing~~construction, alteration, remodeling, repair~~,~~ ~~razing, renovation,~~ or demolition operations on any pavements, excavation ~~or construction clean-up activities at residential~~projects, houses, commercial ~~or~~

~~governmental~~ buildings, ~~and any~~ or other structures; but excludes excluded waste. Construction and demolition debris includes rocks, soils, tree remains, and other ~~structure or pavement.~~

~~"Contract collector~~yard trimmings that result from land clearing or land development operations in preparation for construction.

"Contamination" means ~~a person designated as the authorized agent of the City to collect residential, multifamily and commercial solid~~the following: (i) discarded materials placed in a recyclable materials container that are not identified as recyclable materials; (ii) discarded materials placed in an organic materials container that are not identified as organic materials; (iii) discarded materials placed in a solid waste container that are identified as recyclable materials and/or organic materials, which are to be separately collected; and/or (iv) excluded waste placed in any container.

~~"Contractor" means the individual, partnership, corporation, joint venture, or other legal entity entering into a contract with the City to perform the collection.~~

"Designee" means an entity that the City contracts with or otherwise arranges to carry out any of the City's responsibilities of this chapter as authorized in 14 CCR Section 18981.2 or other applicable law. A designee may be a government entity, a collector, a private entity, or a combination of those entities.

"Director" or "Public Works Director" means the Public Works Director of the City of Stockton, acting either directly or through authorized agents or designees.

~~"Disposal site~~"Discarded materials" means recyclable materials, ~~O~~organic materials, and ~~includes the place,~~solid waste placed by a generator in a receptacle and/or at a location~~, tract of land, area or premises in use, intended to be used, or which has been used~~ for the purposes of collection by a collector, excluding excluded waste.

"Disposal facility" means a landfill, or other facility, for ultimate disposal of solid ~~wastes~~waste.

"Dwelling" means an occupied residence, flat, apartment, or other facility used for housing one or more persons~~, and occupied,~~ in the City.

"Dwelling unit" means ~~one (1) or more habitable rooms which are~~ any individual living unit in a single-family or multi-family structure or building, mobile home, or motor home located on a permanent site intended ~~to be occupied by one (1) family with facilities~~ for ~~living, sleeping, cooking and eating and from which the City collects refuse,~~ or capable of being utilized for, residential living other than a hotel or motel.

~~"Food waste" means all source-separated vegetable waste, fruit waste, grain waste, and dairy waste, meat waste, fish waste, food-contaminated paper and other~~

~~compostable paper (such as pizza boxes, take-out containers, napkins and paper towels), and untreated and unpainted wall board co-collected with green waste.~~

~~"Garbage"~~"Edible food" means food that is unsold or unserved and meets all quality and labeling standards imposed by federal, state, and local laws and regulations even though the food may not be readily marketable due to appearance, age, freshness, grade, size, surplus, or other conditions, or as otherwise defined in 14 CCR Section 18982(a)(18). Edible food is not discarded materials if it is recovered and not discarded.

"Enforcement action" means an action of the City to address non-compliance with this chapter including, but not limited to, issuing administrative citations, fines, penalties, or using other remedies.

"Excluded Waste" means hazardous substance, hazardous waste, infectious waste, designated waste, volatile, corrosive, biomedical, infectious, biohazardous, and toxic substances or material, waste that the collector reasonably believes would, as a result of or upon disposal, be a violation of local, state or federal law, regulation or ordinance, including land use restrictions or conditions, waste that cannot be disposed of in class iii landfills, waste that in the collector's reasonable opinion would present a significant risk to human health or the environment, cause a nuisance or otherwise create or expose the collector or City to potential liability; but not including de minimis volumes or concentrations of waste of a type and amount normally found in residential solid waste after implementation of programs for the safe collection, recycling, treatment, and disposal of batteries and paint in compliance with Sections 41500 and 41802 of the California Public Resources Code.

"Food distributor" means a company that distributes food to entities including, but not limited to, supermarkets and grocery stores, or as otherwise defined in 14 CCR Section 18982(a)(22).

"Food facility" has the same meaning as in Section 113789 of the Health and Safety Code.

"Food recovery" means actions to collect and distribute food for human consumption that otherwise would be disposed, or as otherwise defined in 14 CCR Section 18982(a)(24).

"Food recovery organization" means an entity that engages in the collection or receipt of edible food from commercial edible food generators and distributes that edible food to the public for food recovery either directly or through other entities or as otherwise defined in 14 CCR Section 18982(a)(25), including, but not limited to:

1. A food bank as defined in Section 113783 of the Health and Safety Code;

2. A nonprofit charitable organization as defined in Section 113841 of the Health and Safety code; and,

3. A nonprofit charitable temporary food facility as defined in Section 113842 of the Health and Safety Code.

A food recovery organization is not a commercial edible food generator for the purposes of this chapter and implementation of 14 CCR, Division 7, Chapter 12 pursuant to 14 CCR Section 18982(a)(7).

If the definition in 14 CCR Section 18982(a)(25) for food recovery organization differs from this definition, the definition in 14 CCR Section 18982(a)(25) shall apply to this chapter.

"Food recovery service" means a person or entity that collects and transports edible food from a commercial edible food generator to a food recovery organization or other entities for food recovery, or as otherwise defined in 14 CCR Section 18982(a)(26). A food recovery service is not a commercial edible food generator for the purposes of this chapter and implementation of 14 CCR, Division 7, Chapter 12 pursuant to 14 CCR Section 18982(a)(7).

"Food Scraps" means those discarded materials that will decompose and/or putrefy including: (i) all kitchen and table food waste~~, and~~; (ii) animal or vegetable waste that ~~attends~~is generated during or results from the storage, preparation, cooking, or handling of food stuffs ~~intended for disposal~~; (iii) discarded paper (including paper containers and cartons) that is contaminated with food scraps and compostables; (iv) fruit waste, grain waste, dairy waste, meat, and fish waste; and, (v) vegetable trimmings, houseplant trimmings, and other compostable organic waste common to the occupancy of residential dwellings. Food scraps are a subset of organic materials.

~~"Green waste" means biodegradable materials such as leaves, grass, weeds, and wood materials from trees and shrubs.~~

"Generator" means any person whose act or process produces discarded materials as defined in the Public Resources Code, or whose act first causes discarded materials to become subject to regulation.

"Grocery store" means a store primarily engaged in the retail sale of canned food~~;~~, dry goods, fresh fruits and vegetables~~;~~, fresh meats, fish, and poultry; and any area that is not separately owned within the store where the food is prepared and served, including a bakery, deli, and meat and seafood departments, or as otherwise defined in 14 CCR Section 18982(a)(30).

"Hauler route" means the designated itinerary or sequence of stops for each segment of the City's collection service area, or as otherwise defined in 14 CCR Section 18982(a)(31.5).

"Industrial wastes" means and includes all types of solid wastes and semisolid wastes ~~which~~ that result from manufacturing facilities, factories, food processors, refineries, and publicly-~~-~~operated treatment works.

"Industrial waste collector" means a person authorized by the City by permit to collect industrial waste within the City.

"Inspection" means a site visit or other activities where a City reviews records, containers, and/or an entity's collection, handling, recycling, or landfill disposal of recyclable materials, organic waste, solid waste/mixed waste, or edible food handling to determine if the entity is complying with requirements set forth in this chapter, or as otherwise defined in 14 CCR Section 18982(a)(35).

"Landfill" means a disposal site employing a method of disposing of solid wastes on land without creating nuisances or hazards to public health or safety, by utilizing principles of engineering to confine the wastes to the smallest practical area, with a layer of suitable cover material at specific designated intervals.

~~"Multifamily refuse" or "multifamily solid waste" means solid waste generated by the residents of any building and/or structure, or portion thereof, located in City that is used for residential housing and having four (4) or more distinct living units.~~

"Large event" means an event, including, but not limited to, a sporting event or a flea market that charges an admission price, or is operated by a local agency, and serves an average of more than two thousand (2,000) individuals per day of operation of the event, at a location that includes, but is not limited to, a public, nonprofit, or privately-~~-~~owned park, parking lot, golf course, street system, or other open space when being used for an event. If the definition in 14 CCR Section 18982(a)(38) differs from this definition, the definition in 14 CCR Section 18982(a)(38) shall apply to this chapter.

"Large venue" means a permanent venue facility that annually seats or serves an average of more than 2,000 individuals within the grounds of the facility per day of operation of the venue facility. For purposes of this chapter and implementation of 14 CCR, Division 7, Chapter 12, a venue facility includes, but is not limited to, a public, nonprofit, or privately-owned or operated stadium, amphitheater, arena, hall, amusement park, conference or civic center, zoo, aquarium, airport, racetrack, horse track, performing arts center, fairground, museum, theater, or other public attraction facility. For purposes of this chapter and implementation of 14 CCR, Division 7, Chapter 12, a site under common ownership or control that includes more than one (1) large venue that is contiguous with other large venues in the site, is a single large venue. If the definition in 14 CCR Section 18982(a)(39) differs from this definition, the definition in 14 CCR Section 18982(a)(39) shall apply to this chapter.

"Local education agency" means a school district, charter school, or county office of education that is not subject to the control of City or county regulations related to solid waste, or as otherwise defined in 14 CCR Section 18982(a)(40).

"Multi-family" means any residential premises, other than a single-family premises, with four (4) or more dwelling units used for residential purposes (regardless of whether residence therein is temporary or permanent), including such premises when combined in the same building with commercial establishments, that receive centralized, shared, collection service for all units on the premises that are billed to one (1) Customer at one (1) address. Customers residing in townhouses, mobile homes, condominiums, or other structures with four (4) or more dwelling units who receive individual service and are billed separately shall not be considered multi-family, unless otherwise required by applicable law.

"Occupant" means the person who occupies a premises.

"Organic materials" means yard trimmings and food scraps, individually or collectively. No discarded material shall be considered to be organic materials, however, unless it is separated from recyclable materials and solid waste.

"Organic materials container" shall be used for the purpose of storage and collection of source separated organic materials.

"Organic waste" means solid wastes containing material originated from living organisms and their metabolic waste products, including, but not limited to, food, green material, landscape and pruning waste, organic textiles and carpets, lumber, wood, paper products, printing and writing paper, manure, biosolids, digestate, and sludges or as otherwise defined in 14 CCR Section 18982(a)(46). Biosolids and digestate are as defined by 14 CCR Section 18982(a).

"Owner," when used with reference to a dwelling, means and shall conclusively be deemed to be the person(s) holding legal title to real property and/or any improvements thereon, and shall include the person(s) listed on the latest equalized assessment roll of the county assessor.

"Permittee" means a person authorized by the City by permit to collect industrial wastes, commercial recyclable materials, or construction and demolition debris.

~~"Occupant" means person(s) occupying residential, commercial, or industrial premises.~~

~~"Owner," when used with reference to a dwelling means and shall conclusively be deemed to be the legal owner or the legal owner's agent of the dwelling.~~

"Person" means any individual, firm, association, partnership, corporation, trust, joint venture, or other legal entity.

"Premises" means and includes a tract or parcel of land with or without habitable buildings or appurtenant structures.

"Putrescible wastes" means and includes wastes that are capable of being decomposed by micro-organisms with sufficient rapidity as to cause nuisances because of odors, gases, or other offensive conditions, and include materials such as food wastes, offal, and dead animals.

~~"Refuse" means and includes garbage and rubbish.~~

"Recovery" means any activity or process described in 14 CCR Section 18983.1(b), or as otherwise defined in 14 CCR Section 18982(a)(49).

"Recyclable materials" or "recyclables" means discarded materials ~~intended~~that: the generators set out in recyclable containers for ~~and capable~~collection for the purpose of ~~being recycled, and that are~~recycling by the collector and that exclude excluded waste. No discarded materials shall be considered recyclable materials unless such material is separated~~, set aside, handled, packaged offered, or otherwise delivered for~~ from organic materials and solid waste.

"Recyclable materials container" shall be used for the purpose of storage and collection ~~in a manner different from solid waste~~of source separated recyclable materials.

"Recycle, recycled, recycling" means the process of collection, sorting, cleansing, treating, and reconstituting recyclable materials that would otherwise be disposed of, and returning them to the economy in the form of raw materials for new, reused, repaired, refabricated, remanufactured, or reconstituted products. ~~The collection, transportation, or disposal of solid waste not intended for, or capable of, reuse is not recycling.~~

"Removal" means the act of taking solid wastes from the place of waste generation either by an approved collection agent or by a person in control of the premises.

"Remote monitoring" means the use of the internet of things (IOT) and/or wireless electronic devices to visualize the contents of recyclable materials containers, organic materials containers, and solid waste containers for purposes of identifying the quantity of materials in containers (level of fill) and/or presence of contamination.

"Residential ~~refuse" or "residential solid waste" means and includes all types of domestic rubbish which originate in single-family, duplex, triplex premises.~~

~~"Rubbish" includes nonputrescible solid wastes such as ashes, paper, cardboard, tin cans, yard clippings, wood, glass, bedding, crockery, plastics, rubber by-products or litter.~~

~~"Solid wastes or wastes~~" means ~~and includes all putrescible and nonputrescible solid~~ of, from, or pertaining to a single-family premises, including single-family homes,

duplexes, triplexes, townhouse complexes, and ~~semisolid wastes, such as refuse, garbage, rubbish, paper, ashes, industrial wastes, demolition and construction wastes, abandoned vehicles and parts thereof, discarded~~mobile home ~~and industrial appliances, manure, vegetable or animal solid and semisolid wastes and other discarded solid and semisolid wastes and also includes liquid wastes disposed of in conjunction with solid wastes at solid waste transfer/processing stations or disposal sites, but excludes:~~parks.

~~1. Sewage collection and treated in a municipal or regional sewerage system; or~~

~~2. Materials or substances having commercial value which have been salvaged for reuse, recycling or resale.~~

"Responsible party" means the owner, property manager, tenant, lessee, occupant, or other designee that subscribes to and pays for recyclable materials, organic materials, and/or solid waste collection services for a premise in the City, or, if there is no such subscriber, the owner or property manager of a single-family premise, multi-family premise, or commercial premise. In instances of dispute or uncertainty regarding who is the responsible party for a premises, responsible party shall mean the owner of a single-family premise, multi-family premise, or commercial premise.

"Restaurant" means an establishment primarily engaged in the retail sale of food and drinks for on-premises or immediate consumption, or as otherwise defined in 14 CCR Section 18982(a)(64).

"Route review" means a visual inspection of containers along a hauler route for the purpose of determining container contamination, in a manner approved by the Director or their designee, or as otherwise defined in 14 CCR Section 18982(a)(65).

"SB 1383" means the Short-Lived Climate Pollutants Act of 2016 (an act to add Sections 39730.5, 39730.6, 39730.7, and 39730.8 to the Health and Safety Code, and to add Chapter 13.1 [commencing with Section 42652] to Part 3 of Division 30 of the Public Resources Code, relating to methane emissions), also commonly referred to as "SB 1383," as amended, supplemented, superseded, and replaced from time to time.

"SB 1383 Regulations" or "SB 1383 Regulatory" means or refers to, for the purposes of this chapter, the Short-Lived Climate Pollutants: Organic Waste Reduction regulations developed by CalRecycle and adopted in 2020 that created 14 CCR, Division 7, Chapter 12 and amended portions of regulations of 14 CCR and 27 CCR.

"Self-haul" means to act as a self-hauler.

"Self-hauler" means a person who hauls solid waste, organic waste, or recyclable material they have generated to another person, subject to City approval in accordance with this chapter. Self-hauler also includes a landscaper~~,~~ or a person who back-hauls waste.

"Single-family" means any detached or attached house or residence designed or used for occupancy by one (1) family, with three (3) or fewer distinct living units, provided that collection service feasibly can be provided to such premises as an independent unit, and the owner or occupant of such independent unit is billed directly for the collection service. Single-family includes townhouses, and each independent unit of duplex or tri-plex residential structures, regardless of whether each unit is separately billed for their specific service level.

"Solid waste" means solid waste as defined in California Public Resources Code, Division 30, Part 1, Chapter 2, §40191 and regulations promulgated hereunder. Excluded from the definition of solid waste are excluded waste, C&D, source separated recyclable materials, source separated organic materials, and radioactive waste. Notwithstanding any provision to the contrary, solid waste may include de minimis volumes or concentrations of waste of a type and amount normally found in residential solid waste after implementation of programs for the safe collection, recycling, treatment, and disposal of household hazardous waste in compliance with Section 41500 and 41802 of the California Public Resources Code as may be amended from time to time. Solid waste includes salvageable materials only when such materials are included for collection in a solid waste container not source separated from solid waste at the site of generation.

"Solid waste container" shall be used for the purpose of storage and collection of solid waste.

"Source separated" means the segregation, by the generator, of materials designated for separate collection for some form of recycling, composting, recovery, or reuse.

"State" means the State of California.

"Supermarket" means a full-line, self-service retail store with gross annual sales of two million dollars ($2,000,000) or more, and that sells a line of dry grocery, canned goods, or nonfood items and some perishable items, or as otherwise defined in 14 CCR Section 18982(a)(71).

"Tenant" means a person who is legally in control of, but is not necessarily the legal owner of, a building, ~~or~~ a part of a building, ~~or~~ a dwelling unit, or any type of premises. ~~Synonymous~~Tenant is synonymous with occupant or lessee.

"Tier one commercial edible food generator" means a commercial edible food generator that is one (1) of the following:

1. Supermarket.
2. Grocery store with a total facility size equal to or greater than ten thousand (10,000) square feet.
3. Food service provider.
4. Food distributor.

5. Wholesale food vendor.

If the definition in 14 CCR Section 18982(a)(73) of tier one commercial edible food generator differs from this definition, the definition in 14 CCR Section 18982(a)(73) shall apply to this chapter.

"Tier two commercial edible food generator" means a commercial edible food generator that is one (1) of the following:

1. Restaurant with two hundred fifty (250) or more seats, or a total facility size equal to or greater than five thousand (5,000) square feet.
2. Hotel with an on-site food facility and two hundred (200) or more rooms.
3. Health facility with an on-site food facility and one hundred (100) or more beds.
4. Large venue.
5. Large event.
6. A state agency with a cafeteria with two hundred fifty (250) or more seats or total cafeteria facility size equal to or greater than five thousand (5,000) square feet.
7. A local education agency facility with an on-site food facility.
8. If the definition in 14 CCR Section 18982(a)(74) of tier two commercial edible food generator differs from this definition, the definition in 14 CCR Section 18982(a)(74) shall apply to this chapter.

"Wholesale food vendor" means a business or establishment engaged in the merchant wholesale distribution of food, where food (including fruits and vegetables) is received, shipped, stored, prepared for distribution to a retailer, warehouse, distributor, or other destination, or as otherwise defined in 14 CCR Section 189852(a)(76).

"Yard trimmings" means those discarded materials that will decompose and/or putrefy including, but not limited to, green trimmings, grass, weeds, leaves, prunings, branches, dead plants, brush, tree trimmings, dead trees, small pieces of unpainted and untreated wood, and other types of organic materials resulting from normal yard and landscaping maintenance that may be specified by the City or applicable law for collection and processing as organic materials-, in accordance with this chapter. Yard trimmings does not include items herein defined as excluded waste. Yard trimmings are a subset of organic materials.

"Vacant lot" means any parcel of real property that is not improved with a community garden, as defined by Section 16.240.020, or a completed permitted structure. ~~(Ord. 2020-09-15-1501 C.S. § 4; prior code § 7-050)~~

8.04.020 Mandatory ~~solid waste~~discarded materials service required.

It shall be mandatory for the record owner of any property in the City in and from which solid waste is created, accumulated, or produced, unless requirements are otherwise waived or exempted subject to Section 8.04.190, to:

A. Subscribe to and pay for ~~solid waste~~ City's three- (3) container collection services ~~provided to such property by the City, or a collector or permittee~~for at least weekly collection of ~~the City;~~recyclable materials, organic materials, and solid waste;

B. Place and/or direct its generators to place~~,~~ at a location accessible to the collector or permittee, an adequate container or containers provided by the collector or permittee for deposit of ~~refuse~~discarded materials of such a number, type, or capacity as the ~~Public Works~~ Director ~~for the City~~ may prescribe~~. (Ord. 2019-11-05-1403-02 C.S. § 2; Ord. 2019-02-05-1403 C.S. § 2; prior code § 7-051)~~;

C. Place, and/or direct its generators to place, source separated organic materials in the organic materials container; source separated recyclable materials in the recyclable materials container; and solid waste in the solid waste container~~.~~;

D. Not place and/or direct its generators to not place contamination in collection containers and not place materials designated for the organic materials containers or recyclable materials containers in the solid waste containers~~.~~;

E. Nothing in this section prohibits a responsible party or generator of a premise from preventing or reducing discarded materials generation, managing organic waste on site, and/or using a community composting site pursuant to 14 CCR Section 18984.9(c).

8.04.030 Failure to initiate service or to provide sufficient ~~refuse~~discarded materials containers.

A. When an owner or occupant fails to initiate adequate ~~refuse~~discarded materials collection service within ten (10) days of occupancy of a dwelling by any person, the Public Works Director will give the owner or occupant notification that such service is required. If the owner or occupant does not arrange with the collector for service within ten (10) days from the date of mailing of the notice, then the collector shall initiate and continue ~~refuse~~discarded materials collection service for said dwelling.

B. When, in the opinion of the ~~Public Works~~ Director, additional ~~refuse~~discarded materials containers ~~or~~, more frequent services, or other service modifications are required, they shall be provided for by the owner or occupant upon written notification from the Director. ~~(Prior code § 7-051.1)~~

8.04.035 Requirements for multi-family.

A. Responsible parties of multi-family premises shall provide or arrange for recyclable materials, organic materials, and solid waste collection services consistent with this chapter for employees, contractors, and tenants.

B. Responsible parties of multi-family premises shall:

1. Supply and allow access to adequate number, size, and location of collection containers with sufficient labels or colors for employees, contractors, tenants, and customers consistent with City's recyclable materials container, organic materials container, and solid waste container collection service and, if self-hauling, consistent with the multi-family premise's approach to complying with self-hauler requirements in Section 8.04.255.

2. Annually provide information to employees, contractors, tenants, and customers about recyclable materials and organic waste recovery requirements and about proper sorting of recyclable materials, organic materials, and solid waste.

3. Provide education information before or within fourteen (14) days of occupation of the premises to new tenants that describes requirements to source separate recyclable materials and organic materials, the location of containers, and the rules governing their use at each property.

4. Provide or arrange access for City or its designee to their properties during all inspections conducted in accordance with this chapter to confirm compliance with the requirements of this chapter.

C. If the responsible party of a multi-family premise wants to self-haul, meet the self-hauler requirements in Section 8.04.255.

D. Multi-family premises with at least five (5) dwelling units that generate two (2) cubic yards or more of total solid waste, recyclable materials, and organic materials per week (or other threshold defined by the state) that arrange for gardening or landscaping services, shall require that the contract or work agreement between the owner, occupant, or operator of a multi-family premises and a gardening or landscaping service specifies that the designated organic materials generated by those services be managed in compliance with this chapter.

E. Nothing in this section prohibits a responsible party or generator of a multi-family premise from preventing or reducing discarded materials generation, managing organic waste on site, or using a community composting site pursuant to 14 CCR Section 18984.9(c).

8.04.036 Requirements for commercial.

A. Responsible parties of commercial businesses shall provide or arrange for recyclable materials, organic materials, and solid waste collection services consistent with this chapter for employees, contractors, tenants, and customers.

B. Responsible parties of commercial premises shall:

1. Supply and allow access to adequate number, size, and location of collection containers with sufficient labels or colors (conforming with Section 8.04.036.B.2 below) for employees, contractors, tenants, and customers, consistent with City's recyclable materials container, organic materials container, and solid waste container collection service and, if self-hauling, consistent with the commercial premise's' approach to complying with self-hauler requirements in Section 8.04.255.

2. Provide containers for the collection of source separated recyclable materials and source separated organic materials in all indoor and outdoor areas where solid waste containers are provided for customers, for materials generated by that commercial business. Such containers shall be visible and easily accessible. Such containers do not need to be provided in restrooms. If a commercial business does not generate any of the materials that would be collected in one (1) type of container, then the responsible party of the commercial business does not have to provide that particular container in all areas where solid waste containers are provided for customers. Pursuant to 14 CCR Section 18984.9(b), the containers provided by the responsible party of the commercial business shall have either:

    a. A body and/or lid that is blue for recyclable materials, green for organic materials, and grey for solid waste conforms with the container colors provided through the collection service provided by City, or

    b. Container labels that include language or graphic images, or both, indicating the primary material accepted and the primary materials prohibited in that container, or containers with imprinted text or graphic images that indicate the primary materials accepted and primary materials prohibited in the container.

3. To the extent practical through education, training, inspection, and/or other measures, prohibit employees from placing materials in a container not designated for those materials per the City's recyclable materials container, organic materials container, and solid waste container collection service and, if self-hauling, per the instructions of the commercial business' responsible party to support its compliance with self-hauler requirements provided in Section 8.04.255 of this chapter.

4. Periodically inspect recyclable materials containers, organic materials containers, and solid waste containers for contamination and inform employees if containers are contaminated and of the requirements to keep contaminants out of those containers pursuant to 14 CCR Section 18984.9(b)(3).

5. Annually, provide information to employees, contractors, tenants, and customers about recyclable materials and organic waste recovery requirements and about proper sorting of recyclable materials, organic materials, and solid waste.

6. Provide education information before or within fourteen (14) days of occupation of the premises to new tenants that describes: requirements to source separate recyclable materials and organic materials and keep source separated organic materials and source separated recyclable materials separate from each other and from other solid waste; the location of containers; and, the rules governing containers' use at each property.

7. Provide or arrange access for City or its designee to their properties during all inspections conducted in accordance with this chapter to confirm compliance with the requirements of this chapter.

E. If the responsible party of a commercial business wants to self-haul, meet the self-hauler requirements in Section 8.04.255 of this chapter.

F. Nothing in this section prohibits a responsible party or a generator of a commercial business from preventing or reducing discarded materials generation, managing organic waste on site, or using a community composting site pursuant to 14 CCR Section 18984.9(c).

G. Responsible parties of commercial businesses that are tier one or tier two commercial edible food generators shall comply with food recovery requirements, pursuant to Section 8.04.195.

8.04.040 Duty to keep right-of-way free from ~~solid waste~~discarded materials.

Every person in possession, charge, or control of, and using, any place or premises in the City fronting on a street, alley, or other public right-of-way shall maintain the portion of the street, alley, or other public right-of-way adjacent to the place or premises in a condition free from ~~solid~~discarded materials and waste matter. For the purposes of this section, the portion of a street, alley, or other public right-of-way adjacent to a place or premises includes any walkway, trail, sidewalk, parkway, curb and gutter, and the travel lane portion of the roadway on the side of the street or alley adjoining the property. The City may provide street sweeping services and collect a fee therefor as a part of the solid waste charge in partial satisfaction of this section. ~~(Prior code § 7-051.2)~~

8.04.050 Containers generally.

A. All ~~refuse~~discarded materials containers shall be kept clean and sanitary and portable by the owner or other person responsible for providing the container under the provisions of this section.

B. If the collector is permitted or required to provide containers as a provision of its franchise, contract, or permit, all containers shall comply with the requirements established ~~by the collector~~ pursuant to the provisions of the franchise, contract, or permit, or as otherwise specified by applicable law.

C. Loading of containers shall be subject to the weight limitations established by the Public Works Director.

D. Separate containers for various types of recyclable materials and organic materials shall be provided according to written directives issued by the Public Works Director. ~~(Prior code § 7-051.3)~~

8.04.060 Placement for collection.

On collection days, all containers and parcels of ~~refuse~~discarded materials shall be placed adjacent to the roadway in a manner that does not block any travel way, parking area, or gutter. Loaded containers ready for collection shall not be set out before 6:00 p.m. on the day prior to the regular collection day. Containers shall be returned to a proper storage location on private property and not visible from the public right-of-way not later than 11:00 p.m. on the day of collection. The City Council may, by resolution, from time to time, prescribe days and hours for the collection of solid waste and recyclable material from property within certain areas of the City. Within such areas, all solid waste and recyclable material shall be made available for collection at the designated day and time. ~~(Prior code § 7-051.4)~~

8.04.070 Placement of waste in containers—Separation of recyclable materials~~.~~ and organic materials.

A. Waste consisting of flammable liquids, anti-freeze, insecticides, poisons, caustics, acids, explosives, liquid paint, or other household hazardous waste material, shall not be placed for collection service, but rather shall be disposed of at designated hazardous waste facilities, or as otherwise required by law.

B. Used motor oil and used oil filters may be placed in appropriate containers for collection as designated by the Public Works Director.

C. Medical waste shall not be placed for collection through solid waste services, but rather shall be disposed of as otherwise required by law.

D. Recyclable ~~material, green waste~~materials and ~~food waste~~organic materials shall be separated from other solid waste for collection. However, the collector shall not refuse to collect solid waste from containers properly placed according to this article because it contains incidental amounts of recyclable ~~material~~materials or organic materials.

E. Large household or bulky items shall not be placed for collection through the collection services~~, but rather shall be disposed of by special arrangement through the neighborhood clean up program or bulky item collection program provided by the collector. Placement of excess solid waste or bulky items may be placed for collection as designated by the Public Works Director. (Prior code § 7-051.5)~~ containers, but rather shall be placed in accordance with any administrative or operational requirements established by the Director or their designee and applicable law, and in accordance with the current franchise agreement as applicable.

8.04.080 Placement of bins.

A. Bins shall be placed in an accessible, outside location, on a hard surface. Bins shall be kept in enclosures meeting standards approved by the Public Works Director. The Public Works Director may waive the requirement for enclosure of a bin on the premise~~s,~~ or may establish a time schedule for implementation of the enclosure requirement upon application by the person responsible for the premise~~s~~ and a finding of good cause. Any such waiver shall be in writing and maintained in the records of the Public Works Department. Locked or inaccessible bins will be serviced only by special arrangement with the collector.

B. It is unlawful to place a bin in any public street, alley, or right-of-way without the express written permission of the Public Works Director upon such terms and conditions as Public Works Director deems appropriate in the public interest. ~~(Prior code § 7-051.6)~~

8.04.090 Summary abatement of improper containers.

Any container ~~or bin which~~that does not conform with the provisions of this chapter may be summarily abated as a public nuisance by the City. Such summary abatement shall occur only after ~~a tag giving~~written or electronic notice of the non-complying nature of the container has been ~~placed on it~~provided and the container has thereafter been used a second time for disposal of solid waste. ~~(Prior code § 7-051.7)~~

8.04.100 ~~Design of projects to include facilities for recyclable materials~~ CALGreen requirements.

Regulated entities shall at all times comply with the requirements of ~~projects~~the California Green Building Standards Code (24 CCR, Part 11), including, but not limited to ~~include facilities for recyclable~~, the following provisions related to discarded materials~~.~~:

~~New~~1. Section 4.410.2 (Recycling by Occupants Residential) and ~~substantially remodeled commercial, industrial and multifamily~~ Section 5.410.1 30 (Recycling by Occupants Non-residential ~~uses shall be designed to include space~~) regarding provision

of readily accessible areas for storage and collection of recyclable materials on the premises.and organic materials (Prior code § 7.051.8); and,

2. For organic waste commingled with construction and demolition debris, 24 CCR Section 4.408.1 (Construction Waste Management Residential) and 24 CCR Section 5.408.1 (Construction Waste Management non-residential).

8.04.110 Scavenging prohibited.

A. It is unlawful and a misdemeanor for any person to do any of the following:

1. Scavengescavenge, tamper with, move, remove, tip, deface, or destroy, any solid wastediscarded materials collection container, or the contents thereof;

2. Scavenge, tamper with, move, remove, tip, deface or destroy any collection container for discarded recyclable material or the contents thereof.

B. This section shall not apply to activities of the City, the collector, the owner or occupant of a premises, or a person authorized by the City to perform activities under this chapter. (Prior code § 7-051.9)

8.04.120 ReservedViolations.

Any owner or occupant or other person who shall violate any of the provisions of Sections 8.04.020 through 8.04.110 of this chapter shall be guilty of a misdemeanor. (Prior code § 7-051.10)

8.04.130 Collector entitled to payment for services rendered.

A. Pursuant to the provisions of this chapter and the terms and conditions of any applicable franchise or permit, the collector shall be entitled to payment from the owner or occupant for services rendered. When the owner or occupant has been directed to initiate service and the collector attempts to collect refusediscarded materials from the

dwelling, then such attempts shall be deemed the rendering of collection service for which collector is entitled to compensation in the same manner and amount as if discarded materials had actually been collected.

compensation in the same manner and amount as if refuse had actually been collected.

B. For multifamily refusesingle-family discarded materials, multi-family discarded materials, commercial solid wastediscarded materials, and industrial waste, collectors shall bill directly to the owner or occupant for collection services rendered. The collector may require that the record owner be the customer of record. Moreover,

the collector or permittee may permit a tenant or authorized agent to receive bills pursuant to procedures prescribed by the City and provided that the property owner remains ultimately fully responsible and liable for payment. In all such events where the property owner is the customer of record or fully responsible and liable for payment, the collector or permittee may request that the City collect any delinquent or unpaid fees through a lien or special assessment under the procedures set forth in Section 8.04.160 or Government Code Section 38790.1 as it may be amended. ~~(Ord. 2019-11-05-1403-02 C.S. § 3; prior code § 7-051.11)~~

8.04.135 Unified bill.

A. A unified bill includes charges for water services provided by the City and all other service charges~~,~~ including sewer, ~~solid waste~~discarded materials, and stormwater service charges.

B. A bill that does not contain charges for water services provided by the City is not a unified bill as used in this chapter.

C. Water services not provided by the City may be billed separately from other City service charges at the water service provider's sole discretion. ~~(Ord. 2019-02-05-1403 C.S. § 3)~~

8.04.140 Billing and collection procedures for residential ~~solid waste~~discarded materials collection.

A. All accounts for ~~solid waste~~discarded materials collection services shall be established by and held in the name of the record owner of the property where the ~~solid waste~~discarded materials services are to be provided.

B. At the time the application for ~~solid waste~~discarded materials collection services is requested, and at the Chief Financial Officer's sole discretion, the applicant shall provide proof of ownership of the property to be served.

C. The record owner of a property receiving ~~solid waste~~discarded materials collection services shall be fully responsible and liable for the payment of all ~~solid waste~~discarded materials collection service charges, any delinquent ~~solid waste~~discarded materials collection service charges, and any penalties applicable to his or her property.

D. The Chief Financial Officer may, in the Chief Financial Officer's sole discretion, send the bill for ~~solid waste~~discarded materials collection services to a tenant or any other person or entity designated by the record owner, provided the record owner or his or her authorized representative submits to the City a complete and signed request to bill the tenant or other designated person or entity on such form as may be specified by the Chief Financial Officer.

E. If, in accordance with subsection D of this section, a bill is sent to a person or entity other than the record owner, then the service account shall remain in the record owner's name and the record owner shall be fully responsible and liable for the payment of any ~~solid waste~~discarded materials collection service charges, any delinquent ~~solid waste~~discarded materials collection service charges, and penalties applicable to ~~his or her~~their property as if the bill had been sent to the record owner.

F. The method of billing for residential ~~solid waste~~discarded materials collection services will be determined by the Chief Financial Officer with the concurrence of the City Manager. Notification of billing changes ~~shall be provided to the record owner of~~to any property where ~~solid waste~~discarded materials services are provided shall be provided to the record owner, ~~any~~ tenant, ~~or~~ designated person, or entity authorized to receive a bill for ~~solid waste~~discarded materials collection service charges pursuant to subsection D of this section.

G. Except as provided in subsection D, residential ~~solid waste~~discarded materials collection service charges will be billed on a unified bill to the record owner if the water services are provided by the City at the service location. Residential properties that consist of two (2) or more separate dwelling units, and are served by a single water meter, shall be billed for ~~solid waste~~discarded materials collection service for the total number of separate residential dwelling units served by such water meter on a unified bill.

H. If a property does not receive water services from the City, the ~~solid waste~~discarded materials collection service charges may be billed separately or with other utility services provided by the City.

I. Notwithstanding anything to the contrary in this chapter or code, the City may permit the collector or permittee of the City to bill record owners for service provided by the collector or permittee pursuant to the procedures prescribed by the City. Moreover, the collector or permittee may permit a tenant or authorized agent to receive bills pursuant to procedures prescribed by the City and provided that the property owner remains ultimately fully responsible and liable for payment. In all such events, the collector or permittee may request that the City collect any delinquent or unpaid fees through a lien or special assessment as permitted in Section 8.04.160 or Government Code Section 38790.1 as it may be amended. ~~(Ord. 2019-11-05-1403-02 C.S. § 4; Ord. 2019-02-05-1403 C.S. § 4; prior code § 7-051.12)~~

8.04.150 Charges payable to City or authorized agent for billing and collection for residential ~~solid waste~~discarded materials collection.

All residential ~~solid waste~~discarded materials charges shall be payable to the City or its authorized agent for billing and collection. ~~(Prior code § 7-051.13)~~

8.04.160 Delinquency, penalties and nonpayment for residential ~~solid waste~~discarded materials collection.

A. An account is delinquent when payment ~~in full~~ of the bill for ~~solid waste~~discarded materials collection service charges is not received in full at the office of the City or its authorized agent for billing and collection within twenty-five (25) days of the billing date. A postmark date is not considered the date of payment.

B. Where all or any part of any bill for a ~~solid waste~~discarded materials collection services account remains unpaid twenty-five (25) days after the billing date, a basic penalty of ten (10) percent of the total delinquent amount will be added to such bill for the first month the account is delinquent. In addition, the City may impose a penalty in an amount not to exceed one (1) percent per month for nonpayment of any ~~solid waste~~discarded materials service charges and any basic penalty.

C. Except as otherwise provided by law, if a unified bill remains unpaid more than sixty (60) days after the date of billing, City water service at the service location may be terminated.

1. City water service will not be restored until the amount of all delinquent ~~solid waste~~discarded materials collection service charges, associated service charges, penalties, deposits, and reconnection charges have been paid in full.

2. Prior to termination of water service, the Chief Financial Officer, in the Chief Financial Officer's sole discretion, may authorize an amortization agreement pursuant to Section 779 or 10010 of the Public Utilities Code or other applicable statute or regulation.

D. The City shall include a statement in each bill for ~~solid waste~~discarded materials collection service charges to each record owner in substantially the following form:

> ~~"Solid waste~~"Discarded materials collection service charges and any penalties shall constitute a lien against the lot or parcel of land against which the charges and any penalties are imposed if the charges remain delinquent for sixty (60) or more days."

Pursuant to such notice, the ~~solid waste~~discarded materials collection service charges and penalties may become a lien against the lot or parcel of land against which the charges were imposed if such charges remain delinquent for a period of sixty (60) or more days. The City shall cause to be recorded with the county recorder all such delinquent ~~solid waste~~discarded materials service charges and any penalties~~,~~; and, when so recorded, such charges and penalties shall have the force, effect, and priority of a judgment lien and continue for ten (10) years from the time of recording ,unless sooner released or otherwise discharged. ~~(Ord. 2020-01-14-1102 C.S. § 2; Ord. 2019-11-05-1403-02 C.S. § 5; Ord. 2019-02-05-1403 C.S. § 5; prior code § 7-051.14)~~

8.04.170 Maintenance of records for residential ~~solid waste~~discarded materials collection.

The Administrative Services Officer, or authorized agent for billing and collection, is responsible for maintaining adequate records of bills tendered, payments received, delinquencies recorded, cash deposited, and charges incurred. The records shall be maintained in accordance with the City's record retention policy. ~~(Prior code § 7.051.15)~~

8.04.180 Payment of fees and mandatory reporting of change in circumstance.

A. No ~~solid waste~~discarded materials collection services will be furnished to any property or person free of charge.

B. The record owner of any property where ~~solid waste~~discarded materials services are provided shall be responsible for the payment of any and all ~~solid waste~~discarded materials collection service charges, any delinquent ~~solid waste~~discarded materials collection service charges, and any penalties applicable to his or her property.

C. It shall be, and is hereby made, the duty of each record owner of any property where ~~solid waste~~discarded materials services are provided to ascertain from the City Administrative Services Department, or its authorized agent for billing and collection, the amount and due date of any ~~solid waste~~discarded materials collection service charges, any delinquent ~~solid waste~~discarded materials collection service charges, and any penalties applicable to his or her property, and to pay such charges and penalties when due and payable.

D. The record owner of any property where ~~solid waste~~discarded materials services are provided is obligated to inform the City Administrative Services Department, or its authorized agent for billing and collection, immediately of all circumstances and of any change(s) in any circumstance ~~which~~ that will, in any way, affect the applicability of any ~~solid waste~~discarded materials collection service charges or the amount of any such charges that may be imposed on his or her property for ~~solid waste~~discarded materials services provided. In particular, but not by way of limitation, the record owner of any property where ~~solid waste~~discarded materials services are provided by the City, or a collector or permittee of the City, shall immediately inform the City Administrative Services Department or its authorized agent for billing and collection of any sale or transfer of any such property. ~~(Ord. 2019-11-05-1403-02 C.S. § 6; Ord. 2019-02-05-1403 C.S. § 6; prior code § 7-051.16)~~

8.04.190 Exemptions and waivers.

~~Owners, occupants or persons in possession, charge or control of dwellings, buildings, places and premises in the City in and from which it is claimed that no solid waste is created, accumulated or produced so as to require refuse collection services,~~

~~or that other methods of solid waste collection and disposal are available and will be provided may apply for an exemption from the provisions of this chapter by making application therefor to the Public Works Director on forms provided by said Director. Upon receiving an application for an exemption, the Director shall cause an investigation to be made concerning the matters contained in the application and into such other matters, as the Director may deem appropriate. If after investigation the Director determines that refuse collection services are not required for the premises described in the application, or that other methods of solid waste collection and disposal are available and will be provided then, in that event, the Director may grant an exemption from the provisions of this chapter. If an exemption is granted, the Director shall notify the collector that an exemption has been granted. Said exemption may be revoked at any time thereafter if after investigation the Director determines that circumstances have changed and that refuse collection services are required. (Prior code § 7-051.17)~~

The Director or their designee may develop processes for, and grant exemptions or waivers to, individual responsible parties for compliance with specified service requirements of Chapter 8.04, consistent with applicable law and as provided below.

A. Vacancy of premise. The Director or their designee may provide a process for responsible parties to apply for, and to be granted, a temporary exemption from collection service at a vacant or unoccupied premise. The Director or their designee may limit the duration or frequency for which such exemptions may be granted to a responsible party, and may provide for a vacancy credit against the responsible party's payment for service. Said exemption may be revoked at any time thereafter if, after investigation, the Director determines that circumstances have changed and that discarded material collection services are required.

B. Other waivers. The Director or their designee may develop a process for waiving individual responsible party obligations to comply with some or all recyclable materials and organic waste requirements of Chapter 8.04. Such waivers, if provided, shall be granted in accordance with processes prescribed and implemented by the Director or their designee. The Director or their designee shall periodically verify continued eligibility of the party granted such waiver. Any waiver process shall be consistent with 14 CCR Section 18984.11 and other applicable law.

8.04.195 Requirements for commercial edible food generators.

A. Tier one commercial edible food generators must comply with the requirements of this Section 8.04.195, tier two commercial edible food generators must comply with the requirements of this section commencing January 1, 2024, pursuant to 14 CCR Section 18991.3.

B. Large venue or large event operators not providing food services, but allowing for food to be provided by others, shall require food facilities operating at the

large venue or large event to comply with the requirements of this section, commencing January 1, 2024.

C. Commercial edible food generators shall comply with the following requirements:

1. Arrange to recover the maximum amount of edible food that would otherwise be disposed.

2. Contract with or enter into a written agreement with food recovery organizations or food recovery services for: (i) the collection of edible food for food recovery; or, (ii) acceptance of the edible food that the commercial edible food generator delivers to the food recovery organization for food recovery.

3. Not intentionally spoil edible food that is capable of being recovered by a food recovery organization or a food recovery service.

4. Allow City's designated enforcement entity or designated third--party enforcement entity to access the premises to conduct inspections and review records pursuant to 14 CCR Section 18991.4 and this chapter.

5. Keep records that include the following information, or as otherwise specified in 14 CCR Section 18991.4:

a. A list of each food recovery service or organization that collects or receives the commercial edible food generator's edible food pursuant to a contract or written agreement established under 14 CCR Section 18991.3(b).

b. A copy of all contracts or written agreements established under 14 CCR Section 18991.3(b).

c. A record of the following information for each of those food recovery services or food recovery organizations:

i. The name, address, and contact information of the food recovery service or food recovery organization.

ii. The types of food that will be collected by or self-hauled to the food recovery service or food recovery organization.

iii. The established frequency that food will be collected or self-hauled.

iv. The quantity of food, measured in pounds recovered per month, collected or self-hauled to a food recovery service or food recovery organization for food recovery.

6. Maintain records required by this section for five (5) years.

7. The Director may, at their discretion, require commercial edible food generators to provide an annual food recovery report to the City, in a manner and timeline prescribed by the Director, that may include information such as:

a. The amount, in pounds, of edible food donated to a food recovery service or food recovery organization annually;

b. The amount, in pounds of edible food rejected by a food recovery service or food recovery organization annually; and,~~.~~

c. Any additional information required by the Director or their designee.

D. Nothing in this chapter shall be construed to limit or conflict with the protections provided by the California Good Samaritan Food Donation Act of 2017, the Federal Good Samaritan Act, or share table and school food donation guidance pursuant to Senate Bill 557 of 2017 (approved by the Governor of the State of California on September 25, 2017, which added Article 13 [commencing with Section 49580] to Chapter 9 of Part 27 of Division 4 of Title 2 of the Education Code, and to amend Section 114079 of the Health and Safety Code, relating to food safety, as amended, supplemented, superseded and replaced from time to time).

8.04.196 Requirements for food recovery organizations and food recovery services.

A. Food recovery services collecting or receiving edible food directly from commercial edible food generators, via a contract or written agreement established under 14 CCR Section 18991.3(b), shall maintain the following records, or as otherwise specified by 14 CCR Section 18991.5(a)(1):

1 The name, address, and contact information for each commercial edible food generator from which the food recovery service collects edible food.

2 The quantity in pounds of edible food collected from each commercial edible food generator per month.

3 The quantity in pounds of edible food transported to each food recovery organization per month.

4 The name, address, and contact information for each food recovery organization to which the food recovery service transports edible food for food recovery.

B. Food recovery organizations collecting or receiving edible food directly from commercial edible food generators, via a contract or written agreement established under 14 CCR Section 18991.3(b), shall maintain the following records, or as otherwise specified by 14 CCR Section 18991.5(a)(2):

1 The name, address, and contact information for each commercial edible food generator from which the organization receives edible food.

2 The quantity in pounds of edible food received from each commercial edible food generator per month.

3 The name, address, and contact information for each food recovery service that the organization receives edible food from for food recovery.

C. Food recovery organizations and food recovery services shall maintain records required by this section for five (5) years.

D. Food recovery organizations and food recovery services that have their primary address physically located in the City and contract with or have written agreements with one or more commercial edible food generators, pursuant to 14 CCR Section 18991.3(b), shall report to the City the total pounds of edible food recovered in the previous calendar year from the tier one and tier two commercial edible food generators they have established a contract or written agreement with pursuant to 14 CCR Section 18991.3(b). The annual report shall be submitted to the City no later than the date prescribed by the Director or their designee.

E. In order to support edible food recovery capacity planning assessments or other studies conducted by the county, City or its designee, food recovery services and food recovery organizations operating in the City shall provide information and consultation to the City, upon request, regarding existing, proposed, new, or expanded~~,~~ food recovery capacity that could be accessed by the City and its commercial edible food generators. A food recovery service or food recovery organization contacted by the City shall respond to such request for information within sixty (60) days, unless a shorter timeframe is otherwise specified by the City.

8.04.200 ~~Enforcement citations~~Single-use foodware.

~~The Public Works Director and the employees of the Public Works Department as designated by the Director are hereby authorized to issue citations to owners and/or occupants of property for violations of the provisions of this chapter. (Prior code § 7-051.18)~~ Entities regulated under Public Resources Code Part 3, Division 30, Chapter 5.2, relating to single-use plastic foodware and condiments, shall at all times comply with the applicable provisions of that chapter. Notwithstanding Section 8.04.360, the Director or their designee shall enforce such requirements commencing June 1, 2022, in accordance with the enforcement procedures and penalty amounts set forth in Public Resources Code Section 42272.

8.04.210 Deposit of ~~garbage, rubbish,~~discarded materials or waste matter other than in containers—Unlawful.

It is unlawful for any person in the City to throw or deposit any ~~recyclable material, green waste, garbage, rubbish~~discarded materials or waste matter or to cause the same to be thrown or deposited upon any street, alley, gutter, park, or other public way or to throw or deposit the same in or upon any premises or vacant lot or in any water or waterway or upon the levees or banks adjacent thereto, or to store or keep the same except in containers as required herein. ~~(Prior code § 7-052)~~

8.04.220 Permitting ~~rubbish~~discarded materials to accumulate in vicinity of receptacles—Prohibited—Penalty.

A. It is unlawful for any person to permit or allow ~~rubbish~~discarded materials to accumulate in the vicinity of ~~solid waste~~discarded materials receptacles or areas used for the storage of ~~solid waste~~discarded materials receptacles. This section shall apply to both residential and commercial properties.

B. Any person, firm, or corporation violating this section shall be deemed guilty of a ~~misdemeanor, and each such person, firm or corporation shall be deemed guilty of a~~ separate offense for each and every day or portion thereof during which a violation of this section is committed, continued, or permitted~~.~~, and shall be subject to enforcement pursuant to Section 8.04.360. ~~(Prior code § 7-052.1)~~

8.04.230 Burying ~~garbage~~discarded materials, etc.—Prohibited.

It is unlawful for any person to bury ~~garbage~~discarded materials at any place within the City. ~~(Prior code § 7-053)~~

8.04.240 Collection of ~~garbage, rubbish~~discarded materials, waste matter~~, commercial waste~~, industrial waste or swill, unless licensed—Unlawful.

It is unlawful for any person, firm, corporation, or association to collect ~~garbage, rubbish~~discarded materials, waste matter, ~~commercial solid waste,~~ or industrial waste within the City or transport the same through the streets, alleys, and public ways of ~~said~~ City unless such person, firm, corporation or association has been licensed to do so by the City by contract, permit, or otherwise. ~~(Prior code § 7-054)~~

8.04.250 Collectors and facility operators.

The City Council of the City shall, by contract or permit, authorize one (1) or more persons, firms, or corporations to collect, transport, and process or dispose of ~~garbage, rubbish, solid waste, residential refuse, multifamily refuse, commercial solid waste~~discarded materials and industrial waste within the City on a regularly~~-~~scheduled

basis. With regard to residential, ~~multifamily~~multi-family, and commercial ~~refuse~~discarded materials, the manner of collection and other regulations of said residential, ~~multifamily~~multi-family, and commercial ~~refuse~~discarded materials collectors shall be set forth in the contract, which may include provision of recyclable materials, ~~green waste and food waste~~organic materials collection, ~~and~~ street sweeping ~~and~~, seasonal leaf collection, and other related programs. With regard to industrial waste, the manner of collection and other regulations of said industrial waste collectors shall be set forth in a separate agreement or permit. ~~(Prior code § 7-055)~~

A. Requirements for collectors

1. Collector(s) providing recyclable materials, organic waste, and/or solid waste collection services to generators within the City's boundaries shall meet the following requirements and standards as a condition of approval of its franchise, contract, permit, or other authorization with the City to collect recyclable materials, organic materials, and/or solid waste:

a. Through annual written notice to the City on or before the date prescribed by the Director, identify the facilities to which they will transport discarded materials, including facilities for source separated recyclable materials, source separated organic materials, and solid waste unless otherwise stated in the franchise agreement, contract, permit, license, or other authorization with the City.

b. Transport source separated recyclable materials to a facility that recovers those materials; transport source separated organic materials to a facility, operation, activity, or property that recovers organic waste as defined in 14 CCR, Division 7, Chapter 12, Article 2; transport solid waste to a disposal facility or transfer facility or operation that processes or disposes of solid waste; and transport manure to a facility that manages manure in conformance with 14 CCR Article 12 and such that the manure is not landfilled, used as alternative daily cover (ADC), or used as alternative intermediate cover (AIC).

c. Obtain approval from the City to haul organic waste, unless it is transporting source separated organic waste to a community composting site or lawfully transporting C&D in a manner that complies with 14 CCR Section 18989.1 and Chapter 8.28 of the Stockton municipal code.

2. Collectors authorized to collect recyclable materials, organic materials, and/or solid waste shall comply with education, equipment, signage, container labeling, container color, contamination monitoring, reporting, and other requirements contained within its franchise agreement, contract, permit, or other agreement entered into with City.

B. Requirements for Facility Operators and Community Composting Operations

1. Owners of facilities, operations, and activities located within the City's boundaries that recover organic waste including, but not limited to, compost facilities, in-vessel digestion facilities, and publicly-owned treatment works shall, upon City request, provide information regarding available and potential new or expanded capacity at their facilities, operations, and activities, including information about throughput and permitted capacity necessary for planning purposes. Entities contacted by the City shall respond within sixty (60) days.

2. Community composting operators with operations located in the City's boundaries, upon City request, shall provide information to the City to support organic waste capacity planning, including, but not limited to, an estimate of the amount of organic waste anticipated to be handled at the community composting operation. Entities contacted by the City shall respond within sixty (60) days.

3. Owners of facilities, operations, and activities located in the City's boundaries that receive recyclable materials, organic materials, and/or solid waste shall provide to the City, on a quarterly basis, copies of all reports they are required to report to CalRecycle, including at minimum, those required by AB 901 and SB 1383.

8.04.255 Self-hauler requirements.

A. The Director may, at their sole discretion, establish processes to allow approved commercial generators to self-haul their discarded materials. Commercial generators interested in self-hauling materials shall comply with all administrative, operational, and regulatory requirements established by the Director or their designee, or as required by applicable law, as a condition of approval to self-haul. Self-haulers shall prepare and handle their discarded materials in a manner consistent with 14 CCR Section 18984.1, the City's collection program, and any other requirements established by the Director or their designee. Self-haulers shall deliver their discarded materials only to facilities approved or designated by the Director.

C. Self-haulers that are responsible parties of commercial businesses shall keep records of the amount of recyclable materials, organic waste, and solid waste delivered to each City-approved or designated facility. These records shall be subject to inspection by the Director and/or their designee. The records shall include the following information:

1. Delivery receipts and weight tickets from the entity accepting the recyclable materials, organic materials, and solid waste.

2. The amount of material in cubic yards or tons transported by the generator or responsible party to each entity.

3. If the material is transported to an entity that does not have scales on-site or employs scales incapable of weighing the self-hauler's vehicle in a

manner that allows it to determine the weight of materials received, the self-hauler is not required to record the weight of material but shall keep a record of the entities that received the recyclable materials, organic materials, and solid waste.

4. Other information prescribed by the Director or their designee as a condition of approval to self-haul.

D. Self-haulers shall retain all records and data required to be maintained by this section for no less than five (5) years after the recyclable materials, organic materials, and/or solid waste was first delivered to the facility accepting the material.

E. Self-haulers that are commercial businesses shall provide copies of records required by this section to City if requested by the Director or their designee and shall provide the records at the frequency requested by the Director.

F. Failure to comply with the provisions of this section may lead to revocation of approval to self-haul, at the Director's sole discretion, and enforcement procedures pursuant to Section 8.04.360.

8.04.260 Collection and disposal of solid waste—Charges and rates.

The charges or rates that persons, firms, or corporations authorized by contract to collect and dispose of residential ~~refuse, multifamily refuse~~discarded materials, multi-family discarded materials, and commercial ~~solid waste~~discarded materials within the City may charge~~,~~ shall be established from time to time by resolution of the City Council of the City. The charges or rates for other solid waste collection services, including industrial waste collection and commercial recyclable material collection, shall be established by the collector. ~~(Prior code § 7-056)~~

8.04.270 Commercial recyclable material collectors—Permit required.

It is unlawful for any person, firm, or corporation to collect commercial recyclable ~~material~~materials~~,~~ and/or organic materials, at the Director's sole discretion, within the City without first having obtained a permit to do so from the Public Works Director and a business license therefor from the Administrative Services Officer. The fee for said permit and license shall be established from time to time by resolution of the City Council. Said permit or license shall expire on May 30~~th~~ of each year and must be renewed annually on or before said date. ~~(Prior code § 7-057)~~

8.04.280 Commercial recyclable material collectors.

Persons, firms or corporations licensed as commercial recyclable material and/or organic material collectors are hereby authorized to collect recyclable materials and/or

organic materials, as licensed, from commercial and industrial customers within the City, provided that ~~at least 90 percent of each load is actually recycled and not disposed of~~the collector complies with SB 1383 regulations and other applicable law. ~~(Prior code § 7-058)~~

8.04.290 Industrial waste collectors—Permit required.

A. It is unlawful for any person, firm, or corporation to collect and dispose of industrial waste within the City as an industrial waste collector without first having received a permit ~~to do so~~. Said permit shall be issued upon majority vote of the City Council. The fee for the issuance of said permit shall be the sum of one hundred thousand dollars ($100,000.00)~~.~~, or another amount determined by City Council. Any such permit issued pursuant to this section shall not be transferable to another person, firm, or corporation, and in the case of corporations the permit shall become void whenever there may occur a transfer of the majority interest in said corporation. Said permit or license issued prior to May 30, 2019, shall expire on December 31, 2024. This constitutes the City's five (5) year notice that may or may not be required under Public Resources Code Section 49520. Permitted industrial waste collectors shall comply at all times with applicable law related to its operations~~,~~ including, but not limited to, SB 1383. Industrial waste collectors, upon request of City, shall provide documentation of compliance as a condition of permit approval.

~~B. Industrial waste collector permits issued prior to May 30, 2019, shall remain in full force and effect until December 31, 2024. (Ord. 2019-04-30-1108 C.S. § 2; prior code § 7-059)~~

8.04.300 Industrial waste collector—Permit fee and AB 939 fee.

A. In addition to the initial permit fee mentioned in Section 8.04.290, for the privilege to provide service pursuant to permit, the industrial waste collector shall pay to the City eighteen and one-half percent (18.5~~20~~) percent of the gross revenue collected for performing industrial waste collection services. The industrial waste collector shall also pay to the City an AB 939 fee equal to five~~three and one-half~~ (5~~3 1/2~~) percent of gross revenue collected for performing industrial waste collection services.

B. For the purpose of this section only, no such additional fee will be due and payable to City for revenues derived from the direct or indirect sale of reclaimed solid waste or its derivatives. However, this provision shall not be construed to exempt revenue from any element of the services to collect such industrial waste.

C. On or before the 15th day of each month, the industrial waste collector shall submit to the Administrative Services Officer a statement of gross revenues collected pursuant to the permit for the preceding month, with the appropriate remittance in full. Such statement shall separately show gross revenue from the sale of reclaimed ~~refuse~~discarded materials for the preceding month.

D. The industrial waste collector shall, from the sources of revenue available to the collector through the granting of the permit, pay all fees and charges due the City as provided for in this section. A five (5) percent penalty shall apply to a delinquent payment for the first month, and a one (1) percent penalty shall be added for each succeeding month thereafter until the delinquent balance is paid in full.

E. Permit holders of industrial waste collector permits issued prior to May 30, 2019, shall also pay to the City eighteen and one-half (18.520) percent of the gross revenue collected for performing industrial waste collection services and shall also pay an AB 939 fee equal to five three and one-half (53-1/2) percent of gross revenue collected for performing industrial waste collection services. (Ord. 2019-04-30-1108 C.S. § 3; prior code § 7-060)

8.04.310 Industrial waste collector—Diversion requirement.

A. The For materials regulated under Chapter 8.28, the industrial waste collector shall divert from disposal at least 50 percent of all materials collectedthe percentage specified in performing all industrial waste collection servicesChapter 8.28.

B. Permit holders of industrial waste collector permits issued prior to May 30, 2019 shall also divert from disposal 50 percent of all materials collected in performing all industrial waste collection services. (Ord. 2019-04-30-1108 C.S. § 4; prior code § 7-061

8.04.320 Industrial waste collector—Financial reports to City.

A. Every industrial waste collector who has obtained a permit to provide industrial waste collection services within the City shall at any time deemed necessary by the City Manager, make available to the City all accounting records that pertain to any portion of the industrial waste collector's operations within the scope of the permit issued.

B. Annually, the industrial waste collector shall provide the City with one (1) electronic copy and three (3) printed copies of its annual audited financial statements prepared by an independent certified or public accountant. The statements shall be prepared by the independent auditor in conformance with accepted accounting principles. Such statements shall be provided to the City within one hundred twenty (120) days after the close of the collector's fiscal year. The financial statements shall clearly indicate all gross revenues collected for industrial waste collection services within the City and confirm that the collector has paid to the City eighteen and one-half (18.520) percent of the gross revenue collected for performing industrial waste collection services and an AB 939 fee of five three and one-half (35-1/2) percent of gross revenue collected for performing industrial waste collection services. The City shall insist that the financial statements do not reflect any other business activities that are carried on by the collector in any other area or jurisdiction other than the City. The City reserves the right to request, and the industrial waste collector shall provide, any

additional documentation, itemization, or detail as requested by City to verify any amounts reported in monthly revenue reports and annual financial statements. ~~(Ord. 014-11 C.S. § 1, eff. 1-5-12; prior code § 7-062)~~

8.04.330 Regulations—Commercial ~~recyclable material~~discarded materials collectors and industrial waste collectors.

Every vehicle used for the collection of commercial ~~recyclable material, rubbish~~discarded materials, waste matter, or industrial waste shall have a metal-lined body and be covered or operated so as to prevent the contents from falling, spilling, leaking, blowing, or dripping there from. ~~(Prior code § 7-063)~~

8.04.340 Commercial recyclable material collectors and industrial waste collectors—~~Tonnage reports~~Reports to City.

A. Every commercial recyclable material collector and every industrial waste collector who has obtained a permit to provide collection services within the City, and every permit holder of an industrial waste collector permit issued prior to May 30, 2019, shall at any time deemed necessary by the Public Works Director, make available to City all disposal and diversion records that pertain to any portion of collection services within the scope of the permit issued pursuant to Section 8.04.270 or 8.04.290.

B. Every commercial recyclable material collector and industrial waste collector, and every permit holder of an industrial waste collector permit issued prior to June 1, 2003, shall provide a quarterly report to the City of total tons disposed and tons diverted through provision of commercial ~~recyclable material~~discarded materials collection or industrial waste collection services in the City. Quarterly reports to the City shall be due on the 15th day of the month following the previous calendar quarter. ~~(Ord. 2019-04-30-1108 C.S. § 5; prior code § 7-064)~~

C. Every commercial recyclable materials collector, industrial waste collector, and permit holder shall additionally comply with all reporting requirements set forth under its agreement, contract, permit, or other written direction from the City. The subject of such reports may include, but are not limited to, operational, financial, or programmatic information~~,~~ and shall be submitted in a manner and timeline specified by the Director or its designee.

8.04.345 Model water efficient landscaping ordinance requirements.

A. Property owners or their building or landscape designers, including anyone requiring a building or planning permit, plan check, or landscape design review from the City, who are constructing a new (single-family, multi-family, public, institutional, or commercial) project with a landscape area greater than five hundred (500) square feet, or rehabilitating an existing landscape with a total landscape area greater than two thousand five hundred (2,500) square feet, shall comply with Sections

492.6(a)(3)(B) (C), (D), and (G) of the MWELO September 15, 2015 requirements. Other requirements of the MWELO are in effect pursuant to Section 16.56.040 of the Stockton municipal code.

B. If the California Department of Water Resources, or its successor agency, amends 23 CCR, Division 2, Chapter 2.7, Sections 492.6(a)(3)(B) (C), (D), and (G) of the MWELO September 15, 2015 requirements in a manner that requires the City to incorporate the requirements of an updated MWELO in a local ordinance, and the amended requirements include provisions more stringent than those required in this section, the revised requirements of 23 CCR, Division 2, Chapter 2.7 shall be enforced.

8.04.350 Public Works Director—Duties.

A. The Public Works Director shall monitor and provide overall direction for the collection and disposal of ~~garbage, rubbish~~discarded materials, waste matter, ~~commercial solid waste,~~ and industrial waste operations in the City. The Public Works Director, or ~~said~~ Director's authorized representatives, shall receive and investigate all complaints, including complaints from persons regarding an entity that may be potentially non-compliant with SB 1383 regulations, and endeavor to improve and extend the ~~garbage, rubbish~~discarded materials, waste matter, ~~commercial solid waste~~ and industrial waste collection services. In the absence of other regulations, the Public Works Director shall have the power to determine and set the hours of collection, manner of collection, and such other regulations as may be necessary to insure an orderly program for the collection, transportation, and disposal of ~~garbage, rubbish~~discarded materials, waste matter, ~~commercial solid waste~~ and industrial waste in order to promote the community welfare, convenience, health, and safety. All disputes between collectors and producers concerning charges, service, or any other matter not otherwise delegated shall be decided by the Public Works Director, or ~~said~~ Director's authorized representative. The Public Works Director, or ~~said~~ Director's authorized representative, is hereby directed and empowered to enforce the provisions set forth herein and he or she shall have the right to enter all premises or vehicles for the purpose of making any inspection or investigation ~~which~~ that he or she may deem necessary under the provisions hereof.

B. In the event an industrial establishment is unable to secure the services of any permitted industrial waste collector ~~who has received permits to do so under the provisions of this chapter, then~~, ~~in that event~~ the Public Works Director may assign a permittee to service that particular establishment at a reasonable rate to be determined by the Public Works Director.

C. An industrial waste collector shall allow access to its records of customers served by said collector, when requested by the Public Works Director, provided, however, said records shall be held confidentially by said Director and not subject or open to public inspection~~.~~, except as otherwise required by applicable law. ~~(Prior code § 7-065)~~

8.04.355 Inspections.

A. The Director and their designees are authorized to conduct inspections and investigations, at random or otherwise, of any collection container, collection vehicle loads, or transfer, processing, or disposal facility for materials collected from generators, or source separated materials to confirm compliance with this chapter by regulated entities such as generators, responsible parties of commercial businesses, responsible parties of multi-family premises, commercial edible food generators, haulers, self-haulers, food recovery services, and food recovery organizations, subject to applicable laws. This Section does not allow City to enter the interior of a private residential property for inspection. For the purposes of inspecting commercial businesses' or multi-family premises' containers for compliance with this chapter, City may utilize remote monitoring or other technologies at the Director's discretion.

B. Regulated entity shall provide or arrange for access during all inspections (with the exception of residential property interiors) and shall cooperate with the Director or their designee(s) during such inspections and investigations. Such inspections and investigations may include confirmation of proper placement of materials in containers, inspection of edible food recovery activities, review of required records, or other verification or inspection to confirm compliance with any other requirement of this chapter. Failure of a responsible party to provide or arrange for: (i) access to an entity's premises; or, (ii) access to records for any inspection or investigation is a violation of this chapter and may result in penalties described in Section 8.04.360.

C. Any records obtained by the City during its inspections and other reviews shall be subject to the requirements and applicable disclosure exemptions of the Public Records Act as set forth in Government Code Section 6250 et seq.

D. The Director and their designee(s) are authorized to conduct any inspections or other investigations as reasonably necessary to further the goals of this chapter, subject to applicable laws.

8.04.360 Violations, enforcement and ~~A~~appeal.

A. Violation of any provision of this chapter shall constitute grounds for issuance of a notice of violation and assessment of a fine by a City enforcement official or representative in conformance with Chapter 1.28 and Chapter 1.32, except as otherwise indicated in this chapter.

B. The Public Works Director and their designees, including, but not limited to, county agency enforcement officials, as applicable, are hereby authorized to issue citations to owners and/or occupants of property for violations of the provisions of this chapter. (Prior code § 7-051.18)

C. Process for Enforcement

1. The Director and/or their designee(s) will monitor compliance with this chapter randomly and through compliance reviews, route reviews, investigation of complaints, and an inspection program. This chapter establishes City's right to conduct inspections and investigations.

2. For incidences of contamination found in containers, City or designee will issue a notice of contamination to any generator or responsible party found to have contamination in a container. The City may authorize the City or designee to assess contamination processing fees if the City or designee observes contamination in a responsible party's container(s).

3. With the exception of violations of contamination of container contents addressed under Section 8.04.360.C.2, City shall issue a notice of violation requiring compliance within a maximum of sixty (60) days of issuance of the notice.

4. Absent compliance by the respondent within the deadline set forth in the notice of violation, City shall commence an action to impose penalties, via an administrative citation and fine, pursuant to this chapter.

Notices shall be sent to owner at the official address of the owner maintained by the tax collector for the City or, if no such address is available, to the owner at the address of the multi-family premises or commercial premises or to the responsible party for the collection services, depending upon available information.

D. Penalty Amounts

1. The penalty levels for enforcement for violations of Sections 8.04.020, 8.04.035, 8.04.036, 8.04.195, 8.04.196, 8.04.250, and/or 8.04.255 shall be in accordance with 14 CCR Section 18997.2.

2. The penalty levels and other available remedies for enforcement for violations of all other sections of this chapter shall be handled in accordance with Title 1 of the Stockton Municipal Code.

E. Compliance Deadline Extension Considerations

City may extend the compliance deadlines set forth in a notice of violation issued in accordance with this section if it finds that there are extenuating circumstances beyond the control of the respondent that make compliance within the deadlines impracticable, including the following:

1. Acts of God such as earthquakes, wildfires, flooding, and other emergencies or natural disasters;

2. Delays in obtaining discretionary permits or other government agency approvals; or,

3. Deficiencies in organic waste recycling infrastructure or edible food recovery capacity while the City is under a corrective action plan with CalRecycle pursuant to 14 CCR Section 18996.2 due to those deficiencies.

F. Education Period for Non-Compliance

Through December 31, 2023, City will conduct inspections, route reviews or waste evaluations, and compliance reviews, depending upon the type of regulated entity, to determine compliance with Sections 8.04.020, 8.04.035, 8.04.036, 8.04.195, 8.04.196, 8.04.250, and/or 8.04.255. If the City determines that generator, responsible party, self-hauler, hauler, tier one commercial edible food generator, food recovery organization, food recovery service, or other entity is not in compliance, it shall provide educational materials to the entity describing its obligations under this chapter and a notice that compliance is required, and that violations may be subject to administrative civil penalties starting on January 1, 2024.

G. Civil Penalties for Non-Compliance

Beginning January 1, 2024, if the City determines that a generator, responsible party, self-hauler, hauler, tier one or tier two commercial edible food generator, food recovery organization, food recovery service, or other entity is not in compliance with Sections 8.04.020, 8.04.035, 8.04.036, 8.04.195, 8.04.196, 8.04.250, and/or 8.04.255, it shall document the noncompliance or violation, issue a notice of violation, and take enforcement action pursuant to this section, as needed.

H. Any person dissatisfied with any action taken or any decision made by the Public Works Director or designee with regard to the provisions of this chapter may appeal pursuant to the provisions of Chapter 1.44 of this code. ~~(Ord. 2019-11-05-1403-02 C.S. § 7; prior code § 7-066)~~

SECTION II. AMENDMENT OF CODE

Title 8, Chapter 8.28 of the Stockton Municipal Code is amended and shall read as follows:

Chapter 8.28 CONSTRUCTION AND DEMOLITION DEBRIS WASTE REDUCTION

8.28.010 Findings.

The State through its California Waste Management Act of 1989, Assembly Bill 939 (AB 939), requires that each local jurisdiction in the State divert 50 percent of discarded materials (base year 1990, State methodology) from landfill.

The State through its California Green Building Standards Code, 24 CCR, Part 11 (CALGreen) sets minimum diversion standards and establishes other requirements related to handling of construction and demolition debris.

The State through its Senate Bill 1383 (SB 1383), the Short-lived Climate Pollutant Reduction Act of 2016, requires CalRecycle to develop regulations to reduce organic waste in landfills as a source of methane. SB 1383 regulations require jurisdictions to adopt and enforce an ordinance or enforceable mechanism to implement relevant provisions of SB 1383 regulations, including the requirement, among others, to comply with the California Green Building Standards Code, 24 CCR, Part 11 (CALGreen), as amended.

The City could face fines up to $10,000.00 a day for not meeting the above mandated ~~goal~~AB 939 goals and SB 1383 program requirements.

Construction and demolition debris constitutes a large portion of the waste stream in the City. These materials have significant potential for waste reduction and recycling.

The City finds that reusing and recycling construction and demolition debris is essential to further the City's efforts to reduce waste and comply with AB 939 and SB 1383.

Reusing construction and demolition debris has proven to reduce the amount of such material from landfills, increase site and worker safety, and be cost effective.

~~Except in unusual circumstances, it is feasible to divert 50 percent or more of all construction and demolition debris from construction, demolition, and renovation projects. (Ord. 010-08 C.S. § 2, prior code § 7-080)~~

8.28.020 Purpose.

The general purpose of these regulations is to establish and maintain a program to reduce the amount of construction and demolition waste generated within the City that is disposed in landfills. This chapter sets a waste diversion requirement ~~that 50 percent or more (by weight) of the amount of~~for construction and demolition debris generated at project sites be reused, recycled or otherwise processed to divert such materials from disposal in landfills. Any party that undertakes a construction, demolition, or renovation project by applying for City permits is responsible for meeting the construction and demolition debris waste diversion requirement. ~~(Ord. 010-08 C.S. § 2, prior code § 7-081)~~

8.28.030 Definitions.

For the purpose of this chapter, the following definitions shall apply:

City-Sponsored Projects. All City-sponsored construction, demolition and renovation projects shall be considered covered projects for the purpose of this chapter and shall submit a construction/demolition recycling plan prior to beginning any construction or demolition activities, and shall be subject to all applicable provisions of this chapter.

"Commercial recyclable material collector" means a person, firm or corporation that is licensed by the City for the purpose of providing recyclable material collection service within the City limits, and is required to ~~recycle at least 90 percent of each load collected~~comply with SB 1383 regulations and other applicable law.

"Construction" and "new construction" means the building and/or modification of any facility or structure or any portion thereof including any tenant improvements to an existing facility or structure.

"Construction and demolition debris" ~~means used or discarded materials removed from premises during construction or renovation of a structure resulting from construction, remodeling, repair, or demolition operations on any pavement, house, commercial building, or other structure.~~has the same meaning as construction and demolition debris as defined in Chapter 8.04.

"Construction/demolition recycling plan" means a form the permit applicant must submit to the City at the time the permit applicant seeks permits to undertake a construction, demolition and renovation project within the City. The construction/demolition plan is intended to identify the types of materials that will be generated by the project, and how those materials will be transported and disposed.

"Construction/demolition recycling report" means a form the permit applicant must submit to the City at the conclusion of a construction, demolition and renovation project. The construction/demolition recycling report is intended to document the types and quantities of materials that were recycled or reused, and the quantities of materials that were finally disposed at a landfill. The permit applicant must complete the form and submit it for review and approval by the City for the purpose of compliance with this ordinance.

"Covered projects" refers to all construction, demolition and renovation projects ~~within the City with total costs that are, or projected to be, equal to or greater than $20,000.00~~covered by the scope of the California Green Building Standards Code, 24 CCR, Part 11, known as CALGreen, as amended.

"Divert" means to use material for any purpose other than disposal in a landfill.

"Industrial waste collector" means a person, firm or corporation that is licensed by the City for the purpose of providing collection and disposal of industrial waste within the City limits~~, and is required to recycle at least 50 percent of the materials collected~~.

"Non-covered projects" refers to all construction, demolition and renovation projects within the City, regardless of the actual or projected cost of the project. For purposes of this regulation, all permit applicants must submit a completed (1) construction/demolition recycling plan and (2) construction/demolition recycling report for review during the permit process.

"Permit applicant" means any individual, firm, limited liability company, association, partnership, political subdivision, government agency, municipality, industry, public or private corporation, or any other entity whatsoever who applies to the City for the applicable permits to undertake any construction, demolition, or renovation project within the City.

"Review Official" means the designated staff persons assigned by the Public Works Director and responsible for implementing and managing this chapter. The Review Official will determine the sufficiency of recycling plans and reports submitted by permit applicants, and either approve or deny a permit based on the review of the forms, documentation, and information provided.

"Self-haul" means the act of transporting debris generated by a construction, demolition or landscape contractor, or an individual performing construction, demolition or landscape work at a covered project site or a non-covered project site and using his or her own vehicle to deliver such debris to a permitted disposal site or recycling facility.

"Waste diversion requirement" means the diversion ~~of at least 50 percent (by weight) of the~~minimum for construction and demolition debris generated by a covered project in accordance with California Green Building Standards Code (24 CCR, Part 11), as amended. ~~(Ord. 010-08 C.S. § 2, prior code § 7-082)~~

8.28.040 Permit applicant and City responsibilities.

A. The City will not issue an approved permit for any construction, demolition or renovation project unless and until the permit applicant has performed its responsibilities to comply with the City's construction and demolition debris waste reduction program. All permit applicants for a covered project or a non-covered project have certain responsibilities, as specified below, to meet compliance with this regulation

B. Permit applicants of a covered project are responsible to do the following:

1. Obtain from the City a C&D permit packet, which contains the required forms and other resource information needed to comply with waste diversion requirement for a covered project.

2. Complete and submit the construction and demolition recycling plan at the time of permit application.

3. Complete and submit the construction and demolition recycling report and related receipts and weight tickets within 14 days of final clean up of a covered project site.

4. Meet the waste diversion requirement for the covered project.

5. Comply with the requirements of the California Green Building Standards Code (24 CCR, Part 11), as amended, or more stringent City requirements as applicable.

C. Permit applicants of a non-covered project are responsible to do the following:

1. Obtain from the City a C&D permit packet, which contains the required forms and other resource information needed to comply with the waste diversion goals of the City for any construction, demolition and renovation project within the City.

2. Complete and submit the construction and demolition recycling plan at the time of permit application.

3. Complete and submit the construction and demolition recycling report and related receipts and weight tickets within 14 days of final clean up of a non-covered project site.

D. The City Review Official is responsible for the following:

1. Provide assistance and information requested by the permit applicant in completing the required forms.

2. Review submitted forms in a timely manner and notify the permit applicant regarding any discrepancies and/or missing documentation.

3. Notify appropriate City staff if a permit applicant has met the waste diversion requirement of a project.

4. Require a hold on the project if the permit applicant has not complied with the requirements of this C&D chapter. ~~(Ord. 010-08 C.S. § 2, prior code § 7-083)~~

8.28.050 Construction and demolition debris collection.

A. The authority to collect solid waste (including the collection of construction and demolition debris addressed in this chapter) is regulated by the City as prescribed in the provisions Sections 8.04.240 through 8.04.300. In general, only an industrial waste collector or a commercial recyclable material collector that has obtained a permit from the City may collect and transport construction and demolition debris from a project site to a disposal or processing facility.

B. A construction contractor or subcontractor or landscape contractor may self-haul and recycle or dispose of debris from a construction or demolition or landscaping site at which the contractor is performing work, provided that the contractor utilizes its own personnel and equipment and transports debris while performing its own work. Any debris collected on site through general clean-up operations, whether periodically or at the completion of a project, may not be transported and disposed by a third party, unless that third party has secured a necessary solid waste hauling permit from the City (and is therefore registered as an industrial waste collector or a commercial recyclable material collector). The City will provide a list of all industrial waste collectors and commercial recyclable material collectors authorized to collect construction and demolition debris from project sites within the City when it issues the C&D permit packet for the project. ~~(Ord. 010-08 C.S. § 2, prior code § 7-084)~~

8.28.060 Construction and demolition recycling requirements.

A. All permit applicants of covered projects or non-covered projects shall identify the types of materials expected to be generated as a result of the construction, demolition or renovation project at the time of the permit application. Permit applicants for covered project are required to meet the waste diversion requirement ~~of at least 50 percent of~~established by this chapter for materials generated as discards by the project, regardless of whether the permit applicant performs the work or hires contractors, subcontractors or others to perform the work.

B. Within 14 days following the completion of the construction, demolition or renovation project, the permit applicant shall submit recycling/reuse and disposal documentation to the Review Official. Documentation shall consist of a final completed "construction and demolition debris recycling report" showing tons recycled/reused and disposed by material type, supported by copies of weight tickets, receipts or other records of measurement from recycling companies, deconstruction contractors and/or landfill disposal companies. The City will provide a list of recycling companies in the Stockton area that receive and recycle various types of materials generated from construction and demolition projects when it issues the C&D permit packet for the project. ~~(Ord. 010-08 C.S. § 2, prior code § 7-085)~~

8.28.070 City remedies for noncompliance.

The City reserves the right to initiate any or all of the following actions in the event a permit applicant of a covered project fails to meet the waste diversion requirement or fails to submit a completed construction/demolition recycling plan and report and the associated documentation that is required of this chapter:

A. Issue a stop work order on the construction and/or other permits pertinent to the covered project until the project applicant has submitted all required forms and documentation; and/or

B. ~~Issue a fine of $200.00 for the first incident of noncompliance with this chapter, and an additional fine of $500.00 for the second and every subsequent incident of noncompliance. (Ord. 010-08 C.S. § 2, prior code § 7-086)~~ Issue penalties and conduct enforcement action in accordance with Section 8.04.360 for violations of activities regulated under Chapter 8.04 or 14 CCR Section 18989.1.

8.28.080 Appeal.

Any person dissatisfied with any action taken or any decision made by the Review Official assigned by the Public Works Director with regard to the provisions of this chapter may appeal pursuant to the provisions of Chapter 1.44 of this code. ~~(Ord. 010-08 C.S. § 2, prior code § 7-087)~~

SECTION III. SEVERABILITY

If any section of this ordinance or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of the act which can be given without the invalid provisions or application, and to this end the provisions of this act are severable.

SECTION IV.EFFECTIVE DATE

The Ordinance shall take effect and be in full force thirty (30) days after its passage.

ELIZA R. GARZA, CMC
City Clerk of the City of Stockton

ORDINANCE NO.

AN ORDINANCE AMENDING TITLE 8, CHAPTERS 8.04 AND 8.28 OF THE STOCKTON MUNICIPAL CODE RELATING TO THE COLLECTION OF ORGANIC MATERIALS

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF STOCKTON, AS FOLLOWS:

SECTION I. AMENDMENT OF CODE

Title 8, Chapter 8.04 of the Stockton Municipal Code is amended and shall read as follows:

Chapter 8.04 COLLECTION OF SOLID WASTE, RECYCLABLE MATERIALS, AND ORGANIC MATERIALS

8.04.010 Definitions.

The following words, terms, and phrases when used herein shall have the meaning ascribed to them in this section except where the context clearly indicates a different meaning.

"AB 939" means the California Integrated Waste Management Act of 1989 (Division 30, California Public Resources Code), as amended, supplemented, superseded, and replaced from time to time.

"Back-haul" means generating and transporting recyclable materials or organic waste to a destination owned and operated by the generator or responsible party using the generator's or responsible party's own employees and equipment, or as otherwise defined in 14 CCR Section 18982(a)(66)(A).

"Bin" means a container with capacity of approximately one (1) to eight (8) cubic yards, with a hinged lid, and with wheels (where appropriate), that is serviced by a front end-loading collection vehicle.

"Building" means all other buildings and structures not defined as dwellings.

"CalRecycle" means California's Department of Resources Recycling and Recovery.

"California Code of Regulations" or "CCR" means the State of California Code of Regulations. CCR references in this chapter are preceded with a number that refers to the relevant Title of the CCR (e.g., "14 CCR" refers to Title 14 of CCR).

"City" means the City of Stockton.

“City Manager” means the City Manager of the City of Stockton.

“Collection” means the act of collecting recyclable materials, organic materials, solid waste, bulky items, and other material at the place of generation in City.

“Collector” means persons, firms, or corporations authorized by the City Council by franchise, contract, or permit to collect, transport, and process or dispose of discarded materials on an on-call and/or regularly scheduled basis.

“Commercial” shall mean of, from, or pertaining to non-residential premises where business activity is conducted including, but not limited to, retail sales, services, wholesale operations, manufacturing, and industrial operations; but excluding businesses conducted upon residential property that are permitted under applicable zoning regulations and are not the primary use of the property.

“Commercial edible food generator” includes a tier one or a tier two commercial edible food generator as defined in this chapter or as otherwise defined in 14 CCR Section 18982(a)(73) and (a)(74). For the purposes of this definition, food recovery organizations and food recovery services are not commercial edible food generators pursuant to 14 CCR Section 18982(a)(7).

“Compliance review” means a review of records by the City or its designee to determine compliance with this chapter.

“Community composting” means any activity that composts green material, agricultural material, food material, and vegetative food material, alone or in combination, for which the total amount of feedstock and compost on-site at any one time does not exceed 100 cubic yards and 750 square feet, as specified in 14 CCR Section 17855(a)(4); or, as otherwise defined by 14 CCR Section 18982(a)(8).

“Composting or compost (or any variation thereof)” includes a controlled biological decomposition of organic materials yielding a safe and nuisance free compost product.

“Construction and demolition debris or C&D” includes discarded building materials, packaging, debris, and rubble resulting from construction, alteration, remodeling, repair, or demolition operations on any pavements, excavation projects, houses, commercial buildings, or other structures; but excludes excluded waste. Construction and demolition debris includes rocks, soils, tree remains, and other yard trimmings that result from land clearing or land development operations in preparation for construction.

“Contamination” means the following: (i) discarded materials placed in a recyclable materials container that are not identified as recyclable materials; (ii) discarded materials placed in an organic materials container that are not identified as organic materials; (iii) discarded materials placed in a solid waste container that are

identified as recyclable materials and/or organic materials, which are to be separately collected; and/or (iv) excluded waste placed in any container.

“Designee” means an entity that the City contracts with or otherwise arranges to carry out any of the City’s responsibilities of this chapter as authorized in 14 CCR Section 18981.2 or other applicable law. A designee may be a government entity, a collector, a private entity, or a combination of those entities.

“Director” or “Public Works Director” means the Public Works Director of the City of Stockton, acting either directly or through authorized agents or designees.

“Discarded materials” means recyclable materials, organic materials, and solid waste placed by a generator in a receptacle and/or at a location for the purposes of collection by a collector, excluding excluded waste.

“Disposal facility” means a landfill, or other facility, for ultimate disposal of solid waste.

“Dwelling” means an occupied residence, flat, apartment, or other facility used for housing one or more persons in the City.

“Dwelling unit” means any individual living unit in a single-family or multi-family structure or building, mobile home, or motor home located on a permanent site intended for, or capable of being utilized for, residential living other than a hotel or motel.

“Edible food” means food that is unsold or unserved and meets all quality and labeling standards imposed by federal, state, and local laws and regulations even though the food may not be readily marketable due to appearance, age, freshness, grade, size, surplus, or other conditions, or as otherwise defined in 14 CCR Section 18982(a)(18). Edible food is not discarded materials if it is recovered and not discarded.

“Enforcement action" means an action of the City to address non-compliance with this chapter including, but not limited to, issuing administrative citations, fines, penalties, or using other remedies.

“Excluded Waste” means hazardous substance, hazardous waste, infectious waste, designated waste, volatile, corrosive, biomedical, infectious, biohazardous, and toxic substances or material, waste that the collector reasonably believes would, as a result of or upon disposal, be a violation of local, state or federal law, regulation or ordinance, including land use restrictions or conditions, waste that cannot be disposed of in class iii landfills, waste that in the collector’s reasonable opinion would present a significant risk to human health or the environment, cause a nuisance or otherwise create or expose the collector or City to potential liability; but not including de minimis volumes or concentrations of waste of a type and amount normally found in residential solid waste after implementation of programs for the safe collection, recycling,

treatment, and disposal of batteries and paint in compliance with Sections 41500 and 41802 of the California Public Resources Code.

“Food distributor” means a company that distributes food to entities including, but not limited to, supermarkets and grocery stores, or as otherwise defined in 14 CCR Section 18982(a)(22).

“Food facility” has the same meaning as in Section 113789 of the Health and Safety Code.

“Food recovery” means actions to collect and distribute food for human consumption that otherwise would be disposed, or as otherwise defined in 14 CCR Section 18982(a)(24).

“Food recovery organization” means an entity that engages in the collection or receipt of edible food from commercial edible food generators and distributes that edible food to the public for food recovery either directly or through other entities or as otherwise defined in 14 CCR Section 18982(a)(25), including, but not limited to:

1. A food bank as defined in Section 113783 of the Health and Safety Code;

2. A nonprofit charitable organization as defined in Section 113841 of the Health and Safety code; and,

3. A nonprofit charitable temporary food facility as defined in Section 113842 of the Health and Safety Code.

A food recovery organization is not a commercial edible food generator for the purposes of this chapter and implementation of 14 CCR, Division 7, Chapter 12 pursuant to 14 CCR Section 18982(a)(7).

If the definition in 14 CCR Section 18982(a)(25) for food recovery organization differs from this definition, the definition in 14 CCR Section 18982(a)(25) shall apply to this chapter.

“Food recovery service” means a person or entity that collects and transports edible food from a commercial edible food generator to a food recovery organization or other entities for food recovery, or as otherwise defined in 14 CCR Section 18982(a)(26). A food recovery service is not a commercial edible food generator for the purposes of this chapter and implementation of 14 CCR, Division 7, Chapter 12 pursuant to 14 CCR Section 18982(a)(7).

“Food Scraps" means those discarded materials that will decompose and/or putrefy including: (i) all kitchen and table food waste; (ii) animal or vegetable waste that is generated during or results from the storage, preparation, cooking, or handling of food stuffs; (iii) discarded paper (including paper containers and cartons) that is

contaminated with food scraps and compostables; (iv) fruit waste, grain waste, dairy waste, meat, and fish waste; and, (v) vegetable trimmings, houseplant trimmings, and other compostable organic waste common to the occupancy of residential dwellings. Food scraps are a subset of organic materials.

"Generator" means any person whose act or process produces discarded materials as defined in the Public Resources Code, or whose act first causes discarded materials to become subject to regulation.

"Grocery store" means a store primarily engaged in the retail sale of canned food, dry goods, fresh fruits and vegetables, fresh meats, fish, and poultry; and any area that is not separately owned within the store where the food is prepared and served, including a bakery, deli, and meat and seafood departments, or as otherwise defined in 14 CCR Section 18982(a)(30).

"Hauler route" means the designated itinerary or sequence of stops for each segment of the City's collection service area, or as otherwise defined in 14 CCR Section 18982(a)(31.5).

"Industrial wastes" means and includes all types of solid wastes and semisolid wastes that result from manufacturing facilities, factories, food processors, refineries, and publicly-operated treatment works.

"Industrial waste collector" means a person authorized by the City by permit to collect industrial waste within the City.

"Inspection" means a site visit or other activities where a City reviews records, containers, and/or an entity's collection, handling, recycling, or landfill disposal of recyclable materials, organic waste, solid waste/mixed waste, or edible food handling to determine if the entity is complying with requirements set forth in this chapter, or as otherwise defined in 14 CCR Section 18982(a)(35).

"Landfill" means a disposal site employing a method of disposing of solid wastes on land without creating nuisances or hazards to public health or safety, by utilizing principles of engineering to confine the wastes to the smallest practical area, with a layer of suitable cover material at specific designated intervals.

"Large event" means an event including, but not limited to, a sporting event or a flea market that charges an admission price, or is operated by a local agency, and serves an average of more than two thousand (2,000) individuals per day of operation of the event, at a location that includes, but is not limited to, a public, nonprofit, or privately-owned park, parking lot, golf course, street system, or other open space when being used for an event. If the definition in 14 CCR Section 18982(a)(38) differs from this definition, the definition in 14 CCR Section 18982(a)(38) shall apply to this chapter.

"Large venue" means a permanent venue facility that annually seats or serves an average of more than 2,000 individuals within the grounds of the facility per day of operation of the venue facility. For purposes of this chapter and implementation of 14 CCR, Division 7, Chapter 12, a venue facility includes, but is not limited to, a public, nonprofit, or privately-owned or operated stadium, amphitheater, arena, hall, amusement park, conference or civic center, zoo, aquarium, airport, racetrack, horse track, performing arts center, fairground, museum, theater, or other public attraction facility. For purposes of this chapter and implementation of 14 CCR, Division 7, Chapter 12, a site under common ownership or control that includes more than one (1) large venue that is contiguous with other large venues in the site, is a single large venue. If the definition in 14 CCR Section 18982(a)(39) differs from this definition, the definition in 14 CCR Section 18982(a)(39) shall apply to this chapter.

"Local education agency" means a school district, charter school, or county office of education that is not subject to the control of City or county regulations related to solid waste, or as otherwise defined in 14 CCR Section 18982(a)(40).

"Multi-family" means any residential premises, other than a single-family premises, with four (4) or more dwelling units used for residential purposes (regardless of whether residence therein is temporary or permanent), including such premises when combined in the same building with commercial establishments, that receive centralized, shared, collection service for all units on the premises that are billed to one (1) Customer at one (1) address. Customers residing in townhouses, mobile homes, condominiums, or other structures with four (4) or more dwelling units who receive individual service and are billed separately shall not be considered multi-family, unless otherwise required by applicable law.

"Occupant" means the person who occupies a premises.

"Organic materials" means yard trimmings and food scraps, individually or collectively. No discarded material shall be considered to be organic materials, however, unless it is separated from recyclable materials and solid waste.

"Organic materials container" shall be used for the purpose of storage and collection of source separated organic materials.

"Organic waste" means solid wastes containing material originated from living organisms and their metabolic waste products including, but not limited to, food, green material, landscape and pruning waste, organic textiles and carpets, lumber, wood, paper products, printing and writing paper, manure, biosolids, digestate, and sludges or as otherwise defined in 14 CCR Section 18982(a)(46). Biosolids and digestate are as defined by 14 CCR Section 18982(a).

"Owner," when used with reference to a dwelling, means and shall conclusively be deemed to be the person(s) holding legal title to real property and/or any

improvements thereon, and shall include the person(s) listed on the latest equalized assessment roll of the county assessor.

"Permittee" means a person authorized by the City by permit to collect industrial wastes, commercial recyclable materials, or construction and demolition debris.

"Person" means any individual, firm, association, partnership, corporation, trust, joint venture, or other legal entity.

"Premises" means and includes a tract or parcel of land with or without habitable buildings or appurtenant structures.

"Putrescible wastes" means and includes wastes that are capable of being decomposed by micro-organisms with sufficient rapidity as to cause nuisances because of odors, gases, or other offensive conditions, and include materials such as food wastes, offal, and dead animals. "Recovery" means any activity or process described in 14 CCR Section 18983.1(b), or as otherwise defined in 14 CCR Section 18982(a)(49).

"Recyclable materials" or "recyclables" means discarded materials that: the generators set out in recyclable containers for collection for the purpose of recycling by the collector and that exclude excluded waste. No discarded materials shall be considered recyclable materials unless such material is separated from organic materials and solid waste.

"Recyclable materials container" shall be used for the purpose of storage and collection of source separated recyclable materials.

"Recycle, recycled, recycling" means the process of collection, sorting, cleansing, treating, and reconstituting recyclable materials that would otherwise be disposed of, and returning them to the economy in the form of raw materials for new, reused, repaired, refabricated, remanufactured, or reconstituted products.

"Removal" means the act of taking solid wastes from the place of waste generation either by an approved collection agent or by a person in control of the premises.

"Remote monitoring" means the use of the internet of things (IOT) and/or wireless electronic devices to visualize the contents of recyclable materials containers, organic materials containers, and solid waste containers for purposes of identifying the quantity of materials in containers (level of fill) and/or presence of contamination.

"Residential" means of, from, or pertaining to a single-family premises, including single-family homes, duplexes, triplexes, townhouse complexes, and mobile home parks.

“Responsible party” means the owner, property manager, tenant, lessee, occupant, or other designee that subscribes to and pays for recyclable materials, organic materials, and/or solid waste collection services for a premise in the City, or, if there is no such subscriber, the owner or property manager of a single-family premise, multi-family premise, or commercial premise. In instances of dispute or uncertainty regarding who is the responsible party for a premises, responsible party shall mean the owner of a single-family premise, multi-family premise, or commercial premise.

“Restaurant” means an establishment primarily engaged in the retail sale of food and drinks for on-premises or immediate consumption, or as otherwise defined in 14 CCR Section 18982(a)(64).

“Route review” means a visual inspection of containers along a hauler route for the purpose of determining container contamination, in a manner approved by the Director or their designee, or as otherwise defined in 14 CCR Section 18982(a)(65).

“SB 1383” means the Short-Lived Climate Pollutants Act of 2016 (an act to add Sections 39730.5, 39730.6, 39730.7, and 39730.8 to the Health and Safety Code, and to add Chapter 13.1 [commencing with Section 42652] to Part 3 of Division 30 of the Public Resources Code, relating to methane emissions), also commonly referred to as "SB 1383," as amended, supplemented, superseded, and replaced from time to time.

“SB 1383 Regulations” or “SB 1383 Regulatory” means or refers to, for the purposes of this chapter, the Short-Lived Climate Pollutants: Organic Waste Reduction regulations developed by CalRecycle and adopted in 2020 that created 14 CCR, Division 7, Chapter 12 and amended portions of regulations of 14 CCR and 27 CCR.

“Self-haul” means to act as a self-hauler.

“Self-hauler” means a person who hauls solid waste, organic waste, or recyclable material they have generated to another person, subject to City approval in accordance with this chapter. Self-hauler also includes a landscaper or a person who back-hauls waste.

“Single-family” means any detached or attached house or residence designed or used for occupancy by one (1) family, with three (3) or fewer distinct living units, provided that collection service feasibly can be provided to such premises as an independent unit, and the owner or occupant of such independent unit is billed directly for the collection service. Single-family includes townhouses, and each independent unit of duplex or tri-plex residential structures, regardless of whether each unit is separately billed for their specific service level.

“Solid waste” means solid waste as defined in California Public Resources Code, Division 30, Part 1, Chapter 2, §40191 and regulations promulgated hereunder. Excluded from the definition of solid waste are excluded waste, C&D, source separated recyclable materials, source separated organic materials, and radioactive waste.

Notwithstanding any provision to the contrary, solid waste may include de minimis volumes or concentrations of waste of a type and amount normally found in residential solid waste after implementation of programs for the safe collection, recycling, treatment, and disposal of household hazardous waste in compliance with Section 41500 and 41802 of the California Public Resources Code as may be amended from time to time. Solid waste includes salvageable materials only when such materials are included for collection in a solid waste container not source separated from solid waste at the site of generation.

"Solid waste container" shall be used for the purpose of storage and collection of solid waste.

"Source separated" means the segregation, by the generator, of materials designated for separate collection for some form of recycling, composting, recovery, or reuse.

"State" means the State of California.

"Supermarket" means a full-line, self-service retail store with gross annual sales of two million dollars ($2,000,000) or more, and that sells a line of dry grocery, canned goods, or nonfood items and some perishable items, or as otherwise defined in 14 CCR Section 18982(a)(71).

"Tenant" means a person who is legally in control of, but is not necessarily the legal owner of, a building, a part of a building, a dwelling unit, or any type of premises. Tenant is synonymous with occupant or lessee.

"Tier one commercial edible food generator" means a commercial edible food generator that is one (1) of the following:

1. Supermarket.
2. Grocery store with a total facility size equal to or greater than ten thousand (10,000) square feet.
3. Food service provider.
4. Food distributor.
5. Wholesale food vendor.

If the definition in 14 CCR Section 18982(a)(73) of tier one commercial edible food generator differs from this definition, the definition in 14 CCR Section 18982(a)(73) shall apply to this chapter.

"Tier two commercial edible food generator" means a commercial edible food generator that is one (1) of the following:

1. Restaurant with two hundred fifty (250) or more seats, or a total facility size equal to or greater than five thousand (5,000) square feet.
2. Hotel with an on-site food facility and two hundred (200) or more rooms.
3. Health facility with an on-site food facility and one hundred (100) or more beds.

4. Large venue.
5. Large event.
6. A state agency with a cafeteria with two hundred fifty (250) or more seats or total cafeteria facility size equal to or greater than five thousand (5,000) square feet.
7. A local education agency facility with an on-site food facility.
8. If the definition in 14 CCR Section 18982(a)(74) of tier two commercial edible food generator differs from this definition, the definition in 14 CCR Section 18982(a)(74) shall apply to this chapter.

"Wholesale food vendor" means a business or establishment engaged in the merchant wholesale distribution of food, where food (including fruits and vegetables) is received, shipped, stored, prepared for distribution to a retailer, warehouse, distributor, or other destination, or as otherwise defined in 14 CCR Section 189852(a)(76).

"Yard trimmings" means those discarded materials that will decompose and/or putrefy including, but not limited to, green trimmings, grass, weeds, leaves, prunings, branches, dead plants, brush, tree trimmings, dead trees, small pieces of unpainted and untreated wood, and other types of organic materials resulting from normal yard and landscaping maintenance that may be specified by the City or applicable law for collection and processing as organic materials, in accordance with this chapter. Yard trimmings does not include items herein defined as excluded waste. Yard trimmings are a subset of organic materials.

"Vacant lot" means any parcel of real property that is not improved with a community garden, as defined by Section 16.240.020, or a completed permitted structure.

8.04.020 Mandatory discarded materials service required.

It shall be mandatory for the record owner of any property in the City in and from which solid waste is created, accumulated, or produced, unless requirements are otherwise waived or exempted subject to Section 8.04.190, to:

A. Subscribe to and pay for City's three- (3) container collection services for at least weekly collection of recyclable materials, organic materials, and solid waste;

B. Place and/or direct its generators to place at a location accessible to the collector or permittee, an adequate container or containers provided by the collector or permittee for deposit of discarded materials of such a number, type, or capacity as the Director may prescribe;

C. Place, and/or direct its generators to place, source separated organic materials in the organic materials container; source separated recyclable materials in the recyclable materials container; and solid waste in the solid waste container;

D. Not place and/or direct its generators to not place contamination in collection containers and not place materials designated for the organic materials containers or recyclable materials containers in the solid waste containers;

E. Nothing in this section prohibits a responsible party or generator of a premise from preventing or reducing discarded materials generation, managing organic waste on site, and/or using a community composting site pursuant to 14 CCR Section 18984.9(c).

8.04.030 Failure to initiate service or to provide sufficient discarded materials containers.

A. When an owner or occupant fails to initiate adequate discarded materials collection service within ten (10) days of occupancy of a dwelling by any person, the Public Works Director will give the owner or occupant notification that such service is required. If the owner or occupant does not arrange with the collector for service within ten (10) days from the date of mailing of the notice, then the collector shall initiate and continue discarded materials collection service for said dwelling.

B. When, in the opinion of the Director, additional discarded materials containers, more frequent services, or other service modifications are required, they shall be provided for by the owner or occupant upon written notification from the Director.

8.04.035 Requirements for multi-family.

A. Responsible parties of multi-family premises shall provide or arrange for recyclable materials, organic materials, and solid waste collection services consistent with this chapter for employees, contractors, and tenants.

B. Responsible parties of multi-family premises shall:

1. Supply and allow access to adequate number, size, and location of collection containers with sufficient labels or colors for employees, contractors, tenants, and customers consistent with City's recyclable materials container, organic materials container, and solid waste container collection service and, if self-hauling, consistent with the multi-family premise's approach to complying with self-hauler requirements in Section 8.04.255.

2. Annually provide information to employees, contractors, tenants, and customers about recyclable materials and organic waste recovery requirements and about proper sorting of recyclable materials, organic materials, and solid waste.

3. Provide education information before or within fourteen (14) days of occupation of the premises to new tenants that describes requirements to source separate recyclable materials and organic materials, the location of containers, and the rules governing their use at each property.

4. Provide or arrange access for City or its designee to their properties during all inspections conducted in accordance with this chapter to confirm compliance with the requirements of this chapter.

C. If the responsible party of a multi-family premise wants to self-haul, meet the self-hauler requirements in Section 8.04.255.

D. Multi-family premises with at least five (5) dwelling units that generate two (2) cubic yards or more of total solid waste, recyclable materials, and organic materials per week (or other threshold defined by the state) that arrange for gardening or landscaping services, shall require that the contract or work agreement between the owner, occupant, or operator of a multi-family premises and a gardening or landscaping service specifies that the designated organic materials generated by those services be managed in compliance with this chapter.

E. Nothing in this section prohibits a responsible party or generator of a multi-family premise from preventing or reducing discarded materials generation, managing organic waste on site, or using a community composting site pursuant to 14 CCR Section 18984.9(c).

8.04.036 Requirements for commercial.

A. Responsible parties of commercial businesses shall provide or arrange for recyclable materials, organic materials, and solid waste collection services consistent with this chapter for employees, contractors, tenants, and customers.

B. Responsible parties of commercial premises shall:

1. Supply and allow access to adequate number, size, and location of collection containers with sufficient labels or colors (conforming with Section 8.04.036.B.2 below) for employees, contractors, tenants, and customers, consistent with City's recyclable materials container, organic materials container, and solid waste container collection service and, if self-hauling, consistent with the commercial premise's approach to complying with self-hauler requirements in Section 8.04.255.

2. Provide containers for the collection of source separated recyclable materials and source separated organic materials in all indoor and outdoor areas where solid waste containers are provided for customers, for materials generated by that commercial business. Such containers shall be visible and easily accessible. Such containers do not need to be provided in restrooms. If a commercial business does not generate any of the

materials that would be collected in one (1) type of container, then the responsible party of the commercial business does not have to provide that particular container in all areas where solid waste containers are provided for customers. Pursuant to 14 CCR Section 18984.9(b), the containers provided by the responsible party of the commercial business shall have either:

a. A body and/or lid that is blue for recyclable materials, green for organic materials, and grey for solid waste conforms with the container colors provided through the collection service provided by City, or

b. Container labels that include language or graphic images, or both, indicating the primary material accepted and the primary materials prohibited in that container, or containers with imprinted text or graphic images that indicate the primary materials accepted and primary materials prohibited in the container.

3. To the extent practical through education, training, inspection, and/or other measures, prohibit employees from placing materials in a container not designated for those materials per the City's recyclable materials container, organic materials container, and solid waste container collection service and, if self-hauling, per the instructions of the commercial business' responsible party to support its compliance with self-hauler requirements provided in Section 8.04.255 of this chapter.

4. Periodically inspect recyclable materials containers, organic materials containers, and solid waste containers for contamination and inform employees if containers are contaminated and of the requirements to keep contaminants out of those containers pursuant to 14 CCR Section 18984.9(b)(3).

5. Annually, provide information to employees, contractors, tenants, and customers about recyclable materials and organic waste recovery requirements and about proper sorting of recyclable materials, organic materials, and solid waste.

6. Provide education information before or within fourteen (14) days of occupation of the premises to new tenants that describes: requirements to source separate recyclable materials and organic materials and keep source separated organic materials and source separated recyclable materials separate from each other and from other solid waste; the location of containers; and, the rules governing containers' use at each property.

7. Provide or arrange access for City or its designee to their properties during all inspections conducted in accordance with this chapter to confirm compliance with the requirements of this chapter.

E. If the responsible party of a commercial business wants to self-haul, meet the self-hauler requirements in Section 8.04.255 of this chapter.

F. Nothing in this section prohibits a responsible party or a generator of a commercial business from preventing or reducing discarded materials generation, managing organic waste on site, or using a community composting site pursuant to 14 CCR Section 18984.9(c).

G. Responsible parties of commercial businesses that are tier one or tier two commercial edible food generators shall comply with food recovery requirements, pursuant to Section 8.04.195.

8.04.040 Duty to keep right-of-way free from discarded materials.

Every person in possession, charge, or control of, and using, any place or premises in the City fronting on a street, alley, or other public right-of-way shall maintain the portion of the street, alley, or other public right-of-way adjacent to the place or premises in a condition free from discarded materials and waste matter. For the purposes of this section, the portion of a street, alley, or other public right-of-way adjacent to a place or premises includes any walkway, trail, sidewalk, parkway, curb and gutter, and the travel lane portion of the roadway on the side of the street or alley adjoining the property. The City may provide street sweeping services and collect a fee therefor as a part of the solid waste charge in partial satisfaction of this section.

8.04.050 Containers generally.

A. All discarded materials containers shall be kept clean and sanitary and portable by the owner or other person responsible for providing the container under the provisions of this section.

B. If the collector is permitted or required to provide containers as a provision of its franchise, contract, or permit, all containers shall comply with the requirements established pursuant to the provisions of the franchise, contract, or permit, or as otherwise specified by applicable law.

C. Loading of containers shall be subject to the weight limitations established by the Public Works Director.

D. Separate containers for various types of recyclable materials and organic materials shall be provided according to written directives issued by the Public Works Director.

8.04.060 Placement for collection.

On collection days, all containers and parcels of discarded materials shall be placed adjacent to the roadway in a manner that does not block any travel way, parking area, or gutter. Loaded containers ready for collection shall not be set out before 6:00 p.m. on the day prior to the regular collection day. Containers shall be returned to a proper storage location on private property and not visible from the public right-of-way not later than 11:00 p.m. on the day of collection. The City Council may, by resolution, from time to time, prescribe days and hours for the collection of solid waste and recyclable material from property within certain areas of the City. Within such areas, all solid waste and recyclable material shall be made available for collection at the designated day and time.

8.04.070 Placement of waste in containers—Separation of recyclable materials and organic materials.

A. Waste consisting of flammable liquids, anti-freeze, insecticides, poisons, caustics, acids, explosives, liquid paint, or other household hazardous waste material, shall not be placed for collection service, but rather shall be disposed of at designated hazardous waste facilities, or as otherwise required by law.

B. Used motor oil and used oil filters may be placed in appropriate containers for collection as designated by the Public Works Director.

C. Medical waste shall not be placed for collection through solid waste services, but rather shall be disposed of as otherwise required by law.

D. Recyclable materials and organic materials shall be separated from other solid waste for collection. However, the collector shall not refuse to collect solid waste from containers properly placed according to this article because it contains incidental amounts of recyclable materials or organic materials.

E. Large household or bulky items shall not be placed for collection through the collection services containers, but rather shall be placed in accordance with any administrative or operational requirements established by the Director or their designee and applicable law, and in accordance with the current franchise agreement as applicable.

8.04.080 Placement of bins.

A. Bins shall be placed in an accessible, outside location, on a hard surface. Bins shall be kept in enclosures meeting standards approved by the Public Works Director. The Public Works Director may waive the requirement for enclosure of a bin on the premise or may establish a time schedule for implementation of the enclosure requirement upon application by the person responsible for the premise and a finding of

good cause. Any such waiver shall be in writing and maintained in the records of the Public Works Department. Locked or inaccessible bins will be serviced only by special arrangement with the collector.

B. It is unlawful to place a bin in any public street, alley, or right-of-way without the express written permission of the Public Works Director upon such terms and conditions as Public Works Director deems appropriate in the public interest.

8.04.090 Summary abatement of improper containers.

Any container that does not conform with the provisions of this chapter may be summarily abated as a public nuisance by the City. Such summary abatement shall occur only after written or electronic notice of the non-complying nature of the container has been provided and the container has thereafter been used a second time for disposal of solid waste.

8.04.100 CALGreen requirements.

Regulated entities shall at all times comply with the requirements of the California Green Building Standards Code (24 CCR, Part 11), including, but not limited to, the following provisions related to discarded materials:

1. Section 4.410.2 (Recycling by Occupants Residential) and Section 5.410.1 30 (Recycling by Occupants Non-residential) regarding provision of readily accessible areas for storage and collection of recyclable materials and organic materials; and,

2. For organic waste commingled with construction and demolition debris, 24 CCR Section 4.408.1 (Construction Waste Management Residential) and 24 CCR Section 5.408.1 (Construction Waste Management non-residential).

8.04.110 Scavenging prohibited.

A. It is unlawful for any person to scavenge, tamper with, move, remove, tip, deface, or destroy any discarded materials collection container or the contents thereof;

B. This section shall not apply to activities of the City, the collector, the owner or occupant of a premises, or a person authorized by the City to perform activities under this chapter.

8.04.120 Reserved.

8.04.130 Collector entitled to payment for services rendered.

A. Pursuant to the provisions of this chapter and the terms and conditions of any applicable franchise or permit, the collector shall be entitled to payment from the owner or occupant for services rendered. When the owner or occupant has been directed to initiate service and the collector attempts to collect discarded materials from the dwelling, then such attempts shall be deemed the rendering of collection service for which collector is entitled to compensation in the same manner and amount as if discarded materials had actually been collected.

B. For single-family discarded materials, multi-family discarded materials, commercial discarded materials, and industrial waste, collectors shall bill directly to the owner or occupant for collection services rendered. The collector may require that the record owner be the customer of record. Moreover, the collector or permittee may permit a tenant or authorized agent to receive bills pursuant to procedures prescribed by the City and provided that the property owner remains ultimately fully responsible and liable for payment. In all such events where the property owner is the customer of record or fully responsible and liable for payment, the collector or permittee may request that the City collect any delinquent or unpaid fees through a lien or special assessment under the procedures set forth in Section 8.04.160 or Government Code Section 38790.1 as it may be amended.

8.04.135 Unified bill.

A. A unified bill includes charges for water services provided by the City and all other service charges including sewer, discarded materials, and stormwater service charges.

B. A bill that does not contain charges for water services provided by the City is not a unified bill as used in this chapter.

C. Water services not provided by the City may be billed separately from other City service charges at the water service provider's sole discretion.

8.04.140 Billing and collection procedures for residential discarded materials collection.

A. All accounts for discarded materials collection services shall be established by and held in the name of the record owner of the property where the discarded materials services are to be provided.

B. At the time the application for discarded materials collection services is requested, and at the Chief Financial Officer's sole discretion, the applicant shall provide proof of ownership of the property to be served.

C. The record owner of a property receiving discarded materials collection services shall be fully responsible and liable for the payment of all discarded materials

collection service charges, any delinquent discarded materials collection service charges, and any penalties applicable to his or her property.

D. The Chief Financial Officer may, in the Chief Financial Officer's sole discretion, send the bill for discarded materials collection services to a tenant or any other person or entity designated by the record owner, provided the record owner or his or her authorized representative submits to the City a complete and signed request to bill the tenant or other designated person or entity on such form as may be specified by the Chief Financial Officer.

E. If, in accordance with subsection D of this section, a bill is sent to a person or entity other than the record owner, then the service account shall remain in the record owner's name and the record owner shall be fully responsible and liable for the payment of any discarded materials collection service charges, any delinquent discarded materials collection service charges, and penalties applicable to their property as if the bill had been sent to the record owner.

F. The method of billing for residential discarded materials collection services will be determined by the Chief Financial Officer with the concurrence of the City Manager. Notification of billing changes to any property where discarded materials services are provided shall be provided to the record owner, tenant, designated person, or entity authorized to receive a bill for discarded materials collection service charges pursuant to subsection D of this section.

G. Except as provided in subsection D, residential discarded materials collection service charges will be billed on a unified bill to the record owner if the water services are provided by the City at the service location. Residential properties that consist of two (2) or more separate dwelling units, and are served by a single water meter, shall be billed for discarded materials collection service for the total number of separate residential dwelling units served by such water meter on a unified bill.

H. If a property does not receive water services from the City, the discarded materials collection service charges may be billed separately or with other utility services provided by the City.

I. Notwithstanding anything to the contrary in this chapter or code, the City may permit the collector or permittee of the City to bill record owners for service provided by the collector or permittee pursuant to the procedures prescribed by the City. Moreover, the collector or permittee may permit a tenant or authorized agent to receive bills pursuant to procedures prescribed by the City and provided that the property owner remains ultimately fully responsible and liable for payment. In all such events, the collector or permittee may request that the City collect any delinquent or unpaid fees through a lien or special assessment as permitted in Section 8.04.160 or Government Code Section 38790.1 as it may be amended.

8.04.150 Charges payable to City or authorized agent for billing and collection for residential discarded materials collection.

All residential discarded materials charges shall be payable to the City or its authorized agent for billing and collection.

8.04.160 Delinquency, penalties and nonpayment for residential discarded materials collection.

A. An account is delinquent when payment of the bill for discarded materials collection service charges is not received in full at the office of the City or its authorized agent for billing and collection within twenty-five (25) days of the billing date. A postmark date is not considered the date of payment.

B. Where all or any part of any bill for a discarded materials collection services account remains unpaid twenty-five (25) days after the billing date, a basic penalty of ten (10) percent of the total delinquent amount will be added to such bill for the first month the account is delinquent. In addition, the City may impose a penalty in an amount not to exceed one (1) percent per month for nonpayment of any discarded materials service charges and any basic penalty.

C. Except as otherwise provided by law, if a unified bill remains unpaid more than sixty (60) days after the date of billing, City water service at the service location may be terminated.

1. City water service will not be restored until the amount of all delinquent discarded materials collection service charges, associated service charges, penalties, deposits, and reconnection charges have been paid in full.

2. Prior to termination of water service, the Chief Financial Officer, in the Chief Financial Officer's sole discretion, may authorize an amortization agreement pursuant to Section 779 or 10010 of the Public Utilities Code or other applicable statute or regulation.

D. The City shall include a statement in each bill for discarded materials collection service charges to each record owner in substantially the following form:

> "Discarded materials collection service charges and any penalties shall constitute a lien against the lot or parcel of land against which the charges and any penalties are imposed if the charges remain delinquent for sixty (60) or more days."

Pursuant to such notice, the discarded materials collection service charges and penalties may become a lien against the lot or parcel of land against which the charges were imposed if such charges remain delinquent for a period of sixty (60) or more days. The City shall cause to be recorded with the county recorder all such delinquent

discarded materials service charges and any penalties; and, when so recorded, such charges and penalties shall have the force, effect, and priority of a judgment lien and continue for ten (10) years from the time of recording ,unless sooner released or otherwise discharged.

8.04.170 Maintenance of records for residential discarded materials collection.

The Administrative Services Officer, or authorized agent for billing and collection, is responsible for maintaining adequate records of bills tendered, payments received, delinquencies recorded, cash deposited, and charges incurred. The records shall be maintained in accordance with the City's record retention policy.

8.04.180 Payment of fees and mandatory reporting of change in circumstance.

A. No discarded materials collection services will be furnished to any property or person free of charge.

B. The record owner of any property where discarded materials services are provided shall be responsible for the payment of any and all discarded materials collection service charges, any delinquent discarded materials collection service charges, and any penalties applicable to his or her property.

C. It shall be, and is hereby made, the duty of each record owner of any property where discarded materials services are provided to ascertain from the City Administrative Services Department, or its authorized agent for billing and collection, the amount and due date of any discarded materials collection service charges, any delinquent discarded materials collection service charges, and any penalties applicable to his or her property, and to pay such charges and penalties when due and payable.

D. The record owner of any property where discarded materials services are provided is obligated to inform the City Administrative Services Department, or its authorized agent for billing and collection, immediately of all circumstances and of any change(s) in any circumstance that will, in any way, affect the applicability of any discarded materials collection service charges or the amount of any such charges that may be imposed on his or her property for discarded materials services provided. In particular, but not by way of limitation, the record owner of any property where discarded materials services are provided by the City, or a collector or permittee of the City, shall immediately inform the City Administrative Services Department or its authorized agent for billing and collection of any sale or transfer of any such property.

8.04.190 Exemptions and waivers.

The Director or their designee may develop processes for, and grant exemptions or waivers to, individual responsible parties for compliance with specified service requirements of Chapter 8.04, consistent with applicable law and as provided below.

A. Vacancy of premise. The Director or their designee may provide a process for responsible parties to apply for, and to be granted, a temporary exemption from collection service at a vacant or unoccupied premise. The Director or their designee may limit the duration or frequency for which such exemptions may be granted to a responsible party and may provide for a vacancy credit against the responsible party's payment for service. Said exemption may be revoked at any time thereafter if, after investigation, the Director determines that circumstances have changed and that discarded material collection services are required.

B. Other waivers. The Director or their designee may develop a process for waiving individual responsible party obligations to comply with some or all recyclable materials and organic waste requirements of Chapter 8.04. Such waivers, if provided, shall be granted in accordance with processes prescribed and implemented by the Director or their designee. The Director or their designee shall periodically verify continued eligibility of the party granted such waiver. Any waiver process shall be consistent with 14 CCR Section 18984.11 and other applicable law.

8.04.195 Requirements for commercial edible food generators.

A. Tier one commercial edible food generators must comply with the requirements of this Section 8.04.195, tier two commercial edible food generators must comply with the requirements of this section commencing January 1, 2024, pursuant to 14 CCR Section 18991.3.

B. Large venue or large event operators not providing food services, but allowing for food to be provided by others, shall require food facilities operating at the large venue or large event to comply with the requirements of this section, commencing January 1, 2024.

C. Commercial edible food generators shall comply with the following requirements:

1. Arrange to recover the maximum amount of edible food that would otherwise be disposed.

2. Contract with or enter into a written agreement with food recovery organizations or food recovery services for: (i) the collection of edible food for food recovery; or, (ii) acceptance of the edible food that the commercial edible food generator delivers to the food recovery organization for food recovery.

3. Not intentionally spoil edible food that is capable of being recovered by a food recovery organization or a food recovery service.

4. Allow City's designated enforcement entity or designated third-party enforcement entity to access the premises to conduct inspections and review records pursuant to 14 CCR Section 18991.4 and this chapter.

5. Keep records that include the following information, or as otherwise specified in 14 CCR Section 18991.4:

a. A list of each food recovery service or organization that collects or receives the commercial edible food generator's edible food pursuant to a contract or written agreement established under 14 CCR Section 18991.3(b).

b. A copy of all contracts or written agreements established under 14 CCR Section 18991.3(b).

c. A record of the following information for each of those food recovery services or food recovery organizations:

i. The name, address, and contact information of the food recovery service or food recovery organization.

ii. The types of food that will be collected by or self-hauled to the food recovery service or food recovery organization.

iii. The established frequency that food will be collected or self-hauled.

iv. The quantity of food, measured in pounds recovered per month, collected or self-hauled to a food recovery service or food recovery organization for food recovery.

6. Maintain records required by this section for five (5) years.

7. The Director may, at their discretion, require commercial edible food generators to provide an annual food recovery report to the City, in a manner and timeline prescribed by the Director, that may include information such as:

a. The amount, in pounds, of edible food donated to a food recovery service or food recovery organization annually;

b. The amount, in pounds of edible food rejected by a food recovery service or food recovery organization annually; and,

c. Any additional information required by the Director or their designee.

D. Nothing in this chapter shall be construed to limit or conflict with the protections provided by the California Good Samaritan Food Donation Act of 2017, the Federal Good Samaritan Act, or share table and school food donation guidance pursuant to Senate Bill 557 of 2017 (approved by the Governor of the State of California on September 25, 2017, which added Article 13 [commencing with Section 49580] to

Chapter 9 of Part 27 of Division 4 of Title 2 of the Education Code, and to amend Section 114079 of the Health and Safety Code, relating to food safety, as amended, supplemented, superseded and replaced from time to time).

8.04.196 Requirements for food recovery organizations and food recovery services.

A. Food recovery services collecting or receiving edible food directly from commercial edible food generators, via a contract or written agreement established under 14 CCR Section 18991.3(b), shall maintain the following records, or as otherwise specified by 14 CCR Section 18991.5(a)(1):

1 The name, address, and contact information for each commercial edible food generator from which the food recovery service collects edible food.

2 The quantity in pounds of edible food collected from each commercial edible food generator per month.

3 The quantity in pounds of edible food transported to each food recovery organization per month.

4 The name, address, and contact information for each food recovery organization to which the food recovery service transports edible food for food recovery.

B. Food recovery organizations collecting or receiving edible food directly from commercial edible food generators, via a contract or written agreement established under 14 CCR Section 18991.3(b), shall maintain the following records, or as otherwise specified by 14 CCR Section 18991.5(a)(2):

1 The name, address, and contact information for each commercial edible food generator from which the organization receives edible food.

2 The quantity in pounds of edible food received from each commercial edible food generator per month.

3 The name, address, and contact information for each food recovery service that the organization receives edible food from for food recovery.

C. Food recovery organizations and food recovery services shall maintain records required by this section for five (5) years.

D. Food recovery organizations and food recovery services that have their primary address physically located in the City and contract with or have written agreements with one or more commercial edible food generators, pursuant to 14 CCR Section 18991.3(b), shall report to the City the total pounds of edible food recovered in the previous calendar year from the tier one and tier two commercial edible food

generators they have established a contract or written agreement with pursuant to 14 CCR Section 18991.3(b). The annual report shall be submitted to the City no later than the date prescribed by the Director or their designee.

E. In order to support edible food recovery capacity planning assessments or other studies conducted by the county, City or its designee, food recovery services and food recovery organizations operating in the City shall provide information and consultation to the City, upon request, regarding existing, proposed, new, or expanded food recovery capacity that could be accessed by the City and its commercial edible food generators. A food recovery service or food recovery organization contacted by the City shall respond to such request for information within sixty (60) days, unless a shorter timeframe is otherwise specified by the City.

8.04.200 Single-use foodware.

Entities regulated under Public Resources Code Part 3, Division 30, Chapter 5.2, relating to single-use plastic foodware and condiments, shall at all times comply with the applicable provisions of that chapter. Notwithstanding Section 8.04.360, the Director or their designee shall enforce such requirements commencing June 1, 2022, in accordance with the enforcement procedures and penalty amounts set forth in Public Resources Code Section 42272.

8.04.210 Deposit of discarded materials or waste matter other than in containers—Unlawful.

It is unlawful for any person in the City to throw or deposit any discarded materials or waste matter or to cause the same to be thrown or deposited upon any street, alley, gutter, park, or other public way or to throw or deposit the same in or upon any premises or vacant lot or in any water or waterway or upon the levees or banks adjacent thereto, or to store or keep the same except in containers as required herein.

8.04.220 Permitting discarded materials to accumulate in vicinity of receptacles—Prohibited—Penalty.

A. It is unlawful for any person to permit or allow discarded materials to accumulate in the vicinity of discarded materials receptacles or areas used for the storage of discarded materials receptacles. This section shall apply to both residential and commercial properties.

B. Any person, firm, or corporation violating this section shall be deemed guilty of a separate offense for each and every day or portion thereof during which a violation of this section is committed, continued, or permitted, and shall be subject to enforcement pursuant to Section 8.04.360.

8.04.230 Burying discarded materials, etc.—Prohibited.

It is unlawful for any person to bury discarded materials at any place within the City.

8.04.240 Collection of discarded materials, waste matter, industrial waste or swill, unless licensed—Unlawful.

It is unlawful for any person, firm, corporation, or association to collect discarded materials, waste matter, or industrial waste within the City or transport the same through the streets, alleys, and public ways of City unless such person, firm, corporation or association has been licensed to do so by the City by contract, permit, or otherwise.

8.04.250 Collectors and facility operators.

The City Council of the City shall, by contract or permit, authorize one (1) or more persons, firms, or corporations to collect, transport, and process or dispose of discarded materials and industrial waste within the City on a regularly-scheduled basis. With regard to residential, multi-family, and commercial discarded materials, the manner of collection and other regulations of said residential, multi-family, and commercial discarded materials collectors shall be set forth in the contract, which may include provision of recyclable materials, organic materials collection, street sweeping, seasonal leaf collection, and other related programs. With regard to industrial waste, the manner of collection and other regulations of said industrial waste collectors shall be set forth in a separate agreement or permit.

A. Requirements for collectors

1. Collector(s) providing recyclable materials, organic waste, and/or solid waste collection services to generators within the City's boundaries shall meet the following requirements and standards as a condition of approval of its franchise, contract, permit, or other authorization with the City to collect recyclable materials, organic materials, and/or solid waste:

a. Through annual written notice to the City on or before the date prescribed by the Director, identify the facilities to which they will transport discarded materials, including facilities for source separated recyclable materials, source separated organic materials, and solid waste unless otherwise stated in the franchise agreement, contract, permit, license, or other authorization with the City.

b. Transport source separated recyclable materials to a facility that recovers those materials; transport source separated organic materials to a facility, operation, activity, or property that recovers organic waste as defined in 14 CCR, Division 7, Chapter 12, Article 2; transport solid waste to a disposal facility or transfer facility or operation that processes or disposes of solid waste; and

transport manure to a facility that manages manure in conformance with 14 CCR Article 12 and such that the manure is not landfilled, used as alternative daily cover (ADC), or used as alternative intermediate cover (AIC).

c. Obtain approval from the City to haul organic waste, unless it is transporting source separated organic waste to a community composting site or lawfully transporting C&D in a manner that complies with 14 CCR Section 18989.1 and Chapter 8.28 of the Stockton municipal code.

2. Collectors authorized to collect recyclable materials, organic materials, and/or solid waste shall comply with education, equipment, signage, container labeling, container color, contamination monitoring, reporting, and other requirements contained within its franchise agreement, contract, permit, or other agreement entered into with City.

B. Requirements for Facility Operators and Community Composting Operations

1. Owners of facilities, operations, and activities located within the City's boundaries that recover organic waste including, but not limited to, compost facilities, in-vessel digestion facilities, and publicly-owned treatment works shall, upon City request, provide information regarding available and potential new or expanded capacity at their facilities, operations, and activities, including information about throughput and permitted capacity necessary for planning purposes. Entities contacted by the City shall respond within sixty (60) days.

2. Community composting operators with operations located in the City's boundaries, upon City request, shall provide information to the City to support organic waste capacity planning including, but not limited to, an estimate of the amount of organic waste anticipated to be handled at the community composting operation. Entities contacted by the City shall respond within sixty (60) days.

3. Owners of facilities, operations, and activities located in the City's boundaries that receive recyclable materials, organic materials, and/or solid waste shall provide to the City, on a quarterly basis, copies of all reports they are required to report to CalRecycle, including at minimum, those required by AB 901 and SB 1383.

8.04.255 Self-hauler requirements.

A. The Director may, at their sole discretion, establish processes to allow approved commercial generators to self-haul their discarded materials. Commercial generators interested in self-hauling materials shall comply with all administrative, operational, and regulatory requirements established by the Director or their designee, or as required by applicable law, as a condition of approval to self-haul. Self-haulers shall prepare and handle their discarded materials in a manner consistent with 14 CCR Section 18984.1, the City's collection program, and any other requirements established by the Director or their designee. Self-haulers shall

deliver their discarded materials only to facilities approved or designated by the Director.

C. Self-haulers that are responsible parties of commercial businesses shall keep records of the amount of recyclable materials, organic waste, and solid waste delivered to each City-approved or designated facility. These records shall be subject to inspection by the Director and/or their designee. The records shall include the following information:

1. Delivery receipts and weight tickets from the entity accepting the recyclable materials, organic materials, and solid waste.

2. The amount of material in cubic yards or tons transported by the generator or responsible party to each entity.

3. If the material is transported to an entity that does not have scales on-site or employs scales incapable of weighing the self-hauler's vehicle in a manner that allows it to determine the weight of materials received, the self-hauler is not required to record the weight of material but shall keep a record of the entities that received the recyclable materials, organic materials, and solid waste.

4. Other information prescribed by the Director or their designee as a condition of approval to self-haul.

D. Self-haulers shall retain all records and data required to be maintained by this section for no less than five (5) years after the recyclable materials, organic materials, and/or solid waste was first delivered to the facility accepting the material.

E. Self-haulers that are commercial businesses shall provide copies of records required by this section to City if requested by the Director or their designee and shall provide the records at the frequency requested by the Director.

F. Failure to comply with the provisions of this section may lead to revocation of approval to self-haul, at the Director's sole discretion, and enforcement procedures pursuant to Section 8.04.360.

8.04.260 Collection and disposal of solid waste—Charges and rates.

The charges or rates that persons, firms, or corporations authorized by contract to collect and dispose of residential discarded materials, multi-family discarded materials, and commercial discarded materials within the City may charge shall be established from time to time by resolution of the City Council of the City. The charges or rates for other solid waste collection services, including industrial waste collection and commercial recyclable material collection, shall be established by the collector.

8.04.270 Commercial recyclable material collectors—Permit required.

It is unlawful for any person, firm, or corporation to collect commercial recyclable materials and/or organic materials, at the Director's sole discretion, within the City without first having obtained a permit to do so from the Public Works Director and a business license therefor from the Administrative Services Officer. The fee for said permit and license shall be established from time to time by resolution of the City Council. Said permit or license shall expire on May 30 of each year and must be renewed annually on or before said date.

8.04.280 Commercial recyclable material collectors.

Persons, firms or corporations licensed as commercial recyclable material and/or organic material collectors are hereby authorized to collect recyclable materials and/or organic materials, as licensed, from commercial and industrial customers within the City, provided that the collector complies with SB 1383 regulations and other applicable law.

8.04.290 Industrial waste collectors—Permit required.

A. It is unlawful for any person, firm, or corporation to collect and dispose of industrial waste within the City as an industrial waste collector without first having received a permit. Said permit shall be issued upon majority vote of the City Council. The fee for the issuance of said permit shall be the sum of one hundred thousand dollars ($100,000.00), or another amount determined by City Council. Any such permit issued pursuant to this section shall not be transferable to another person, firm, or corporation, and in the case of corporations the permit shall become void whenever there may occur a transfer of the majority interest in said corporation. Said permit or license issued prior to May 30, 2019, shall expire on December 31, 2024. This constitutes the City's five (5) year notice that may or may not be required under Public Resources Code Section 49520. Permitted industrial waste collectors shall comply at all times with applicable law related to its operations including, but not limited to, SB 1383. Industrial waste collectors, upon request of City, shall provide documentation of compliance as a condition of permit approval.

8.04.300 Industrial waste collector—Permit fee and AB 939 fee.

A. In addition to the initial permit fee mentioned in Section 8.04.290, for the privilege to provide service pursuant to permit, the industrial waste collector shall pay to the City eighteen and one-half percent (18.5) percent of the gross revenue collected for performing industrial waste collection services. The industrial waste collector shall also pay to the City an AB 939 fee equal to five (5) percent of gross revenue collected for performing industrial waste collection services.

B. For the purpose of this section only, no such additional fee will be due and payable to City for revenues derived from the direct or indirect sale of reclaimed solid waste or its derivatives. However, this provision shall not be construed to exempt revenue from any element of the services to collect such industrial waste.

C. On or before the 15th day of each month, the industrial waste collector shall submit to the Administrative Services Officer a statement of gross revenues collected pursuant to the permit for the preceding month, with the appropriate remittance in full. Such statement shall separately show gross revenue from the sale of reclaimed discarded materials for the preceding month.

D. The industrial waste collector shall, from the sources of revenue available to the collector through the granting of the permit, pay all fees and charges due the City as provided for in this section. A five (5) percent penalty shall apply to a delinquent payment for the first month, and a one (1) percent penalty shall be added for each succeeding month thereafter until the delinquent balance is paid in full.

E. Permit holders of industrial waste collector permits issued prior to May 30, 2019, shall also pay to the City eighteen and one-half (18.5) percent of the gross revenue collected for performing industrial waste collection services and shall also pay an AB 939 fee equal to five (5) percent of gross revenue collected for performing industrial waste collection services.

8.04.310 Industrial waste collector—Diversion requirement.

A. For materials regulated under Chapter 8.28, the industrial waste collector shall divert from disposal the percentage specified in Chapter 8.28.

8.04.320 Industrial waste collector—Financial reports to City.

A. Every industrial waste collector who has obtained a permit to provide industrial waste collection services within the City shall at any time deemed necessary by the City Manager, make available to the City all accounting records that pertain to any portion of the industrial waste collector’s operations within the scope of the permit issued.

B. Annually, the industrial waste collector shall provide the City with one (1) electronic copy and three (3) printed copies of its annual audited financial statements prepared by an independent certified or public accountant. The statements shall be prepared by the independent auditor in conformance with accepted accounting principles. Such statements shall be provided to the City within one hundred twenty (120) days after the close of the collector’s fiscal year. The financial statements shall clearly indicate all gross revenues collected for industrial waste collection services within the City and confirm that the collector has paid to the City eighteen and one-half (18.5) percent of the gross revenue collected for performing industrial waste collection

services and an AB 939 fee of five (5) percent of gross revenue collected for performing industrial waste collection services. The City shall insist that the financial statements do not reflect any other business activities that are carried on by the collector in any other area or jurisdiction other than the City. The City reserves the right to request, and the industrial waste collector shall provide, any additional documentation, itemization, or detail as requested by City to verify any amounts reported in monthly revenue reports and annual financial statements.

8.04.330 Regulations—Commercial discarded materials collectors and industrial waste collectors.

Every vehicle used for the collection of commercial discarded materials, waste matter, or industrial waste shall have a metal-lined body and be covered or operated so as to prevent the contents from falling, spilling, leaking, blowing, or dripping there from.

8.04.340 Commercial recyclable material collectors and industrial waste collectors—Reports to City.

A. Every commercial recyclable material collector and every industrial waste collector who has obtained a permit to provide collection services within the City, and every permit holder of an industrial waste collector permit issued prior to May 30, 2019, shall at any time deemed necessary by the Public Works Director, make available to City all disposal and diversion records that pertain to any portion of collection services within the scope of the permit issued pursuant to Section 8.04.270 or 8.04.290.

B. Every commercial recyclable material collector and industrial waste collector, and every permit holder of an industrial waste collector permit issued prior to June 1, 2003, shall provide a quarterly report to the City of total tons disposed and tons diverted through provision of commercial discarded materials collection or industrial waste collection services in the City. Quarterly reports to the City shall be due on the 15th day of the month following the previous calendar quarter.

C. Every commercial recyclable materials collector, industrial waste collector, and permit holder shall additionally comply with all reporting requirements set forth under its agreement, contract, permit, or other written direction from the City. The subject of such reports may include, but are not limited to, operational, financial, or programmatic information and shall be submitted in a manner and timeline specified by the Director or its designee.

8.04.345 Model water efficient landscaping ordinance requirements.

A. Property owners or their building or landscape designers, including anyone requiring a building or planning permit, plan check, or landscape design review from the City, who are constructing a new (single-family, multi-family, public, institutional, or commercial) project with a landscape area greater than five hundred

(500) square feet, or rehabilitating an existing landscape with a total landscape area greater than two thousand five hundred (2,500) square feet, shall comply with Sections 492.6(a)(3)(B) (C), (D), and (G) of the MWELO September 15, 2015 requirements. Other requirements of the MWELO are in effect pursuant to Section 16.56.040 of the Stockton municipal code.

B. If the California Department of Water Resources, or its successor agency, amends 23 CCR, Division 2, Chapter 2.7, Sections 492.6(a)(3)(B) (C), (D), and (G) of the MWELO September 15, 2015 requirements in a manner that requires the City to incorporate the requirements of an updated MWELO in a local ordinance, and the amended requirements include provisions more stringent than those required in this section, the revised requirements of 23 CCR, Division 2, Chapter 2.7 shall be enforced.

8.04.350 Public Works Director—Duties.

A. The Public Works Director shall monitor and provide overall direction for the collection and disposal of discarded materials, waste matter, and industrial waste operations in the City. The Public Works Director, or Director's authorized representatives, shall receive and investigate all complaints, including complaints from persons regarding an entity that may be potentially non-compliant with SB 1383 regulations, and endeavor to improve and extend the discarded materials, waste matter, and industrial waste collection services. In the absence of other regulations, the Public Works Director shall have the power to determine and set the hours of collection, manner of collection, and such other regulations as may be necessary to insure an orderly program for the collection, transportation, and disposal of discarded materials, waste matter, and industrial waste in order to promote the community welfare, convenience, health, and safety. All disputes between collectors and producers concerning charges, service, or any other matter not otherwise delegated shall be decided by the Public Works Director, or Director's authorized representative. The Public Works Director, or Director's authorized representative, is hereby directed and empowered to enforce the provisions set forth herein and he or she shall have the right to enter all premises or vehicles for the purpose of making any inspection or investigation that he or she may deem necessary under the provisions hereof.

B. In the event an industrial establishment is unable to secure the services of any permitted industrial waste collector, the Public Works Director may assign a permittee to service that particular establishment at a reasonable rate to be determined by the Public Works Director.

C. An industrial waste collector shall allow access to its records of customers served by said collector, when requested by the Public Works Director, provided, however, said records shall be held confidentially by said Director and not subject or open to public inspection, except as otherwise required by applicable law.

8.04.355 Inspections.

A. The Director and their designees are authorized to conduct inspections and investigations, at random or otherwise, of any collection container, collection vehicle loads, or transfer, processing, or disposal facility for materials collected from generators or source separated materials to confirm compliance with this chapter by regulated entities such as generators, responsible parties of commercial businesses, responsible parties of multi-family premises, commercial edible food generators, haulers, self-haulers, food recovery services, and food recovery organizations, subject to applicable laws. This Section does not allow City to enter the interior of a private residential property for inspection. For the purposes of inspecting commercial businesses' or multi-family premises' containers for compliance with this chapter, City may utilize remote monitoring or other technologies at the Director's discretion.

B. Regulated entity shall provide or arrange for access during all inspections (with the exception of residential property interiors) and shall cooperate with the Director or their designee(s) during such inspections and investigations. Such inspections and investigations may include confirmation of proper placement of materials in containers, inspection of edible food recovery activities, review of required records, or other verification or inspection to confirm compliance with any other requirement of this chapter. Failure of a responsible party to provide or arrange for: (i) access to an entity's premises; or, (ii) access to records for any inspection or investigation is a violation of this chapter and may result in penalties described in Section 8.04.360.

C. Any records obtained by the City during its inspections and other reviews shall be subject to the requirements and applicable disclosure exemptions of the Public Records Act as set forth in Government Code Section 6250 et seq.

D. The Director and their designee(s) are authorized to conduct any inspections or other investigations as reasonably necessary to further the goals of this chapter, subject to applicable laws.

8.04.360 Violations, enforcement and appeal.

A. Violation of any provision of this chapter shall constitute grounds for issuance of a notice of violation and assessment of a fine by a City enforcement official or representative in conformance with Chapter 1.28 and Chapter 1.32, except as otherwise indicated in this chapter.

B. The Public Works Director and their designees including, but not limited to, county agency enforcement officials, as applicable, are hereby authorized to issue citations to owners and/or occupants of property for violations of the provisions of this chapter. (Prior code § 7-051.18)

C. Process for Enforcement

1. The Director and/or their designee(s) will monitor compliance with this chapter randomly and through compliance reviews, route reviews, investigation of complaints, and an inspection program. This chapter establishes City's right to conduct inspections and investigations.

2. For incidences of contamination found in containers, City or designee will issue a notice of contamination to any generator or responsible party found to have contamination in a container. The City may authorize the City or designee to assess contamination processing fees if the City or designee observes contamination in a responsible party's container(s).

3. With the exception of violations of contamination of container contents addressed under Section 8.04.360.C.2, City shall issue a notice of violation requiring compliance within a maximum of sixty (60) days of issuance of the notice.

4. Absent compliance by the respondent within the deadline set forth in the notice of violation, City shall commence an action to impose penalties, via an administrative citation and fine, pursuant to this chapter.

   Notices shall be sent to owner at the official address of the owner maintained by the tax collector for the City or, if no such address is available, to the owner at the address of the multi-family premises or commercial premises or to the responsible party for the collection services, depending upon available information.

D. Penalty Amounts

1. The penalty levels for enforcement for violations of Sections 8.04.020, 8.04.035, 8.04.036, 8.04.195, 8.04.196, 8.04.250, and/or 8.04.255 shall be in accordance with 14 CCR Section 18997.2.

2. The penalty levels and other available remedies for enforcement for violations of all other sections of this chapter shall be handled in accordance with Title 1 of the Stockton Municipal Code.

E. Compliance Deadline Extension Considerations

City may extend the compliance deadlines set forth in a notice of violation issued in accordance with this section if it finds that there are extenuating circumstances beyond the control of the respondent that make compliance within the deadlines impracticable, including the following:

1. Acts of God such as earthquakes, wildfires, flooding, and other emergencies or natural disasters;

2. Delays in obtaining discretionary permits or other government agency approvals; or,

3. Deficiencies in organic waste recycling infrastructure or edible food recovery capacity while the City is under a corrective action plan with CalRecycle pursuant to 14 CCR Section 18996.2 due to those deficiencies.

F. Education Period for Non-Compliance

Through December 31, 2023, City will conduct inspections, route reviews or waste evaluations, and compliance reviews, depending upon the type of regulated entity, to determine compliance with Sections 8.04.020, 8.04.035, 8.04.036, 8.04.195, 8.04.196, 8.04.250, and/or 8.04.255. If the City determines that generator, responsible party, self-hauler, hauler, tier one commercial edible food generator, food recovery organization, food recovery service, or other entity is not in compliance, it shall provide educational materials to the entity describing its obligations under this chapter and a notice that compliance is required, and that violations may be subject to administrative civil penalties starting on January 1, 2024.

G. Civil Penalties for Non-Compliance

Beginning January 1, 2024, if the City determines that a generator, responsible party, self-hauler, hauler, tier one or tier two commercial edible food generator, food recovery organization, food recovery service, or other entity is not in compliance with Sections 8.04.020, 8.04.035, 8.04.036, 8.04.195, 8.04.196, 8.04.250, and/or 8.04.255, it shall document the noncompliance or violation, issue a notice of violation, and take enforcement action pursuant to this section, as needed.

H. Any person dissatisfied with any action taken or any decision made by the Public Works Director or designee with regard to the provisions of this chapter may appeal pursuant to the provisions of Chapter 1.44 of this code.

SECTION II. AMENDMENT OF CODE

Title 8, Chapter 8.28 of the Stockton Municipal Code is amended and shall read as follows:

Chapter 8.28 CONSTRUCTION AND DEMOLITION DEBRIS WASTE REDUCTION

8.28.010 Findings.

The State through its California Waste Management Act of 1989, Assembly Bill 939 (AB 939), requires that each local jurisdiction in the State divert 50 percent of discarded materials (base year 1990, State methodology) from landfill.

The State through its California Green Building Standards Code, 24 CCR, Part 11 (CALGreen) sets minimum diversion standards and establishes other requirements related to handling of construction and demolition debris.

The State through its Senate Bill 1383 (SB 1383), the Short-lived Climate Pollutant Reduction Act of 2016, requires CalRecycle to develop regulations to reduce organic waste in landfills as a source of methane. SB 1383 regulations require jurisdictions to adopt and enforce an ordinance or enforceable mechanism to implement relevant provisions of SB 1383 regulations, including the requirement, among others, to comply with the California Green Building Standards Code, 24 CCR, Part 11 (CALGreen), as amended.

The City could face fines up to $10,000.00 a day for not meeting the above mandated AB 939 goals and SB 1383 program requirements.

Construction and demolition debris constitutes a large portion of the waste stream in the City. These materials have significant potential for waste reduction and recycling.

The City finds that reusing and recycling construction and demolition debris is essential to further the City's efforts to reduce waste and comply with AB 939 and SB 1383.

Reusing construction and demolition debris has proven to reduce the amount of such material from landfills, increase site and worker safety, and be cost effective.

8.28.020 Purpose.

The general purpose of these regulations is to establish and maintain a program to reduce the amount of construction and demolition waste generated within the City that is disposed in landfills. This chapter sets a waste diversion requirement for construction and demolition debris generated at project sites be reused, recycled or otherwise processed to divert such materials from disposal in landfills. Any party that undertakes a construction, demolition, or renovation project by applying for City permits is responsible for meeting the construction and demolition debris waste diversion requirement.

8.28.030 Definitions.

For the purpose of this chapter, the following definitions shall apply:

City-Sponsored Projects. All City-sponsored construction, demolition and renovation projects shall be considered covered projects for the purpose of this chapter and shall submit a construction/demolition recycling plan prior to beginning any construction or demolition activities, and shall be subject to all applicable provisions of this chapter.

“Commercial recyclable material collector” means a person, firm or corporation that is licensed by the City for the purpose of providing recyclable material collection service within the City limits, and is required to comply with SB 1383 regulations and other applicable law.

“Construction” and “new construction” means the building and/or modification of any facility or structure or any portion thereof including any tenant improvements to an existing facility or structure.

“Construction and demolition debris” has the same meaning as construction and demolition debris as defined in Chapter 8.04.

“Construction/demolition recycling plan” means a form the permit applicant must submit to the City at the time the permit applicant seeks permits to undertake a construction, demolition and renovation project within the City. The construction/demolition plan is intended to identify the types of materials that will be generated by the project, and how those materials will be transported and disposed.

“Construction/demolition recycling report” means a form the permit applicant must submit to the City at the conclusion of a construction, demolition and renovation project. The construction/demolition recycling report is intended to document the types and quantities of materials that were recycled or reused, and the quantities of materials that were finally disposed at a landfill. The permit applicant must complete the form and submit it for review and approval by the City for the purpose of compliance with this ordinance.

“Covered projects” refers to all construction, demolition and renovation projects covered by the scope of the California Green Building Standards Code, 24 CCR, Part 11, known as CALGreen, as amended.

“Divert” means to use material for any purpose other than disposal in a landfill.

“Industrial waste collector” means a person, firm or corporation that is licensed by the City for the purpose of providing collection and disposal of industrial waste within the City limits.

“Non-covered projects” refers to all construction, demolition and renovation projects within the City, regardless of the actual or projected cost of the project. For purposes of this regulation, all permit applicants must submit a completed (1) construction/demolition recycling plan and (2) construction/demolition recycling report for review during the permit process.

“Permit applicant” means any individual, firm, limited liability company, association, partnership, political subdivision, government agency, municipality, industry, public or private corporation, or any other entity whatsoever who applies to the City for the applicable permits to undertake any construction, demolition, or renovation project within the City.

“Review Official” means the designated staff persons assigned by the Public Works Director and responsible for implementing and managing this chapter. The Review Official will determine the sufficiency of recycling plans and reports submitted by permit applicants, and either approve or deny a permit based on the review of the forms, documentation, and information provided.

“Self-haul” means the act of transporting debris generated by a construction, demolition or landscape contractor, or an individual performing construction, demolition or landscape work at a covered project site or a non-covered project site and using his or her own vehicle to deliver such debris to a permitted disposal site or recycling facility.

“Waste diversion requirement” means the diversion minimum for construction and demolition debris generated by a covered project in accordance with California Green Building Standards Code (24 CCR, Part 11), as amended.

8.28.040 Permit applicant and City responsibilities.

A. The City will not issue an approved permit for any construction, demolition or renovation project unless and until the permit applicant has performed its responsibilities to comply with the City’s construction and demolition debris waste reduction program. All permit applicants for a covered project or a non-covered project have certain responsibilities, as specified below, to meet compliance with this regulation

B. Permit applicants of a covered project are responsible to do the following:

1. Obtain from the City a C&D permit packet, which contains the required forms and other resource information needed to comply with waste diversion requirement for a covered project.

2. Complete and submit the construction and demolition recycling plan at the time of permit application.

3. Complete and submit the construction and demolition recycling report and related receipts and weight tickets within 14 days of final clean up of a covered project site.

4. Meet the waste diversion requirement for the covered project.

5. Comply with the requirements of the California Green Building Standards Code (24 CCR, Part 11), as amended, or more stringent City requirements as applicable.

C. Permit applicants of a non-covered project are responsible to do the following:

1. Obtain from the City a C&D permit packet, which contains the required forms and other resource information needed to comply with the waste diversion goals of the City for any construction, demolition and renovation project within the City.

2. Complete and submit the construction and demolition recycling plan at the time of permit application.

3. Complete and submit the construction and demolition recycling report and related receipts and weight tickets within 14 days of final clean up of a non-covered project site.

D. The City Review Official is responsible for the following:

1. Provide assistance and information requested by the permit applicant in completing the required forms.

2. Review submitted forms in a timely manner and notify the permit applicant regarding any discrepancies and/or missing documentation.

3. Notify appropriate City staff if a permit applicant has met the waste diversion requirement of a project.

4. Require a hold on the project if the permit applicant has not complied with the requirements of this C&D chapter.

8.28.050 Construction and demolition debris collection.

A. The authority to collect solid waste (including the collection of construction and demolition debris addressed in this chapter) is regulated by the City as prescribed in the provisions Sections 8.04.240 through 8.04.300. In general, only an industrial waste collector or a commercial recyclable material collector that has obtained a permit from the City may collect and transport construction and demolition debris from a project site to a disposal or processing facility.

B. A construction contractor or subcontractor or landscape contractor may self-haul and recycle or dispose of debris from a construction or demolition or landscaping site at which the contractor is performing work, provided that the contractor utilizes its own personnel and equipment and transports debris while performing its own work. Any debris collected on site through general clean-up operations, whether periodically or at the completion of a project, may not be transported and disposed by a third party, unless that third party has secured a necessary solid waste hauling permit from the City (and is therefore registered as an industrial waste collector or a commercial recyclable material collector). The City will provide a list of all industrial waste collectors and commercial recyclable material collectors authorized to collect construction and demolition debris from project sites within the City when it issues the C&D permit packet for the project.

8.28.060 Construction and demolition recycling requirements.

A. All permit applicants of covered projects or non-covered projects shall identify the types of materials expected to be generated as a result of the construction, demolition or renovation project at the time of the permit application. Permit applicants for covered project are required to meet the waste diversion requirement established by this chapter for materials generated as discards by the project, regardless of whether the permit applicant performs the work or hires contractors, subcontractors or others to perform the work.

B. Within 14 days following the completion of the construction, demolition or renovation project, the permit applicant shall submit recycling/reuse and disposal documentation to the Review Official. Documentation shall consist of a final completed "construction and demolition debris recycling report" showing tons recycled/reused and disposed by material type, supported by copies of weight tickets, receipts or other records of measurement from recycling companies, deconstruction contractors and/or landfill disposal companies. The City will provide a list of recycling companies in the Stockton area that receive and recycle various types of materials generated from construction and demolition projects when it issues the C&D permit packet for the project.

8.28.070 City remedies for noncompliance.

The City reserves the right to initiate any or all of the following actions in the event a permit applicant of a covered project fails to meet the waste diversion requirement or fails to submit a completed construction/demolition recycling plan and report and the associated documentation that is required of this chapter:

A. Issue a stop work order on the construction and/or other permits pertinent to the covered project until the project applicant has submitted all required forms and documentation; and/or

B. Issue penalties and conduct enforcement action in accordance with Section 8.04.360 for violations of activities regulated under Chapter 8.04 or 14 CCR Section 18989.1.

8.28.080 Appeal.

Any person dissatisfied with any action taken or any decision made by the Review Official assigned by the Public Works Director with regard to the provisions of this chapter may appeal pursuant to the provisions of Chapter 1.44 of this code.

SECTION III. SEVERABILITY

If any section of this ordinance or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications

of the act which can be given without the invalid provisions or application, and to this end the provisions of this act are severable.

SECTION IV.EFFECTIVE DATE

The Ordinance shall take effect and be in full force thirty (30) days after its passage.

SB 1383 ORDINANCE

City of Stockton

June 14, 2022

Agenda Item 15.2

SB 1383 STATEWIDE EMISSIONS REDUCTION TARGETS

2020

50%	Reduction of Organic Waste to Landfill

2025

75%	Reduction of Organic Waste to Landfill
20%	Edible Food Recovery

SB 1383 REGULATIONS: LOCAL ORDINANCE

By January 1, 2022, jurisdictions are required to adopt enforceable ordinance(s), or **similarly enforceable mechanisms** to "mandate that organic waste generators, haulers, and other entities subject to the requirements of [SB 1383 regulations] that are subject to the jurisdiction's authority comply with the requirements of this chapter."

(14 CCR Section 18981.2)

A CalRecycle grant of nearly $422,000 is contingent on the passage of the SB 1383 ordinance by June 14, 2022.

SB 1383 ORDINANCE REQUIREMENTS

Regulated Entities	SB 1383 Requirements
Single-Family Generators	Subscribe to recycling and organics collection services. Place materials in proper container.
Multi-Family Generators	Subscribe to recycling and organics collection services, unless granted a waiver. Place materials in proper container. Annually educate tenants on proper sorting.
Commercial Generators (Excluding Multi-Family)	Subscribe to recycling and organics collection services, unless granted a waiver. Place materials in proper container. Annually educate employees on proper sorting. Provide SB 1383 compliant containers for customers. Monitor contamination of business's containers.

SB 1383 ORDINANCE REQUIREMENTS (CONTINUED)

Regulated Entities	SB 1383 Requirements
Commercial Edible Food Generators	Recover surplus edible food and have a contract in place with a food recovery organization or service. Keep monthly records.
Food Recovery Organizations and Services	Record and report quantity and source of food recovered.
Haulers and Facility Operators	Transport recycling and organics to facilities that comply with SB 1383. Recordkeeping and reporting requirements.
Self-Haulers	Sort recycling and organics, and deliver materials to SB 1383 compliant facilities. Recordkeeping requirements.

ADDITIONAL SB 1383 REQUIREMENTS

- Procurement policies for purchasing recycled content paper and meeting a procurement target for organic waste products (compost, mulch, renewable natural gas, and electricity from biomass)
  - City to meet requirements through an update to Purchasing Policy
- Adopt an ordinance addressing specific sections of the State Model Water Efficient Landscaping Ordinance (MWELO) identified by SB 1383 and CALGreen
  - Relevant chapters modified

ADDITIONAL MUNICIPAL CODE UPDATES

- Updates to align with terms of most recent franchise agreement
- Updates to industrial waste permitting process to align with current practice

RECOMMENDATION TO COUNCIL

Introduce and pass an ordinance amending Title 8, Chapters 8.04 and 8.28 of the Stockton Municipal Code relating to the collection of organic materials.

File #: 22-0303, **Version:** 1

ADOPT RESOLUTION AUTHORIZING THE ISSUANCE OF SPECIAL TAX BONDS FOR AND ON BEHALF OF IMPROVEMENT AREA 2 OF THE CITY OF STOCKTON COMMUNITY FACILITIES DISTRICT NO. 2018-2 (WESTLAKE VILLAGES II), APPROVE AND DIRECT THE EXECUTION OF A FISCAL AGENT AGREEMENT, APPROVE THE FORM OF PRELIMINARY OFFICIAL STATEMENT, APPROVE SALE OF SUCH BONDS, AND APPROVE OTHER RELATED DOCUMENTS AND ACTIONS

RECOMMENDATION

It is recommended that City Council adopt a resolution to authorize the issuance and sale of Special Tax Bonds, payable from Special Taxes, for and on behalf of Improvement Area 2 of the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II) in the estimated amount of $10,625,000 (not-to-exceed $12,500,000), and direct the execution of a Fiscal Agent agreement, approve the bond sale, and approve all necessary actions and documents in connection with the issuance.

Summary

The City Council established the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II) (the “District”) on June 19, 2018, to provide financing for the acquisition of a portion of the public infrastructure improvements for the District. The original boundary map for Westlake Villages II included two improvement areas, Improvement Area 1 and Improvement Area 2, and the City issued two series of bonds totaling $13.505 million for Improvement Area 1 in 2020 and 2021. On Dec 7, 2021, council adopted a resolution to reduce the size of the original Improvement Area 2 to facilitate the creation of two new improvement areas-Improvement Area 3 and Improvement Area 4.

Development of Improvement Area 2 is sufficiently advanced to support a bond issue for this phase of the development. Approval of the Resolution authorizes the issuance of special tax bonds for Improvement Area 2 of the Westlake Villages II Community Facilities District in the estimated amount of $10,625,000 and a not-to-exceed amount of $12,500,000 (with the actual principal amount being a factor of market conditions at the time of sale). This bond issue will reimburse the developer for the cost of improvements in Improvement Area 2 of the District, consisting primarily of flood control infrastructure, arterial and lateral streets, sidewalks, street lighting, landscaping, and water and sewer infrastructure including hookups, and parks and bike paths. The current issue is expected to represent the only bond issuance for Improvement Area 2.

DISCUSSION

Background

The City Council established the District in June 2018 to provide the funding necessary for the

acquisition of certain public infrastructure improvements authorized for the District. The District was split off from CFD 2006-2, which had lain dormant after the first 322 homes out of 2,622 planned had been built. CFD 2018-2 (Westlake Village II) is comprised of the remaining 580 acres of the original roughly 855 gross acres of contiguous parcels that made up the CFD 2006-2 district in North Stockton, South of Eight Mile Road and West of Interstate 5, just east of White Slough and the Delta. The District is planned to house 2,198 homes ranging in size from 1,400 to 3,500 square feet, and when fully developed will include a master-planned portion dedicated to 55+ living, multiple neighborhood parks, a school site, and a series of artificial lakes to aid in flood control. It is bounded on the west by Bishop Cut, on the north by Eight Mile Road, on the east by Regatta Lane (which separates the remaining development from the existing Spanos West CFD, and the initial homes built in the original Westlake Villages CFD), and on the south by Disappointment Slough.

The City formed CFD No. 2018-2 (Westlake Villages II) via Resolution 2018-06-19-1501, authorized special taxes to pay for associated services and public facilities, and moved undeveloped parcels from CFD 2006-2 into the new district. On February 4, 2020, a revision to Improvement Area 1 within the District was approved, which decreased the size of Improvement Area 1 and increased the area of Improvement Area 2 (via Resolution 2020-02-04-1501).

Two issues of bonds, totaling $13,505,000, were issued in 2020 and 2021 to acquire public infrastructure in Improvement Area 1.

On December 7, 2021, Council adopted a Resolution of Consideration to begin the process of changing the boundary map to reduce the size of Improvement Area 2 and create Improvement Areas 3 and 4 out of the remaining area of Improvement Area 2. This process was concluded on January 11, 2022, after a public hearing and landowner election process.

During the process of creating Improvement Areas 3 and 4 out of a reduction in Improvement Area 2, the original $60 million bonding capacity for Improvement Area 2 was left unchanged, as only documents related to the liens for the new Improvement Areas were recorded. As part of this issuance, the lien on Improvement Area 2 is being closed off and no further issuances will be permitted in this improvement Area.

Present Situation

All of the 292 residential lots in Improvement Area 2 have been completed and most of the improvement area's off site improvements are in place, including paved access and public utilities. The balance of offsite improvements, including parks, are anticipated to be completed in the near term. As of April 15, 2022, 56 homes were under construction.

The special taxes for facilities will commence in FY 2022-23 for all 93 "developed" homes (those having had building permits pulled as of May 1, 2022), with the remaining final mapped parcels being taxed at a reduced rate in the first year to enable merchant builders additional time to market and sell homes prior to full taxes being instituted in FY 2023-24. Beginning in FY 2023-24 all parcels (regardless of development status) will be assessed for the facilities tax. The facilities tax will continue until all of the bonds mature, expected to be in FY 2052-53.

The special tax is expected to provide approximately $659,000 annually as of FY 2023-24 (the first

year in which all property will be taxed), which will finance administrative charges, debt service, and provide for an additional 10% of taxing capacity to produce the debt service coverage required by investors. The tax and the revenues produced will escalate by 2% annually. First-year debt service will be partially paid out of bond proceeds ("capitalized interest") to give ample opportunity for merchant builders to market as many homes as possible before being subject to the special tax.

A second special tax for services will be levied starting in FY 2023-24, which has no expiration date.

Financing Team

The financing team consists of representatives from the appropriate City vendor pools:

- Municipal Advisor: KNN Public Finance LLC (Resolution No. 2017-05-25-1102)
- Bond Counsel: Jones Hall (Resolution No. 2018-05-15-1102)
- Underwriter: Brandis Tallman LLC (Resolution No. 2017-07-25-1101)
- Fiscal Agent: US Bank National Association

Legal Authority and Procedures

The Special Taxes levied in the District are captured on the property tax bill and treated the same as other taxes such as the ad valorem, general obligation bonds for schools and other overlapping assessments and special taxes from other jurisdictions. Should a property owner become delinquent on any portion of their tax bill, the property is subject to accelerated judicial foreclosure, and the amount of lien on the property associated with the special taxes can be paid from proceeds of any foreclosure action. This process provides security to the bondholders.

Schedule

If approved by the City Council, the transaction schedule is as follows:

Timeline	Item
Week of June 13th	Post Preliminary Official Statement
Week of June 20th	Pre-market bonds
Week of June 27th	Price bonds
Week of July 11th	Pre-closing, closing and transfer of funds

Documents for Consideration

Fiscal Agent Agreement: This Agreement governs the terms and conditions of the bonds and the role and responsibilities of the Fiscal Agent. It also includes the covenants of the City concerning the levy of the special tax, foreclosure of delinquent parcels and related matters.

Preliminary Official Statement: This is the offering document provided to investors that provides all material information related to the proposed bonds and the District. This document includes a Continuing Disclosure Certificate, which is the document detailing what ongoing information will be provided to investors.

Bond Purchase Agreement: This document details the agreement related to the terms of the negotiated sale of the bonds to the underwriter and the conditions for closing the bond issue.

Construction and Acquisition Agreement: This agreement entered into in 2019 during issuances in Improvement Area 1 will be applicable throughout all Issuances in the CFD. It lays out a list of improvements that may be financed from bond proceeds once accepted and acquired by the City after completion. The Council has previously approved this agreement with the Westlake II developer.

FINANCIAL SUMMARY

There is no impact to the City's General Fund or any other unrestricted fund as a result of taking the recommended action. There will be sufficient special taxes placed on the tax roll for FY 2022-23 to pay the portion of first year debt service on the bonds not paid out of capitalized interest. Final sizing of the bond issue will ensure that tax proceeds are sufficient to account for City administrative fees and coverage beyond actual debt service requirements. Bond investors take the risk that, if delinquencies exceed 10% and the funded debt service reserve is depleted, there may not be sufficient funds to pay debt service when due.

This CFD issuance is reported in a custodial fund that does not report revenues and expenditures. For this reason, adoption of this resolution approves the costs related to the transaction, which include those costs shown in the good faith estimate. The estimated costs of issuance are $382,000, which include fixed costs for the fees and expenses of bond counsel, underwriter, municipal advisor, fiscal agent, and the City's administrative fee of approximately $66,250. Other costs, including that of the appraiser and the absorption consultant, will be paid directly out of funds deposited by the developer.

SB 450 Compliance ("Good Faith Estimates")

In compliance with state law (Government Code 5852.1), a good faith estimate related to the proposed bonds is attached. The good faith estimates have been provided to the City by the Municipal Advisor. Each estimate is based on the City's financing plan, estimates of costs, and current market conditions, including market interest rates prevailing at the time of preparation of the estimate.

- Principal Amount-the estimated aggregate principal amount of the bonds to be sold is $11,270,000.
- True Interest Cost-the estimated true interest cost of the bonds, which means the rate necessary to discount the amounts payable on the respective principal and interest payment dates to the purchase price received for the bonds, is 5.3%.
- Finance Charge-the estimated finance charge for the bonds, which means the sum of all fees paid to third parties (or costs associated with the bonds), is estimated at $382,065.
- Amount of Proceeds to be Received-the estimated amount of proceeds to be received by the City from the sale of the bonds, less the finance charge of the bonds, as estimated above, and less estimated reserves and capitalized interest, is $9,408,570.
- Total Payment Amount-the estimated total payment amount, which means the total of all payments to pay debt service on the bonds, plus the finance charge for the bonds, as

described above, not paid with the proceeds of the bonds, calculated to the final maturity of the bonds, is $21,444,260.

These estimates are good faith estimates only. The actual figures will differ due to:

- Differences between assumptions regarding the date of the sale of the bonds, the principal amount of bonds sold, the amortization of the bonds, and market interest rates at the time of sale of the bonds
- Other market conditions
- Changes in the City's financing plan

Attachment A - Description of Documents Being Approved and Terms Used

Description of Documents Being Approved and Terms Used

Bond Purchase Contract - Is a contract between the City and the Underwriter that provides the terms and conditions under which the underwriter will purchase the Series 2022 Bonds.

Continuing Disclosure Certificate - Is required under Securities and Exchange Commission Rule 15c2-12 ("Rule") and is a written agreement issued in connection with the issuance of bonds requiring the City to provide annual reports (containing certain financial or operating data relating to the City's water system) and to provide notice of certain events required by the Rule.

Construction and Acquisition Agreement – The developer is required to place certain infrastructure as a condition of development approval. This document lays out a list of improvements that may be financed from bond proceeds once accepted and acquired by the City after completion.

Fiscal Agent Agreement – Is a legal agreement between the bond fiscal agent and the City concerning the handling of all funds arising out of a municipal bond issuance. This document describes how the Fiscal Agent acts out of a fiduciary responsibility to protect bondholder interests, including default provisions and remedies, use of project funds, and use of reserve funds.

Net Present Value - Presents actual annual cash flow savings discounted to a current value

Net Present Value Savings - Generally net present value savings in excess of 3.00% are considered significant. The Government Finance Officers Association, in their best practices white paper titled "Analyzing and Issuing Refunding Bonds" from February 2011, reports that "one test often used by issuers to assess the appropriateness of a refunding is the requirement specifying the achievement of a minimum net present value (NPV) savings. A common threshold is that the savings (net of all issuance costs and any cash contribution to the refunding), as a percentage of the refunding bonds exceeds 3-5%." The City Debt Policy uses 3% NPV savings as a guideline.

Not-To-Exceed Amount - The City Council and Authority are being asked to approve the issuance in an amount "not-to-exceed" $12,500,000. The amount of issuance is currently estimated at a par amount of $10,625,000, however, sizing may differ due to investor preference. The tradeoff is higher interest rates with a lower issue size (premium pricing) or lower interest rates with a higher issue size (discount pricing). The overall goal is to market to the entire range of buyers and demand will determine the final interest rates and yields with the goal to maximize refunding savings.

Official Statement - Is a document used by the financial community to make investment decisions. It describes the essential terms of the bonds, including whether and on what terms the bonds can be redeemed prior to maturity the sources pledged to repay the bonds, the issuer's covenants for the benefit of investors and risk associated with the investment.

Preliminary Official Statement ("POS") - The POS is the form of the Official Statement that must be approved by the issuers governing board. It is used to market the bonds prior to final sale and determination of final rates and sizing, which will be included in the Final Official Statement prepared after the sale and closing of the bonds (typically a two-week period).

Resolution No.

STOCKTON CITY COUNCIL

RESOLUTION AUTHORIZING ISSUANCE OF SPECIAL TAX BONDS FOR AND ON BEHALF OF IMPROVEMENT AREA 2 OF THE CITY OF STOCKTON COMMUNITY FACILITIES DISTRICT NO. 2018-2 (WESTLAKE VILLAGES II), APPROVING AND DIRECTING THE EXECUTION OF A FISCAL AGENT AGREEMENT, APPROVING THE FORM OF PRELIMINARY OFFICIAL STATEMENT, APPROVING THE SALE OF SUCH BONDS, AND APPROVING OTHER RELATED DOCUMENTS AND ACTIONS

The City Council (the "Council") of the City of Stockton (the "City") has conducted proceedings under and pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, Chapter 2.5 of Part 1 of Division 2 of Title 5, commencing at section 53311, of the California Government Code (the "Act"), to form (i) City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II) (the "CFD"), (ii) Improvement Area 1 of the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II) ("Improvement Area 1"), and (iii) Improvement Area 2 of the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II) ("Improvement Area 2" and together with Improvement Area 1, the "Improvement Areas"), to authorize the levy of special taxes upon the land within the Improvement Areas, and to issue bonds secured by said special taxes for the purpose of providing moneys for the construction and acquisition of authorized improvements for the District; and

Subsequent to the initial formation of the District, the Council adopted (i) "Resolution Ordering Change to Rate and Method for Improvement Area No. 1 and 2 and Adjusting Improvement Area Boundaries for a Community Facilities District and Directing Recording of Notice of Special Tax Lien," Resolution No. 2020-02-04-1501, on February 4, 2020, officially reforming the boundaries of Improvement Area No. 1 and Improvement Area No. 2 and amending the Rate and Method of Apportionment of Special Tax for Improvement Area 1 and Improvement Area 2, and (ii) "Resolution Ordering Changes Affecting Certain Parcels Within Improvement Area 2 of Community Facilities District No. 2018-2 (Westlake Villages II), Establishing Improvement Area 3 and Improvement Area 4 in the District, and Directing Recording of Amended Notice of Special Tax Lien," Resolution No. 2022-01-11-1601, on January 11, 2022, officially reforming the boundaries of Improvement Area No. 2, all pursuant to the Act; and

The Council, as legislative body of the District, authorized the issuance of special tax bonds of the City for Improvement Area 2 in the maximum principal amount of not to exceed $60,000,000 (the "Bond Authorization"), and the Council, as legislative body of the District, now desires to issue the first and only planned series of "new money" bonds for Improvement Area 2 (the "Bonds"), as further detailed in the Fiscal Agent Agreement approved herein; and

The Council, as legislative body of the District, has obtained and disclosed all of the information required to be obtained and disclosed related to the Bonds under section 5852.1 of the California Government Code in the staff report accompanying this Resolution; and

There has been submitted to the Council a Fiscal Agent Agreement (the "Fiscal Agent Agreement") (attached as Exhibit 1), between the City and Computershare Trust Company, N.A., as fiscal agent, providing for the issuance and terms of the Bonds, and the Council, with the aid of City staff, has reviewed the Fiscal Agent Agreement and found it to be in proper order, and now desires to approve the Fiscal Agent Agreement, the issuance of the Bonds and the execution of those and related documents; and

The City proposes to sell the Bonds to Oppenheimer & Co. Inc., as underwriter (the "Underwriter"), pursuant to the terms of a Bond Purchase Agreement by and between the City and the Underwriter, and the Underwriter proposes to offer the Bonds to the investing public by means of a Preliminary Official Statement, and the Council, with the aid of City staff, has reviewed the Bond Purchase Agreement (attached as Exhibit 2) and the Preliminary Official Statement (attached as Exhibit 3) and found them to be in proper order, and now desires to approve said documents; and

All conditions, things and acts required to exist, to have happened and to have been performed precedent to and in the issuance of the Bonds as contemplated by this Resolution and the documents referred to herein exist, have happened and have been performed in due time, form and manner as required by the laws of the State of California, including the Act; now, therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF STOCKTON, AS FOLLOWS:

1. This Council finds and determines that it is prudent in the management and development of land in the City and the District to issue the Bonds for the purpose of providing moneys for the construction and acquisition of authorized improvements for the District.

2. For the purposes of these proceedings in and for Improvement Area 2 of the District, the Act shall be the authority for the issuance of the Bonds.

3. Pursuant to the Act, this Resolution and the Fiscal Agent Agreement, special tax bonds of the City for Improvement Area 2 of the District designated as "Improvement Area 2 of the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II) Special Tax Bonds Series 2022" in an aggregate principal amount estimated at $10,625,000 (not to exceed $12,500,000) are hereby authorized to be issued. The Bonds shall be executed in the form set forth in, and otherwise as provided in the Fiscal Agent Agreement.

4. The Bonds shall not be issued unless the value of the real property within Improvement Area 2 subject to the special tax to pay debt service on the Bonds, based on assessed values and/or an appraisal by an independent appraiser hired by the City for the purpose of determining such value, is at least three (3) times the proposed principal amount of the outstanding Bonds proposed to be issued and secured by a special tax levied pursuant to the Act on property within Improvement Area 2.

5. The Council hereby approves the Fiscal Agent Agreement and the terms therein, substantially in the form presented to the Council at this meeting. The City Manager, Chief Financial Officer or such other person or persons as any of them may designate (collectively, the "Authorized Officers"), each acting alone or together with any other Authorized Officer, are each hereby authorized and directed to execute the Fiscal Agent Agreement, for and in the name and on behalf of the City and Improvement Area 2 of the District, in such form, together with any additions thereto or changes therein deemed necessary or advisable by the Authorized Officer executing such document upon consultation with Jones Hall, A Professional Law Corporation, as bond counsel to the City ("Bond Counsel"). The proceeds of the Bonds shall be applied by the City for the purposes and in the amounts as set forth in the Fiscal Agent Agreement. The Council hereby authorizes the delivery and performance by the City of the Fiscal Agent Agreement.

6. The City hereby covenants, for the benefit of the owners of the Bonds, to commence and diligently pursue to completion any foreclosure action regarding delinquent installments of any amount levied as a special tax for the payment of interest or principal of the Bonds, said foreclosure action to be commenced and pursued as more completely set forth in the Fiscal Agent Agreement.

7. The Council hereby approves the Preliminary Official Statement with respect to the Bonds, in substantially the form on file with the City Clerk. Distribution of the Preliminary Official Statement by the City and the Underwriter is hereby approved, and, prior to the distribution of the Preliminary Official Statement, and each Authorized Officer, each acting alone or together with any other Authorized Officer, is authorized, and directed, on behalf of the City, to deem the Preliminary Official Statement "final" pursuant to Rule 15c2-12 under the Securities Exchange Act of 1934 (the "Rule"). The execution of the final Official Statement, which shall include such changes and additions thereto deemed advisable by the Authorized Officer executing the same, and such information permitted to be excluded from the Preliminary Official Statement pursuant to the Rule, is hereby approved for delivery to the purchasers of the Bonds, and each Authorized Officer, each acting alone or together with any other Authorized Officer, is authorized and directed to execute and deliver the final Official Statement for and on behalf of the City, to deliver to the Underwriter a certificate with respect to the information set forth therein and to deliver to the Underwriter the Continuing Disclosure Undertaking in substantially the form on file with the City Clerk, together with such changes and additions thereto deemed advisable by the Authorized Officer executing the same.

8. The Council hereby approves the Bond Purchase Agreement in substantially the form on file with the City Clerk; provided, that the aggregate principal amount of Bonds

shall not exceed $12,500,000 or result in an Underwriter's discount in excess of 1.25%, or a true interest cost in excess of 7.00%. Subject to the foregoing parameters, an Authorized Officer is hereby authorized and directed to execute the Bond Purchase Agreement in substantially the form on file with the City Clerk, together with such changes and additions thereto deemed advisable by the Authorized Officer executing the same. The Council hereby finds and determines that the sale of the Bonds at negotiated sale as contemplated by the Bond Purchase Agreement will result in a lower overall cost.

9. All actions heretofore taken by the officers, employees and agents of the City with respect to the establishment of the District and the Improvement Areas and the sale and issuance of the Bonds are hereby approved, confirmed and ratified, and the Authorized Officers of the City are hereby authorized and directed to do any and all things and take any and all actions and execute any and all certificates, agreements and other documents, which they, or any of them, may deem necessary or advisable in order to consummate the lawful issuance and delivery of the Bonds in accordance with this resolution, and any certificate, agreement, and other document described in the documents herein approved. All actions to be taken by a specified Authorized Officer as specified herein, may be taken by the Authorized Officer (including any person holding such office on an interim basis) or any designee, with the same force and effect as if taken by such Authorized Officer.

10. This Resolution shall take effect immediately upon its adoption.

11. The City Manager is hereby authorized to take whatever actions are necessary and appropriate to carry out the purpose and intent of this Resolution.

PASSED, APPROVED, and ADOPTED June 14, 2022.

KEVIN J. LINCOLN II
Mayor of the City of Stockton

FISCAL AGENT AGREEMENT

THIS FISCAL AGENT AGREEMENT (the "Agreement") is made and entered into as of _____ 1, 2022, by and between the City of Stockton, California, a charter city and public body, corporate and politic, organized and existing under and by virtue of the Constitution and laws of the State of California (the "City") for and on behalf of Improvement Area 2 of the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II) (the "District"), and U.S. Bank Trust Company, National Association, a national banking association organized under the laws of the United States of America as fiscal agent (the "Fiscal Agent").

W I T N E S S E T H :

WHEREAS, the City Council of the City has conducted proceedings under and pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, Chapter 2.5 of Part 1 of Division 2 of Title 5, commencing at section 53311, of the California Government Code (the "Act") and Resolution No. 2018-06-19-1502-01 of the City Council adopted on June 19, 2018, to form (i) City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II) (the "District"), (ii) Improvement Area 1 of the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II) ("Improvement Area 1"), and (iii) Improvement Area 2 of the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II) ("Improvement Area 2" and together with Improvement Area 1, the "Improvement Areas"), to authorize the levy of special taxes upon the land within the Improvement Areas, and to issue bonds secured by said special taxes for the purpose of providing moneys for the construction and acquisition of authorized improvements for the District; and

WHEREAS, subsequent to the initial formation of the District, the City Council adopted (i) "Resolution Ordering Change to Rate and Method for Improvement Area No. 1 and 2 and Adjusting Improvement Area Boundaries for a Community Facilities District and Directing Recording of Notice of Special Tax Lien," Resolution No. 2020-02-04-1501, on February 4, 2020, officially reforming the boundaries of Improvement Area No. 1 and Improvement Area No. 2 and amending the Rate and Method of Apportionment of Special Tax for Improvement Area 1 and Improvement Area 2, and (ii) "Resolution Ordering Changes Affecting Certain Parcels Within Improvement Area 2 of Community Facilities District No. 2018-2 (Westlake Villages II), Establishing Improvement Area 3 and Improvement Area 4 in the District, and Directing Recording of Amended Notice of Special Tax Lien," Resolution No. 2022-01-11-1601, on January 11, 2022, officially reforming the boundaries of Improvement Area No. 2, all pursuant to the Act; and

WHEREAS, the City Council, as the legislative body of the District, is authorized under the Act to levy special taxes to pay for the costs of facilities within the District and the Improvement Areas therein, and to authorize the issuance of bonds secured by said special taxes under the Act; and

WHEREAS, under the provisions of the Act, on _____, 2022, the City Council of the City adopted its Resolution No. 2022-08-11-1401 (the "Resolution"), which resolution, among other matters, authorized the issuance of the Improvement Area 2 of the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II) Special Tax Bonds Series 2022 to provide moneys for the construction and acquisition of improvements within the Improvement Area 2 and provided that said issuance would be in accordance with the Act and this Agreement, and authorized the execution hereof; and

WHEREAS, it is in the public interest and for the benefit of the City, the District, the persons responsible for the payment of special taxes and the Owners of the Bonds that the City enter into this Agreement to provide for the issuance of the Bonds, the disbursement of proceeds of the Bonds, the disposition of the special taxes securing the Bonds and any additional bonds authorized to be issued hereunder and the administration and payment of the Bonds; and

WHEREAS, the City has determined that all things necessary to cause the Bonds, when authenticated by the Fiscal Agent for the District and issued as in the Act, the Resolution and this Agreement provided to be legal, valid and binding and special obligations of the City for Improvement Area 2 in accordance with their terms, and all things necessary to cause the creation, authorization, execution and delivery of this Agreement and the creation, authorization, execution and issuance of the Bonds, subject to the terms hereof, have in all respects been duly authorized.

NOW, THEREFORE, in consideration of the covenants and provisions herein set forth and for other valuable consideration the receipt and sufficiency of which are hereby acknowledged, the parties hereto do hereby agree as follows:

ARTICLE I

STATUTORY AUTHORITY AND DEFINITIONS

Section 1.01. Authority for this Agreement. This Agreement is entered into pursuant to the provisions of the Act and the Resolution.

Section 1.02. Agreement for Benefit of Bondowners. The provisions, covenants and agreements herein set forth to be performed by or on behalf of the City shall be for the equal benefit, protection and security of the Owners. All of the Bonds, without regard to the time or times of their issuance or maturity, shall be of equal rank without preference, priority or distinction of any of the Bonds over any other thereof, except as expressly provided in or permitted by this Agreement. The Fiscal Agent may become the Owner of any of the Bonds in its own or any other capacity with the same rights it would have if it were not Fiscal Agent.

Section 1.03. Definitions. Unless the context otherwise requires, the terms defined in this Section 1.03 shall, for all purposes of this Agreement, of any Supplemental Agreement, and of any certificate, opinion or other document herein mentioned, have the meanings herein specified. All references herein to "Articles," "Sections" and other subdivisions are to the corresponding Articles, Sections or subdivisions of this Agreement, and the words "herein," "hereof," "hereunder" and other words of similar import refer to this Agreement as a whole and not to any particular Article, Section or subdivision hereof.

"Additional Bonds" means any series of bonds other than the 2022 Bonds issued pursuant to Section 5.09.

"*Administrative Expenses*" means any or all of the following:

(a) the expenses directly related to the administration of the District, including, but not limited to, the costs of computing the Special Taxes and preparing the annual Special Tax collection schedules (whether by the City or a designee thereof or both); the costs of collecting the Special Taxes (whether by San Joaquin County, the City or otherwise); the costs of remitting the Special Taxes to the Fiscal Agent; the costs associated with preparing Special Tax disclosure statements and responding to the public inquiries regarding the Special Taxes; the costs of the City, the District or any designee thereof related to an appeal of the Special Tax;

(b) the costs of the Fiscal Agent (including its legal counsel) in the discharge of the duties of the Fiscal Agent pertaining to the Bonds required under this Fiscal Agent Agreement and any Supplemental Agreement;

(c) the costs of the City or any designee thereof of complying with the City, the District, or obligated person disclosure requirements associated with applicable federal or state securities laws of the Act pertaining to the Bonds;

(d) any amounts required to be rebated to the federal government; and

(e) all other costs and expenses of the City (including, but not limited to, an allocable share of the salaries of the City staff directly related to the foregoing, a proportionate amount of City general administrative overhead related to the foregoing, and amounts advanced by the City for any administrative purpose of the District,

including costs related to prepayments of Special Taxes, recordings related to such prepayments and satisfaction of Special Taxes, amounts advanced to ensure maintenance of tax exemption, and the costs of prosecuting foreclosure of delinquent Special Taxes, which amounts advanced are subject to reimbursement from other sources, including proceeds of foreclosure) and the Fiscal Agent incurred in connection with the discharge of their respective duties hereunder and in any way related to the administration of the District and all actual costs and expenses incurred in connection with the administration of the Bonds.

"Agreement" means this Fiscal Agent Agreement, as it may be amended or supplemented from time to time by any Supplemental Agreement.

"Annual Debt Service" means, for each Bond Year and each Series of Outstanding Bonds, the sum of (i) the interest due on the respective Series of Outstanding Bonds in such Bond Year, assuming that such Outstanding Bonds are retired as scheduled, and (ii) the principal amount of the respective Series of Outstanding Bonds, including any mandatory sinking fund payments, due in such Bond Year.

"Authorized Officer" means the City Manager, Chief Financial Officer, City Clerk, City Attorney, including any deputy, acting or interim officer holding such position, or any other officer or employee authorized by the City Council of the City or by an Authorized Officer to undertake the action referenced in this Agreement as required to be undertaken by an Authorized Officer.

"*Bond Counsel*" means Jones Hall, A Professional Law Corporation, and its successors; or any other attorney at law or firm of attorneys selected by the City, of nationally recognized standing in matters pertaining to the federal tax exemption of interest on bonds issued by states and political subdivisions, and duly admitted to practice law before the highest court of any state of the United States of America.

"Bond Year" means each twelve-month period beginning on September 2 in any year and extending to the next succeeding September 1, both dates inclusive; except that the first Bond Year shall begin on the Closing Date and end on September 1, 2022.

"*Bonds*" means the 2022 Bonds and any Additional Bonds.

"Business Day" means any day other than (i) a Saturday or a Sunday or (ii) a day on which banking institutions in the state in which the Principal Office of the Fiscal Agent is located are authorized or obligated by law or executive order to be closed.

"CDIAC" means the California Debt and Investment Advisory Commission of the office of the State Treasurer of the State of California or any successor agency or bureau thereto.

"Chief Financial Officer" means the duly acting Chief Financial Officer of the City, or if the City has no Chief Financial Officer, such officer of the City serving a similar role.

"City" means the City of Stockton, California, and any successor thereto.

"Closing Date" means _____, 2022, the date upon which there is a physical delivery of the 2022 Bonds in exchange for the amount representing the purchase price of the 2022 Bonds by the Original Purchaser.

"Code" means the Internal Revenue Code of 1986 as in effect on the date of issuance of the Bonds or (except as otherwise referenced herein) as it may be amended to apply to obligations issued on the date of issuance of the Bonds, together with applicable temporary and final regulations promulgated, and applicable official public guidance published, under the Code.

"Continuing Disclosure Certificate" means the Continuing Disclosure Certificate, dated as of the Closing Date, by and between the City and Willdan Financial Services, or successors, in its capacity as Dissemination Agent, as originally executed and as it may be amended from time to time in accordance with the terms thereof.

"Cost of Issuance" means items of expense payable or reimbursable directly or indirectly by the City and related to the authorization, sale and issuance of the Bonds, which items of expense shall include, but not be limited to, printing costs, costs of reproducing and binding documents, closing costs, filing and recording fees, initial fees, expenses and charges of the Fiscal Agent, including its first annual administration fee, and expenses and fees of counsel to the Fiscal Agent, expenses incurred by the City in connection with the issuance of the Bonds, financial advisor fees, Bond (underwriter's) discount or underwriting fee, legal fees and charges, including bond counsel, charges for execution, transportation and safekeeping of the Bonds and other costs, charges and fees in connection with the foregoing.

"Costs of Issuance Fund" means the fund by that name established pursuant to Section 3.05(A).

"DTC" means the Depository Trust Company, and its successors and assigns.

"Debt Service" means the scheduled amount of interest and amortization of principal payable on the Bonds during the period of computation, excluding amounts scheduled during such period which relate to principal which has been retired before the beginning of such period.

"Depository" means (a) initially, DTC, and (b) any other Securities Depository acting as Depository pursuant to Section 2.12.

"District" means the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II) formed pursuant to the Resolution of Formation.

"*Fair Market Value*" means the price at which a willing buyer would purchase the investment from a willing seller in a bona fide, arm's length transaction (determined as of the date the contract to purchase or sell the investment becomes binding) if the investment is traded on an established securities market (within the meaning of Section 1273 of the Code) and, otherwise, the term "Fair Market Value" means the acquisition price in a bona fide arm's length transaction (as referenced above) if (i) the investment is a certificate of deposit that is acquired in accordance with applicable regulations under the Code, (ii) the investment is an agreement with specifically negotiated withdrawal or reinvestment provisions and a specifically negotiated interest rate (for example, a guaranteed investment contract, a forward supply contract or other investment agreement) that is acquired in accordance with applicable regulations under the Code, (iii) the investment is a United States Treasury Security—State and Local Government Series that is acquired in accordance with applicable regulations of the United States Bureau of Public Debt, or (iv) the investment is the Local Agency Investment Fund of the State of California, but only if at all times during which the investment is held its yield is reasonably

expected to be equal to or greater than the yield on a reasonably comparable direct obligation of the United States.

"Federal Securities" means any of the following which are non-callable and which at the time of investment are legal investments under the laws of the State of California for funds held by the Fiscal Agent (the Fiscal Agent entitled to rely upon investment direction from the City as a certification that such investment constitutes a legal investment).

(i) Direct general obligations of the United States of America (including obligations issued or held in book-entry form on the books of the United States Department of the Treasury) and obligations, the payment of principal of and interest on which are directly or indirectly guaranteed by the United States of America, including, without limitation, such of the foregoing which are commonly referred to as "stripped" obligations and coupons; or

(ii) Any of the following obligations of the following agencies of the United States of America: (a) direct obligations of the Export-Import Bank, (b) certificates of beneficial ownership issued by the Farmers Home Administration, (c) participation certificates issued by the General Services Administration, (d) mortgage-backed bonds or passthrough obligations issued and guaranteed by the Government National Mortgage Association, (e) project notes issued by the United States Department of Housing and Urban Development, and (f) public housing notes and bonds guaranteed by the United States of America.

"Fiscal Agent" means the Fiscal Agent appointed by the City and acting as an independent fiscal agent with the duties and powers herein provided, its successors and assigns, and any other corporation or association which may at any time be substituted in its place, as provided in Section 7.01.

"Fiscal Year" means the twelve-month period extending from July 1 in a calendar year to June 30 of the succeeding year, both dates inclusive.

"*Gross Taxes*" means the proceeds of the Special Taxes received by the City, including any scheduled payments and any prepayments thereof, interest thereon and proceeds of the redemption or sale of property sold as a result of foreclosure of the lien of the Special Taxes to the amount of said lien and interest thereon. "Gross Taxes" does not include any penalties collected in connection with delinquent Special Taxes or any interest in excess of the interest due on the Bonds.

"Improvement Area 2" means Improvement Area 2 of the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II).

"Improvement Fund" means the fund by that name established pursuant to Section 3.04(A) hereof.

"Information Services" means "EMMA" or the "Electronic Municipal Market Access" system of the Municipal Securities Rulemaking Board; or, in accordance with then-current guidelines of the Securities and Exchange Commission, such other services providing information with respect to called bonds as the City may designate in an Officer's Certificate delivered to the Fiscal Agent.

"Interest Payment Dates" means March 1 and September 1 of each year, commencing March 1, 2023.

"Maximum Annual Debt Service" means, for each Series of Outstanding Bonds, the largest Annual Debt Service for any Bond Year after the calculation is made through the final maturity date of the respective Series of Outstanding Bonds.

"*Net Taxes*" means Gross Taxes minus amounts set aside to pay Administrative Expenses.

"Officer's Certificate" means a written certificate of the City signed by an Authorized Officer.

"Ordinance" means any ordinance of the City levying the Special Taxes.

"Original Purchaser" means the first purchaser of the Bonds from the City.

"Outstanding," when used as of any particular time with reference to Bonds, means (subject to the provisions of Section 8.04) all Bonds except (i) Bonds theretofore canceled by the Fiscal Agent or surrendered to the Fiscal Agent for cancellation; (ii) Bonds paid or deemed to have been paid within the meaning of Section 9.03; and (iii) Bonds in lieu of or in substitution for which other Bonds shall have been authorized, executed, issued and delivered by the City pursuant to the Agreement or any Supplemental Agreement.

"Owner" or *"Bondowner"* means any person who shall be the registered owner of any Outstanding Bond.

"Participating Underwriter" shall have the meaning ascribed thereto in the Continuing Disclosure Certificate.

"Permitted Investments" means any of the following, to the extent that they are lawful investments for City funds at the time of investment, and are acquired at Fair Market Value (the Fiscal Agent is entitled to rely upon investment direction from the City as a certification that such investment constitutes a Permitted Investment):

(i) Federal Securities;

(ii) any of following obligations of federal agencies not guaranteed by the United States of America: (a) debentures issued by the Federal Housing Administration; (b) participation certificates or senior debt obligations of the Federal Home Loan Mortgage Corporation or Farm Credit Banks (consisting of Federal Land Banks, Federal Intermediate Credit Banks or Banks for Cooperatives); (c) bonds or debentures of the Federal Home Loan Bank Board established under the Federal Home Loan Bank Act, bonds of any federal home loan bank established under said act and stocks, bonds, debentures, participations and other obligations of or issued by the Federal National Mortgage Association, the Student Loan Marketing Association, the Government National Mortgage Association and the Federal Home Loan Mortgage Corporation; and (d) bonds, notes or other obligations issued or assumed by the International Bank for Reconstruction and Development;

(iii) interest-bearing demand or time deposits (including certificates of deposit) in federal or State of California chartered banks (including the Fiscal Agent and its affiliates), provided that (a) in the case of a savings and loan association, such demand or time deposits shall be fully insured by the Federal Deposit Insurance Corporation, or the unsecured obligations of such savings and loan association shall be rated in one of the top two rating categories by a nationally recognized rating service; (b) in the case of a bank, such demand or time deposits shall be fully insured by the Federal Deposit Insurance Corporation, or the unsecured obligations of such bank (or the unsecured obligations of the parent bank holding company of which such bank is the lead bank) shall be rated at the time of purchase in one of the top two rating categories by a nationally recognized rating service; and (c) U.S. dollar denominated deposit accounts, federal funds and banker's acceptances with domestic commercial banks, which may include the Trustee, its parent holding company, if any, and their affiliates, which have a rating on their short term certificates of deposit on the date of purchase of "A" or better by S&P, maturing no more than 360 days after the date of purchase, provided that ratings on holding companies are not considered as the rating of the bank;

(iv) repurchase agreements with a registered broker/dealer subject to the Securities Investors Protection Corporation Liquidation in the event of insolvency, or any commercial bank provided that: (a) the unsecured obligations of such bank shall be rated in one of the top two rating categories by a nationally recognized rating service, or such bank shall be the lead bank of a banking holding company whose unsecured obligations are rated in one of the top two rating categories by a nationally recognized rating service; (b) the most recent reported combined capital, surplus and undivided profits of such bank shall be not less than $100 million; (c) the repurchase obligation under any such repurchase obligation shall be required to be performed in not more than thirty (30) days; (d) the entity holding such securities as described in clause (c) shall have a pledged first security interest therein for the benefit of the Fiscal Agent under the California Commercial Code or pursuant to the book-entry procedures described by 31 C.F.R. 306.1 *et seq.* or 31 C.F.R. 350.0 *et seq.* and are rated in one of the top two rating categories by a nationally recognized rating service;

(v) bankers acceptances endorsed and guaranteed by banks described in clause (iv) above;

(vi) obligations, the interest on which is exempt from federal income taxation under Section 103 of the Code and which are rated in the one of the top two rating categories by a nationally recognized rating service;

(vii) money market funds which invest solely in Federal Securities or in obligations described in the preceding clause (ii) of this definition, or money market funds which are rated in the highest rating category by Standard & Poor's Ratings Services or Moody's Investor Service, including such funds for which the Fiscal Agent, its affiliates or subsidiaries provide investment advisory or other management services or for which the Fiscal Agent or an affiliate of the Fiscal Agent serves as investment administrator, shareholder servicing agent, and/or custodian or subcustodian, notwithstanding that (a) the Fiscal Agent or an affiliate of the Fiscal Agent receives and retains a fee for services provided to the fund, (b) the Fiscal Agent collects fees for services rendered pursuant to this Agreement, which fees are separate from the fees received from such funds, and (c) services performed for such funds and pursuant to this

Agreement may at times duplicate those provided to such funds by the Fiscal Agent or an affiliate of the Fiscal Agent;

(viii) units of a taxable government money market portfolio comprised solely of obligations listed in (i) and (iv) above, such funds for which the Fiscal Agent, its affiliates or subsidiaries provide investment advisory or other management services or for which the Fiscal Agent or an affiliate of the Fiscal Agent serves as investment administrator, shareholder servicing agent, and/or custodian or subcustodian, notwithstanding that (a) the Fiscal Agent or an affiliate of the Fiscal Agent receives and retains a fee for services provided to the fund, (b) the Fiscal Agent collects fees for services rendered pursuant to this Agreement, which fees are separate from the fees received from such funds, and (c) services performed for such funds and pursuant to this Agreement may at times duplicate those provided to such funds by the Fiscal Agent or an affiliate of the Fiscal Agent;

(ix) any investment which is a legal investment for proceeds of the Bonds at the time of the execution of such agreement, and which investment is made pursuant to an agreement between the City or the Fiscal Agent or any successor Fiscal Agent and a financial institution or governmental body whose long term debt obligations are rated in one of the top two rating categories by a nationally recognized rating service;

(x) commercial paper which at the time of purchase is of "prime" quality of the highest ranking or of the highest letter and numerical rating as provided for by Moody's Investors Service, or Standard and Poor's Corporation, of issuing corporations that are organized and operating within the United States and having total assets in excess of five hundred million dollars ($500,000,000) and having an "AA" or higher rating for the issuer's debentures, other than commercial paper, as provided for by Moody's Investors Service or Standard and Poor's Corporation, and provided that purchases of eligible commercial paper may not exceed 180 days maturity nor represent more than 10 percent of the outstanding paper of an issuing corporation;

(xi) any general obligation of a bank or insurance company whose long term debt obligations are rated in one of the two highest rating categories of a national rating service;

(xii) shares in a common law trust established pursuant to Title 1, Division 7, Charter 5 of the Government Code of the State which invests exclusively in investments permitted by Section 53635 of Title 5, Division 2, Chapter 4 of the Government Code of the State, as it may be amended;

(xiii) shares in the California Asset Management Program; or

(xiii) the Local Agency Investment Fund established pursuant to Section 16429.1 of the Government Code of the State of California, *provided, however,* that the Fiscal Agent shall be permitted to make investments and withdrawals in its own name and the Fiscal Agent may restrict investments in the such fund if necessary to keep moneys available for the purposes of this Fiscal Agent Agreement.

(xiv) any other lawful investment for City funds.

"Prepayment" means moneys received by the City from the prepayment of Special Taxes as provided in the "Rate, Method of Apportionment, and Manner of Collection of Special Tax" applicable to Improvement Area 2.

"Principal Office" means the corporate trust office of the Fiscal Agent set forth in Section 9.06, or such other or additional offices as may be designated by the Fiscal Agent.

"Project" means the acquisitions and improvements described in the Resolution of Formation, including Administrative Expenses related thereto.

"Qualified Reserve Fund Credit Instrument" means an irrevocable standby or direct-pay letter of credit or surety bond issued by a commercial bank or insurance company and deposited with the Fiscal Agent pursuant to Section 4.02, provided that all of the following requirements are met: (a) the long-term credit rating of such bank or insurance company is rated at the time of issuance in the "AA" category or higher by S&P or Moody's (without regard to qualifier); (b) such letter of credit or surety bond has a term of at least 12 months; (c) such letter of credit or surety bond has a stated amount at least equal to the portion of the Reserve Requirement with respect to which funds are proposed to be released pursuant to Section 4.02; and (d) the Fiscal Agent is authorized pursuant to the terms of such letter of credit or surety bond to draw thereunder an amount equal to any deficiencies which may exist from time to time in the Special Tax Fund for the purpose of making payments required pursuant to Section 4.02 or the amount to be restored to the Reserve Fund if not timely renewed or extended.

"Record Date" means the 15th day of the month next preceding the month of the applicable Interest Payment Date whether or not such day is a Business Day.

"Regulations" means temporary and permanent regulations promulgated under the Code.

"Reserve Fund" means the fund by that name established pursuant to Section 4.02(A).

"Reserve Requirement" means, as of the date of any calculation, an amount equal to the lesser of (a) Maximum Annual Debt Service on the respective Outstanding Bonds covered by the Reserve Fund, (b) 125% of the average Annual Debt Service on the respective Outstanding Bonds covered by the Reserve Fund, or (c) 10% of the original principal amount of the respective Bonds covered by the Reserve Fund (or the issue price of the respective Bonds excluding accrued interest, if the net original issue discount or premium is less than 98% or more than 102% of the principal amount of the respective Bonds), as calculated by the City; provided, that (1) in no event shall the City, in connection with the issuance of Additional Bonds covered by the Reserve Fund pursuant to a Supplemental Agreement be obligated to deposit an amount in the Reserve Fund which is in excess of the amount permitted by the applicable provisions of the Code to be so deposited from the proceeds of tax-exempt bonds without having to restrict the yield of any investment purchased with any portion of such deposit and, in the event the amount of any such deposit into the Reserve Fund is so limited, the Reserve Requirement shall, in connection with the issuance of such Additional Bonds, be increased only by the amount of such deposit as permitted by the Code, and (2) the City may meet all or a portion of the Reserve Requirement by depositing a Qualified Reserve Fund Credit Instrument in the Reserve Fund in accordance with Section 4.02(A).

"Resolution" means Resolution No. 2022-_____ adopted by the City Council of the City on _____, 2022, which resolution, among other matters, authorized the issuance of the Bonds.

"Resolution of Formation" means collectively, (i) Resolution No. 2018-06-19-1502-01 of the City Council adopted on June 19, 2018, establishing the District and the Improvement Areas for the purpose of providing for the financing of certain public facilities in and for such District, (ii) Resolution No. 2020-02-04-1501 of the City Council adopted on February 4, 2020, reforming the boundaries of Improvement Area No. 1 and Improvement Area No. 2 and amending the Rate and Method of Apportionment of Special Tax for Improvement Area 1 and Improvement Area 2, and (iii) Resolution No. 2022-01-11-1601 of the City Council adopted on January 11, 2022, reforming the boundaries of Improvement Area No. 2 and establishing Improvement Area No. 3 and Improvement Area No. 4 of the District.

"Securities Depositories" means The Depository Trust Company; and, in accordance with then current guidelines of the Securities and Exchange Commission, such other addresses and/or such other securities depositories as the City may designate in an Officer's Certificate delivered to the Fiscal Agent.

"Series" means a series of Bonds issued under this Fiscal Agent Agreement.

"Special Tax Fund" means the fund by that name established by Section 3.03(A).

"Special Taxes" means the special taxes levied within Improvement Area 2 pursuant to the Act, the Ordinance and this Agreement.

"Supplemental Agreement" means an agreement the execution of which is authorized by a resolution which has been duly adopted by the City under the Act and which agreement is amendatory of or supplemental to this Agreement, but only if and to the extent that such agreement is specifically authorized hereunder.

"*Teeter Plan*" means the County of San Joaquin's program of distributing special taxes as described under the Alternative Method of Distribution of Tax Levies and Collections and of Tax Sale Proceeds, as provided for in Sections 4701 through 4717, inclusive, of the Revenue and Taxation Code of the State of California.

"Term 2022 Bonds" means the 2022 Bonds maturing on September 1, _____, September 1, _____, and September 1, _____.

"2022 Bonds" means the Improvement Area 2 of the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II) Special Tax Bonds, Series 2022.

"2022 Reserve Account" means the account within the Reserve Fund by that name established pursuant to Section 4.02(A).

ARTICLE II

THE 2022 BONDS

Section 2.01. Principal Amount; Designation. The 2022 Bonds in the aggregate principal amount of $_____ are hereby authorized to be issued by the City for Improvement Area 2 under and subject to the terms of the Resolution and this Agreement, the Act and other applicable laws of the State of California. The 2022 Bonds shall be designated the " Improvement Area 2 of the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II) Special Tax Bonds Series 2022."

Section 2.02. Terms of the 2022 Bonds.

(A) Form; Denominations. The 2022 Bonds shall be issued as fully registered Bonds without coupons in denominations of $5,000 or any integral multiple thereof. The 2022 Bonds shall be lettered and numbered in a customary manner as determined by the Fiscal Agent.

(B) Date of the 2022 Bonds. The 2022 Bonds shall be dated the Closing Date.

(C) CUSIP Identification Numbers. "CUSIP" identification numbers shall be imprinted on the 2022 Bonds, but such numbers shall not constitute a part of the contract evidenced by the 2022 Bonds and any error or omission with respect thereto shall not constitute cause for refusal of any purchaser to accept delivery of and pay for the 2022 Bonds. In addition, failure on the part of the City or the Fiscal Agent to use such CUSIP numbers in any notice to Owners shall not constitute an event of default or any violation of the City's contract with such Owners and shall not impair the effectiveness of any such notice.

(D) Maturities. The 2022 Bonds shall be issued as term bonds and shall mature and become payable as follows:

Maturity (Sept 1)	Principal Amount	Interest Rate	Maturity (Sept 1)	Principal Amount	Interest Rate

(E) Interest. The 2022 Bonds shall bear interest at the rates set forth above payable on the Interest Payment Dates in each year. Interest shall be calculated on the basis of a 360-day year composed of twelve 30-day months. Each 2022 Bond shall bear interest from the Interest Payment Date next preceding the date of authentication thereof unless (i) it is authenticated on an Interest Payment Date, in which event it shall bear interest from such date of authentication, or (ii) it is authenticated prior to an Interest Payment Date and after the close of business on the Record Date preceding such Interest Payment Date, in which event it shall bear interest from such Interest Payment Date, or (iii) it is authenticated prior to the Record

Date preceding the first Interest Payment Date, in which event it shall bear interest from the Closing Date; provided, however, that if at the time of authentication of a 2022 Bond, interest is in default thereon, such 2022 Bond shall bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment thereon.

(F) Method of Payment. Interest on the 2022 Bonds (including the final interest payment upon maturity or earlier redemption) is payable by check of the Fiscal Agent mailed on the Interest Payment Dates by first class mail to the registered Owner thereof at such registered Owner's address as it appears on the registration books maintained by the Fiscal Agent at the close of business on the Record Date preceding the Interest Payment Date, or by wire transfer made on such Interest Payment Date upon written instructions received by the Fiscal Agent on or before the Record Date preceding the Interest Payment Date of any Owner of $1,000,000 or more in aggregate principal amount of 2022 Bonds; provided that so long as any 2022 Bonds are in book-entry form, payments with respect to such 2022 Bonds shall be made by wire transfer or such other method acceptable to the Fiscal Agent and to the Depository. The principal of the 2022 Bonds and any premium on the 2022 Bonds are payable in lawful money of the United States of America upon surrender of the 2022 Bonds at the Principal Office of the Fiscal Agent. All 2022 Bonds paid by the Fiscal Agent pursuant to this Section shall be cancelled by the Fiscal Agent. The Fiscal Agent shall destroy the cancelled 2022 Bonds in accordance with its records retention policy then in effect.

Section 2.03. Redemption.

(A) Redemption Dates.

(i) Optional Redemption. The 2022 Bonds are subject to optional redemption from any source of available funds other than Prepayments prior to maturity, in whole, or in part among maturities as specified by the City and by lot within a maturity, on any date on or after September 1, _____, at the following respective redemption prices (expressed as percentages of the principal amount of the 2022 Bonds to be redeemed), plus accrued interest thereon to the date of redemption:

Redemption Dates	**Redemption Price**
September 1, ____ through August 30, ____	103%
September 1, ____ through August 30, ____	102
September 1, ____ through August 30, ____	101
September 1, ____ and any date thereafter	100

(ii) Mandatory Redemption From Prepayments. The 2022 Bonds shall be subject to mandatory redemption from Prepayments of the Special Tax by property owners, in whole or in part among maturities as shall be specified by the City and by lot within a maturity, on any Interest Payment Date at the following respective redemption prices (expressed as percentages of the principal amount of the 2022 Bonds to be redeemed), plus accrued interest thereon to the date of redemption:

Redemption Dates	**Redemption Price**
Interest Payment Dates through March 1, _____	103%
September 1, _____ and March 1, _____	102
September 1, _____ and March 1, _____	101
September 1, _____ and Interest Payment Dates thereafter	100

(iii) Mandatory Sinking Fund Redemption. The 2022 Bonds maturing September 1, _____, September 1, _____ and September 1, _____ (the "**Term 2022 Bonds**") are subject to mandatory sinking payment redemption in part on September 1, _____, September 1, _____ and September 1, _____, respectively, and on each September 1 thereafter to maturity, by lot, at a redemption price equal to 100% of the principal amount thereof to be redeemed, without premium, in the aggregate respective principal amounts as set forth in the following tables:

Term Bonds Due September 1, _____

Mandatory Redemption Date (September 1)	Sinking Fund Payment

Term Bonds Due September 1, _____

Mandatory Redemption Date (September 1)	Sinking Fund Payment

Term Bonds Due September 1, _____

Mandatory Redemption Date (September 1)	Sinking Fund Payment

The amounts in the foregoing tables shall be reduced pro rata, at the direction of the City in an Officer's Certificate, in order to maintain substantially uniform debt service, as a result of any prior partial optional or mandatory redemption of the Term 2022 Bonds pursuant to Section 2.03(A)(i) or (ii) above. In the event of a redemption pursuant to Section 2.03(A)(i) or (ii), the City shall provide the Fiscal Agent with a revised sinking fund schedule giving effect to the redemption so completed.

In lieu of redemption under this Section 2.03, moneys in the Special Tax Fund may be used and withdrawn by the Fiscal Agent for purchase of Outstanding 2022 Bonds, upon the filing with the Fiscal Agent of an Officer's Certificate requesting such purchase, at public or private sale as and when, and at such prices (including brokerage and other charges) as such Officer's Certificate may provide, but in no event may 2022 Bonds be purchased at a price in excess of the principal amount thereof, plus interest accrued to the date of purchase.

(B) Notice to Fiscal Agent. The City shall give the Fiscal Agent an Officer's Certificate containing notice of its intention to redeem 2022 Bonds pursuant to Section 2.03(A)(i) and (ii) not less than 60 days prior to the applicable redemption date.

(C) Redemption Procedure by Fiscal Agent; Rescission. The Fiscal Agent shall cause notice of any redemption to be mailed by first class mail, postage prepaid, at least 20 days but not more than 60 days prior to the date fixed for redemption, to the Securities Depositories and to one or more Information Services, and to the respective registered Owners of any 2022 Bonds designated for redemption, at their addresses appearing on the 2022 Bond registration books in the Principal Office of the Fiscal Agent; but such mailing shall not be a condition precedent to such redemption and failure to mail or to receive any such notice, or any defect therein, shall not affect the validity of the proceedings for the redemption of such 2022 Bonds.

Such notice shall state the redemption date and the redemption price and, if less than all of the then Outstanding 2022 Bonds are to be called for redemption, shall designate the CUSIP numbers and 2022 Bond numbers of the 2022 Bonds to be redeemed by giving the individual CUSIP number and 2022 Bond number of each 2022 Bond to be redeemed or shall state that all 2022 Bonds between two stated 2022 Bond numbers, both inclusive, are to be redeemed or that all of the 2022 Bonds of one or more maturities have been called for redemption, shall state as to any 2022 Bond called in part the principal amount thereof to be redeemed, and shall require that such 2022 Bonds be then surrendered at the Principal Office of the Fiscal Agent for redemption at the said redemption price, and shall state that further interest on such 2022 Bonds will not accrue from and after the redemption date.

Upon the payment of the redemption price of 2022 Bonds being redeemed, each check or other transfer of funds issued for such purpose shall, to the extent practicable, bear the CUSIP number identifying, by issue and maturity, of the 2022 Bonds being redeemed with the proceeds of such check or other transfer.

The City has the right to rescind any notice of the redemption of 2022 Bonds under Section 2.03(A)(i) by written notice to the Fiscal Agent on or prior to two Business Days prior the date fixed for redemption. Any notice of redemption shall be cancelled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the 2022 Bonds then called for redemption, and such cancellation shall not constitute an event of default. The City and the Fiscal Agent have no liability to the Owners or any other party related to or arising from such rescission of redemption. The Fiscal Agent shall mail notice of such rescission of redemption in the same manner as the original notice of redemption was sent under this Section.

Whenever provision is made in this Agreement for the redemption of less than all of the 2022 Bonds of any maturity, the Fiscal Agent shall select the 2022 Bonds to be redeemed, from all 2022 Bonds or such given portion thereof of such maturity by lot in any manner which the Fiscal Agent in its sole discretion shall deem appropriate.

Upon surrender of 2022 Bonds redeemed in part only, the City shall execute and the Fiscal Agent shall authenticate and deliver to the registered Owner, at the expense of the City, a new 2022 Bond or 2022 Bonds, of the same series and maturity, of authorized denominations in an aggregate principal amount equal to the unredeemed portion of the 2022 Bond or 2022 Bonds.

(D) Effect of Redemption. From and after the date fixed for redemption, if funds available for the payment of the principal of, and interest and any premium on, the 2022 Bonds so called for redemption shall have been deposited in the Special Tax Fund, such 2022 Bonds so called shall cease to be entitled to any benefit under this Agreement other than the right to receive payment of the redemption price, and no interest shall accrue thereon on or after the redemption date specified in such notice.

All 2022 Bonds redeemed and purchased by the Fiscal Agent pursuant to this Section shall be canceled by the Fiscal Agent. The Fiscal Agent shall destroy the cancelled 2022 Bonds it has received in accordance with its records retention policy then in effect.

Section 2.04. Form of Bonds. The 2022 Bonds, the form of Fiscal Agent's certificate of authentication and the form of assignment, to appear thereon, shall be substantially in the forms, respectively, set forth in Exhibit A attached hereto and by this reference incorporated herein, with necessary or appropriate variations, omissions and insertions, as permitted or required by this Agreement, the Resolution and the Act.

Section 2.05. Execution of Bonds. The Bonds shall be executed on behalf of the City by the Mayor and the City Clerk of the City who are in office on the date of adoption of this Agreement or at any time thereafter, and the seal of the City may be impressed, imprinted or reproduced by facsimile thereon. If any officer whose signature appears on any Bond ceases to be such officer before delivery of the Bonds to the Owner, such signature shall nevertheless be as effective as if the officer had remained in office until the delivery of the Bonds to the Owner. Any Bond may be signed and attested on behalf of the City by such persons as at the actual date of the execution of such Bond shall be the proper officers of the City although at the nominal date of such Bond any such person shall not have been such officer of the City.

Only such Bonds as shall bear thereon a certificate of authentication in substantially the form set forth in Exhibit A, executed and dated by the Fiscal Agent, shall be valid or obligatory for any purpose or entitled to the benefits of this Agreement, and such certificate of authentication of the Fiscal Agent shall be conclusive evidence that the Bonds registered hereunder have been duly authenticated, registered and delivered hereunder and are entitled to the benefits of this Agreement.

Section 2.06. Transfer of Bonds. Any Bond may, in accordance with its terms, be transferred, upon the books required to be kept pursuant to the provisions of Section 2.08 by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Bond for cancellation, accompanied by delivery of a duly written instrument of transfer in a form acceptable to the Fiscal Agent. The cost for any services rendered or any expenses incurred by the Fiscal Agent in connection with any such transfer shall be paid by the City. The Fiscal Agent shall collect from the Owner requesting such transfer any tax or other governmental charge required to be paid with respect to such transfer.

Whenever any Bond or Bonds shall be surrendered for transfer, the City shall execute and the Fiscal Agent shall authenticate and deliver a new Bond or Bonds, for a like aggregate principal amount of Bonds of authorized denominations and of the same maturity.

No transfers of Bonds shall be required to be made (i) within 15 days prior to the date established by the Fiscal Agent for selection of Bonds for redemption or (ii) with respect to a Bond after such Bond has been selected for redemption.

The transferor of any Bond shall also provide or cause to be provided to the Fiscal Agent all information necessary to allow the Fiscal Agent to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Internal Revenue Code Section 6045. The Trustee may rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

Section 2.07. Exchange of Bonds. Bonds may be exchanged at the Principal Office of the Fiscal Agent for a like aggregate principal amount of Bonds of authorized denominations and of the same maturity. The cost for any services rendered or any expenses incurred by the Fiscal Agent in connection with any such exchange shall be paid by the City. The Fiscal Agent shall collect from the Owner requesting such exchange any tax or other governmental charge required to be paid with respect to such exchange.

No exchanges of Bonds shall be required to be made (i) within 15 days prior to the date established by the Fiscal Agent for selection of Bonds for redemption or (ii) with respect to a Bond after such Bond has been selected for redemption.

Section 2.08. Bond Register. The Fiscal Agent will keep or cause to be kept, at its Principal Office, sufficient books for the registration and transfer of the Bonds (the "Bond Register"), which books shall show the series number, date, amount, rate of interest and Owner of each Bond and shall at all times be open to inspection by the City during regular business hours upon reasonable notice; and, upon presentation for such purpose, the Fiscal Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on said books, the ownership of the Bonds as hereinbefore provided.

Section 2.09. Temporary Bonds. The Bonds may be initially issued in temporary form exchangeable for definitive Bonds when ready for delivery. The temporary Bonds may be printed, lithographed or typewritten, shall be of such denominations as may be determined by the City, and may contain such reference to any of the provisions of this Agreement as may be appropriate. Every temporary Bond shall be executed by the City upon the same conditions and in substantially the same manner as the definitive Bonds. If the City issues temporary Bonds it will execute and furnish definitive Bonds without delay and thereupon the temporary Bonds shall be surrendered, for cancellation, in exchange for the definitive Bonds at the Principal Office of the Fiscal Agent or at such other location as the Fiscal Agent shall designate, and the Fiscal Agent shall authenticate and deliver in exchange for such temporary Bonds an equal aggregate principal amount of definitive Bonds of authorized denominations. Until so exchanged, the temporary bonds shall be entitled to the same benefits under this Agreement as definitive Bonds authenticated and delivered hereunder.

Section 2.10. Bonds Mutilated, Lost, Destroyed or Stolen. If any Bond shall become mutilated, the City shall execute, and the Fiscal Agent shall authenticate and deliver, a new Bond of like tenor and principal amount in exchange and substitution for the Bond so mutilated, but only upon surrender to the Fiscal Agent of the Bond so mutilated. Every mutilated Bond so surrendered to the Fiscal Agent shall be canceled by it and destroyed by the Fiscal Agent in accordance with its records retention policy then in effect. If any Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Fiscal Agent and, if such evidence be satisfactory to it and indemnity for the Fiscal Agent and the City satisfactory to the Fiscal Agent shall be given, the City shall execute, and the Fiscal Agent shall authenticate and deliver, a new Bond of like tenor and principal amount in lieu of and in substitution for the Bond so lost, destroyed or stolen. The City may require payment of a sum not exceeding the

actual cost of preparing each new Bond delivered under this Section and of the expenses which may be incurred by the City and the Fiscal Agent for the preparation, execution, authentication and delivery. Any Bond delivered under the provisions of this Section in lieu of any Bond alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the City whether or not the Bond so alleged to be lost, destroyed or stolen is at any time enforceable by anyone, and shall be equally and proportionately entitled to the benefits of this Agreement with all other Bonds issued pursuant to this Agreement.

Section 2.11. Limited Obligation. All obligations of the City under this Agreement and the Bonds shall be special obligations of the City, payable solely from the Net Taxes and the funds pledged therefore hereunder. Neither the full faith and credit nor the taxing power of the City (except to the limited extent set forth herein) or the State of California or any political subdivision thereof is pledged to the payment of the Bonds.

Section 2.12. Book-Entry Only System. DTC shall act as the initial Depository for the Bonds. One Bond for each maturity of the Bonds shall be initially executed, authenticated, and delivered as set forth herein as a separate fully registered certificate (in printed or typewritten form). Upon initial execution, authentication, and delivery, the ownership of the Bonds shall be registered in the Bond Register kept by the Fiscal Agent for the Bonds in the name of Cede & Co, as nominee of DTC or such nominee as DTC shall appoint in writing.

The Authorized Officers and the Fiscal Agent are hereby authorized to take any and all actions as may be necessary and not inconsistent with this Agreement to qualify the Bonds for the Depository's book-entry system, including the execution of the Depository's required representation letter.

With respect to Bonds registered in the Bond Register in the name of Cede & Co, as nominee of DTC, the Fiscal Agent shall not have any responsibility or obligation to any broker-dealer, bank, or other financial institution for which DTC holds Bonds as Depository from time to time (the "DTC Participants") or to any person for which a DTC Participant acquires an interest in the Bonds (the "Beneficial Owners"). Without limiting the immediately preceding sentence, the Fiscal Agent shall not have any responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co, or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant, any Beneficial Owner, or any other person, other than DTC, of any notice with respect to the Bonds, including any notice of redemption or mandatory tender, (iii) the selection by the Depository of the beneficial interests in the Bonds to be redeemed in the event the City elects to redeem the Bonds in part, (iv) the payment to any DTC Participant, any Beneficial Owner, or any other person, other than DTC, of any amount with respect to the principal of or interest on the Bonds, or (v) any consent given or other action taken by the Depository as Owner of the Bonds.

The Fiscal Agent may treat as and deem DTC to be the absolute Owner of each Bond for which DTC is acting as Depository for the purpose of payment of the principal of and interest on such Bonds, for the purpose of giving notices of prepayment and other matters with respect to such Bonds, for the purpose of registering transfers with respect to such Bonds, and for all purposes whatsoever. The Fiscal Agent shall pay all principal of and interest on the Bonds only to the Owners as shown on the Registration Books, and all such payments shall be valid and effective to fully satisfy and discharge all obligations with respect to the principal of and interest on the Bonds to the extent of the sum or sums so paid.

No person other than an Owner, as shown on the Bond Register, shall receive a physical Bond. Upon delivery by DTC to the Fiscal Agent of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the transfer provisions in Section 2.06 hereof, references to "Cede & Co." in this Section 2.12 shall refer to such new nominee of DTC.

DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving written notice to the Fiscal Agent and the City during any time that the Bonds are Outstanding, and discharging its responsibilities with respect thereto under applicable law. The City may terminate the services of DTC with respect to the Bonds if it determines that DTC is unable to discharge its responsibilities with respect to the Bonds or that continuation of the system of book-entry transfers through DTC is not in the best interest of the Beneficial Owners, and the City shall mail notice of such termination to the Fiscal Agent.

Upon the termination of the services of DTC as provided in the previous paragraph, and if no substitute Depository willing to undertake the functions hereunder can be found which is able to undertake such functions upon reasonable or customary terms, or if the City determines that it is in the best interest the Beneficial Owners of the Bonds that they be able to obtain certificated Bonds, the Bonds shall no longer be restricted to being registered in the Bond Register of the Fiscal Agent in the name of Cede & Co., as nominee of DTC, but may be registered in whatever name or names the Owners shall designate at that time, in accordance with Section 2.06.

To the extent that the Beneficial Owners are designated as the transferee by the Owners, in accordance with Section 2.06, the Bonds will be delivered to such Beneficial Owners as soon as practicable.

Section 2.13. No Acceleration. The principal of the Bonds shall not be subject to acceleration hereunder. Nothing in this Section 2.13 shall in any way prohibit the prepayment or redemption of Bonds under Section 2.03 hereof, or the defeasance of the Bonds and discharge of this Agreement under Section 9.03 hereof.

ARTICLE III

ISSUANCE OF BONDS

Section 3.01. Issuance and Delivery of Bonds. At any time after the execution of this Agreement, the City may issue the Bonds for Improvement Area 2 in the aggregate principal amount set forth in Section 2.01 or as authorized in any supplemental agreement and deliver such Bonds to the Original Purchaser. The Authorized Officers of the City are hereby authorized and directed to deliver any and all documents and instruments necessary to cause the issuance of Bonds in accordance with the provisions of the Act, the Resolution and this Agreement, to authorize the payment of Costs of Issuance of the Bonds from the proceeds of the Bonds and to do and cause to be done any and all acts and things necessary or convenient for delivery of the Bonds to the Original Purchaser.

Section 3.02. Application of Proceeds of Sale of 2022 Bonds. The proceeds of the purchase of the 2022 Bonds by the Original Purchaser in the amount of $_____, which represents the aggregate principal amount of the Bonds ($_____), plus net original issue premium of $_____, less an Underwriter's discount of $_____, shall be paid to the Fiscal Agent, who shall forthwith set aside, pay over and deposit such proceeds on the Closing Date as follows:

(i) Deposit in the Improvement Fund $_____;

(ii) Deposit in the 2022 Reserve Account of the Reserve Fund $_____, equaling the initial Reserve Requirement;

(iii) Deposit in the Costs of Issuance Fund $_____; and

(iv) Deposit in the Interest Account of the Special Tax Fund $_____.

The Fiscal Agent may establish such temporary funds or accounts as reasonably necessary to complete the foregoing deposits.

Section 3.03. Special Tax Fund.

(A) Establishment and Disbursements. There is hereby established as a separate fund to be held by the Fiscal Agent, the Community Facilities District No. 2018-2 (Westlake Villages II) Special Tax Bonds Special Tax Fund to be held by the Fiscal Agent for the benefit of the Owners. Except for the portion of any Prepayment to be deposited to the Redemption Account as specified in an Officer's Certificate delivered to the Fiscal Agent, the Fiscal Agent shall, on each date on which Net Taxes are received from the City (pursuant to Section 5.07), deposit the Net Taxes in the Special Tax Fund. The Fiscal Agent shall transfer the Net Taxes on deposit in the Special Tax Fund on the dates and in the amounts set forth in this Section, in the following order of priority:

(1) To the Interest Account of the Special Tax Fund;

(2) To the Principal Account of the Special Tax Fund;

(3) To the Redemption Account of the Special Tax Fund;

(4) To the Reserve Fund; and

(5) To the Surplus Fund.

(B) Interest Account and Principal Account of the Special Tax Fund. The principal of and interest due on the Bonds until maturity, other than principal due upon optional or special mandatory redemption, shall be paid by the Fiscal Agent from the Principal Account and the Interest Account of the Special Tax Fund, respectively. For the purpose of assuring that the payment of principal of and interest on the Bonds will be made when due (including mandatory sinking fund payments), at least one Business Day prior to each Interest Payment Date, the Fiscal Agent shall transfer from the Special Tax Fund, first to the Interest Account and then to the Principal Account, the amount required to pay interest on and principal of the Bonds (including mandatory sinking fund payments) on the immediately succeeding Interest Payment Date; provided, that to the extent that deposits have been made in the Interest Account or the Principal Account from the proceeds of the sale of an issue of the Bonds, or otherwise, the transfer from the Special Tax Fund need not be made.

(C) Redemption Account of the Special Tax Fund.

(1) In accordance with the City's election to call 2022 Bonds for optional redemption as set forth in Section 2.03(A)(i), or to call Additional Bonds for optional redemption as set forth in any Supplemental Agreement for Additional Bonds, the Fiscal Agent shall transfer from the Special Tax Fund and deposit in the Redemption Account of the Special Tax Fund moneys available for the purpose and sufficient to pay the principal, interest and premium, if any, payable on the 2022 Bonds or Additional Bonds called for optional redemption.

(2) The portion of any Prepayment specified in an Officer's Certificate delivered to the Fiscal Agent to be deposited to the Redemption Account pursuant to Section 3.03(A), shall be deposited to the Redemption Account and applied on the redemption date established pursuant to Section 2.03(A)(ii) for the 2022 Bonds, and in any Supplemental Agreement for any Additional Bonds, for the payment of the principal, interest and the premium, if any, payable on the 2022 Bonds or Additional Bonds to be redeemed with such Prepayments.

(3) Moneys set aside in the Redemption Account shall be used solely for the purpose of redeeming Bonds and shall be applied on or after the redemption date to the payment of principal, interest and premium, if any, on the Bonds to be redeemed; provided, that in lieu or partially in lieu of such call and redemption, moneys deposited in the Redemption Account may be used to purchase Outstanding Bonds in the manner hereinafter provided. Purchases of Outstanding Bonds may be made by the City at public or private sale as and when and at such prices as the City may in its discretion determine but only at prices (including brokerage or other expenses) not more than par plus accrued interest, plus, in the case of moneys set aside for an optional redemption, the premium applicable at the next following call date according to the premium schedule established for such Bonds. Any accrued interest payable upon the purchase of Bonds may be paid from the amount reserved in the Interest Account of the Special Tax Fund for the payment of interest on the next following Interest Payment Date.

(D) Reserve Fund. After making the transfers required by the foregoing provisions of this Section 3.03, the Fiscal Agent shall, after taking into account amounts then on deposit

in the Reserve Fund (including the accounts therein), transfer amounts needed from the Special Tax Fund to the Reserve Fund so that the amount in the Reserve Fund equals the Reserve Requirement for each Series of Bonds.

(E) Surplus Fund. After making the transfers required by the foregoing provisions of this Section 3.03, as soon as practicable after each September 2, the Fiscal Agent shall transfer all remaining amounts in the Special Tax Fund to the Surplus Fund, unless on or prior to such date, it has received an Officer's Certificate directing that certain amounts be retained in the Special Tax Fund because the City has assumed such amounts would be available in the Special Tax Fund in calculating the amount of the levy of Special Taxes for such Bond Year pursuant to Section 5.07.

(F) Investment. Moneys in the Special Tax Fund shall be invested and deposited in accordance with Section 6.01. Interest earnings and profits resulting from such investment and deposit shall be retained in the Special Tax Fund to be used for the purposes thereof.

Section 3.04. Improvement Fund.

(A) Establishment of Improvement Fund. There is hereby established as a separate fund to be held by the Fiscal Agent, the Community Facilities District No. 2018-2 (Westlake Villages II) Special Tax Bonds Improvement Fund to the credit of which a deposit shall be made as required by Section 3.02. Moneys in the Improvement Fund shall be held in trust and shall be disbursed as provided in subsection (B) of this Section for the payment or reimbursement of costs of the Project. Prior to disbursement, amounts on deposit in the Improvement Fund shall be subject to a lien in favor of the Owners of the Bonds.

(B) Procedure for Disbursement. Disbursements from the Improvement Fund shall be made by the Fiscal Agent upon receipt of an Officer's Certificate substantially in the form of Exhibit B attached hereto which shall:

(i) set forth the amount required to be disbursed, the purpose for which the disbursement is to be made, the person to which the disbursement is to be paid and state that such disbursement is for a Project cost; and

(ii) certify that no portion of the amount then being requested to be disbursed was set forth in any Officer's Certificate previously filed requesting disbursement.

Each such Officer's Certificate shall be sufficient evidence to the Fiscal Agent of the facts stated therein and the Fiscal Agent shall have no duty to confirm the accuracy of such facts.

(C) Investment. Moneys in the Improvement Fund and the accounts established thereunder shall be invested and deposited in accordance with Section 6.01. Interest earnings and profits from the investment of amounts in the Improvement Fund shall be retained by the Fiscal Agent in the Improvement Fund to be used for the purposes of the Improvement Fund.

(D) Closing of Fund. Upon the earlier of three years after the Closing Date or the filing of an Officer's Certificate stating that the portion of the Project to be financed from the Improvement Fund has been completed and that all costs of such portion of the Project have been paid, the Fiscal Agent shall transfer the amount, if any, remaining in the Improvement

Fund to the Special Tax Fund for application to the payment of principal of and interest on the Bonds, and the Improvement Fund shall be closed.

Section 3.05. Costs of Issuance Fund.

(A) Establishment of Costs of Issuance Fund. There is hereby established as a separate fund to be held by the Fiscal Agent, the Community Facilities District No. 2018-2 (Westlake Villages II) Special Tax Bonds Costs of Issuance Fund, to the credit of which a deposit shall be made as required by Section 3.02. Moneys in the Costs of Issuance Fund shall be held in trust by the Fiscal Agent and shall be disbursed as provided in subsection (B) of this Section for the payment or reimbursement of Costs of Issuance of the Bonds.

(B) Disbursement; Closing of Fund. Amounts in the Costs of Issuance Fund shall be disbursed from time to time to pay Costs of Issuance, as set forth in an Officer's Certificate containing respective amounts to be paid to the designated payees, signed by an Authorized Officer or a designee thereof and delivered to the Fiscal Agent. The Fiscal Agent shall pay all Costs of Issuance of the Bonds upon receipt of an invoice from any such payee which requests payment in an amount which is less than or equal to the amount set forth with respect to such payee in such Officer's Certificate, or upon receipt of an Officer's Certificate requesting payment of a Cost of Issuance not listed on the initial Officer's Certificate delivered to the Fiscal Agent on the Closing Date of the Bonds. Each such Officer's Certificate shall be sufficient evidence to the Fiscal Agent of the facts stated therein and the Fiscal Agent shall have no duty to confirm the accuracy of such facts.

The Fiscal Agent shall maintain the Costs of Issuance Fund for a period of 6 months from the Closing Date of the Bonds and then shall transfer any moneys remaining therein, including any investment earnings thereon, to the Improvement Fund, unless such fund has been closed, in which event the moneys shall be transferred to the Special Tax Fund and the Costs of Issuance Fund shall be closed. Thereafter, any cost of issuance invoice received by the Fiscal Agent shall be submitted to the Chief Financial Officer for payment.

(C) Investment. Moneys in the Costs of Issuance Fund shall be invested and deposited in accordance with Section 6.01. Interest earnings and profits resulting from said investment shall be retained by the Fiscal Agent in the Costs of Issuance Fund to be used for the purposes of the Costs of Issuance Fund.

Section 3.06. Surplus Fund.

(A) Establishment of Surplus Fund. There is hereby established as a separate fund to be held by the Fiscal Agent, the Community Facilities District No. 2018-2 (Westlake Villages II) Special Tax Bonds Surplus Fund, to the credit of which a deposit shall be made as required by Section 3.03(E). Moneys in the Surplus Fund shall be held in trust by the Fiscal Agent for the benefit of the City.

(B) Disbursement. The amounts in the Surplus Fund are not pledged to the repayment of the Bonds and may be used by the City for any lawful purpose. Moneys deposited in the Surplus Fund shall be transferred by the Fiscal Agent upon the direction of the City, as set forth in an Officer's Certificate delivered to the Fiscal Agent.

(C) Investment. Moneys in the Surplus Fund shall be invested and deposited in accordance with Section 6.01. Interest earnings and profits resulting from said investment

shall be retained by the Fiscal Agent in the Surplus Fund to be used for the purposes of such fund.

ARTICLE IV
PLEDGE OF NET TAXES; RESERVE FUND

Section 4.01. Pledge of Net Taxes and Other Amounts. All of the Net Taxes and all moneys deposited in the Special Tax Fund, the Reserve Fund and, until disbursed as provided herein, in the Improvement Fund, are hereby pledged to secure the repayment of the Bonds. Such pledge shall constitute a first lien on the Net Taxes and said amounts. The Net Taxes and all moneys deposited into such funds (except as otherwise provided herein) are hereby dedicated in their entirety to the payment of the principal of, including any mandatory sinking fund payments, and interest and any premium on, the Bonds as provided herein and in the Act until all of the Bonds have been paid and retired or until moneys or Federal Securities have been set aside irrevocably for that purpose in accordance with Section 9.03.

Amounts in the Costs of Issuance Fund for any Series of Bonds are not pledged to the repayment of the Bonds. The facilities acquired with the proceeds of the Bonds are not in any way pledged to pay the Debt Service on the Bonds. Any proceeds of condemnation, destruction or other disposition of any facilities financed with the proceeds of the Bonds are not pledged to pay the Debt Service on the Bonds and are free and clear of any lien or obligation imposed hereunder.

Notwithstanding any provision contained in this Agreement to the contrary, Net Taxes deposited in the Surplus Fund shall no longer be considered to be pledged to the Bonds, and none of the Surplus Fund shall be construed as a trust fund held for the benefit of the Owners.

Section 4.02. Reserve Fund.

(A) Establishment of Fund. There is hereby established as a separate fund to be held by the Fiscal Agent, the Community Facilities District No. 2018-2 (Westlake Villages II) Special Tax Bonds Reserve Fund, and within the Reserve Fund shall be established a 2022 Reserve Account, to the credit of which a deposit shall be made as required by Section 3.02 and deposits shall be made as provided in Section 3.03(D). Unless otherwise set forth in a Supplemental Agreement, for each Series of Additional Bonds covered by the Reserve Fund, the Fiscal Agent shall establish a separate account within the Reserve Fund for each such Series, which account shall be maintained purely for accounting purposes, and amounts in all accounts within the Reserve Fund shall be pledged to all Bonds equally and ratably. Moneys in each account of the Reserve Fund shall be held in trust by the Fiscal Agent for the benefit of the Owners of the Bonds as a reserve for the payment of principal of, and interest on, the Bonds and shall be subject to a lien in favor of the Owners of the Bonds.

The City has the right at any time to cause the Fiscal Agent to release funds from the Reserve Fund, in whole or in part, by tendering to the Fiscal Agent: (1) a Qualified Reserve Fund Credit Instrument, and (2) an opinion of Bond Counsel stating that such release will not, of itself, cause the interest on the Bonds to become includable in gross income for purposes of federal income taxation. Upon tender of such items to the Fiscal Agent, the Fiscal Agent will transfer such funds from the Reserve Fund to the City. Prior to the expiration of any Qualified Reserve Fund Credit Instrument, the City is obligated either to replace such Qualified Reserve Fund Credit Instrument with a new Qualified Reserve Fund Credit Instrument, or to deposit or cause to be deposited with the Fiscal Agent an amount of funds such that the funds on deposit in the Reserve Fund together with all Qualified Reserve Fund Credit Instruments held by the Fiscal Agent is at least equal to the Reserve Requirement (which funds may come from a draw by the Fiscal Agent on the Qualified Reserve Fund Credit Instrument prior to its expiration).

Any Qualified Reserve Fund Credit Instrument deposited with the Fiscal Agent shall contain instructions to the Fiscal Agent with respect to the purpose and use thereof.

(B) Use of Fund. Except as otherwise provided in this Section, all amounts deposited in the Reserve Fund shall be used and withdrawn by the Fiscal Agent solely for the purpose of making transfers to the Special Tax Fund one Business Day prior to any Interest Payment Date for which there is a deficiency in the amount required for payment of the principal of, and interest on, the Bonds on such Interest Payment Date. Whenever transfer is made from the Reserve Fund to the Special Tax Fund due to a deficiency in the Special Tax Fund, the Fiscal Agent shall provide written notice thereof to the Chief Financial Officer.

To the extent the Fiscal Agent is required to draw on amounts in the Reserve Fund, the Fiscal Agent shall draw on such amounts from any accounts within the Reserve Fund on a pro rata basis based upon the amounts produced by calculating the Reserve Requirement for each Series of Bonds related to such accounts; provided, that because the accounts are established within the Reserve Fund solely for the purpose of complying with federal tax law, nothing in this Section shall be construed to limit the availability of amounts in any account within the Reserve Fund to pay debt service on any Series of Bonds.

(C) Transfer of Excess of Reserve Requirement. Whenever the amount in the Reserve Fund exceeds the then applicable Reserve Requirement, the Fiscal Agent shall provide written notice to the Chief Financial Officer of the amount of the excess. The Chief Financial Officer shall advise the Fiscal Agent in writing of the amount, if any, of any transfer required pursuant to Section 4.02(D) and 6.02 below, and otherwise direct the Fiscal Agent to transfer an amount equal to the excess from the Reserve Fund to the Improvement Fund, if the Project has not been completed as of the date of such transfer, or if the Project has been completed, to the Special Tax Fund to be used for the payment of the principal of and interest on the Outstanding Bonds covered by the Reserve Fund in accordance with Section 3.03; provided, that to the extent that such excess results from the Prepayment of Special Taxes and redemption of Bonds as provided in an Officer's Certificate in accordance with this Agreement, such amount shall be transferred to the Redemption Account and applied to the corresponding special mandatory redemption of Bonds.

(D) Transfer for Rebate Purposes. Investment earnings on amounts in the Reserve Fund may be withdrawn from the Reserve Fund for purposes of making payment to the federal government to comply with Section 6.02.

(E) Transfer When Balance Exceeds Outstanding Bonds. Whenever the balance in the Reserve Fund exceeds the amount required to redeem or pay the Outstanding Bonds covered by the Reserve Fund, including interest accrued to the date of payment or redemption and premium, if any, due upon redemption, and after making any transfer required under Section 4.02(D) above and upon receipt of an Officer's Certificate directing it to do so, the Fiscal Agent shall transfer the amount in the Reserve Fund to the Special Tax Fund to be applied, on the next succeeding Interest Payment Date to the payment and redemption, in accordance with Section 3.03, of all such Outstanding Bonds. In the event that the amount so transferred from the Reserve Fund to the Special Tax Fund exceeds the amount required to pay and redeem the Outstanding Bonds covered by the Reserve Fund, the balance in the Reserve Fund shall be transferred to the City, after payment of any amounts due the Fiscal Agent hereunder, to be used for any lawful purpose of the City.

Notwithstanding the foregoing, no amounts shall be transferred from the Reserve Fund pursuant to this Section 4.02(E) until after the calculation, pursuant to Section 6.02, of any amounts due to the federal government following payment of the respective Series of Bonds and withdrawal of any such amount under Section 4.02(D) for purposes of making such payment to the federal government, and payment of any fees and expenses due to the Fiscal Agent.

(F) Investment. Moneys in the Reserve Fund shall be invested and deposited in accordance with Section 6.01. Interest earnings and profits resulting from such investment and deposit shall be retained in the Reserve Fund to be used and disbursed as provided in this Section 4.02.

ARTICLE V

OTHER COVENANTS OF THE CITY

Section 5.01. Punctual Payment. The City will punctually pay or cause to be paid the principal of, and interest and any premium on, the Bonds when and as due in strict conformity with the terms of this Agreement, and it will faithfully observe and perform all of the conditions covenants and requirements of this Agreement and all Supplemental Agreements and of the Bonds.

Section 5.02. Limited Obligation. The Bonds are limited obligations of the City on behalf of Improvement Area 2 and are payable solely from and secured solely by the Net Taxes and the amounts in certain funds created hereunder as, and to the extent, set forth in Section 4.01.

Section 5.03. Extension of Time for Payment. In order to prevent any accumulation of claims for interest after maturity, the City shall not, directly or indirectly, extend or consent to the extension of the time for the payment of any claim for interest on any of the Bonds and shall not, directly or indirectly, be a party to the approval of any such arrangement by purchasing or funding said claims for interest or in any other manner. In case any such claim for interest shall be extended or funded, whether or not with the consent of the City, such claim for interest so extended or funded shall not be entitled, in case of default hereunder, to the benefits of this Agreement, except subject to the prior payment in full of the principal of all of the Bonds then Outstanding and of all claims for interest which shall not have been so extended or funded.

Section 5.04. Against Encumbrances. The City will not encumber, pledge or place any charge or lien upon any of the Net Taxes or other amounts pledged to the Bonds superior to or on a parity with the pledge and lien herein created for the benefit of the Bonds, except as permitted by this Agreement.

Section 5.05. Books and Accounts. The City will keep, or cause to be kept, proper books of record and accounts, separate from all other records and accounts of the City, in which complete and correct entries shall be made of all transactions of the City relating to the Special Taxes. Such books of record and accounts shall at all times during business hours be subject to the inspection of the Fiscal Agent and the Owners of not less than 10% of the principal amount of the Bonds then Outstanding, or their representatives duly authorized in writing.

The Fiscal Agent will keep, or cause to be kept, proper books of record and accounts, separate from all other records and accounts of the Fiscal Agent, in which complete and correct entries shall be made of all transactions relating to the expenditure of amounts disbursed from the Special Tax Fund, the Reserve Fund and the Costs of Issuance Fund. Such books of record and accounts shall at all times during business hours and upon reasonable prior notice, be subject to the inspection of the City and the Owners of not less than 10% of the principal amount of the Bonds then Outstanding, or their representatives duly authorized in writing. The Fiscal Agent may establish and maintain for so long as is necessary one or more temporary funds and accounts under this Agreement.

Section 5.06. Protection of Security and Rights of Owners. The City will preserve and protect the security of the Bonds and the rights of the Owners, and will warrant and defend their rights against all claims and demands of all persons. From and after the delivery of any of the Bonds by the City, the Bonds shall be incontestable by the City.

Section 5.07. Collection of Special Taxes; Transfer of Net Taxes. The City shall comply with all requirements of the Act so as to assure the timely collection of the Special Taxes, including without limitation, the enforcement of delinquent Special Taxes.

On or within 5 Business Days of each June 1, the Fiscal Agent shall provide the Chief Financial Officer with a notice stating the amount then on deposit in the Special Tax Fund, the Reserve Fund and the Surplus Fund. The receipt of such notice by the Chief Financial Officer shall in no way affect the obligations of the Chief Financial Officer under the following two paragraphs. Upon receipt of such notice, the Chief Financial Officer shall ascertain the relevant parcels on which the Special Taxes are to be levied, taking into account any parcel splits during the preceding and then current year.

The City shall effect the levy of the Special Taxes each Fiscal Year in accordance with the Ordinance such that the computation of the levy is complete before the final date on which the County Treasurer-Tax Collector will accept the transmission of the Special Tax amounts for the parcels within Improvement Area 2 for inclusion on the next secured real property tax roll. Upon the completion of the computation of the amounts of the levy, the City shall prepare or cause to be prepared, and shall transmit to the County Treasurer-Tax Collector such data as the County Treasurer-Tax Collector requires to include the levy of the Special Taxes on the next secured real property tax roll.

The City shall fix and levy the amount of Special Taxes within Improvement Area 2 required for the payment of principal of and interest on any outstanding Bonds of Improvement Area 2 becoming due and payable during the ensuing Bond Year, including any necessary replenishment or expenditure of the Reserve Fund for the Bonds and an amount estimated to be sufficient to pay the Administrative Expenses during such year, all in accordance with the rate and method of apportionment of the Special Taxes for Improvement Area 2 and the Ordinance. In any event, the Special Taxes so levied shall not exceed the authorized amounts as provided in the proceedings pursuant to the Resolution of Formation.

The Special Taxes shall be payable and be collected in the same manner and at the same time and in the same installment as the general taxes on real property are payable, and have the same priority, become delinquent at the same times and in the same proportionate amounts and bear the same proportionate penalties and interest after delinquency as do the general taxes on real property. Notwithstanding the foregoing, the Special Taxes may be collected in such other manner as the City shall prescribe if necessary to pay the debt service on the Bonds.

The City covenants that it will receive Net Taxes in trust for the Owners and will instruct the Chief Financial Officer to deposit all Net Taxes with the Fiscal Agent at least three Business Days prior to each Interest Payment Date, and the City shall have no beneficial right or interest in the amounts so deposited, except as provided by this Agreement. All such Net Taxes shall be disbursed, allocated and applied solely to the uses and purposes set forth in this Agreement, and shall be accounted for separately and apart from all other money, funds, accounts or other resources of the City.

Section 5.08. Covenant to Foreclose. The City hereby covenants with and for the benefit of the Owners of the Bonds that it will annually on or before October 1 of each year review the public records of the County of San Joaquin relating to the collection of the Special Tax in order to determine the amount of the Special Tax collected in the prior Fiscal Year, and if the City determines on the basis of such review that:

(a) the amount so collected is deficient by more than 5% of the total amount of the Special Tax levied in such Fiscal Year, it will within 30 days thereafter institute foreclosure proceedings as authorized by the Act in order to enforce the lien of the delinquent installment of the Special Tax against each separate lot or parcel of land in Improvement Area 2 for which such installment of the Special Tax is delinquent, and will diligently prosecute and pursue such foreclosure proceedings to judgment and sale; or

(b) the amount so collected is deficient by less than 5% of the total amount of the Special Tax levied in Improvement Area 2 in such Fiscal Year, but that property owned by any single property owner in Improvement Area 2 is delinquent by more than $3,000 with respect to the Special Tax due and payable by such property owner in such Fiscal Year and prior Fiscal Year(s), it will within 30 days thereafter institute foreclosure proceedings as authorized by the Act in order to enforce the lien of the delinquent installment of the Special Tax against each such property, and will diligently prosecute and pursue such foreclosure proceedings to judgment and sale.

The Chief Financial Officer shall notify legal counsel of any such delinquency of which it is aware, and such legal counsel shall commence, or cause to be commenced, such actions to collect such delinquencies and subsequent foreclosure proceedings in such a manner as such counsel deems appropriate.

Notwithstanding the foregoing, the City's obligation to pursue foreclosure shall be at the option of the City so long as (i) the Teeter Plan is in effect with respect to any delinquent parcel meeting the conditions above, and (ii) there is no then-outstanding draw on any amounts in the Reserve Fund.

Section 5.09. Additional Bonds. In addition to the 2022 Bonds, the City may, by a Supplemental Agreement, authorize the issuance additional Bonds, payable from Net Taxes and secured, unless otherwise provided in the Supplemental Agreement, by the Net Taxes equally and ratably with Bonds previously issued, and the City may issue, and the Fiscal Agent may authenticate and deliver to the purchaser thereof, Bonds of any series so established, in such principal amount as shall be determined by the City, but only if (a) the Bonds are issued to refund some or all of the then-Outstanding Bonds and (b) debt service on the refunding Bonds in each Bond Year is less than debt service on the Bonds refunded.

Nothing in this Agreement shall be interpreted to prohibit issuance of bonds, notes or other obligations secured on a subordinate basis to the Bonds.

Nothing in this Section or in this Agreement contained shall prevent or be construed to prevent the Supplemental Agreement providing for the issuance of Additional Bonds from pledging or otherwise providing, in addition to the security given or intended to be given by this Agreement, additional security for the benefit of such Additional Bonds or any portion thereof.

(b) Proceedings for Issuance of Additional Series of Bonds. Whenever the City shall determine to issue an additional Series of Bonds, the City shall authorize the execution of a Supplemental Fiscal Agent Agreement specifying the principal amount and prescribing the forms of Bonds of such additional Series and providing the terms, conditions, distinctive designation, denominations, methods of numbering, date, maturity date or dates, interest rate or rates (or the manner of determining same), interest payment dates, redemption provisions (including the amount and dates of Sinking Fund Payments, if any), place or places of payment

of principal or redemption price, if any, application of the proceeds thereof and any other provisions respecting the Bonds of such Series not inconsistent with the terms of this Fiscal Agent Agreement.

Before such additional Series of Bond shall be issued and delivered, the Fiscal Agent shall receive a Certificate of the City stating that, to the best knowledge of the City after reasonable investigation, the requirements of Section 5.09(a) are met, and the City shall file the following documents with the Fiscal Agent:

(i) an executed copy of the Supplemental Fiscal Agent Agreement authorizing such Series;

(ii) a comparison of the debt service on the new series of Bonds being issued compared to the debt service on the Bonds refunded; and

(iii) an Opinion of Counsel that the execution of the Supplemental Fiscal Agent Agreement has been duly authorized by the City in accordance with this Fiscal Agent Agreement; that all actions required to be taken by the City with respect to the issuance of the additional Series of Bonds have been taken; that such Series, when duly executed by the City and authenticated and delivered by the Fiscal Agent, will be valid and binding limited obligations of the City; that upon the delivery of such Series the aggregate principal amount of Bonds then Outstanding will not exceed the amount permitted by law or by the Fiscal Agent Agreement; and that the issuance of such Series will not cause the interest on any Bonds previously issued to be includable in the gross income of any Bonds for purposes of federal income taxation.

Section 5.10. Compliance with Law; Completion of Project. The City will comply with all applicable provisions of the Act and the law in completing the acquisition and construction of the Project; provided that the City shall have no obligation to advance any funds to complete the Project in excess of the amounts available therefor in the Improvement Fund.

Section 5.11. Continuing Disclosure to Owners. The City hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. Notwithstanding any other provision of this Agreement, failure of the City to comply with the Continuing Disclosure Certificate shall not be considered a default hereunder; however, any Participating Underwriter or any holder or beneficial owner of the 2022 Bonds may take such actions as may be necessary and appropriate to compel performance by the City of its obligations thereunder, including seeking mandate or specific performance by court order.

Section 5.12. Private Activity Bond Limitation. The City shall assure that the proceeds of the 2022 Bonds are not so used as to cause the 2022 Bonds to satisfy the private business tests of Section 141(b) of the Code or the private loan financing test of Section 141(c) of the Code.

Section 5.13. Federal Guarantee Prohibition. The City shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause any of the 2022 Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Code.

Section 5.14. No Arbitrage. The City shall not take, or permit or suffer to be taken by the Fiscal Agent or otherwise, any action with respect to the gross proceeds of the 2022 Bonds which if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the Closing Date for the 2022 Bonds would have

caused the 2022 Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code and Regulations.

Section 5.15. Maintenance of Tax-Exemption. The City shall take all actions necessary to assure the exclusion of interest on the 2022 Bonds from the gross income of the Owners of the 2022 Bonds to the same extent as such interest is permitted to be excluded from gross income under the Code as in effect on the date of issuance of the 2022 Bonds.

Section 5.16. Yield of the 2022 Bonds. In determining the yield of the 2022 Bonds to comply with Section 5.14 and 6.02 hereof, the City will take into account redemption (including premium, if any) in advance of maturity based on the reasonable expectations of the City, as of the closing date of the 2022 Bonds, without regard to whether or not redemption moneys are received or 2022 Bonds are redeemed.

Section 5.17. Annual State Reports. The following requirements shall apply to each Series of the Bonds:

(A) CDIAC Annual Reporting. Not later than October 30 of each calendar year, beginning with the October 30 first succeeding the date of the Bonds, and in each calendar year thereafter until the October 30 following the final maturity of the Bonds, the City shall prepare and supply the California Debt and Investment Advisory Commission, by mail, postage prepaid, with the information required to be supplied by Government Code Section 53359.5(b). The annual reporting shall be made using such form or forms as may be prescribed by CDIAC.

(B) CDIAC Other Reporting. If within 10 days prior to any Interest Payment Date it appears to the Fiscal Agent that there is a danger of deficiency in the Special Tax Fund and that the Fiscal Agent may be unable to pay regularly scheduled debt service on the Bonds in a timely manner or if the Fiscal Agent is unable to pay principal, interest and premium, if any, due on any Interest Payment Date for the Bonds due to insufficient funds in the Special Tax Fund, or if funds are withdrawn from the Reserve Fund to pay principal and/or interest on the Bonds, then in accordance with Government Code Section 53359.5(c), the Fiscal Agent shall notify the Chief Financial Officer in writing of such fact, and the Chief Financial Officer shall notify CDIAC of such fact within 10 days of such Interest Payment Date.

(C) Governing Body Annual Reporting. Not later than January 1, 2021, and at least once a year thereafter, the Chief Financial Officer shall file a report with the City Council in accordance with the requirements of Government Code Section 53411, which report shall contain: (a) the amount of Special Taxes collected and expended; and (b) the status of the Project financed by the Bonds.

(D) Amendment. The reporting requirements of this Section shall be amended from time to time, without action by the City or the Fiscal Agent, to reflect any amendments to Section 53359.5(b) or Section 53359.5(c) of the Act or Government Code Section 53411.

(E) No Liability. None of the City and its officers, agents and employees, or the Fiscal Agent shall be liable for any inadvertent error in reporting the information required by this Section.

Section 5.18. Further Assurances. The City will adopt, make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Agreement, and for the

better assuring and confirming unto the Owners of the rights and benefits provided in this Agreement.

ARTICLE VI

INVESTMENTS; DISPOSITION OF INVESTMENT PROCEEDS; LIABILITY OF THE CITY

Section 6.01. Deposit and Investment of Moneys in Funds. Subject in all respects to the provisions of Section 6.02, moneys in any fund or account created or established by this Agreement and held by the Fiscal Agent, shall be invested by the Fiscal Agent in Permitted Investments, as directed pursuant to an Officer's Certificate filed with the Fiscal Agent at least 2 Business Days in advance of the making of such investments. In the absence of any such Officer's Certificate, the Fiscal Agent shall invest any such moneys in Permitted Investments described in clause (vii) of the definition thereof which by their terms mature prior to the date on which such moneys are required to be paid out hereunder provided, however, that any such investment shall be made by the Fiscal Agent only if, prior to the date on which such investment is to be made, the Fiscal Agent shall have received an Officer's Certificate specifying a specific money market fund and, if no such Officer's Certificate is so received, the Fiscal Agent shall hold such moneys uninvested. Subject in all respects to the provisions of Section 6.02, moneys in any fund or account created or established by this Agreement and held by the Chief Financial Officer shall be invested by the Chief Financial Officer in any lawful investments that the City may make, which by their terms mature prior to the date on which such moneys are required to be paid out hereunder. Obligations purchased as an investment of moneys in any fund shall be deemed to be part of such fund or account, subject, however, to the requirements of this Agreement for transfer of interest earnings and profits resulting from investment of amounts in funds and accounts.

The Fiscal Agent or the City may act as principal or agent in the acquisition or disposition of any investment. Neither the Fiscal Agent nor the City shall incur any liability for losses arising from any investments made pursuant to this Section. Any losses arising from any investments made pursuant to this Section shall be offset against interest earnings and profits retained in the same fund.

Except as otherwise provided in the next sentence, all investments of amounts deposited in any fund or account created by or pursuant to this Agreement, or otherwise containing gross proceeds of the Bonds (within the meaning of Section 148 of the Code), shall be acquired, disposed of, and valued (as of the date that valuation is required by this Agreement or the Code) at Fair Market Value. Investments in funds or accounts (or portions thereof) that are subject to a yield restriction under applicable provisions of the Code and (unless valuation is undertaken at least annually) investments in the Reserve Fund shall be valued by the City at their present value (within the meaning of Section 148 of the Code). For purposes of any Fair Market Value determination hereunder, the Fiscal Agent shall be entitled to conclusively rely on an Officer's Certificate of the City and shall be fully protected in relying thereon.

Investments in any and all funds and accounts may be commingled in a separate fund or funds for purposes of making, holding and disposing of investments, notwithstanding provisions herein for transfer to or holding in or to the credit of particular funds or accounts of amounts received or held by the Fiscal Agent or the Chief Financial Officer hereunder, provided that the Fiscal Agent or the Chief Financial Officer, as applicable, shall at all times account for such investments strictly in accordance with the funds and accounts to which they are credited and otherwise as provided in this Agreement.

The Fiscal Agent or the City, as applicable, shall sell or present for redemption, any investment security whenever it shall be necessary to provide moneys to meet any required payment, transfer, withdrawal or disbursement from the fund or account to which such investment security is credited and neither the Fiscal Agent nor the City shall be liable or responsible for any loss resulting from the acquisition or disposition of such investment security in accordance herewith.

The City acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the City the right to receive brokerage confirmations of security transactions as they occur, the City specifically waives receipt of such confirmations to the extent permitted by law. The Fiscal Agent will furnish the City periodic cash transaction statements which include detail for all investment transactions made by the Fiscal Agent hereunder.

Section 6.02. Rebate of Excess Investment Earnings to the United States. The City covenants to calculate and rebate to the federal government, in accordance with the Regulations, excess investment earnings to the extent required by Section 148(f) of the Code.

The City shall notify the Fiscal Agent of any amounts determined to be due to the federal government, and the Fiscal Agent shall, upon receipt of an Officer's Certificate of the City, withdraw such amounts from the Reserve Fund pursuant to Section 4.02(D), and pay such amounts to the federal government as required by the Code and the Regulations. In the event of any shortfall in amounts available to make such payments under Section 4.02(D), the Fiscal Agent shall notify the Chief Financial Officer in writing of the amount of the shortfall and the Chief Financial Officer shall make such payment from any amounts available in the Special Tax Fund. Any fees or expenses incurred by the Fiscal Agent or the City under or pursuant to this Section 6.02 shall be Administrative Expenses. The Fiscal Agent may rely conclusively upon the City's determinations, calculations and certifications required by this Section. The Fiscal Agent shall have no responsibility to independently make any calculation or determination or to review the City's calculations hereunder.

In order to provide for the administration of this Section 6.02, the City may provide for the employment of independent attorneys, accountants and consultants compensated on such reasonable basis as the City may deem appropriate.

Section 6.03. Limited Obligation. The City's obligations hereunder are limited obligations of the City on behalf of Improvement Area 2 and are payable solely from and secured solely by the Net Taxes and the other amounts pledged to the Bonds hereunder.

ARTICLE VII

THE FISCAL AGENT

Section 7.01. Appointment of Fiscal Agent. U.S. Bank Trust Company, National Association, at its Principal Office, is hereby appointed Fiscal Agent for the Bonds. The Fiscal Agent undertakes to perform such duties, and only such duties, as are specifically set forth in this Agreement, and no implied covenants or obligations shall be read into this Agreement against the Fiscal Agent.

Any company into which the Fiscal Agent may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Fiscal Agent may sell or transfer all or substantially all of its corporate trust business, provided such company shall be eligible under the following paragraph of this Section, shall be the successor to such Fiscal Agent without the execution or filing of any paper or any further act, anything herein to the contrary notwithstanding.

The City may remove the Fiscal Agent initially appointed, and any successor thereto, and may appoint a successor or successors thereto, but any such successor shall be a bank, national banking association or trust company having a combined capital (exclusive of borrowed capital) and surplus of at least $50,000,000, including, for such purpose, the combined capital and surplus of any parent holding company, and subject to supervision or examination by federal or state authority. If such bank, national banking association or trust company publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purposes of this Section 7.01, combined capital and surplus of such bank, national banking association or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

The Fiscal Agent may at any time resign by giving written notice to the City and by giving to the Owners notice by mail of such resignation. Upon receiving notice of such resignation, the City shall promptly appoint a successor Fiscal Agent by an instrument in writing. Any resignation or removal of the Fiscal Agent shall become effective upon acceptance of appointment by the successor Fiscal Agent.

If no appointment of a successor Fiscal Agent shall be made pursuant to the foregoing provisions of this Section within 30 days after the Fiscal Agent shall have given to the City written notice or after a vacancy in the office of the Fiscal Agent shall have occurred by reason of its inability to act, the Fiscal Agent or any Bondowner may apply to any court of competent jurisdiction to appoint a successor Fiscal Agent. Said court may thereupon, after such notice, if any, as such court may deem proper, appoint a successor Fiscal Agent.

Section 7.02. Liability of Fiscal Agent. The recitals of facts, covenants and agreements herein and in the Bonds contained shall be taken as statements, covenants and agreements of the City, and the Fiscal Agent assumes no responsibility for the correctness of the same, or makes any representations as to the validity or sufficiency of this Agreement or of the Bonds, or shall incur any responsibility in respect thereof, other than in connection with the duties or obligations herein or in the Bonds assigned to or imposed upon it. The Fiscal Agent shall not be liable in connection with the performance of its duties hereunder, except for its own negligence or willful misconduct. The Fiscal Agent assumes no responsibility or liability for any information,

statement or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the issuance of the Bonds. The Fiscal Agent has no liability regarding the use of the proceeds from the purchase of the Bonds deposited in funds held by the City.

In the absence of bad faith, the Fiscal Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Fiscal Agent and conforming to the requirements of this Agreement, including all Officer's Certificates of the City meeting such requirements; but in the case of any such certificates or opinions by which any provision hereof are specifically required to be furnished to the Fiscal Agent, the Fiscal Agent shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Agreement. Except as provided above in this paragraph, the Fiscal Agent shall be protected and shall incur no liability in acting or proceeding, or in not acting or not proceeding, in good faith, reasonably and in accordance with the terms of this Agreement, upon any resolution, order, notice, request, consent or waiver, certificate, statement, affidavit, or other paper or document which it shall in good faith reasonably believe to be genuine and to have been adopted or signed by the proper person or to have been prepared and furnished pursuant to any provision of this Agreement, and the Fiscal Agent shall not be under any duty to make any investigation or inquiry as to any statements contained or matters referred to in any such instrument.

The Fiscal Agent shall not be liable for any error of judgment made in good faith by a responsible officer unless it shall be proved that the Fiscal Agent was negligent in ascertaining the pertinent facts.

No provision of this Agreement shall require the Fiscal Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

The Fiscal Agent shall be under no obligation to exercise any of the rights or powers vested in it by this Agreement at the request or direction of any of the Owners pursuant to this Agreement unless such Owners shall have offered to the Fiscal Agent reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction.

The Fiscal Agent shall not be considered in breach of or in default in its obligations hereunder or progress in respect thereto in the event of unavoidable delay in the performance of such obligations due to unforeseeable causes beyond its control and without its fault or negligence, including, but not limited to, Acts of God or of the public enemy or terrorists, acts of a government, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, earthquakes, explosion, mob violence, riot, inability to procure or general sabotage or rationing of labor, equipment, facilities, sources of energy, material or supplies in the open market, litigation or arbitration involving a party or others relating to zoning or other governmental action or inaction pertaining to the project, malicious mischief, condemnation, and unusually severe weather or delays of suppliers or subcontractors due to such causes or any similar event and/or occurrences beyond the control of the Fiscal Agent.

The Fiscal Agent may become the owner of the Bonds with the same rights it would have if it were not the Fiscal Agent.

The Fiscal Agent shall not be concerned with or accountable to anyone for the subsequent use or application of any moneys which shall be released or withdrawn in accordance with the provisions hereof.

The permissive right of the Fiscal Agent to do things enumerated in this Agreement shall not be construed as a duty and it shall not be answerable for other than its negligence or willful misconduct.

Section 7.03. Information. The Fiscal Agent shall provide to the City such information relating to the Bonds and the funds and accounts maintained by the Fiscal Agent hereunder as the City shall reasonably request, including but not limited to quarterly statements reporting funds held and transactions by the Fiscal Agent.

Section 7.04. Notice to Fiscal Agent. The Fiscal Agent may rely and shall be protected in acting or refraining from acting upon any Officer's Certificate, notice, resolution, request, consent, order, certificate, report, facsimile transmission, electronic mail, warrant, Bond or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or proper parties and given in accordance with the requirements hereof. The Fiscal Agent may execute any of the powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Fiscal Agent shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder. The Fiscal Agent may consult with counsel, who may be counsel to the City, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

The Fiscal Agent shall have the right to accept and act upon instructions, including funds transfer instructions ("Instructions") given pursuant to this Agreement and delivered using Electronic Means by an Authorized Officer (or his or her designee) ("Electronic Means" shall mean the following communications methods: e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Fiscal Agent, or another method or system specified by the Fiscal Agent as available for use in connection with its services hereunder); provided, however, that the City shall provide to the Fiscal Agent an incumbency certificate for each person with the authority to provide such Instructions and containing specimen signatures of such persons, which incumbency certificate shall be amended by the City whenever a person is to be added or deleted from the listing. If the City elects to give the Fiscal Agent Instructions using Electronic Means and the Fiscal Agent in its discretion elects to act upon such Instructions, the Fiscal Agent's understanding of such Instructions shall be deemed controlling. The City understands and agrees that the Fiscal Agent cannot determine the identity of the actual sender of such Instructions and that the Fiscal Agent shall conclusively presume that directions that purport to have been sent by an Authorized Officer (or designee) listed on the incumbency certificate provided to the Fiscal Agent have been sent by such Authorized Officer (or designee). The City shall be responsible for ensuring that only Authorized Officers (or their designees) transmit such Instructions to the Fiscal Agent and that the City is solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the City. The Fiscal Agent shall not be liable for any losses, costs or expenses arising directly or indirectly from the Fiscal Agent's reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The City agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Fiscal Agent, including without limitation the risk of the

Fiscal Agent acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Fiscal Agent and that there may be more secure methods of transmitting Instructions than the method(s) selected by the City; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Fiscal Agent immediately upon learning of any compromise or unauthorized use of the security procedures.

The Fiscal Agent shall not be bound to recognize any person as the Owner of a Bond unless and until such Bond is submitted for inspection, if required, and his title thereto satisfactorily established, if disputed.

Whenever in the administration of its duties under this Agreement the Fiscal Agent shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of willful misconduct on the part of the Fiscal Agent, be deemed to be conclusively proved and established by a certificate of the City, and such certificate shall be full warrant to the Fiscal Agent for any action taken or suffered under the provisions of this Agreement or any Supplemental Agreement upon the faith thereof, but in its discretion the Fiscal Agent may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

Section 7.05. Compensation, Indemnification. The City shall pay to the Fiscal Agent from time to time reasonable compensation for all services rendered as Fiscal Agent under this Agreement, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of their attorneys, agents and employees, incurred in and about the performance of their powers and duties under this Agreement, but the Fiscal Agent shall not have a lien therefor on any funds at any time held by it under this Agreement. The City further agrees, to the extent permitted by applicable law, to indemnify and save the Fiscal Agent, its officers, employees, directors and agents harmless against any costs, claims, damages, expenses or liabilities, including, without limitation, fees and expenses of its attorneys which it may incur in the exercise and performance of its powers and duties hereunder which are not due to its negligence or willful misconduct. The obligation of the City under this Section shall survive resignation or removal of the Fiscal Agent under this Agreement and payment of the Bonds and discharge of this Agreement.

ARTICLE VIII

MODIFICATION OR AMENDMENT OF THIS AGREEMENT

Section 8.01. Amendments Permitted. This Agreement and the rights and obligations of the City and of the Owners of the Bonds may be modified or amended at any time by a Supplemental Agreement pursuant to the affirmative vote at a meeting of Owners, or with the written consent without a meeting, of the Owners of at least 60% in aggregate principal amount of the Bonds then Outstanding, exclusive of Bonds disqualified as provided in Section 8.04. No such modification or amendment shall (i) extend the maturity of any Bond or reduce the interest rate thereon, or otherwise alter or impair the obligation of the City to pay the principal of, and the interest and any premium on, any Bond, without the express consent of the Owner of such Bond, or (ii) permit the creation by the City of any pledge or lien upon the Net Taxes superior to or on a parity with the pledge and lien created for the benefit of the Bonds (except as otherwise permitted by the Act, the laws of the State of California or this Agreement), or reduce the percentage of Bonds required for the amendment hereof. No such amendment may modify any of the rights or obligations of the Fiscal Agent without its written consent.

This Agreement and the rights and obligations of the City and of the Owners may also be modified or amended at any time by a Supplemental Agreement, without the consent of any Owners, only to the extent permitted by law and only for any one or more of the following purposes:

(A) to add to the covenants and agreements of the City in this Agreement contained, other covenants and agreements thereafter to be observed, or to limit or surrender any right or power herein reserved to or conferred upon the City;

(B) to make modifications not adversely affecting any outstanding series of Bonds of the City in any material respect, including in connection with the issuance of Additional Bonds in accordance with this Agreement;

(C) to make such provisions for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained in this Agreement, or in regard to questions arising under this Agreement, as the City and the Fiscal Agent may deem necessary or desirable, and which shall not adversely affect the rights of the Owners of the Bonds; and

(D) to make such additions, deletions or modifications as may be necessary or desirable to assure compliance with Section 148 of the Code relating to required rebate of excess investment earnings to the United States or otherwise as may be necessary to assure exclusion from gross income for federal income tax purposes of interest on the Bonds or to conform with the Regulations.

No such amendment may modify any of the rights or obligations of the Fiscal Agent without its written consent.

Section 8.02. Owners' Meetings. The City may at any time call a meeting of the Owners. In such event the City is authorized to fix the time and place of said meeting and to provide for the giving of notice thereof and to fix and adopt rules and regulations for the conduct of said meeting.

Section 8.03. Procedure for Amendment with Written Consent of Owners. The City and the Fiscal Agent may at any time enter into a Supplemental Agreement amending the provisions of the Bonds or of this Agreement or any Supplemental Agreement, to the extent that such amendment is permitted by Section 8.01, to take effect when and as provided in this Section. A copy of such Supplemental Agreement, together with a request to Owners for their consent thereto, if such consent is required under Section 8.01, shall be mailed by first class mail, by the Fiscal Agent to each Owner of Bonds Outstanding, but failure to mail copies of such Supplemental Agreement and request shall not affect the validity of the Supplemental Agreement when assented to as in this Section provided.

If consent of the Owners is required under Section 8.01, such Supplemental Agreement shall not become effective unless there shall be filed with the Fiscal Agent the written consents of the Owners of at least 60% in aggregate principal amount of the Bonds then Outstanding (exclusive of Bonds disqualified as provided in Section 8.04) and a notice shall have been mailed as hereinafter in this Section provided. Each such consent shall be effective only if accompanied by proof of ownership of the Bonds for which such consent is given, which proof shall be such as is permitted by Section 9.04. Any such consent shall be binding upon the Owner of the Bonds giving such consent and on any subsequent Owner (whether or not such subsequent Owner has notice thereof) unless such consent is revoked in writing by the Owner giving such consent or a subsequent Owner by filing such revocation with the Fiscal Agent prior to the date when the notice hereinafter in this Section provided for has been mailed.

After the Owners of the required percentage of Bonds shall have filed their consents to the Supplemental Agreement, the City shall mail a notice to the Owners in the manner hereinbefore provided in this Section for the mailing of the Supplemental Agreement, stating in substance that the Supplemental Agreement has been consented to by the Owners of the required percentage of Bonds and will be effective as provided in this Section (but failure to mail copies of said notice shall not affect the validity of the Supplemental Agreement or consents thereto). Proof of the mailing of such notice shall be filed with the Fiscal Agent. A record, consisting of the papers required by this Section 8.03 to be filed with the Fiscal Agent, shall be proof of the matters therein stated until the contrary is proved. The Supplemental Agreement shall become effective upon the filing with the Fiscal Agent of the proof of mailing of such notice, and the Supplemental Agreement shall be deemed conclusively binding (except as otherwise herein above specifically provided in this Article) upon the City and the Owners of all Bonds at the expiration of 60 days after such filing, except in the event of a final decree of a court of competent jurisdiction setting aside such consent in a legal action or equitable proceeding for such purpose commenced within such sixty-day period.

Section 8.04. Disqualified Bonds. Bonds owned or held for the account of the City, excepting any pension or retirement fund, shall not be deemed Outstanding for the purpose of any vote, consent or other action or any calculation of Outstanding Bonds provided for in this Article VIII, and shall not be entitled to vote upon, consent to, or take any other action provided for in this Article VIII. Upon request, the City shall provide an Officer's Certificate to the Fiscal Agent listing those Bonds which are disqualified pursuant to this Section 8.04.

Section 8.05. Effect of Supplemental Agreement. From and after the time any Supplemental Agreement becomes effective pursuant to this Article VIII, this Agreement shall be deemed to be modified and amended in accordance therewith, the respective rights, duties and obligations under this Agreement of the City and all Owners of Bonds Outstanding shall thereafter be determined, exercised and enforced hereunder subject in all respects to such

modifications and amendments, and all the terms and conditions of any such Supplemental Agreement shall be deemed to be part of the terms and conditions of this Agreement for any and all purposes.

Section 8.06. Endorsement or Replacement of Bonds Issued After Amendments. The City may determine that Bonds issued and delivered after the effective date of any action taken as provided in this Article VIII shall bear a notation, by endorsement or otherwise, in form approved by the City, as to such action. In that case, upon demand of the Owner of any Bond Outstanding at such effective date and presentation of his Bond for that purpose at the Principal Office of the Fiscal Agent or at such other office as the City may select and designate for that purpose, a suitable notation shall be made on such Bond. The City may determine that new Bonds, so modified as in the opinion of the City is necessary to conform to such Owners' action, shall be prepared, executed and delivered. In that case, upon demand of the Owner of any Bonds then Outstanding, such new Bonds shall be exchanged at the Principal Office of the Fiscal Agent without cost to any Owner, for Bonds then Outstanding, upon surrender of such Bonds.

Section 8.07. Amendatory Endorsement of Bonds. The provisions of this Article VIII shall not prevent any Owner from accepting any amendment as to the particular Bonds held by him, provided that due notation thereof is made on such Bonds.

Section 8.08. Opinion of Counsel Regarding Supplemental Agreement. The Fiscal Agent shall be furnished, upon request, an opinion of counsel that any Supplemental Agreement entered into by the City and the Fiscal Agent complies with the provisions of this Article VIII, is enforceable against the City, does not adversely impact the tax-exempt status of the interest on the Bonds, and the Fiscal Agent may conclusively rely upon such opinion.

ARTICLE IX

MISCELLANEOUS

Section 9.01. Benefits of Agreement Limited to Parties. Nothing in this Agreement expressed or implied, is intended to give to any person other than the City, the Fiscal Agent and the Owners, any right, remedy, claim under or by reason of this Agreement. Any covenants, stipulations, promises or agreements in this Agreement contained by and on behalf of the City shall be for the sole and exclusive benefit of the Owners and the Fiscal Agent.

Section 9.02. Successor is Deemed Included in All References to Predecessor. Whenever in this Agreement or any Supplemental Agreement either the City or the Fiscal Agent is named or referred to, such reference shall be deemed to include the successors or assigns thereof, and all the covenants and agreements in this Agreement contained by or on behalf of the City or the Fiscal Agent shall bind and inure to the benefit of the respective successors and assigns thereof whether so expressed or not.

Section 9.03. Discharge of Agreement. If the City shall pay and discharge the entire indebtedness on all or any portion of the Bonds Outstanding in any one or more of the following ways:

(A) by well and truly paying or causing to be paid the principal of, and interest and any premium on, such Bonds Outstanding, as and when the same become due and payable;

(B) by depositing with the Fiscal Agent, in trust, at or before maturity, money which, together with (in the event that all of the Bonds are to be defeased) the amounts then on deposit in the funds and accounts provided for in Sections 3.03 and 4.02, is fully sufficient to pay such Bonds Outstanding, including all principal, interest and redemption premiums; or

(C) by irrevocably depositing with the Fiscal Agent, in trust, cash and Federal Securities in such amount as the City shall determine as confirmed by an independent certified public accountant will, together with the interest to accrue thereon and (in the event that all of the Bonds are to be defeased) moneys then on deposit in the fund and accounts provided for in Sections 3.03 and 4.02, be fully sufficient to pay and discharge the indebtedness on such Bonds (including all principal, interest and redemption premium, if any) at or before their respective maturity dates;

and if such Bonds are to be redeemed prior to the maturity thereof notice of such redemption shall have been given as in this Agreement provided or provision satisfactory to the Fiscal Agent shall have been made for the giving of such notice, then, at the election of the City, and notwithstanding that any Bonds shall not have been surrendered for payment, the pledge of the Net Taxes and other funds provided for in this Agreement and all other obligations of the City under this Agreement with respect to such Bonds Outstanding shall cease and terminate, except only the obligations of the City (i) under Section 5.15 (Maintenance of Tax-Exemption) and (ii) to pay or cause to be paid to the Owners of the Bonds not so surrendered and paid all sums due thereon and all amounts owing to the Fiscal Agent pursuant to Section 7.05; and thereafter Special Taxes shall not be payable to the Fiscal Agent. Notice of such election shall be filed with the Fiscal Agent.

Any funds thereafter held by the Fiscal Agent upon payments of all fees and expenses of the Fiscal Agent, which are not required for said purpose, shall be paid over to the City.

Section 9.04. Execution of Documents and Proof of Ownership by Owners. Any request, declaration or other instrument which this Agreement may require or permit to be executed by Owners may be in one or more instruments of similar tenor, and shall be executed by Owners in person or by their attorneys appointed in writing.

Except as otherwise herein expressly provided, the fact and date of the execution by any Owner or his attorney of such request, consent, declaration or other instrument, or of such writing appointing such attorney, may be proved by the certificate of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he purports to act, that the person signing such request, declaration or other instrument or writing acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer.

Except as otherwise herein expressly provided, the ownership of registered Bonds and the amount, maturity, number and date of holding the same shall be proved by the registry books.

Any request, consent, declaration or other instrument or writing of the Owner of any Bond shall bind all future Owners of such Bond in respect of anything done or suffered to be done by the City or the Fiscal Agent in good faith and in accordance therewith.

Section 9.05. Waiver of Personal Liability. No member, officer, agent or employee of the City shall be individually or personally liable for the payment of the principal of, or interest or any premium on, the Bonds; but nothing herein contained shall relieve any such member, officer, agent or employee from the performance of any official duty provided by law.

Section 9.06. Notices to and Demands on City and Fiscal Agent. Any notice or demand which by any provision of this Agreement is required or permitted to be given or served by the Fiscal Agent to or on the City may be given or served by being deposited postage prepaid in a post office letter box, by overnight courier or by electronic means (with receipt confirmed by telephone) addressed (until another address is filed by the City with the Fiscal Agent) as follows:

City of Stockton
425 N. El Dorado Street
Stockton, California 95202
Attention: Chief Financial Officer
Tel: (209) 937-8908

Any notice or demand which by any provision of this Agreement is required or permitted to be given or served by the City to or on the Fiscal Agent may be given or served by being deposited postage prepaid in a post office letter box, by overnight courier or by electronic means (with receipt confirmed by telephone) addressed (until another address is filed by the Fiscal Agent with the City) as follows:

U.S. Bank Trust Company, National Association333 S. Grand Ave., 5th Floor
MAC E2064-05ALos Angeles, California 90071
Attention: Corporate Trust Department
Tel: (213) 253-7517

Section 9.07. Partial Invalidity. If any Section, paragraph, sentence, clause or phrase of this Agreement shall for any reason be held illegal or unenforceable, such holding shall not affect the validity of the remaining portions of this Agreement. The City hereby declares that it would have adopted this Agreement and each and every other Section, paragraph, sentence, clause or phrase hereof and authorized the issue of the Bonds pursuant thereto irrespective of the fact that any one or more Sections, paragraphs, sentences, clauses, or phrases of this Agreement may be held illegal, invalid or unenforceable.

Section 9.08. Unclaimed Moneys. Anything contained herein to the contrary notwithstanding, any moneys held by the Fiscal Agent in trust for the payment and discharge of the principal of, and the interest and any premium on, the Bonds which remains unclaimed for 2 years after the date when the payments of such principal, interest and premium have become payable, if such moneys was held by the Fiscal Agent at such date, shall be repaid by the Fiscal Agent to the City as its absolute property free from any trust, and the Fiscal Agent shall thereupon be released and discharged with respect thereto and the Bond Owners shall look only to the City for the payment of the principal of, and interest and any premium on, such Bonds.

Section 9.09. Applicable Law. This Agreement shall be governed by and enforced in accordance with the laws of the State of California applicable to contracts made and performed in the State of California.

Section 9.10. Conflict with Act. In the event of a conflict between any provision of this Agreement with any provision of the Act as in effect on the Closing Date, the provision of the Act shall prevail over the conflicting provision of this Agreement.

Section 9.11. Conclusive Evidence of Regularity. Bonds issued pursuant to this Agreement shall constitute conclusive evidence of the regularity of all proceedings under the Act relative to their issuance and the levy of the Special Taxes.

Section 9.12. Payment on Business Day. In any case where the date of the maturity of interest or of principal (and premium, if any) of the Bonds or the date fixed for redemption of any Bonds or the date any action is to be taken pursuant to this Agreement is other than a Business Day, the payment of interest or principal (and premium, if any) or the action need not be made on such date but may be made on the next succeeding day which is a Business Day with the same force and effect as if made on the date required and no interest shall accrue for the period from and after such date.

Section 9.13. Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original.

IN WITNESS WHEREOF, THE CITY OF STOCKTON, for and on behalf of its Community Facilities District No. 2018-2 (Westlake Villages II), has caused this Fiscal Agent Agreement to be signed by its Chief Financial Officer, and U.S. BANK TRUST COMPANY, NATIONAL ASSOCIATION, in token of its acceptance of the duties hereunder, has caused this Fiscal Agent Agreement to be signed in its corporate name by its officers identified below, all as of the day and year first above written.

IMPROVEMENT AREA 2 OF THE CITY OF STOCKTON
COMMUNITY FACILITIES DISTRICT NO. 2018-2 (WESTLAKE VILLAGES II)
SPECIAL TAX BONDS SERIES 2022

INTEREST RATE:	MATURITY DATE:	BOND DATE:	CUSIP:
	September 1, 20__	_____, 2022	

REGISTERED OWNER: CEDE & CO.

PRINCIPAL AMOUNT:_____DOLLARS

The City of Stockton (the "City") for and on behalf of Improvement Area 2 of the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II) ("Improvement Area 2"), for value received, hereby promises to pay solely from the Net Taxes to be collected in Improvement Area 2 or amounts in certain funds and accounts held under the Agreement (as hereinafter defined), to the Registered Owner named above, or registered assigns (the "Owner"), on the Maturity Date set forth above, unless redeemed prior thereto as hereinafter provided, the Principal Amount set forth above, and to pay interest on such principal amount from the Bond Date shown above, or from the most recent Interest Payment Date (as hereinafter defined) to which interest has been paid or duly provided for, semiannually on March 1 and September 1, commencing March 1, 2023 (the "Interest Payment Dates"), at the Interest Rate set forth above, until the principal amount hereof is paid or made available for payment. The principal of this Bond is payable to the Owner hereof in lawful money of the United States of America upon presentation and surrender of this Bond at the principal corporate trust office of U.S. Bank Trust Company, National Association in Los Angeles, California (the "Fiscal Agent"). Interest on this Bond shall be paid by check of the Fiscal Agent mailed by first class mail on each Interest Payment Date to the Owner hereof as of the close of business on the 15th day of the month preceding the month in which the Interest Payment Date occurs whether or not such day is a Business Day (the "Record Date") at such Owner's address as it appears on the registration books maintained by the Fiscal Agent, or by wire transfer made on such Interest Payment Date upon written instructions delivered to the Fiscal Agent by the applicable Record Date of any Owner of $1,000,000 or more in aggregate principal amount of Bonds.

This Bond is one of a duly authorized issue of bonds approved by resolution of the City Council of the City on _____, 2022 pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, Sections 53311, *et seq.*, of the California Government Code (the "Mello-Roos Act") for the purpose of providing moneys for the construction and acquisition of

improvements for its Community Facilities District No. 2018-2 (Westlake Villages II), and is one of the bonds designated "Improvement Area 2 of the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II) Special Tax Bonds Series 2022" (the "Bonds"). The issuance of the Bonds and the terms and conditions thereof are provided for by a Fiscal Agent Agreement, dated as of _____ 1, 2022, by and between the City and the Fiscal Agent (the "Agreement") and this reference incorporates the Agreement herein, and by acceptance hereof the Owner of this Bond assents to said terms and conditions. The Agreement is authorized under, this Bond is issued under and both are to be construed in accordance with, the laws of the State of California.

Pursuant to the Mello-Roos Act, the Agreement and the Resolution, the principal of and interest on this Bond are payable solely from Net Taxes (as defined in the Agreement) and the amounts in certain funds held under the Agreement.

Interest on this Bond shall be payable from the Interest Payment Date next preceding the date of authentication hereof, unless (i) it is authenticated on an Interest Payment Date, in which event it shall bear interest from such Interest Payment Date, or (ii) such date of authentication is after a Record Date but on or prior to an Interest Payment Date, in which event interest will be payable from such Interest Payment Date, or (iii) such date of authentication is prior to the first Record Date, in which event interest will be payable from the Bond Date shown above; provided however, that if at the time of authentication of this Bond, interest is in default hereon, this Bond shall bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment hereon.

Any tax for the payment hereof shall be limited to the Special Tax, except to the extent that provision for payment has been made by the City as may be permitted by law. The Bonds do not constitute obligations of the City for which the City is obligated to levy or pledge, or has levied or pledged, general or special taxation other than described herein above.

The Bonds are subject to optional redemption from any source of available funds other than Prepayments prior to maturity, in whole, or in part among maturities as specified by the City and by lot within a maturity, on any date on or after September 1, _____, at the following respective redemption prices (expressed as percentages of the principal amount of the Bonds to be redeemed), plus accrued interest thereon to the date of redemption:

Redemption Dates	**Redemption Price**
September 1, ____ through August 30, ____	103%
September 1, ____ through August 30, ____	102
September 1, ____ through August 30, ____	101
September 1, ____ and any date thereafter	100

The Bonds shall be subject to mandatory redemption from Prepayments of the Special Tax by property owners, in whole or in part among maturities as shall be specified by the City and by lot within a maturity, on any Interest Payment Date at the following respective redemption prices (expressed as percentages of the principal amount of the Bonds to be redeemed), plus accrued interest thereon to the date of redemption:

Redemption Dates	**Redemption Price**
Interest Payment Dates through March 1, _____	103%
September 1, _____ and March 1, _____	102
September 1, _____ and March 1, _____	101

September 1, _____ and Interest Payment Dates thereafter 100

The Bonds maturing September 1, _____, September 1, _____ and September 1, _____ are subject to mandatory sinking payment redemption in part on September 1, _____, September 1, _____ and September 1, _____, respectively, and on each September 1 thereafter to maturity, by lot, at a redemption price equal to 100% of the principal amount thereof to be redeemed, without premium, in the aggregate respective principal amounts as set forth in the following tables:

Term Bonds Due September 1, _____

Mandatory Redemption Date (September 1)	**Sinking Fund Payment**

Term Bonds Due September 1, _____

Mandatory Redemption Date (September 1)	**Sinking Fund Payment**

Term Bonds Due September 1, _____

Mandatory Redemption Date (September 1)	**Sinking Fund Payment**

The amounts in the foregoing tables shall be reduced pro rata, in order to maintain substantially uniform debt service, as a result of any prior partial optional redemption or mandatory redemption of the Bonds.

Notice of redemption with respect to the Bonds to be redeemed shall be given to the Owners thereof, in the manner, to the extent and subject to the provisions of the Agreement.

This Bond shall be registered in the name of the Owner hereof, as to both principal and interest. Each registration and transfer of registration of this Bond shall be entered by the Fiscal Agent in books kept by it for this purpose and authenticated by its manual signature upon the certificate of authentication endorsed hereon.

No transfer or exchange hereof shall be valid for any purpose unless made by the registered owner, by execution of the form of assignment endorsed hereon, and authenticated as herein provided, and the principal hereof, interest hereon and any redemption premium shall be payable only to the registered owner or to such Owner's order. The Fiscal Agent shall require the Owner requesting transfer or exchange to pay any tax or other governmental charge required to be paid with respect to such transfer or exchange. No transfer or exchange hereof shall be required to be made (i) within 15 days prior to the date established by the Fiscal Agent for selection of Bonds for redemption or (ii) with respect to a Bond after such Bond has been selected for redemption.

The transferor of any Bond shall also provide or cause to be provided to the Fiscal Agent all information necessary to allow the Fiscal Agent to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Internal Revenue Code Section 6045. The Trustee may rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

The Agreement and the rights and obligations of the City thereunder may be modified or amended as set forth therein. The principal of the Bonds is not subject to acceleration upon a default under the Agreement or any other document.

This Bond shall not become valid or obligatory for any purpose until the certificate of authentication hereon endorsed shall have been dated and manually signed by the Fiscal Agent.

It is hereby certified, recited and declared that all acts, conditions and things required by law to exist, happen and be performed precedent to and in the issuance of this Bond have existed, happened and been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other indebtedness of the City, does not exceed any debt limit prescribed by the laws or Constitution of the State of California.

Unless this Bond is presented by an authorized representative of The Depository Trust Company to the Fiscal Agent for registration of transfer, exchange or payment, and any Bond issued is registered in the name of Cede & Co. or such other name as requested by an authorized representative of The Depository Trust Company and any payment is made to Cede & Co., ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL since the registered owner hereof, Cede & Co., has an interest herein.

IN WITNESS WHEREOF, the City of Stockton has caused this Bond to be dated _____, 2022 and to be signed by the Mayor of the City and countersigned by the City Clerk of the City.

OFFICER'S CERTIFICATE REQUESTING DISBURSEMENT FROM IMPROVEMENT FUND

REQUISITION NO. _____

The undersigned hereby states and certifies that:

(i) I am an "Authorized Officer," as such term is defined in that certain Fiscal Agent Agreement, dated as of _____ 1, 2022 (the "Fiscal Agent Agreement"), by and between the City and U.S. Bank Trust Company, National Association, as fiscal agent (the "Fiscal Agent") and as such, am familiar with the facts herein certified and am authorized to certify the same;

(ii) under Section 3.04(B) of the Fiscal Agent Agreement, the undersigned hereby requests and authorizes the Fiscal Agent to disburse from the Improvement Fund established under the Fiscal Agent Agreement to each payee designated on Schedule A attached hereto and by this reference incorporated herein, the amount set forth opposite such payee, for payment or reimbursement of previous payment of a cost of the Project (as that term is defined in the Fiscal Agent Agreement) as described on attached Schedule A;

(iii) no portion of the amount herein requested to be disbursed was set forth in any Officer's Certificate previously filed requesting disbursement;

(iv) there has not been filed with or served upon the City a stop notice or any other notice of any lien, right to lien or attachment upon, or claim affecting the right to receive payment of, any of the money payable to the person named in this Officer's Cetificate, which has not been released or will not be released with the payment of such obligation, other than materialmen's or mechanics' liens accruing by mere operation of laws; and

(v) in the case of each payment made under any contract for installation or construction, insofar as such obligation was incurred for work, materials, equipment or supplies, such work was actually performed or such materials, equipment or supplies were actually installed in furtherance of the Project or delivered at the site for that purpose or delivered for storage or fabrication at a place or places approved by the City.

SPECIAL TAX BONDS, SERIES 2022

BOND PURCHASE AGREEMENT

_____, 2022

City of Stockton
425 North El Dorado Street
Stockton, California 95202

Ladies and Gentlemen:

The undersigned, Oppenheimer & Co. Inc., as underwriter (the "**Underwriter**"), acting not as a fiduciary or agent for you, but on behalf of itself, offers to enter into this Bond Purchase Agreement (this "**Purchase Agreement**") with the City of Stockton (the "**City**") for Improvement Area 2 of the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II) (the "**Community Facilities District**"), which upon acceptance will be binding upon the Underwriter and the City. The agreement of the Underwriter to purchase the Bonds (as hereinafter defined) is contingent upon the City satisfying all of the obligations imposed upon it under this Purchase Agreement. This offer is made subject to the City's acceptance by the execution of this Purchase Agreement and its delivery to the Underwriter at or before 11:59 p.m., California time, on the date hereof, and, if not so accepted, will be subject to withdrawal by the Underwriter upon notice delivered to the City at any time prior to the acceptance hereof by the City. All capitalized terms used herein, which are not otherwise defined, shall have the meaning provided for such terms in the Fiscal Agent Agreement, dated as of July 1, 2022 (the "**Fiscal Agent Agreement**"), by and between the City and U.S. Bank Trust Company, National Association, as fiscal agent (the "**Fiscal Agent**").

1. Purchase, Sale and Delivery of the Bonds.

A. Subject to the terms and conditions and in reliance upon the representations, warranties and agreements set forth herein: the Underwriter hereby agrees to purchase from the City and the City hereby agrees to sell to the Underwriter all (but not less than all) of the $10,625,000 aggregate principal amount of the Improvement Area 2 of the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II), Special Tax Bonds, Series 2022 (the "**Bonds**"), dated the Closing Date (as hereinafter defined), bearing interest at the rates and maturing on the dates and in the principal amounts set forth in Appendix A hereto. The purchase price for the Bonds shall be $_____ (being 100% of the aggregate principal amount thereof, plus net original issue premium of $_____, less an Underwriter's discount of $_____).

The Underwriter agrees to make a bona fide initial public offering of all of the Bonds in compliance with federal and state securities laws, at a price not in excess of the initial offering prices (or yields) set forth in Appendix A attached hereto and incorporated herein by reference. Subsequent to the initial public offering, the Underwriter reserves the right to change the public offering prices (or yields) as it deems necessary in connection with the offering of the Bonds, without any requirement of prior notice subject to Section 5 herein, provided that the Underwriter shall not

change the interest rates set forth in Appendix A. The Bonds may be offered and sold to certain dealers at prices lower than such initial offering prices.

The Bonds shall be substantially in the form described in, shall be issued and secured under the provisions of, and shall be payable from the Net Taxes and certain other amounts as provided in the Fiscal Agent Agreement, the Preliminary Official Statement (as hereinafter defined), and the Mello-Roos Community Facilities Act of 1982, as amended, being Chapter 2.5, Part 1, Division 2, Title 5 of the Government Code of the State of California (the "**Act**"). The issuance of the Bonds has been duly authorized by the City pursuant to a resolution (the "**Resolution**"), adopted by its City Council (the "**City Council**") on behalf of the Community Facilities District, on _____, 2022.

The proceeds of the Bonds shall be used to (i) construct and/or acquire certain public facilities authorized for the Community Facilities District, (ii) pay capitalized interest on a portion of the Bonds through September 1, 2023, (iii) establish a debt service reserve fund for the Bonds, and (iv) pay initial administration costs and the costs of issuing the Bonds.

B. The City hereby acknowledges that the Underwriter is entering into this Purchase Agreement in reliance on the representations, warranties and agreements made by the City on behalf of itself and on behalf of the Community Facilities District herein, and the City shall take all action necessary to enforce its rights hereunder for the benefit of the Underwriter and shall immediately notify the Underwriter if it becomes aware that any representation, warranty or agreement made by the City, on behalf of itself or on behalf of the Community Facilities District, herein is incorrect in any material respect.

C. The City acknowledges and agrees that: (i) the primary role of the Underwriter, as an underwriter, is to purchase securities for resale to investors in an arm's-length commercial transaction between the City and the Underwriter and that the Underwriter has financial and other interests that differ from those of the City and the Community Facilities District; (ii) the Underwriter is not acting as a municipal advisor, financial advisor or fiduciary to the City, the Community Facilities District, or any other person or entity and has not assumed any advisory or fiduciary responsibility to the City or the Community Facilities District with respect to the transaction contemplated hereby and the discussions, undertakings and proceedings leading thereto (irrespective of whether the Underwriter has provided other services or is currently providing other services to the City or the Community Facilities District on other matters); (iii) the only obligations the Underwriter has to the City or the Community Facilities District with respect to the transaction contemplated hereby expressly are set forth in this Purchase Agreement, except as otherwise provided by applicable rules and regulations of the Securities and Exchange Commission or the rules of the Municipal Securities Rulemaking Board (the "**MSRB**"); and (iv) the City has consulted its own legal, accounting, tax, financial and other advisors, as applicable, to the extent it has deemed appropriate in connection with the transaction contemplated herein. The City acknowledges that it has previously provided the Underwriter with an acknowledgement of receipt of the required Underwriter disclosure under Rule G-17 of the MSRB and acknowledges that it has engaged KNN Public Finance (the "**Municipal Advisor**"), as its municipal advisor (as defined in Securities and Exchange Commission Rule 15Ba1) and will rely solely on the Municipal Advisor for financial advice with respect to the Bonds.

D. Pursuant to the authorization of the City, the Underwriter has distributed copies of the Preliminary Official Statement dated _____, 2022, relating to the Bonds, which, together with the cover page, inside cover page and appendices thereto is herein called the "**Preliminary Official Statement**." By its acceptance of this Purchase Agreement, the City hereby

consents to and ratifies the use and distribution by the Underwriter of the Preliminary Official Statement, and the City agrees to execute a final official statement relating to the Bonds (the "**Official Statement**") which will consist of the Preliminary Official Statement with such changes as may be made thereto, with the approval of Jones Hall, A Professional Law Corporation, San Francisco, California, Bond Counsel and Disclosure Counsel (herein called "**Bond Counsel**"), and the Underwriter, and to provide copies thereof to the Underwriter as set forth in Section 2(S) hereof. The City hereby authorizes and requires the Underwriter to use and promptly distribute, in connection with the offer and sale of the Bonds, the Preliminary Official Statement, the Official Statement and any supplement or amendment thereto. The City further authorizes the Underwriter to use and distribute, in connection with the offer and sale of the Bonds, the Fiscal Agent Agreement, this Purchase Agreement and all information contained herein, and all other documents, certificates and statements furnished by or on behalf of the City or the Community Facilities District to the Underwriter in connection with the transactions contemplated by this Purchase Agreement. The Preliminary Official Statement and/or the Official Statement may be delivered and printed in a "designated electronic format" as defined in the MSRB's Rule G-32 and as may be agreed to by the City and the Underwriter. The City confirms that it does not object to distribution of the Preliminary Official Statement or the Official Statement in electronic form. A copy of the most recent Preliminary Official Statement sent to a potential purchaser shall be sent electronically (or other equally prompt means) by first class mail not later than the first business day following the day upon which each such request is received.

E. To assist the Underwriter in complying with Securities and Exchange Commission Rule 15c2-12(b)(5) (the "**Rule**"), the City will undertake pursuant to the City Continuing Disclosure Certificate, in the form attached as an appendix to the Official Statement (the "**City Continuing Disclosure Certificate**"), to provide annual reports and notices of certain enumerated events. A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the Official Statement.

F. Except as the Underwriter and the City may otherwise agree, the City will deliver to the Underwriter, at the offices of Bond Counsel in San Francisco, California, or at such other location as may be mutually agreed upon by the Underwriter and the City, the documents hereinafter mentioned; and the City will deliver to the Underwriter through The Depository Trust Company's ("**DTC**") FAST delivery system, the Bonds, in definitive form (all Bonds bearing CUSIP® numbers printed thereon), duly executed by the City and authenticated by the Fiscal Agent in the manner provided for in the Fiscal Agent Agreement and the Act at 8:30 a.m. California time, on _____, 2022 (the "**Closing Date**"), and the Underwriter will accept such delivery and pay the purchase price of the Bonds as set forth in paragraph (A) of this Section by wire transfer, payable in federal or other immediately available funds (such delivery and payment being herein referred to as the "**Closing**"). The Bonds shall be in fully registered book-entry form (which may be typewritten) and shall be registered in the name of Cede & Co., as nominee of DTC, which will act as securities depository for the Bonds, and the specimen Bonds will be made available for checking by the Underwriter not less than 5 days prior to the Closing.

G. Except as the City and the Underwriter may otherwise agree, the City will deliver to the Underwriter, at the offices of Bond Counsel in San Francisco, California, or at such other location as may be mutually agreed upon by the Underwriter and the City, the documents hereinafter mentioned on the Closing Date.

2. Representations, Warranties and Covenants of the Community Facilities District. The City represents, warrants and covenants to the Underwriter, on behalf of itself and the Communities Facilities District, as the case may be, that:

A. The City is a municipal corporation and charter city duly organized and validly existing pursuant to the Constitution and laws of the State of California (the "**State**"), and has duly authorized the formation of the Community Facilities District pursuant to resolutions duly adopted by the City Council (the "**Community Facilities District Formation Resolution**" and, together with the Resolution, the "**Community Facilities District Resolutions**") and the Act. The City Council, as the legislative body of the Community Facilities District, has duly adopted the Community Facilities District Formation Resolution, has duly adopted the Ordinance levying the Special Tax (for all purposes herein, as such are defined in the Fiscal Agent Agreement) within Improvement Area 2 of the Community Facilities District (the "**Ordinance**"), and has caused to be recorded in the real property records of San Joaquin County, a notice of special tax lien (the "**Notice of Special Tax Lien**"). The Community Facilities District Formation Resolution, the Ordinance, and the Notice of Special Tax Lien are collectively referred to herein as the "**Formation Documents.**" The City Council has duly adopted the Resolution. Each of the Formation Documents remains in full force and effect as of the date hereof and has not been amended. The Community Facilities District is duly organized and validly existing as a community facilities district under the laws of the State. The City has, and at the Closing Date will have, as the case may be, full legal right, power and authority: (i) to execute, deliver and perform its obligations under this Purchase Agreement and the Fiscal Agent Agreement and to carry out all transactions contemplated by each of such agreements; (ii) to enter into the City Continuing Disclosure Certificate; and (iii) to carry out, give effect to and consummate the transactions contemplated by the Formation Documents, the Fiscal Agent Agreement, this Purchase Agreement and the Official Statement.

This Purchase Agreement, the Fiscal Agent Agreement, and the City Continuing Disclosure Certificate are collectively referred to herein as the "**City Documents**."

B. By all necessary official action of the City, the City has duly authorized and approved the execution and delivery by the City of, and the performance by City of, the obligations on its part contained in, the City Documents and has approved the use and distribution by the Underwriter of the Preliminary Official Statement and the execution, use and distribution by the Underwriter of the Official Statement, and, as of the date hereof, such authorizations and approvals are in full force and effect and have not been amended, modified or rescinded. When executed and delivered by the parties thereto, the City Documents will constitute the legally valid and binding obligations of the City, on its own behalf and on behalf of the Communities Facilities District, enforceable upon the City and the Community Facilities District in accordance with their respective terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws or equitable principles relating to or affecting creditors' rights generally. To the best of the City's knowledge, the City has complied, and will at the Closing Date be in compliance in all respects, with the terms of the City Documents that are applicable to the City, and the Community Facilities District has complied, and will at the Closing Date be in compliance in all respects, with the terms of the City Documents that are applicable to the Community Facilities District.

C. The information in the Preliminary Official Statement (other than statements pertaining to the book-entry system and under the headings "OWNERSHIP AND DEVELOPMENT OF PROPERTY WITHIN IMPROVEMENT AREA 2," as to which no view is expressed) as of its date was and as of the date hereof is, and in the Official Statement (other than statements pertaining to the book-entry system and under the headings "OWNERSHIP AND DEVELOPMENT OF

PROPERTY WITHIN IMPROVEMENT AREA 2," as to which no view is expressed) as of its date is, true and correct in all material respects and does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; and, upon delivery and up to and including 25 days after the End of the Underwriting Period (as defined in paragraph (D) below), the Official Statement will be amended and supplemented so as to contain no misstatement of any material fact or material omission of any statement necessary to make the statements contained therein, in the light of the circumstances in which such statements were made, not misleading.

D. Up to and including 25 days after the End of the Underwriting Period (as defined below), the City will advise the Underwriter promptly of any proposal to amend or supplement the Official Statement and will not effect or consent to any such amendment or supplement without the consent of the Underwriter, which consent will not be unreasonably withheld. The City will advise the Underwriter promptly of the institution of any proceedings known to it by any governmental agency prohibiting or otherwise materially affecting the use of the Official Statement in connection with the offering, sale or distribution of the Bonds. As used herein, the term "**End of the Underwriting Period**" means the later of such time as: (i) the Bonds are delivered to the Underwriter; or (ii) the Underwriter does not retain, directly or as a member of an underwriting syndicate, an unsold balance of the Bonds for sale to the public. Unless the Underwriter gives notice to the contrary, the End of the Underwriting Period shall be deemed to be the Closing Date. Any notice delivered pursuant to this provision shall be written notice delivered to the City at or prior to the Closing Date and shall specify a date (other than the Closing Date) to be deemed the "End of the Underwriting Period." If in the opinion of the Underwriter any such event or proceedings requires the preparation and distribution of a supplement or amendment to the Official Statement, the City shall prepare and furnish to the Underwriter, at the City's expense, such number of copies of the supplement or amendment to the Official Statement, in (i) a "designated electronic format" consistent with the requirements of the MSRB's Rule G-32 and (ii) a printed format form in substance mutually agreed upon by the City and the Underwriter as the Underwriter may reasonably request. If such amendment or supplement to the Official Statement shall be made subsequent to the Closing Date, the City also shall furnish, or cause to be furnished, such additional legal opinions, certificates, instruments and other documents as the Underwriter may reasonably deem necessary to evidence the truth and accuracy of any such supplement or amendment to the Official Statement.

E. As of the time of acceptance hereof and as of the Closing Date, the City and the Community Facilities District, as applicable, have each complied, and will at the Closing Date be in compliance in all material respects, with the Formation Documents and the City Documents, and any immaterial noncompliance by the City or the Community Facilities District, if any, will not impair the ability of the City or the Community Facilities District, as applicable, to carry out, give effect to or consummate the transactions contemplated by the foregoing. From and after the date of issuance of its Bonds, the City will continue to comply with the covenants of the City contained in the City Documents and it shall cause the Community Facilities District to continue to comply with the covenants of the Community Facilities District contained in the City Documents.

F. Except as described in the Preliminary Official Statement, neither the City nor the Community Facilities District is, and as of the Closing Date, neither will be, in any respect material to the transactions referred to herein or contemplated hereby, in breach of or in default under, any law or administrative rule or regulation of the State, the United States of America, or of any department, division, agency or instrumentality of either thereof, or under any applicable court or administrative decree or order, or under any loan agreement, note, resolution, indenture, contract, agreement or other instrument to which the City or the Community Facilities District, as the case

may be, is a party or is otherwise subject or bound; and, to the City's knowledge, no event has occurred and is continuing which, with the passage of time or the giving of notice, or both, would constitute a default or event of default under any such instrument which breach, default or event could have an adverse effect on the City's ability or the Community Facilities District's ability to perform their respective obligations under the City Documents; and as of such times, except as disclosed in the Official Statement, the authorization, execution and delivery of the City Documents and compliance with the provisions of each thereof, or the performance of the conditions precedent to be performed by the City pursuant to this Purchase Agreement, will not conflict with or constitute a breach of or default under any applicable law or administrative rule or regulation of the State, the United States of America, or of any department, division, agency or instrumentality of either thereof, or under any applicable court or administrative decree or order, or under any loan agreement, note, resolution, indenture, contract, agreement or other instrument to which the City is a party or is otherwise subject or bound, in any manner which would materially and adversely affect the performance by the City or the Community Facilities District of their respective obligations under the City Documents or the performance of the conditions precedent to be performed by the City pursuant to this Purchase Agreement. The City has received all licenses, permits or other regulatory approvals required, if any, for the pledge, collection and/or application by the Community Facilities District of the Special Taxes (as defined in the Fiscal Agent Agreement) and other moneys pledged to the payment of the principal of and interest on the Bonds under the Fiscal Agent Agreement.

G. Except as may be required under the "blue sky" or other securities laws of any jurisdiction, all approvals, consents, authorizations, elections and orders of, or filings or registrations with, any governmental authority, board, agency or commission having jurisdiction which would constitute a condition precedent to, or the absence of which would materially adversely affect, the performance by the City or the Community Facilities District of their respective obligations under the City Documents, and the performance of the conditions precedent to be performed by the City pursuant to this Purchase Agreement, have been or will be obtained at the Closing Date and are or will be in full force and effect at the Closing Date.

H. At the time of acceptance hereof there is and as of the Closing there will be no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body (collectively and individually, an "**Action**") pending (notice of which has been served on the City or the Community Facilities District) or to the best knowledge of the City or the Community Facilities District threatened, in which any such Action: (i) in any way questions the powers of the City Council or the existence of the Community Facilities District or the titles of the officers of the City and/or the Community Facilities District to their respective offices; (ii) affects, contests or seeks to prohibit, restrain or enjoin the issuance or delivery of the Bonds or the payment or collection of the Special Taxes or any amounts pledged or to be pledged to pay the principal of and interest on the Bonds, or in any way contests or affects the validity of the City Documents or the consummation of the transactions on the part of the City or the Community Facilities District contemplated thereby; (iii) contests the exclusion of interest on the Bonds from federal or State income taxation or contests the powers of the City or the Community Facilities District which may result in any material adverse change relating to the financial condition of the City or the Community Facilities District; (iv) except as disclosed in the Official Statement, wherein an unfavorable decision, ruling or finding would materially adversely affect the financial position or condition of the City or the Community Facilities District or would result in any material adverse change in the ability of the City to pledge or apply the Special Taxes or to pay debt service on the Bonds; or (v) contests the completeness or accuracy of the Preliminary Official Statement or the Official Statement or any supplement or amendment thereto or asserts that the Preliminary Official Statement or the Official Statement contained any untrue statement of a material fact or

omitted to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; and as of the time of acceptance hereof there is and, as of the Closing Date, there will be no known basis for any Action of the nature described in clauses (i) through (v) of this sentence.

I. The City will furnish such information, execute such instruments and take such other action in cooperation with the Underwriter and at the expense of the Underwriter as the Underwriter may reasonably request in order: (i) to qualify the Bonds for offer and sale under the "blue sky" or other securities laws and regulations of such states and other jurisdictions of the United States of America as the Underwriter may designate; and (ii) to determine the eligibility of the Bonds for investment under the laws of such states and other jurisdictions and will use its best efforts to continue such qualifications in effect so long as required for the distribution of the Bonds, provided; however, that the City will not be required to execute a special or general consent to service of process or qualify as a foreign corporation in connection with any such qualification in any jurisdiction.

J. The City Documents conform as to form and tenor to the descriptions thereof contained in the Preliminary Official Statement. The City represents that the Bonds, when issued, executed and delivered in accordance with the Fiscal Agent Agreement and sold to the Underwriter as provided herein, will be validly issued and outstanding special tax obligations of the City payable solely from the proceeds of the Net Taxes and amounts in certain funds and accounts established in the Fiscal Agent Agreement, and entitled to the benefits of the Fiscal Agent Agreement. The City will comply with the covenant in the Fiscal Agent Agreement to cause the Special Taxes to be levied and collected at the same time and in the same manner as ordinary *ad valorem* property taxes. The Fiscal Agent Agreement creates a valid pledge of, first lien upon and security interest in, the Special Taxes, and in the moneys in the Special Tax Fund established pursuant to the Fiscal Agent Agreement, on the terms and conditions set forth in the Fiscal Agent Agreement. The Fiscal Agent Agreement creates a valid pledge of the moneys in certain funds and accounts established pursuant to the Fiscal Agent Agreement, subject in all cases to the provisions of the Fiscal Agent Agreement permitting the application thereof for the purposes and on the terms and conditions set forth therein.

K. Except as disclosed in the Preliminary Official Statement, there are, to the best of the City's knowledge, no entities with outstanding assessment liens against any of the properties within Improvement Area 2 of the Community Facilities District which are senior to or on a parity with the Special Taxes.

L. The issuance and sale of the Bonds is not subject to any transfer or other documentary stamp taxes of the State or any political subdivision thereof.

M. The City shall not knowingly take or omit to take any action that, under existing law, may adversely affect the exclusion from gross income for federal income tax purposes, or the exemption from State of California personal income tax, of the interest on the Bonds. The City has not been notified of any listing or proposed listing by the Internal Revenue Service to the effect that the City is a bond issuer whose arbitrage certifications may not be relied upon.

N. Any certificate signed on behalf of the Community Facilities District by any officer or employee of the City authorized to do so and delivered to the Underwriter in connection with the issuance and sale of the Bonds shall be deemed to be a representation and covenant by the Community Facilities District to the Underwriter as to the statements made therein.

O. The City will apply the proceeds of the Bonds in accordance with the Fiscal Agent Agreement and as will be described in the Official Statement.

P. At or prior to the Closing, the City will have duly authorized, executed and delivered the City Continuing Disclosure Certificate. Except as otherwise disclosed in the Preliminary Official Statement and based on a review of its previous undertakings, the City has not failed to comply, in any material respects, with any of its continuing disclosure undertakings previously entered into pursuant to the provisions of the Rule within the last five years.

Q. Between the date of this Purchase Agreement and the date of Closing, the City will not offer or issue any bonds, notes or other obligations for borrowed money not previously disclosed to the Underwriter and the City shall not create, assume or guarantee any indebtedness payable from, or pledge or otherwise encumber, the Special Taxes or other assets, properties, funds or interests that will be pledged as security for the Bonds pursuant to the City Documents.

R. Until such time as moneys have been set aside in an amount sufficient to pay all then outstanding Bonds at maturity or to the date of redemption if redeemed prior to maturity, plus unpaid interest thereon and premium, if any, to maturity or to the date of redemption if redeemed prior to maturity, the City will faithfully perform and abide by all of the covenants, undertakings and provisions contained in the Fiscal Agent Agreement.

S. The Preliminary Official Statement was deemed final by a duly authorized officer of the City prior to its delivery to the Underwriter, except for the omission of such information as is permitted to be omitted in accordance with paragraph (b)(1) of the Rule. The City hereby covenants and agrees that, within seven (7) business days from the date hereof, or upon reasonable written notice from the Underwriter within sufficient time to accompany any confirmation requesting payment from any customers of the Underwriter, the City shall cause a final electronic and/or printed form of the Official Statement as set forth in Section 1 above to be delivered to the Underwriter in sufficient quantity to comply with paragraph (b)(4) of the Rule and Rules G-12, G-15, G-32 and G-36 of the Municipal Securities Rulemaking Board.

T. The City hereby approves the preparation and distribution of the Official Statement, consisting of the Preliminary Official Statement with such changes as are noted thereon and as may be made thereto, with the approval of Bond Counsel and the Underwriter from time to time prior to the Closing Date.

U. The City hereby ratifies any prior use of and authorizes the future use by the Underwriter, in connection with the offering and sale of the Bonds, of the Preliminary Official Statement, the Official Statement, this Purchase Agreement and all information contained herein, and all other documents, certificates and written statements furnished by the City to the Underwriter in connection with the transactions contemplated by this Purchase Agreement.

The execution and delivery of this Purchase Agreement by the City shall constitute a representation by the City to the Underwriter that the representations and warranties contained in this Section 2 with respect to the City and the Community Facilities District are true as of the date hereof.

3. Conditions to the Obligations of the Underwriter. The obligation of the Underwriter to accept delivery of and pay for the Bonds on the Closing Date shall be subject, at the option of the Underwriter, to the accuracy in all material respects of the representations and warranties on the part of the City, on its own behalf and on behalf of the Community Facilities District, contained herein, to

the accuracy in all material respects of the statements of the officers and other officials of the City and the Community Facilities District made in any certificates or other documents furnished pursuant to the provisions hereof, to the performance by the City and the Community Facilities District of their obligations to be performed hereunder at or prior to the Closing Date and, to the following additional conditions:

A. At the Closing Date, the Community Facilities District Resolutions, the Formation Documents, and the City Documents shall be in full force and effect, and shall not have been amended, modified or supplemented, except as may have been agreed to in writing by the Underwriter, and there shall have been taken in connection therewith, with the issuance of the Bonds, and with the transactions contemplated thereby, and by this Purchase Agreement, all such actions as, in the opinion of Bond Counsel, shall be necessary and appropriate.

B. At the Closing Date, except as was described in the Preliminary Official Statement, neither the City nor the Community Facilities District shall be, in any respect material to the Bonds, the City Documents or the transactions referred to herein or contemplated hereby, in breach of or in default under, any law or administrative rule or regulation of the State, the United States of America, or of any department, division, agency or instrumentality of either thereof, or under any applicable court or administrative decree or order, or under any loan agreement, note, resolution, indenture, contract, agreement or other instrument to which the City or the Community Facilities District, respectively, is a party or is otherwise subject or bound, and the performance by the City or the Community Facilities District, respectively, of its obligations under the Bonds, the City Documents, the Community Facilities District Resolutions, this Purchase Agreement and any other instruments contemplated by any of such documents, and compliance with the provisions of each thereof, will not conflict with or constitute a breach of or default under any applicable law or administrative rule or regulation of the State, the United States of America or of any department, division, agency or instrumentality of either thereof or under any applicable court or administrative decree or order or under any loan agreement, note, resolution, indenture, contract, agreement or other instrument to which the City or the Community Facilities District, respectively, is a party or is otherwise subject or bound, in any manner which would materially and adversely affect the performance by the City or the Community Facilities District, respectively, of its obligations under the City Documents, the Bonds or the Community Facilities District Resolutions.

C. The information contained in the Official Statement is, as of the Closing Date and as of the date of any supplement or amendment thereto pursuant hereto, true and correct in all material respects and does not, as of the Closing Date or as of the date of any supplement or amendment thereto, contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

D. The Underwriter shall have the right to cancel its obligation to purchase the Bonds and to terminate this Purchase Agreement by written notice to the City if, between the date of this Purchase Agreement and the Closing Date, in the Underwriter's sole and reasonable judgment any of the following events shall occur (each a "**Termination Event**"):

1. Between the date hereof and the Closing Date, the market price or marketability, at the initial offering prices set forth on the cover page of the Official Statement, of the Bonds, or the ability of the Underwriter to enforce contracts for the sale of the Bonds, shall have been materially adversely affected, in the judgment of the Underwriter (evidenced by a written notice

to the City terminating the obligation of the Underwriter to accept delivery of and pay for the Bonds), by reason of any of the following:

a. Legislation introduced in or enacted (or resolution passed) by the Congress of the United States of America or the legislature of the State or recommended to the Congress by the President of the United States of America or a member of the President's Cabinet, the Department of the Treasury, the Internal Revenue Service or any member of Congress or favorably reported for passage to either House of Congress by any committee of such House to which such legislation had been referred for consideration, or a decision rendered by a court established under Article III of the Constitution of the United States of America or by the Tax Court of the United States of America, or an order, ruling, regulation (final, temporary or proposed), press release or other form of notice issued or made by or on behalf of the Treasury Department of the United States of America, the Internal Revenue Service or other federal or State authority with appropriate jurisdiction, with the purpose or effect, directly or indirectly, of imposing federal or State income taxation upon such interest as would be received by any owners of the Bonds beyond the extent to which such interest is subject to taxation as of the date hereof;

b. Legislation introduced in or enacted (or resolution passed) by the Congress, or shall have been favorably reported out of committee or be pending in committee, or shall have been recommended to the Congress for passage by the President of the United States of America or a member of the President's Cabinet, or an order, decree, injunction or decision issued by any court of competent jurisdiction, or an order, ruling, regulation (final, temporary or proposed), press release, statement or other form of notice issued or made by or on behalf of the Securities and Exchange Commission, or any other governmental agency having jurisdiction of the subject matter, to the effect that obligations of the general character of the Bonds, the Resolution or the City Documents, are not exempt from registration under or other requirements of the Securities Act of 1933, as amended, or that the Fiscal Agent Agreement is not exempt from qualification under or other requirements of the Trust Indenture Act of 1939, as amended, or that the issuance, offering or sale of obligations of the general character of the Bonds, as contemplated hereby or by the Official Statement or otherwise, is or would be in violation of the federal securities laws as amended and then in effect;

c. A general suspension of trading on the New York Stock Exchange or other major exchange shall be in force, or minimum or maximum prices for trading shall have been fixed and be in force, or maximum ranges for prices for securities shall have been required and be in force on any such exchange, whether by virtue of determination by that exchange or by order of the SEC or any other governmental authority having jurisdiction;

d. There shall have occurred (1) an outbreak or escalation of hostilities or the declaration by the United States of a national emergency or war or (2) any other calamity or crisis in the financial markets of the United States or elsewhere or the escalation of such calamity or crisis;

e. Except as disclosed in or contemplated by the Official Statement, any material adverse change in the affairs of the City or the Community Facilities District shall have occurred;

2. The introduction, proposal or enactment of any amendment to the federal or California Constitution or any action by any federal or State court, legislative body, regulatory body or other authority materially adversely affecting the tax status of the City or the

Community Facilities District, their property, income, securities (or interest thereon), the validity or enforceability of the Special Tax;

3. Any event occurring or information becoming known which, in the judgment of the Underwriter, makes untrue or incorrect in any material respect any statement or information contained in the Preliminary Official Statement or in the Official Statement or has the effect that the Preliminary Official Statement or the Official Statement contains any untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

4. A general banking moratorium shall have been declared by federal, State of New York or State of California officials authorized to do so or a material disruption in securities settlement, payment or clearance services affecting the Bonds shall have occurred;

5. The imposition by the New York Stock Exchange or other national Securities exchange, or any governmental authority, of any material restrictions not now in force with respect to the Bonds or obligations of the general character of the Bonds or Securities generally, or the material increase of any such restrictions now in force, including those relating to the extension of credit by, or the charge to the net capital requirements of, the Underwriter;

6. A decision by a court of the United States of America shall be rendered, or a stop order, release, regulation or no-action letter by or on behalf of the Securities and Exchange Commission or any other governmental agency having jurisdiction of the subject matter shall have been issued or made, to the effect that the issuance, offering or sale of the Bonds as contemplated by this Purchase Agreement or by the Official Statement, or any document relating to the issuance, offering or sale of the Bonds is or would be in violation of any provision of the federal securities laws at the Closing Date, including the Securities Act of 1933, the Securities Exchange Act of 1934 and the Trust Indenture Act of 1939;

7. Any amendment is made to the Official Statement that in the Underwriter's reasonable judgment will materially adversely affect the marketability of the Bonds or the ability of the Underwriter to enforce contracts for the sale of the Bonds;

8. Any proceeding shall have been commenced or be threatened in writing by the Securities and Exchange Commission against the City or the Community Facilities District.

9. The commencement of an Action described in Section 2(H).

Upon the occurrence of a Termination Event and the termination of this Purchase Agreement by the Underwriter, all obligations of the City, the Community Facilities District, and the Underwriter under this Agreement shall terminate, without further liability, except that the City and the Underwriter shall pay their respective expenses as set forth in Section 6 below.

E. At or prior to the Closing Date, the Underwriter shall have received a counterpart original or certified copy of the following documents, in each case satisfactory in form and substance to the Underwriter:

1. Official Statement. The Official Statement and each supplement or amendment, if any thereto, executed by an authorized officer of the City;

2. Fiscal Agent Agreement. The Fiscal Agent Agreement, duly executed and delivered by the City and the Fiscal Agent;

3. Resolutions. Certifications by the City Clerk with respect to each resolution and ordinance of the City Council, for the City or as the legislative body of the Community Facilities District, relating to the City Documents, the transactions contemplated thereby, formation of the Community Facilities District and issuance of the Bonds;

4. City Continuing Disclosure Certificate. The City Continuing Disclosure Certificate executed and delivered by the City;

5. Bond Counsel Opinion. An unqualified approving opinion for the Bonds, dated the Closing Date and addressed to the City, of Bond Counsel, to the effect that the Bonds are the valid, legal and binding obligations of the City and that the interest thereon is excluded from gross income for federal income tax purposes and exempt from personal income taxes of the State, in substantially the form included as Appendix E to the Official Statement, together with a letter of Bond Counsel, dated the Closing Date and addressed to the Underwriter, to the effect that such opinion addressed to the City may be relied upon by the Underwriter to the same extent as if such opinion was addressed to it;

6. Supplemental Opinion. A supplemental opinion or opinions, dated the Closing Date and addressed to the Underwriter, of Bond Counsel, to the effect that:

(i) this Purchase Agreement has been duly authorized, executed and delivered by the City and, assuming due authorization, execution and delivery by the other parties thereto, constitutes the legal, valid and binding agreement of the City and is enforceable in accordance with its terms, except to the extent that enforceability may be limited by moratorium, bankruptcy, reorganization, insolvency or other similar laws affecting creditors' rights generally or by the exercise of judicial discretion in accordance with general principles of equity or otherwise in appropriate cases and by limitations on legal remedies against public agencies in the State;

(ii) the Bonds are not subject to the registration requirements of the Securities Act of 1933, as amended, and the Fiscal Agent Agreement is exempt from qualification under the Trust Indenture Act of 1939, as amended; and

(iii) the information contained in the Official Statement on the cover and under the captions "THE BONDS," "SECURITY FOR THE BONDS," "TAX MATTERS" and in Appendices E and H to the Official Statement (excluding any financial, statistical and economic data, forecasts, numbers, charts, graphs, estimates, projections, and assumptions and any information regarding The Depository Trust Company and the book-entry system as to which Bond Counsel need express no opinion or view, and further, excluding any material that may be treated as included under such captions by cross-reference), are accurate insofar as such statements purport to summarize certain provisions of the Bonds, the Fiscal Agent Agreement, Bond Counsel's final approving opinion and the Act; and

7. City Attorney Opinion. An opinion, dated the Closing Date and addressed to the Underwriter, of the City Attorney to the City and counsel to the Community Facilities District, substantially in the form of Appendix B hereto;

8. Closing Certificate of the City. A certificate, dated the Closing Date, and signed by an authorized officer of the City substantially in the form of Appendix C hereto, together with such additional certifications as Bond Counsel may require;

9. Bank Incumbency Certificate. Certified copies of the general resolution of the Fiscal Agent authorizing the execution and delivery of certain documents by certain officers of the Fiscal Agent, which resolution authorizes the execution of the Fiscal Agent Agreement and the authentication of the Bonds;

10. Fiscal Agent's Certificate. A certificate of the Fiscal Agent, dated the Closing Date, in form and substance acceptable to the Underwriter and its counsel, substantially in the form of Appendix D hereto;

11. Fiscal Agent's Counsel Opinion. An opinion of counsel to the Fiscal Agent, dated the Closing Date, addressed to the Underwriter and the City, substantially in the form of Appendix E hereto;

12. Disclosure Counsel Opinion. A letter of Jones Hall, A Professional Law Corporation, as disclosure counsel to the City ("**Disclosure Counsel**"), dated the Closing Date and addressed to the Underwriter and the City, to the effect that without passing upon or assuming any responsibility for the accuracy, completeness or fairness of the statements contained in the Preliminary Official Statement and the Final Official Statement and making no representation that they have independently verified the accuracy, completeness or fairness of any such statements, based upon the information made available to them in the course of their participation in the preparation of the Final Official Statement, nothing has come to such counsel's attention which would lead them to believe that the Preliminary Official Statement, as of its date and the date of the Purchase Agreement, and the Final Official Statement, as of its date and as of the Closing Date (but excluding therefrom the appendices thereto, financial statements and statistical data, and information regarding The Depository Trust Company and its book entry system, as to which no opinion need be expressed), contained an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

13. Opinion of Underwriter's Counsel. An opinion of Kutak Rock LLP, counsel to the Underwriter ("**Underwriter's Counsel**"), dated the date of the Closing, addressed to the Underwriter, in form and substance acceptable to the Underwriter;

14. Special Tax Consultant Certificate. A certificate, dated the Closing Date from DTA substantially in the form attached as Appendix F hereto;

15. Transcript. A transcript of all proceedings relating to the authorization, issuance, sale and delivery of the Bonds, including certified copies of the Fiscal Agent Agreement and all resolutions of the City and the Community Facilities District relating thereto;

16. Nonarbitrage Certificate. A certificate of the City, dated the Closing Date, in a form acceptable to Bond Counsel and the Underwriter, that the Bonds are not arbitrage bonds within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended;

17. Specimen Bonds. Copies of the Specimen Bonds;

18. Form 8038-G. An Information Return for Tax-Exempt Bond Issues (Internal Revenue Service Form 8038-G), in a form satisfactory to Bond Counsel for filing, executed by a duly authorized officer of the City, together with evidence that such Form 8038-G has been mailed;

19. CDIAC Statements. Copies of filings with the California Debt and Investment Advisory Commission ("**CDIAC**") relating to the issuance of the Bonds;

20. Letter of Representations. A copy of the Blanket Letter of Representations to DTC relating to the Bonds signed by the City;

21. Certificates Regarding Preliminary Official Statement. Prior to and in connection with printing and distribution of the Preliminary Official Statement, (i) an executed certificate of the City deeming the Preliminary Official Statement final within the meaning of the Rule, and (ii) an executed certificate of Eight Mile Development, Inc. (the "**Master Developer**"), substantially in the form under Appendix G hereto, an executed certificate of Richmond American Homes of Maryland, Inc. ("**Richmond American**"), substantially in the form under Appendix G hereto and an executed certificate of Meritage Homes of California, Inc. ("**Meritage Homes**"), substantially in the form under Appendix G hereto.

22. Richmond American and Meritage Homes Continuing Disclosure Certificates. An executed copy of the Richmond American Continuing Disclosure Certificate and Meritage Homes Continuing Disclosure Certificate in the form included as an appendix to the Official Statement.

23. Master Developer, Richmond American and Meritage Homes Bring-Down Certificates. An executed bring-down certificate from each of the Master Developer Richmond American and Meritage Homes, each dated as of the Closing Date, in the form set forth in Appendix H hereto.

24. Master Developer Opinion. The opinions of counsel to the Master Developer substantially in the form set forth in Appendix I hereto, addressed to the City and the Underwriter.

25. Richmond American and Meritage Homes' Counsel Opinions. The opinions of counsel to Richmond American and Meritage Homes, each dated the Closing Date and addressed to the City and the Underwriter, in form and substance acceptable to the City and Underwriter.

26. Appraiser Closing Certificate. A certificate in form and substance as set forth in Appendix J hereto of Integra Realty Resources - Sacramento, the appraiser of the property within Improvement Area 2 of the Community Facilities District, dated as of the Closing Date.

27. Additional Documents. Such additional legal opinions, certificates, instruments and other documents as the Underwriter may reasonably request to evidence the truth and accuracy, as of the date hereof and as of the Closing Date, of the material representations and warranties of the City, on its own behalf and on behalf of the Community Facilities District, contained herein, and of the statements and information contained in the Official Statement and the due performance or satisfaction by the City at or prior to the Closing of all agreements then to be performed and all conditions then to be satisfied by the City and the Community Facilities District in

connection with the transactions contemplated hereby and by the Fiscal Agent Agreement and the Official Statement.

If the City shall be unable to satisfy the conditions to the obligations of the Underwriter to purchase, accept delivery of and pay for the Bonds contained in this Purchase Agreement, or if the obligations of the Underwriter to purchase, accept delivery of and pay for the Bonds shall be terminated for any reason permitted by this Purchase Agreement, this Purchase Agreement shall terminate and neither the City nor the Underwriter shall be under any further obligation hereunder, except that the respective obligations of the Underwriter and the City set forth in Section 6 hereof shall continue in full force and effect.

4. Representations and Agreements of the Underwriter. The Underwriter represents to and agrees with the City that, as of the date hereof and as of the date of the Closing:

A. The Underwriter is duly authorized to execute and deliver this Purchase Agreement and to take any action under the Purchase Agreement required to be taken by it.

B. The Underwriter is in compliance with MSRB Rule G-37 with respect to the City and the Community Facilities District, and is not prohibited thereby from acting as underwriter with respect to securities of the City and the Community Facilities District. The Underwriter is in compliance with MSRB Rule G-17 with respect to the City and the Community Facilities District.

C. The Underwriter has, and has had, no financial advisory relationship with the City or the Community Facilities District with respect to the Bonds, and no investment firm controlling, controlled by or under common control with the Underwriter has or has had any such financial advisory relationship, within the meaning of California Government Code Section 53590, or otherwise.

D. The Underwriter has not paid or agreed to pay, nor will it pay or agree to pay, any entity, company, firm or person (including, but not limited to, the City's financial consultants, or any officer, agent or employee thereof), other than a bona fide officer, agent or employee working for the Underwriter, any compensation, fee, gift or other consideration contingent upon or resulting from the award of or entering into this Purchase Agreement.

E. The Underwriter has reasonably determined that the City's undertaking in the City Continuing Disclosure Certificate to provide continuing disclosure with respect to the Bonds is sufficient to effect compliance with the Rule.

5. Establishment of Issue Price.

A. The Underwriter agrees to assist the City in establishing the issue price of the Bonds and shall execute and deliver to the City at Closing an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Appendix K, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the City and Bond Counsel (as defined herein), to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds.

B. Except as otherwise set forth in Appendix A attached hereto, the City will treat the first price at which 10% of each maturity of the Bonds (the "**10% test**") is sold to the public

as the issue price of that maturity. At or promptly after the execution of this Purchase Agreement, the Underwriter shall report to the City the price or prices at which it has sold to the public each maturity of Bonds. If at that time the 10% test has not been satisfied as to any maturity of the Bonds, the Underwriter agrees to promptly report to the City the prices at which it sells the unsold Bonds of that maturity to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until either (i) the Underwriter has sold all Bonds of that maturity or (ii) the 10% test has been satisfied as to the Bonds of that maturity, provided that, the Underwriter's reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the City or Bond Counsel. For purposes of this Section, if Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Bonds.

C. The Underwriter confirms that it has offered the Bonds to the public on or before the date of this Purchase Agreement at the offering price or prices (the "**initial offering price**"), or at the corresponding yield or yields, set forth in Appendix A attached hereto, except as otherwise set forth therein. Appendix A also sets forth, as of the date of this Purchase Agreement, the maturities, if any, of the Bonds for which the Underwriter represents that (i) the 10% test has been satisfied (assuming orders are confirmed by the close of the business day immediately following the date of this Purchase Agreement) and (ii) the 10% test has not been satisfied and for which the City and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the City to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "**hold-the-offering-price rule**"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

a. the close of the fifth (5th) business day after the sale date; or

b. the date on which the Underwriter has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter will advise the City promptly after the close of the fifth (5th) business day after the sale date whether it has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

D. The Underwriter confirms that:

(i) any selling group agreement and any third-party distribution agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such third-party distribution agreement, as applicable:

(A)(i) to report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter that the 10% test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be reasonable periodic intervals or otherwise upon request of the Underwriter and (ii) to

comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter,

(B) to promptly notify the Underwriter of any sales of Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below), and

(C) to acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public.

(ii) any selling group agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter or the dealer that the 10% test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter or the dealer, and (B) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter or the dealer and as set forth in the related pricing wires.

E. The City acknowledges that, in making the representation set forth in this section, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a third-party distribution agreement was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in the third-party distribution agreement and the related pricing wires. The City further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds.

F. The Underwriter acknowledges that sales of any Bonds to any person that is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

a. "public" means any person other than an underwriter or a related party;

b. "underwriter" means (A) any person that agrees pursuant to a written contract with the City (or with the lead underwriter to form an underwriting syndicate) to

participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the public);

c. a purchaser of any of the Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other); and

d. "sale date" means the date of execution of this Purchase Agreement by all parties.

6. Expenses.

A. Whether or not the Underwriter accepts delivery of and pays for the Bonds as set forth herein, it shall be under no obligation to pay, and the City shall pay out of the proceeds of the Bonds or any other legally available funds of the City, all expenses incidental to the performance of the City's obligations hereunder, including but not limited to the cost of printing and delivering the Bonds to the Underwriter; the costs of printing and shipping the Preliminary Official Statement and the Official Statement; the fees and disbursements of the City, the Community Facilities District, the Fiscal Agent, Bond Counsel, Disclosure Counsel, accountants and any other experts or consultants retained by the City or the Community Facilities District in connection with the issuance and sale of the Bonds; and any other expenses not specifically enumerated in paragraph (B) of this Section incurred in connection with the issuance and sale of the Bonds.

B. Whether or not the Bonds are delivered to the Underwriter as set forth herein, the City shall be under no obligation to pay, and the Underwriter shall be responsible for and pay, CUSIP® and CDIAC fees and expenses to qualify the Bonds for sale under any "blue sky" laws; the fees and disbursements of Underwriter's Counsel; and all other expenses incurred by the Underwriter in connection with its public offering and distribution of the Bonds not specifically enumerated in paragraph (A) of this Section.

7. Notices. Any notice of other communication to be given to the City under this Purchase Agreement may be given by delivering the same in writing to the City of Stockton, 425 North El Dorado Street, Stockton, California 95202, Attention: Chief Financial Officer; any notice or other communication to be given to the Underwriter under this Purchase Agreement may be given by delivering the same in writing to Oppenheimer & Co. Inc., 580 California Street, Suite 2300, San Francisco, California 94104, Attention: Municipal Capital Markets Group. All such notices, requests or other communications may be made by telephone, personal or courier delivery, registered or certified mail, facsimile transmission or electronic communication, provided that delivery by facsimile transmission or electronic communication must be confirmed by the sender. The City and

the Underwriter may, by notice given as aforesaid, specify a different address for any such notices, requests or other communications.

8. Parties In Interest. This Purchase Agreement is made solely for the benefit of the City and the Underwriter (including any successors or assignees of the Underwriter) and no other person shall acquire or have any right hereunder or by virtue hereof. The City and the Underwriter may not assign this Purchase Agreement. The term "successor" shall not include any holder of any Bonds merely by virtue of such holding.

9. Survival of Representations and Warranties. The representations and warranties of the City under this Purchase Agreement shall not be deemed to have been discharged, satisfied or otherwise rendered void by reason of the Closing and regardless of any investigations made by or on behalf of the Underwriter (or statements as to the results of such investigations) concerning such representations and statements of the City or the Community Facilities District and regardless of delivery of and payment for the Bonds.

10. Severability. If any provision of this Purchase Agreement is, or is held or deemed to be, invalid, inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions, because it conflicts with any provisions of any constitution, statute, rule of public policy or for any other reason, such circumstances shall not make the provision in question invalid, inoperative or unenforceable in any other case or circumstance, or make any other provision or provisions of this Agreement invalid, inoperative or unenforceable to any extent whatsoever.

11. Execution in Counterparts. This Purchase Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument.

12. Effective. This Purchase Agreement shall become effective and binding upon the respective parties hereto upon the execution of the acceptance hereof by the City and shall be valid and enforceable as of the time of such acceptance.

13. No Prior Agreements. This Purchase Agreement supersedes and replaces all prior negotiations, agreements and understanding between the parties hereto in relation to the sale of the Bonds by the City.

14. Governing Law. This Purchase Agreement shall be governed by the laws of the State.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

15. Effective Date. This Purchase Agreement shall become effective and binding upon the respective parties hereto upon the execution of the acceptance hereof by the City and shall be valid and enforceable as of the time of such acceptance.

Very truly yours,

OPPENHEIMER & CO. INC.

Re: $10,625,000 Improvement Area 2 of the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II), Special Tax Bonds, Series 2022

Ladies and Gentlemen:

We have acted as City Attorney for the City of Stockton (the "City") and counsel for Improvement Area 2 of the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II) (the "Community Facilities District"), in connection with the purchase and sale of the Improvement Area 2 of the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II), Special Tax Bonds, Series 2022 (the "Bonds"). As such Counsel, we have reviewed the Bond Purchase Agreement, dated [BPA Date] (the "Purchase Agreement"), by and between Oppenheimer & Co. Inc. (the "Underwriter") and the City, the Fiscal Agent Agreement, dated as of July 1, 2022 (the "Fiscal Agent Agreement"), by and between the City and U.S. Bank Trust Company, National Association, as fiscal agent (the "Fiscal Agent"), the City Continuing Disclosure Certificate, dated [Closing Date] executed by the City (the "City Continuing Disclosure Certificate"), the Preliminary Official Statement, dated [POS Date], relating to the Bonds (the "Preliminary Official Statement"), the Official Statement, dated [OS Date], relating to the Bonds (the "Official Statement"), Resolution No. _____ adopted by the City Council of the City on _____, 2022 ("Bond Resolution"), and such other documents, certificates, records and papers as we have deemed necessary to render the below opinions.

The Bonds, Fiscal Agent Agreement, Purchase Agreement, and the City Continuing Disclosure Certificate, are collectively referred to herein as the "Bond Documents." Capitalized terms used herein and not otherwise defined shall have the meanings assigned to them in the Purchase Agreement.

With your permission we have assumed, without undertaking to verify the same by independent investigation, the following: (a) the authenticity of original documents and the genuineness of all signatures (other than those of the City and the Community Facilities District); (b) the conformity to the originals of all documents submitted to us as copies; (c) the truth, accuracy, and completeness of the information, representations, and warranties contained in these documents, certificates, records and papers we have reviewed; and (d) compliance with all covenants and agreements contained in such documents.

Based on the foregoing, and in reliance thereon, as of the date hereof, we are of the following opinions:

1. The City is a municipal corporation and charter city duly organized and validly existing pursuant to the Constitution and laws of the State of California;

2. The Community Facilities District is duly organized and validly existing as a community facilities district under the Constitution and laws of the State;

3. The Bond Resolution was duly adopted at a meeting of the City Council, which meeting was duly called and held pursuant to law and with all public notice required by law and at which a quorum was present and acting throughout;

4. The preparation and distribution of the Preliminary Official Statement and the Official Statement have been duly approved by the City Council, acting for itself or as the Legislative Body of the Community Facilities District;

5. The execution and delivery by the City of the Bond Documents, and the Bonds and the performance of its obligations thereunder have been duly authorized by all requisite action of the City Council, acting for itself or as the Legislative Body of the Community Facilities District, and the Bonds and the Bond Documents have been duly executed and delivered by the City, and constitute legal, valid and binding obligations of the City enforceable against the City, in accordance with their respective terms, subject to bankruptcy, insolvency, reorganization, moratorium and other laws affecting the enforcement of creditors' rights in general and to the application of equitable principles if equitable remedies are sought;

6. To the best of our knowledge, no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, regulatory agency, public board or body is pending or to the best of such counsel's knowledge, threatened in any way affecting the existence of the City or the Community Facilities District or the titles of the officers of each to their respective offices, or seeking to restrain or to enjoin the execution and delivery of the Bond Documents, or the issuance, sale or delivery of the Bonds or the application of the proceeds thereof or the collection or application of the Special Tax, or the exclusion from gross income for State personal income taxes of interest on the Bonds, or in any way contesting or affecting the validity or enforceability of the Bonds, the Bond Documents or any action of the City or the Community Facilities District contemplated by any of said documents or in any way contesting the completeness or accuracy of the Preliminary Official Statement or the Official Statement or the powers of the City or its authority with respect to the Purchase Agreement or any other applicable agreement, or any action on the part of the City or the Community Facilities District contemplated by any of said documents;

7. To the best of our knowledge, the City and the Community Facilities District are not in breach of or in default under any court or administrative decree or order, or under any loan agreement, note, resolution, indenture, contract, agreement or other instrument to which the City or the Community Facilities District is a party or is otherwise subject or bound, including the Bond Documents, a consequence of which could be to materially and adversely affect the ability of the City or the Community Facilities District to perform their obligations under the Bonds, the Bond Documents or which, with the passage of time or the giving of notice or both, would constitute an event of default thereunder; and;

8. To the best of our knowledge, the adoption of the Bond Resolution and the execution and delivery of the Bonds and the Bond Documents, did not and will not conflict with or constitute a breach of or default under any applicable court or administrative decree or order, or under any loan

agreement, note, ordinance, resolution, indenture, contract, agreement or other instrument to which the City or the Community Facilities District, as the case may be, is a party or is otherwise subject or bound, a consequence of which could be to materially and adversely affect the ability of City or the Community Facilities District to perform their obligations under the Bonds or any Bond Documents.

The opinions set forth above are subject to the following additional qualifications:

General principles of equity, regardless of whether such enforceability is considered in a proceeding in equity or at law; and limitations imposed by bankruptcy, insolvency, fraudulent conveyance, receivership, conservatorship, reorganization, arrangement, liquidation, moratorium or other similar laws affecting the enforcement of creditors' rights in general heretofore or hereafter enacted, as such laws may be applied in the event of bankruptcy, insolvency, reorganization, arrangement, receivership, conservatorship, liquidation, readjustment of debt or other similar proceedings of, or moratorium or similar occurrence affecting municipal corporations in the State.

We express no opinion as to matters governing by laws other than the laws of the State and the federal laws of the United States of America, or the enforceability of any choice of law provision in the documents described herein.

This opinion is solely for your benefit in connection with the transactions covered by the first paragraph of this letter and may not be relied upon or used by, circulated, quoted or referred to, nor may copies hereof be delivered to, any other person or for any other purpose without our prior written approval; provided, however, copies of this opinion may be included in the closing transcripts for the transactions connected with the issuance of the Bonds. We disclaim any obligation to update this opinion letter for events occurring or coming to our attention after the date hereof.

Respectfully submitted,

APPENDIX C

IMPROVEMENT AREA 2 OF THE CITY OF STOCKTON
COMMUNITY FACILITIES DISTRICT NO. 2018-2
(WESTLAKE VILLAGES II)
SPECIAL TAX BONDS, SERIES 2022

CLOSING CERTIFICATE OF THE CITY

I, the undersigned, hereby certify that I am the Controller/Treasurer and Chief Financial Officer of the City of Stockton (the "City"), the City Council (the "City Council") of which is the Legislative Body for Improvement Area 2 of the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II) (the "Community Facilities District"), a community facilities district duly organized and existing under the laws of the State of California (the "State") and I am authorized to execute this Certificate on behalf of the City in connection with the issuance of the above-captioned bonds (the "Bonds"). All capitalized terms herein not otherwise defined shall have the meanings given such terms in the Bond Purchase Agreement (the "Bond Purchase Agreement"), dated [BPA Date], by and between the City and Oppenheimer & Co. Inc..

I further certify on behalf of the City that:

(i) The representations, warranties and covenants of the City contained in the Bond Purchase Agreement, made on behalf of the City and the Community Facilities District, are true and correct in all material respects on and as of the date hereof as if made on the date hereof;

(ii) The Community Facilities District Resolutions, Formation Documents and the City Documents are in full force and effect and have not been amended, modified or supplemented;

(iii) Except as described in the Official Statement, there is no action, suit, proceeding, inquiry or investigation at law or in equity, or by any court or regulatory agency, public board or body pending, with respect to which the City or the Community Facilities District has been served with process, or to the best knowledge of the City or the Community Facilities District, threatened wherein an unfavorable decision, ruling or finding would: (a) affect the creation, organization, existence or powers of the City or the Community Facilities District, or the titles of their officers to their respective offices, (b) enjoin or restrain the issuance, sale and delivery of the Bonds, the levy or collection of the Special Tax or any other moneys or property pledged or to be pledged under the Fiscal Agent Agreement, or the pledge thereof, (c) in any way question or affect any of the rights, powers, duties or obligations of the City or the Community Facilities District with respect to the Special Taxes or moneys and assets pledged or to be pledged to pay the principal of, premium, if any, or interest on the Bonds, (d) in any way question or affect any authority for the issuance of the Bonds, or the validity or enforceability of the Bonds or the proceedings relating to the issuance of the Bonds, or (e) in any way question or affect the Bond Purchase Agreement or the transactions contemplated thereby, the Official Statement or the City Documents;

(iv) The information in the Preliminary Official Statement (other than statements pertaining to DTC and it book-entry system and under the headings "OWNERSHIP AND DEVELOPMENT OF PROPERTY WITHIN IMPROVEMENT AREA 2" and contained in APPENDIX G–DTC AND THE BOOK-ENTRY ONLY SYSTEM," as to which no view is expressed) as of its date was and as of the date hereof is, and in the Official Statement (other than

statements pertaining to DTC and its book-entry system and under the headings "OWNERSHIP AND DEVELOPMENT OF PROPERTY WITHIN IMPROVEMENT AREA 2" and contained in APPENDIX G–DTC AND THE BOOK-ENTRY ONLY SYSTEM,"" as to which no view is expressed) as of its date was and as of the date hereof is, true and correct in all material respects and does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading;

(v) The City has complied with all agreements and covenants, and satisfied all conditions, on its part to be complied with or satisfied under the Bond Purchase Agreement and under the Community Facilities District Resolutions, the Formation Documents, the City Documents and the Official Statement at or prior to the date hereof;

(vi) No event has occurred since the date of the Official Statement which either makes untrue or incorrect in any material respect as of the date hereof any statement or information contained in the Preliminary Official Statement or the Official Statement (other than statements pertaining to DTC and its book-entry system and under the headings "OWNERSHIP AND DEVELOPMENT OF PROPERTY WITHIN IMPROVEMENT AREA 2" and contained in Appendix G–DTC and the Book-Entry Only System," as to which no view is expressed) or is not reflected in the Official Statement but should be reflected therein in order to make the statements and information therein not misleading in any material respect;

(vii) The use of and distribution by the Underwriter of the Preliminary Official Statement and the Official Statement in connection with the offer and sale of the Bonds is hereby ratified; and

(viii) The City and the Community Facilities District are each in compliance with all covenants set forth in the Fiscal Agent Agreement.

IN WITNESS WHEREOF, the undersigned has executed this certificate as of the date set forth below.

FISCAL AGENT'S CERTIFICATE

The undersigned is an authorized officer of U.S. Bank Trust Company, National Association (the "Bank"), and as such, is familiar with the facts herein certified and is authorized and qualified to state and certify the following:

(i) The Bank is duly organized and existing as a national banking association under the laws of the United States of America, having the full power and authority to accept and perform its duties under a Fiscal Agent Agreement, dated as of July 1, 2022 (the "Fiscal Agent Agreement"), by and between the City and U.S. Bank Trust Company, National Association, as fiscal agent. Capitalized terms used herein and not otherwise defined have the meanings given to such terms in the Bond Purchase Agreement, dated [BPA Date], by and between the City and Oppenheimer & Co. Inc.;

(ii) Pursuant to the Fiscal Agent Agreement, the Bank will apply the proceeds from the Bonds to the purposes specified in the Fiscal Agent Agreement;

(iii) The Bank is duly authorized to accept the obligations created by the Fiscal Agent Agreement and to authenticate the Bonds pursuant to the terms of the Fiscal Agent Agreement;

(iv) The Fiscal Agent Agreement has been duly authorized, executed and delivered by the Bank and, assuming due authorization, execution and delivery thereof by the other parties thereto, constitutes a valid and binding agreement of the Bank enforceable against the Bank in accordance with its terms;

(v) The Bonds have been validly authenticated and delivered by the Bank pursuant to the Fiscal Agent Agreement;

(vi) No consent, approval, authorization or other action by any governmental or regulatory authority having jurisdiction over the Bank that has not been obtained is or will be required for the authentication of the Bonds or the consummation by the Bank of the other transactions contemplated to be performed by the Bank in connection with the authentication of the Bonds and the acceptance and performance of the obligations created by the Fiscal Agent Agreement;

(vii) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, regulatory agency, public board or body that has been served on the Bank or, to the best of its knowledge, threatened in any way affecting the existence of the Bank, or seeking to restrain or to enjoin the execution and delivery of the Fiscal Agent Agreement or the authentication of the Bonds, by the Bank, or in any way contesting or affecting the validity or enforceability, as against the Bank, of the Fiscal Agent Agreement or any action of the Bank

contemplated by any of said documents, or in which an adverse outcome would materially and adversely affect the ability of the Bank to perform its obligations under the Fiscal Agent Agreement;

(viii) The Bank is not in breach of or in default under any applicable law or administrative rule or regulation of the State of California (the "State") or the United States of America, or of any department, division, agency or instrumentality of either thereof, or under any applicable court or administrative decree or order, or under any loan agreement, note, resolution, indenture, contract, agreement or other instrument to which the Bank is a party or is otherwise subject or bound, a consequence of which could be to materially and adversely affect the ability of the Bank to perform its obligations under the Fiscal Agent Agreement (*provided, however*, that the Bank does not certify as to compliance with State or federal securities laws); and

(ix) The authentication of the Bonds, and the execution and delivery of the Fiscal Agent Agreement by the Bank, and compliance with the provisions of each, will not conflict with or constitute a breach of or default under any applicable law or administrative rule or regulation of the State or the United States of America, or of any department, division, agency or instrumentality of either thereof, or under any applicable court or administrative decree or order, or under any loan agreement, note, ordinance, resolution, indenture, contract, agreement or other instrument to which the Bank is a party or is otherwise subject or bound, a consequence of which could be to materially and adversely affect the ability of the Bank to perform its obligations under the Fiscal Agent Agreement.

Re: Improvement Area 1 of the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II), Special Tax Bonds, Series 2022

Ladies and Gentlemen:

We have acted as counsel for U.S. Bank Trust Company, National Association, a national banking association (the "Bank") in connection with the execution by the Bank of a Fiscal Agent Agreement, dated as of July 1, 2022 (the "Fiscal Agent Agreement"), by and between the City and U.S. Bank Trust Company, National Association, as fiscal agent (the "Fiscal Agent"). We are generally familiar with the Articles of Association and the Bylaws of the Bank and are also familiar with the corporate proceedings of the Bank with regard to its authorization, execution and delivery of the Fiscal Agent Agreement. Capitalized terms used herein shall have the respective meanings ascribed to them in the Fiscal Agent Agreement, except as otherwise defined herein.

We have examined such documents and have reviewed such questions of law as we have considered necessary and appropriate for the purposes of this opinion. In such review, we have assumed the genuineness of all signatures, the authenticity of all documents submitted to us as originals, and the conformity with originals of all documents submitted to us as copies. Where questions of fact material to our opinions expressed below were not established independently, we have relied upon statements of officers of the Bank as contained in their certificates.

Based upon the foregoing, we are of the opinion that:

1. The Bank is a national banking association duly organized, validly existing and in good standing under the laws of the United States of America.

2. The Bank has all requisite corporate power, authority and legal right to execute and deliver the Fiscal Agent Agreement and to perform its duties and obligations under the Fiscal Agent Agreement, and has taken all necessary corporate action to authorize the execution and delivery thereof and the performance of its obligations thereunder, including the authentication and delivery of the Bonds in its capacity as fiscal agent under the Fiscal Agent Agreement.

3. The Bank has duly authorized, executed and delivered the Fiscal Agent Agreement. Assuming the due authorization, execution and delivery thereof by the other parties thereto, the Fiscal Agent Agreement is a legal, valid and binding agreement of the Bank, enforceable in accordance with its terms against the Bank.

4. To our knowledge, no authorization, approval, consent, or order of any governmental agency or regulatory authority having jurisdiction over the Bank that has not been obtained by the Bank is required for the authorization, execution and delivery by the Bank of the Fiscal Agent Agreement or the authentication and delivery of the Bonds by the Bank under the Fiscal Agent Agreement.

The opinions set forth above are subject to the following qualifications and exceptions:

(a) the opinions are subject to the effect of any applicable bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium or other similar laws of general application affecting creditors' rights; and

(b) the opinions are subject to the effect of general principles of equity, including (without limitation) concepts of materiality, reasonableness, good faith and fair dealing, and other similar doctrines affecting the enforceability of agreements generally (regardless of whether considered in a proceeding in equity or at law).

Our opinions expressed above are limited to the laws of the State of California and the federal laws of the United States of America.

The foregoing opinions are being furnished to you solely for your benefit and may not be relied upon by, nor may copies be delivered to, any other person without our prior written consent.

Very truly yours,

APPENDIX F

IMPROVEMENT AREA 2 OF THE CITY OF STOCKTON
COMMUNITY FACILITIES DISTRICT NO. 2018-2
(WESTLAKE VILLAGES II)
SPECIAL TAX BONDS, SERIES 2022

CERTIFICATE OF SPECIAL TAX CONSULTANT

The undersigned hereby states and certifies:

1. That he is an authorized officer of DTA (the "Special Tax Consultant") and as such is familiar with the facts herein certified and is authorized and qualified to certify the same.

2. That the Special Tax Consultant has prepared the Rate and Method of Apportionment of Special Tax (the "Rate and Method") for Improvement Area 2 of the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II) (the "Community Facilities District") as set forth in Appendix A to the Official Statement for the above-captioned bonds (the "Bonds") dated [BPA Date]. Capitalized terms not otherwise defined herein shall be defined as provided in the Rate and Method or the Fiscal Agent Agreement, dated as of July 1, 2022 (the "Fiscal Agent Agreement"), by and between the City and U.S. Bank Trust Company, National Association, as fiscal agent (the "Fiscal Agent").

3. That the Special Tax, if levied in accordance with the Rate and Method and collected will annually yield sufficient revenue to make timely payments of the annual debt service on the Bonds, and annual Administrative Expenses related to the levy and collection of the Special Tax and the expenses of the Fiscal Agent for the Bonds (no representation is made as to the actual amounts that will be collected in future years).

4. That the Maximum Annual Special Tax, if collected in the maximum amounts permitted pursuant to the Rate and Method on the Closing Date, would generate at least 110% of the Annual Debt Service payable with respect to the Bonds payable from such Special Tax plus estimated Administrative Expenses equal to a maximum of $_____ for Fiscal Year 2022-23, assuming the debt service schedule shown in the Official Statement is true and correct.

5. That all information supplied by the Special Tax Consultant for use in the Official Statement is true and correct, as of the date of the Official Statement and as of the date hereof.

6. That, as of the dates of the Preliminary Official Statement and the Official Statement and as of the date hereof, the information contained in the portion of the Official Statement entitled "SECURITY FOR THE BONDS," and "APPENDIX A," including all tables and maps sourced to the Special Tax Consultant, and the other data provided by the Special Tax Consultant and included in the Official Statement, do not, to our knowledge, contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading.

7. The Community Facilities District, the City, the Underwriter, Oppenheimer & Co. Inc., and all the professionals involved in the financing are entitled to rely on this Certificate.

FORM OF CERTIFICATE OF PROPERTY OWNER

[POS Date]

The undersigned party certifies and represents that he or she is duly authorized on behalf of [Eight Mile Development, Inc.] [Richmond American Homes of Maryland, Inc.] [Meritage Homes of California, Inc.] (the "Property Owner"), to execute and deliver this certificate (this "Certificate") in connection with the issuance, sale and delivery of the Bonds captioned above (the "Bonds").

Capitalized terms used but not defined in this Certificate have the same meaning as is set forth in the Bond Purchase Agreement with respect to the Bonds between Oppenheimer & Co. Inc., as underwriter (the "Underwriter"), and the City.

As used in this Certificate, the term "Actual Knowledge of the Undersigned" means the knowledge that the undersigned currently has as of the date of this Certificate or has obtained through (i) interviews with such current officers and responsible employees of the Property Owner as the undersigned has reasonably determined are likely, in the ordinary course of their respective duties, to have knowledge of the matters set forth in this Certificate, and/or (ii) review of documents reasonably available to the undersigned and which the undersigned reasonably deemed necessary for the undersigned to obtain knowledge of the matters set forth in this Certificate. The undersigned has not conducted any extraordinary inspection or inquiry other than such inspections or inquiries as are prudent and customary in connection with the ordinary course of the Property Owner's current business and operations.

As used in this Certificate, the term "Relevant Entity" of the Property Owner means any person presently directly or indirectly through one or more intermediaries controlling, controlled by or under common control with the Property Owner, and about whom information could be material to potential investors in their investment decision regarding the Bonds (including without limitation information relevant to the Property Owner's proposed development of the Property (defined herein), or to the Property Owner's ability to pay the Special Taxes due with respect to the Property prior to delinquency).

As used in this Certificate, the term "Property" means the real property currently owned by the Property Owner within Improvement Area 2 of the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II) (the "Community Facilities District"), as further described in the Preliminary Official Statement.

The undersigned certifies that he or she is familiar with the facts set forth in this Certificate, and further hereby certifies to the Actual Knowledge of the Undersigned as follows, as an authorized officer or representative of the Property Owner:

(1) The Property Owner has been duly organized and validly exists in good standing under the laws of the State of California and has or will have prior to the Closing, as required, all requisite limited partnership right, power and authority:

(i) to execute and deliver this Certificate;

(ii) to own and develop the Property, as described in the Preliminary Official Statement;

(iii) to execute and deliver the Property Owner Continuing Disclosure Certificate at Closing;

(iv) to perform its obligations under the Property Owner Continuing Disclosure Certificate; and

(v) to carry on its business as described in the Preliminary Official Statement.

(2) The Property Owner agrees to execute at Closing the Property Owner Continuing Disclosure Certificate substantially in the form attached as an appendix to the Preliminary Official Statement, with such additional changes as may be agreed upon by the Underwriter, Bond Counsel and the Property Owner.

(3) Except as disclosed in the Preliminary Official Statement, to the Actual Knowledge of the Undersigned, neither Property Owner is aware of any material failures by it or any entity under managerial control of such Property Owner to comply in all material respects with previous continuing disclosure undertakings in a written certificate or agreement executed by it or its Relevant Entities to provide periodic continuing disclosure reports or notices of material events respecting securities offerings in California within the past five years.

(4) To the Actual Knowledge of the Undersigned, execution and delivery of the Property Owner Continuing Disclosure Certificate, and the performance by the Property Owner of its obligations under the Property Owner Continuing Disclosure Certificate, will not conflict with or constitute a breach of or default under any loans, lines of credit, agreements, or other contractual or financial obligations of the Property Owner or any applicable law, regulation, judgment or decree.

(5) To the Actual Knowledge of the Undersigned, neither the Property Owner nor any of its Relevant Entities is currently in material default on any loans, lines of credit, credit agreements, or other material contractual or financial obligations, or in breach of any applicable law, regulation, judgment or decree, and no event has occurred and is continuing that would constitute such a default or breach, the result of which could reasonably be expected to materially and adversely affect the ability of the Property Owner:

(i) to own and develop the Property, as described in the Preliminary Official Statement;

(ii) to pay Special Taxes on the Property (to the extent the responsibility of the Property Owner) prior to delinquency;

(iii) to carry on its business as described in the Preliminary Official Statement; and

(iv) to perform its obligations under the Property Owner Continuing Disclosure Certificate.

(6) Except as disclosed in the Preliminary Official Statement, to the Actual Knowledge of the Property Owner, the Property Owner has not assumed any obligations under any loans, lines of credit, credit agreements, or other material contractual or financial obligations, or any applicable judgment or decree, which could reasonably be expected to materially and adversely affect the ability of the Property Owner:

(i) to own and develop the Property, as described in the Preliminary Official Statement,

(ii) to pay Special Taxes on the Property (to the extent the responsibility of the Property Owner) prior to delinquency, or

(iii) to carry on its business as described in the Preliminary Official Statement.

(7) Except as described in the Preliminary Official Statement, the Property Owner has no loans outstanding and unpaid and no lines of credit that are secured by the Property.

(8) Except as disclosed in the Preliminary Official Statement, to the Actual Knowledge of the Undersigned, neither the Property Owner nor any of its Relevant Entities is currently in default in, or, in the last five years, has ever defaulted to any material extent in, the payment of special taxes or assessments in connection with the Community Facilities District or any other community facilities districts or assessment districts in California that was not cured prior to the institution of any enforcement action with a court of law.

(9) Except as disclosed in the Preliminary Official Statement, to the Actual Knowledge of the Undersigned, there is no litigation, inquiry, investigation or administrative proceeding of any nature pending against the Property Owner (with service of process to the Property Owner having been accomplished), or to the Actual Knowledge of the Undersigned, overtly threatened in writing against the Property Owner, or to the Actual Knowledge of the Undersigned, pending or overtly threatened in writing against any Relevant Entity of the Property Owner, in each case which, if successful, could reasonably be expected to:

(i) materially and adversely affect the ability of the Property Owner to own, and develop the Property, as described in the Preliminary Official Statement;

(ii) materially and adversely affect the ability of the Property Owner to pay Special Taxes on the Property (to the extent the responsibility of the Property Owner) prior to delinquency;

(iii) materially and adversely affect the ability of the Property Owner to carry on its business as described in the Preliminary Official Statement;

(iv) materially adversely affect the ability of the Property Owner to perform its obligations under the Property Owner Continuing Disclosure Certificate;

(v) challenge, question the validity or enforceability of, or restrain or enjoin the performance of, the Special Taxes, the Bonds, the Resolution, the Fiscal Agent Agreement, the Property Owner Continuing Disclosure Certificate or the Bond Purchase Agreement; or

(vi) restrain or enjoin collection of Special Taxes or other sums to be pledged to pay the principal of and interest on the Bonds.

(10) Except as disclosed in the Preliminary Official Statement or in this Certificate:

(i) the Property Owner and, to the Actual Knowledge of the Undersigned, its Relevant Entities, are solvent;

(ii) to the Actual Knowledge of the Undersigned, there are no proceedings pending (with service of process to the Property Owner having been accomplished) or overtly threatened in writing in which the Property Owner or any of its Relevant Entities may be adjudicated as bankrupt, become the debtor in a bankruptcy proceeding, be discharged from any or all of its respective debts or obligations, be granted an extension of time to pay its respective debts or obligations, or be granted a reorganization or readjustment of its respective debts or obligations; and

(iii) Neither the Property Owner nor, to the Actual Knowledge of the Undersigned, any of its Relevant Entities, has filed for bankruptcy or been declared bankrupt in the last 10 years.

(11) As of the date hereof, the information in the sections of the Preliminary Official Statement entitled "OWNERSHIP AND DEVELOPMENT OF PROPERTY WITHIN IMPROVEMENT AREA 2," "CONTINUING DISCLOSURE – [Richmond American"][Meritage Homes"] and "SPECIAL RISK FACTORS" concerning the Property Owner and its Relevant Entities, the Property, the Property Owner's development and financing plans, and the Property Owner's contractual arrangements (but excluding any information cited as coming from a source other than the Property Owner) is true and correct in all material respects, and contains no untrue statement of a material fact and does not omit any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(12) Except as disclosed in the Preliminary Official Statement, the Property Owner has not submitted an application for, nor received actual notice of,

(i) the formation or authorization of any other assessment district or community facilities district that would include any portion of the Property, or

(ii) the authorization or issuance of any debt secured by an assessment or another special tax to be levied on any portion of the Property, other than the Special Tax.

(13) Except as set forth in the Preliminary Official Statement, to the Actual Knowledge of the Undersigned, there are no claims, disputes, lawsuits, actions or contingent liabilities of or against the Property Owner or its Relevant Entities, or among, by or between the Property Owner and any contractors working on the development of the Property, which could reasonably be expected to materially and adversely affect:

(i) the ability of the Property Owner to own and develop the Property, as described in the Preliminary Official Statement;

(ii) the ability of the Property Owner to pay Special Taxes on the Property (to the extent the responsibility of the Property Owner) prior to delinquency;

(iii) the ability of the Property Owner to carry on its business as described in the Preliminary Official Statement; or

(iv) the ability of the Property Owner to perform its obligations under the Property Owner Continuing Disclosure Certificate.

(14) To the Actual Knowledge of the Undersigned, all information submitted by, or on behalf of, the Property Owner to (i) the Appraiser, as such information is set forth in the Appraisal, was, at the time of submission, and, except as modified by later information submitted by such Property Owner, is, as of the date of this Certificate, true and correct in all material respects, and (ii) the City, the Community Facilities District, Bond Counsel, Disclosure Counsel, or the Underwriter in connection with the issuance of the Bonds was, at the time of submission and, except as modified by later information submitted by such Property Owner, is as of the date of this Certificate, true and correct in all material respects.

(15) The Property Owner covenants that, while the Bonds or any refunding obligations related thereto are outstanding, the Property Owner will not bring any action, suit, proceeding, inquiry or investigation at law or in equity, before any court, regulatory agency, public board or body, that in any way:

(i) seeks to challenge or overturn the formation of the Community Facilities District;

(ii) seeks to challenge the adoption of the ordinance levying Special Taxes within Improvement Area 2 of the Community Facilities District;

(iii) seeks to invalidate the Community Facilities District or any of the Bonds or any refunding obligations; or

(iv) seeks to invalidate the special tax liens imposed under Section 3115.5 of the Streets and Highways Code based on recordation of the notices of special tax lien relating thereto.

The foregoing covenant shall not prevent the Property Owner in any way from bringing any other action, suit, proceeding, inquiry or investigation at law or in equity relating to the following:

(a) a claim that the Special Tax has not been levied in accordance with the Rate and Method;

(b) the application or use of the Special Taxes levied and collected; or

(c) the enforcement of the obligations of the City or the Community Facilities District under the Fiscal Agent Agreement or any agreements between the Property Owner and the City or the Community Facilities District or under which the Property Owner is a beneficiary.

(16) The Property Owner has received a copy of the Rate and Method containing the prepayment formula. The Property Owner acknowledges that any prepayment of the Special Taxes may only be made in accordance with the Rate and Method.

(17) The Property Owner shall comply with the provision of the Mello-Roos Community Facilities Act of 1982, as amended, relating to the Notice of Special Tax described in California Government Code Section 53341.5 in connection with the sale of the Property.

(18) Based upon its current development plans, including, without limitation, its current budget and subject to economic conditions and risks generally inherent in the development of real property, the Property Owner anticipates that it will have sufficient funds to (i) carry on its business as described in the Preliminary Official Statement, (ii) own and develop the Property as described in the Preliminary Official Statement, and (iii) pay Special Taxes on the Property (to the extent the responsibility of the Property Owner) prior to delinquency.

(19) The Property Owner consents to the issuance of the Bonds. The Property Owner acknowledges and agrees that the proceeds of such Bonds will be used for the acquisition and construction of the improvements described in the Preliminary Official Statement. The Property Owner acknowledges that the costs to acquire and construct such improvements are estimates, and that any increase in costs in excess of the estimated costs relating to improvements will reduce the improvements which may be financed by the City, and neither the City, nor the Community Facilities District has any obligation to provide moneys to pay for any such costs.

(20) As a condition to the issuance of the Bonds, the Property Owner agrees to deliver a bring-down certificate, dated the Closing Date, in substantially the form attached as Appendix H to the Bond Purchase Agreement, to affirm and restate the Property Owner's certifications, representations and covenants made in this Certificate. If any event related to or affecting the Property Owner, its Relevant Entities or the ownership, development or sale of the Property occurs, as a result of which it is necessary to modify the bring-down certificate, the Property Owner agrees to deliver a new bring-down certificate revised to reflect such event.

(21) The Property Owner acknowledges and agrees that:

(i) in connection with the purchase and sale of the Bonds under the Bond Purchase Agreement, and with the discussions, undertakings and procedures leading

up to the consummation of the purchase and sale of the Bonds under the Bond Purchase Agreement, the Underwriter is and has been acting solely as principal and is not acting as the agent or fiduciary of the Property Owner;

(ii) the Underwriter has not assumed a fiduciary responsibility in favor of the Property Owner with respect to (a) the offering of the Bonds contemplated hereby or the process leading thereto (whether or not the Underwriter, or any affiliate of the Underwriter, has advised or is currently advising the Property Owner on other matters), or (b) any other obligation to the Property Owner with respect to the offering contemplated by the Bond Purchase Agreement; and

(iii) the Property Owner has consulted its own legal, financial and other advisors to the extent it has deemed appropriate in connection with the offering contemplated by the Bond Purchase Agreement.

On behalf of the Property Owner, I have reviewed the contents of this Certificate and the Property Owner has consulted with counsel regarding the meaning of its contents. The Property Owner acknowledges and understands that a variety of state and federal laws, including but not limited to the Securities Act of 1933, as amended, and Rule 10b-5 promulgated under the Securities Exchange Act of 1934, as amended, may apply to the Property Owner, and that under some circumstances certification as to the matters set forth in this Certificate, without additional disclosures or other action, may not fully discharge all duties and obligations of the Property Owner under such laws.

BRING-DOWN CERTIFICATE OF PROPERTY OWNER

[Closing Date]

The undersigned party certifies and represents that he or she is duly authorized on behalf of [Eight Mile Development, Inc.] [Richmond American Homes of Maryland, Inc.] [Meritage Homes of California, Inc.] (the "Property Owner"), to execute and deliver this certificate (this "Certificate") in connection with the issuance, sale and delivery of the Bonds captioned above (the "Bonds")

This Bring-Down Certificate is delivered pursuant to the Bond Purchase Agreement with respect to the Bonds dated [BPA Date], between Oppenheimer & Co. Inc., as underwriter, and the City (the "Purchase Agreement").

In connection with the distribution of the Preliminary Official Statement relating to the Bonds, the Property Owner executed a Certificate of Property Owner dated [POS Date] (the "Certificate").

Capitalized terms used but not defined in this Bring-Down Certificate have the same meanings as set forth in the Purchase Agreement and the Certificate.

The undersigned, on behalf of the Property Owner, further certifies as follows:

(1) The undersigned is familiar with the facts certified in the Certificate and this Bring-Down Certificate and is authorized and qualified to certify the same as an authorized officer or representative of the Property Owner.

(2) The undersigned has received the final Official Statement relating to the Bonds dated [OS Date] (the "Final Official Statement").

(3) Each statement made in the Certificate is affirmed and restated as if made on the date hereof; provided that each statement made in the Certificate referring to the Preliminary Official Statement is affirmed as it relates to the Final Official Statement.

(4) During the period between the date of this Certificate and the Closing Date, if the Property Owner has actual knowledge of any event relating to or affecting the Property Owner, its Relevant Entities, or the ownership, development or sale of the Property which could cause the information under the captions of the Official Statement indicated in Paragraph 11 of the Certificate (and subject to the limitations and exclusions contained in Paragraph 11 of the Certificate) to contain an untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the Property Owner shall notify the City and the Underwriter and if, in the opinion of counsel to the City

or the Underwriter, such event requires the preparation and publication of a supplement or amendment to the Official Statement, the Property Owner shall reasonably cooperate with the City in the preparation of an amendment or supplement to the Official Statement in form and substance satisfactory to counsel to the City and to the Underwriter.

(5) To the Actual Knowledge of the Undersigned (as defined in the Certificate), no event has occurred since the date of the Preliminary Official Statement that has, in any material way, adversely affected the statements and information described in Paragraph 11 of the Certificate (and subject to the limitations and exclusions contained in Paragraph 11 of the Certificate) relating to the Property Owner and its Relevant Entities, the Property, the Property Owner's development and financing plans, and the Property Owner's contractual arrangements (but excluding any information cited as coming from a source other than the Property Owner), which should be disclosed in the Final Official Statement for the purposes for which it is to be used in order to make such statements and information contained in the Final Official Statement not misleading in any material respect.

(6) For a period of 90 days after the Closing Date, if the Property Owner has actual knowledge of any event relating to or affecting the Property Owner, its Relevant Entities, or the ownership development or sale of the Property which could cause the information under the captions of the Final Official Statement indicated in Paragraph 11 of the Certificate (and subject to the limitations and exclusions contained in Paragraph 11 of the Certificate) to contain an untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the Property Owner shall notify the City and the Underwriter and if, in the opinion of counsel to the City or the Underwriter, such event requires the preparation and publication of a supplement or amendment to the Final Official Statement, the Property Owner shall reasonably cooperate with the City in the preparation of an amendment or supplement to the Final Official Statement in form and substance satisfactory to counsel to the City and to the Underwriter.

(7) The Property Owner has duly executed and delivered the Property Owner Continuing Disclosure Certificate, and the Property Owner Continuing Disclosure Certificate constitutes the legal, valid and binding obligation of the Property Owner, enforceable against the Property Owner in accordance with its terms, except as such enforcement is limited by bankruptcy, insolvency, reorganization, arrangement, moratorium, fraudulent conveyance, and other similar laws relating to or affecting the rights of creditors and certain equitable, legal, or statutory principles affecting the enforcement of contractual rights generally, regardless of whether such enforcement is considered in a proceeding in equity or at law.

CERTIFICATE OF APPRAISER

Integra Realty Resources - Sacramento (the "Appraiser"), Rocklin, California prepared an appraisal of the properties within Improvement Area 2 of the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II) (the "Community Facilities District") with an effective date of _____, 2022 (the "Appraisal"). The Appraisal is described and summarized in the Preliminary Official Statement dated [POS Date] (the "Preliminary Official Statement") and the Official Statement dated [OS Date] (the "Official Statement"), including as Appendix B thereto, relating to the bonds captioned above.

The Appraiser hereby certifies that, to the best of his knowledge and belief, all information with respect to the Appraisal in the Preliminary Official Statement and in the Official Statement was true and correct as of the date of the Appraisal and that the Appraiser is aware that acts and events may have occurred since the date of the Appraisal which could result in both positive and negative effects on market value; however, an updated Appraisal has not been completed as of this date.

The Appraiser hereby consents to the use of the Appraisal in connection with the distribution and use of the Preliminary Official Statement and Official Statement.

SPECIAL TAX BONDS, SERIES 2022

FORM OF ISSUE PRICE CERTIFICATE

The undersigned, on behalf of Oppenheimer & Co. Inc. (the "Underwriter") hereby certifies as set forth below with respect to the sale and issuance of the above-captioned obligations (together the "*Bonds*").

1. ***Sale of the Bonds***. As of the date of this certificate, for each Maturity of the Bonds, the first price at which at least 10% of such Maturity of the Bonds was sold to the Public is the respective price listed in Schedule A.

2. ***Defined Terms***.

(a) *Issuer* means City of Stockton.

(b) *Maturity* means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate Maturities.

(c) *Public* means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term "related party" for purposes of this certificate generally means any two or more persons who have greater than 50 percent common ownership, directly or indirectly.

(d) *Underwriter* means (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public).

The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents Oppenheimer's interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. The undersigned understands that the foregoing information will be relied upon by the Issuer with respect to certain of the representations set forth in the Tax Certificate and with respect to compliance with the federal income tax rules affecting the Bonds, and by Jones Hall, A Professional Law Corporation, in connection with rendering its opinion that the interest on the Bonds is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service

Form 8038-G, and other federal income tax advice that it may give to the Issuer from time to time relating to the Bonds.

SCHEDULE A

SALE PRICES

(*Attached)*

This Preliminary Official Statement and the information contained herein are subject to completion or amendment. Under no circumstances shall this Preliminary Official Statement constitute an offer to sell or a solicitation of an offer to buy nor shall there be any sale of these securities in any jurisdiction in which such offer solicitation or sale would be unlawful prior to registration or qualification under the securities laws of such jurisdiction.

PRELIMINARY OFFICIAL STATEMENT DATED _____, 2022

NEW ISSUE–FULL BOOK-ENTRY **NOT RATED**

In the opinion of Jones Hall, A Professional Law Corporation, San Francisco, California, Bond Counsel, subject, however to certain qualifications described herein, under existing law, the interest on the Bonds is excluded from gross income for federal income tax purposes and such interest is not an item of tax preference for purposes of the federal alternative minimum tax. In the further opinion of Bond Counsel, such interest is exempt from California personal income taxes. See "TAX MATTERS.

$_____*
IMPROVEMENT AREA 2 OF THE CITY OF STOCKTON
COMMUNITY FACILITIES DISTRICT NO. 2018-2
(WESTLAKE VILLAGES II)
SPECIAL TAX BONDS, SERIES 2022

Dated: Date of Delivery **Due: September 1, as shown on inside cover**

The City of Stockton (the "City") is issuing the above-captioned bonds (the "Bonds") for Improvement Area 2 of the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II) ("Improvement Area 2") under the Mello-Roos Community Facilities Act of 1982 (the "Act"), the Resolution of Issuance (as defined herein), and a Fiscal Agent Agreement, dated as of July 1, 2022 (the "Fiscal Agent Agreement"), by and between the City and U.S. Bank Trust Company, National Association, as fiscal agent (the "Fiscal Agent"). See "THE BONDS – Authority for Issuance."

The Bonds are being issued to (i) construct and/or acquire certain public facilities authorized for the District (defined herein), (ii) pay capitalized interest on a portion of the Bonds through September 1, 2023, (iii) establish a debt service reserve fund for the Bonds, and (iv) pay initial administration costs and the costs of issuing the Bonds. See "SOURCES AND USES OF FUNDS."

The Bonds are payable from the Net Taxes (as defined herein) received by the City from special taxes levied on property within Improvement Area 2 according to the rate and method of apportionment of special tax for Improvement Area 2. The Bonds are secured by a first pledge of the Net Taxes levied and collected in Improvement Area 2 and the moneys on deposit in certain funds held by the Fiscal Agent under the Fiscal Agent Agreement. See "SECURITY FOR THE BONDS."

Improvement Area 2 constitutes a portion of a large, ongoing development in the City known as the Westlake Villages Development. Land within CFD 2018-2 (Westlake Village II) (the "District") consists of 580 acres planned for 2,163 homes ranging in size from 1,400 to 3,500 square feet, and when fully developed is anticipated to include a master-planned portion dedicated to 55+ living, multiple neighborhood parks, a school site, and a series of artificial lakes to aid in flood control. Taxable land in Improvement Area 2, which is the only portion of the District that constitutes security for the Bonds, is developing into 292 single-family residential units in three villages (Villages L, M, and N). The Master Developer, which is owned by members of the Spanos family, has obtained final maps for all 292 residential lots, and sold the lots, in finished condition, to two merchant builders: Richmond American Homes (208 lots) and Meritage Homes (84 lots). All of the required backbone and in-tract improvements are in place, including paved access and public utilities to the lots. As of April 15, 2022, 56 homes were under construction. See "OWNERSHIP AND DEVELOPMENT OF PROPERTY WITHIN IMPROVEMENT AREA 2."

Interest on the Bonds is payable semiannually on each March 1 and September 1, commencing March 1, 2023. The Bonds will be issued in denominations of $5,000 or integral multiples of $5,000. The Bonds, when delivered, will be initially registered in the name of Cede & Co., as nominee of The Depository Trust Company ("DTC"). DTC will act as securities depository for the Bonds. See "THE BONDS – Description of the Bonds" and "APPENDIX G – DTC and the Book-Entry Only System."

The Bonds are subject to optional redemption, mandatory sinking fund redemption and special mandatory redemption from prepaid special taxes. See "THE BONDS – Redemption."

The Bonds, the interest thereon, and any premiums payable on the redemption of any Bonds, are not an indebtedness of the City (except to the limited extent described in this Official Statement), the State of California (the "State") or any of their respective political subdivisions. None of the City (except to the limited extent described in this Official Statement), the State or any of its political subdivisions is liable for the Bonds. Neither the faith and credit nor the taxing power of the City (except to the limited extent described in this Official Statement) or the State or any of their respective political subdivisions is pledged to the payment of the Bonds. Other than the Net Taxes, no taxes are pledged to the payment of the Bonds. The Bonds do not constitute a general obligation of the City, but are limited obligations of the City payable solely from the Net Taxes as more fully described in this Official Statement.

MATURITY SCHEDULE
(see inside cover)

This cover page contains certain information for quick reference only. It is not a summary of essential information about the Bonds. Potential investors should read this entire Official Statement to obtain information essential for making an informed investment decision. Investment in the Bonds involves risks that may not be appropriate for some investors. See "SPECIAL RISK FACTORS" for a discussion of special risk factors that should be considered in evaluating the investment quality of the Bonds.

The Bonds are offered when, as and if issued by the City and accepted by the Underwriter, subject to approval as to their legality by Jones Hall, A Professional Law Corporation, San Francisco, California, Bond Counsel, and subject to certain other conditions. Jones Hall, A Professional Law Corporation, is also serving as Disclosure Counsel to the City. Certain matters will be passed upon for the City by the City Attorney, and for the Underwriter by Kutak Rock LLP, San Francisco, California. It is anticipated that the Bonds, in book-entry form, will be available for delivery through the facilities of DTC on or about September __, 2022.

GENERAL INFORMATION ABOUT THIS OFFICIAL STATEMENT

Use of Official Statement. This Official Statement is submitted in connection with the sale of the Bonds referred to herein and may not be reproduced or used, in whole or in part, for any other purpose. This Official Statement is not to be construed as a contract with the purchasers of the Bonds. Statements contained in this Official Statement which involve estimates, forecasts or matters of opinion, whether or not expressly so described herein, are intended solely as such and are not to be construed as a representation of facts.

Estimates and Forecasts. When used in this Official Statement and in any continuing disclosure by the City, in any press release and in any oral statement made with the approval of an authorized officer of the City, the words or phrases "will likely result," "are expected to," "will continue," "is anticipated," "estimate," "project," "forecast," "expect," "intend" and similar expressions may identify "forward looking statements." Such statements are subject to risks and uncertainties that could cause actual results to differ materially from those contemplated in such forward-looking statements. Any forecast is subject to such uncertainties. Inevitably, some assumptions used to develop the forecasts will not be realized and unanticipated events and circumstances may occur. Therefore, there are likely to be differences between forecasts and actual results, and those differences may be material. The information and expressions of opinion herein are subject to change without notice, and neither the delivery of this Official Statement nor any sale made hereunder shall, under any circumstances, give rise to any implication that there has been no change in the affairs of the City since the date hereof.

Limit of Offering. No dealer, broker, salesperson or other person has been authorized by the City or the Underwriter to give any information or to make any representations other than those contained herein and, if given or made, such other information or representation must not be relied upon as having been authorized by any of the foregoing. This Official Statement does not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the Bonds by a person in any jurisdiction in which it is unlawful for such person to make such an offer, solicitation or sale.

Involvement of Underwriter. The Underwriter has reviewed the information in this Official Statement in accordance with, and as a part of, its responsibilities to investors under the federal securities laws as applied to the facts and circumstances of this transaction, but the Underwriter does not guarantee the accuracy or completeness of such information. The information and expressions of opinions herein are subject to change without notice and neither delivery of this Official Statement nor any sale made hereunder shall, under any circumstances, create any implication that there has been no change in the affairs of the City, the District or Improvement Area 2 since the date hereof. All summaries of the Fiscal Agent Agreement or other documents referred to in this Official Statement, are made subject to the provisions of such documents, respectively, and do not purport to be complete statements of any or all of such provisions.

IN CONNECTION WITH THIS OFFERING, THE UNDERWRITER MAY OVERALLOT OR EFFECT TRANSACTIONS WHICH STABILIZE OR MAINTAIN THE MARKET PRICE OF THE BONDS OFFERED HEREBY AT A LEVEL ABOVE THAT WHICH MIGHT OTHERWISE PREVAIL IN THE OPEN MARKET. SUCH STABILIZING, IF COMMENCED, MAY BE DISCONTINUED AT ANY TIME. THE UNDERWRITER MAY OFFER AND SELL THE BONDS TO CERTAIN DEALERS, INSTITUTIONAL INVESTORS AND OTHERS AT PRICES LOWER THAN THE PUBLIC OFFERING PRICE STATED ON THE COVER PAGE HEREOF AND SAID PUBLIC OFFERING PRICE MAY BE CHANGED FROM TIME TO TIME BY THE UNDERWRITER.

THE BONDS HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, IN RELIANCE UPON AN EXCEPTION FROM THE REGISTRATION REQUIREMENTS CONTAINED IN SUCH ACT. THE BONDS HAVE NOT BEEN REGISTERED OR QUALIFIED UNDER THE SECURITIES LAWS OF ANY STATE.

The City maintains an Internet website, but the information on that website is not incorporated in this Official Statement.

OFFICIAL STATEMENT

$_____*
IMPROVEMENT AREA 2 OF THE CITY OF STOCKTON
COMMUNITY FACILITIES DISTRICT NO. 2018-2
(WESTLAKE VILLAGES II)
SPECIAL TAX BONDS, SERIES 2022

This Official Statement, including the cover page, inside cover and attached appendices, is provided to furnish information regarding the bonds captioned above (the "**Bonds**") to be issued by the City of Stockton (the "**City**") on behalf of Improvement Area 2 ("**Improvement Area 2**") of the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II) (the "**District**").

Any statements made in this Official Statement involving matters of opinion or of estimates, whether or not so expressly stated, are set forth as such and not as representations of fact, and no representation is made that any of the estimates will be realized. Definitions of certain terms used herein and not defined herein have the meaning set forth in the Fiscal Agent Agreement. See "APPENDIX H – Summary of Certain Provisions of the Fiscal Agent Agreement."

INTRODUCTION

This introduction is not a summary of the entire Official Statement. It is only a brief description of and guide to, and is qualified by, more complete and detailed information contained throughout the Official Statement, including the cover page, inside cover and attached appendices, and documents summarized or described in this Official Statement. A full review should be made of the entire Official Statement. The offering of the Bonds to potential investors is made only by means of the entire Official Statement.

Authority for Issuance. The Bonds are issued pursuant to the provisions of the Mello-Roos Community Facilities Act of 1982, as amended (Sections 53311, *et seq*., of the Government Code of the State of California) (the "**Act**") and pursuant to a Fiscal Agent Agreement dated as of July 1, 2022 (the "**Fiscal Agent Agreement**") between the City and U.S. Bank Trust Company, National Association, as fiscal agent (the "**Fiscal Agent**"), and a resolution (the "**Resolution of Issuance**") adopted on [June 14], 2022 by the City Council of the City (the "**City Council**"), as legislative body of the District. See "THE BONDS – Authority for Issuance."

The City and the County. The City boundaries encompass approximately 64.8 square miles in the center of San Joaquin County (the "**County**") in California's San Joaquin Valley, 78 miles east of the San Francisco Bay area, 345 miles north of San Francisco and 45 miles south of Sacramento. The City is a municipal corporation and a charter city, duly organized and existing under the constitution and laws of the State. For economic and demographic

* Preliminary; subject to change.

information regarding the City and the County, see "APPENDIX D – San Joaquin County and City of Stockton Demographic Information."

Description of the Bonds. The Bonds will be issued in denominations of $5,000 or any integral multiple of $5,000. Interest is payable semiannually on each March 1 and September 1, commencing March 1, 2023. The Bonds will be initially issued only in book-entry form and registered to Cede & Co. as nominee of The Depository Trust Company ("**DTC**"), which will act as securities depository of the Bonds. Principal and interest (and premium, if any) on the Bonds is payable by the Fiscal Agent to DTC, which remits such payments to its Participants for subsequent distribution to the registered owners as shown on the Fiscal Agent's books. See "THE BONDS."

Use of Proceeds. Proceeds of the Bonds will primarily be used to finance a portion of the costs of acquiring and constructing certain public infrastructure improvements authorized to be financed by the District (the "**Improvements**," as described herein). The Improvements consist generally of roadway, water, drainage, wastewater, and other infrastructure improvements necessary for completion of development of property within Improvement Area 1 of the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II) ("**Improvement Area 1**") and Improvement Area 2. The cost of a portion of the Improvements will be reimbursed by the proceeds of the Bonds and may also be reimbursed using pay-as-you go financing from the Special Tax. See "THE IMPROVEMENTS." Proceeds of the Bonds will also be used to establish a reserve fund (described below) available for payment on the Bonds, to pay capitalized interest on a portion of the Bonds through September 1, 2023, and to provide initial administration costs and to pay the costs of the issuance of the Bonds.

The District and the Improvement Areas. The District, together with Improvement Area 1 and Improvement Area 2 therein, were formed in June 2018 with a maximum bond authorization of $75,000,000, allocated $15,000,000 to Improvement Area 1 and $60,000,000 to Improvement Area 2. In January 2022, certain parcels that were formerly within Improvement Area 2 were moved into newly established Improvement Area 3 of the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II) ("**Improvement Area 3**") and Improvement Area 4 of the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II) ("**Improvement Area 4**"). Improvement Area 1, Improvement Area 2, Improvement Area 3, and Improvement Area 4 are collectively referred to as the "**Improvement Areas**." ***The Bonds will be the first and only "new money" series to be issued for Improvement Area 2; the Bonds are only payable from net Special Taxes levied in Improvement Area 2, as described herein.***

Land within the District (consisting of the four Improvement Areas) is known as the "Westlake Villages Development," and is planned to develop into 2,163 homes ranging in size from 1,400 to 3,500 square feet. When fully developed, it is planned to include a master-planned portion dedicated to 55+ living, multiple neighborhood parks, a school site and a series of man-made lakes to aid in flood control. It is bounded on the west by Bishop Cut, on the north by Eight Mile Road, on the east by Regatta Lane and on the south by Disappointment Slough. Land in the District is part of a larger development being undertaken in the area. See "THE DISTRICT AND IMPROVEMENT AREA 2" for additional information.

Ownership and Development of Property. Stockton Westlake Investment, LLC, a California limited liability company ("**Stockton Westlake Investment, LLC**"), previously owned all the land in Improvement Area 2. Eight Mile Development, Inc., a California corporation (the "**Master Developer**"), which is affiliated with Stockton Westlake Investment, LLC, has

constructed and is continuing to construct the backbone infrastructure necessary for all 292 lots within Improvement Area 2.

The Master Developer has obtained final maps for all 292 residential lots, and sold the lots, in finished condition, to two merchant builders (together, the "**Merchant Builders**"): 208 lots to Richmond American Homes of Maryland, Inc. ("**Richmond American Homes**") and 84 lots to Meritage Homes California, Inc. ("**Meritage Homes**"). All of the required backbone and in-tract improvements are in place, including paved access and public utilities to the lots. As of April 15, 2022, 56 homes were under construction. See "OWNERSHIP AND DEVELOPMENT OF PROPERTY WITHIN IMPROVEMENT AREA 2."

As of April 15, 2022, ownership of land in Improvement Area 2 and the appraised value of such land was as follows:

Owner	Appraised Value
Richmond American Homes (208 lots*)	$40,652,544
Meritage Homes (84 lots*)	17,358,912
Total	***$58,011,456***

* For each Merchant Builder, ownership includes improved lots and homes under construction.
Source: The Appraisal.

See "OWNERSHIP AND DEVELOPMENT OF PROPERTY WITHIN IMPROVEMENT AREA 2" for additional details on the Master Developer, the Merchant Builders, and the ongoing development in Improvement Area 2.

Security and Sources of Payment for the Bonds. The City Council annually levies special taxes on the property in Improvement Area 2 (the "**Special Taxes**") in accordance with the Rate and Method of Apportionment for Improvement Area 2 of City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II) (the "**Special Tax Formula**"), which is attached as APPENDIX A to this Official Statement. The Bonds are secured by and payable from a first pledge of the "**Net Taxes,**" which are comprised of Gross Taxes less Administrative Expenses. "**Gross Taxes**" is defined in the Fiscal Agent Agreement as the proceeds of the Special Taxes received by the City, including any scheduled payments and any prepayments thereof and interest thereon, and proceeds of the redemption or sale of property sold as a result of foreclosure of the lien of the Special Taxes to the amount of said lien and interest thereon. "Gross Taxes" does not include any penalties collected in connection with delinquent Special Taxes or any interest in excess of the interest due on the Bonds. The Bonds are also secured by certain funds and accounts established and held under the Fiscal Agent Agreement. In particular, a debt service reserve fund (the "**Reserve Fund**"), and within the Reserve Fund, the "**2022 Reserve Account**," established in connection with the issuance of the Bonds in an amount equal to the Reserve Requirement (as defined herein) for the Bonds as of their date of delivery. See "SECURITY FOR THE BONDS."

Pursuant to the Act, the Resolution of Issuance, and the Fiscal Agent Agreement, so long as any Bonds are outstanding, the City will annually levy the Special Tax against all land within Improvement Area 2 taxable under the Act in accordance with the Special Tax Formula and to make provision for the collection of the Special Tax in amounts which will be sufficient to pay interest on, principal of and redemption premium (if any) on the Bonds as such becomes due and payable and to replenish the Reserve Fund as necessary. See "SECURITY FOR THE BONDS – Special Tax Methodology" and "APPENDIX A – Rate and Method of Apportionment of Special Tax."

Unpaid Special Taxes do not constitute a personal indebtedness of the owners of any of the parcels within Improvement Area 2. In the event of delinquency, proceedings may be conducted only against the real property on which the Special Tax is delinquent. The unpaid Special Taxes are not required to be paid upon sale of property within Improvement Area 2.

Covenant to Foreclose. The City has covenanted in the Fiscal Agent Agreement to cause foreclosure proceedings to be commenced and prosecuted against certain parcels with delinquent installments of the Special Taxes. For a more detailed description of the foreclosure covenant, see "SECURITY FOR THE BONDS – Delinquent Payments; Teeter Plan; Covenant for Superior Court Foreclosure."

Additional Bonds for Refunding Purposes Only. The Fiscal Agent Agreement provides that additional bonds secured by the Net Taxes may be issued by the City only for the purpose of refunding then-Outstanding Bonds. See "SECURITY FOR THE BONDS – Additional Bonds for Refunding Purposes Only."

Value Estimate of Property in Improvement Area 2. Taxable real property within Improvement Area 2 is security for the Special Tax securing the Bonds and is comprised of both developed and undeveloped property. To obtain an estimate of the value of taxable property in Improvement Area 2, the City ordered an appraisal (the "**Appraisal**"), prepared by Integra Realty Resources, Sacramento, California (the "**Appraiser**"), with an April 15, 2022 date of value. The Appraisal is described herein under the caption "VALUE OF PROPERTY WITHIN IMPROVEMENT AREA 2 AND SPECIAL TAX BURDEN – The Appraisal" and attached hereto in its entirety as APPENDIX B. The Appraisal estimates the value of the properties which are subject to the Special Tax as of the date of value of approximately $58,010,000. See the Appraisal in APPENDIX B.

Based upon the $58,010,000 appraised value of taxable property in Improvement Area 2 and an estimated principal amount of Bonds of $10,625,000*, as well as overlapping land-secured debt attributable to those parcels, for a total direct and overlapping land-secured debt amount of $10,625,000*, the value-to-lien ratio for such property is approximately 5.46* to 1; provided, however, that the value-to-lien ratio of individual parcels may vary significantly. See "VALUE OF PROPERTY WITHIN IMPROVEMENT AREA 2 AND SPECIAL TAX BURDEN – Value to Special Tax Burden Ratios."

Market Absorption Report. In connection with the issuance of the Bonds, the City hired The Gregory Group, Folsom, California (the "**Absorption Consultant**") to perform market absorption study services related to the development of the land in Improvement Area 2. The Absorption Consultant's report (the "**Absorption Report**") describes the planned development based on information available as of May 2022, and is attached hereto as APPENDIX C. The Absorption Consultant estimates that the 292 single-family residential homes planned for Improvement Area 2 will be absorbed in less than 2 years, with final sales to homeowners in calendar year 2024, in accordance with the absorption schedule set forth in the Absorption Report and summarized herein. See "THE DISTRICT AND IMPROVEMENT AREA 2 – Market Absorption Report" and APPENDIX C.

* Preliminary; subject to change.

Redemption of Bonds Before Maturity. The Bonds are subject to optional redemption, mandatory sinking fund redemption and special mandatory redemption from prepaid Special Taxes. See "THE BONDS – Redemption."

Risk Factors Associated with Purchasing the Bonds. Investment in the Bonds involves risks that may not be appropriate for some investors. See "SPECIAL RISK FACTORS" for a discussion of certain risk factors which should be considered, in addition to the other matters set forth in this Official Statement, in considering the investment quality of the Bonds. ***In particular, no assurance can be given that the timing of construction of homes and/or sale of homes projected by the Merchant Builders in this Official Statement will be accomplished. Neither the City nor the Underwriter can predict the impact of COVID-19 on home production and home sales activities or the willingness of owners of land in Improvement Area 2, including the Merchant Builders or any subsequent owner, to pay the Special Taxes securing the Bonds. See "SPECIAL RISK FACTORS – COVID-19."***

Limited Obligation of the City. The Bonds, the interest thereon, and any premiums payable on the redemption of any Bonds, are not an indebtedness of the City (except to the limited extent described in this Official Statement), the State of California (the "**State**") or any of their respective political subdivisions. None of the City (except to the limited extent described in this Official Statement), the State or any of its political subdivisions is liable for the Bonds. Neither the faith and credit nor the taxing power of the City (except to the limited extent described in this Official Statement) or the State or any of their respective political subdivisions is pledged to the payment of the Bonds. Other than the Net Taxes, no taxes are pledged to the payment of the Bonds. The Bonds do not constitute a general obligation of the City, but are limited obligations of the City payable solely from the Net Taxes as more fully described in this Official Statement.

Summary of Information. Brief descriptions of certain provisions of the Fiscal Agent Agreement and certain other documents are included herein. The descriptions and summaries of documents herein do not purport to be comprehensive or definitive, and reference is made to each such document for the complete details of all its respective terms and conditions, copies of which are available for inspection at the office of the City. All statements herein with respect to certain rights and remedies are qualified by reference to laws and principles of equity relating to or affecting creditors' rights generally. Capitalized terms used in this Official Statement and not otherwise defined herein have the meanings ascribed to such terms in the Fiscal Agent Agreement. See "APPENDIX H – Summary of Certain Provisions of the Fiscal Agent Agreement." The information and expressions of opinion herein speak only as of the date of this Official Statement and are subject to change without notice. Neither delivery of this Official Statement, any sale made hereunder, nor any future use of this Official Statement shall, under any circumstances, create any implication that there has been no change in the affairs of the City, the District or Improvement Area 2 since the date hereof.

SOURCES AND USES OF FUNDS

A summary of the estimated sources and uses of funds associated with the sale of the Bonds follows.

Sources	
Principal Amount of Bonds	$
Plus/Less: [Net] Original Issue Premium/Discount	
Total Sources	$
Uses	
Improvement Fund	$
Deposit to Interest Account [1]	
Deposit to 2022 Reserve Account of Reserve Fund [2]	
Costs of Issuance [3]	
Total Uses	$

[1] Capitalized interest will be used to pay a portion of debt service on the Bonds through Sept. 1, 2023.
[2] Equal to the Reserve Requirement with respect to the Bonds as of their date of delivery.
[3] Includes, among other things, the fees and expenses of Bond Counsel and Disclosure Counsel, the Fiscal Agent, the Appraiser, the Absorption Consultant, the Special Tax Administrator, and the Municipal Advisors, Underwriter's discount, as well as the cost of printing the preliminary and final Official Statements.

THE BONDS

This section generally describes certain of the terms of the Bonds contained in the Fiscal Agent Agreement. See "APPENDIX H – Summary of Certain Provisions of the Fiscal Agent Agreement."

Authority for Issuance

The Bonds are issued pursuant to the Fiscal Agent Agreement, the Resolution of Issuance, and the Act. On June 19, 2018, the City Council adopted Resolution No. 2018-06-19-1502-01 (the "**Resolution of Formation**"), which formed the District and Improvement Area 2 therein. The District was established and authorized to incur bonded indebtedness in an aggregate principal amount not to exceed $60,000,000 for Improvement Area 2 at a special election in the District held on the same day. *The Bonds will be the first and only "new money" series to be issued for Improvement Area 2. Additional Bonds secured by the Net Taxes may be issued by the City only for the purpose of refunding then-Outstanding Bonds.*

Description of the Bonds

The Bonds are being issued as fully registered bonds, registered in the name of Cede & Co. as nominee of The Depository Trust Company ("**DTC**"), and will be available to ultimate purchasers in the denomination of $5,000 or any integral multiple thereof, under the book-entry system maintained by DTC. Ultimate purchasers of Bonds will not receive physical certificates representing their interest in the Bonds. So long as the Bonds are registered in the name of Cede & Co., as nominee of DTC, references herein to the Owners will mean Cede & Co., and will not mean the ultimate purchasers of the Bonds.

Payments of the principal, premium, if any, and interest on the Bonds will be made directly to DTC, or its nominee, Cede & Co., so long as DTC or Cede & Co. is the registered owner of the Bonds. Disbursements of such payments to DTC's participants is the responsibility of DTC, and disbursements of such payments to the Beneficial Owners is the responsibility of DTC's participants and indirect participants, as more fully described in "APPENDIX G – DTC and the Book-Entry Only System."

The Bonds will be dated as of, and bear interest from, the date of their delivery at the rates contained, and mature in the amounts and years shown on the inside cover page of this Official Statement.

The principal of, and any redemption premium due with respect to, the Bonds will be payable in lawful money of the United States of America at the principal corporate trust office of the Fiscal Agent in San Francisco, California, or such other place as designated by the Fiscal Agent, upon presentation and surrender of the Bonds. Interest on the Bonds, computed on the basis of a 360-day year consisting of twelve 30-day months, will be paid in lawful money of the United States of America semiannually on March 1 and September 1 of each year (each an "**Interest Payment Date**"), commencing March 1, 2023.

Interest on the Bonds (including the final interest payment upon maturity or earlier redemption) is payable by check of the Fiscal Agent mailed on each Interest Payment Date by first class mail to the registered Owner thereof at such registered Owner's address as it appears on the registration books maintained by the Fiscal Agent at the close of business on the 15th day of the calendar month preceding the Interest Payment Date (the "**Record Date**"), or by wire

transfer made on such Interest Payment Date upon written instructions received by the Fiscal Agent on or before the Record Date preceding the Interest Payment Date, of any Owner of $1,000,000 or more in aggregate principal amount of Bonds; provided that so long as any Bonds are in book-entry form, payments with respect to such Bonds will be made by wire transfer, or such other method acceptable by the Fiscal Agent, to DTC. See "APPENDIX G – DTC and the Book-Entry Only System."

Each Bond will bear interest from the Interest Payment Date next preceding the date of authentication thereof unless (i) it is authenticated on an Interest Payment Date, in which event it will bear interest from such date of authentication, or (ii) it is authenticated prior to an Interest Payment Date and after the close of business on the Record Date preceding such Interest Payment Date, in which event it will bear interest from such Interest Payment Date, or (iii) it is authenticated prior to the Record Date preceding the first Interest Payment Date, in which event it will bear interest from the dated date; provided, however, that if at the time of authentication of a Bond, interest is in default thereon, such Bond will bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment thereon.

So long as the Bonds are registered in the name of Cede & Co., as nominee of DTC, payments of the principal, premium, if any, and interest on the Bonds will be made directly to DTC, or its nominee, Cede & Co. Disbursements of such payments to DTC's participants is the responsibility of DTC and disbursements of such payments to the Beneficial Owners is the responsibility of DTC's direct participants and indirect participants, as more fully described herein. See "APPENDIX G – DTC and the Book-Entry Only System."

Redemption*

Optional Redemption. The Bonds are subject to optional redemption from any source of available funds prior to maturity, in whole, or in part among maturities as specified by the City and by lot within a maturity, on any date on or after September 1, _____, at the following respective redemption prices (expressed as percentages of the principal amount of the Bonds to be redeemed), plus accrued interest thereon to the date of redemption:

Redemption Dates	Redemption Price
September 1, _____ through August 30, ____	
September 1, _____ through August 30, ____	
September 1, _____ through August 30, ____	
September 1, _____ and any date thereafter	

Mandatory Redemption from Prepayments. The Bonds are subject to mandatory redemption from Prepayments of the Special Tax by property owners, in whole or in part among maturities as specified by the City and by lot within a maturity, on any Interest Payment Date at the following respective redemption prices (expressed as percentages of the principal amount of the Bonds to be redeemed), plus accrued interest thereon to the date of redemption:

* Preliminary; subject to change.

Redemption Dates	Redemption Price
Interest Payment Dates through March 1, _____	
September 1, _____ and March 1, _____	
September 1, _____ and March 1, _____	
September 1, _____ and Interest Payment Dates thereafter	

Mandatory Sinking Fund Redemption. The Bonds maturing September 1, ____ and September 1, ____ (the "**Term Bonds**") are subject to mandatory sinking payment redemption in part on September 1, ____ and September 1, ____, respectively, and on each September 1 thereafter to maturity, by lot, at a redemption price equal to 100% of the principal amount thereof to be redeemed, without premium, in the aggregate respective principal amounts as set forth in the following tables:

Term Bonds Due September 1, ____

Mandatory Redemption Date (September 1)	Sinking Fund Payment

Term Bonds Due September 1, ____

Mandatory Redemption Date (September 1)	Sinking Fund Payment

The amounts in the foregoing tables will be reduced pro rata, in order to maintain substantially uniform debt service, as a result of any prior partial optional redemption or mandatory redemption of the Term Bonds.

Purchase In Lieu of Redemption. In lieu of redemption, moneys in the Redemption Account may be used and withdrawn by the Fiscal Agent for purchase of outstanding Bonds, upon the filing with the Fiscal Agent of an Officer's Certificate requesting such purchase, at public or private sale as and when, and at such prices (including brokerage and other charges) as such Officer's Certificate may provide, but in no event may Bonds be purchased at a price in excess of the principal amount thereof, plus interest accrued to the date of purchase.

Redemption Procedure by Fiscal Agent. The Fiscal Agent will cause notice of any redemption to be mailed by first class mail, postage prepaid, at least 20 days but not more than 60 days prior to the date fixed for redemption, to the Securities Depositories and to one or more Information Services, and to the respective registered Owners of any Bonds designated for redemption, at their addresses appearing on the Bond registration books in the principal office of the Fiscal Agent; but such mailing is not a condition precedent to such redemption and failure to mail or to receive any such notice, or any defect therein, will not affect the validity of the proceedings for the redemption of such Bonds.

Such notice will state the redemption date and the redemption price and, if less than all of the then outstanding Bonds are to be called for redemption, will designate the CUSIP numbers and Bond numbers of the Bonds to be redeemed by giving the individual CUSIP number and Bond number of each Bond to be redeemed or will state that all Bonds between two stated Bond numbers, both inclusive, are to be redeemed or that all of the Bonds of one or more maturities have been called for redemption, will state as to any Bond called in part the principal amount thereof to be redeemed, and will require that such Bonds be then surrendered at the principal office of the Fiscal Agent for redemption at the said redemption price, and will state that further interest on such Bonds will not accrue from and after the redemption date.

Whenever provision is made in the Fiscal Agent Agreement for the redemption of less than all of the Bonds of any maturity, the Fiscal Agent will select the Bonds to be redeemed, from all Bonds or such given portion thereof of such maturity by lot in any manner which the Fiscal Agent in its sole discretion deems appropriate. Upon surrender of Bonds redeemed in part only, the City will execute and the Fiscal Agent will authenticate and deliver to the registered Owner, at the expense of the City, a new Bond or Bonds, of the same series and maturity, of authorized denominations in aggregate principal amount equal to the unredeemed portion of the Bond or Bonds.

City's Right to Rescind. The City has the right to rescind any notice of the optional redemption of Bonds and such notice may be cancelled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption. Neither the City nor the Fiscal Agent will have any liability to the Owners of the Bonds or any other party related to any such rescission of redemption.

Effect of Redemption. From and after the date fixed for redemption, if funds available for the payment of the principal of, and interest and any premium on, the Bonds so called for redemption are deposited in the Redemption Account, such Bonds so called will cease to be entitled to any benefit under the Fiscal Agent Agreement other than the right to receive payment of the redemption price, and no interest will accrue thereon on or after the redemption date specified in such notice.

Transfer or Exchange of Bonds

So long as the Bonds are registered in the name of Cede & Co., as nominee of DTC, transfers and exchanges of Bonds will be made in accordance with DTC procedures. See APPENDIX G. Any Bond may, in accordance with its terms, be transferred or exchanged by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Bond for cancellation, accompanied by delivery of a duly written instrument of transfer in a form approved by the Fiscal Agent. Whenever any Bond(s) will be surrendered for transfer or exchange, the City will execute and the Fiscal Agent will authenticate and deliver a new Bond(s), for a like aggregate principal amount of Bond(s) of authorized denominations and of the same maturity. The City will pay the cost for any services rendered or any expenses incurred by the Fiscal Agent in connection with any such transfer or exchange. The Fiscal Agent will collect from the Owner requesting such transfer any tax or other governmental charge required to be paid with respect to such transfer or exchange.

No transfers or exchanges of Bonds will be required to be made (i) within 15 days prior to the date established by the Fiscal Agent for selection of Bonds for redemption or (ii) with respect to a Bond after that Bond has been selected for redemption.

SECURITY FOR THE BONDS

Pledge of Special Taxes

The Bonds are secured by and payable from a first pledge of the Net Taxes. The Bonds are secured by and payable from a first pledge of the "**Net Taxes,**" which are comprised of Gross Taxes less Administrative Expenses. "**Gross Taxes**" is defined in the Fiscal Agent Agreement as the proceeds of the Special Taxes received by the City, including any scheduled payments and any prepayments thereof and interest thereon, and proceeds of the redemption or sale of property sold as a result of foreclosure of the lien of the Special Taxes to the amount of said lien and interest thereon. "Gross Taxes" does not include any penalties collected in connection with delinquent Special Taxes or any interest in excess of the interest due on the Bonds.

The Bonds are also secured by the Reserve Fund held under the Fiscal Agent Agreement and, subject to prior disbursement to pay costs of the Improvements, moneys in the Improvement Fund. Until disbursed as provided in the Fiscal Agent Agreement, moneys in the Special Tax Fund, are pledged to the payment of the principal of, and interest and any premium on, the Bonds, as provided in the Fiscal Agent Agreement and in the Act, until all the Bonds have been paid and retired, or until moneys or Federal Securities have been set aside irrevocably for that purpose.

The Improvements are not pledged to pay the debt service on the Bonds. Any proceeds of condemnation, destruction or other disposition of any Improvements are not pledged to pay the debt service on the Bonds and are free and clear of any lien or obligation imposed under the Fiscal Agent Agreement.

Special Taxes

A Special Tax applicable to each taxable parcel in Improvement Area 2 will be levied and collected according to the tax liability determined by the City Council through the application of the Special Tax Formula, the complete copy of which is set forth in APPENDIX A hereto, for all taxable properties in Improvement Area 2. Interest and principal on the Bonds are payable from the annual Special Taxes to be levied and collected on taxable property within Improvement Area 2, from amounts held in the funds and accounts established under the Fiscal Agent Agreement (other than the Rebate Fund) and from the proceeds, if any, from the sale of such property for delinquency of such Special Taxes. For purposes of this Official Statement, DTA has served as special tax consultant to the City (the "**Special Tax Consultant**") and prepared certain information regarding the Special Taxes applicable to Improvement Area 2.

Under the Special Tax Formula, taxable parcels in Improvement Area 2 are subject to both (i) "**Special Tax A**," which is levied for public facilities, and (ii) "**Special Tax B**" which is levied for public services. ***Only Special Tax A is pledged to the Bonds and all references in this Official Statement to the Special Tax securing the Bonds means "Special Tax A" as defined in the Special Tax Formula.***

The Special Taxes are exempt from the property tax limitation of Article XIIIA of the California Constitution, pursuant to Section 4 thereof as a "special tax" authorized by a two-thirds vote of the qualified electors. The levy of the Special Taxes was authorized by the City pursuant to the Act in an amount determined according to the Special Tax Formula approved by

the City. See "–Special Tax Methodology" below and "APPENDIX A – Rate and Method of Apportionment of Special Tax."

The amount of Special Taxes that Improvement Area 2 may levy in any year, and from which principal and interest on the Bonds is to be paid, is strictly limited by the maximum rates approved by the qualified electors within Improvement Area 2 which are set forth as the "Maximum Special Tax A" for facilities in the Special Tax Formula (the "**Maximum Annual Special Tax**"). Under the Special Tax Formula, Special Taxes for the purpose of making payments on the Bonds will be levied annually in an amount, not in excess of the annual Maximum Annual Special Tax. The Special Taxes and any interest earned on the Special Taxes constitute a trust fund for the principal of and interest on the Bonds pursuant to the Fiscal Agent Agreement and, so long as the principal of and interest on these obligations remains unpaid, the Special Taxes and investment earnings thereon will not be used for any other purpose, except as permitted by the Fiscal Agent Agreement, and will be held in trust for the benefit of the owners thereof and will be applied pursuant to the Fiscal Agent Agreement. The Special Tax Formula apportions the Annual Costs (as defined in the Special Tax Formula and described below) among the taxable parcels of real property within Improvement Area 2 according to the rate and methodology set forth in the Special Tax Formula. See "–Special Tax Methodology" below. See also "APPENDIX A – Rate and Method of Apportionment of Special Tax."

The City may levy the Special Tax at the Maximum Annual Special Tax rate, which has been authorized by the qualified electors within Improvement Area 2, as set forth in the Special Tax Formula, if conditions so require. Because each year's Special Tax levy is limited to the Maximum Annual Special Tax rates authorized as set forth in the Special Tax Formula, no assurance can be given that, in the event of Special Tax delinquencies, the amount of the Annual Costs will in fact be collected in any given year. See "SPECIAL RISK FACTORS – Levy and Collection of the Special Tax" herein. The Special Taxes are collected for the City by the County in the same manner and at the same time as *ad valorem* property taxes.

Special Tax Methodology

The Special Tax authorized under the Act applicable to land within Improvement Area 2 will be levied and collected according to the tax liability determined by the City through the application of the appropriate amount or rate as described in the Special Tax Formula set forth in "APPENDIX A – Rate and Method of Apportionment of Special Tax" and in accordance with the Act. See "SPECIAL RISK FACTORS – Levy and Collection of Special Tax." Capitalized terms set forth in this section and not otherwise defined have the meanings set forth in the Special Tax Formula.

Determination of Special Tax Requirement for Facilities. Each year, the City will determine the "**Special Tax Requirement for Facilities**," which includes the following items (less any applicable credits for available revenues):

(i) Debt Service on bonds issued for Improvement Area 2;
(ii) any amounts needed to replenish bond reserve funds;
(iii) pay Administrative Expenses;
(iv) an amount equal to Special Tax delinquencies reasonably anticipated for such year and for previous year's delinquencies in excess of the amount estimated for such year; and
(v) pay-as-you-go construction expenditures for authorized improvements.

The calculation of the Special Tax Requirement for Facilities is the basis for the amount of Special Tax to be levied within Improvement Area 2. In no event may the City levy a Special Tax in any year above the Maximum Annual Special Tax identified for each parcel in the Special Tax Formula.

Parcels Subject to the Special Tax. Each Fiscal Year, all Taxable Property within Improvement Area 2 shall be classified as Developed Property, Final Mapped Property, Undeveloped Property, Taxable Property Owner Association Property, or Taxable Public Property and shall be subject to Special Taxes in accordance with the Special Tax Formula determined pursuant to the provisions thereof. Residential Property shall be assigned to Land Use Classes 1 through 5 as listed in Table 1 in the Special Tax Formula based on the description and the Residential Floor Area for each Dwelling Unit. Non-Residential Property shall be assigned to Land Use Class 6.

Transition Year. A portion of the Maximum Special Tax A will transition from being used for public facilities to public services as described in the Special Tax Formula as of the Transition Year. "**Transition Year**" means the first year in which the CFD Administrator determines that the Transition Event has occurred in the prior Fiscal Year, and "**Transition Event**" means the earlier of (i) July 1, 2068 or (ii) the Fiscal Year when the CFD Administrator determines that the following events have occurred: (i) all Bonds secured by the levy and collection of Special Tax A in the CFD have been fully repaid, (ii) all Administrative Expenses from prior Fiscal Years have been paid or reimbursed to the City, and (iii) there are no other Authorized Facilities that the City intends to fund with Bonds and Facilities Taxes.

Assigned Special Tax A and Backup Special Tax A. The Maximum Special Tax A for each Assessor's Parcel classified as Developed Property shall be the greater of (i) the amount derived by application of the Assigned Special Tax A and (ii) the amount derived by application of the Backup Special Tax A. In the Transition Year and each Fiscal Year thereafter, no Special Tax A shall be levied on Undeveloped Property, unless there are delinquent Special Tax A amounts on a Parcel of Undeveloped Property, in which case such delinquent Special Tax A amounts can continue to be levied against a parcel until they are collected.

Developed Property. Residential Property shall be assigned to Land Use Classes 1 through 5 as listed in Table 1 to the Special Tax Formula based on the Residential Floor Area for each Dwelling Unit. Non-Residential Property shall be assigned to Land Use Class 6. The Assigned Special Tax that shall be levied in Fiscal Year 2019-2020 for each Assessor's Parcel classified as Developed Property is shown on Table 1 to the Special Tax Formula. The Backup Special Tax A for an Assessor's Parcel of Developed Property shall equal $18,060 per Acre for Fiscal Year 2019-2020. On each July 1, the Assigned Special Tax A and the Backup Special Tax A shall be increased by an amount equal to two percent (2.00%) of the amount in effect for the previous Fiscal Year.

Furthermore, all Assessor's Parcels shall be relieved simultaneously and permanently from the obligation to pay and disclose the Backup Special Tax A if the CFD Administrator calculates that (i) the annual debt service required for the Outstanding Bonds, when compared to the Assigned Special Tax A that could be levied against all Assessor's Parcels of Developed Property, results in 110% debt service coverage (i.e., the Assigned Special Tax A that could be levied against all Developed Property in each remaining Fiscal Year based on the then existing development is at

least equal to the sum of (a) 1.10 times the debt service necessary to support the remaining Outstanding Bonds in each corresponding Fiscal Year, and (b) the Administrative Expenses as defined in Section A of the Special Tax Formula), and (ii) all authorized Bonds have already been issued or the City has covenanted that it shall not issue any additional Bonds (except refunding bonds) to be supported by the Assigned Special Taxes.

In some instances, an Assessor's Parcel of Developed Property may contain more than one (1) Land Use Class. The Special Taxes levied on an Assessor's Parcel shall be the sum of the Special Taxes for all Land Use Classes located on that Assessor's Parcel. If an Assessor's Parcel of Developed Property includes both Residential Property and Non-Residential Property, the Acreage to be assigned to the Non-Residential Property for purposes of establishing the annual Special Tax A shall equal the Non-Residential Floor Area on the Assessor's Parcel divided by Total Floor Area on the Assessor's Parcel multiplied by the Acreage of the Assessor's Parcel. Furthermore, for a condominium plan, if only a portion of its building permits have been issued, the remaining portion of the condominium plan shall be considered Final Mapped Property. The CFD Administrator's allocation to each type of property shall be final.

Final Mapped Property, Undeveloped Property, and Other Categories. The Fiscal Year 2019-2020 Maximum Special Tax for each Assessor's Parcel of Final Mapped Property, Undeveloped Property, Taxable Property Owner Association Property, and Taxable Public Property shall be $18,060 per Acre. On each July 1, the Maximum Special Tax for Final Mapped Property, Undeveloped Property, Taxable Property Owner Association Property, and Taxable Public Property shall be increased by an amount equal to two percent (2.00%) of the amount in effect for the previous Fiscal Year.

Annual Levy of Special Tax A. Commencing with Fiscal Year 2018-2019 and for each following Fiscal Year, the CFD Administrator shall determine the Special Tax A Levy as follows:

First: The Assigned Special Tax A shall be levied on each Assessor's Parcel of Developed Property in an amount equal to 100% of the applicable Assigned Special Tax A for Developed Property.

Second: If additional monies are needed to satisfy the Special Tax A Requirement after the first step has been completed, the Special Tax A shall be levied Proportionately on each Assessor's Parcel of Final Mapped Property until (i) the total Special Taxes levied under the first two steps listed in this Section D equal the Special Tax A Requirement, or (ii) the Special Taxes levied on Final Mapped Property equal 100% of the Maximum Special Tax, whichever comes first.

Third: If additional monies are needed to satisfy the Special Tax A Requirement after the first two steps have been completed, the Special Tax A shall be levied Proportionately on each Assessor's Parcel of Undeveloped Property until (i) the total Special Taxes levied under the first three steps listed in this Section D equal the Special Tax A Requirement, or (ii) the Special Tax A levied on Undeveloped Property equals 100% of the Maximum Special Tax A, whichever occurs first.

Fourth: If additional monies are needed to satisfy the Special Tax A Requirement after the first three steps have been completed, then the levy of the Special Tax A on each

Assessor's Parcel of Developed Property for which the Maximum Special Tax A is determined through the application of the Backup Special Tax A shall be increased in equal percentages from the Assigned Special Tax A up to 100% of the Maximum Special Tax A for each such Assessor's Parcel of Developed Property until (i) the total Special Taxes levied under the first four steps listed in this Section D equal the Special Tax A Requirement, or (ii) the Special Taxes levied on all Developed Property equal 100% of the Maximum Special Tax A for Developed Property, whichever occurs first.

Fifth: If additional monies are needed to satisfy the Special Tax A Requirement after the first four steps have been completed, the Special Tax A shall be levied Proportionately on each Assessor's Parcel of Taxable Property Owner Association Property until (i) the total Special Taxes levied under the first five steps listed in this Section D equal the Special Tax A Requirement, or (ii) the Special Taxes levied on all Taxable Property Owner Association Property equal 100% of the Maximum Special Tax A for Property Owner Association Property, whichever occurs first.

Sixth: If additional monies are needed to satisfy the Special Tax A Requirement after the first five steps have been completed, the Special Tax A shall be levied Proportionately on each Assessor's Parcel of Taxable Public Property until (i) the total Special Taxes levied under the first six steps listed in this Section D equal the Special Tax A Requirement, or (ii) the Special Taxes levied on all Taxable Public Property equal 100% of the Maximum Special Tax A for Taxable Public Property, whichever occurs first.

Notwithstanding the above, the CFD Administrator or its designee may, in any Fiscal Year, levy Proportionately less than 100% of the Assigned Special Tax A in the first step (above), when (i) the City is no longer required to levy the Special Tax A beyond the first step (above) in order to meet the Special Tax A Requirement; and (ii) all authorized Bonds have already been issued or the City has covenanted that it will not issue any additional Bonds (except refunding bonds), to be supported by the Special Tax A.

Termination of the Special Tax. The Special Tax will be levied and collected (up to maximum allowable amount) for as long as needed to pay the principal and interest on the Bonds and other costs incurred in order to construct and acquire the authorized public facilities; provided, however, the Special Tax may not be levied after fiscal Year 2068-69.

Prepayment of the Special Tax. The Special Tax Formula provides that landowners may permanently satisfy all or a portion of the Special Tax by a cash settlement with the City. The amount of the prepayment required is to be calculated according to a formula set forth in the Special Tax Formula, which is generally based on the Parcel's share of the outstanding Bonds, remaining facilities costs which have not been bonded, the Reserve Fund, fees, call premiums, negative arbitrage and any expenses incurred by the City in connection with the prepayment and expected future facilities costs.

Annual Special Tax; Maximum Special Tax

The annual Special Tax will be calculated by the City and levied each year to meet the Special Tax Requirement for Facilities. However, in no event may the City levy a Special Tax in any year above the Maximum Annual Special Tax identified for each parcel in the Special Tax Formula. See "APPENDIX A – Rate and Method of Apportionment of Special Tax."

In addition to the maximum annual Special Tax rate limitation in the Special Tax Formula, Section 53321(d) of the Act provides that the special tax levied against any parcel for which an occupancy permit for private residential use has been issued may not be increased as a consequence of delinquency or default by the owner of any other parcel within a community facilities district by more than 10% above the amount that would have been levied in such Fiscal Year had there never been any such delinquencies or defaults. The debt service on the Bonds has been structured so that an annual Special Tax levy only on residential properties will be sufficient for annual payments on the Bonds, however in cases of significant delinquencies, default in the payment of principal of and interest on the Bonds may occur.

The Special Tax levy may include a pay-as-you-go component. The Special Tax Formula provides a mechanism whereby the City may utilize the pay-as-you-go component to pay for and/or reimburse developers of property in Improvement Area 2 for a portion of the cost of Improvements not funded by proceeds of the bonds issued for Improvement Area 2. In the event it is utilized, proceeds of the annual Special Tax levy will first be used to pay the Annual Costs other than pay-as-you-go expenditures and second, if the levy included a pay-as-you-go component, for authorized facilities costs not funded from Bond proceeds.

Levy and Collection of Special Taxes

The City shall cause Special Taxes in an amount corresponding to the Special Tax Requirement for Facilities to be levied each Fiscal Year in accordance with the Ordinance such that the computation of the levy is complete before the final date on which the County Treasurer-Tax Collector will accept the transmission of the Special Tax amounts for the parcels within Improvement Area 2 for inclusion on the next secured real property tax roll. Upon the completion of the computation of the amounts of the levy, the City shall prepare or cause to be prepared, and shall transmit to the County Treasurer-Tax Collector such data as the County Treasurer-Tax Collector requires to include the levy of the Special Taxes on the next secured real property tax roll.

The City shall fix and levy the amount of Special Taxes within Improvement Area 2 required for the payment of principal of and interest on any outstanding Bonds of Improvement Area 2 becoming due and payable during the ensuing Bond Year, including any necessary replenishment or expenditure of the Reserve Fund for the Bonds and an amount estimated to be sufficient to pay the Administrative Expenses during such year, all in accordance with the rate and method of apportionment of the Special Taxes for Improvement Area 2 and the Ordinance. In any event, the Special Taxes so levied shall not exceed the authorized amounts as provided in the proceedings pursuant to the Resolution of Formation.

The Special Taxes shall be payable and be collected in the same manner and at the same time and in the same installment as the general taxes on real property are payable, and have the same priority, become delinquent at the same times and in the same proportionate amounts and bear the same proportionate penalties and interest after delinquency as do the general taxes on real property.

Special Tax Fund

The City covenants that it will receive Net Taxes in trust for the Owners and will instruct the Chief Financial Officer to deposit all Net Taxes with the Fiscal Agent at least three Business Days prior to each Interest Payment Date, and the City shall have no beneficial right or interest in the amounts so deposited, except as provided by this Agreement. All such Net Taxes shall

be disbursed, allocated and applied solely to the uses and purposes set forth in this Agreement, and shall be accounted for separately and apart from all other money, funds, accounts or other resources of the City.

Pursuant to the Fiscal Agent Agreement, the Fiscal Agent establishes as a separate fund to be held by the Fiscal Agent for the benefit of the owners of the Bonds, the Special Tax Fund. The Fiscal Agent is required to deposit the Special Taxes in the Special Tax Fund and thereafter transfer the Net Taxes on the dates and in the amounts in the following order of priority:

(1) To the Interest Account of the Special Tax Fund, at least one Business Day prior to each Interest Payment Date, the amount required to pay interest the Bonds on the immediately succeeding Interest Payment Date; provided, that to the extent that deposits have been made in the Interest Account from the proceeds of the sale of an issue of the Bonds, or otherwise, the transfer from the Special Tax Fund need not be made;

(2) To the Principal Account of the Special Tax Fund, at least one Business Day prior to each Interest Payment Date, the amount required to pay principal of the Bonds (including mandatory sinking fund payments) on the immediately succeeding Interest Payment Date; provided, that to the extent that deposits have been made in the Interest Account from the proceeds of the sale of an issue of the Bonds, or otherwise, the transfer from the Special Tax Fund need not be made;

(3) To the Redemption Account of the Special Tax Fund, moneys needed for the purpose of redeeming Bonds called for optional redemption prior to maturity, to be applied on or after the redemption date to the payment of principal, interest and premiums, if any, on the Bonds to be redeemed;

(4) To the Reserve Fund, after taking into account amounts then on deposit in the Reserve Fund, the amounts needed so that the amount in the Reserve Fund equals the Reserve Requirement; and

(5) To the Surplus Fund, as soon as practicable after each September 2, all remaining amounts in the Special Tax Fund. The amounts in the Surplus Fund are not pledged to the repayment of the Bonds and may be used by the City for any lawful purpose. Moneys deposited in the Surplus Fund shall be transferred by the Fiscal Agent upon the direction of the City.

Reserve Fund

The Fiscal Agent Agreement establishes the Reserve Fund, and within the Reserve Fund, the 2022 Reserve Account, to be held by the Fiscal Agent, to the credit of which a deposit shall be made upon issuance of the Bonds in the amount of the Reserve Requirement with respect to the Bonds as of the date of their delivery.

Moneys in the 2022 Reserve Account of the Reserve Fund shall be held in trust by the Fiscal Agent for the benefit of the Owners of the Bonds as a reserve for the payment of principal of, and interest on, the Bonds and will be subject to a lien in favor of the Owners of the Bonds. Unless otherwise set forth in a Supplemental Agreement, for each Series of Additional Bonds covered by the Reserve Fund, the Fiscal Agent shall establish a separate account within the

Reserve Fund for each such Series, which account shall be maintained purely for accounting purposes, and amounts in all accounts within the Reserve Fund shall be pledged to all Bonds equally and ratably.

Upon delivery of the Bonds, the amount on deposit in the 2022 Reserve Account of the Reserve Fund will be established by depositing certain proceeds of the Bonds in the amount of the "**Reserve Requirement**" for the Bonds, which means , as of the date of any calculation, an amount equal to the lesser of (a) Maximum Annual Debt Service on the respective Outstanding Bonds covered by the Reserve Fund, (b) 125% of the average Annual Debt Service on the respective Outstanding Bonds covered by the Reserve Fund, or (c) 10% of the original principal amount of the respective Bonds covered by the Reserve Fund (or the issue price of the respective Bonds excluding accrued interest, if the net original issue discount or premium is less than 98% or more than 102% of the principal amount of the respective Bonds), as calculated by the City. However, in no event will the City, in connection with the issuance of Additional Bonds covered by the Reserve Fund be obligated to deposit an amount in the Reserve Fund which is in excess of the amount permitted by the applicable provisions of the Tax Code to be so deposited from the proceeds of tax-exempt bonds without having to restrict the yield of any investment purchased with any portion of such deposit and, in the event the amount of any such deposit into the Reserve Fund is so limited, the Reserve Requirement will, in connection with the issuance of such Additional Bonds, be increased only by the amount of such deposit as permitted by the Code, and Improvement Area 2 may meet all or a portion of the Reserve Requirement by depositing a Qualified Reserve Fund Credit Instrument in the Reserve Fund as described above.

The City is required to maintain an amount of money or other security equal to the Reserve Requirement in the Reserve Fund at all times that the Bonds are outstanding. Except as otherwise provided in the Fiscal Agent Agreement, all amounts deposited in the Reserve Fund will be used and withdrawn by the Fiscal Agent solely for the purpose of making transfers to the Special Tax Fund in the event of any deficiency of the amount required for payment of the principal of, and interest on, the Bonds on such Interest Payment Date.

Whenever the amount in the Reserve Fund exceeds the then applicable Reserve Requirement, the Fiscal Agent will transfer an amount equal to the excess from the Reserve Fund to the Improvement Fund, if the Project has not been completed as of the date of such transfer, or if the Project has been completed, to the Special Tax Fund to be used for the payment of the principal of and interest on the Outstanding Bonds, except that investment earnings on amounts in the Reserve Fund may be withdrawn from the Reserve Fund for purposes of making payment to the Federal government to comply with rebate requirements.

The City has the right at any time to cause the Fiscal Agent to release funds from the Reserve Fund, in whole or in part, by tendering to the Fiscal Agent: (1) a Qualified Reserve Fund Credit Instrument, and (2) an opinion of Bond Counsel stating that such release will not, of itself, cause the portion of the interest on the Bonds to become includable in gross income for purposes of federal income taxation. Upon tender of such items to the Fiscal Agent, the Fiscal Agent will transfer such funds from the Reserve Fund to the City. Prior to the expiration of any Qualified Reserve Fund Credit Instrument, the City is obligated either to replace such Qualified Reserve Fund Credit Instrument with a new Qualified Reserve Fund Credit Instrument, or to deposit or cause to be deposited with the Fiscal Agent an amount of funds such that the funds on deposit in the Reserve Fund together with all Qualified Reserve Fund Credit Instruments held by the Fiscal Agent is at least equal to the Reserve Requirement (which funds may come from a draw by the Fiscal Agent on the Qualified Reserve Fund Credit Instrument prior to its

expiration). Any Qualified Reserve Fund Credit Instrument deposited with the Fiscal Agent shall contain instructions to the Fiscal Agent with respect to the purpose and use thereof.

Under the Fiscal Agent Agreement, a "**Qualified Reserve Fund Credit Instrument**" is defined as an irrevocable standby or direct-pay letter of credit or surety bond issued by a commercial bank or insurance company, provided that all of the following requirements are met: (a) the long-term credit rating of such bank or insurance company is rated at the time of issuance in the "AA" category or higher by S&P or Moody's (without regard to qualifier); (b) such letter of credit or surety bond has a term of at least 12 months; (c) such letter of credit or surety bond has a stated amount at least equal to the portion of the Reserve Requirement; and (d) the Fiscal Agent is authorized pursuant to the terms of such letter of credit or surety bond to draw thereunder an amount equal to any deficiencies which may exist from time to time in the Special Tax Fund for the purpose of making payments required pursuant to the Fiscal Agent Agreement or the amount to be restored to the Reserve Fund if not timely renewed or extended.

If a Qualified Reserve Fund Credit Instrument were obtained in the future, and the long-term credit rating of the provider thereof was downgraded after the date of issuance of such Qualified Reserve Fund Credit Instrument, the City would not be obligated to replace the Qualified Reserve Fund Credit Instrument or otherwise fund the Reserve Fund.

Delinquent Payments; Teeter Plan; Covenant for Superior Court Foreclosure

General. The Special Tax will be collected in the same manner and the same time as *ad valorem* property taxes, except at the City's option, the Special Taxes may be billed directly to property owners or collected at a different time to meet the City's financial obligations. In the event of a delinquency in the payment of any installment of Special Taxes, the City is authorized by the Act to order institution of an action in superior court to foreclose the lien therefor.

Teeter Plan. In 1949, the California Legislature enacted an alternative method for the distribution of property taxes to local agencies. This method, commonly known as the Teeter Plan, is set forth in Sections 4701-4717 of Revenue and Taxation Code of the State of California. The San Joaquin County Board of Supervisors (the "Board of Supervisors") approved implementation of the Teeter Plan in November 1993, both as to general and special taxes entered and collected on the secured tax roll.

Generally, the Teeter Plan provides for a tax distribution procedure by which secured roll taxes, special taxes and assessments are distributed to taxing agencies within a county included in the Teeter Plan on the basis of the tax levy, rather than on the basis of actual tax collections. A county then receives all future delinquent tax payments, penalties and interest, and a complex tax redemption distribution system for all taxing agencies is avoided. In connection with the Teeter Plan, a county can advance to the participating taxing agencies an amount equal to 95% of the total then-prior years' delinquent secured property taxes, 100% of the total then-prior years' delinquent secured special taxes, including the associated penalties and interest, and 100% of the then-current year's secured roll levy.

The Teeter Plan remains in effect unless the Board of Supervisors orders discontinuance. The County policy provides that it may order discontinuance of the Teeter Plan as to special taxes for the next year if the rate of delinquency for a taxing district exceeds 3% in any Fiscal Year. Unless and until the Board of Supervisors orders discontinuance of the Teeter Plan with respect to the District, the City is credited with 100% of the scheduled Special Tax

payments without regard to actual amounts collected. The City can give no assurance, however, that the Teeter Plan will be continued in future years.

If any tax or assessment which was distributed to a Teeter Plan participant is subsequently changed by correction, cancellation or refund, a *pro rata* adjustment for the amount of the change is made on the records of the treasurer of the County and the County Auditor. Such an adjustment would be an offset to future distributions of tax revenues to the District.

So long as the County maintains its policy of collecting taxes pursuant to said procedures and the City meets the Teeter Plan requirements, the City will receive 100% of the annual installments levied on taxable parcels in the District without regard to actual collections. No assurance can be given that the County will continue to include special taxes levied within community facilities districts in the Teeter Plan, and the County could decide to discontinue the inclusion of such special taxes in the Teeter Plan at any time, or to discontinue the Teeter Plan in its entirety.

Foreclosure Covenant. The City has covenanted in the Fiscal Agent Agreement with and for the benefit of the Owners of the Bonds that it will annually on or before October 1 of each year review the public records of the County of San Joaquin relating to the collection of the Special Tax in order to determine the amount of the Special Tax collected in the prior Fiscal Year, and if the City determines on the basis of such review that:

- Aggregate Delinquencies. The amount so collected is deficient by more than 5% of the total amount of the Special Tax levied in such Fiscal Year, it will within 30 days thereafter institute foreclosure proceedings as authorized by the Act in order to enforce the lien of the delinquent installment of the Special Tax against each separate lot or parcel of land in Improvement Area 2 for which such installment of the Special Tax is delinquent, and will diligently prosecute and pursue such foreclosure proceedings to judgment and sale; or

- Individual Delinquencies. The amount so collected is deficient by less than 5% of the total amount of the Special Tax levied in Improvement Area 2 in such Fiscal Year, but that property owned by any single property owner in Improvement Area 2 is delinquent by more than $3,000 with respect to the Special Tax due and payable by such property owner in such Fiscal Year and prior Fiscal Year(s), it will within 30 days thereafter institute foreclosure proceedings as authorized by the Act in order to enforce the lien of the delinquent installment of the Special Tax against each such property, and will diligently prosecute and pursue such foreclosure proceedings to judgment and sale.

The Chief Financial Officer shall notify legal counsel of any such delinquency of which it is aware, and such legal counsel shall commence, or cause to be commenced, such actions to collect such delinquencies and subsequent foreclosure proceedings in such a manner as such counsel deems appropriate.

Notwithstanding the foregoing, the City's obligation to pursue foreclosure shall be at the option of the City so long as (i) the Teeter Plan is in effect with respect to any delinquent parcel meeting the conditions above, and (ii) there is no then-outstanding draw on any amounts in the Reserve Fund.

Foreclosure Proceedings. Under the Act, foreclosure proceedings are instituted by the bringing of an action in the superior court of the county in which the parcel lies, naming the owner and other interested persons as defendants. The action is prosecuted in the same manner as other civil actions. In such action, the real property subject to the special taxes may be sold at a judicial foreclosure sale for a minimum price that will be sufficient to pay or reimburse the delinquent special taxes.

The Owners of the Bonds benefit from the Reserve Fund established pursuant to the Fiscal Agent Agreement; however, if delinquencies in the payment of the Special Taxes with respect to the Bonds are significant enough to completely deplete the Reserve Fund, there could be a default or a delay in payments of principal and interest to the owners of the Bonds pending prosecution of foreclosure proceedings and receipt by the City of the proceeds of foreclosure sales. Provided that it is not levying the Special Tax at the Maximum Annual Special Tax rates set forth in the Special Tax Formula, the City may adjust (but not to exceed the Maximum Annual Special Tax and subject to the limitation described under the caption "– Special Tax Methodology – Limitation on Increases of Special Tax Levy" above) the Special Taxes levied on all property within Improvement Area 2 subject to the Special Tax to provide an amount required to pay debt service on the Bonds and to replenish the Reserve Fund.

Under current law, a judgment debtor (property owner) has at least 120 days from the date of service of the notice of levy in which to redeem the property to be sold. If a judgment debtor fails to redeem and the property is sold, his or her only remedy is an action to set aside the sale, which must be brought within 90 days of the date of sale. If, as a result of such an action a foreclosure sale is set aside, the judgment is revived and the judgment creditor is entitled to interest on the revived judgment as if the sale had not been made (California Code of Civil Procedure Section 701.680).

Foreclosure by court action is subject to normal litigation delays, the nature and extent of which are largely dependent upon the nature of the defense, if any, put forth by the debtor and the condition of the calendar of the superior court of the county. Such foreclosure actions can be stayed by the superior court on generally accepted equitable grounds or as the result of the debtor's filing for relief under the Federal bankruptcy laws. The Act provides that, upon foreclosure, the Special Tax lien will have the same lien priority as is provided for *ad valorem* taxes and special assessments. See "VALUE OF PROPERTY WITHIN IMPROVEMENT AREA 2 AND SPECIAL TAX BURDEN – Overlapping Liens and Priority of Lien."

No assurances can be given that the real property subject to a judicial foreclosure sale will be sold or, if sold, that the proceeds of sale will be sufficient to pay any delinquent Special Tax installment. The Act does not require the City to purchase or otherwise acquire any lot or parcel of property foreclosed upon if there is no other purchaser at such sale.

Section 53356.6 of the Act requires that property sold pursuant to foreclosure under the Act be sold for not less than the amount of judgment in the foreclosure action, plus post-judgment interest and authorized costs, unless the consent of the owners of 75% of the outstanding Bonds is obtained. However, under Section 53356.6 of the Act, the City, as judgment creditor, is entitled to purchase any property sold at foreclosure using a "credit bid," where the City could submit a bid crediting all or part of the amount required to satisfy the judgment for the delinquent amount of the Special Tax. If the City becomes the purchaser under a credit bid, the City must pay the amount of its credit bid into the redemption fund established for the Bonds, but this payment may be made up to 24 months after the date of the foreclosure sale.

Additional Bonds For Refunding Purposes Only

In addition to the Bonds, the City may, by a Supplemental Agreement, authorize the issuance additional series of special tax bonds, payable from Net Taxes and secured, unless otherwise provided in the Supplemental Agreement, by the Net Taxes equally and ratably with Bonds previously issued, and the City may issue, and the Fiscal Agent may authenticate and deliver to the purchaser thereof, Bonds of any series so established, in such principal amount as shall be determined by the City, but only if (a) the Bonds are issued to refund some or all of the then-Outstanding Bonds and (b) debt service on the refunding Bonds in each Bond Year is less than debt service on the Bonds refunded.

Nothing in the Fiscal Agent Agreement shall be interpreted to prohibit issuance of bonds, notes or other obligations secured on a subordinate basis to the Bonds, or prevent or be construed to prevent a Supplemental Agreement providing for the issuance of Additional Bonds from pledging or otherwise providing, in addition to the security given or intended to be given by this Agreement, additional security for the benefit of such Additional Bonds or any portion thereof.

DEBT SERVICE SCHEDULE

The annual debt service on the Bonds, based on the interest rates and maturity schedule set forth on the inside cover of this Official Statement (assuming no early redemptions), is set forth below.

Improvement Area 2 of the City of Stockton
Community Facilities District No. 2018-2 (Westlake Villages II)
Special Tax Bonds Series 2022
Debt Service Schedule*

Period Ending (Sept. 1)	Bonds Principal	Bonds Interest	Bonds Total

THE DISTRICT AND IMPROVEMENT AREA 2

Formation of the District and Improvement Area 2

On June 19, 2018, the City Council adopted the Resolution of Formation, which formed the District and Improvement Area 2 therein. The District was established and authorized to incur bonded indebtedness in an aggregate principal amount not to exceed $60,000,000 for Improvement Area 2 at a special election in the District held on the same day. Change proceedings were undertaken in February 2020 to amend the rate and method of apportionment of special tax for Improvement Area 2 and modify the boundaries of Improvement Area 2. In January 2022, certain parcels that were formerly within Improvement Area 2 were moved into newly established Improvement Area 3 and Improvement Area 4. *The Bonds will be the first series to be issued for Improvement Area 2; the Bonds are only payable from net Special Taxes levied in Improvement Area 2, as described herein.*

Location and Description of the District and the Immediate Area

The District. The District is bounded on the west by Bishop Cut, on the north by Eight Mile Road, on the east by Regatta Lane and on the south by Disappointment Slough in the City. It is part of a larger development project, as described further herein. See "OWNERSHIP AND DEVELOPMENT OF IMPROVEMENT AREA 2."

Maps. The maps on the following pages show the area of the District and Improvement Area 2 therein.

[Reserved for Map #1 – Aerial Overview]

[Reserved for Map #2 – DTA Map Overview]

[Reserved for Map #3 – Detailed Improvement Area 2 Plan]

Environmental Matters

Flood Zone. According to the Federal Emergency Management Agency (FEMA) National Flood Insurance Program, Flood Insurance Rate Map (FIRM), the subject is located within Zone X (areas outside of the 0.2% annual chance flood plain), as reflected by FEMA map panel 06077C-0295F (dated October 16, 2009).

Seismic Conditions. According to the Seismic Safety Commission, the subject properties are located within Zone 3, which is considered to be the lowest risk zone in California. There are only two zones in California: Zone 4, which is assigned to areas near major faults; and Zone 3, which is assigned to all other areas of more moderate seismic activity. In addition, the subject is not located in a Fault-Rupture Hazard Zone (formerly referred to as an Alquist-Priolo Special Study Zone), as defined by Special Publication 42 (revised January 1994) of the California Department of Conservation, Division of Mines and Geology.

Fire Hazard. Land in the District is not located within a High Fire Hazard Severity Zone or Very High Fire Hazard Severity Zone as defined by CalFIRE.

The Improvements

The City expects to utilize proceeds of the Bonds to reimburse costs expended for infrastructure facilities constructed and necessary to facilitate development in Improvement Area 2 and, more broadly, the District. Authorized District facilities consist generally of roadway improvements, water and wastewater system improvements, drainage system improvements, sound walls, landscaping and certain incidental expenses. The Special Tax Formula provides that the funding of Improvement costs can also be made from collections of the Special Tax available as the "pay-as-you-go" component of Special Taxes. The pay-as-you-go funding component could provide for funding of the cost of the Improvements in excess of the amount provided from Bond proceeds through annual Special Tax collections in excess of the amount needed to pay the debt service on the Bonds. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Special Tax Methodology."

Market Absorption Report

In connection with the issuance of the Bonds, the City hired The Gregory Group, Folsom, California (the "**Absorption Consultant**") to perform market absorption study services related to the development of the 292 planned single-family homes in Improvement Area 2. The Absorption Consultant's report (the "**Absorption Report**") describes the planned development based on information available as of May 2022, and is attached hereto as APPENDIX C.

The Absorption Report included market pricing and absorption analysis for the 292 single-family homes planned for Improvement Area 2. The absorption analysis is based on information provided by the Master Developer and the Merchant Builders to the Absorption Consultant (as well as estimates by the Absorption Consultant) which includes an estimate as to when the villages opened for sales, infrastructure development, grading schedules, marketing considerations and anticipated market conditions. Furthermore, there are expected to be (and the market can sustain) several different projects selling simultaneously within each product type but built by different builders. Additional factors considered in predicting absorption rates are:

- The desirability of Westlake Villages as a new-home destination

- Increasing new-home sales within the subject market area
- Limited future inventory in the subject market area
- Current absorption rates for similar product types within the subject market area
- Overall improving economic conditions and excellent housing conditions within the North Central Valley Region.

The Absorption Consultant concludes that Improvement Area 2 can absorb an average of 1 unit per week per product offering for all of the product offerings (within the two phases and five product types) over the marketing life of the development given the pricing (with home sizes ranging from 1,590 to 3,153 square feet and base prices range from $539,000 to $687,950).

Based on the foregoing and as set forth in more detail in the Absorption Report, the Absorption Consultant's conclusions on absorption of the 292 single-family homes planned for Improvement Area 2 are set forth in the following tablet:

Project/Village	Merchant Builder	Total Units	Sold as of 3/31/22	Remainder 2022	2023	2024
Summers Bend (Village L)	Richmond Am. Homes	96	8	39	49	--
Westlake (Village M)	Meritage Homes	84	4	39	41	--
Autumn Trails (Village N)	Richmond Am. Homes	112	12	39	52	9
	Totals/Averages	**292**	**24**	**117**	**142**	**9**

Note: The number of units that are being absorbed in the above table are based on home sales (i.e., entering into a contract) and are not based on actual closings to individual homeowners.
Source: Absorption Consultant.

Neither the City nor the Underwriter is obligated to make, and neither has undertaken to make, an independent verification of the information contained in the Absorption Report and neither the City nor the Underwriter assumes responsibility for the accuracy or completeness of the Absorption Report. The Absorption Report should be read in its entirety, and a complete copy thereof is set forth as APPENDIX C – THE ABSORPTION REPORT.

OWNERSHIP AND DEVELOPMENT OF PROPERTY WITHIN IMPROVEMENT AREA 2

Unpaid Special Taxes do not constitute a personal indebtedness of the owners of the parcels within Improvement Area 2. There is no assurance that the present property owners or any subsequent owners will have the ability to pay the Special Taxes or that, even if they have the ability, they will choose to pay the Special Taxes. An owner may elect to not pay the Special Taxes when due and cannot be legally compelled to do so. Neither the City nor any Bondowner will have the ability at any time to seek payment directly from the owners of property within Improvement Area 2 of the Special Tax or the principal or interest on the Bonds, or the ability to control who becomes a subsequent owner of any property within Improvement Area 2.

The Master Developer and the Merchant Builders have provided certain information set forth in this section entitled "OWNERSHIP AND DEVELOPMENT OF PROPERTY WITHIN IMPROVEMENT AREA 2." In addition, any Internet addresses included below are for reference only, and the information on those Internet sites is not a part of this Official Statement or

incorporated by reference into this Official Statement. Certain other information contained below has been obtained from the Appraisal. See APPENDIX B.

No assurance can be given that development of the property will be completed, or that it will be completed in a timely manner. The Special Taxes are not personal obligations of the developers or of any subsequent landowners; the Bonds are secured only by the Special Taxes and moneys available under the Fiscal Agent Agreement. See "SECURITY FOR THE BONDS" and "SPECIAL RISK FACTORS" herein.

Current Ownership

The following table shows the Assigned Special Taxes and Share of Assigned Special Taxes among the owners of property in Improvement Area 2 as of the July 1, 2022 date of value of the Appraisal. The Special Tax for Fiscal Year 2022-23 will only be levied on Developed Property as defined in the Special Tax Formula. Additional information on the Master Developer and each of the Merchant Builders and their planned development in Improvement Area 2 is provided below.

Table 1

Development Plan and Current Status

General. Land in the District is planned to be developed into 2,163 homes ranging in size from 1,400 to 3,500 square feet. It is bounded on the west by Bishop Cut, on the north by Eight Mile Road, on the east by Regatta Lane and on the south by Disappointment Slough in the City. The land in the District is part of a larger residential community referred to as the "Westlake Villages Development," being developed by the Master Developer in the City (herein, the "**Westlake Villages Development**").

The Westlake Villages Development includes approximately 580 acres that is planned for approximately 2,163 homes including 767 active adult (55+ age-restricted) homes (not including the 322 single-family homes built in the initial phase of the Westlake Village Development that are located outside the District, referred to by the Master Developer as Villages O, P & Q) and approximately 68 acres of lakes, an 11-acre community park and a recreation center to be located on 5 acres. There is no commercial component to the Westlake

Villages Development. The Westlake Villages Development covers the land in Improvement Area 2 of the District as well as in the three other improvement areas established for the District and land outside the District. *Only the land in Improvement Area 2 is security for the Bonds.*

The Master Developer maintains an internet website (www.westlakeliving.com) for the Westlake Villages Development. The website address is given for reference and convenience only, and the information on the website may be incomplete or inaccurate and has not been reviewed by the City or the Underwriter. Nothing on the website is a part of this Official Statement or incorporated into this Official Statement by reference.

Backbone Infrastructure and Other Development Conditions. The Development Agreement and Subdivision Agreement require satisfaction of various items as conditions of development of the Westlake Villages Development. All of the backbone infrastructure improvements necessary for the build-out of the 292 single-family homes in Improvement Area 2 (Villages L, M, and N), including backbone roads and related improvements are in place. A listing of the key capital improvements – both backbone infrastructure and in-tracts – follows.

Table 2
List of Key Capital Improvements and In-Tracts
As of May 1, 2022

List of Capital Improvements/ Discrete Components	Planning Area	Total Costs Estimated [1]	Percent of Total Cost Estimate	Completion Percentage / Expended to Date	Allocated to Villages L, M, N [2]

Utilities. It is expected that utility service for the taxable property in Improvement Area 2 will be provided by the following entities:

Utility	**Provider**
Water/Sewer	City of Stockton
Electricity/Natural Gas	Pacific Gas & Electric (PG&E)
Data/Phone	Comcast/AT&T

Final Map Status. All 292 single-family residential units have received final map approval.

Ownership of Lots by Merchant Builders. Village L and Village N, owned by Richmond American Homes, are planned for 96 homes and 112 homes, respectively. Village M, owned by Meritage Homes, is planned for 84 homes.

Homes Under Construction. Richmond American Homes and Meritage Homes are current building both model homes and production homes in Improvement Area 2. As of April 15, 2022 (the date of value of the Appraisal), Richmond American Homes had 26 homes under construction, while Meritage Homes had 30 homes under construction.

Development Agreement and Subdivision Agreement

Development Agreement. The City entered into a Development Agreement in September 2004 (as amended to date, the "**Development Agreement**") with Spanos Family Partnership, a California general partnership and certain individuals to which Stockton Westlake Investment, LLC, and the Merchant Builders are successors in interest with respect to the land owned by each party in the District. The Development Agreement's purpose is to preserve existing policies, rules and regulations with respect to the Westlake Villages Development. All of the property in the District is subject to the requirements of the Development Agreement. The Development Agreement was entered into in accordance with Sections 65864 through 65869.5 of the California Government Code, as implemented through the Stockton City Code. The Development Agreement runs with the property and is set to expire on January 10, 2040.

Subdivision Agreement. The City entered into a Subdivision Agreement on January 31, 2006 (as amended to date, the "**Subdivision Agreement**") with Spanos Family Partnership, a California general partnership, which subsequently assigned the Subdivision Agreement to Stockton Westlake Investment, LLC. The Subdivision Agreement is the primary implementation tool for the development of the Westlake Villages project and creates a binding contract between the City and the parties thereto, and their assigned successors in interest, which sets forth the needed infrastructure improvements, park dedication requirements, timing and method for financing improvements and other specific performance obligations of the City and the Master Developer and its successors, including obligations related to development of the property in the District, with the terms, conditions, rules, regulations, entitlements, vested rights and other provisions relating to the development of the property in the District. Included are provisions relating to infrastructure improvements, public dedication requirements, landscaping amenities and other obligations of the parties.

The Subdivision Agreement runs with the property, and may be modified only by mutual consent of the parties. With the Agreement in place, subject to compliance with the terms of the Agreement, construction of homes within the District may occur upon City approval of

subdivision maps, satisfaction of certain design requirements and conditions of such maps and issuance of building permits.

The Master Developer

Ownership Structure of Master Developer. The Master Developer has been installing the public improvements necessary for development of the District, exercising options to purchase land within the District from Stockton Westlake Investments, LLC, and selling lots to the Merchant Builders. Both the Master Developer and Stockton Westlake Investments, LLC are owned by members of the Spanos family. The Master Developer has been involved in the entitlement and development of the Westlake Villages Development since 2014. The Spanos family, through various entities, has owned the land for more than 25 years.

Relevant Experience of Spanos Family and Related Entities. Starting in 1960 by Alex G. Spanos, the Spanos family has formed a variety of privately held real estate companies focused on the development of multi-family housing and master planned communities (collectively, the "**Spanos Family Companies**"). Over the past 60 years, Spanos Family Companies have developed more than 125 apartment projects across the country consisting of over 50,000 apartment units. Spanos Family Companies currently have offices in 7 states, with the primary office located in Stockton, California. Additionally, the Spanos family has owned a majority stake in the Los Angeles Chargers football team (previously the San Diego Chargers) for over 35 years.

Spanos Family Companies have worked on master planned communities in Stockton for more than 25 years. Spanos Family Companies have entitled and sold Spanos Park West, a largely residential subdivision in the City, including more than 1,700 homes built to the immediate east of Westlake Villages Development, along with the Parkwest Place shopping center and apartments and Walmart in the late 1990's and early 2000's. Preceding that project, Spanos Family Companies entitled and sold Spanos Park East, a residential subdivision in the City, including approximately 1,000 homes located on the east side of Highway 5 in the City that were built in the early 1990s.

Master Developer's Financing Plan

Cost Incurred for the Improvements. The Master Developer has expended over $33 million dollars on the construction and installation of Improvements for Improvement Area 1 and Improvement Area 2, which commenced in late 2018.

The Improvements include spine road infrastructure on Regatta Lane, Scott Creek Drive, traffic signals located at Eight Mile Road & Regatta Lane and Scott Creek Drive & Regatta Lane, perimeter precast masonry walls, common area landscaping, an artificial lake, sanitary lift station, wet utility trunk lines (storm drain, sanitary sewer, water, and non-potable water lines) and partial improvements to Eight Mile Road. Further, the Improvements include the in-tract construction and installation of paved streets, wet utility trunk lines (storm drain, sanitary sewer, water and non-potable water lines), joint trenches for dry utilities, curbs, gutters, and sidewalks. All required fees and engineering and consulting required entitlements, permits and soft costs have been paid for the Improvements.

See Table 2 above, for a detailed break-down of the status and costs of the backbone and in-tract improvements constructed by the Master Developer for Improvement Area 2.

Funding Sources. The Master Developer has used, and intends to use, the following sources of funds to finance the Improvements for the Westlake Villages Development:

- Equity from the partner-entities comprising the Master Developer (see "–The Master Developer," above, for more information about these entities).

- Sales of lots in the District (including Improvement Area 2) to merchant builders and other developers (see "– The Merchant Builders" herein).

- Proceeds of special tax bonds secured by land within the District (including Improvement Area 2).

- Pay-as-you-go Special Taxes available to the Master Developer under the Acquisition Agreement (see "–Acquisition Agreement" below).

Notwithstanding the belief of the Master Developer that it will have sufficient funds to complete its planned development, no assurance can be given that sources of financing available to the Master Developer will be sufficient to complete such development as currently anticipated. While the Master Developer has made internal financing available in the past for similar activities, there can be no assurance whatsoever of its willingness or ability to do so in the future. Neither the Master Developer nor the Spanos Family Companies or any of their affiliates has any legal obligation of any kind to make any such funds available or to obtain loans or lines of credit. If and to the extent that internal financing, loan proceeds, lines of credit, or bond proceeds are inadequate to pay the costs to complete the Master Developer's planned development, there could be a shortfall in the funds required to complete such proposed development and portions of such development might not be completed.

Acquisition Agreement. In connection with the formation of the District, the City and the Master Developer entered into a Funding, Construction and Acquisition Agreement (the "**Acquisition Agreement**") which provides that the Master Developer will construct (or cause to be constructed or funded) the Improvements, and the City, upon completion of construction and acceptance (or through progress payments prior to completion of the entire Improvement), will purchase the Improvements or reimburse the Master Developer for expended amounts from the proceeds of the Bonds and/or Special Taxes on a pay-as-you-go basis. The Master Developer will be responsible for the portion of the cost of construction of the Improvements not paid with Bond proceeds.

The Rate and Method provides that the funding of Improvement costs can also be made from collections of the Special Tax available as the "pay-as-you-go" component of Special Taxes. The pay-as-you-go funding component is expected to provide for funding of the cost of a portion of the Improvements in excess of the amount provided from bond proceeds (if such proceeds are not sufficient) through annual Special Tax collections in excess of the amount needed to pay the debt service. The City contemplates utilizing this funding mechanism during the time the Bonds are outstanding. Additionally, after the final maturity date of the Bonds and any additional bonds issued to reimburse developers for costs of the Improvements, the City expects to continue to levy Special Taxes for payment of the "Development Impact Fee Deferral" (as defined in the Rate and Method) which levy may secure future bonds issued after payment in full of the Bonds and any additional bonds issued under the Fiscal Agent Agreement. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Special Tax Methodology" and " – Special Tax Fund."

Richmond American Homes

Richmond American Homes' Development Plan. Richmond American Homes purchased 208 lots from the Master Developer in finished lot condition, which lots are located in Village L (96 lots) and Village N (112 lots). Richmond American Homes plans to build out these units within "Summers Bend at Westlake" and "Autumn Trails at Westlake" neighborhoods. The first homes in the neighborhood are expected to be sold and closed to individual homeowners in late 2022, and the final homes in the neighborhood by 2024. Richmond American Homes plans to fund the purchase of the lots from the Master Developer and its home construction costs through internally generated funds and sales of homes to individual homeowners.

Richmond American Homes' plans are summarized as follows:

Community	No. of Lots	Floor Plans	Square Footage	Base Pricing
Summers Bend (Village L)	96	4	1,820 - 3,040	$625,950 - $687,950
Autumn Trails (Village N)	112	4	1,590 - 2,380	$584,950 - $634,950

Richmond American and its Parent Corporation. Richmond American Homes is a subsidiary of M.D.C. Holdings, Inc., a Delaware corporation ("**Richmond American**"). Richmond American's common stock is publicly traded on the NYSE under the symbol "MDC." Richmond American's business consists of two primary operations, homebuilding and financial services. Its homebuilding subsidiaries build and sell primarily single-family detached homes, with each homebuilding subsidiaries serving as the general contract for its project and retaining subcontractors for land development home construction. Its financial services operations include subsidiaries that provide mortgage financing, place title insurance and homeowners insurance for homebuyers, as well as providing general liability insurance for Richmond American's subsidiaries and most of its subcontractors. The company's homebuilding subsidiaries have been operating under the Richmond American Homes name for many years, and it currently has homebuilding operations in 9 states across the country.

Richmond American's website address is http://www.richmondamerican.com. The website address is given for reference and convenience only, and the information on the website may be incomplete or inaccurate and has not been reviewed by the City or the Underwriter. Nothing on the website is a part of this Official Statement or incorporated into this Official Statement by reference.

Additional Information about Richmond American Homes is subject to the informational requirements of the Securities Exchange Act of 1934 (the "Exchange Act") and in accordance therewith files reports, proxy statements, and other information, including financial statements, with the SEC. The SEC maintains an Internet web site that contains reports, proxy and information statements and other information regarding registrants that file electronically with the SEC, including Richmond American Homes. The address of such Internet web site is www.sec.gov. All documents subsequently filed by Richmond American Homes' pursuant to the requirements of the Exchange Act after the date of this Official Statement will be available for inspection in such manner as the SEC prescribes. Copies of Richmond American Homes' Annual Report and each of its other quarterly and current reports, including any amendments, are available from Richmond American Homes' website at www.richmondamerican.com. The website address is given for reference and convenience only. The information on the website may be incomplete or inaccurate and has not been reviewed by the City or the Underwriter.

Nothing on the website is a part of this Official Statement or incorporated into this Official Statement by reference.

Although Richmond American Homes expects to have sufficient funds available to undertake and complete its development activities in Improvement Area 2, there can be no assurance, however, that amounts necessary to finance the remaining development and home construction costs will be available to Richmond American Homes when needed. Any contributions Richmond American Homes or its affiliates to fund the costs of such development and home construction are entirely voluntary. If and to the extent that internal funding, including but not limited to home sales revenues, are inadequate to pay the costs to complete the planned development by Richmond American Homes and other financing by Richmond American Homes is not put into place, there could be a shortfall in the funds required to complete the proposed development by Richmond American Homes in Improvement Area 2 and the remaining portions of the development may not be developed.

Meritage Homes

Meritage Homes' Development Plan. Meritage Homes purchased 84 lots from the Master Developer in finished lot condition, which lots are located in Village M. Meritage Homes plans to build out these units within "Westlake" neighborhood. The first homes in the neighborhood are expected to be sold and closed to individual homeowners in late 2022, and the final homes in the neighborhood by the end of 2023. Meritage Homes plans to fund the purchase of the lots from the Master Developer and its home construction costs through internally generated funds and sales of homes to individual homeowners.

Meritage Homes' plans are summarized as follows:

Community	No. of Lots	Floor Plans	Square Footage	Base Pricing
Westlake (Village M)	84	6	1,743 - 3,153	$541,990 and up

Meritage Homes and its Parent Corporation. Meritage Homes California, Inc. ("**Meritage Homes**") is a subsidiary of Meritage Homes Corporation, a Maryland corporation ("**Meritage**"). Meritage's common stock is publicly traded on the NYSE under the symbol "MTH." Meritage designs and builds single-family homes, historically focused on high-growth regions of the United States and offering a variety of entry-level and first move-up homes. It has homebuilding operations in three regions: West, Central and East, which are comprised of nine states: Arizona, California, Colorado, Texas, Florida, Georgia, North Carolina, South Carolina and Tennessee. Meritage also offers title and escrow, mortgage, and insurance services. Carefree Title Agency, Inc., its wholly-owned title company, provides title insurance and closing/settlement services to its homebuyers. Meritage Homes Insurance Agency, Inc., its wholly-owned insurance broker, works in collaboration with insurance companies nationwide to offer homeowners insurance and other insurance products to its homebuyers. Its financial services operations also provide mortgage services to its homebuyers through an unconsolidated joint venture.

Meritage's website address is http://www.meritagehomes.com. The website address is given for reference and convenience only, and the information on the website may be incomplete or inaccurate and has not been reviewed by the City or the Underwriter. Nothing on the website is a part of this Official Statement or incorporated into this Official Statement by reference.

Meritage is subject to the informational requirements of the Securities Exchange Act of 1934 (the "Exchange Act") and in accordance therewith files reports, proxy statements, and other information, including financial statements, with the SEC. The SEC maintains an Internet web site that contains reports, proxy and information statements and other information regarding registrants that file electronically with the SEC, including Meritage. The address of such Internet web site is www.sec.gov. All documents subsequently filed by Meritage pursuant to the requirements of the Exchange Act after the date of this Official Statement will be available for inspection in such manner as the SEC prescribes. Copies of Meritage's Annual Report and each of its other quarterly and current reports, including any amendments, are available from Meritage's website at www.meritagehomes.com. The website address is given for reference and convenience only. The information on the website may be incomplete or inaccurate and has not been reviewed by the City or the Underwriter. Nothing on the website is a part of this Official Statement or incorporated into this Official Statement by reference.

Although Meritage Homes expects to have sufficient funds available to undertake and complete its development activities in Improvement Area 2, there can be no assurance, however, that amounts necessary to finance the remaining development and home construction costs will be available to Meritage Homes when needed. Any contributions Meritage Homes or its affiliates to fund the costs of such development and home construction are entirely voluntary. If and to the extent that internal funding, including but not limited to home sales revenues, are inadequate to pay the costs to complete the planned development by Meritage Homes and other financing by Meritage Homes is not put into place, there could be a shortfall in the funds required to complete the proposed development by Meritage Homes in Improvement Area 2 and the remaining portions of the development may not be developed.

VALUE OF PROPERTY WITHIN IMPROVEMENT AREA 2 AND SPECIAL TAX BURDEN

The value of the land within Improvement Area 2 is a critical factor in determining the investment quality of the Bonds. If a property owner defaults in the payment of the Special Tax, the City's only remedy is to foreclose on the delinquent property in an attempt to obtain funds with which to pay the delinquent Special Tax. Although a portion of Improvement Area 2 is developed, a variety of economic, political, and natural occurrences incapable of being accurately predicted can affect land values and eventual completion of development. See "SPECIAL RISK FACTORS – Property Values and Property Development."

Unpaid Special Taxes do not constitute a personal indebtedness of the owners of the parcels within Improvement Area 2, and the owners have made no commitment to pay the principal of or interest on the Bonds or to support payment of the Bonds in any manner. There is no assurance that the owners have the ability to pay the Special Taxes or that, even if they have the ability, they will choose to pay such taxes. An owner may elect to not pay the Special Taxes when due and cannot be legally compelled to do so. Neither the City nor any Bondholder will have the ability at any time to seek payment from the owners of property within Improvement Area 2 of any Special Tax or any principal or interest due on the Bonds, or the ability to control who becomes a subsequent owner of any property within Improvement Area 2.

The Appraisal

General. At the request of the City, Integra Realty Resources, Sacramento, California (the "**Appraiser**") prepared an Appraisal Report with a date of value of April 15, 2022 (the "**Appraisal**"). The Appraisal estimates a value for all taxable property in Improvement Area 2. The Appraisal is set forth in its entirety in APPENDIX B hereto. *The description herein of the Appraisal is intended for limited purposes only; the Appraisal should be read in its entirety. The conclusions reached in the Appraisal are subject to certain assumptions and qualifications which are set forth in the Appraisal.*

Property Appraised. The appraised properties consist of all 292 improved residential lots, with new homes under construction, located within Improvement Area 2.

Value Estimates. The Appraiser was requested to provide a market value of the appraised properties by Assessor's parcel, as well as a cumulative, or aggregate, value of the property, as of the date of inspection (value). The Appraiser has concluded a market value estimate of $58,010,000 (rounded) for taxable property in Improvement Area 2, representing the cumulative, or aggregate, values, in accordance with the assumptions and conditions set forth in the Appraisal. Values by ownership are shown in the following table.

Table 4
Improvement Area 2 of the City of Stockton
Community Facilities District No. 2018-2 (Westlake Villages II)
Appraised Value of Taxable Property in Improvement Area 2

Owner	Appraised Value
Richmond American Homes (208 lots*)	$40,652,544
Meritage Homes (84 lots*)	17,358,912
Total	***$58,011,456***

* For each Merchant Builder, ownership includes improved lots and homes under construction.
Source: The Appraisal.

The valuation accounts for the impact of the lien of the Special Tax and excludes property in Improvement Area 2 designated for public and quasi-public purposes and not subject to the Special Tax of Improvement Area 2.

Appraisal Methodology. In the Appraisal, the Appraiser provides estimates of market value of the appraised properties by ownership and Assessor's parcel, as well as an aggregate, or cumulative value of the properties. The Appraiser used the sales comparison approach to value to determine the market value of each component comprising the appraised properties (being improved residential lots, with some new homes under construction). The cumulative, or aggregate, value of the appraised properties represents the sum of the value estimates concluded for each ownership interest, which is not equivalent to the market value of Improvement Area 2 as a whole. For additional details, see APPENDIX B.

Hypothetical Condition. The market value estimated by the Appraiser is based on a hypothetical condition. A hypothetical condition is defined by USPAP as "a condition, directly related to a specific assignment, which is contrary to what is known by the appraiser to exist on the effective date of the assignment results, but is used for the purpose of the analysis." The estimate of market value is subject to the hypothetical condition that certain of the proceeds from the Bonds are available to reimburse for infrastructure improvements completed. The estimate of market value accounts for the impact of the Lien of the Special Taxes securing the Bonds.

Extraordinary Assumptions and Limiting Conditions. In considering the estimate of value evidenced by the Appraisal, the Appraisal is based upon a number of standard and special assumptions that affect the estimates as to value, some of which include that there were no adverse soil conditions, toxic substances or other environmental hazards that may interfere or inhibit development of the appraised properties. If, at some future date, items are discovered that are determined to have a detrimental impact on value, the Appraiser reserves the right to amend the opinion of value stated in the Appraisal. For more information and a complete description of certain other assumptions made by the Appraiser, see "APPENDIX B – The Appraisal."

Because the Appraiser arrived at an estimate of current market value based upon certain assumptions which may or may not be fulfilled, no assurance can be given that, should the parcels become delinquent due to unpaid Special Taxes, and be foreclosed upon and offered for sale for the amount of the delinquency, any bid would be received for such property or, if a bid is received, that such bid would be sufficient to pay such delinquent Special Taxes.

No assurance can be given that the estimated absorption will be achieved or attained over an extended period of time; real estate is cyclical in nature, and it is impossible to accurately forecast and project specific demand over a projected absorption period. See "SPECIAL RISK FACTORS – Property Values and Property Development."

Limitations of Appraised or Assessed Valuation. Property values may not be evenly distributed throughout Improvement Area 2; thus, certain parcels may have a greater value than others. This disparity is significant because in the event of nonpayment of the Special Tax, the only remedy is to foreclose against the delinquent parcel.

No assurance can be given that the foregoing valuation can or will be maintained during the period of time that the Bonds are outstanding in that the City has no control over the market

value of the property within Improvement Area 2 or the amount of additional indebtedness that may be issued in the future by other public agencies, the payment of which, through the levy of a tax or an assessment, may be on a parity with the Special Taxes. See "– Overlapping Liens and Priority of Lien" below.

For a description of certain risks that might affect the assumptions made in the Appraisal, see "SPECIAL RISK FACTORS" herein.

Value to Special Tax Burden Ratios

The value of the land within Improvement Area 2 is a critical factor in determining the investment quality of the Bonds. If a property owner defaults in the payment of a Special Tax, the County's only remedy is to foreclose on the delinquent property in an attempt to obtain funds with which to pay the delinquent Special Taxes. See "SECURITY FOR THE BONDS - Delinquent Payments; Teeter Plan; Covenant for Superior Court Foreclosure" and "SPECIAL RISK FACTORS – Bankruptcy and Foreclosure Delays." Reductions in District property values due to a downturn in the economy, natural disasters such as earthquakes or floods, stricter land use regulations or other events could have an adverse impact on the security for payment of the Special Taxes.

The Special Tax is levied on each parcel within Improvement Area 2 and only the respective individual parcel is responsible for its allocated Special Tax.

Based upon the $58,010,000 appraised value of taxable property in Improvement Area 2 and an estimated principal amount of Bonds of $10,625,000*, as well as overlapping land-secured debt attributable to those parcels, for a total direct and overlapping land-secured debt amount of $10,625,000*, the value-to-lien ratio for such property is approximately 5.46* to 1; provided, however, that the value-to-lien ratio of individual parcels may vary significantly.

In comparing the value of the real property within Improvement Area 2 and the principal amount of the Bonds, it should be noted that only the real property upon which there is a delinquent Special Tax can be foreclosed upon, and the real property within Improvement Area 2 cannot be foreclosed upon as a whole to pay delinquent Special Taxes of the owners of such parcels within Improvement Area 2 unless all of the property is subject to a delinquent Special Tax. In any event, individual parcels may be foreclosed upon separately to pay delinquent Special Taxes levied against such parcels.

* Preliminary; subject to change.

Share of Assigned Special Tax – At Build-Out. The following table summarizes the estimated total Assigned Special Tax and share of Assigned Special Tax for parcels in Improvement Area 2, upon build-out.

Table 5
Improvement Area 2 of the City of Stockton
Community Facilities District No. 2018-2 (Westlake Villages II)
Assigned Special Tax Calculation – At Build-Out

Land Use Class	Property Description	Assigned Special Tax	No. of Planned Units*	Estimated Total Assigned Special Tax	Share of Assigned Special Tax
1	Single Family Detached (>3,001 SF)	$3,091	73	$225,665	34.92%
2	Single Family Detached (2,501 - 3,000 SF)	2,396	73	174,923	27.07
3	Single Family Detached (2,001 - 2,500 SF)	1,769	73	129,139	19.99

Overlapping Liens and Priority of Lien

The principal of and interest on the Bonds are payable from the Special Tax authorized to be collected within Improvement Area 2, and payment of the Special Tax is secured by a lien on certain real property within Improvement Area 2. Such lien is co-equal to and independent of the lien for general taxes and any other liens imposed under the Act, regardless of when they are imposed on the property in Improvement Area 2. The imposition of additional special taxes, assessments and general property taxes will increase the amount of independent and co-equal liens which must be satisfied in foreclosure. The City, the County and certain other public agencies are authorized by the Act to form other community facilities districts and improvement areas and, under other provisions of State law, to form special assessment districts, either or both of which could include all or a portion of the land within Improvement Area 2.

Other public agencies whose boundaries overlap those of Improvement Area 2 could, without the consent of the City and in certain cases without the consent of the owners of the land within Improvement Area 2, impose additional taxes or assessment liens on the land within Improvement Area 2. The lien created on the land within Improvement Area 2 through the levy of such additional taxes or assessments may be secured on parity with the lien of the Special Tax. In addition, construction loans may be obtained by the homebuilder owners and home loans are likely to be obtained by ultimate homeowners. The deeds of trust securing such debt on property within Improvement Area 2, however, will be subordinate to the lien of the Special Tax.

For example, additional CFD obligations on land in Improvement Area 2 include City of Stockton Community Facilities District No. 2018-3 (Citywide Services and Maintenance). This CFD levies special taxes that pay for authorized public services, which special taxes are on a parity to the lien securing the Special Taxes securing the Bonds.

There can be no assurance that the current owners, or any subsequent owner, will not petition for the formation of other community facilities districts and improvement areas or for a special assessment district or districts and that parity special taxes or special assessments will not be levied by the County or some other public agency to finance additional public facilities, however no other special districts are currently contemplated or foreseen by the City.

Set forth on the following page is an overlapping debt table showing the existing authorized indebtedness payable with respect to property within Improvement Area 2. This table has been prepared by California Municipal Statistics Inc. as of the date indicated, and is included for general information purposes only. Neither the City nor the Underwriter has reviewed the data for completeness or accuracy and make no representations in connection therewith.

Special Tax Collection and Delinquency Rate

The first year for levy and collection of the Special Taxes will be for Fiscal Year 2022-23; accordingly, there is no delinquency history. Future delinquencies in the payment of property taxes (including the Special Taxes) with respect to property in Improvement Area 2, to the extent not covered by the Teeter Plan, could result in draws on the Reserve Fund established, and perhaps, ultimately, a default in the payment on the Bonds. See "SECURITY FOR THE BONDS – Delinquent Payments; Teeter Plan; Covenant for Superior Court Foreclosure" and "SPECIAL RISK FACTORS."

Sample Tax Bill

The following tables summarize the representative property tax bill for Fiscal Year 2021-22 for certain land use classes of residential property in Improvement Area 2, based on product being developer by Richmond American Homes and Meritage Homes, respectively.

SPECIAL RISK FACTORS

The purchase of the Bonds described in this Official Statement involves a degree of risk that may not be appropriate for some investors. The following includes a discussion of some of the risks which should be considered before making an investment decision. This discussion does not purport to be comprehensive or definitive or a complete statement of all factors that may be considered as risks in evaluating the credit quality of the Bonds.

Limited Obligation of the City to Pay Debt Service

The City has no obligation to pay principal of and interest on the Bonds in the event Special Tax collections are delinquent, other than from amounts, if any, on deposit in the Reserve Fund or funds derived from the tax sale or foreclosure and sale of parcels on which levies of the Special Tax are delinquent, nor is the City obligated to advance funds to pay such debt service on the Bonds. The Bonds are not general obligations of the City but are limited obligations of the City and Improvement Area 2 payable solely from the proceeds of the Special Tax and certain funds held under the Fiscal Agent Agreement, including amounts deposited in the Reserve Fund and investment income thereon, and the proceeds, if any, from the sale of property subject to the Special Tax in the event of a foreclosure. See "SECURITY FOR THE BONDS." Tax revenues available for the payment of the Bonds will be limited to the Net Taxes levied and collected on taxable property within Improvement Area 2.

Levy and Collection of the Special Tax

General. The principal source of payment of principal of and interest on the Bonds is the proceeds of the annual levy and collection of the Special Tax against property within Improvement Area 2.

Limitation on Maximum Annual Special Tax Rate. The annual levy of the Special Tax is subject to the maximum annual Special Tax rate authorized in the Special Tax Formula. The levy cannot be made at a higher rate even if the failure to do so means that the estimated proceeds of the levy and collection of the Special Tax, together with other available funds, will not be sufficient to pay debt service on the Bonds.

In addition to the maximum annual Special Tax rate limitation in the Special Tax Formula, Section 53321(d) of the Act provides that the special tax levied against any parcel for which an occupancy permit for private residential use has been issued may not be increased as a consequence of delinquency or default by the owner of any other parcel within a community facilities district by more than 10% above the amount that would have been levied in such Fiscal Year had there never been any such delinquencies or defaults. In cases of significant delinquency, these factors may result in defaults in the payment of principal of and interest on the Bonds.

No Relationship Between Property Value and Special Tax Levy. Because the Special Tax Formula is not based on property value, the levy of the Special Tax will rarely, if ever, result in a uniform relationship between the value of particular Taxable Parcels and the amount of the levy of the Special Tax against those parcels. Thus, there will rarely, if ever, be a uniform relationship between the value of the Taxable Parcels and their proportionate share of debt service on the Bonds, and certainly not a direct relationship.

Factors that Could Lead to Special Tax Deficiencies. The following are some of the factors that might cause the levy of the Special Tax on any particular Taxable Parcels to vary from the Special Tax that might otherwise be expected:

Transfers to Governmental Entities. The number of Taxable Parcels could be reduced through the acquisition of Taxable Parcels by a governmental entity and failure of the government to pay the Special Tax based upon a claim of exemption or, in the case of the federal government or an agency thereof, immunity from taxation, thereby resulting in an increased tax burden on the remaining taxed parcels.

Property Tax Delinquencies. Failure of the owners of Taxable Parcels to pay property taxes (and, consequently, the Special Tax), or delays in the collection of or inability to collect the Special Tax by tax sale or foreclosure and sale of the delinquent parcels, could result in a deficiency in the collection of Net Taxes. For a summary of recent Special Tax collection and delinquency rates in Improvement Area 2, see "VALUE OF PROPERTY WITHIN IMPROVEMENT AREA 2 AND SPECIAL TAX BURDEN" herein.

Concentration of Ownership

All of the land within Improvement Area 2 is currently owned by the Merchant Builders. An owner of property in Improvement Area 2 is not personally obligated to pay the Special Tax attributable to the owner's property. Rather, the Special Tax is an obligation only against the parcel of property, secured by the amount which could be realized in a foreclosure proceeding against the property, and not by any promise of the owner to pay. If the value of the property is not sufficient, taking into account other obligations also constituting a lien against the property, the City, Fiscal Agent and owners of the Bonds have no recourse against the owner, such as filing a lawsuit to collect money.

Failure of the Merchant Builders or any future owner of significant property subject to the Special Taxes in Improvement Area 2 to pay installments of Special Taxes when due could cause the depletion of the Reserve Fund prior to reimbursement from the resale of foreclosed property or payment of the delinquent Special Tax and, consequently, result in the delinquency rate reaching a level that would cause an insufficiency in collection of the Special Tax to meet the City's obligations on the Bonds. In that event, there could be a delay or failure in payments on the Bonds. See "SPECIAL RISK FACTORS – Bankruptcy and Foreclosure Delays" below and "SECURITY FOR THE BONDS – Delinquent Payments; Teeter Plan; Covenant for Superior Court Foreclosure."

Development of undeveloped property within Improvement Area 2 may be subject to unexpected delays, disruptions and changes which may affect the willingness and ability of landowners to pay the Special Taxes when due. Certain infrastructure improvements remain to be completed in order to complete construction within Improvement Area 2. No assurance can be given that the remaining proposed residential development will be partially or fully completed, and for purposes of evaluating the investment quality of the Bonds, prospective purchasers should consider the possibility that such parcels will remain vacant and only partially improved.

Appraised Values

The Appraisal estimates the market value of certain taxable property within Improvement Area 2. This market value is merely the present opinion of the Appraiser, and is subject to the

assumptions and limiting conditions stated in the Appraisal. The City has not sought the present opinion of any other appraiser of the value of the taxed parcels. A different present opinion of value might be rendered by a different appraiser.

The opinion of value relates to sale by a willing seller to a willing buyer as of the date of valuation, each having similar information and neither being forced by other circumstances to sell or to buy. Consequently, the opinion is of limited use in predicting the selling price at a foreclosure sale, because the sale is forced and the buyer may not have the benefit of full information.

In considering the estimates of value evidenced by the Appraisal, it should be noted that the Appraisal is based upon a number of standard and special assumptions which affect the estimates as to value, as well as the hypothetical condition of the Improvements having been completed, as set forth in the Appraisal (see APPENDIX B hereto). The improvements to be financed by the Bonds were not in place as of the date of inspection; thus, the value estimate is subject to a hypothetical condition (of such improvements being in place).

In addition, the opinion is a present opinion. It is based upon present facts and circumstances. Differing facts and circumstances may lead to differing opinions of value. The appraised market value is not evidence of future value because future facts and circumstances may differ significantly from the present.

No assurance can be given that any of the appraised property in Improvement Area 2 could be sold in a foreclosure for the estimated market value contained in the Appraisal. Such sale is the primary remedy available to Bondowners if that property should become delinquent in the payment of Special Taxes.

Property Values and Property Development

The value of taxable property within Improvement Area 2 is a critical factor in determining the investment quality of the Bonds. If a property owner defaults in the payment of the Special Tax, the City's only remedy is to foreclose on the delinquent property in an attempt to obtain funds with which to pay the delinquent Special Tax.

Land values could be adversely affected by economic and other factors beyond the City's control, such as a general economic downturn, relocation of employers out of the area, shortages of water, electricity, natural gas or other utilities, destruction of property caused by earthquake, flood, wildfires, or other natural disasters, environmental pollution or contamination, or unfavorable economic conditions. Land in Improvement Area 2 is adjacent to cropland areas utilized for hay and corn production, which could increase the chances of a fire in the area, and in an area protected from flooding by levees which could be breached.

Neither the Underwriter nor the City has evaluated development risks related to the development of land in Improvement Area 2. Since these are largely business risks of the type that property owners customarily evaluate individually, and inasmuch as changes in land ownership may well mean changes in the evaluation with respect to any particular parcel, the City is issuing the Bonds without regard to any such evaluation. Thus, the creation of the District (and Improvement Area 2 therein) and the issuance of the Bonds in no way implies that the Underwriter or the City has evaluated these risks or the reasonableness of these risks.

The following is a discussion of specific risk factors that could affect the timing or scope of property development in Improvement Area 2 or the value of property in Improvement Area 2.

Land Development. Land values are influenced by the level of development in the area in many respects.

First, undeveloped or partially developed land is generally less valuable than developed land and provides less security to the Owners of the Bonds should it be necessary for Improvement Area 2 to foreclose on undeveloped or partially developed property due to the nonpayment of Special Taxes.

Second, failure to complete development on a timely basis could adversely affect the land values of those parcels that have been completed. Lower land values would result in less security for the payment of principal of and interest on the Bonds and lower proceeds from any foreclosure sale necessitated by delinquencies in the payment of the Special Tax. See "VALUE OF PROPERTY WITHIN IMPROVEMENT AREA 2 AND SPECIAL TAX BURDEN – Value to Special Tax Burden Ratios." No assurance can be given that the proposed development within Improvement Area 2 will be completed, and in assessing the investment quality of the Bonds, prospective purchasers should evaluate the risks of non-completion.

Neither the Master Developer nor the Merchant Builders nor any other person provides any assurances that the project currently envisioned for the land in Improvement Area 2 will be completed, or that available sources of financing that will actually be available and sufficient to complete such projected development. The Master Developer and the Merchant Builders have no obligation to the City or to owners of the Bonds to complete the project or the construction of homes within Improvement Area 2.

Risks of Real Estate Investment Generally. Continuing development of land within Improvement Area 2 may be adversely affected by changes in general or local economic conditions, fluctuations in the real estate market, increased construction costs, development, financing and marketing capabilities of individual property owners, water or electricity shortages, and other similar factors. Development in Improvement Area 2 may also be affected by development in surrounding areas, which may compete with Improvement Area 2. In addition, land development operations are subject to comprehensive federal, state and local regulations, including environmental, land use, zoning and building requirements. There can be no assurance that proposed land development operations within Improvement Area 2 will not be adversely affected by future government policies, including, but not limited to, governmental policies to restrict or control development, or future growth control initiatives. There can be no assurance that land development operations within Improvement Area 2 will not be adversely affected by these risks.

Natural Disasters. The value of the parcels in Improvement Area 2 in the future can be adversely affected by a variety of natural occurrences, particularly those that may affect infrastructure and other public improvements and private improvements on the parcels in Improvement Area 2 and the continued habitability and enjoyment of such private improvements. For example, the areas in and surrounding Improvement Area 2, like those in much of the State, may be subject to earthquakes or other unpredictable seismic activity. See "THE DISTRICT AND IMPROVEMENT AREA 2 – Environmental Matters."

Other natural disasters could include, without limitation, landslides, floods, droughts or tornadoes. One or more natural disasters could occur and could result in damage to improvements of varying seriousness. The damage may entail significant repair or replacement costs and that repair or replacement may never occur either because of the cost, or because

repair or replacement will not facilitate habitability or other use, or because other considerations preclude such repair or replacement. Under any of these circumstances there could be significant delinquencies in the payment of Special Taxes, and the value of the parcels may well depreciate.

Drought. California is currently in a drought, and has in the past experienced various periods of drought. No assurance can be given that the current drought or any future drought will not adversely impact the development of land within Improvement Area 2.

***Legal Requirements*.** Other events that may affect the value of a parcel include changes in the law or application of the law. Such changes may include, without limitation, local growth control initiatives, local utility connection moratoriums and local application of statewide tax and governmental spending limitation measures. Development in Improvement Area 2 may also be adversely affected by the application of laws protecting endangered or threatened species.

***Hazardous Substances*.** Any discovery of a hazardous substance detected on property within Improvement Area 2 would affect the marketability and the value of some or all of the property in Improvement Area 2. In that event, the owners and operators of a parcel within Improvement Area 2 may be required by law to remedy conditions of the parcel relating to releases or threatened releases of hazardous substances. The federal Comprehensive Environmental Response, Compensation and Liability Act of 1980, sometimes referred to as "CERCLA" or the "Superfund Act," is the most well-known and widely applicable of these laws. State law with regard to hazardous substances are also applicable to property within Improvement Area 2 and are as stringent as the federal laws. Under many of these laws, the owner (or operator) is obligated to remedy a hazardous substance condition of property whether or not the owner (or operator) has anything to do with creating or handling the hazardous substance. The effect, therefore, should any of the parcels be contaminated by a hazardous substance is to reduce the marketability and value of the parcel by the costs of remedying the condition, because the purchaser, upon becoming owner, will become obligated to remedy the condition just as is the seller.

The values set forth in the Appraisal do not take into account the possible reduction in marketability and value of any of the parcels within Improvement Area 2 by reason of the possible liability of the owner (or operator) for the remedy of a hazardous substance condition on a parcel. Although the City is not aware that the owner (or operator) of any of the property within Improvement Area 2 has a current liability for a hazardous substance with respect to any of the parcels, it is possible that such liabilities do currently exist and that the City is not aware of them.

Further, it is possible that liabilities may arise in the future with respect to any of the parcels within Improvement Area 2 resulting from the existence, currently, on the parcel of a substance presently classified as hazardous but which has not been released or the release of which is not presently threatened, or may arise in the future resulting from the existence, currently, on the parcel of a substance not presently classified as hazardous but which may in the future be so classified. Further, such liabilities may arise not simply from the existence of a hazardous substance but from the method of handling it. All of these possibilities could significantly affect the value of a parcel within Improvement Area 2 that is realizable upon a foreclosure sale.

Endangered and Threatened Species. It is illegal to harm or disturb any plants or animals in their habitat that have been listed as endangered species by the United States Fish & Wildlife Service under the Federal Endangered Species Act or by the California Fish & Game Commission under the California Endangered Species Act without a permit. The discovery of an endangered plant or animal could delay development of undeveloped property in Improvement Area 2 or reduce the value of such property.

Other Possible Claims Upon the Value of Taxable Property

While the Special Taxes are secured by the Taxable Parcels in Improvement Area 2, the security only extends to the value of such property that is not subject to priority and parity liens and similar claims. The table in the section entitled "VALUE OF PROPERTY WITHIN IMPROVEMENT AREA 2 AND SPECIAL TAX BURDEN – Overlapping Liens and Priority of Lien" shows the presently outstanding amount of governmental obligations (with stated exclusions), the tax or assessment for which is or may become an obligation of one or more of the Taxable Parcels. The table also states the additional amount of general obligation bonds the tax for which, if and when issued, may become an obligation of one or more of the Taxable Parcels. The table does not specifically identify which of the governmental obligations are secured by liens on one or more of the Taxable Parcels.

The City, the County and certain other public agencies are authorized by the Act to form other community facilities districts and improvement areas and, under other provisions of State law, to form special assessment districts, either or both of which could include all or a portion of the land within Improvement Area 2. Other governmental obligations may be authorized and undertaken or issued in the future, the tax, assessment or charge for which may become an obligation of one or more of the parcels of taxable property and may be secured by a lien on a parity with the lien of the Special Tax securing the Bonds.

In general, as long as the Special Tax is collected on the County tax roll, the Special Tax and all other taxes, assessments and charges also collected on the tax roll are on a parity, that is, are of equal priority. Questions of priority become significant when collection of one or more of the taxes, assessments or charges is sought by some other procedure, such as foreclosure and sale. In the event of proceedings to foreclose for delinquency of Special Taxes securing the Bonds, the Special Tax will be subordinate only to existing prior governmental liens, if any. Otherwise, in the event of such foreclosure proceedings, the Special Taxes will generally be on a parity with the other taxes, assessments and charges, and will share the proceeds of such foreclosure proceedings on a pro rata basis. Although the Special Taxes will generally have priority over non-governmental liens on a Taxable Parcel, regardless of whether the non-governmental liens were in existence at the time of the levy of the Special Tax or not, this result may not apply in the case of bankruptcy. See "– Bankruptcy and Foreclosure Delays" below.

Bankruptcy and Foreclosure Delays

The Fiscal Agent Agreement generally provides that the Special Tax is to be collected in the same manner as ordinary *ad valorem* property taxes are collected and, except as provided in the special covenant for foreclosure described in "SECURITY FOR THE BONDS – Delinquent Payments of Special Tax; Teeter Plan; Covenant for Superior Court Foreclosure" and in the Act, is subject to the same penalties and the same procedure, sale and lien priority in case of delinquency as is provided for ordinary ad valorem property taxes. Under these procedures, if taxes are unpaid for a period of five years or more, the property is deeded to the State and then is subject to sale by the County.

If sales or foreclosures of property are necessary, there could be a delay in payments to owners of the Bonds pending such sales or the prosecution of foreclosure proceedings and receipt by the City of the proceeds of sale if the Reserve Fund is depleted. See "SECURITY FOR THE BONDS – Delinquent Payments; Teeter Plan; Covenant for Superior Court Foreclosure."

The ability of the City to collect interest and penalties specified by State law and to foreclose against properties having delinquent Special Tax installments may be limited in certain respects with regard to properties in which the Federal Deposit Insurance Corporation (the "**FDIC**") has or obtains an interest. The FDIC would obtain such an interest by taking over a financial institution that has made a loan that is secured by property within Improvement Area 2.

The payment of the Special Tax and the ability of the City to foreclose the lien of a delinquent unpaid Special Tax may also be limited by bankruptcy, insolvency or other laws generally affecting creditors' rights or by the laws of the State of California relating to judicial foreclosure. The various legal opinions to be delivered concurrently with the delivery of the Bonds (including Bond Counsel's approving legal opinion) will be qualified as to the enforceability of the various legal instruments by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights, by the application of equitable principles and by the exercise of judicial discretion in appropriate cases.

Other laws generally affecting creditors' rights or relating to judicial foreclosure may affect the ability to enforce payment of Special Taxes or the timing of enforcement of Special Taxes. For example, the Soldiers and Sailors Civil Relief Act of 1940 affords protections such as a stay in enforcement of the foreclosure covenant, a six-month period after termination of military service to redeem property sold to enforce the collection of a tax or assessment and a limitation on the interest rate on the delinquent tax or assessment to persons in military service if the court concludes the ability to pay such taxes or assessments is materially affected by reason of such service.

To the extent that property in Improvement Area 2 continues to be owned by a limited number of property owners, the chances are increased that the Reserve Fund could be fully depleted during any such delay in obtaining payment of delinquent Special Taxes. As a result, sufficient moneys would not be available in the Reserve Fund to make up shortfalls resulting from delinquent payments of the Special Tax and thereby to pay principal of and interest on the Bonds on a timely basis.

FDIC/Federal Government Interests in Properties

General. The ability of the City to foreclose the lien of delinquent unpaid Special Tax installments may be limited with regard to properties in which the Federal Deposit Insurance Corporation (the "**FDIC**"), the Drug Enforcement Agency, the Internal Revenue Service, or other federal agency has or obtains an interest.

Federal courts have held that, based on the supremacy clause of the United States Constitution, in the absence of Congressional intent to the contrary, a state or local agency cannot foreclose to collect delinquent taxes or assessments if foreclosure would impair the federal government interest.

The supremacy clause of the United States Constitution reads as follows: "This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the contrary notwithstanding."

This means that, unless Congress has otherwise provided, if a federal governmental entity owns a parcel that is subject to Special Taxes within Improvement Area 2 but does not pay taxes and assessments levied on the parcel (including Special Taxes), the applicable state and local governments cannot foreclose on the parcel to collect the delinquent taxes and assessments.

Moreover, unless Congress has otherwise provided, if the federal government has a mortgage interest in the parcel and Improvement Area 2 wishes to foreclose on the parcel as a result of delinquent Special Taxes, the property cannot be sold at a foreclosure sale unless it can be sold for an amount sufficient to pay delinquent taxes and assessments on parity with the Special Taxes and preserve the federal government's mortgage interest. In *Rust v. Johnson* (9th Circuit; 1979) 597 F.2d 174, the United States Court of Appeal, Ninth Circuit held that the Federal National Mortgage Association ("**FNMA**") is a federal instrumentality for purposes of this doctrine, and not a private entity, and that, as a result, an exercise of state power over a mortgage interest held by FNMA constitutes an exercise of state power over property of the United States.

No Acceleration Provisions

The Bonds do not contain a provision allowing for their acceleration in the event of a payment default or other default under the terms of the Bonds or the Fiscal Agent Agreement. Under the Fiscal Agent Agreement, a Bondowner is given the right for the equal benefit and protection of all Bondowners similarly situated to pursue certain remedies. So long as the Bonds are in book-entry form, DTC will be the sole Bondowner and will be entitled to exercise all rights and remedies of Bond holders, in accordance with its procedures and rules.

Loss of Tax Exemption

As discussed under the caption "TAX MATTERS," interest on the Bonds might become includable in gross income for purposes of federal income taxation retroactive to the date the Bonds were issued as a result of future acts or omissions of the City in violation of its covenants in the Fiscal Agent Agreement. The Fiscal Agent Agreement does not contain a special redemption feature triggered by the occurrence of an event of taxability. As a result, if interest on the Bonds were to become includable in gross income for purposes of federal income taxation, the Bonds would continue to remain outstanding until maturity unless earlier redeemed pursuant to optional redemption, mandatory sinking fund redemption or special mandatory redemption upon prepayment of the Special Taxes.

IRS Audit of Tax-Exempt Bond Issues

The Internal Revenue Service (the "**IRS**") has initiated an expanded program for the auditing of tax-exempt bond issues, including both random and targeted audits. It is possible that the Bonds will be selected for audit by the IRS. It is also possible that the market value of such Bonds might be affected as a result of such an audit of such Bonds (or by an audit of similar bonds or securities).

Voter Initiatives

From time to time, initiative measures qualify for the State ballot pursuant to the State's constitutional initiative process and those measures could be adopted by State voters. The adoption of any such initiative might place limitations on the ability of the State, the City, the County or other local districts to increase revenues or to increase appropriations or on the ability of the landowners to complete the development of Improvement Area 2. See "– Property Values and Property Development" above.

Under the State Constitution, the power of initiative is reserved to the voters for the purpose of enacting statutes and constitutional amendments. Since 1978, the voters have exercised this power through the adoption of Proposition 13 and similar measures, including Proposition 218, which was approved in the general election held on November 5, 1996, and Proposition 26, which was approved on November 2, 2010.

Any such initiative may affect the collection of fees, taxes and other types of revenue by local agencies such as the City. Subject to overriding federal constitutional principles, such collection may be materially and adversely affected by voter-approved initiatives, possibly to the extent of creating cash-flow problems in the payment of outstanding obligations such as the Special Tax Bonds.

Proposition 218—Voter Approval for Local Government Taxes—Limitation on Fees, Assessments, and Charges—Initiative Constitutional Amendment, added Articles XIIIC and XIIID to the State Constitution, imposing certain vote requirements and other limitations on the imposition of new or increased taxes, assessments and property-related fees and charges.

On November 2, 2010, State voters approved Proposition 26, entitled the "Supermajority Vote to Pass New Taxes and Fees Act". Section 1 of Proposition 26 declares that Proposition 26 is intended to limit the ability of the State Legislature and local government to circumvent existing restrictions on increasing taxes by defining the new or expanded taxes as "fees." Proposition 26 amended Articles XIIIA and XIIIC of the State Constitution. The amendments to Article XIIIA limit the ability of the State Legislature to impose higher taxes (as defined in Proposition 26) without a two-thirds vote of the Legislature. Article XIIIC requires that all new local taxes be submitted to the electorate before they become effective. Taxes for general governmental purposes require a majority vote and taxes for specific purposes ("special taxes") require a two-thirds vote.

The Special Taxes and the Bonds were each authorized by not less than a two-thirds vote of the landowners within Improvement Area 2 who constituted the qualified electors at the time of such voted authorization. The District believes, therefore, that issuance of the Bonds does not require the conduct of further proceedings under the Act, Proposition 218 or Proposition 26.

Like their antecedents, Proposition 218 and Proposition 26 are likely to undergo both judicial and legislative scrutiny before the impact on Improvement Area 2 can be determined. Certain provisions of Proposition 218 and Proposition 26 may be examined by the courts for their constitutionality under both State and federal constitutional law, the outcome of which cannot be predicted.

Case Law Related to the Mello-Roos Act

On August 1, 2014, the California Court of Appeal, Fourth Appellate District, issued its opinion in *City of San Diego v. Melvin Shapiro, et al.* (D063997). The case involved a Convention Center Facilities District (the "**CCFD**") established by the City of San Diego. The CCFD is a financing district established under San Diego's city charter (the "**Charter**") and was intended to function much like a community facilities district established under the Act. The CCFD was comprised of all of the real property in the entire city. However, the CCFD special tax was to be levied only on properties in the CCFD that were improved with a hotel.

At the election to authorize the CCFD special tax, the CCFD proceedings limited the electorate to owners of hotel properties and lessees of real property owned by a governmental entity on which a hotel was located. Registered voters in the City of San Diego were not permitted to vote. This definition of the qualified electors of the CCFD was based on Section 53326(c) of the Act, which generally provides that, if a special tax will not be apportioned in any tax year on residential property, the legislative body may provide that the vote shall be by the landowners of the proposed community facilities district whose property would be subject to the special tax. The *San Diego* Court held that the CCFD special tax election did not comply with its Charter and with applicable provisions of the State Constitution -- specifically Article XIIIA, section 4 ("Cities, Counties and special districts, by a two-thirds vote of the qualified electors of such district, may impose special taxes on such district . . .") and Article XIIIC, section 2(d) ("No local government may impose, extend, or increase any special tax unless and until that tax is submitted to the electorate and approved by a two-thirds vote.") -- because the electors in the CCFD election should have been the registered voters residing within the CCFD (the boundaries of which were coterminous with the boundaries of the City of San Diego).

As to Improvement Area 2, there were no registered voters within Improvement Area 2 at the time of the election to authorize the Special Taxes. Significantly, the *San Diego* Court expressly stated that it was not addressing the validity of a landowner election to impose special taxes on property pursuant to the Act in situations where there are fewer than 12 registered voters. Therefore, by its terms, the *San Diego* Court's holding does not apply to the special tax election in Improvement Area 2. Moreover, Sections 53341 and 53359 of the Act establish a limited period of time in which special taxes levied under the Act may be challenged by a third party, which time period has now passed.

COVID-19

The spread of the COVID-19 coronavirus pandemic, and responses intended to slow its spread, are likely to result in negative impacts to the homebuilding operations and sales of homes within Improvement Area 2. There can be no assurances that the spread of the virus and the related shelter in place order and social distancing requirements currently imposed by the State of California, or other State or local mandates and/or other responses intended to slow its spread will not materially adversely impact the pace of sales of lots or homes or the willingness of owners of land in Improvement Area 2, including the Master Developer, the Merchant Builders or individual homeowners, to pay the Special Taxes securing the Bonds. In addition, no assurance can be given that the property tax payment dates will not be deferred in the future, which may cause a delay in the receipt of Net Taxes by the City for the payment of the Bonds. Finally, stock and municipal bond markets in the U.S. and globally have seen significant volatility attributed to coronavirus concerns; there can be no assurances that these or other concerns that emerge later will not materially adversely impact the secondary market for the Bonds.

TAX MATTERS

Federal Tax Status. In the opinion of Jones Hall, A Professional Law Corporation, San Francisco, California, Bond Counsel, subject, however to the qualifications set forth below, under existing law, the interest on the Bonds is excluded from gross income for federal income tax purposes and such interest is not an item of tax preference for purposes of the federal alternative minimum tax.

The opinions set forth in the preceding paragraph are subject to the condition that the City comply with all requirements of the Internal Revenue Code of 1986, as amended (the "**Tax Code**") that must be satisfied subsequent to the issuance of the Bonds in order that the interest thereon be, and continue to be, excludable from gross income for federal income tax purposes. The City has made certain representations and covenants in order to comply with each such requirement. Inaccuracy of those representations, or failure to comply with certain of those covenants, may cause the inclusion of such interest in gross income for federal income tax purposes, which may be retroactive to the date of issuance of the Bonds.

Tax Treatment of Original Issue Discount and Premium. If the initial offering price to the public at which a Bond is sold is less than the amount payable at maturity thereof, then such difference constitutes "original issue discount" for purposes of federal income taxes and State of California personal income taxes. If the initial offering price to the public at which a Bond is sold is greater than the amount payable at maturity thereof, then such difference constitutes "original issue premium" for purposes of federal income taxes and State of California personal income taxes. *De minimis* original issue discount and original issue premium are disregarded.

Under the Tax Code, original issue discount is treated as interest excluded from federal gross income and exempt from State of California personal income taxes to the extent properly allocable to each owner thereof subject to the limitations described in the first paragraph of this section. The original issue discount accrues over the term to maturity of the Bond on the basis of a constant interest rate compounded on each interest or principal payment date (with straight-line interpolations between compounding dates). The amount of original issue discount accruing during each period is added to the adjusted basis of such Bonds to determine taxable gain upon disposition (including sale, redemption, or payment on maturity) of such Bond. The Tax Code contains certain provisions relating to the accrual of original issue discount in the case of purchasers of the Bonds who purchase the Bonds after the initial offering of a substantial amount of such maturity. Owners of such Bonds should consult their own tax advisors with respect to the tax consequences of ownership of Bonds with original issue discount, including the treatment of purchasers who do not purchase in the original offering to the public at the first price at which a substantial amount of such Bonds is sold to the public.

Under the Tax Code, original issue premium is amortized on an annual basis over the term of the Bond (said term being the shorter of the Bond's maturity date or its call date). The amount of original issue premium amortized each year reduces the adjusted basis of the owner of the Bond for purposes of determining taxable gain or loss upon disposition. The amount of original issue premium on a Bond is amortized each year over the term to maturity of the Bond on the basis of a constant interest rate compounded on each interest or principal payment date (with straight-line interpolations between compounding dates). Amortized Bond premium is not deductible for federal income tax purposes. Owners of premium Bonds, including purchasers who do not purchase in the original offering, should consult their own tax advisors with respect

to State of California personal income tax and federal income tax consequences of owning such Bonds.

California Tax Status. In the further opinion of Bond Counsel, interest on the Bonds is exempt from California personal income taxes.

Other Tax Considerations. Current and future legislative proposals, if enacted into law, clarification of the Tax Code or court decisions may cause interest on the Bonds to be subject, directly or indirectly, to federal income taxation or to be subject to or exempted from state income taxation, or otherwise prevent beneficial owners from realizing the full current benefit of the tax status of such interest. The introduction or enactment of any such legislative proposals, clarification of the Tax Code or court decisions may also affect the market price for, or marketability of, the Bonds. It cannot be predicted whether or in what form any such proposal might be enacted or whether, if enacted, such legislation would apply to bonds issued prior to enactment.

The opinions expressed by Bond Counsel are based upon existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of such opinion, and Bond Counsel has expressed no opinion with respect to any proposed legislation or as to the tax treatment of interest on the Bonds, or as to the consequences of owning or receiving interest on the Bonds, as of any future date. Prospective purchasers of the Bonds should consult their own tax advisors regarding any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

Owners of the Bonds should also be aware that the ownership or disposition of, or the accrual or receipt of interest on, the Bonds may have federal or state tax consequences other than as described above. Other than as expressly described above, Bond Counsel expresses no opinion regarding other federal or state tax consequences arising with respect to the Bonds, the ownership, sale or disposition of the Bonds, or the amount, accrual or receipt of interest on the Bonds.

LEGAL MATTERS

Legal Opinion

The legal opinion of Jones Hall, A Professional Law Corporation, San Francisco, California, Bond Counsel, approving the validity of the Bonds will be made available to purchasers at the time of original delivery and is attached in substantially final form as APPENDIX E.

Jones Hall, A Professional Law Corporation, San Francisco, California, is also serving as Disclosure Counsel to the City. The City Attorney will pass upon certain legal matters for the City. Kutak Rock LLP, San Francisco, California will pass upon certain legal matters for the Underwriter as counsel to the Underwriter.

No Litigation

At the time of delivery of and payment for the Bonds, the City Attorney will deliver his opinion that to the best of its knowledge there is no action, suit, proceeding, inquiry or investigation at law or in equity before or by any court or regulatory agency pending against the

City affecting its existence or the titles of its officers to office or seeking to restrain or to enjoin the issuance, sale or delivery of the Bonds, the application of the proceeds thereof in accordance with the Fiscal Agent Agreement, or the collection or application of the Special Tax to pay the principal of and interest on the Bonds, or in any way contesting or affecting the validity or enforceability of the Bonds, the Fiscal Agent Agreement or any action of the City contemplated by any of said documents, or in any way contesting the completeness or accuracy of this Official Statement or any amendment or supplement thereto, or contesting the powers of the City or its authority with respect to the Bonds or any action of the City contemplated by any of said documents.

CONTINUING DISCLOSURE

The City

The City will covenant for the benefit of owners of the Bonds to provide certain financial information and operating data relating to Improvement Area 2 (the "**City Annual Report**") by not later than March 31 following the end of the City's fiscal year, commencing March 31, 2023, with the report for the fiscal year ending June 30, 2022, and to provide notices of the occurrence of certain listed events ("**Notice Events**"). These covenants have been made in order to assist the Underwriter in complying with Securities Exchange Commission Rule 15c2-12(b)(5), as amended (the "**Rule**"). The specific nature of the information to be contained in the Annual Report or the notices of listed events is set forth in APPENDIX F.

In the preceding five years, the City failed to timely comply in certain respects with its previous undertakings with regard to the Rule to provide annual reports, adopted budgets, or notices of Notice Events, and in some instances, information was not associated with the correct CUSIP number. In addition, on occasions during the last five years the City failed to provide its audited or unaudited financial statements in the time required by its continuing disclosure undertakings and failure to file notices were not filed. [Underwriter to confirm]

Richmond American Homes

Richmond American Homes will also agree for the benefit of the owners of the Bonds in a Continuing Disclosure Certificate to provide certain semi-annual information on March 31 and September 30 of each year (each, a "**Developer Semi-Annual Report**"), and notice of the occurrence of certain events with respect to itself and the property it owns in Improvement Area 2. The complete text of the Continuing Disclosure Certificate of Richmond American Homes is set forth in APPENDIX F.

Richmond American Homes' obligation to provide the Developer Semi-Annual Reports and listed event disclosure will terminate when the Richmond American Homes and its affiliates, including successor thereto, own parcels in Improvement Area 2 that are subject to less than 20% of the annual Special Tax levy.

Meritage Homes

Meritage Homes will also agree for the benefit of the owners of the Bonds in a Continuing Disclosure Certificate to provide a Developer Semi-Annual Report on March 31 and September 30 of each year, and notice of the occurrence of certain events with respect to itself and the property it owns in Improvement Area 2. The complete text of the Continuing Disclosure Certificate of Meritage Homes is set forth in APPENDIX F.

Meritage Homes' obligation to provide the Developer Semi-Annual Reports and listed event disclosure will terminate when the Meritage Homes and its affiliates, including successor thereto, own parcels in Improvement Area 2 that are subject to less than 20% of the annual Special Tax levy.

NO RATINGS

The City has not applied to a rating agency for the assignment of a rating to the Bonds and does not contemplate applying for a rating.

UNDERWRITING

The Bonds are being purchased by Oppenheimer & Co. Inc. as underwriter (the "**Underwriter**"), at a purchase price of $_____, which represents the aggregate principal amount of the Bonds ($_____) less an Underwriter's discount of $_____ and [less/ plus] an original issue [discount/premium] of $_____.

The purchase agreement relating to the Bonds provides that the Underwriter will purchase all of the Bonds, if any are purchased, the obligation to make such purchase being subject to certain terms and conditions set forth in such purchase agreement.

The Underwriter may offer and sell the Bonds to certain dealers and others at prices lower than the offering prices stated on the inside cover page hereof. The offering prices may be changed from time to time by the Underwriter.

MUNICIPAL ADVISORS

KNN Public Finance of Berkeley, California is serving as municipal advisor to the City in connection with the offering of the Bonds. Del Rio Advisors, LLC of Modesto, California, serves as the City's independent registered municipal advisor. All financial and other information presented in this Official Statement has been provided by the City and others from their records. Unless otherwise footnoted, neither KNN Public Finance nor Del Rio Advisors, LLC takes responsibility for the accuracy or completeness of any data provided by the City or others and neither firm has undertaken to make an independent verification and neither firm assumes responsibility for the accuracy, completeness, or fairness of the information contained in this Official Statement. KNN Public Finance has assisted the City with the structure, timing and terms for the sale of the Bonds. Each municipal advisor firm provides municipal advisory services only and does not engage in the underwriting, marketing, or trading of municipal securities or other negotiable instruments. The fees of KNN Public Finance are contingent upon the successful closing of the Bonds.

EXECUTION

The execution and delivery of the Official Statement by the City has been duly authorized by the City Council, acting as the legislative body of the District.

RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAX

APPENDIX B

THE APPRAISAL

APPENDIX C

THE ABSORPTION REPORT

APPENDIX D

SAN JOAQUIN COUNTY AND CITY OF STOCKTON DEMOGRAPHIC INFORMATION

*Improvement Area 2 of the District is located in the City of Stockton (the "**City**"), which is located in the center of San Joaquin County (the "**County**"), California (the "**State**"). Certain financial and economic data for the City, County and State are presented in this appendix for information purposes only. The Bonds are not a debt or obligation of the City, County or State, but are a limited obligation of the City secured solely by the Net Taxes generated in Improvement Area 2 and certain other funds held pursuant to the Fiscal Agent Agreement, all as described in more detail in this Official Statement.*

General

The City is situated amidst the farmland of California's San Joaquin Valley, a subregion of the Central Valley, whose boundaries encompass 64.8 square miles of waterways, which make up the California Delta. The City is located 78 miles east of the San Francisco Bay area, 345 miles north of San Francisco and 45 miles south of Sacramento. The Stockton Metropolitan Statistical Area, which encompasses the entire County, covers approximately 1,400 square miles.

The City was founded by Captain Charles Maria Weber in 1849 after he acquired Rancho de los Franceses and is named after Robert F. Stockton and was the first community in State to not have a name of Spanish or Native American origin. The City is located on the San Joaquin River in northern San Joaquin Valley. With 322,489 people, Stockton is the 13th largest city in California and the 63rd largest city in the United States. According to the United States Census Bureau, the city occupies a total area of 64.8 square miles, of which 61.7 square miles is land and 3.1 square miles (4.76%) is water. The City is a municipal corporation and a charter city, duly organized and existing under the constitution and laws of the State.

Stockton is the largest inland seaport in California. Since the California Gold Rush, it has served as a gateway to the Central Valley. It provided easy access for trade and transportation to the southern gold mines. It has been the location of the oldest chartered university in California, University of the Pacific, since 1923. Historically an agricultural community, Stockton's economy has since diversified into other industries, which include telecommunications and manufacturing. Stockton's central location, relative to both San Francisco, and Sacramento, as well as its proximity to the state and interstate freeway system, together with its comparatively inexpensive land costs, have prompted several companies to base their regional operations in the City.

Population

Population figures for the City, the County and the State for the last five years are shown in the following table.

CITY OF STOCKTON, SAN JOAQUIN COUNTY AND THE STATE OF CALIFORNIA
Population Estimates
Calendar Years 2018 through 2022 as of January 1

Calendar Year	City of Stockton	San Joaquin County	State of California
2018	315,099	752,958	39,519,535
2019	317,356	764,373	39,605,361
2020	323,456	779,233	39,538,223
2021	323,884	782,372	39,303,157
2022	322,489	784,298	39,185,605

Employment and Industry

The Community Facilities District is included in the Stockton Metropolitan Statistical Area ("**MSA**"), which includes all of San Joaquin County. The unemployment rate in the San Joaquin County was 5.7 percent in March 2022, down from a revised 6.6 percent in February 2022, and below the year-ago estimate of 10.2 percent. This compares with an unadjusted unemployment rate of 4.2 percent for California and 3.8 percent for the nation during the same period.

Set forth below is data from calendar years 2017 to 2021 reflecting the County's civilian labor force, employment and unemployment. These figures are county-wide statistics and may not necessarily accurately reflect employment trends in the Community Facilities District.

STOCKTON-LODI MSA
(San Joaquin County)
Annual Average Labor Force and Employment by Industry
Calendar Years 2017 through 2021
(March 2021 Benchmark)

	2017	2018	2019	2020	2021

Effective Buying Income

"Effective Buying Income" is defined as personal income less personal tax and nontax payments, a number often referred to as "disposable" or "after-tax" income. Personal income is the aggregate of wages and salaries, other labor-related income (such as employer contributions to private pension funds), proprietor's income, rental income (which includes imputed rental income of owner-occupants of non-farm dwellings), dividends paid by corporations, interest income from all sources, and transfer payments (such as pensions and welfare assistance). Deducted from this total are personal taxes (federal, state and local), nontax payments (fines, fees, penalties, etc.) and personal contributions to social insurance. According to U.S. government definitions, the resultant figure is commonly known as "disposable personal income."

The following table summarizes the total effective buying income for the City, the County, the State and the United States for the period 2018 through 2022.

CITY OF STOCKTON, SAN JOAQUIN COUNTY AND THE STATE OF CALIFORNIA
Effective Buying Income

Transportation

The City. The City is located on Interstate 5, the West Coast's major route from Canada to Mexico. The City's Crosstown Freeway connects Interstate 5 with State Route 99, the State's other principal north-south freeway. Other freeway connections provide convenient access to the San Francisco Bay area and Reno. Thirty-five major transcontinental truck lines and nearly 200 contract carriers serve the City. The City is also served by Greyhound and the San Joaquin Regional Transit District.

The Port of Stockton, the largest inland deep water seaport in the State, is served by numerous international shipping companies through the Stockton Channel to the San Francisco Bay. The modem port facility handles dry and liquid bulk commodities and general cargo.

The Stockton Metropolitan Airport serves the San Joaquin Valley with passenger and air freight facilities, including regularly scheduled commercial passenger service.

Railroad service is provided to the City by Burlington Northern, Santa Fe and the Union Pacific railroads. Daily passenger service by Amtrak is available to San Francisco, San Francisco and Sacramento.

The County. Major highways in the County include: Interstate 5, Interstate 205, Interstate 580, State Route 99, State Route 4 (Crosstown Freeway/California Delta Highway) and State Route 120. The San Joaquin Regional Transit District provides bus service within the City of Stockton in addition to routes throughout the County and commuter routes to Livermore, Pleasanton, Sacramento and Santa Clara County. Greyhound and Amtrak also provide service. The Stockton Metropolitan Airport serves the San Joaquin Valley with passenger and air freight facilities.

Education

Within the City, there are 4 colleges, Delta College, California State University Stanislaus extension (public), University of the Pacific, and Humphrey's College with a total of approximately 13,250 students. There are 6 high schools, 7 middle schools and 35 elementary schools (17 private).

APPENDIX E

FORM OF OPINION OF BOND COUNSEL

[Closing Date]

City Council
City of Stockton
425 N El Dorado Street
Stockton, California 95202

OPINION: $_____ Improvement Area 2 of the City of Stockton
Community Facilities District No. 2018-2 (Westlake Villages II)
Special Tax Bonds Series 2022

Members of the City Council:

We have acted as bond counsel to the City of Stockton (the "City") in connection with the issuance by the City of its $_____ Improvement Area 2 of the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II) Special Tax Bonds Series 2022 (the "Bonds"), pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, constituting Section 53311, et seq. of the California Government Code (the "Act") and a Fiscal Agent Agreement dated as of July 1, 2022 (the "Fiscal Agent Agreement") by and between the City and U.S. Bank Trust Company, National Association, as fiscal agent. We have examined the law and such certified proceedings and other papers as we deem necessary to render this opinion.

As to questions of fact material to our opinion, we have relied upon representations of the City contained in the Fiscal Agent Agreement, and in the certified proceedings and other certifications of public officials furnished to us, without undertaking to verify the same by independent investigation.

Based upon the foregoing, we are of the opinion, under existing law, as follows:

1. The City is duly created and validly existing as a public body, corporate and politic, with the power to adopt the resolution authorizing the issuance of the Bonds (the "Resolution"), enter into the Fiscal Agent Agreement, and perform the agreements on its part contained therein, and issue the Bonds.

2. The Bonds have been duly authorized, executed and delivered by the City and are valid and binding limited obligations of the City, payable solely from the sources provided therefor in the Fiscal Agent Agreement.

3. The Fiscal Agent Agreement has been duly entered into by the City and constitutes a valid and binding obligation of the City enforceable upon the City.

4. Pursuant to the Act, the Fiscal Agent Agreement creates a valid lien on the funds pledged by the Fiscal Agent Agreement.

5. The interest on the Bonds is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax. The opinion set forth in the preceding sentence is subject to the condition that the City comply with all requirements of the Internal Revenue Code of 1986 that must be satisfied subsequent to the issuance of the Bonds in order that such interest thereon be, or continue to be, excluded from gross income for federal income tax purposes. The City has covenanted to comply with each such requirement. Failure to comply with certain of such requirements may cause the inclusion of interest on the Bonds in gross income for federal income tax purposes to be retroactive to the date of issuance of the Bonds. We express no opinion regarding other federal tax consequences arising with respect to the ownership, sale or disposition of the Bonds, or the amount, accrual or receipt of interest on the Bonds.

6. The interest on the Bonds is exempt from personal income taxation imposed by the State of California.

The rights of the owners of the Bonds and the enforceability of the Bonds, the Resolution and the Fiscal Agent Agreement may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted and may also be subject to the exercise of judicial discretion in appropriate cases.

This opinion is given as of the date hereof, and we assume no obligation to revise or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention, or any changes in law that may hereafter occur. Our engagement with respect to this matter has terminated as of the date hereof.

Respectfully submitted,

A Professional Law Corporation

APPENDIX F

FORM OF CONTINUING DISCLOSURE UNDERTAKINGS

CONTINUING DISCLOSURE CERTIFICATE
(City)

$_____
IMPROVEMENT AREA 2 OF THE CITY OF STOCKTON
COMMUNITY FACILITIES DISTRICT NO. 2018-2
(WESTLAKE VILLAGES II)
SPECIAL TAX BONDS, SERIES 2022

This CONTINUING DISCLOSURE CERTIFICATE (this "Disclosure Certificate"), dated as of July 1, 2022 is executed and delivered by the CITY OF STOCKTON (the "City"), in connection with the execution and delivery of its Improvement Area 2 of the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II) Special Tax Bonds Series 2022 (the "Bonds"). The Bonds are being executed and delivered pursuant to a Fiscal Agent Agreement, dated as of July 1, 2022 (the "Fiscal Agent Agreement"), by and between the City and U.S. Bank Trust Company, National Association, as fiscal agent (the "Fiscal Agent").

The City covenants and agrees as follows:

Section 1. Purpose of the Disclosure Certificate. This Disclosure Certificate is being executed and delivered by the City for the benefit of the holders and beneficial owners of the Bonds and in order to assist the Participating Underwriter in complying with the Rule.

Section 2. Definitions. In addition to the definitions set forth above and in the Fiscal Agent Agreement, which apply to any capitalized term used in this Disclosure Certificate unless otherwise defined herein, the following capitalized terms shall have the following meanings:

"Annual Report" means any Annual Report provided by the City pursuant to, and as described in, Sections 3 and 4 of this Disclosure Certificate.

"Dissemination Agent" means, initially, Willdan Financial Services, or any successor Dissemination Agent designated in writing by the City and which has filed with the City a written acceptance of such designation in accordance with Section 8 of this Disclosure Certificate.

"District" means the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II).

"Improvement Area 2" means Improvement Area 2 of the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II).

"Listed Events" means any of the events listed in Section 5(a) of this Disclosure Certificate.

"MSRB" means the Municipal Securities Rulemaking Board, which has been designated by the Securities and Exchange Commission as the sole repository of disclosure information for purposes of the Rule, or any other repository of disclosure information that may be designated by the Securities and Exchange Commission as such for purposes of the Rule in the future.

"Official Statement" means the final official statement executed by the City in connection with the issuance of the Bonds.

"Participating Underwriter" means Oppenheimer & Co. Inc., as the original underwriter of the Bonds.

"Rule" means Rule 15c2-12(b)(5) adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as it may be amended from time to time.

"Special Taxes" means the special taxes levied on taxable property within Improvement Area 2 that are pledged to repayment of the Bonds.

Section 3. Provision of Annual Reports.

(a) The City shall, or shall cause the Dissemination Agent to, not later than March 31 following the end of the City's Fiscal Year (presently June 30), commencing with the report for the 2021-22 Fiscal Year due March 31, 2023, provide to the MSRB, in an electronic format as prescribed by the MSRB, an Annual Report that is consistent with the requirements of Section 4 of this Disclosure Certificate. Not later than 15 Business Days prior to the Annual Report Date, the City shall provide the Annual Report to the Dissemination Agent (if other than the City). If by 15 Business Days prior to the Annual Report Date the Dissemination Agent (if other than the City) has not received a copy of the Annual Report, the Dissemination Agent shall contact the City to determine if the City is in compliance with the previous sentence. The Annual Report may be submitted as a single document or as separate documents comprising a package, and may include by reference other information as provided in Section 4 of this Disclosure Certificate; provided, that the audited financial statements of the City may be submitted separately from the balance of the Annual Report, and later than the Annual Report Date, if not available by that date. If the City's Fiscal Year changes, it shall give notice of such change in the same manner as for a Listed Event. The City shall provide a written certification with each Annual Report furnished to the Dissemination Agent to the effect that such Annual Report constitutes the Annual Report required to be furnished by the City hereunder.

(b) If the City does not provide (or cause the Dissemination Agent to provide) an Annual Report by the Annual Report Date, the City shall provide (or cause the Dissemination Agent to provide) to the MSRB in a timely manner, in an electronic format as prescribed by the MSRB, a notice in substantially the form attached as Exhibit A to this Disclosure Certificate.

(c) With respect to each Annual Report, the Dissemination Agent shall:

(i) determine prior to each Annual Report Date the then-applicable rules and electronic format prescribed by the MSRB for the filing of annual continuing disclosure reports; and

(ii) if the Dissemination Agent is other than the City, file a report with the City certifying that the Annual Report has been provided pursuant to this Disclosure Certificate, and stating the date it was provided.

Section 4. Content of Annual Reports. The City's Annual Report shall contain or incorporate by reference the following:

(a) The City's audited financial statements prepared in accordance with generally accepted accounting principles as promulgated to apply to governmental entities from time to time by the Governmental Accounting Standards Board. If the City's audited financial statements are not available by the Annual Report Date, the Annual Report shall contain unaudited financial statements in a format similar to the financial statements contained in the Official Statement, and the audited financial statements shall be filed in the same manner as the Annual Report when they become available.

(b) For the report due no later than March 31, 2023 and each Annual Report due thereafter, the following additional information:

(i) A maturity schedule for the outstanding Bonds, and a listing of Bonds, if any, redeemed prior to maturity during the prior Fiscal Year.

(ii) Balance in the Reserve Fund (and any accounts therein), and statement of the Reserve Requirement for the Bonds. Statement of projected reserve fund draw, if any.

(iii) Balance in other funds and accounts held by the City or Fiscal Agent related to the Bonds.

(iv) A table indicating the levy of Special Taxes, amount collected, delinquent amount and percent of Special Tax levy delinquent for the most recent Fiscal Year.

(v) The aggregate assessed value of the properties in Improvement Area 2 for the most recent Fiscal Year.

(vi) Identification of each delinquent property owner in Improvement Area 2 representing more than 5% of the levy of Special Taxes in Improvement Area 2, and the value-to-lien ratios of the corresponding property, together with the following information respecting each such parcel:

(A) the amount delinquent (exclusive of late charges and monthly penalties for reinstatement) and the assessed value of such parcel;

(B) the date of the first delinquency;

(C) the status of any foreclosure action by the City;

(D) in the event a foreclosure complaint has been filed respecting such delinquent parcel and such complaint has not yet been dismissed, the date on which the complaint was filed in the California Superior Court; and

(E) in the event a foreclosure sale has occurred respecting such delinquent parcel, a summary of the results of such foreclosure sale.

(c) Any or all of the items listed above may be included by specific reference to other documents, including official statements of debt issues of the City or related public entities, which are available to the public on the MSRB's Internet web site or filed with the Securities and Exchange Commission. The City shall clearly identify each such other document so included by reference.

Section 5. Reporting of Listed Events.

(a) The City shall give, or cause to be given, notice of the occurrence of any of the following Listed Events with respect to the Bonds:

(1) Principal and interest payment delinquencies.
(2) Non-payment related defaults, if material.
(3) Unscheduled draws on debt service reserves reflecting financial difficulties.
(4) Unscheduled draws on credit enhancements reflecting financial difficulties.
(5) Substitution of credit or liquidity providers, or their failure to perform.
(6) Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the security, or other material events affecting the tax status of the security.
(7) Modifications to rights of security holders, if material.
(8) Bond calls, if material, and tender offers.
(9) Defeasances.
(10) Release, substitution, or sale of property securing repayment of the securities, if material.
(11) Rating changes.

(12) Bankruptcy, insolvency, receivership or similar event of the City or other obligated person.
(13) The consummation of a merger, consolidation, or acquisition involving the City or an obligated person, or the sale of all or substantially all of the assets of the City or an obligated person (other than in the ordinary course of business), the entry into a definitive agreement to undertake such an action, or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material.
(14) Appointment of a successor or additional fiscal agent or the change of name of the fiscal agent, if material.
(15) Incurrence of a financial obligation of the City, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a financial obligation of the City, any of which affect security holders, if material (for the definition of financial obligation, see clause (e)).
(16) Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a financial obligation of the

City, any of which reflect financial difficulties (for the definition of financial obligation, see clause (e)).

(b) Whenever the City obtains knowledge of the occurrence of a Listed Event, the City shall, or shall cause the Dissemination Agent (if not the City) to, file a notice of such occurrence with the MSRB, in an electronic format as prescribed by the MSRB, in a timely manner not in excess of 10 business days after the occurrence of the Listed Event.

(c) The City acknowledges that the events described in subparagraphs (a)(2), (a)(7), (a)(8) (if the event is a bond call), (a)(10), (a)(13), (a)(14) and (a)(15) of this Section 5 contain the qualifier "if material" and that subparagraph (a)(6) also contains the qualifier "material" with respect to certain notices, determinations or other events affecting the tax status of the Bonds. The City shall cause a notice to be filed as set forth in paragraph (b) above with respect to any such event only to the extent that it determines the event's occurrence is material for purposes of U.S. federal securities law. Whenever the City obtains knowledge of the occurrence of any of these Listed Events, the City will as soon as possible determine if such event would be material under applicable federal securities law. If such event is determined to be material, the City will cause a notice to be filed as set forth in paragraph (b) above.

(d) For purposes of this Disclosure Certificate, any event described in paragraph (a)(12) above is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the City in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the City, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the City.

(e) For purposes of Section 5(a)(15) and (16), "financial obligation" means a (i) debt obligation; (ii) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (iii) guarantee of (i) or (ii). The term financial obligation shall not include municipal securities as to which a final official statement has been provided to the MSRB consistent with the Rule.

Section 6. Identifying Information for Filings with the MSRB. All documents provided to the MSRB pursuant to this Disclosure Certificate shall be accompanied by identifying information as prescribed by the MSRB.

Section 7. Termination of Reporting Obligation. The City's obligations under this Disclosure Certificate shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds. If such termination occurs prior to the final maturity of the Bonds, the City shall give notice of such termination in the same manner as for a Listed Event under Section 5(b).

Section 8. Dissemination Agent. The City may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Disclosure Certificate, and may discharge any Dissemination Agent, with or without appointing a successor

Dissemination Agent. Any Dissemination Agent may resign by providing 30 days' written notice to the City.

Section 9. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Certificate, the City may amend this Disclosure Certificate, and any provision of this Disclosure Certificate may be waived, provided that the following conditions are satisfied:

(a) if the amendment or waiver relates to the provisions of Sections 3(a), 4 or 5(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature, or status of an obligated person with respect to the Bonds, or type of business conducted; and

(b) the proposed amendment or waiver either (i) is approved by holders of the Bonds in the manner provided in the Fiscal Agent Agreement for amendments to the Fiscal Agent Agreement with the consent of holders, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the holders or beneficial owners of the Bonds.

If the annual financial information or operating data to be provided in the Annual Report is amended pursuant to the provisions hereof, the first Annual Report filed pursuant hereto containing the amended operating data or financial information shall explain, in narrative form, the reasons for the amendment and the impact of the change in the type of operating data or financial information being provided.

If an amendment is made to this Disclosure Certificate modifying the accounting principles to be followed in preparing financial statements, the Annual Report for the year in which the change is made shall present a comparison between the financial statements or information prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. The comparison shall include a qualitative discussion of the differences in the accounting principles and the impact of the change in the accounting principles on the presentation of the financial information, in order to provide information to investors to enable them to evaluate the ability of the City to meet its obligations. To the extent reasonably feasible, the comparison shall be quantitative.

A notice of any amendment made pursuant to this Section 9 shall be filed in the same manner as for a Listed Event under Section 5(b).

Section 10. Additional Information. Nothing in this Disclosure Certificate shall be deemed to prevent the City from disseminating any other information, using the means of dissemination set forth in this Disclosure Certificate or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Certificate. If the City chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Certificate, the City shall have no obligation under this Disclosure Certificate to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

Section 11. Default. If the City fails to comply with any provision of this Disclosure Certificate, the Participating Underwriter or any holder or beneficial owner of the Bonds may take such actions as may be necessary and appropriate, including seeking mandate or

specific performance by court order, to cause the City to comply with its obligations under this Disclosure Certificate. A default under this Disclosure Certificate shall not be deemed an Event of Default under the Fiscal Agent Agreement, and the sole remedy under this Disclosure Certificate in the event of any failure of the City to comply with this Disclosure Certificate shall be an action to compel performance.

Section 12. Duties, Immunities and Liabilities of Dissemination Agent.

(a) The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Certificate, and the City agrees to indemnify and save harmless the Dissemination Agent, its officers, directors, employees and agents (each, an "Indemnified Party"), against any loss, expense and liability which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the reasonable costs and expenses (including reasonable attorneys' fees) of defending against any claim of liability, but excluding losses, liabilities, costs and expenses due to an Indemnified Party's negligence, willful misconduct or failure to perform its duties hereunder. The Dissemination Agent shall have no duty or obligation to review any information provided to it by the City hereunder, and shall not be deemed to be acting in any fiduciary capacity for the City, the holders and beneficial owners from time to time of the Bonds or any other party. The obligations of the City under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Bonds.

(b) The Dissemination Agent shall be paid compensation by the City for its services provided hereunder in accordance with its schedule of fees as amended from time to time, and shall be reimbursed for all reasonable and documented expenses, legal fees and advances made or incurred by the Dissemination Agent in the performance of its duties hereunder.

Section 13. Notices. Any notice or communications required to be given to the Dissemination Agent, the City or the Participating Underwriter may be given as follows:

To the Dissemination Agent:	Willdan Financial Services 27368 Via Industria, Suite 200 Temecula, California 92590
To the City:	City of Stockton 425 N. El Dorado Street Stockton, California 95202 Attn: Chief Financial Officer
To the Participating Underwriter:	Oppenheimer & Co. Inc. 580 California Street, Suite 2300 San Francisco, California 94104

Any person may, by written notice to the other persons listed above, designate a different address to which subsequent notices or communications should be sent.

Section 13. Beneficiaries. This Disclosure Certificate shall inure solely to the benefit of the City, the Dissemination Agent, the Participating Underwriter and the holders and beneficial owners from time to time of the Bonds, and shall create no rights in any other person or entity.

Section 14. Counterparts. This Disclosure Certificate may be executed in several counterparts, each of which shall be regarded as an original, and all of which shall constitute one and the same instrument.

IN WITNESS WHEREOF, the parties hereto have executed this Disclosure Certificate as of the date first above written.

FORM OF CONTINUING DISCLOSURE CERTIFICATE
(Merchant Builder)

$_____
IMPROVEMENT AREA 2 OF THE CITY OF STOCKTON
COMMUNITY FACILITIES DISTRICT NO. 2018-2
(WESTLAKE VILLAGES II)
SPECIAL TAX BONDS, SERIES 2022

THIS CONTINUING DISCLOSURE CERTIFICATE (the "Disclosure Certificate") dated as of July 1, 2022, is executed by _____ (the "Developer") in connection with the execution and delivery by the City of Stockton (the "City") of its City of Stockton Improvement Area 2 of the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II) Special Tax Bonds Series 2022 (the "Bonds"). The Bonds are being executed and delivered pursuant to a Fiscal Agent Agreement, dated as of July 1, 2022 (the "Fiscal Agent Agreement"), by and between the City and U.S. Bank Trust Company, National Association, as fiscal agent (the "Fiscal Agent").

The Developer covenants and agrees as follows:

Section 1. Purpose of the Disclosure Certificate. This Disclosure Certificate is being executed and delivered by the Developer for the benefit of the holders and beneficial owners of the Bonds.

Section 2. Definitions. In addition to the definitions set forth above and in the Fiscal Agent Agreement, which apply to any capitalized term used in this Disclosure Certificate unless otherwise defined in this Section, the following capitalized terms shall have the following meanings:

"Affiliate" of another Person means (a) a Person directly or indirectly owning, controlling, or holding with power to vote, 5% or more of the outstanding voting securities of such other Person, (b) any Person, 5% or more of whose outstanding voting securities are directly or indirectly owned, controlled, or held with power to vote, by such other Person, and (c) any Person directly or indirectly controlling, controlled by, or under common control with, such other Person. For purposes hereof, control means the power to exercise a controlling influence over the management or policies of a Person, unless such power is solely the result of an official position with such Person.

"Assumption Agreement" means an undertaking of a Major Owner, or an Affiliate thereof, for the benefit of the holders and beneficial owners of the Bonds containing terms substantially similar to this Disclosure Certificate (as modified for such Major Owner's development and financing plans with respect to Improvement Area 2), whereby such Major Owner or Affiliate agrees to provide periodic reports and notices of significant events, setting forth the information described in sections 4 and 5 hereof, respectively, with respect to the portion of the property in Improvement Area 2 owned by such Major Owner and its Affiliates and, at the option of the Developer or such Major Owner, agrees to indemnify the Dissemination Agent (if any) pursuant to a provision substantially in the form of Section 11 hereof.

"Dissemination Agent" means _____, or any successor Dissemination Agent designated in writing by the Developer, and which has filed with the Developer, the City and the Fiscal Agent a written acceptance of such designation, and which is experienced in providing dissemination agent services such as those required under this Disclosure Certificate.

"District" means the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II).

"Improvement Area 2" means Improvement Area 2 of the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II).

"Listed Events" means any of the events listed in Section 5(a) of this Disclosure Certificate.

"Major Owner" means, as of any Report Date, an owner of land in Improvement Area 2 that is responsible in the aggregate for 20% or more of the Special Taxes in Improvement Area 2 anticipated to be levied at any time during the then-current fiscal year.

"MSRB" means the Municipal Securities Rulemaking Board, which has been designated by the Securities and Exchange Commission as the sole repository of disclosure information for purposes of the Rule, or any other repository of disclosure information that may be designated by the Securities and Exchange Commission as such for purposes of the Rule in the future.

"Official Statement" means the final official statement executed by the City in connection with the issuance of the Bonds.

"Participating Underwriter" means Oppenheimer & Co. Inc., the original Underwriter of the Bonds.

"Periodic Report" means any Periodic Report provided by the Developer pursuant to, and as described in, Sections 3 and 4 of this Disclosure Certificate.

"Person" means an individual, a corporation, a partnership, a limited liability company, an association, a joint stock company, a trust, any unincorporated organization or a government or political subdivision thereof.

"Property" means the property owned by the Developer or an Affiliate in Improvement Area 2.

"Report Date" means March 31 and September 30 of each fiscal year.

"Rule" means Rule 15c2-12(b)(5) adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as the same may be amended from time to time.

"Special Taxes" means the special taxes levied on taxable property within Improvement Area that are pledged to repayment of the Bonds.

Section 3. Provision of Periodic Reports.

(a) The Developer shall, or, upon written direction of the Developer the Dissemination Agent shall, not later than each Report Date, commencing March 31, 2023, file or cause to be filed with the MSRB a Periodic Report which is consistent with the requirements of Section 4 of this Disclosure Certificate with a copy to the Fiscal Agent (if different from the Dissemination Agent), the Participating Underwriter and the City. Not later than 15 calendar days prior to the Report Date, the Developer shall provide the Periodic Report to the Dissemination Agent (if different from the Developer). The Developer shall provide a written certification with (or included as a part of) each Periodic Report furnished to the Dissemination Agent (if different from the Developer), the Fiscal Agent (if different from the Dissemination Agent), the Participating Underwriter and the City to the effect that such Periodic Report constitutes the Periodic Report required to be furnished by it under this Disclosure Certificate. The Dissemination Agent, the Fiscal Agent, the Participating Underwriter and the City may conclusively rely upon such certification of the Developer and shall have no duty or obligation to review the Periodic Report. The Periodic Report may be submitted as a single document or as separate documents comprising a package, and may incorporate by reference other information as provided in Section 4 of this Disclosure Certificate.

(b) If the Dissemination Agent does not receive a Periodic Report by 15 calendar days prior to the Report Date, the Dissemination Agent shall send a reminder notice to the Developer that the Periodic Report has not been provided as required under Section 3(a) above. The reminder notice shall instruct the Developer to determine whether its obligations under this Disclosure Certificate have terminated (pursuant to Section 6 below) and, if so, to provide the Dissemination Agent with a notice of such termination in the same manner as for a Listed Event (pursuant to Section 5 below). If the Developer does not provide, or cause the Dissemination Agent to provide, a Periodic Report to the MSRB by the Report Date as required in subsection (a) above, the Dissemination Agent shall send a notice in a timely manner to the MSRB in substantially the form attached hereto as Exhibit A, with a copy to the Fiscal Agent (if other than the Dissemination Agent), the City and the Participating Underwriter.

(c) With respect to the Periodic Report, the Dissemination Agent shall, to the extent the Periodic Report has been furnished to it, file the Periodic Report with the MSRB and file a report with the Developer (if the Dissemination Agent is other than the Developer), the City and the Participating Underwriter certifying that the Periodic Report has been provided pursuant to this Disclosure Certificate, stating the date it was provided to and filed with the MSRB.

Section 4. Content of Periodic Reports. The Developer's Periodic Report shall contain or incorporate by reference the information set forth in Exhibit B relating to the Developer, any or all of which may be included by specific reference to other documents, including official statements of debt issues of the Developer or related public entities, which have been submitted to the MSRB or the Securities and Exchange Commission. If the document included by reference is a final official statement, it must be available from the MSRB. The Developer shall clearly identify each such other document so included by reference.

In addition to any of the information expressly required to be provided in Exhibit B, the Developer's Periodic Report shall include such further information, if any, as may be

necessary to make the specifically required statements, in the light of the circumstances under which they are made, not misleading.

Section 5. Reporting of Significant Events.

(a) The Developer shall give, or cause to be given, notice of the occurrence of any of the following Listed Events with respect to itself or the Property, if material:

(i) bankruptcy or insolvency proceedings commenced by or against the Developer and, if known, any bankruptcy or insolvency proceedings commenced by or against any Affiliate of the Developer that is reasonably likely to have a significant impact on the Developer's ability to pay Special Taxes or to sell or develop the Property;

(ii) failure to pay any taxes, special taxes (including the Special Taxes) or assessments due with respect to the Property on or prior to the delinquency date;

(iii) filing of a lawsuit of which the Developer is aware against the Developer or an Affiliate seeking damages, which is reasonably likely to have a significant impact on the Developer's ability to pay Special Taxes or to sell or develop the Property;

(iv) material damage to or destruction of any of the improvements on the Property; and

(v) any payment default or other material default by the Developer on any loan with respect to the construction of improvements on the Property.

(b) Whenever the Developer obtains knowledge of the occurrence of a Listed Event, the Developer shall as soon as possible determine if such event would be material under applicable Federal securities law.

(c) If the Developer determines that knowledge of the occurrence of a Listed Event would be material under applicable Federal securities law, the Developer shall, or shall cause the Dissemination Agent to, promptly file a notice of such occurrence with the MSRB, with a copy to the Fiscal Agent, the City and the Participating Underwriter.

Section 6. Duration of Reporting Obligation.

(a) All the Developer's obligations hereunder shall commence on the date hereof and terminate (except as provided in Section 11) on the earliest to occur of the following:

(i) upon the legal defeasance, prior redemption or payment in full of all the Bonds, or

(ii) at such time as the Developer and its affiliates, including successor thereto, own parcels in Improvement Area 2 that are subject to less than 20% of the annual Special Tax levy, or

(iii) the date on which the Developer prepays in full all of the Special Taxes attributable to the Property.

The Developer shall give notice of the termination of its obligations under this Disclosure Certificate in the same manner as for a Listed Event under Section 5.

(b) If a portion of the Property owned by the Developer, or any Affiliate of the Developer, is conveyed to a Person that, upon such conveyance, will be a Major Owner, the obligations of the Developer hereunder with respect to the property in Improvement Area 2 owned by such Major Owner and its Affiliates may be assumed by such Major Owner or by an Affiliate thereof, and if so assumed the Developer's obligations hereunder with respect to such portion of the Property will be terminated. In order to effect such an assumption, such Major Owner or Affiliate shall enter into an Assumption Agreement in form and substance reasonably satisfactory to the City and the Participating Underwriter. If not so assumed, the Developer shall report the information, as applicable to the transferee, required herein so long as the transferee is a Major Owner.

Section 7. Dissemination Agent. The Developer may, from time to time, appoint or engage a Dissemination Agent to assist the Developer in carrying out its obligations under this Disclosure Certificate, and may discharge any such Dissemination Agent, with or without appointing a successor Dissemination Agent. The initial Dissemination Agent shall be the Developer. The Dissemination Agent may resign by providing 30 days' written notice to the City, the Developer and the Participating Underwriter.

Section 8. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Certificate, the Developer may amend this Disclosure Certificate, and any provision of this Disclosure Certificate may be waived, provided that the following conditions are satisfied (provided, however, that the Dissemination Agent shall not be obligated under any such amendment that modifies or increases its duties or obligations hereunder without its written consent thereto):

(a) if the amendment or waiver relates to the provisions of sections 3(a), 4 or 5(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature, or status of an obligated person with respect to the Bonds, or type of business conducted; and

(b) the proposed amendment or waiver either (i) is approved by holders of the Bonds in the manner provided in the Fiscal Agent Agreement, with the consent of holders, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the holders or beneficial owners of the Bonds.

Section 9. Additional Information. Nothing in this Disclosure Certificate shall be deemed to prevent the Developer from disseminating any other information, using the means of dissemination set forth in this Disclosure Certificate or any other means of communication, or including any other information in any Periodic Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Certificate. If the Developer chooses to include any information in any Periodic Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Certificate, the Developer shall have no obligation under this Disclosure Certificate to update such information or include it in any future Periodic Report or notice of occurrence of a Listed Event.

Section 10. Default. In the event of a failure of the Developer to comply with any provision of this Disclosure Certificate, the Fiscal Agent shall (upon written direction and only to the extent indemnified to its satisfaction from any liability, cost or expense, including fees and expenses of its attorneys), and the Participating Underwriter and any holder or beneficial owner of the Bonds may, take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Developer to comply with its obligations under this Disclosure Certificate. A default under this Disclosure Certificate shall not be deemed an Event of Default under the Fiscal Agent Agreement, and the sole and exclusive remedy under this Disclosure Certificate in the event of any failure of the Developer to comply with this Disclosure Certificate shall be an action to compel performance.

Section 11. Duties, Immunities and Liabilities of Dissemination Agent. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Certificate, and the Developer agrees to indemnify and save the Dissemination Agent, its officers, directors, employees and agents (each, an "Indemnified Party"), harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the reasonable costs and expenses (including attorneys' fees) of defending against any claim of liability, but excluding loss, liabilities, costs and expenses due to an Indemnified Party's negligence or willful misconduct or failure to perform its duties hereunder. The Dissemination Agent shall be paid compensation for its services provided hereunder in accordance with its schedule of fees as amended from time to time, which schedule, as amended, shall be reasonably acceptable, and all reasonable expenses, reasonable legal fees and advances made or incurred by the Dissemination Agent in the performance of its duties hereunder. The Dissemination Agent shall have no duty or obligation to review any information provided to it hereunder and shall not be deemed to be acting in any fiduciary capacity for the City, the Developer, the Fiscal Agent, the Bond owners, or any other party. The obligations of the Developer under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Bonds.

Section 12. Notices. Any notice or communications to the Developer, the City, the Dissemination Agent or the Participating Underwriter under this Disclosure Certificate may be given as follows:

To the Developer _____
_____
_____

To the Dissemination Agent: _____
_____
_____

To the City: City of Stockton
425 N. El Dorado Street
Stockton, California 95202
Attn: Chief Financial Officer

To the Participating Underwriter: Oppenheimer & Co. Inc.
580 California Street, Suite 2300
San Francisco, California 94104

Any person may, by written notice to the other persons listed above, designate a different address to which subsequent notices or communications should be sent.

Section 13. Beneficiaries. This Disclosure Certificate shall inure solely to the benefit of the City, the Developer (its successors and assigns), the Fiscal Agent, the Dissemination Agent, the Participating Underwriter and holders and beneficial owners from time to time of the Bonds, and shall create no rights in any other person or entity. All obligations of the Developer hereunder shall be assumed by any legal successor to the obligations of the Developer as a result of a sale, merger, consolidation or other reorganization.

Section 14. Counterparts. This Disclosure Certificate may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

IN WITNESS WHEREOF, the Developer has executed this Disclosure Certificate as of the date first above written.

EXHIBIT B

PERIODIC REPORT

This Periodic Report is hereby submitted under Section 4 of the Continuing Disclosure Certificate (the "Disclosure Certificate") dated July 1, 2022 executed by the undersigned (the "Developer") in connection with the issuance of the above-captioned bonds by the City of Stockton (the "City") with respect to its Improvement Area 2 of the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II).

Capitalized terms used in this Periodic Report but not otherwise defined have the meanings given to them in the Disclosure Certificate.

I. Property Ownership and Development

The information in this section is provided as of _____ (this date must be not more than 30 days before the date of this Periodic Report).

A. Property currently owned by the Developer in Improvement Area 2 (the "Property"):

Development name: _____

Number of lots: _____

B. Status of home construction activities:

_____

_____

C. Status of building permits and any significant amendments to land use or development entitlements:

_____

_____

D. Aggregate property sold, optioned or leased by the Developer to end users or merchant builders:

	Since the Date of Issuance of the Bonds		Since the Last Periodic Report	
Lots	____	Lots	____	

E. Status of any land purchase contracts (other than sales to homeowners) with regard to the Property.

_____

F. Number of Homes in Improvement Area 2 sold and closed to homeowners by the Developer to date: _____

Number of Homes in Improvement Area 2 under contract for sale as of _____, 20__: _____

II. Legal and Financial Status of Developer

Unless such information has previously been included or incorporated by reference in a Periodic Report, describe any change in the legal structure of the Developer or the financial condition and financing plan of the Developer that would materially and adversely interfere with its ability to complete its development plan described in the Official Statement.

_____

_____

III. Change in Development or Financing Plans

Unless such information has previously been included or incorporated by reference in a Periodic Report, describe any development plans or financing plans relating to the Property *that are materially different from* the proposed development and financing plan described in the Official Statement.

_____

_____

IV. Official Statement Updates

Unless such information has previously been included or incorporated by reference in a Periodic Report, describe any other significant changes in the information relating to the Developer or the Property contained in the Official Statement under the heading "OWNERSHIP AND DEVELOPMENT OF PROPERTY WITHIN IMPROVEMENT AREA 2 – [_____]" that would materially and adversely interfere with the Developer's ability to develop and sell the Property as described in the Official Statement.

_____

_____

V. Other Material Information

In addition to any of the information expressly required above, provide such further information, if any, as may be necessary to make the specifically required statements, in the light of the circumstances under which they are made, not misleading.

_____

_____

Certification

The undersigned Developer hereby certifies that this Periodic Report constitutes the Periodic Report required to be furnished by the Developer under the Disclosure Certificate.

ANY STATEMENTS REGARDING THE DEVELOPER, THE DEVELOPMENT OF THE PROPERTY, THE DEVELOPER'S FINANCING PLAN OR FINANCIAL CONDITION, OR THE BONDS, OTHER THAN STATEMENTS MADE BY THE DEVELOPER IN AN OFFICIAL RELEASE, OR FILED WITH THE MUNICIPAL SECURITIES RULEMAKING BOARD, ARE NOT AUTHORIZED BY THE DEVELOPER. THE DEVELOPER IS NOT RESPONSIBLE FOR THE ACCURACY, COMPLETENESS OR FAIRNESS OF ANY SUCH UNAUTHORIZED STATEMENTS.

THE DEVELOPER HAS NO OBLIGATION TO UPDATE THIS PERIODIC REPORT OTHER THAN AS EXPRESSLY PROVIDED IN THE DISCLOSURE CERTIFICATE.

APPENDIX G

DTC AND THE BOOK-ENTRY ONLY SYSTEM

The following description of the Depository Trust Company ("DTC"), the procedures and record keeping with respect to beneficial ownership interests in the Bonds, payment of principal, interest and other payments on the Bonds (herein, the "Securities") to DTC Participants or Beneficial Owners, confirmation and transfer of beneficial ownership interest in the Securities and other related transactions by and between DTC, the DTC Participants and the Beneficial Owners is based solely on information provided by DTC. Accordingly, no representations can be made concerning these matters and neither the DTC Participants nor the Beneficial Owners should rely on the foregoing information with respect to such matters, but should instead confirm the same with DTC or the DTC Participants, as the case may be.

Neither the issuer of the Securities (the "Issuer") nor the trustee, fiscal agent or paying agent appointed with respect to the Securities (the "Agent") takes any responsibility for the information contained in this Appendix.

No assurances can be given that DTC, DTC Participants or Indirect Participants will distribute to the Beneficial Owners (a) payments of interest, principal or premium, if any, with respect to the Securities, (b) certificates representing ownership interest in or other confirmation or ownership interest in the Securities, or (c) redemption or other notices sent to DTC or Cede & Co., its nominee, as the registered owner of the Securities, or that they will so do on a timely basis, or that DTC, DTC Participants or DTC Indirect Participants will act in the manner described in this Appendix. The current "Rules" applicable to DTC are on file with the Securities and Exchange Commission and the current "Procedures" of DTC to be followed in dealing with DTC Participants are on file with DTC.

1. The Depository Trust Company ("DTC") will act as securities depository for the securities (the "Securities"). The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Security certificate will be issued for each issue of the Securities, each in the aggregate principal amount of such issue, and will be deposited with DTC. If, however, the aggregate principal amount of any issue exceeds $500 million, one certificate will be issued with respect to each $500 million of principal amount, and an additional certificate will be issued with respect to any remaining principal amount of such issue.

2. DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and

dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com. *The information contained on this Internet site is not incorporated herein by reference.*

3. Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC's records. The ownership interest of each actual purchaser of each Security ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

4. To facilitate subsequent transfers, all Securities deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Securities with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC's records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Securities may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Securities, such as redemptions, tenders, defaults, and proposed amendments to the Security documents. For example, Beneficial Owners of Securities may wish to ascertain that the nominee holding the Securities for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

6. Redemption notices shall be sent to DTC. If less than all of the Securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

7. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Securities unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).

8. Redemption proceeds, distributions, and dividend payments on the Securities will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from Issuer or Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, Agent, or Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of Issuer or Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

9. DTC may discontinue providing its services as depository with respect to the Securities at any time by giving reasonable notice to Issuer or Agent. Under such circumstances, in the event that a successor depository is not obtained, Security certificates are required to be printed and delivered.

10. Issuer may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered to DTC.

11. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that Issuer believes to be reliable, but Issuer takes no responsibility for the accuracy thereof.

APPENDIX H

SUMMARY OF CERTAIN PROVISIONS OF FISCAL AGENT AGREEMENT

The following contains a brief summary of certain provisions of the Fiscal Agent Agreement not found in the main body of the Official Statement. Investors are hereby directed to obtain a complete copy of the Fiscal Agent Agreement, which is available from the City or the Fiscal Agent upon request.

Certain Definitions

"Act" means the Mello-Roos Community Facilities Act of 1982, as amended, being Sections 53311 *et seq.* of the California Government Code.

"*Administrative Expenses*" means any or all of the following:

(a) the expenses directly related to the administration of Improvement Area 2, including, but not limited to, the costs of computing the Special Taxes and preparing the annual Special Tax collection schedules (whether by the City or a designee thereof or both); the costs of collecting the Special Taxes (whether by San Joaquin County, the City or otherwise); the costs of remitting the Special Taxes to the Fiscal Agent; the costs associated with preparing Special Tax disclosure statements and responding to the public inquiries regarding the Special Taxes; the costs of the City, Improvement Area 2 or any designee thereof related to an appeal of the Special Tax;

(b) the costs of the Fiscal Agent (including its legal counsel) in the discharge of the duties of the Fiscal Agent pertaining to the Bonds required under this Fiscal Agent Agreement and any Supplemental Agreement;

(c) the costs of the City or any designee thereof of complying with the City, Improvement Area 2, or obligated person disclosure requirements associated with applicable federal or state securities laws of the Act pertaining to the Bonds;

(d) any amounts required to be rebated to the federal government; and

(e) all other costs and expenses of the City (including, but not limited to, an allocable share of the salaries of the City staff directly related to the foregoing, a proportionate amount of City general administrative overhead related to the foregoing, and amounts advanced by the City for any administrative purpose of Improvement Area 2, including costs related to prepayments of Special Taxes, recordings related to such prepayments and satisfaction of Special Taxes, amounts advanced to ensure maintenance of tax exemption, and the costs of prosecuting foreclosure of delinquent Special Taxes, which amounts advanced are subject to reimbursement from other sources, including proceeds of foreclosure) and the Fiscal Agent incurred in connection with the discharge of their respective duties hereunder and in any way related to the administration of Improvement Area 2 and all actual costs and expenses incurred in connection with the administration of the Bonds.

"Agreement" means the Fiscal Agent Agreement, as it may be amended or supplemented from time to time by any Supplemental Agreement.

"Annual Debt Service" means, for each Bond Year and each Series of Outstanding Bonds, the sum of (i) the interest due on the respective Series of Outstanding Bonds in such Bond Year, assuming that such Outstanding Bonds are retired as scheduled, and (ii) the principal amount of the respective Series of Outstanding Bonds, including any mandatory sinking fund payments, due in such Bond Year.

"Authorized Officer" means the City Manager, Chief Financial Officer, City Clerk, City Attorney, including any deputy, acting or interim officer holding such position, or any other officer or employee authorized by the City Council of the City or by an Authorized Officer to undertake the action referenced in this Agreement as required to be undertaken by an Authorized Officer.

"Bond Counsel" means any attorney or firm of attorneys acceptable to the City and nationally recognized for expertise in rendering opinions as to the legality and tax-exempt status of securities issued by public entities.

"Bond Year" means each twelve-month period beginning on September 2 in any year and extending to the next succeeding September 1, both dates inclusive; except that the first Bond Year shall begin on the Closing Date and end on September 1, 2022.

"Business Day" means any day other than (i) a Saturday or a Sunday or (ii) a day on which banking institutions in the state in which the Principal Office of the Fiscal Agent is located are authorized or obligated by law or executive order to be closed.

"CDIAC" means the California Debt and Investment Advisory Commission of the office of the State Treasurer of the State of California or any successor agency or bureau thereto.

"Closing Date" means the date upon which there is a physical delivery of the Bonds in exchange for the amount representing the purchase price of the Bonds by the Original Purchaser.

"Code" means the Internal Revenue Code of 1986 as in effect on the date of issuance of the Bonds or (except as otherwise referenced herein) as it may be amended to apply to obligations issued on the date of issuance of the Bonds, together with applicable temporary and final regulations promulgated, and applicable official public guidance published, under the Code.

"Continuing Disclosure Certificate" means the Continuing Disclosure Certificate, dated as of the Closing Date, related to the Bonds, as originally executed and as it may be amended from time to time in accordance with the terms thereof.

"Debt Service" means the scheduled amount of interest and amortization of principal payable on the Bonds during the period of computation, excluding amounts scheduled during such period which relate to principal which has been retired before the beginning of such period.

"District" means the City of Stockton Community Facilities District No. 2018-2 (Westlake Villages II) formed pursuant to the Resolution of Formation.

"*Fair Market Value*" means the price at which a willing buyer would purchase the investment from a willing seller in a bona fide, arm's length transaction (determined as of the date the contract to purchase or sell the investment becomes binding) if the investment is traded

on an established securities market (within the meaning of Section 1273 of the Code) and, otherwise, the term "Fair Market Value" means the acquisition price in a bona fide arm's length transaction (as referenced above) if (i) the investment is a certificate of deposit that is acquired in accordance with applicable regulations under the Code, (ii) the investment is an agreement with specifically negotiated withdrawal or reinvestment provisions and a specifically negotiated interest rate (for example, a guaranteed investment contract, a forward supply contract or other investment agreement) that is acquired in accordance with applicable regulations under the Code, (iii) the investment is a United States Treasury Security—State and Local Government Series that is acquired in accordance with applicable regulations of the United States Bureau of Public Debt, or (iv) the investment is the Local Agency Investment Fund of the State of California, but only if at all times during which the investment is held its yield is reasonably expected to be equal to or greater than the yield on a reasonably comparable direct obligation of the United States.

"Federal Securities" means any of the following which are non-callable and which at the time of investment are legal investments under the laws of the State of California for funds held by the Fiscal Agent (the Fiscal Agent entitled to rely upon investment direction from the City as a certification that such investment constitutes a legal investment).

(i) Direct general obligations of the United States of America (including obligations issued or held in book-entry form on the books of the United States Department of the Treasury) and obligations, the payment of principal of and interest on which are directly or indirectly guaranteed by the United States of America, including, without limitation, such of the foregoing which are commonly referred to as "stripped" obligations and coupons; or

(ii) Any of the following obligations of the following agencies of the United States of America: (i) direct obligations of the Export-Import Bank, (ii) certificates of beneficial ownership issued by the Farmers Home Administration, (iii) participation certificates issued by the General Services Administration, (iv) mortgage-backed bonds or passthrough obligations issued and guaranteed by the Government National Mortgage Association, (v) project notes issued by the United States Department of Housing and Urban Development, and (vi) public housing notes and bonds guaranteed by the United States of America.

"Chief Financial Officer " means the duly acting Chief Financial Officer or Treasurer of the City, or if the City has no Chief Financial Officer, such officer of the City serving a similar role.

"Fiscal Agent" means the Fiscal Agent appointed by the City and acting as an independent fiscal agent with the duties and powers in the Agreement provided, its successors and assigns, and any other corporation or association which may at any time be substituted in its place, as provided in the Agreement.

"Fiscal Year" means the twelve-month period extending from July 1 in a calendar year to June 30 of the succeeding year, both dates inclusive.

"Information Services" means "EMMA" or the "Electronic Municipal Market Access" system of the Municipal Securities Rulemaking Board; or, in accordance with then-current guidelines of the Securities and Exchange Commission, such other services providing

information with respect to called bonds as the City may designate in an Officer's Certificate delivered to the Fiscal Agent.

"Maximum Annual Debt Service" means, for each Series of Outstanding Bonds, the largest Annual Debt Service for any Bond Year after the calculation is made through the final maturity date of the respective Series of Outstanding Bonds.

"Officer's Certificate" means a written certificate of the City signed by an Authorized Officer of the City.

"Ordinance" means any ordinance of the City levying the Special Taxes.

"Original Purchaser" means the first purchaser of the Bonds from the City.

"Outstanding," when used as of any particular time with reference to Bonds, means (subject to the provisions of the Agreement) all Bonds except (i) Bonds theretofore canceled by the Fiscal Agent or surrendered to the Fiscal Agent for cancellation; (ii) Bonds paid or deemed to have been paid within the meaning of the Agreement; and (iii) Bonds in lieu of or in substitution for which other Bonds shall have been authorized, executed, issued and delivered by the City pursuant to the Agreement or any Supplemental Agreement.

"Owner" or *"Bondowner"* means any person who shall be the registered owner of any Outstanding Bond.

"Participating Underwriter" shall have the meaning ascribed thereto in the Continuing Disclosure Certificate.

"Prepayment" means moneys received by the City from the prepayment of Special Taxes as provided in the "Rate, Method of Apportionment, and Manner of Collection of Special Tax" applicable to Improvement Area 2.

"Principal Office" means the corporate trust office of the Fiscal Agent set forth in the Agreement, or such other or additional offices as may be designated by the Fiscal Agent.

"Record Date" means the fifteenth (15th) day of the month next preceding the month of the applicable Interest Payment Date whether or not such day is a Business Day.

"Regulations" means temporary and permanent regulations promulgated under the Code.

"Resolution of Formation" means Resolution No. 2018-06-19-1502-01, adopted by the City Council of the City on June 19, 2018 establishing the District and Improvement Area 2 for the purpose of providing for the financing of certain public facilities in and for such District.

"Supplemental Agreement" means an agreement the execution of which is authorized by a resolution which has been duly adopted by the City under the Act and which agreement is amendatory of or supplemental to the Agreement, but only if and to the extent that such agreement is specifically authorized under the Agreement.

Certain Covenants

Punctual Payment. The City will punctually pay or cause to be paid the principal of, and interest and any premium on, the Bonds when and as due in strict conformity with the terms of the Agreement, and it will faithfully observe and perform all of the conditions covenants and requirements of the Agreement and all Supplemental Agreements and of the Bonds.

Extension of Time for Payment. In order to prevent any accumulation of claims for interest after maturity, the City shall not, directly or indirectly, extend or consent to the extension of the time for the payment of any claim for interest on any of the Bonds and shall not, directly or indirectly, be a party to the approval of any such arrangement by purchasing or funding said claims for interest or in any other manner. In case any such claim for interest shall be extended or funded, whether or not with the consent of the City, such claim for interest so extended or funded shall not be entitled, in case of default under the Agreement, to the benefits of the Agreement, except subject to the prior payment in full of the principal of all of the Bonds then Outstanding and of all claims for interest which shall not have been so extended or funded.

Against Encumbrances. The City will not encumber, pledge or place any charge or lien upon any of the Special Tax Revenues or other amounts pledged to the Bonds superior to or on a parity with the pledge and lien herein created for the benefit of the Bonds, except as permitted by the Agreement.

Books and Accounts. The City will keep, or cause to be kept, proper books of record and accounts, separate from all other records and accounts of the City, in which complete and correct entries shall be made of all transactions relating to the expenditure of amounts disbursed from the Special Tax Fund and to the Special Tax Revenues. Such books of record and accounts shall at all times during business hours be subject to the inspection of the Fiscal Agent and the Owners of not less than ten percent (10%) of the principal amount of the Bonds then Outstanding, or their representatives duly authorized in writing.

The Fiscal Agent will keep, or cause to be kept, proper books of record and accounts, separate from all other records and accounts of the Fiscal Agent, in which complete and correct entries shall be made of all transactions relating to the expenditure of amounts disbursed from the Bond Fund, the Reserve Fund and the Costs of Issuance Fund. Such books of record and accounts shall at all times during business hours and upon reasonable prior notice, be subject to the inspection of the City and the Owners of not less than ten percent (10%) of the principal amount of the Bonds then Outstanding, or their representatives duly authorized in writing.

Protection of Security and Rights of Owners. The City will preserve and protect the security of the Bonds and the rights of the Owners, and will warrant and defend their rights against all claims and demands of all persons. From and after the delivery of any of the Bonds by the City, the Bonds shall be incontestable by the City.

Private Activity Bond Limitation. The City shall assure that the proceeds of the Bonds are not so used as to cause the Bonds to satisfy the private business tests of Section 141(b) of the Code or the private loan financing test of Section 141(c) of the Code.

Federal Guarantee Prohibition. The City shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause any of the Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

Collection of Special Tax Revenues. The City shall comply with all requirements of the Act so as to assure the timely collection of Special Tax Revenues, including without limitation, the enforcement of delinquent Special Taxes. On or within five (5) Business Days of each June 1, the Fiscal Agent shall provide the Chief Financial Officer with a notice stating the amount then on deposit in the Bond Fund and the Reserve Fund.

The City shall effect the levy of the Special Taxes each Fiscal Year in accordance with the Ordinance such that the computation of the levy is complete before the final date on which County Auditor will accept the transmission of the Special Tax amounts for the parcels within Improvement Area 2 for inclusion on the next secured real property tax roll. Upon the completion of the computation of the amounts of the levy, the City shall prepare or cause to be prepared, and shall transmit to the Chief Financial Officer , such data as the County Auditor requires to include the levy of the Special Taxes on the next secured real property tax roll.

The City shall fix and levy the amount of Special Taxes within Improvement Area 2 required for the payment of principal of and interest on any outstanding Bonds of Improvement Area 2 becoming due and payable during the ensuing Bond Year, including any necessary replenishment or expenditure of the Reserve Fund for the Bonds and an amount estimated to be sufficient to pay the Administrative Expenses during such year, all in accordance with the rate and method of apportionment of the Special Taxes for Improvement Area 2 and the Ordinance. In any event, the Special Taxes so levied shall not exceed the authorized amounts as provided in the proceedings pursuant to the Resolution of Formation.

The City covenants that it will receive Net Taxes in trust for the Owners and will instruct the Chief Financial Officer to deposit all Net Taxes with the Fiscal Agent at least three Business Days prior to each Interest Payment Date, and the City shall have no beneficial right or interest in the amounts so deposited, except as provided by this Agreement. All such Net Taxes shall be disbursed, allocated and applied solely to the uses and purposes set forth in this Agreement, and shall be accounted for separately and apart from all other money, funds, accounts or other resources of the City.

Further Assurances. The City will adopt, make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of the Agreement, and for the better assuring and confirming unto the Owners of the rights and benefits provided in the Agreement.

No Arbitrage. The City shall not take, or permit or suffer to be taken by the Fiscal Agent or otherwise, any action with respect to the gross proceeds of the Bonds which if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the Closing Date would have caused the Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code and Regulations.

Maintenance of Tax-Exemption. The City shall take all actions necessary to assure the exclusion of interest on the Bonds from the gross income of the Owners of the Bonds to the same extent as such interest is permitted to be excluded from gross income under the Code as in effect on the date of issuance of the Bonds.

Yield of the Bonds. In determining the yield of the Bonds to comply with the Agreement, the City will take into account redemption (including premium, if any) in advance of maturity based on the reasonable expectations of the City, as of the Closing, without regard to whether or not redemption moneys are received or Bonds are redeemed.

Modification or Amendment of the Fiscal Agent Agreement

The Agreement and the rights and obligations of the City and of the Owners of the Bonds may be modified or amended at any time by a Supplemental Agreement pursuant to the affirmative vote at a meeting of Owners, or with the written consent without a meeting, of the Owners of at least sixty percent (60%) in aggregate principal amount of the Bonds then Outstanding, exclusive of Bonds disqualified as provided in the Agreement. No such modification or amendment shall (i) extend the maturity of any Bond or reduce the interest rate thereon, or otherwise alter or impair the obligation of the City to pay the principal of, and the interest and any premium on, any Bond, without the express consent of the Owner of such Bond, or (ii) permit the creation by the City of any pledge or lien upon the Special Taxes superior to or on a parity with the pledge and lien created for the benefit of the Bonds (except as otherwise permitted by the Act, the laws of the State of California or the Agreement), or reduce the percentage of Bonds required for the amendment hereof. No such amendment may modify any of the rights or obligations of the Fiscal Agent without its written consent.

The Agreement and the rights and obligations of the City and of the Owners may also be modified or amended at any time by a Supplemental Agreement, without the consent of any Owners, only to the extent permitted by law and only for any one or more of the following purposes:

(A) to add to the covenants and agreements of the City in the Agreement contained, other covenants and agreements thereafter to be observed, or to limit or surrender any right or power in the Agreement reserved to or conferred upon the City;

(B) to make modifications not adversely affecting any outstanding series of Bonds of the City in any material respect;

(C) to make such provisions for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained in the Agreement, or in regard to questions arising under the Agreement, as the City and the Fiscal Agent may deem necessary or desirable, and which shall not adversely affect the rights of the Owners of the Bonds;

(D) to make such additions, deletions or modifications as may be necessary or desirable to assure compliance with Section 148 of the Code relating to required rebate of excess investment earnings to the United States or otherwise as may be necessary to assure exclusion from gross income for federal income tax purposes of interest on the Bonds or to conform with the Regulations.

No such amendment may modify any of the rights or obligations of the Fiscal Agent without its written consent.

If consent of the Owners is required, the Supplemental Agreement shall not become effective unless there shall be filed with the Fiscal Agent the written consents of the Owners of at least 60% in aggregate principal amount of the Bonds then Outstanding (exclusive of Bonds disqualified as provided in the Agreement) and a notice shall have been mailed as hereinafter provided. Each such consent shall be effective only if accompanied by proof of ownership of the Bonds for which such consent is given, which proof shall be such as is permitted by the Agreement. Any such consent shall be binding upon the Owner of the Bonds giving such

consent and on any subsequent Owner (whether or not such subsequent Owner has notice thereof) unless such consent is revoked in writing by the Owner giving such consent or a subsequent Owner by filing such revocation with the Fiscal Agent prior to the date when the notice hereinafter provided for has been mailed.

After the Owners of the required percentage of Bonds shall have filed their consents to the Supplemental Agreement, the City shall mail a notice to the Owners in the manner hereinbefore provided for the mailing of the Supplemental Agreement, stating in substance that the Supplemental Agreement has been consented to by the Owners of the required percentage of Bonds and will be effective as provided (but failure to mail copies of said notice shall not affect the validity of the Supplemental Agreement or consents thereto). Proof of the mailing of such notice shall be filed with the Fiscal Agent. A record, consisting of the papers required to be filed with the Fiscal Agent, shall be proof of the matters therein stated until the contrary is proved. The Supplemental Agreement shall become effective upon the filing with the Fiscal Agent of the proof of mailing of such notice, and the Supplemental Agreement shall be deemed conclusively binding (except as otherwise above specifically provided) upon the City and the Owners of all Bonds at the expiration of sixty (60) days after such filing, except in the event of a final decree of a court of competent jurisdiction setting aside such consent in a legal action or equitable proceeding for such purpose commenced within such sixty-day period.

Bonds owned or held for the account of the City, excepting any pension or retirement fund, shall not be deemed Outstanding for the purpose of any vote, consent or other action or any calculation of Outstanding Bonds provided for in the Agreement, and shall not be entitled to vote upon, consent to, or take any other action provided for in the Agreement. Upon request, the City shall provide an Officer's Certificate to the Fiscal Agent listing those Bonds which are disqualified pursuant to the Agreement.

Defeasance and Discharge

If the City shall pay and discharge the entire indebtedness on all or any portion of the Bonds Outstanding in any one or more of the following ways:

(A) by well and truly paying or causing to be paid the principal of, and interest and any premium on, such Bonds Outstanding, as and when the same become due and payable;

(B) by depositing with the Fiscal Agent, in trust, at or before maturity, money which, together with (in the event that all of the Bonds are to be defeased) the amounts then on deposit in the funds and accounts provided for in the Agreement, is fully sufficient to pay such Bonds Outstanding, including all principal, interest and redemption premiums, or;

(C) by irrevocably depositing with the Fiscal Agent, in trust, cash and Federal Securities in such amount as the City shall determine as confirmed by an independent certified public accountant will, together with the interest to accrue thereon and (in the event that all of the Bonds are to be defeased) moneys then on deposit in the fund and accounts provided for in the Agreement, be fully sufficient to pay and discharge the indebtedness on such Bonds (including all principal, interest and redemption premiums) at or before their respective maturity dates;

and if such Bonds are to be redeemed prior to the maturity thereof notice of such redemption shall have been given as in the Agreement provided or provision satisfactory to the Fiscal Agent shall have been made for the giving of such notice, then, at the election of the City, and notwithstanding that any Bonds shall not have been surrendered for payment, the pledge of the Special Taxes and other funds provided for in the Agreement and all other obligations of the City under the Agreement with respect to such Bonds Outstanding shall cease and terminate, except only the obligations of the City related to certain tax matters and to pay or cause to be paid to the Owners of the Bonds not so surrendered and paid all sums due thereon and all amounts owing to the Fiscal Agent pursuant to the Agreement; and thereafter Special Taxes shall not be payable to the Fiscal Agent. Notice of such election shall be filed with the Fiscal Agent.

City of Stockton

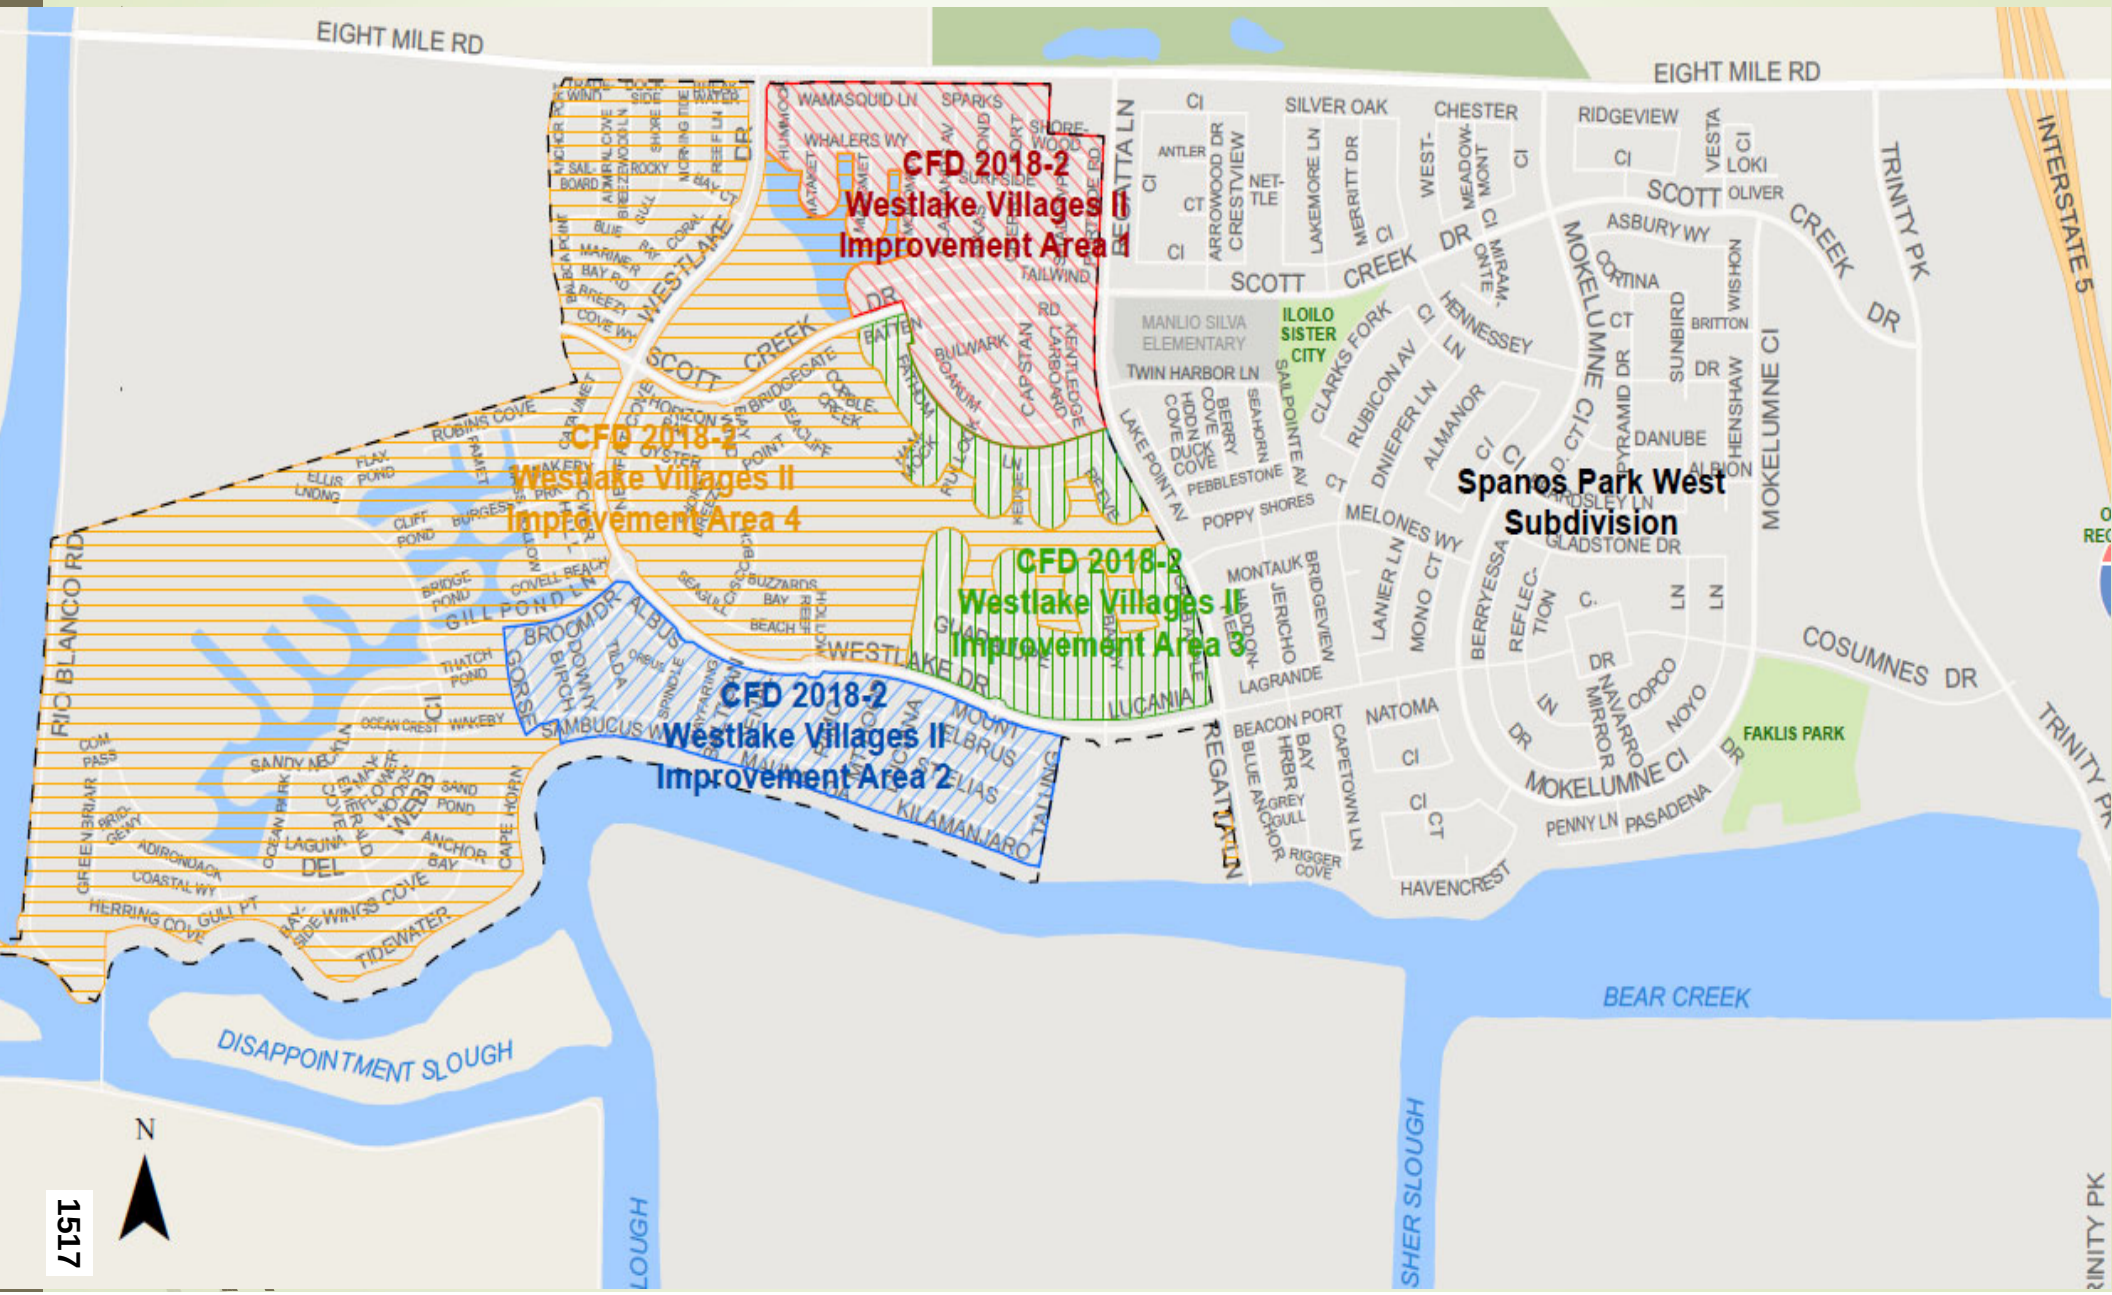
Community Facilities District 2018-2
(Westlake Villages II-Improvement Area 2)
Special Tax Bonds Series 2022

City Council Meeting
June 14, 2022
Item 15.3

Westlake Villages: Improvement Area 2

- **District:** Westlake Villages II was formed in June 2018 with original size of 580 Gross Acres
- **Location:** North Stockton, South of Eight Mile Road and West of Highway 5
- **Improvement Area 2:** Includes 292 homes approved for construction and as of May, 2022:
  - **93 Permits pulled**
  - **63 homes under construction**
  - **45 homes sold**
- **Debt Issuance:** Improvement Area 2 was approved for an original debt capacity of up to $60 million, but with earlier revisions to create Improvement Areas 3 and 4, lien will be closed off and no further debt will be issued
- **Use of Proceeds:** The debt proceeds will be used to finance/acquire the public infrastructure in Improvement Area 2

Westlake Villages II – Boundary Map



Debt Issuance- CFD 2018-2 (Imp. Area 2)

- Competitively selected vendor pool: Underwriter, Municipal Advisors, Bond Council
- This will be the only issuance to occur in this Improvement Area
- Tax assessments:
  - The 93 lots, that have pulled final permits to construct homes, will be assessed in FY 2022-23
  - The remainder of the first year debt service will be financed through Capitalized Interest
  - All parcels in improvement areas will taxed starting in FY 2023-24
- Maximum costs of issuance of $385,000 ("All-In")
- Issuance planned as Public Offering

Financing Comparison

	Staff Report Estimate (1)
Estimated Par Amount of Bonds	$10,625,000
Estimated Proceeds Available for Construction	$8,650,000
True Interest Cost(2)	5.52%
Reserve Fund	125% of Avg. Annual
Estimated Costs of Issuance (2)	$374,228
Estimated Average Annual Debt Service	$763,000
Debt Service Coverage	1.10x

(1) Assumes estimated interest rate as of May 17, 2022 (plus .30%)
(2) True Interest Cost - includes all costs in the listed rate

"Not-To-Exceed" Parameters:	
Maximum Issue Size:	$12,500,000
Maximum True Interest Cost:	7.00%

Proposed Timeline

Timeline	Item
June 14, 2022	City Council Consideration
June 16, 2022	Print and Post Preliminary Official Statement
June 28-29, 2022	Pre-Pricing and Pricing
July 7, 2022	Print Post Final Official Statement Finalize all Documents
July 13, 2022	Close the Transaction

Documents for Consideration

- **Fiscal Agent Agreement:** This agreement governs the terms and conditions of the bonds and the role and responsibilities of the Fiscal Agent.

- **Official Statement:** (Including Continuing Disclosure Agreement): Will be distributed as the primary marketing document to prospective bond purchasers. The agenda packet includes the Preliminary Official Statement deemed to be essentially final. A final version of this document, called the Final Official Statement, is estimated to be made available shortly after the bonds are sold and will reflect all the bond sale information.

- **Bond Purchase Agreement:** Is a contract between the City and the Underwriter that provides the terms and conditions under which the underwriter will purchase the Series 2022 Bonds.

Staff Recommendation

Adopt Resolution authorizing the issuance of special tax bonds for and on behalf of Community Facilities District No. 2018-2 (Westlake Villages II), approving and directing the execution of a fiscal agent agreement, approving the form of Preliminary Official Statement, approving sale of such bonds, and approving other related documents and actions.

File #: 22-0578, **Version:** 1

ACCEPT THE FISCAL YEAR 2021-22 SECOND QUARTER BUDGET STATUS UPDATE AND AUTHORIZE BUDGET AMENDMENTS

RECOMMENDATION

It is recommended that the City Council adopt a resolution to:

1. Accept this budget status report on the financial results for the Second Quarter of Fiscal Year (FY) 2021-22, and

2. Authorize five budget amendments shifting General Fund support from the Recreation Fund to the Golf Fund, transferring the budget for the maintenance of VanBuskirk from the Community Services Department Golf Fund to the Public Works Department General Fund, increasing the Tax Collection budget, appropriating fund balance to the Other Benefits Fund, and appropriate from PFF Street Improvements fund balance to Thornton Rd/Hammer Left Turn Lanes project WT15018.

It is further recommended that the City Manager be authorized to take appropriate and necessary actions to carry out the purpose and intent of the resolution.

Summary

The Second Quarter financial review indicates General Fund revenues are projected to exceed budgeted levels and expenditures are projected to be slightly under budget. Expenses totaled $114.0 million through the first six months and are expected to end the year 4.3% below budget due primarily to lower-than-expected salary, benefit, and travel costs.

Through the Second Quarter, General Fund revenues totaled $59.1 million, which is consistent with the expected cash flow cycles for most revenue types. Based on preliminary information, year-end revenue projections are expected to exceed the budget by $32.3 million (+12.9%), a growth of 5% compare to prior year actual revenues. Staffing levels in the second quarter were lower than the level anticipated in the budget resulting in expenditure savings. Overall, second quarter expenditures of $114.0 million were at 38% of the budget and are projected to end the year within the total adjusted annual expenditure budget of $300.0 million. Expenditure activity is similar to the same period in prior years.

Staff reviewed all other City funds to determine significant budget variances and identified four instances where amendments to the current Approved Budget are necessary.

DISCUSSION

Background

The City Council remains committed to transparency and financial responsibility with the continuation of Fiscal Sustainability as one of its strategic targets. Staff provides this budget status update in support of that objective.

Council adopted the FY 2021-22 annual city-wide budget of $991.8 million on June 22, 2021. The adopted General Fund expenditure budget was $255.9 million of the total City budget.

Present Situation

General Fund Budget Status Update

Staff reviewed General Fund expenditures and revenues for the first six months of the current fiscal year as shown in Attachments A and B. Attachment A summarizes the City's General Fund revenues, expenditures, and available balance by approved budget, activity as of December 31, 2021, year-end projections, and variance amounts. With mid-year budget adjustments, the General Fund is budgeted to end the fiscal year with an available balance of $33.9 million. Revised projections indicate revenues will end the year greater than the budgeted level by $32.3 million, with expenditures projected to be approximately $12.9 million less than budget. The information below indicates our best analysis of the trends through the first half of the year, with known timing variations taken into account, and provides projections for year-end performance compared to the budget based on this review. Revenue and expenditure projections will continue to be refined and provided to the City Council as part of subsequent budget updates.

Budget Adjustments

Throughout the fiscal year, the Council may adjust the budget. All Council approved adjustments and administrative entries made through the Second Quarter are incorporated in Attachment A in the column labeled "Approved Budget." The approved General Fund expenditure appropriation of $277.3 million reported in the First Quarter report has increased by $22.8 million with the appropriation of $10.2 million for Council Priority projects and $12.6 million for the Waterfront Office Towers-New City Hall capital project (both approved on May 3, 2022).

Revenues

Attachment B displays General Fund revenues collected through December 31, 2021, of $59.1 million. These year-to-date receipts are 23.6% of the $250.8 million total annual revenue budget, which is consistent with prior years and with staff's expectations. At the end of the Second Quarter, the General Fund was on track to exceed budget expectations. Sales tax receipts continue to preform better than expected with the year-end projection exceeding budget by 20.7% and growing 7.7% compared to FY 2020-21 receipts.

Taxes are the primary General Fund revenue source and are received throughout the year in an uneven pattern. For example, almost all the City's property tax receipts are received from San Joaquin County in two payments in the last half of the year. Consequently, only $702,294 of the

$65.2 million budgeted for property tax revenues was received by December 31, 2021. Staff takes these unique cycles into consideration when making year-end projections, and also receives analyses from consultants several times during the year.

Sales Tax receipts make up nearly 38% of the total annual General Fund revenue. Remittances through the end of the Second Quarter from the State of California reflect sales through the fourth month of the fiscal year. Using current information, staff project the year-end sales tax collections for the General Fund, including Measure A receipts, will be $114.1 million, more than $19 million above the $94.6 million budgeted. The year-end projection is about $8.1 million more than sales tax receipts in FY 2020-21. Revenues have been difficult to project due to the unprecedented nature of the COVID-19 pandemic and numerous adjustments and corrections associated with reporting changes. Direct federal stimulus payments and the State's eviction moratorium insulated tenants, thus contributing to the unpredictability of revenue projections. With travel restrictions, live-event cancelations, and occupancy restrictions on indoor restaurant dining throughout the pandemic, spending habits shifted. Since the start of the pandemic, discretionary household spending has generally shifted from non-taxable services to taxable goods as well as from brick-and-mortar stores to online sales.

Property Taxes are 26% of the total annual General Fund revenue and are remitted to the City each year by San Joaquin County in January and April. Receipts for the first six months are approximately one percent of the annual estimate; however, assessment information is available that provides advance notice of the forthcoming payments and indicates FY 2021-22 property tax revenues will be $67.3 million, which is consistent with expectations and represents a 4.5% growth from the prior year. The updated projected annual total, as shown in Attachment B, is $2.1 million greater than the approved budget of $65.2 million. New construction has been above average for the last few years contributing to property tax growth.

Utility Users Tax (UUT) is 14% of total annual General Fund revenue and is a tax imposed on the users of various utilities like water, electricity, natural gas, cable TV, and telecommunications services. UUT is subject to a certain degree of volatility as consumer use of utilities can be dependent on weather conditions, conservation efforts, and the availability of substitutes.

FY 2021-22 UUT revenues are estimated to be $37.4 million, $3.0 million greater than the annual budget of $34.3 million. This revenue projection is 2.6% above FY 2020-21 actual receipts. Based on revenues received through the Second Quarter, Water, Electric, and Gas UUT are projected to exceed the budgeted amount. Cable and Telecommunications UUT are expected to be at or slightly below the budgeted amount.

Franchise Fees generate approximately 7% of General Fund revenue and are charged to companies as a percentage of their income for the use of city streets and infrastructure. Because they are based on the revenue generated by a service provider, these fees tend to track parallel with UUT. Stockton charges franchise fees to PG&E, cable and video companies, and waste haulers. PG&E pays its franchise fees in two payments late in the fiscal year, so year-end projections for the line item are based on prior year activity and trends evident in the UUT revenue category.

Franchise revenues are projected to be 2.1% greater than the $16.6 million budget with PG&E and waste hauler fees coming in over budget estimates. Cable/video revenues are projected to decline to $2.0 million compared to FY 2020-21 receipts of $2.2 million.

Business License Taxes generate 4% of General Fund revenues. Business license tax revenue is projected to be $14.2 million, a 1%-increase compared to prior year revenues.

Other Taxes combined are under 1% of General Fund revenue. Hotel/Motel Taxes are showing a recovery from the COVID-19 pandemic with projected receipts of $3.1 million compared to $2.8 million for the previous two fiscal years. Document transfer taxes are projected to be up to $1.6 million compared to $912,000 two years ago.

The **Interest** line item includes proceeds from investments as well as interest on cash holdings. The City's investments are limited to secure/conservative instruments that are not expected to be hit as hard as other investment options. The revenue projection of $2.3 million assumes conservative earnings in the fiscal year and is $331,000 more than the annual budget.

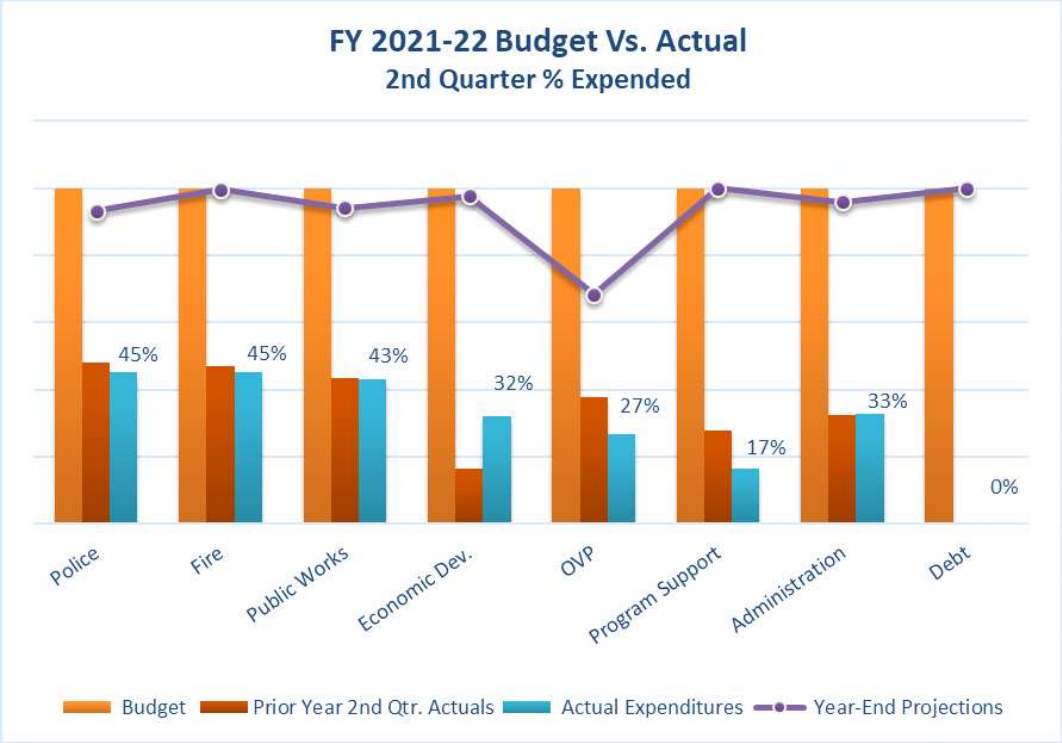
Program Revenues consist primarily of revenues from fines, licenses, service contracts with other agencies, and code enforcement fees, and are 6% of total General Fund revenues. Year-end estimates for this category are $2.1 million (13.4%) greater than budget. Revenue from Other Agencies is projected to be higher than budget by $1.2 million with additional receipts for Wildland fire reimbursements and Successor Agency tax increment. The other large variance in this category is Code Enforcement which is expected to exceed the budget by $1.1 million. Most other program revenues are projected to be close to the annual budget.

Interfund reimbursements consist of cost recovery to the General Fund from other funds and other agencies for administrative services and facility space and constitute 4% of General Fund revenue. As of December 31, 2021, interfund reimbursements totaled $3.1 million, or 34.2% of the category budgeted revenues. Revenues can be slow due to the timing of reimbursements as costs incurred in the first two quarters of the fiscal year are billed at the end of each quarter, and reimbursements are generally received in the next quarter. A decrease of 10.9% is anticipated in this category by fiscal year-end due to use of an updated Cost Allocation Plan.

Expenditures

General Fund expenditures in most departments are running close to or slightly below budgeted levels and are reflected in Attachment A and summarized in Figure 1 below as a percent of the respective budgets.

Figure 1



Most of the lower spending levels are a result of programs that spend more in the last half of the year for items like debt, labor negotiation, election, tax collection, and audit contract costs. In addition, several departments continue to experience higher-than-budgeted staff vacancies, including Police, Public Works, Economic Development, City Clerk, Administrative Services, and Human Resources.

As shown below, the FY 2021-22 Adopted Budget included a total of $6.2 million in budgeted salary savings, which is divided into two areas: $5.3 million in the non-Marshall Plan portion of the General Fund, and $0.9 million in the Marshall Plan. Through December 31, 2021, actual General Fund salary savings were approximately $5.9 million more than the Budget anticipated at mid-year. General Fund salary savings were 9.7% in the First Quarter and grew only slightly to 10% in the Second Quarter. Actual savings from vacancies will vary from the budgeted savings estimate, and staff will continue to monitor the actual salary savings and report any necessary adjustments in future quarterly reports.

Below is a summary of salary savings results for the first half of the fiscal year.

Figure 2

Department	Budgeted Vacancy Savings Annual	Budgeted Vacancy Savings 2 Quarters	Second Quarter Savings	Savings as a % of Budget
General Fund				
Other Departments	291,120	145,560	355,934	11.2%
Administrative Services	217,898	108,949	374,779	14.7%
Human Resources	63,958	31,979	114,400	14.8%
Police	3,258,710	1,629,355	4,426,880	9.4%
Fire	1,145,999	573,000	660,123	3.5%

	936,054	468,027	2,663,132	19.2%
Total	**6,233,416**	**3,116,708**	**9,062,486**	10.0%
Total Savings above/(below) Budget			**5,945,778**	

Department Expenditures

The **Police Department** is afforded 56% of the General Fund budget. The hiring of 6 new officers during the Second Quarter was offset by the attrition of 19 officers (five retired, three resigned or were released during probation, one failed the academy, and ten left to other agencies), resulting in 424 of the 485 authorized sworn positions being filled mid-year. Police Department expenses were at 45% of budget as of December 31, 2021. Overall, the Department estimates it will end the year approximately $9.9 million under budget primarily due to vacant positions and new employees starting at lower pay than departing employees.

The **Fire Department** accounts for 20% of the General Fund annual budget. The department's overall actual expenditures amount to $23.1 million or 45% of the budget at the end of the second quarter. Seven or 63% of Firefighter recruits successfully completed Fire Academy 21-2 in December 2021. However, recruitment efforts continue for another fire academy to fill 9 new grant-funded and 14 General Fund sworn personnel vacancies at the end of the second quarter. Sufficient vacancy savings are generated to offset the additional overtime required to backfill vacant positions to meet the minimum staffing required to maintain current service levels. The department is expected to end the fiscal year below the budget by less than 1% due to academy recruits and regular sworn personnel attrition throughout the fiscal year.

The **Public Works Department** accounts for 7% of the General Fund annual budget. Approximately 43% of the department budget was expended as of December 31, 2021, and year-end projections are $1.1 million less than the approved budget of $19.2 million. Savings are primarily from vacancies or staff turnover and reduced training and travel expenses.

The **Economic Development Department** budget includes approximately $2 million for economic incentive programs. Although these funds were not spent in the first half of FY 2021-22, the funded projects are expected to be underway or in contract by year-end. If most of the economic incentive funding is committed by year-end, the Economic Development Department will spend $4.8 million leaving $118,000 in savings from vacant positions and reduced training and travel costs.

Program Support for Other Funds accounts for 12% of the General Fund budget and includes appropriations for City libraries, recreation activities, grants, entertainment venues, marina and golf course operations, and development services. Most transfers occur in regular monthly intervals, whereas grant match transfers are recorded when expended. The Capital Improvement line has increased since the Adopted budget by $33.5 million with mid-year Council approvals funding Council priority projects and the Waterfront Office Towers-New City Hall project. These actions approved in November 2021 and May 2022 did not resulted in expenses during the first half of the Fiscal Year. Another Council authorized budget amendment reducing the Contingency and transfer funds to the Successor Agency was approved in February 2022.

Expenses in the **Tax Collection and Election** categories are, for the most part, incurred later in the year. The City typically pays property tax administration fees to San Joaquin County in January and May. Sales tax administration fees are paid quarterly, with only one quarter paid through December. Fees for collection of sales taxes and property taxes are projected to exceed the budget by $200,000. Election costs budgeted for the June 2022 election will be billed to the City a few months after the election.

Other Administration contains a variety of citywide costs that are not attributable to an individual department or specific group of programs. This category includes a negative budget for indirect cost charges and vacancy savings. The year-end projection currently shows an overage of $176,000, which will be resolved by redistributing budgeted vacancy savings at year-end to other departments experiencing vacant positions.

Expenses in the **General Legal** category were 27% of budget at the end of the Second Quarter. Activity is expected to pick up in the last half of the year with active labor negotiations and normal legal expenses.

Debt Service payments by the City are not expended in any regular pattern but instead by the scheduled due dates to bondholders. The budget has been adjusted to reflect the FY 2020-21 true-up and FY 2021-22 estimated contingency payments to Assured Guaranty. The full appropriated amount of $5.8 million will be paid out by year-end with the largest payment due in June 2022.

General Fund Budget Amendments

Maintenance of the former VanBuskirk Golf Course has been transitioned from the Community Services Department to the Public Works Department. To reflect this change in responsibilities, budget was administratively transferred from the Community Services Golf Course fund budget to the Public Works General Fund budget. This move of $234,300 budgeted for maintenance also reduced the $350,000 General Fund transfer out to the Golf Course Fund by the same amount. While the budget move was completed under existing authority in the annual Budget Resolution, the action is being reported via the Second Quarter Report.

Due a lower balance in the Golf Fund at June 30, 2021 than previously anticipated, the Golf Fund was left with insufficient resources to cover existing contract commitments. It is recommended that the General Fund increase its support of the Golf Fund by $120,000 to cover these expenses. The increase in General Fund support will be offset by a reduction in the General Fund transfer to the Recreation Fund for a net zero impact on the General Fund.

The third budget amendment recommended in the General Fund is for the overage projected in the Tax Collection budget. The administrative fees for the collection of sales tax and audit fees for revenues recovered is projected to be greater than the budget by $200,000. Additional revenues received in FY 2021-22 are more than enough to cover the increase. A budget amendment increasing both Sales Tax revenues and tax collection expenses by $200,000 is recommended.

Long-Range Financial Plan

Staff updates the Long-Range Financial Plan (L-RFP) as new information becomes available and evaluates the underlying assumptions during the annual budget process. Over the last few months, staff has made numerous updates to the model in an effort to update revenue forecasts during this unprecedented global pandemic. The updated model shown below and included in the FY 2022-23 Proposed Annual Budget incorporates FY 2021-22 year-end projections for revenues and expenditures.

The updated chart shows the General Fund balance staying above the 5% minimum for the full 20-year period with the balance very close to the minimum in the last 4 years. The City's current reserves enable the General Fund to weather the future recessions projected in fiscal years 2024-25 and 2031-32.

The major changes made since the FY 2020-21 year-end L-RFP were:

1. Revenue projections for FY 2021-22 and FY 2022-23, including Property Taxes and Sales Taxes, were updated.
2. Revenues assume the opening of two new hotels adding to future Hotel/Motel tax dollars.
3. Pension projections were first updated using the latest CalPERS valuation reports based on July 30, 2020 and CalPERS approved discount rate reduction from 7.0% to 6.8% effective in FY 2023-24. The CalPERS assumed rate for investment return is significant to the City's fiscal health and the CalPERS board is likely to consider reducing its long-term return on investment assumption. Given these trends, the L-RFP now projects that the CalPERS investment return assumption will be further reduced from 6.8% to 6.0% over a 10-year phase-in period. It also assumes earnings of less than 7.0% annually.
4. Model adds one to two new full-time positions annually versus previous versions that did not allow for any position growth.
5. Incorporate American Rescue Plan Act proposed revenue loss allocation of $4.5 million spread among the General Fund, Recreation Fund, Entertainment Venues Fund, and Parking Fund.

All of the above changes flow through the model and can impact other areas such as interest earnings and debt paid based on a share of General Fund revenues. The model continues to forecast that Measure M transaction tax revenues will end in March 2033. This is the primary driver behind the lower fund balance in the last years of the model. The General Fund continues to spend down the fund balance in 17 of the 20 fiscal years.

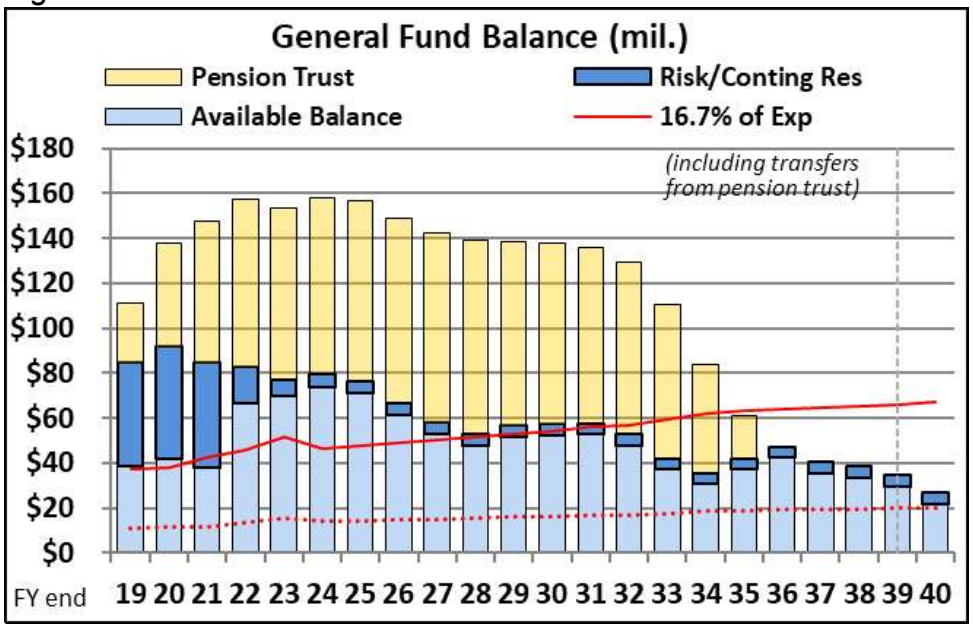
The L-RFP model is being utilized to analyze the affordability of labor proposals as the City negotiates with the four public safety bargaining units. There will be additional updates to the model and assumptions incorporating any approved successor bargaining unit agreements.

The chart components are described below.

- Light Blue Bars - The lighter blue bars include available funds and the Working Capital reserve used to manage cash flow.
- Dark Blue Bars - The darker blue bars represent the remainder of funds not available for ongoing operating expenses, which are part of the reserves outlined in the City's reserve policy. These funds are set aside for:
    - protection against economic uncertainties and downturns,
    - catastrophic events,
    - future costs such as infrastructure repair and maintenance, replacement of the City's antiquated financial system, and pensions.
- Yellow Bars - The yellow bars represent the City's Pension Trust. Funds in the trust can only used for retirement expenses.
- Top Red Line - The top red line is the Working Capital reserve goal (equal to 2 months of operating expenses) outlined in the City's reserve policy.
- Bottom Red Line - The red bottom line is a warning level that indicates operating reductions may be required to maintain services. The warning level is when the available fund balance falls below 5% of operating expenses.

Figure 3 shows the ending available General Fund balance by fiscal year for a range of 20 years.

Figure 3



Other City Funds

In addition to the detailed review of the General Fund expenditures and revenues described above, staff reviewed all City funds as part of the preparation of this report. Attachment C summarizes the FY 2021-22 Second Quarter results for other major City funds. Year-to-date activity on Attachment C is similar to the General Fund in that revenues and expenses can be seasonal and subject to irregular schedules. The Emergency Communication Fund, for example, looks out of balance with expenditures exceeding budget by $1.6 million. This is a result of quarterly billings processed after the close of each quarter. All expenses incurred will be fully paid by year-end. Some City funds in need of budget amendments were identified during staff's review of Second Quarter results. The funds and corrective actions are described below. All other funds were under the authorized budget appropriation.

An appropriation of $400,000 from the Other Benefits Internal Service Fund available balance to the Separation Pay expense account is recommended based on year-to-date expenses. The cost to pay out annual leave when employees separate was estimated to be $1,200,000 in the FY 2021-22 budget. Costs through March have exceeded this estimate due both a higher number of separations and higher payout amounts for long-tenured employees. The projected year end cost for separation payouts is $1.9 million. Approximately $300,000 was available within the Other Benefits Internal Service Fund budget to cover overages. The balance needed of $400,000 will need to be appropriated from fund balance, reducing the projected June 30, 2022 ending fund balance to $595,974.

Public Works department requests a capital appropriation of $208,000 from the Public Facilities Fee (PFF) Street Improvement fund balance necessary to cover the shortfall in the Thornton Rd/Hammer Left Turn Lanes, Project Number WT15018. The project was awarded for construction in January 2021. During construction, the project experienced increased costs due to unforeseen field conditions that require the addition of funds to close out the project. The project construction is complete, but the balancing change order and project closeout are still ongoing.

FINANCIAL SUMMARY

This report provides an analysis of the FY 2021-22 General Fund Second Quarter results. The review indicates revenues will exceed original estimates by $32.3 million (12.9%), and expenses are on track to achieve savings greater than the budget by $12.8 million. Both of these projections were factored into the FY 2022-23 budget development and Long-Range Financial Plan updates. Staff will continue to monitor trends and potential budget variances and will return to the Council with future recommendations where appropriate.

Staff also reviewed other City funds and recommends the following budget amendments:

1. Ratify the movement, including adjustments to the associated interfund transfers, of $234,300 in appropriation from the Community Services Golf Course fund (650) budget to the Public Works General Fund (account #4540; 100-000) budget for maintenance at VanBuskirk.
2. Increase the General Fund (100-000) transfer to the Golf Fund (650) by $120,000 and decrease the General Fund (100-000) transfer to the Recreation Fund (100-125) by $120,000.

3. Increase the General Fund Sales Tax revenue (account #411010-100-000) budget by $200,000 and increase the Tax Collection expenditure (account #2060-016-630025-100-000) budget by $200,000.
4. Increase the Separation Pay expense (account #2520-000-610007-560-564) appropriation by $400,000 from the Other Benefits Internal Service Fund (560) available balance.
5. Appropriate $208,000 from PFF Street Improvement fund (310-312) available balance to the Thornton Rd/Hammer Left Turn Lanes, Project Number WT15018 (formerly PW1518).

Resolution No.

STOCKTON CITY COUNCIL

RESOLUTION ACCEPTING THE FISCAL YEAR 2021-22 SECOND QUARTER BUDGET STATUS UPDATE REPORT, AND AUTHORIZE BUDGET AMENDMENTS

Fiscal Sustainability is one of the City Council's goals; and

City Council adopted the Fiscal Year (FY) 2021-22 Annual Budget on June 22, 2021, following a duly noticed budget study session and a public hearing; and

By the staff report accompanying this Resolution, incorporated into this Resolution by this reference (Staff Report), the Council has been provided with additional information upon which the actions set forth in this Resolution are based; now, therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF STOCKTON, AS FOLLOWS:

1) Accept this budget status report on the results of the second quarter of Fiscal Year 2021-22.

2) Ratify the movement of $234,300 in existing appropriation from the Community Services Golf Course fund (650) budget to the Public Works General Fund (100) budget for maintenance at VanBuskirk.

3) Increase the General Fund (100) transfer to the Golf Fund (650) by $120,000 and decrease the General Fund (100) transfer to the Recreation Fund (100-125) by $120,000.

4) Increase the General Fund Sales Tax revenue (100) budget by $200,000 and increase the General Fund Tax Collection expenditure budget (100) by $200,000.

5) Increase the Separation Pay expense appropriation by $400,000 from the Other Benefits Internal Service Fund (560) available balance.

6) Appropriate $208,000 from Public Facility Fee Street Improvement fund balance (310-312) to the Thornton Rd/Hammer Left Turn Lanes, Project Number WT15018.

//
//
//
//

7) City Manager is authorized to take appropriate and necessary actions to carry out the purpose and intent of this Resolution.

PASSED, APPROVED, and ADOPTED June 14, 2022.

KEVIN J. LINCOLN II
Mayor of the City of Stockton

2nd Quarter FY 2021-22 General Fund Expenditures

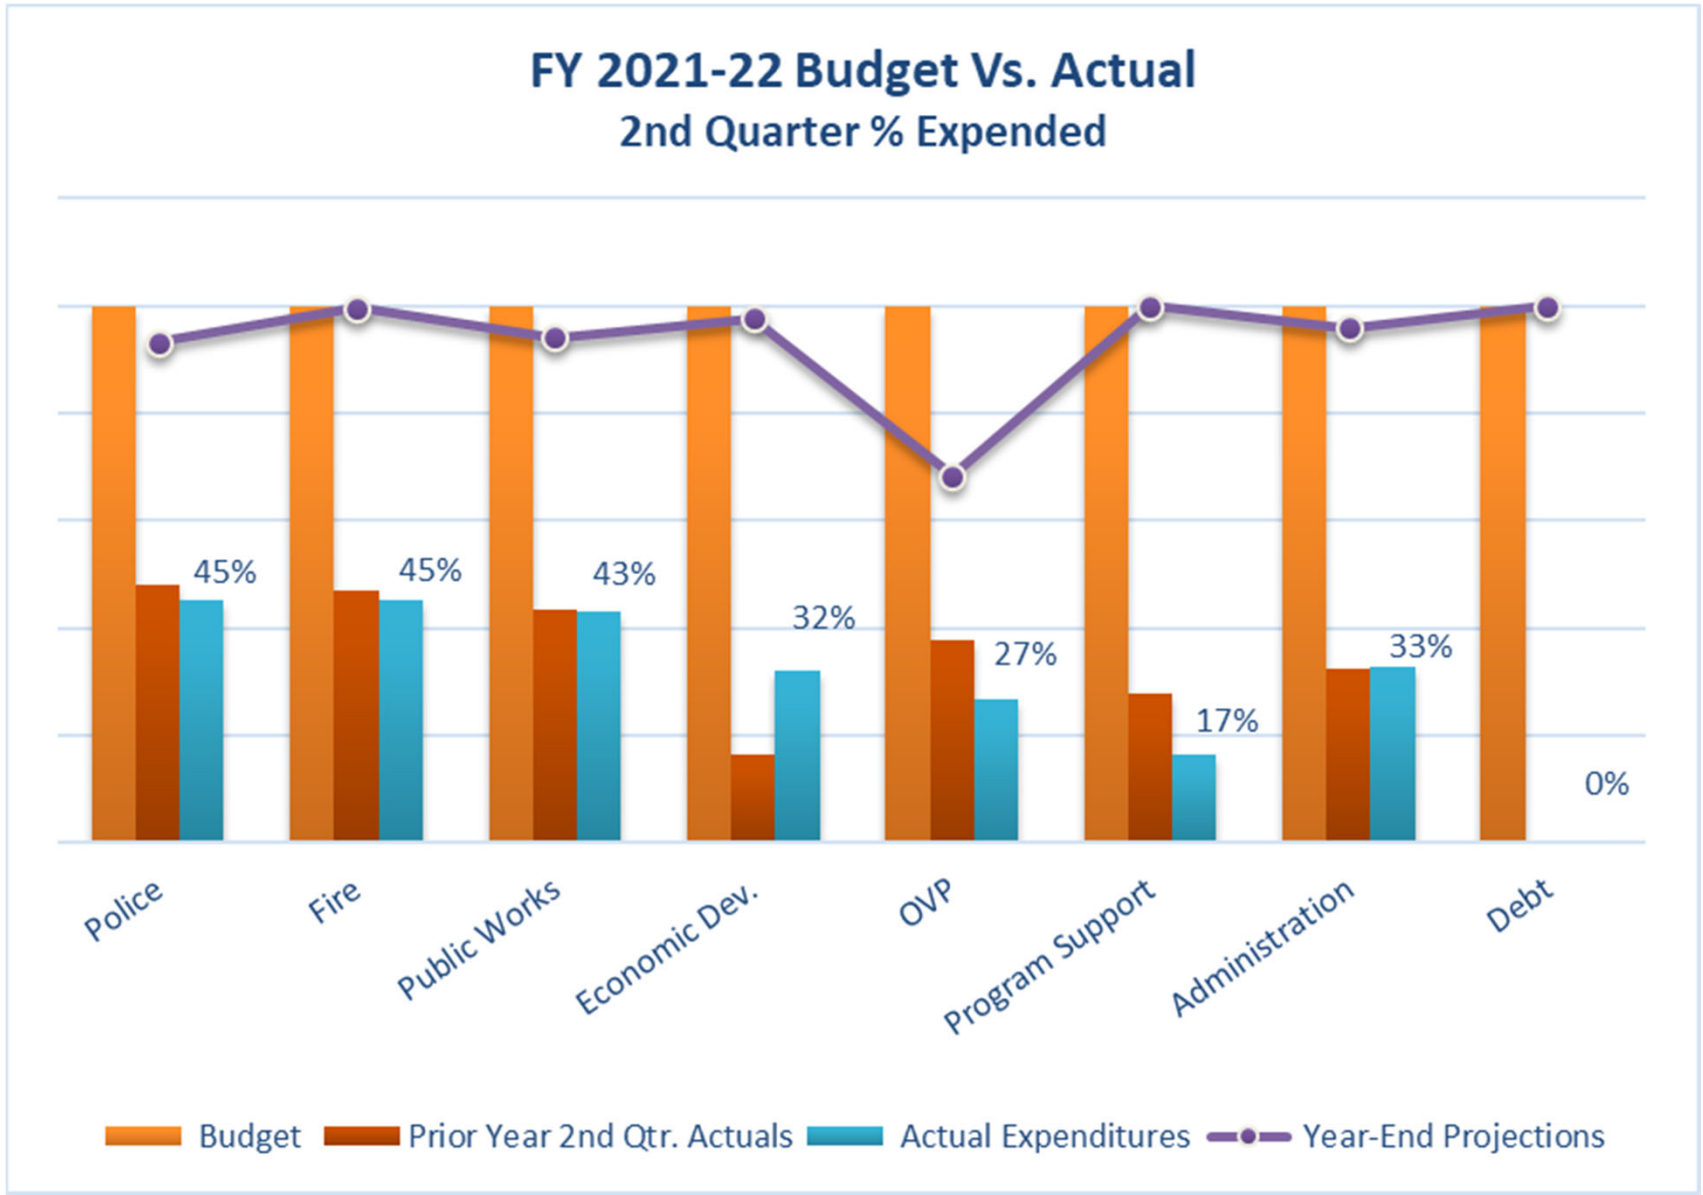
As of December 31, 2021:

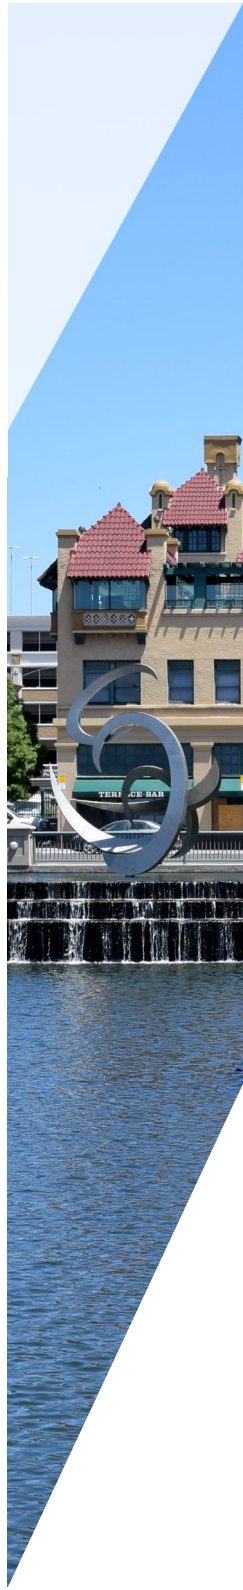
- Expenditures = $114.0 million
  - 38% of the $300.0 million budget

Year-end Projection:

- $287.2 million
  - $12.8 million, 4.3% under budget
    - Police Department $9.9 million
    - Public Works $1.1 million

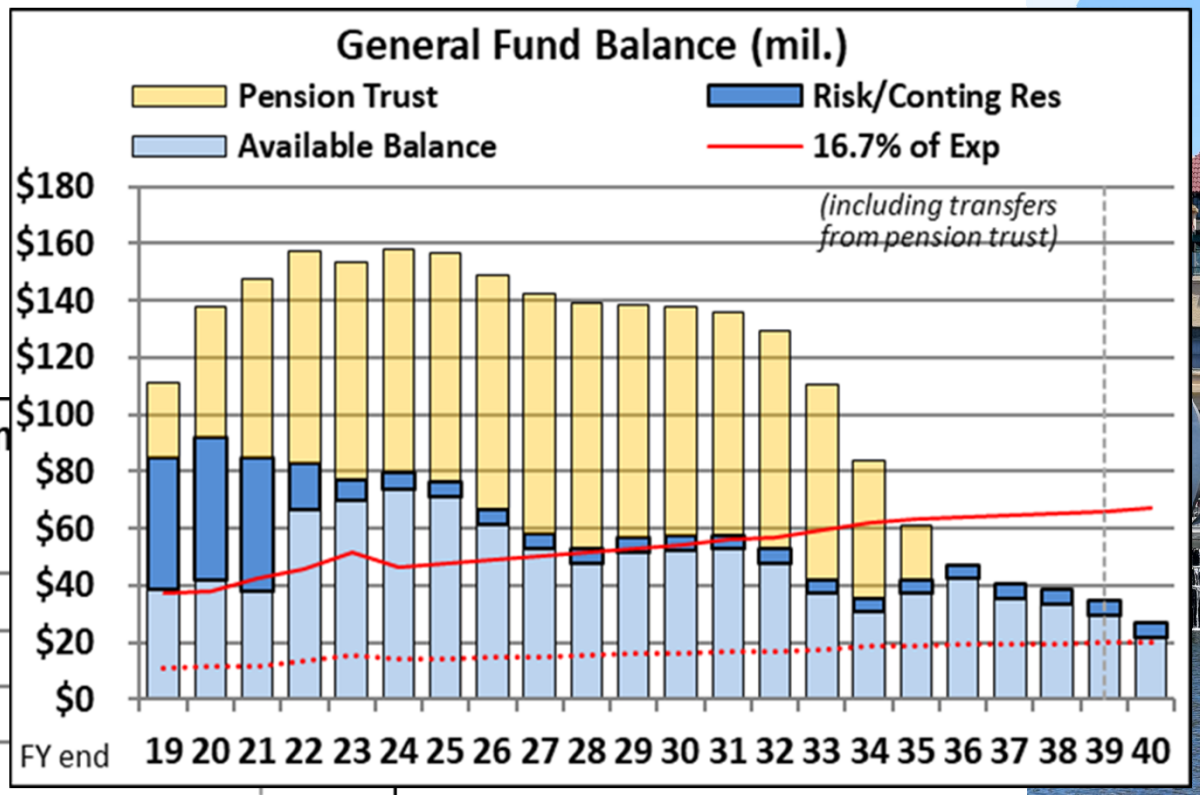
2nd Quarter FY 2021-22 General Fund Budget



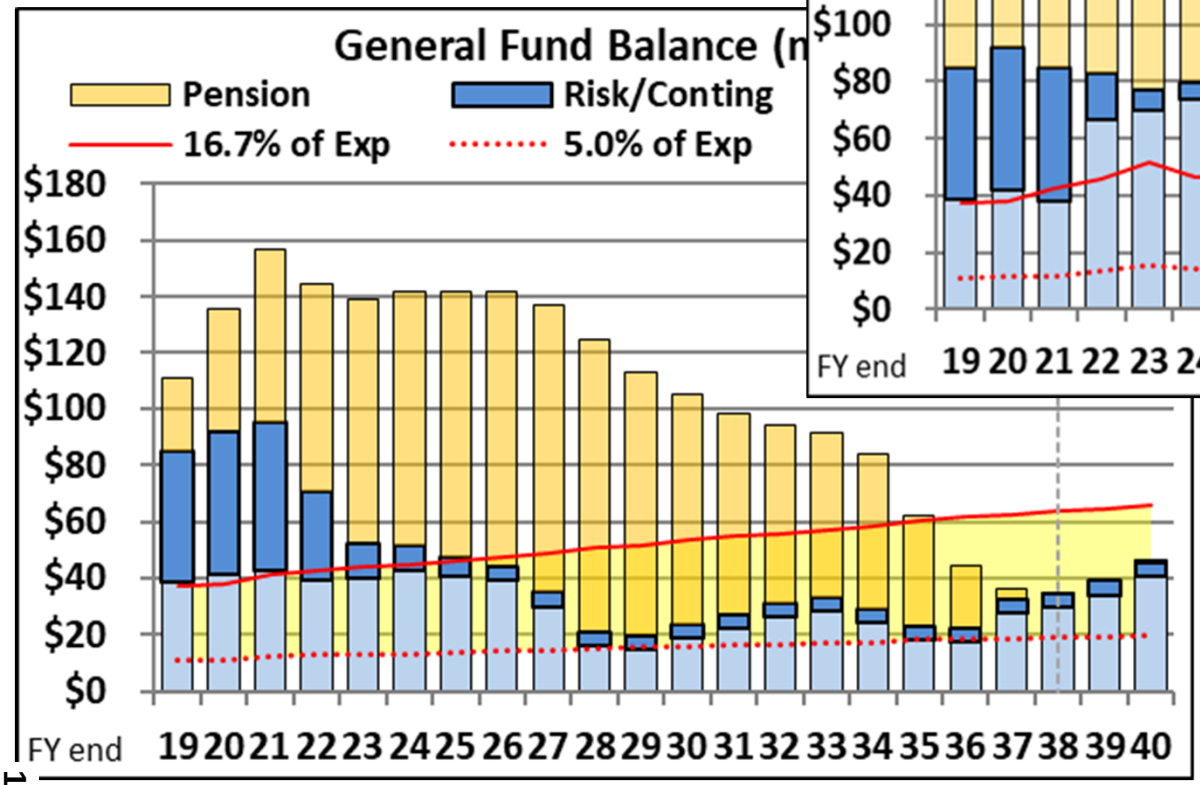


Long-Range Financial Plan

Updated FY 2022-23 Budget Version



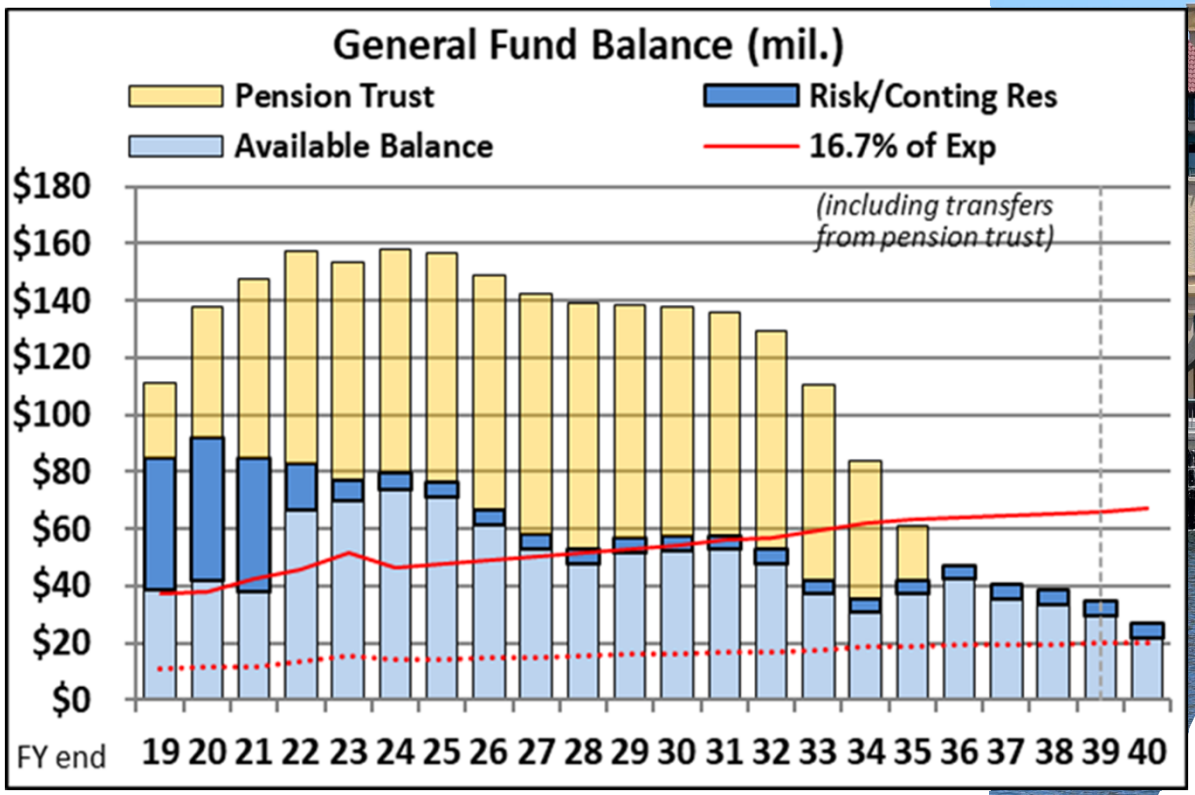
FY 2020-21 Year-End Version



Long-Range Financial Plan

Updates include:

1. Recession cycles start changed from 2020, 2027, and 2034 to 2025 and 2032.
2. Annual CalPERS valuation data and discount rate assumption change to 6.8% incorporated
3. FY 2021-22 and FY 2022-23 updated revenue projections
    1. New hotel construction
4. Updates for other funds that might need General Fund Support: Recreation, Measure W, Strong Communities, Fire Dispatch
5. Added 1-2 new FTE per year
6. Incorporates FY 2022-23 Proposed Budget



2nd Quarter FY 2021-22 Recommendation

- Accept this budget status report.
- Approve five budget amendments
  1. Ratify the movement of $234,300 in appropriation from the Community Services Golf Course fund budget to the Public Works General Fund budget for maintenance at VanBuskirk
  2. Increase the General Fund transfer to the Golf Fund by $120,000 and decrease the General Fund transfer to the Recreation Fund by $120,000
  3. Increase the General Fund Sales Tax revenue budget by $200,000 to cover a $200,000 increase in the Tax Collection expenditure budget
  4. Increase the Separation Pay expense appropriation by $400,000 from the Other Benefits Internal Service Fund available balance
  5. Appropriate $208,000 from PFF Street Improvement fund available balance to the Thornton Rd/Hammer Left Turn Lanes, Project Number WT15018

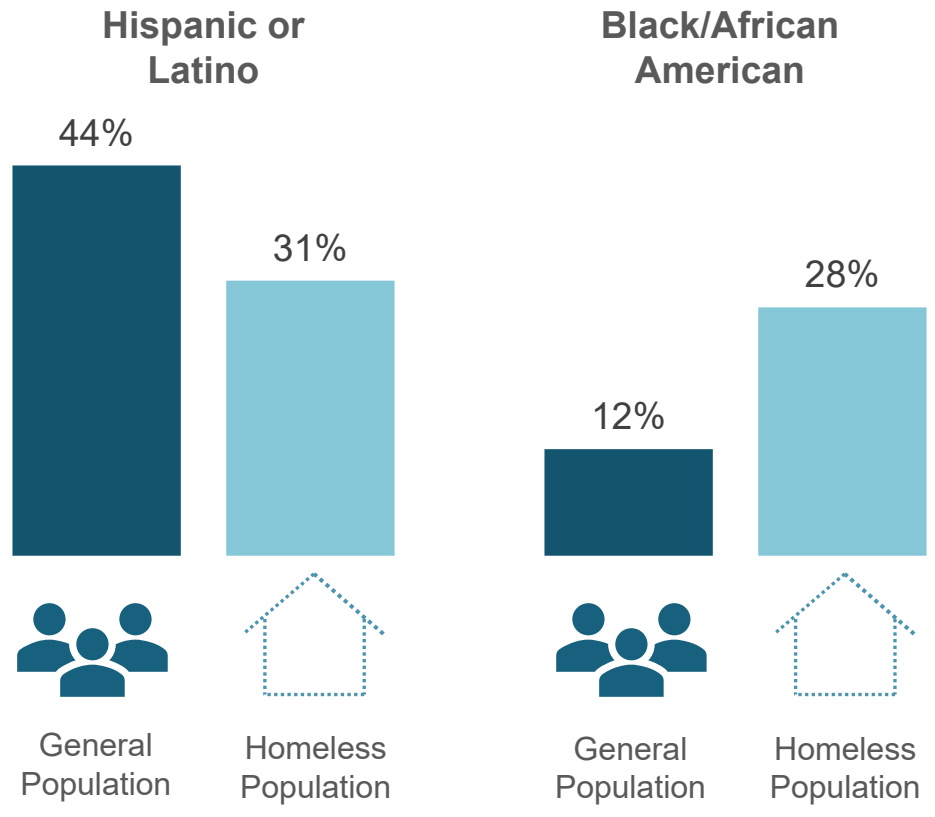
893 persons

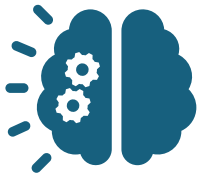


Source: 2022 SJCoC PIT Count; U.S. Census Bureau, QuickFacts Stockton. Retrieved 5/5/2022 from https://www.census.gov/quickfacts/fact/table/sanjoaquincountycalifornia,stocktoncitycalifornia/PST045221

Key Findings | Delivery system strengths and challenges

Challenges

- Service system is hard to navigate; CES not fully operational; HMIS is complicated and underutilized
- Service system underfunded and under resourced; need sustainable operational funding
- Lacking sufficient coordination resulting in service duplication and missed funding opportunities
- There is no common understanding of equity issues or actions to address them
- The 2022 PIT Count considered to be inaccurate—not standardized and did not reach all areas



Strengths

- The SJCoC is well attended and there are many partners willing to collaborate
- The 2020 Strategic Plan was adopted and serves as a framework for coordination and collaboration
- The service system has a solid agreement on the use of a CES, HMIS and the Housing First model
- New and expanded shelters are being developed and new navigation centers are being established
- Many diverse service providers and new state funding is scheduled to become available

Key Findings | Housing and Services Strengths and Challenges

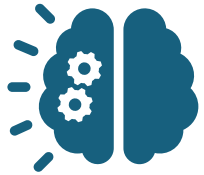
Challenges

Permanent Housing

- Short supply and long waiting lists
- Restrictive eligibility requirements
- Lack of landlords to offer Rapid Rehousing
- Lack of permanent supportive housing for large unsheltered population with mental health and physical health conditions

Emergency shelters

- Underfunded and understaffed
- Not all follow Housing First practices
- Not all housing focused
- Exclusionary policies for pets, partners, possessions



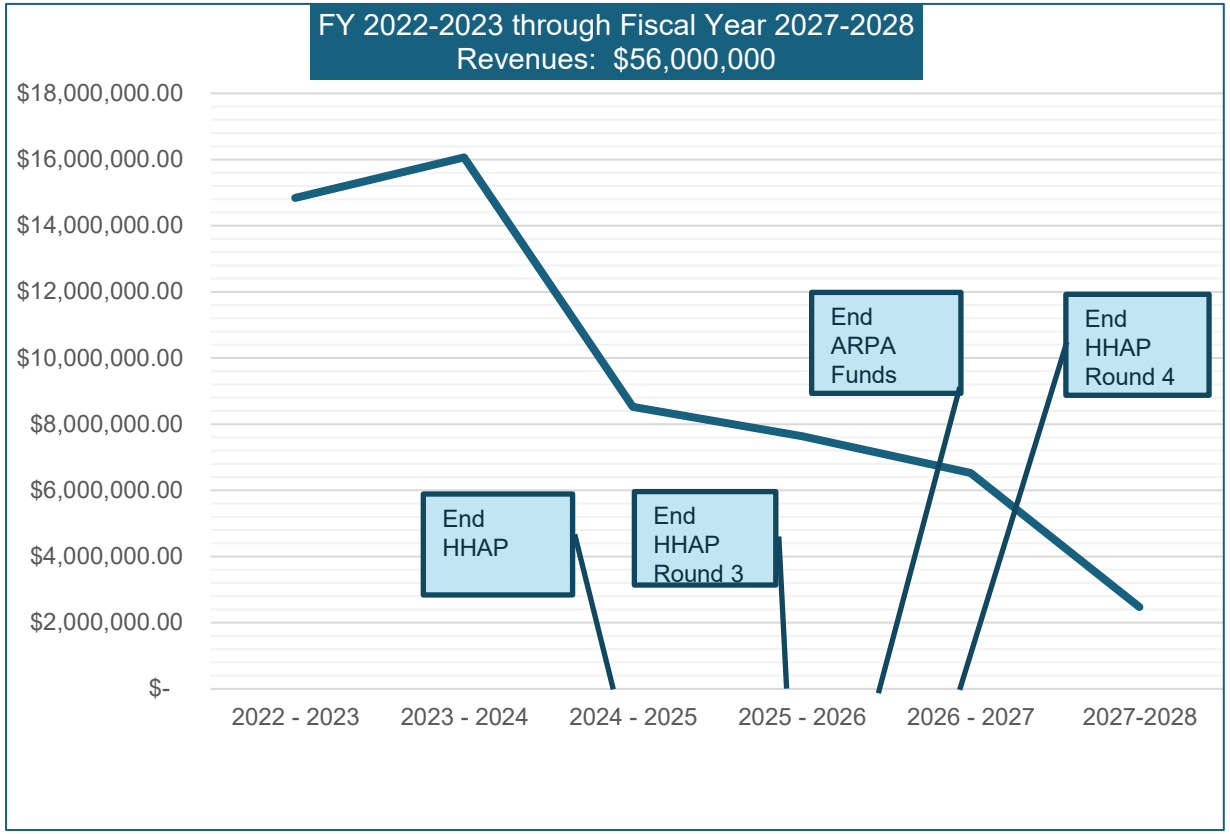
Strengths

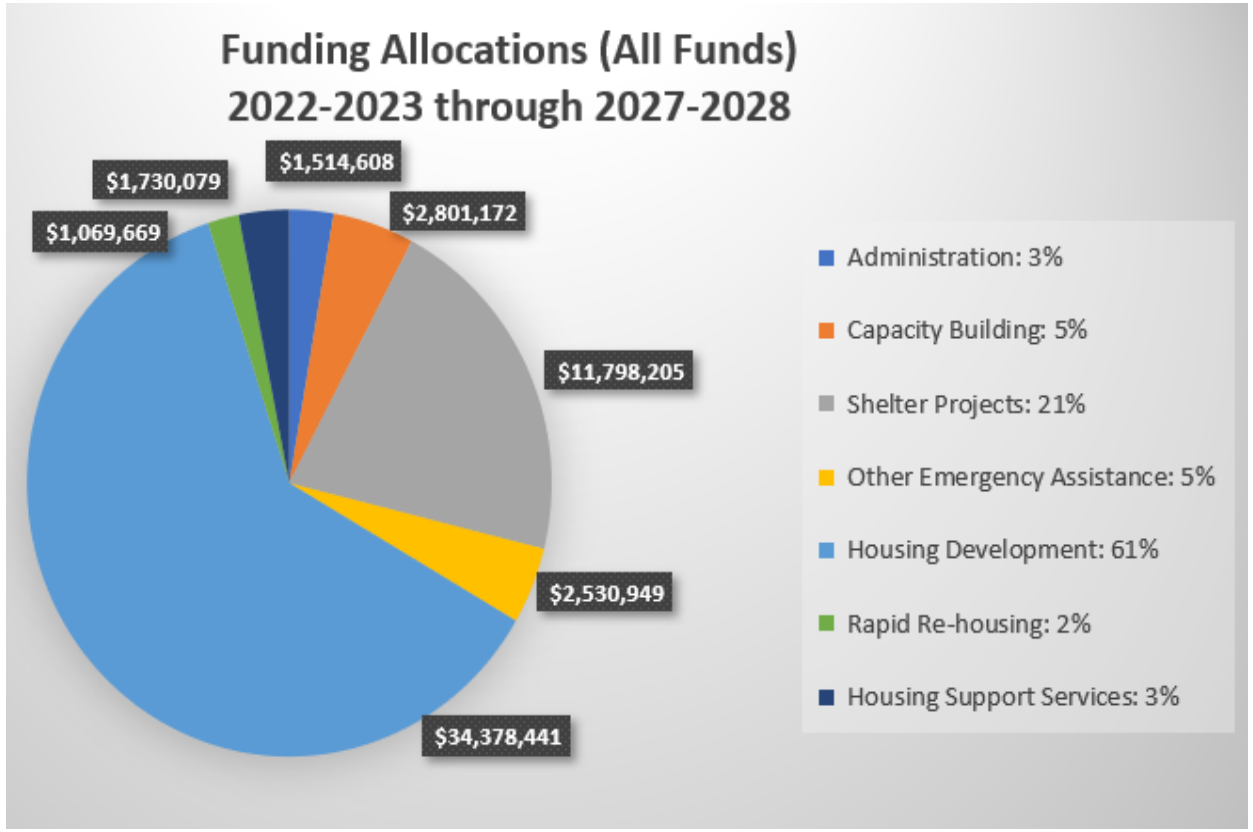
Strong multi agency and muti jurisdictional coordination on the development of permanent housing and permanent supportive housing

Many new affordable housing and permanent housing units are under development

New and emerging grassroots movement for change (e.g., Uplift, WE CAN, Housing Justice Coalition)

Homeless Revenues and Expenditures | Six-Year Plan

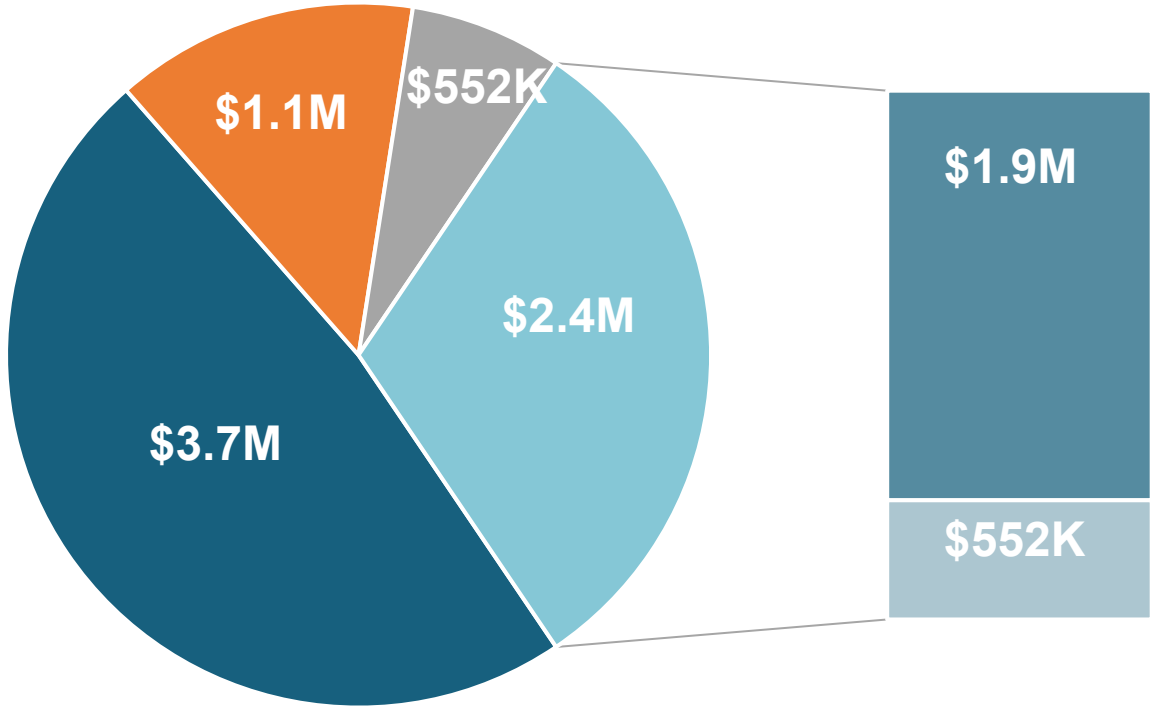




HHAP Round 3

Total Allocation
$7,893,270

Recommended 4-Year Spending Plan



GOAL 1: Coordinated System

- Capacity building
- Coordinated Entry
- PIT Count
- Data and HMIS

GOAL 2: Access to Crisis Response

- Shelter operations
- Tenant assistance*
- Meet basic needs*

GOAL 3: Access to Permanent Housing

- Affordable housing
- Rapid rehousing*
- Housing support services

* These projects are funded through HHAP Round 1, ESG, and CDBG.

Recommendations applicable through the anticipated HHAP Round 4

Outcome Goals | For Preventing and Reducing Homelessness

1	Reducing the number of persons experiencing homelessness (1a) and homelessness on a daily basis (1b)	▪ 5% decrease in people accessing services who are experiencing homelessness (400 fewer people); 15% decrease in people experiencing unsheltered homelessness (240 fewer people)
2	Reducing the number of persons who become homeless for the first time	▪ 5% decrease in people who become homeless for the first time (175 fewer people)
3	Increasing the number of people exiting homelessness into permanent housing	▪ 18% increase in people exiting homelessness into permanent housing (150 more people)
4	Reducing the length of time persons remain homeless	▪ 10% decrease in time to move-in into rapid rehousing or permanent housing (from 72 to 65 days)
5	Reducing the number of persons who return to homelessness after exiting homelessness to permanent housing	▪ 2% decrease in people who return to homelessness after exiting homelessness to permanent housing (8% fewer people)
6	Increasing successful placements from street outreach	▪ 1000% increase in successful placements from street outreach (200 more people)

NEXT STEPS

- Discuss Overall Plan
- Approve Plan and Submission of Grant Application on June 21, 2022

File #: 22-0545, **Version:** 1

ADOPT A RESOLUTION AUTHORIZING THE CITY TO APPLY FOR A GRANT AWARD FROM THE COUNTY OF SAN JOAQUIN TO ACQUIRE AND DEVELOP A LOW-BARRIER SHELTER PROGRAM FOR HOMELESS INDIVIDUALS

RECOMMENDATION

It is recommended that the City Council consider adopting a resolution to:

1. Authorize the City Manager to submit a request for, and accept, a one-time capital grant through the County of San Joaquin in the amount of $8,116,629 to support the creation of a low-barrier shelter program for homeless individuals.

2. Authorize an additional request to the County of San Joaquin of $1,371,450 to support the gap in operational funding for the first two years of operation.

3. Upon approval from the County, authorize the appropriation of $3,600,000 of American Rescue Plan Act funds, and total County grant funds, to the Salvation Army of Stockton for daily costs associated with operating a 125-bed shelter and capital project needs.

4. Authorize the City Manager, or designee, to take appropriate and necessary actions to carry out the purpose and intent of this resolution.

Summary

In 2019, the City of Stockton declared a local Homeless Emergency, and in 2020 adopted a Strategic Plan, outlining the intended Community Response to Homelessness. A key strategy is to increase the number of low-barrier shelter beds and to strengthen the ability of shelter programs to successfully assist homeless individuals in finding a permanent home. The general purpose of this recommendation is to pursue funds from San Joaquin County to support a local community-based organization to construct and develop a low barrier shelter program, and, if capital funds and additional support are authorized by the County, to provide operational support of $3,600,000 American Rescue Plan Act funds previously allocated for this purpose to the Salvation Army of Stockton (Attachment A - Salvation Army Application).

DISCUSSION

Background

On September 14, 2021, Council approved the City of Stockton's American Rescue Plan Act (ARPA) funding distribution. This approval included $12.15 million for Homelessness/Housing, under which $3,600,000 was approved for Low Barrier Shelter Beds under the category, Housing Support:

Services for Unhoused Persons.

Under the rules issued by the United States Department of Treasury, ARPA funds must be obligated by December 31, 2024, and expended by December 31, 2026.

On December 12, 2021, Council directed the City Manager to pursue capital grant funds from San Joaquin County for 125 low barrier shelter beds.

On March 8, 2022, the City's Department of Economic Development released a Notice of Request for Project Concepts and Funding Availability for Low Barrier Shelter Beds.

On April 18, 2022, four (4) submissions were received and reviewed, of which two were deemed incomplete without full narrative responses.

Submissions were received from:

- Gospel Center Rescue Mission (Gospel Center)
- Salvation Army of Stockton (Salvation Army)
- Uplift Foundation
- Fresh Start Transitional Housing and Reentry Program

A panel of four individuals reviewed and scored the proposals. Panel members included: a current county Health Care Services Agency employee, a current Continuum of Care board member, a retired member of San Joaquin County Behavioral Health Services' executive team, and the City's consultant providing staff augmentation to the Economic Development Department.

The review team submitted the following findings:

- Gospel Center proposed a shovel-ready project concept for a men's sober-living program, but the review team questioned whether the project met the requested low-barrier shelter program specifications.
- Salvation Army submitted qualifications to operate and maintain a low-barrier shelter bed program, per City specifications, but the review team identified a deficiency in the application in that site control was not sufficiently demonstrated and questions remained about commitment to operating a low-barrier program.

Interviews were conducted by City staff to discuss their submissions. Interviews were the same length of time and used a standard set of questions. During the interviews the following findings were made.

- Gospel Center clarified that the project submitted for consideration was to complete the build-out of its Men's New Life Program, a sober living program for men and that no portion of the funds would be allocated to the development of low-barrier shelter beds.

However, the Gospel Center stated that if capital funding is received no requests would be made for operating funds, as Gospel Center leadership understands that its program activities fall outside of eligible uses for public funds.

- Salvation Army clarified its commitment to operating a low-barrier shelter program and described experience in operating more than 8,000 low-barrier shelter beds throughout California. Salvation Army staff described how a low-barrier shelter can provide reasonable accommodations for pets, partners, possessions, and privacy, while at the same time maintaining behavioral and safety expectations.

  The Salvation Army described ongoing negotiations with the property owner of the proposed site and agreed to submit for the City's consideration a signed letter from the property owner attesting to their willingness to enter into a long-term lease agreement with Salvation Army for the purpose of operating a homeless shelter, should the organization identify funding for the lease and associated build-to-suit renovations. In addition, a detailed operational budget was requested.

Present Situation

An estimated 800-900 individuals are sleeping outdoors, unsheltered on any given night in Stockton, based on current and historic Point-in-Time count results. There are a total of 554 homeless shelter beds in Stockton with an average occupancy rate of 61% (based on the January 2022 Housing Inventory Counts).

A recent survey of unsheltered homeless individuals in San Joaquin County found that chronic homelessness is severe and persistent with over 25% of those interviewed being homeless for five years or more and that only about half (52%) of the 243 persons interviewed had stayed in a shelter overnight. Among those that had previously stayed at least once in a shelter reported their reasons for not using shelters range from perceptions of safety (36%) to being welcomed (26%). Those who have never stayed in a shelter shared concerns about pets (20%) and being able to stay with a partner (12%).

Overall, the survey portrays a hesitation by those that are unsheltered to use shelter services, despite availability, and despite having nowhere else to go. Residents of local encampments recommended the development and design of more inclusive sheltering options that help them stay close to their pets (a third of participants have at least one pet) and with a spouse or partner (38% of participants mostly have someone they trust that is usually with them).

Based on the number of unsheltered homeless individuals and the needs expressed by survey respondents, the City is investing in the development of low-barrier shelter beds to augment existing capacity with enhanced design and programming approaches to accommodate pets, partners, possessions and provide for some privacy. New low- barrier shelter programs will allow guests to choose either night-by-night stays or to register as a guest for longer stays with more intensive housing navigation services.

Shelter Beds in Stockton	
Existing Shelter Beds (2022 Count)	554
Beds in the Pipeline (Stockton Shelter Expansion) *Previously approved*	180
Additional Expansion (Salvation Army) *Proposed project*	125
Total, if approved	859

If approved, a one-time capital grant will be sought from San Joaquin County for costs associated with leasing and improving a property located at:

1188 S. Airport Way
Stockton CA 95205

The proposed property is zoned light / limited industrial (IL). Emergency shelters are a permitted use, per Stockton municipal code.

The property owner is:

GBM Realty, LLC
June Chen,
Managing Partner

Currently, the property includes a large-paved area, a warehouse, and several smaller out-buildings. The proposal is to convert the warehouse into a shelter and use the smaller out-buildings for various storage related purposes.

The development team, consisting of: RPM Team, a construction management team, and G&G Builders, a licensed general contractor, have agreed to work with the Salvation Army should funds be awarded in the design and renovations of the existing on-site facility.

The agreement with the landlord is to enter into a ten-year lease with an optional five-year renewal. It is proposed that the first ten-years of the lease be paid up front with the capital grant. Additional funds would need to be identified to renew the lease.

Budget Submission by Applicant:

Estimated Costs	**Amount**
10-year lease (Paid up front) 120 months at $19,000/mo.	$2,280,000
Construction and Renovations	$4,951,785
Additional Costs (11%) (permitting, fees, design, demolition, abatement, landscaping, insurance, and overhead)	$884,844
Total	$8,116,629

For a capital project of this scope, the City should anticipate a significant amount of upfront costs

prior to service delivery. Upfront costs will likely include a range of expenses: site lease, project management, site design and permitting, site preparation and renovations, and hard costs associated with equipping and furnishing. To complete work on time and on budget the City should plan to advance funds for project development and program start-up.

A total of $3,600,000 of ARPA funds have been received and allocated to support low-barrier shelter beds. The estimated annual cost of operations of this shelter program exceeds the funds allocated by the City for sheltering. The two-year cost of operations for this program, which the County has asked the City to fund, is $4,971,450. The gap in funding is $1,371,450.

However, the City of Stockton has also approved the expansion of the Stockton Shelter for the Homeless, committing funding for the development of an additional 180 beds. The City has not committed or identified funds to support the operational costs expansion at the Stockton Shelter.

The estimated annual cost to operate the proposed Salvation Army shelter is $54.50 per day per person for 125 guests.

Operating Expenses	**Annual Cost**
Salaries and Benefits	$ 1,624,275
Supplies, Utilities, Trainings, Food, Hygiene, etc.	$ 635,475
Administrative Overhead	$ 225,975
Total	$ 2,485,725

FINANCIAL SUMMARY

There is no financial impact to the City's General Fund or any other unrestricted fund as a result of taking the action. The Low-Barrier Shelter Program funds will be appropriated in the Economic Development Department Prepaid, Special Grants fund. Over the long-term, additional funding will need to be identified to sustain shelter operations, which may result in future requests for funding from the program operator. Approving this request may also have an impact on the City’s capacity to support existing shelter programs within the City that have historically received City funds.

DOING THE MOST GOOD

THE SALVATION ARMY DEL ORO DIVISION
SERVING NORTHERN CALIFORNIA & NORTHERN NEVADA

April 17, 2022

Stockton Homeless Initiative

To Whom It May Concern:

In 1865, our Founder, William Booth began the work of The Salvation Army in the Lower East End of London when he saw the plight of men and women suffering in the streets with addiction, hunger, and homelessness. This inspired him to write his famous book In Darkest England and the Way Out in 1890. In this book he writes about his plan to help the poor and needy, and his ideas were summarized in what he termed 'The Cab-Horse Charter'. Booth said, "When a horse is down, he is helped up, and while he lives, he has food, shelter, and work. That, although a humble standard, is at present absolutely unattainable by millions – literally by millions, of our fellow men and women."

What William Booth wrote over 130 years ago, unfortunately still rings true today. However, Booth's 'Way Out' philosophy has been the foundation of our organiz tion's mission to 'meet human need in His name without discrimination', and this has been the case sinc The Salvation Army began its work in Stockton, California in 1884.

The Salvation Army will help to reduce the homeless population in Stockton by acquiring an existing warehouse which, after renovation, will be able to accommodate up to a total of 350 low-barrier beds for both men and women. Our program participants will be assisted by case managers who will help provide wrap-around services and referrals to The Salvation Army's Rapid Rehousing Program upon intake to expedite the housing navigation. Some of the services we will provide will include, but not be limited to, individual case management services, establishing essential government assistance, wrap-around services, job training/workforce development opportunities, counseling, and addiction services. The goal is to provide barrier reduction strategies and strengths-based case management, as well as a safe and secure shelter stay by having qualified staff and video surveillance 24/7.

'Center of Hope' Strategic Initiative Team

- Captain Juan Oregel – Local Salvation Army Officer and Stockton native who was a former beneficiary of The Salvation Army's Adult Rehabilitation Center in Stockton, before becoming a Salvation Army Officer. Since returning home in 2019, he has a strong passion to rescue and resolve the city's homeless population.

- Major Pam Brackenbury, MACL– Divisional Program Secretary for The Salvation Army Del Oro Division, who holds a master's degree in leadership and has spent over 35 years providing programmatic leadership in various cities across the Western United States.

- Daysi Lawton, Psy.D.– Divisional Dir. of Social Services for The Salvation Army Del Oro Division who holds a doctorate in clinical psychology, was a mental health specialist in Contra Costa County, and has worked with numerous non-profits throughout the Sacramento region for several years.

· Vince Beresford – California State Director for The Way-Out Initiative for The Salvation Army, has 25 years of experience in strategic planning and now heads the California Initiative to double the Army's impact on homeless services in the next five years. Having grown up in numerous homeless shelters subjected to drugs and violence across Los Angeles, Vince's passion for homeless services is what motivates him today.

· Cindy Basso, Esq. – As a Stockton native and homeless community activist, Cindy's strong desire to see her city's homeless population reduced by rehousing and reintegration into the community is her passion. She has been an instrumental part of the building acquisition and assisting with the overall project development.

The contacts for this project will be:

Confirmation of Documents and Insurance

All documents include in this NOFA Proposal have been reviewed and acknowledged by The Salvation Army. Upon notification of The Salvation Army being awarded this program contract, The Salvation Army will provide all insurance documents needed to fulfill the requirement of this contract.

The Salvation Army stands poised to play a significant role in helping to reduce the overall homeless population in Stockton and San Joaquin County. We have almost 160 years of experience in dealing with human needs, and a track record second to none in our overall assistance to the homeless community. Our ability to utilize our name recognition for fundraising, and our proven track record of partnering with other community entities for overall success rates, makes our role in this plan essential for a positive outcome for those in need.

Respectfully Submitted,

John Brackenbury, Major
DIVISIONAL COMMANDER
The Salvation Army
Del Oro Division

City of Stockton Economic Development Department
NOFA for Low Barrier Shelter Beds

Section A: Agency Capacity to Develop Project

1. **Purpose/Mission:**

The Salvation Army, an international movement and non-profit organization, exists to meet human needs in communities where help is needed without discrimination. Locally, The Salvation Army began serving the Stockton community in 1884, throughout its 138-year history, services and programs have evolved and expanded based on the unique needs of Stockton and San Joaquin County. Over the years, The Salvation Army has grown to be a leader of homeless services in the region.

2. **Experience**

The Salvation Army is the longest standing non-profit organization in California serving the homeless population. With over 140 years of experience. The impact is imminent as we currently house over 9000 people experiencing homelessness every night in California, we have 3,002 transitional housing beds, 2,236 shelter beds, 2,234 permanent housing beds, and 1,563 recovery & wellness beds. We currently have 94 properties in California designated to fight homelessness. In addition, we distributed $7.5 million dollars to help prevent eviction in 2021. The Salvation Army provided 261,784 nights of shelter during the height of the pandemic. We are successful because our approach consists of combining wrap-around services that help our clients become housed, healthy and self-sufficient. Furthermore, The Salvation Army has more no-fee rehabilitation facilities than any other program in America.

The Salvation Army Stockton Corps supports Stockton's homeless population by providing services through our Mobile Outreach Van. This service consists of providing information and resources that can be utilized immediately with the goal of sustainable housing. The guests can choose the services that best fit their needs through the collaboration of many partners in the San Joaquin community. Guests also benefit from The Salvation Army Stockton Corps (TSA Stockton) Social Service program whose main purpose is feeding the community. TSA Stockton provides 250 to 350 boxes monthly for families

experiencing food insecurity. Other services include assistance with utility payments through the PG&E Reach Program. We also help with referrals to other community programs such as the Heap Program that assists with utility payments and weatherization. Other referrals are made to community partners that assist with issues surrounding ID's and clothing vouchers for fire victims that have been displaced. As well as The Salvation Army's Community Center after school program. The Community Center serves children ages 5 to 17. Besides being a safe environment for children, the program offers acting classes, arts and crafts, sports such as basketball leagues, soccer, and ping pong. The TSA provides healthy snacks and offers an opportunity to access spiritual teachings to those youth that want to participate. This is an optional program and choosing not to participate, does not disqualify the youth from any other services. The program also provides adults and seniors with a location to exercise, participate in weekly basketball league, arts and crafts, movement classes, bible studies and women fellowship groups. All spiritual support is by choice and not a requirement for program participation. The program has a welcoming atmosphere for people at any stage or circumstance in their life. Guests feel welcome and loved. Additionally, TSA Stockton provides Emergency Disaster Services to assist with natural and man-made disasters. TSA Stockton officers and volunteers are prepared to dispatch our canteens to local emergencies and provide food and spiritual support to those in need. The canteen is also available to serve our homeless populations.

TSA Stockton partners with other organizations at outreach events to serve people experiencing food insecurity. Some of our current partners are United Way of San Joaquin County, Bread of Life, El Concilio, San Joaquin County Behavioral Health, Stockton Police Department, San Joaquin County Sheriff's Department, The California Highway Patrol (CHP), Lincoln Unified School District, The City of Stockton, Mayor's Office, The San Joaquin County Board of Supervisors, The San Joaquin District Attorney, The Municipal Court House.

City of Stockton Economic Development Department
NOFA for Low Barrier Shelter Beds

3. Capacity

The principles of HUD's Housing First approach are employed by all The Salvation Army's federally, state and locally funded homeless serving programs. Participation in case management, substance user recovery and job training are not requirements for intake into housing or homeless programs. Furthermore, shelter guests may select their housing or supportive services. The Salvation Army manages several community partnerships for the service of coordination of shelter guests. Guests work alongside a program specialist to identify existing and potential barriers to housing, employment, and overall self-sufficiency.

The total fiscal year 2022 operating budget for The Salvation Army Del Oro Division is $74,609.000. The operating budget for TSA Stockton is $1,805.457. We have applied for grants including ESG, Community Foundation, Sozosei, and T.L. Williams. We were awarded $12,711 from ESG and 25,000 T.L Williams for transportation costs associated with the outreach vehicle. The Salvation Army leverages existing partnerships in the community to help expand this program. Internal and external audits are conducted annually to ensure adequate oversight and management of fiscal systems.

The homeless outreach program has been added to the menu of options provided to donors who have an interest in mitigating homelessness in these geographies. We have several strong relationships at the TSA Western Territory level that can be leveraged to provide support. The Del Oro Division also provides leadership and support for this program and has a fundraising team that has strong relationships with individual, foundation, and corporate donors. Oversight and monitoring will continue at the local, divisional, and territorial levels. The TSA Stockton will continue collaborating with individuals, other funders, and nonprofit organizations to ensure that the project continues after the funding award ends.

NOFA for Low Barrier Shelter Beds

4. Project Leads

Major Pamilla Brackenbury, Divisional Leadership/Del Oro Salvation Army: with over 35 years of experience in The Salvation Army serving in a variety of leadership positions across the Western United States. Pamilla holds a Masters Degree in Leadership from Indiana Wesleyan University with a minor in Bible. Created a long running fundraiser for The Salvation Army of Sacramento, proven track record in programming and fundraising within the organization.

Gerard Callahan, President/Project Executive: Gerard has broad range or experience within the commercial construction industry including Sprung Structure erection, ground-up construction, Tenant improvements, Public Works including parks, Play Structures and Site Furnishings.

Tom Stavropoulos, Project Manager: Tom experience consists of General Contractors and Subcontractors from interior Tenant Improvements to Ground-up construction

David Renard, PM/PR President: David's experience consists of accelerated design-build firm specializing in rapid rise, accelerated public and private projects using pre-engineered, prefabricated, and modular construction building products.

Faisal Elhalis, PE: Faisal is licensed Mechanical engineer. He is experienced in heating design, ventilation, air conditioning and plumbing systems.

Erick Montano, Field Superintendent/Supervisor: Erick has on-site field experience within commercial construction, including Sprung Structure erection, ground-up construction, Tenant Improvements, Public Works including parks/play structures/site furnishings.

Victoria Alvarez, Project Engineer: Vitoria has seven years construction experience managing Field Superintendent/field crews, scheduling, and maintaining relationships with vendors/subcontractors to ensure projects maintain schedule, efficiency, and budget.

Rick Van Diepen, AIA, NCARB, LEED AP BD+C: Rick specializes in rapid, rise, accelerated public and private projects using pre-engineered, prefabricated, and modular construction building products.

NOFA for Low Barrier Shelter Beds
Dmitriy Lashkevich, MBA, PE, QSD, QSP: Dmitriy specializes in rapid, rise, accelerated public and private projects using pre-engineered, prefabricated, and modular construction building products.

Section B: Project Vision and Implementation Plan

1. **Approach to Services**

The Salvation Army's vision is to double our impact in Stockton through reducing homelessness. We propose to accomplish this by providing renovations to an existing building accommodating up to a total of 350 beds for low barrier shelter access, including pets, partners, and possessions. Each guest will be assigned a case manager with an ideal caseload of 1-20. Furthermore, guests will be referred to The Salvation Army's Rapid Rehousing Program upon intake to expedite the housing navigation. The goal is to provide barrier reduction strategies and strengths-based case management, as well as a safe and secure shelter stay by having qualified staff and video surveillance 24/7. All staff will have harm reduction training, mental health and First Aid training, Trauma Informed Care training, and Vulnerable Adult Safety training; this training is our Protective Mission and is an intrinsic value in all Salvation Army run shelters. Additionally, staff will follow standardized procedures on reporting safety incidents both internally and externally. The Salvation Army embraces the diversity of the community it serves and has zero tolerance to discrimination. Our current staff and leadership team reflect Hispanic, African, Caucasian, Asian and other communities. Services will be available in English, Spanish, Cambodian and Vietnamese. We will collaborate with other agencies who will assist in translating services into other languages on an as-needed basis. All staff members require cultural competency training.

2. **Implementation Plan**

Once funding is obtained and the construction begins, The Salvation Army will work alongside the mobile homeless outreach program and Coordinated Entry system to identify potential guests. The Salvation Army Center of Hope once in operation, will identify guests that are willing to participate and once the construction is complete, guests will be given the opportunity to receive services the same day,

regardless of barriers such as having property stored, partners, and pets. Guests will be provided services without discrimination of possible mental health difficulties or behavioral difficulties. The Salvation Army of Stockton has already established partnerships with local agencies that operate with the Coordinated Entry.

The budget is a total of $8,116,629. This includes a ten-year lease on the property, architectural plans, permits, construction, as well as initial capital costs. Costs have been computed using prevailing wage when required. Because of the size of the building, the shelter can accommodate up to 350 guests without further costs. Realizing that the operating budget available may only cover 100-125 guests, as the program grows and is successful, everything will be in place if the city wishes to increase the number of guests.

3. Operations

The Salvation Army envisions a Low Barrier Shelter that will provide a welcoming, safe environment to all its guests, and staff. The program will allow for guest owned animals, adhering to statewide guidelines for service and support animals. The shelter will provide storage bins, lockers, and a lockable closet for each client as well as lockable storage container for client's possessions. Partners will be welcomed in the shelter and will be provided a list of behavioral guidelines that promote a safe environment. Our Shelter Rules and Regulations will consist of establishing shelter hours from 7:00 am to 9:00 pm. After hours entry and exit will be allowable only for documented needs like employment, doctor appointments, medical emergencies, education requirements and law enforcement drop offs or transports. All guests will be subject to searches of their person and individual property at the time of check in and during their stay at the shelter (no illegal drugs, weapons or alcohol will be allowed in the property). Any weapons will be turned over to staff upon security screening of shelter guests. Weapons will not be permitted on the premises. Showers and proper hygiene will be strongly encouraged. The facility will have showers and toilets available for all guests, regardless of their gender or gender identity. Fighting, intimidation and

bullying will not be permitted, we will practice zero tolerance. Vulgar, profane, loud, unsafe, obnoxious, or dangerous language or behavior will not be permitted. Smoking, vaping, or tobacco use will be permitted only in the designated smoking areas on the property. All sexual relations are prohibited in the building. No co-habitation of beds will be allowed; all beds will be twin size beds and will be only occupied by one person and cannot be moved or pushed together due to fire safety codes. Any infractions of this rule will result in removal from shelter. All personal items and medications will be locked in personal storage areas, lockers, or locked closets each day. Salvation Army staff will dispense the medicine twice a day to the guests.

Employee Outline staff to client ratio for a minimum of 350 emergency clients will consist of the following: Shift 1 will have 6 monitors, 4 Case Managers, Director, 2 maintenance, 2 Janitors, 3 Security on site. Shift 2 will have 8 monitors, 17 Case Managers, 1 Janitor, Deputy Director, 3 securities on site, 1 HMIS Intake Coordinator. Shift 3 will have 6 monitors, 1 Janitor, 3 security on site. If only a 100-125 guests the number of staff will substantially decrease.

4. **Collaboration**

The Salvation Army provides a continuum of service for the homeless population nationwide and locally. Our goal is to invite community partners to the Hope Shelter attempting to make available all services accessible in house. Some of the community services The Salvation Army will collaborate with:

- County Mental Health Services
- Dignity Health,
- Worknet
- Department of Human Services
- RTW
- Gospel Rescue Mission Center

City of Stockton Economic Development Department
NOFA for Low Barrier Shelter Beds

5. Safety

The Salvation Army if awarded this NOFA will be able to accommodate up to 350 bed low barrier shelter available 24/7 days per week. As operator of the shelter, The Salvation Army would request on site security for the duration of the operator contract. The Security Services Agency must possess license documentation and state certification for Security Guard Services. Security will consist of one Security Guard inside the building 24/7, and two Security Guards outside of the building 24/7. The security guards will have the ability to be in contact via radio. Our staff will consist of Case Managers, morning, afternoon, evening and overnight Monitors, Maintenance, Janitor, Deputy Director, HMIS/Intake Coordinator.

The Salvation Army personnel will, within the course of their duties, conduct themselves in a manner that is consistent with the discipline and expectations of The Salvation Army. The Salvation Army personnel will do their utmost to prevent abuse and neglect among guests involved in activities and services. The Salvation Army personnel will not abuse or neglect a guest in any manner whether physically, emotionally, financially, or psychologically. The Salvation Army personnel will share concerns about inappropriate behavior or policy violations with their supervisor. The Salvation Army personnel will obey the laws and will report any suspected abuse or neglect of a guest whether on or off Salvation Army property, whether perpetrated by Army personnel or others, to the government authorities. The Salvation Army personnel understand that The Salvation Army will not tolerate abuse and agree to comply in spirit and in action with this position. The Salvation Army personnel will accept their personal responsibility to protect guests, from all forms of abuse. The Salvation Army personnel will endeavor to be a source of help to families in which abuse, and neglect of a guest has become a problem. The Salvation Army personnel will not retaliate against other staff or guests who complain or report abuse.

City of Stockton Economic Development Department
NOFA for Low Barrier Shelter Beds

6. Outcomes

The goal of the program is to assist homeless with permanent housing. This goal will be accomplished with the following action steps:

1. Complete renovation of transitional emergency shelter to accommodate up to 350 guests.

2. Hire staff to operate the program.

3. Conduct community outreach at homeless encampments in Stockton to identify program participants.

4. The Case Managers will meet with assigned participants within the first seven (7) days of arrival to develop a case plan, which will include an individualized housing plan. The Case Managers will provide one-on-one case management services once per week. During these meetings the Case Manager will provide coaching, goal monitoring, barrier checks, service coordination and case plan modifications. This may include financial assistance to help guests reach goals. All requests for specific financial assistance must undergo review with the Program Manager and approval by Corps Officer(s).

5. Case Conferences will provide another component of case management. The case conference team will meet weekly and will include Corps Officer(s), Program Manager, Program Specialists, and any authorized outside service providers (i.e., county social worker, probation officer, behavioral health professional). During these case conferences the goal will be to: evaluate outcomes, support case coordination and problem solving, review progress and barrier to self-sufficiency goals, identify and track programmatic issues and strategize solutions, monitor, and mitigate behavioral issues.

6. Program evaluation

Section C: Analysis of Site and Project Readiness

1. Short Response

Address and Parcel Number: 1188 S. Airport Way, Stockton, CA 1614014662-KR

Current Owner of Record: GBM Realty, LCC

City of Stockton Economic Development Department
NOFA for Low Barrier Shelter Beds
Statement of Site Control or Likely Acquisition: Lease

City of Stockton Zoning Designation and Allowable Uses: APN 151-350-27

2. Site Analysis

2.1 Site Location, Neighborhood, and Zoning

Property is zoned Light Industrial and emergency shelters are a permitted use though adding a "feeding center" will require a conditional use permit. See attached images from local parcel maps (image 9 and 10). With a strong relationship with Stockton's building department, we think the conditional use permit can take around two months once the application goes in because it has to get on one or more board meeting agendas. Though, there is a decent chance that an emergency shelter already allows for a dining facility which could eliminate this two-month timeline. Stockton Muni code regarding zoning requirements for emergency shelters can be found here: https://library.qcode.us/lib/stockton_ca/pub/municipal_code/item/title_16-division_3-chapter_16_80-16_80_155

2.2 State of Existing Built Environment

Original date of construction unknown. Any renovations or updates made since original construction are unknown; from site visit it appears no renovations have been made aside from the metal building addition to the north side of the building.

Proposed upgrades include: No inspections have been performed. Upon award of NOFA, the team will perform materials testing for contaminated surfaces of asbestos, lead paint, or mold and abate and remediate where necessary. The boiler room and equipment has been deemed hazardous and would require abatement before demolition.

If Stockton planning deems a change from light industrial to accommodate dining facilities, then we would face an additional two months to the project schedule. No other issues have been identified that would impede the site and building development.

2.3Assessment of Site Challenges and Plan for Resolution

The boiler room and equipment has been deemed hazardous and would require abatement before demolition. If Stockton planning deems a change from light industrial to accommodate dining facilities, then we would face an additional two months to the project schedule. No other issues have been identified that would impede the site and building development.

3. Site Design

3.1 Site Description

APN 151-350-27, at 1188 S Airport Way in Stockton is a site under 2 acres that is paved for parking with perimeter fence and gates with an existing building on site. The building is a one-story concrete tilt up structure with a Glulam enforced roof diaphragm and two mezzanine levels. The building has a large, open central corridor with perimeter wings that are broken up into individual rooms and an overhang on the exterior that can be used for outdoor gathering space. The perimeter wing rooms create a natural interior perimeter of the proposed dormitory spaces, the exterior rooms will be used for classrooms and common space. The building is flanked by two areas for parking that could be utilized for staff and resident parking and still leave room for outdoor gathering space complete with tables and chairs and sports/active entertainment. There is a metal building addition to the north end of the building that can be used for resident storage and a space for resident's pets.

3.2 Proposed used of Site

Planned renovations: Building clean up; paint removal, electrical removal, broken window and door removal, elevator decommissioning. Demolition and remediation of boiler equipment. Demolition of storage mezzanine adjacent to boiler room. Structural reinforcement and upgrades of staff mezzanine at southeast corner of building. Abandonment of mezzanine on north side of building, replace area with clearstory lighting for daylighting in north side of building. Repair or removal and replacement of all interior and exterior rolling service doors. Removal and replacement of all interior T Bar acoustical

ceiling assemblies. Replacement of all interior and exterior doors with appropriate access controls. Replacement of all windows. New roof with solar tubes for daylighting. Trenching where needed on interior slab for sanitary and sewer lines to connect to bathroom and shower modular units, with in-fill. Repair of water and utility lines for the room adjacent to the boiler room for laundry services. Bracing improvements for glulam beam connection to concrete wall columns. Cage off all electrical panels. Renovate room on the northwest to convert to commercial kitchen and install kitchen equipment, hood, and exterior grease trap. Procure and install modular bathroom and shower units. Build a new structural partition wall system for interior traffic control. Install low voltage systems with new electrical upgrades. Install new fire sprinkler and fire alarm systems. New exterior fencing and gates.

Slurry resurfaces of existing, degraded asphalt. Addition of dog kennel area under existing exterior canopies Addition of exterior table and chairs under existing shipping canopy to serve as outdoor dining and smoking area. Seal and polish concrete. Ramping where necessary for ADA.

New kitchen including epoxy floors and FRP allowance. Cabinetry for kitchen and staff bathroom areas. Signage where necessary. Install exterior site furnishings. Renovate and replace HVAC system along with individual tenant heating and cooling systems.

Planned spaces: Separate dormitories for single men, single women, couples, and a smaller "come as you are"/sleep off room, along with another small area for isolation and night episodes. Planned total residents of 350 individuals. Commercial kitchen and dining area. Two classrooms. Entryway and small intake offices. MPOE and maintenance room. Chapel area in between the dormitories. Bathrooms and showers located close to dormitory areas.

Programming and case management space and offices on first floor adjacent to dormitories.

Staff and security space on mezzanine in southeast corner of building. Laundry area. Exterior dog kennel. Exterior dining and smoking area. Exterior storage yard for resident's belongings (or to be planned in metal building addition currently on north side of building).

3.3 Low barrier / Target Population Design Considerations

The shelter program will allow guest owned animals that adhere to statewide guidelines for service and support animals. Guests with possessions will be provided one storage bin, one locker and one lockable closet as well as lockable storage and container for bicycles (one bicycle for each client). It will be the expectation that all shelter guests agree and adhere to behavioral guidelines. Shelter guests are prohibited from all sexual relations in the shelter or on The Salvation Army property. Male clients have the choice of sleeping in the male dorm areas, females can sleep in the female dorm areas and if a guest identifies as 'other' or 'LGBTQ' they have the choice of sleeping in an Alternate Accommodations Room. Couples will be able to choose to sleep in the Alternate Accommodations Room, however co-habitation of beds will be prohibited. Every attempt will be made to place couples next to each other whenever possible. All activities such as mealtimes will be scheduled accordingly for example single males will eat after single females. Alternate mealtimes will be scheduled in order to maintain guests and staff safety. The same rule will apply to day use rooms, play equipment in order to maintain security and privacy.

4. Project Readiness

4.1 Site Control

GBM Realty, LLC owns the property at 1188 S. Airport Way. Jane Chen is the managing member of GBM Realty, LLC. She and The Salvation Army are in negotiations for a ten-year lease for a total of $2.28 million dollars paid upfront. The price for the ten-year lease has been agreed upon between the parties. Currently, the parties are negotiating terms.

4.2 Preliminary Planning

This project is at the beginning of the planning phase. A walk through was conducted and an architectural program put together based on the desired occupancy and potential egress locations to economically retrofit an existing light industrial building to house 350 individuals along with programming staff to serve as a turnkey navigation center. RPM Team put together a preliminary bubble diagram which helps

describe how the Salvation Army's program translates to design. This plan was estimated by G&G Builders to develop the project's construction budget. If awarded RPM will put together pre-application materials and meet with Stockton's planning department to determine if a CUP is needed before submitting the permit design for the proposed renovations to the building department. This process would involve gathering existing data regarding the site, including tax map, utility locations identified in public GIS and zoning, along with municipality research for historical building permits and drawings and an application narrative. Concurrently we would begin materials testing of the existing facility to determine what abatement or remediation would be necessary.

4.3 Site Preparation

Same as 3.2

4.4 Construction Plan

The plan would consist of a voluntary seismic retrofit involving strengthening connections of roof diaphragm, roof framing and its connections to structural walls. This improves the shear transfer to the roof which is the most critical failure point in tilt up buildings. Interior modifications include Renovate room on the northwest to convert to commercial kitchen and install kitchen equipment, hood, and exterior grease trap. Procure and install modular bathroom and shower units. Build new structural partition wall system for interior traffic control. Install low voltage systems with new electrical upgrades. Install new fire sprinkler and fire alarm systems. New exterior fencing and gates. Addition of dog kennel area under existing exterior canopies. Addition of exterior table and chairs under existing shipping canopy to serve as outdoor dining and smoking area. Renovate and replace HVAC system along with individual tenant heating and cooling systems.

ORDER NO. : 1614014662-KR

EXHIBIT A

The land referred to is situated in the County of San Joaquin, City of Stockton, State of California, and is described as follows:

PARCEL ONE:

All that portion of Block 315, East of Center Street, lying South of the South bank of Mormon Channel, in the City of Stockton, according to the Official Map or Plat thereof, San Joaquin County Records.

EXCEPT that portion of said Block 315 lying North of the South bank of Mormon Channel, being more particularly described as follows:

Commencing at the Northwest corner of Block 315, East of Center Street, as said Block is shown upon the Official Map of the City of Stockton, approved and adopted by the City Council of the City of Stockton, on July 23, 1894, said Map is on file in the Office of the City Clerk of said City, said point also being on the South line of Jefferson Street; thence Easterly along said South line of Jefferson Street, a distance of 31.71 feet to a point, said point being the true point of beginning; thence continuing Easterly along the South line of Jefferson Street, a distance of 271.25 feet to a point, said point being the Northeast corner of said Block 315, said point also being on the West line of Sierra Nevada Street; thence Southerly along said West line of Sierra Nevada Street, a distance of 97.36 feet to a point; thence Northwesterly in a direct line along the South bank of Mormon channel to its point of intersection with the South line of Jefferson Street, said point being distant 31.71 feet Easterly from the Northwest corner of said Block 315, and being the true point of beginning.

PARCEL TWO:

The Westerly ½ of all that portion of Sierra Nevada Street (80.8 feet wide) as said street is so delineated and designated upon the Official Map of the City of Stockton, approved and adopted by the City Council of said City, on July 23, 1894, and lying between the Southerly right of way line of Mormon Channel, as shown on the Specific Plan for Mormon Channel, recorded in Book 31 of Surveys, at Page 147, San Joaquin County Records, and the Northerly right of way line of Jackson Street (60.6 feet wide).

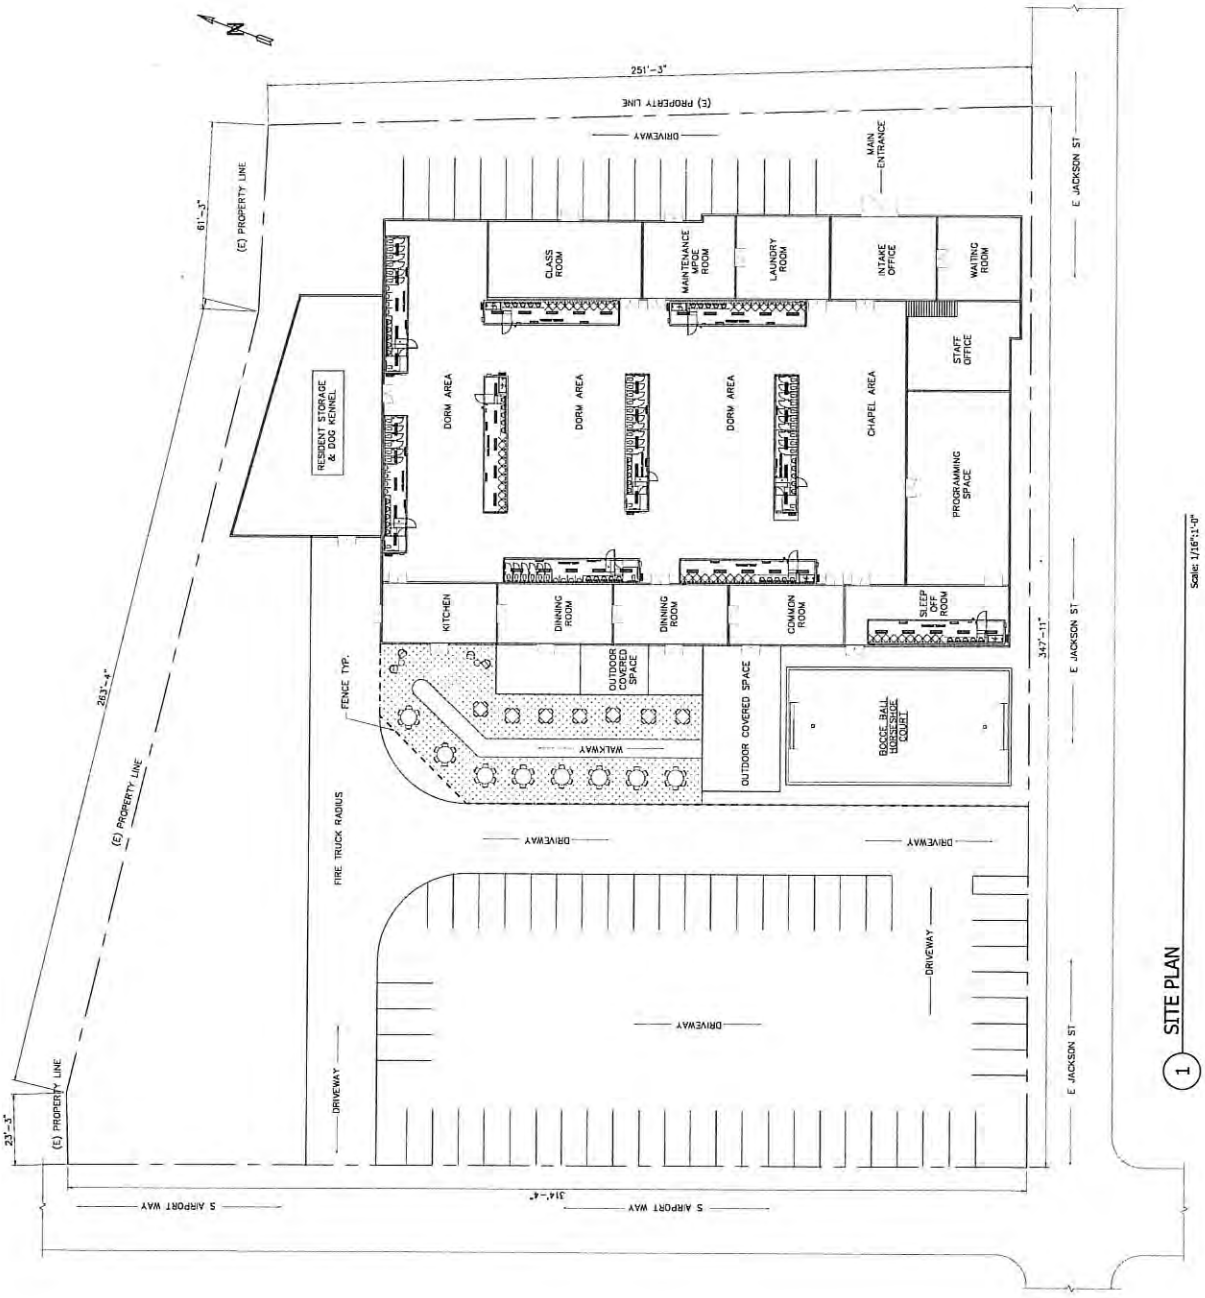
SCHEMATIC DESIGN SUBMITTAL

SHEET TITLE: SITE PLAN

SHEET NUMBER: C1.0



City of Stockton Economic Development Department
NOFA for Low Barrier Shelter Beds
Section D: Coordinated Entry and HMIS Compliance

1. **Date management Entry**

Data collection will be conducted by daily utilization of HMIS and WellSky, a nationwide Salvation Army proprietary database. Data collected includes demographic information, case notes, assistance, and program activity. All program managers and program specialists will be trained users of these data platforms. In addition, monthly statistics are compiled for several contractual reports and internal programmatic reports.

2. **Coordinated Entry**

The Salvation Army intakes homeless persons through the coordinated entry system and agency referrals. Coordinated Entry prioritizes homeless persons exhibiting the highest levels of vulnerability and risk (i.e., chronically homeless, elderly, mental illness, addiction, alcoholism, transition-age youth). Religion, race, ethnicity, sexual orientation, gender identities and/or gender expressions are not factors in determining intake eligibility. Discrimination is not tolerated.

The Salvation Army accepts shelter referrals from County Health & Human Services, Child Protective Services, County Probation, County Courts, and other organizations.

Coordinated Entry is mandated for HUD funded projects. Most state, county and local jurisdictions follow HUD guidelines for shelter services.

Section E: Approach to Equity and Non-Discrimination

1. **Commitment to Equity**

The Salvation Army, an international movement, is an evangelical part of the universal Christian Church. Its message is based on the Bible. Its ministry is motivated by the love for God. Its mission is to preach the gospel of Jesus Christ and to meet human needs in His name without discrimination. The Salvation Army is an Equal Employment Opportunity Employer hiring minorities, women, veterans, and people

with disabilities. It is the practice of The Salvation Army to hire people with lived experiences in homelessness, and housing insecurity.

2. Practice of Non-Discrimination

The Salvation Army is a Federal contractor and an Equal Opportunity Employer. The Salvation Army is subject to Executive Order 11246, which requires government contractors to take affirmative action to ensure that equal opportunity is provided in all aspects of their employment. In addition, we are subject to Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended by the Jobs for Veterans Act of 2002, 38 U.S.C. 4212 (VEVRAA), which requires Government contractors to take affirmative action to employ and advance in employment protected veterans. The Salvation Army invites applicants to voluntarily self-identify their gender, race/ethnicity and protected veteran status. The Salvation Army does not discriminate on the basis of race, religion, color, sex, sexual orientation, gender identity, age, protected veteran status, non-disqualifying physical or mental disability, national origin, genetic information, or any other basis covered by appropriate law. All employment is decided on the basis of qualifications, merit, and business need.

Owner Name GBM Realty, LLC June Chen

Owner Name _____

Owner Name _____

Owner Name _____

Site Control Status:

- ☐ Owned by Agency
- ☒ Not Owned

Provide a brief statement on the status of gaining site control if the project location is not currently owned and in control of the applicant agency.

GBM Realty, LLC managing member June Chen and the Salvation Army is in negotiations for a ten year lease for a total of $2.28 million paid upfront.

Form D. Project Schedule

Include a detailed timeline for completion of major activities related to the project. Identify all key aspects of the proposal as well as the dates when all funding sources will be secured. Assume that City funds will be awarded in June of 2022.

The project schedule should indicate:

- when all proposed and conditional funds will be committed; and
- that the project can begin construction within one year of the award date.

List each task for the project in chronological order. Enter a projected completion date and responsible party for each task. At a minimum, show projected dates for commitment of all funding sources, any land use approvals, and milestones for property acquisition and/or construction.

Describe any aspects of the project that may lead to delays (e.g., zoning or funding) and how the schedule will be adapted to respond.

PROJECT SCHEDULE		
Task	Projected Completion Date	Responsible Party
Demolition	8/5/2022	GEG Builders
Interior tenant improvement Construction	1/6/2023	GEG Builders
Exterior/Site work	10/28/2022	GEG Builders
Roof work	9/30/2022	GEG Builders

INDEPENDENT AUDITORS' REPORT

To The Salvation Army USA, Western Territory,
Del Oro Division:

We have audited the accompanying financial statements of The Salvation Army USA, Western Territory, Del Oro Division (the "Division") (a division of the Western Territory of The Salvation Army, a California Corporation), which comprise the statements of financial position as of September 30, 2021 and 2020, the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Division's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Division's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Division as of September 30, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 11 to the financial statements, the Division receives significant financial support from and has significant transactions with The Salvation Army USA, Western Territory, a related party. Accordingly, the accompanying financial statements may not necessarily be indicative of the financial position, changes in net assets, or cash flows that would have existed if the Division had operated as an unaffiliated entity. Our opinion is not modified with respect to this matter.

THE SALVATION ARMY USA, WESTERN TERRITORY, DEL ORO DIVISION

NOTES TO FINANCIAL STATEMENTS AS OF AND FOR THE YEARS ENDED SEPTEMBER 30, 2021 AND 2020

1. PURPOSE AND ORGANIZATION

The Salvation Army, founded in 1865, is a not-for-profit international religious organization and charitable movement organized and operated on a quasi-military pattern and is a branch of the Christian Church. Its membership includes officers (clergy); soldiers and adherents (laity); members of varied activity groups; and volunteers who serve as advisers, associates, and committed participants in its service functions.

The Salvation Army, a California Corporation (the "Western Territory"), is an organization exempt from income taxation under Section 501(a) as an entity described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended, and is exempt from state income taxes under related state provisions.

The accompanying financial statements include all programs and operations of the Del Oro Division (the "Division"), which is one of nine divisions in the Western Territory of The Salvation Army. The Western Territory's corporate headquarters (THQ or "Western Territory Headquarters") is located in Rancho Palos Verdes, California. The Western Territory's centers of operation include adult rehabilitation programs, divisional headquarters, institutions, corps community centers, and service extension units ("Western Territory Units"). Each center has been authorized by corporate authority to maintain accounting records on a standardized financial system and to issue such reports and financial statements, as may be appropriate, locally. Because ownership, control, and fiduciary responsibility are maintained at the corporate level, the statements of financial position of the Division exclude the costs of land and buildings and related depreciation, charitable remainder trusts, legacies, and bequests designated for the Division.

The Division conducts the operations of The Salvation Army in northern California and northern Nevada. The Division operates a variety of programs, including corps community centers that provide spiritual, educational, and recreational services; homeless and emergency shelters; senior citizens' activity centers; children's day care centers; substance abuse rehabilitation centers; emergency disaster services; assistance for the poor, disabled, and retired; jail and hospital visitation; and camping activities.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation—The accompanying financial statements have been prepared in accordance with the national accounting policies of The Salvation Army. These policies are consistent with accounting principles generally accepted in the United States of America.

In order to observe restrictions, which donors place on grants and other gifts, as well as designations made by the Western Territory's board of directors (the "Board of Directors"), all assets, liabilities, and activities are accounted for in the following net asset classifications:

Net Assets without Donor Restrictions—Net assets not subject to donor-imposed restrictions. Net assets without donor restrictions may be designated for specific purposes or locations by action of the Board of Directors; however, as of September 30, 2021 and 2020, there were no net assets without donor restrictions that are designated by the Board of Directors.

Net Assets with Donor Restrictions—Net assets that are subject to stipulations imposed by donors or grantors. Certain donor-imposed stipulations are temporary and may be fulfilled by actions of the Division to meet the stipulations or through passage of time as specified by the donor. Donor-imposed stipulations may also be perpetual in nature and require that the net assets be retained and invested in perpetuity by The Salvation Army. At September 30, 2021 and 2020, there were no net assets with donor restrictions in the accompanying financial statements that are required to be maintained in perpetuity as all such perpetually restricted funds received and pledged would be transferred to Western Territory Headquarters upon receipt (see Note 11).

Cash and Cash Equivalents—For purposes of these statements, cash equivalents are defined as short-term, highly liquid investments that are both readily convertible to known amounts of cash and have maturities of three months or less at the date of purchase.

Accounts Receivable—Accounts receivable include amounts due from government agencies related to grants and are expected to be collected within one year.

Restricted Cash—Restricted cash represents funds received from San Francisco Chronicle through the Season of Sharing program and Pacific Power through the Project Help program administered by the Division on behalf of the San Francisco Chronicle and Pacific Power. These programs serve to provide assistance to low-income households in California, which have financial difficulties in paying their utility bills or rent.

Under the agreements for these programs, funds solicited for these programs are required to be maintained in separate bank accounts and not comingled with other funds of the Division.

Inventory—Inventory of goods purchased for resale is stated at the lower of weighted-average cost or net realizable value. Inventory of goods donated for resale is based on estimated fair value.

Vehicles and Equipment—Vehicles and equipment are recorded at cost or, if donated, at fair market value at the date of donation, net of accumulated depreciation.

Support and Revenue—All items of support and revenue are stated on the accrual basis. Support and revenue are reported as increases in net assets without donor restrictions, unless use of the related assets is limited by donor-imposed restrictions that are not fulfilled in the accounting period.

Contributions—Contributions subject to donor-imposed restrictions are recorded as restricted support and are reclassified as net assets without donor restrictions when the donor-imposed restriction has been fulfilled or the stipulated time period has elapsed.

Contributions with restrictions that are met during the fiscal year in which they are received are recorded as support without donor restrictions. Conditional contributions or intentions to give are not recognized until they become unconditional, that is, when the conditions on which they depend are met. At September 30, 2021, there were no conditional contributions. At September 30, 2020, contributions approximating $107,291, had not been recognized in the accompanying statement of activities because the condition on which they depend had not yet been met. Of the total conditional contributions, $107,291 depended on the development of a transport program for homeless individuals with established milestones.

Pledges receivable that are scheduled to be received after the end of the reporting period are shown as increases in net assets with donor restrictions and are reclassified to net assets without donor restrictions when the purpose or time restriction is met.

Fees and Grants from Government Agencies—A portion of the Division's revenue is derived from cost-reimbursable federal and state contracts and grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenditures. Amounts received are recognized as revenue when the Division has incurred expenditures in compliance with specific contract or grant provisions. The Division was awarded multiyear cost-reimbursable grants of $4,501,484 that have not been recognized at September 30, 2021 because allowable qualifying expenditures have not yet been incurred, with advance payments of $148,823 at September 30, 2021. Such advance payments have been recognized in the statements of financial position as a refundable advance within other liabilities. There were no advance payments at September 30, 2020.

Donations-in-Kind and Contributed Services—Donations-in-kind items used in corps and unit programs and services (e.g., vehicles, free rent, and equipment) and donated goods distributed (e.g., clothing, furniture, and food stuff) are recorded at their estimated fair market value as income and expense at the time the items are distributed.

Goods donated for sale in the Western Territory's thrift stores are recorded as donations-in-kind based on estimated fair value.

Contributed vehicles and equipment are recorded at fair value at the date of donation as support and revenue without restriction, unless the use of such contributed assets is limited by a donor-imposed restriction.

Contributed services are reported as contributions at their fair value if such services 1) create or enhance nonfinancial assets or 2) would typically need to be purchased if not provided by contribution, require specialized skills, and are provided by individuals possessing such specialized skills. In addition, the appropriate value of donated services of individuals is recorded as an expense when such services qualify for cost reimbursement from third-party providers. The Division received contributed services for its various programs or activities that are operated by Western Territory Headquarters. These contributed services do not meet the requirements; therefore, they are excluded from the statements of activities.

Program Service Fees and Sales to the Public—The Division generates revenue from contracts with customers from program service fees and sales to the public. Program service fee revenue is recognized over time during the period of service. The Division also recognizes revenue from sales of goods to the general public. Sales to the public revenues are recorded at a point in time upon sale and receipt of cash.

Expenses—All expenses are stated on the accrual basis and presented in the statements of activities and statements of functional expenses and are reported as decreases in net assets without donor restrictions in the statements of activities. Expenses directly attributable to a specific functional category are reported as expenses of those functional categories. Expenses attributable to more than one functional category are allocated across program services and supporting services using a variety of cost allocation techniques that are based on time and effort.

Depreciation—Depreciation is computed using the straight-line method over the estimated service lives of 5 to 10 years. Depreciation is charged on a monthly convention as assets are acquired and disposed.

Depreciation is also provided on equipment used in cost reimbursement programs that provide for reimbursement of depreciation by a granting entity.

Use of Estimates—The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from these estimates.

3. RECENT ACCOUNTING PRONOUNCEMENTS

Recently Adopted Accounting Pronouncements—In June 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2018-08, *Not-for-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. As previously disclosed, the provisions of ASU No. 2018-08 related to contributions received were effective for the year ended September 30, 2020. The provisions of ASU No. 2018-08 related to contributions made are effective beginning October 1, 2020. As required by the ASU, the Division adopted ASU No. 2018-08 for contributions made as of and for the year ended September 30, 2021. The provisions of ASU No. 2018-08 did not have a material impact on the financial statements.

Other Accounting Pronouncements—In September 2020, the FASB issued ASU No. 2020-07, *Not-for-Profit Entities (Topic 958): Presentation and Disclosures by Not-For-Profit Entities for Contributed Nonfinancial Assets*. The objective of this proposed ASU was to provide additional transparency in the presentation and disclosure of contributed nonfinancial assets, which are disclosed in the financial statements as donations-in-kind. The provisions of ASU No. 2020-07 are effective for the Division beginning October 1, 2021. The Division is currently evaluating the impact on the financial statements.

In February 2016, the FASB issued ASU No. 2016-02, *Leases (Topic 842)*. The objective of this update is to address the off-balance-sheet financing concerns related to lessees' operating leases. This update introduces a lessee model that brings substantially all leases onto the statements of financial position. It further aligns certain underlying principles of the new lessor model with those in Accounting Standards Codification (ASC) 606, *Revenue from Contracts with Customers*, the FASB's new revenue recognition standard. In June 2020, the FASB issued ASU No. 2020-05, *Revenue from Contracts with Customers (Topic 606) and Leases (Topic 842): Effective Dates for Certain Entities,* which formally delayed the effective date of ASU No. 2016-02 by one year and allowed for early adoption as of the original effective date. The provisions of ASU No. 2016-02 are effective for the Division beginning October 1, 2022. The Division is currently evaluating the impact on the financial statements.

4. VEHICLES AND EQUIPMENT

Vehicles and equipment are summarized by major classification at September 30, 2021 and 2020, as follows:

	2021	2020
Vehicles	$ 4,510,118	$ 4,010,181
Equipment	2,606,274	2,357,079
Total vehicles and equipment	7,116,392	6,367,260
Less accumulated depreciation	(5,089,114)	(4,997,494)
Vehicles and equipment—net	$ 2,027,278	$ 1,369,766

5. NET ASSETS WITH DONOR RESTRICTIONS

At September 30, 2021 and 2020, net assets with donor restrictions are restricted for the following purposes or periods:

	2021	2020
Disaster relief	$2,749,485	$1,702,992
Total	$2,749,485	$1,702,992

6. NET ASSETS RELEASED FROM RESTRICTIONS

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purposes or by occurrence of other events specified by the donors during the years ended September 30, 2021 and 2020, as follows:

	2021	2020
Purpose restrictions accomplished for disaster relief	$ 1,702,992	$ 6,735,799
Total net assets released from restrictions	$ 1,702,992	$ 6,735,799

7. LIQUIDITY AND AVAILABILITY OF RESOURCES

The following reflects the Division's financial assets as of September 30, 2021 and 2020, reduced by amounts not available for general use within one year of September 30, 2021 and 2020, because of the nature of the assets or due to contractual or donor-imposed restrictions. For purposes of analyzing resources available to meet general expenditures over a 12-month period, the Division considers all expenditures related to its ongoing program activities as well as the conduct of services undertaken to support those activities to be general expenditures.

	2021	2020
Total assets at September 30	$ 11,063,330	$ 7,392,558
Less those unavailable for general expenditure within one year:		
Inventory	172,620	114,994
Prepaid expenses and deferred charges	425,503	87,139
Vehicles and equipment—net	2,027,278	1,369,766
Restricted by donor with time or purpose restrictions	2,749,485	1,702,992
Restricted cash	207,720	232,219
Total assets available to meet cash needs for general expenditures within one year	$ 5,480,724	$ 3,885,448

The Division regularly monitors liquidity required to meet its operating needs and other contractual commitments. As part of the Division's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. On an annual basis, the Division's budget is reviewed and approved by Western Territory Headquarters. In addition to financial assets available to meet general expenditures over the next 12 months, the Division operates with a balanced budget and anticipates collecting sufficient revenue to cover general expenditures. Additionally, certain financial assets designated for the Division are held by Western Territory Headquarters and may be used in the event of unanticipated liquidity needs (see Note 11).

8. CONTINGENCIES AND COMMITMENTS

Legal Proceedings—From time to time, the Division is involved in various claims and legal actions arising in the ordinary course of business. In the opinion of management, the ultimate disposition of these matters will not have a material effect on the Division's financial position, changes in net assets, or cash flows as financial responsibility remains with Western Territory Headquarters.

COVID-19—On March 11, 2020, the World Health Organization declared the novel strain of coronavirus ("COVID-19") a global pandemic and recommended containment and mitigation measures worldwide. These measures continue as of February 16, 2022, the date the financial statements are available to be issued. Although the Division would expect a continued decline in certain revenues, such as program service fees and sales to the public, into the fiscal year ending September 30, 2022, the Division cannot reasonably estimate the length or severity of this pandemic or whether public support and government grants will continue at levels experienced in 2021. Therefore, the Division cannot reasonably estimate the full impact on the Division's statements of financial position, activities, and cash flows for the fiscal year ending September 30, 2022.

9. LEASES

The Division is committed under noncancelable operating leases with initial or remaining lease terms in excess of one year, principally for its thrift store operations and other program operations. Total rent expense associated with these leases was $571,704 and $380,458 for the years ended September 30, 2021 and 2020, respectively.

Future minimum lease payments as of September 30, 2021, are as follows:

Years Ending September 30	
2022	$ 677,702
2023	622,895
2024	623,725
2025	281,344
2026	207,394
Thereafter	338,373
Total	$ 2,751,433

10. CONCENTRATIONS OF CREDIT RISK

Certain financial instruments potentially subject the Division to concentrations of credit risk. Those financial instruments consist primarily of cash and cash equivalents and receivables. The Division places its cash and cash equivalents with high-credit-quality financial institutions and credit exposure is limited to the amount of deposits at any one institution in excess of the federally insured limit. Concentrations of credit risk with respect to receivables are generally diversified due to the large number of entities, government agencies, and individuals composing the Division's program and donor base. The Division performs credit evaluations and writes off uncollectible amounts, as they become known.

11. TRANSACTIONS WITH WESTERN TERRITORY HEADQUARTERS

Funds on Deposit at Western Territory Headquarters—The receipt of donations is centralized at Western Territory Headquarters. These funds are deposited daily into divisional accounts at Western Territory Headquarters and are available to be transferred back to the Division, as needed. Income is earned and distributed to the divisional accounts based on the monthly account balances for these funds. Interest is paid on these fund balances based on an interest rate formula approved by the Board of Directors. During the year ended September 30, 2021, the interest rate ranged from 0.07% to 0.59%. During the year ended September 30, 2020, the interest rate ranged from 1.662% to 2.016%. Due to the COVID-19 pandemic, interest on these funds was temporarily suspended beginning March 2020 and no interest was accrued or paid between March 2020 and September 2020.

Other Funds Controlled by Western Territory Headquarters—Each constituent unit of The Salvation Army raises funds from various sources, including bequests, trusts, and donor-restricted contributions. These funds are controlled and invested by the Board of Directors in accordance with applicable donor restrictions and distributed in accordance with such restrictions. Accordingly, the funds are not reflected in the accompanying financial statements. While not legally bound to return these funds to the operating units, this has been the practice of the Western Territory. Assets held in trust for the Division at September 30, 2021 and 2020, consist of the following:

	2021	2020
Funds without donor restrictions	$41,852,994	$35,497,458
Funds with donor restrictions	26,622,138	22,587,820
Total	$68,475,132	$58,085,278

Income earned on assets is distributed to the operating command unit accounts on the basis of a stated percentage of the monthly account balances during the years ended September 30, 2021 and 2020. Capital trust and special Board of Directors-designated program trusts earned 2% for the year ended September 30, 2021 and from October 2019 to February 2020. Board of Directors-designated reserves (program trusts), program reserves/support funds, and restricted trusts earned 4% for the year ended September 30, 2021 and 4.5% from October 2019 to February 2020. These rates are determined annually by the Board of Directors. Due to the COVID-19 pandemic, interest on these assets was temporarily suspended beginning March 2020 and no interest was earned or accrued between March 2020 and September 2020.

Funds held at Western Territory Headquarters are invested in various investment vehicles, including domestic and international equities, real assets, and fixed income. Such investments are exposed to various risks, including interest rate risk, credit risk, and overall market volatility. Accordingly, it is possible that changes in the value of these investments will occur in the near term and such changes could materially impact the value of these amounts held at Western Territory Headquarters and its intent and ability to return such funds to the Division.

Land and Buildings—Title to land and buildings is held by Western Territory Headquarters. These assets are made available to the Division, which has responsibility for control and maintenance, but are not included in the statements of financial position of the Division. At September 30, 2021 and 2020, lands and buildings held on behalf of the Division by Western Territory Headquarters are summarized by major classification as follows:

	2021	2020
Land	$ 18,252,355	$ 18,206,604
Buildings	130,438,080	129,946,872
Total land and buildings	148,690,435	148,153,476
Less accumulated depreciation	(38,081,286)	(35,399,221)
Land and buildings—net	$110,609,149	$112,754,255

Income from Western Territory Headquarters—Income from Western Territory Headquarters includes funding for capital projects, programs and administrative needs, and interest income and other distributions from funds held at Western Territory Headquarters. Funds for capital projects are transferred to the Division after formal approval has been received from Western Territory Headquarters. Donor-restricted contributions are distributed to the Division as donor-restricted funds are expended for a specified program or purpose.

During the years ended September 30, 2021 and 2020, the Division received income from Western Territory Headquarters related to the following:

	2021	2020
Income for capital projects	$ 99,998	$ 141,204
Income for programs and administrative needs and other distributions	6,066,436	6,994,105
Interest income on surplus cash at THQ	8,693	46,992
Total income from THQ	$6,175,127	$7,182,301

The Division leases certain vehicles through a master lease agreement maintained by the Territory. The Territory provides the Division with a vehicle replacement grant to help cover the costs of leasing the vehicles, which is recorded as income from the Western Territory Headquarters within the Division's statements of activities. There were no grants associated with these leases for the year ended September 30, 2021. Total grants were $19,276 for the year ended September 30, 2020. The Division also recorded expenses associated with these vehicle leases totaling $219,567 and $252,802 for the years ended September 30, 2021 and 2020, respectively, which are included in program and supporting services expenses in the accompanying statements of activities and conferences, meetings, and travel expenses in the statements of functional expenses.

Transfer to Western Territory Headquarters—Transfer to Western Territory Headquarters includes restricted contributions received by the Division for future capital projects and other contributions. During the years ended September 30, 2021 and 2020, the Division transferred $450,921 and $619,225, respectively.

Transactions with Western Territory Headquarters—Western Territory Headquarters assesses the Division for various expenses, which are allocated throughout the Territory. For the years ended September 30, 2021 and 2020, all such expenses are included in the statements of activities and the statements of functional expenses. The assessments to the Division during the years ended September 30, 2021 and 2020, totaled as follows:

	2021	2020
Employee pension assessment	$1,391,977	$1,306,067
Officer assessments	$4,606,854	$4,718,750
Workers' compensation insurance	$ 861,899	$ 828,326
Automobile insurance	192,893	191,893
General and other insurance	1,282,070	1,225,473
Total insurance	$2,336,862	$2,245,692
Communication assessment	$ 229,548	$ 262,344
Information technology assessment	$ 448,176	$ 476,500
National/International headquarters assessment	$ 568,416	$ 596,724
College for officer training assessment	$ 358,428	$ 374,748
Fund-raising initiatives assessment	$ 863,610	$ 841,680
Data center assessment	$ 265,596	$ 272,196

12. SUBSEQUENT EVENTS

The Division has evaluated subsequent events through February 16, 2021, the date the financial statements were available to be issued.

***Design-Build Projects completed at previous employers.*

- ****Mi Rancho Elk Grove** - 10115 Iron Rock Way, Elk Grove, CA 95624
  Owner: Mi Rancho, **Size:** $880,000, **Competition Date:** October 2021
  Project Description Install all underground and overhead plumbing (i.e., domestic water, sewer, grease lines) condensates, gas valves, and plumbing fixtures.
  Previous Employer: Fault Line Plumbing, Inc.

- ****Prologis Tracy** – 815 International Parkway, Tracy CA 95377
  Owner: Prologis, **Size:** $300,000, **Competition Date:** November 2021
  Project Description: Install all overhead airlines, domestic water & waste lines, and plumbing fixtures.
  Previous Employer: Fault Line Plumbing, Inc.

G&G Builders

Erick Montano, Field Superintendent/Supervisor
G&G Builders
4542 Contractors Place
Livermore, CA 94551
Mobile: 925-580-8408
E-mail: erick@ggbuildersinc.com

Experience:

Erick has a broad range of on-site field construction experience within the commercial construction industry including Sprung Structure erection, ground-up construction, Tenant Improvements, Public Works including Parks/Play Structures/Site Furnishings.

Employment History:

- **G&G Builders, Inc.** – Field Superintendent/Supervisor *(March 2001 – Present)*
  Livermore, CA

Project Role/Responsibilities:

- Oversees the daily construction activities at the work site
- Responsibility for the overall progress of the project as well as scheduling of workers and delivery of equipment and materials.
- Ensure compliance with safety, healthy and quality standards.
- Purchase of equipment and materials as required.
- Plan/coordinate/perform field inspections with the local jurisdictions as required.
- Resolve any on-site issues and/or emergencies that arise.
- Communicate/Liaison between the field and office staff.

Certifications:

- OSHA 30-Hour Construction Training
- Boom Lift Certification

Relevant Project Experience:
**Projects worked on of the three (3) submitted comparable projects.*

- ***X & Broadway Low Barrier Navigation Center** – Sacramento, CA
  Owner: City of Sacramento, **Size:** $3.1M, **Competition Date:** September 2021
  Project Description: Ground-up/Design-Build Navigation Center with (2) Sprung Structures, Modular administration trailers, Modular Container Restrooms/Showers & Site Furnishings.

- ***Embarcadero SAFE Navigation Center** – San Francisco, CA
  Owner: City of San Francisco, Public Works, **Size**: $9.3M, **Competition Date:** December 2019
  Project Description: Ground-up/Design-Build Navigation Center with (3) Sprung Structures, Modular Container Restrooms/Showers, Site Furnishings and interior build-out within the Sprung tent structures.

- ***Division Circle Navigation Center** – San Francisco, CA
  Owner: City of San Francisco, Public Works, **Size:** $4.66M, **Competition Date:** July 2018
  Project Description: Ground-up/Design-Build Navigation Center including erection/installation of (2) Sprung Structures, site utilities and interior build-out within the Sprung tent structures.

- **Chinatown Navigation Center** – Salinas, CA
  Owner: City of Salinas, **Size:** $400K, **Completion Date:** October 2020
  Project Description: Design-Build Fire Sprinkler, HVAC, Electrical and erection/installation of (1) Sprung Structure Erection.

- **Samuel Jones Hall Emergency Shelter** – Santa Rosa, CA
  Owner: City of Santa Rosa, **Size:** $350K, **Competition Date:** November 2020
  Project Description: Erection/Installation of (1) 80'x100' Sprung Structure.

- **Tesla Sprung Repack Building** – Fremont, CA
  Owner: Tesla Motors, **Size:** $400K, **Competition Date:** December 2017
  Project Description: Erection/Installation of (1) 100'x390' Sprung Structure

- **Model 3 End of the Line –** Fremont, CA
  Owner: Tesla Motors, **Size:** $200K, **Competition Date:** June 2017
  Project Description: Erection/Installation of (1) 130'x225' Sprung Structure

- **Lawrence Berkeley Notational Lab Warehouse** – Berkeley, CA
  Owner: University of California, Berkeley, **Size:** $200K, **Competition Date**: September 2020
  Project Description: Erection/Installation of (1) 45'x110' Sprung Structure

RPM Team is an accelerated design-build firm specializing in rapid rise, accelerated public and private projects using pre-engineered, pre-fabricated, and modular construction building products.

Background

Faisal is a licensed professional mechanical engineering experienced in the design of heating, ventilation, air conditioning and plumbing systems. His experience covers a variety of projects and market sectors, including multi-family, hospitality, hotel, commercial office, health care, government, industrial, retail and restaurant projects. Faisal directs the production of mechanical and plumbing drawings, while providing interdisciplinary coordination. Faisal earned a bachelor's degree in mechanical engineering from Wayne State University, and is licensed in 22 states. He takes pride and great care in the quality, accuracy, and delivery of construction documents, specifications, shop drawings and RFIs.

Notable Projects

McCarthy/Phoenix-Mesa Gateway Airport, 6,300 square feet Sprung Structure Terminal Holding Room
Role on project: Mechanical Engineer

Interfaith Works, 6,300 square foot Sprung Structure Navigation Center
Role on project: Mechanical Engineer

Stockton Shelter for the Homeless, 13,000 square foot, Three Story Shipping Container Construction
Role on project: Mechanical Engineer

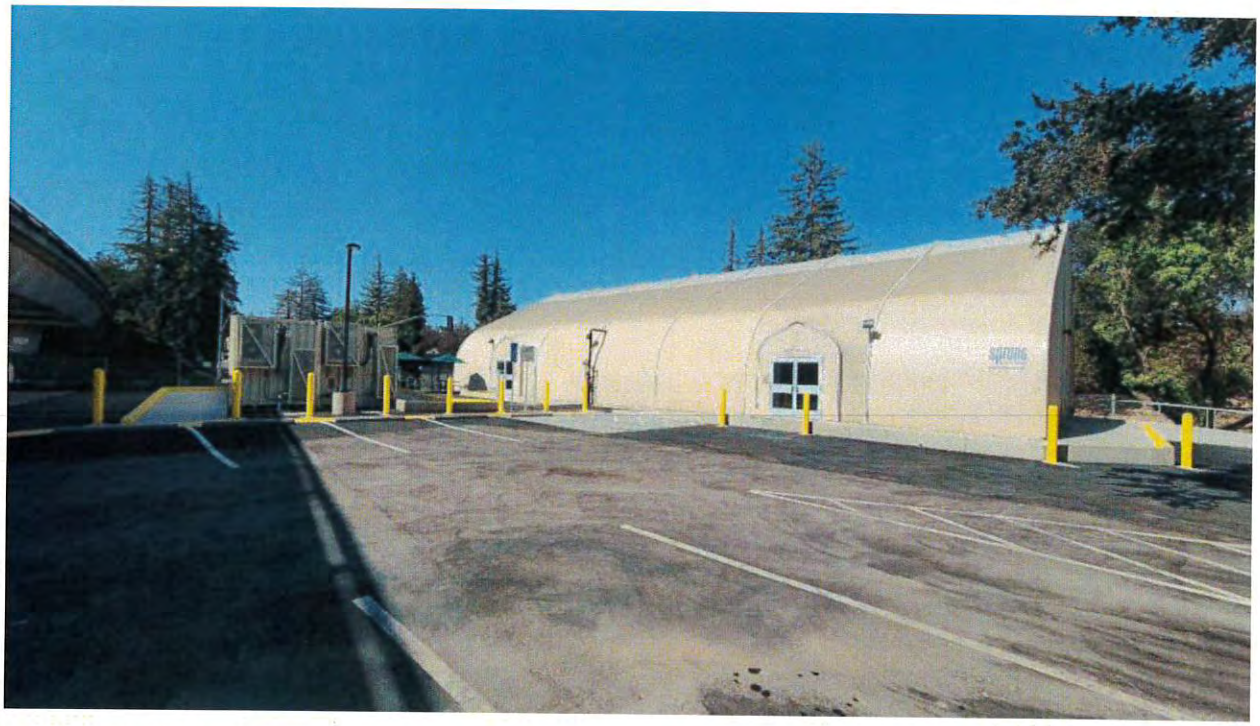
City of Sacramento, 55 Unit Tiny Home Village
Role on project: Mechanical Engineer

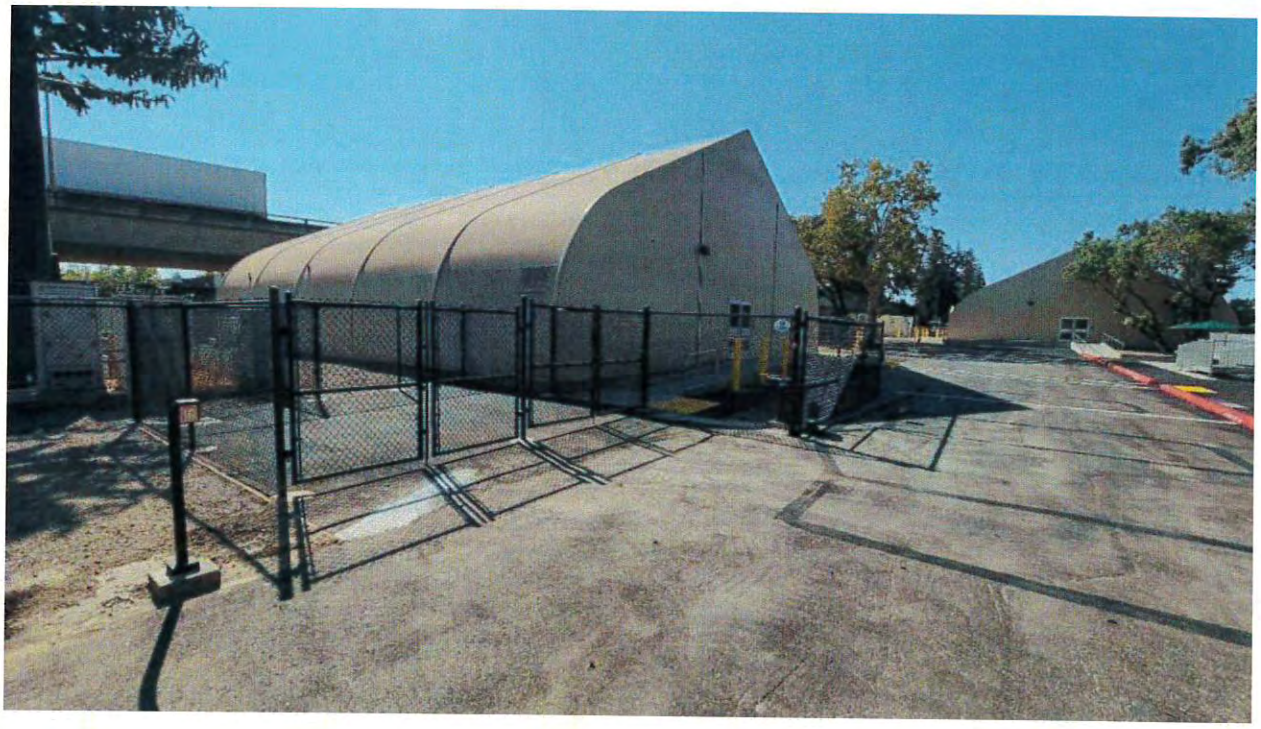
City of Sacramento, 105 Unit Tiny Home Village
Role on project: Mechanical Engineer

Yakama Nation, 18,000 square feet Sprung Structure Covid isolation and homeless shelter
Role on project: Mechanical Engineer

City of Huntington Beach, 11,700 square feet Sprung Structure emergency shelter
Role on project: Mechanical Engineer

G&G Builders





Project Overview

Substantial Completion: September 08, 2021

—

Owner: City of Sacramento – Public Works

Owner's Representative: James Christensen

Contact Information: 916-206-2528 | jeChristensen@cityofsacramento.org | 915 I Street, Sacramento, CA 95814

Beginning Budget: $2,832,279.00

Finishing Budget: $3,077,922.00

Groundbreaking to Completion: January 2021 – September 2021

Project Description: Ground-up construction including underground civil, Design-Build MEP's, erection of (2) Sprung Structures, modular administrative offices, and modular storage container-built restrooms.

G&G Builders

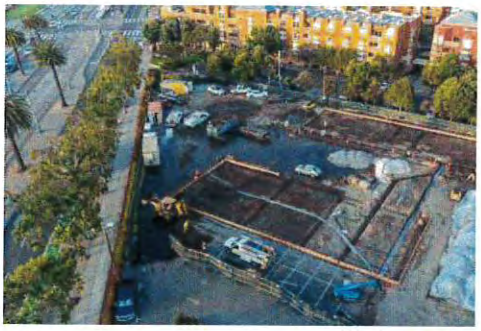
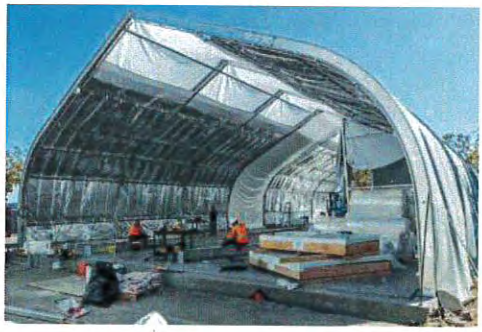
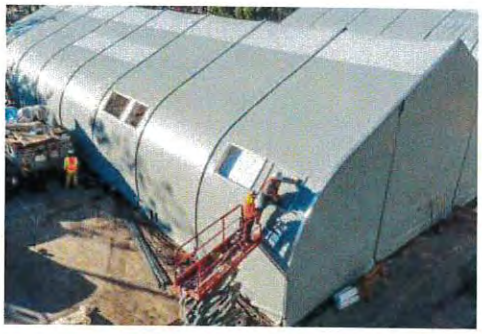
Prefabricated Structures

Prefab structures are a faster way to build however they require an experienced team to design, plan, erect and finish them smoothly. To date we have built more than a dozen Sprung Structures for large corporate companies including Google, Tesla and Amazon.

We provide high-quality work, good communication, and seamless management over every project, every time







"Sprung Structures first worked with G&G Builders in 2008. They were the erectors of our San Francisco State University temporary library project. Since then we have done many projects together, most recently, two Navigation Centers for the City of San Francisco. G&G Builders have been a reliable, professional, and cost effective contractor for us and an instrumental part in our growth and success."

— STEVE CROCKETT, BUSINESS DEVELOPMENT | SPRUNG STRUCTURES

General Contractor for Commercial Projects

G&G Builders is a turn key boutique commercial contractor for the San Francisco Bay Area. Our reputation and long standing relationships are a testament to how we do business.

We have been building quality commercial projects for more than 20 years. When you work with us, things go smoothly. We are a small team. Call our office and you'll get the same person every time that will oversee your project through to completion. We provide that singular focus that can only come from a small and experienced team.

Communication

You deserve to know how your project is going. We do everything we can to run a smooth project but if problems come up we don't pass the buck. If we make a mistake we own up to it and we make it right.

Quality

We know how to build, and how to do things the right way, the first time around. We have long standing relationships and return clients because our work lasts and the quality of our finish is top notch.

Simplicity

We still believe some of the best things in life are also the most simple. Good construction does not have to be complicated.

Prefabricated Structures Portfolio

Embarcadero SAFE Navigation Center for San Francisco Department of Public Works

A Sprung Navigation Center is a homeless community resource. The Embarcadero project included full foundation work plus two Sprung structures for housing, with additional restroom in an additional building.

Tesla Model 3 End of Line Sprung Structure Project

Tesla needed to add additional production capacity immediately, for their new model 3 vehicle. Delivery and Construction in 19 days. Production was able to start while the finishing touches on the structure were completed.

Amazon Air at Stockton Airport Sprung Structure Project

15,000 square foot structure designed for equipment and freight handlers for Amazon air cargo. Attractive I beam design, combined with a fully tensioned architectural membrane.

Completed Prefabricated Structures by G&G Builders

- San Francisco Fire Department Sprung Structure Project at Treasure Island for San Francisco Department of Public Works
- Division Circle Navigation Center for San Francisco Department of Public Works
- Division Circle Navigation Center Phase 2 for San Francisco Department of Public Works
- Embarcadero SAFE Navigation Center for San Francisco Department of Public Works
- Oakland Arena Sprung Structure Project for AEG Management
- Tesla Model 3 End of Line Sprung Structure Project
- Tesla Model 3 Repack Facility Sprung Structure Project
- Sonoma County Airport Sprung Structure Project
- Amazon Air at Stockton Airport Sprung Structure Project
- Yocha Dehe Wintun Nation Sprung Structure Project at Casche Creek
- Castle Air Force Base Sprung Structure Project for Google

Step 1 - Discovery

Every project starts with discovering your needs. What do you want to accomplish? What permitting or land use challenges does the project have? What is your budget?

Step 2 - Design

Next, we create a plan based on your vision. Working alongside the architectural team, we handle everything; design, engineering, plan checks and permitting. With us, you get clear communication and defined deliverables.

Step 3 - Build

When it comes time to build we self-perform most jobs and move quickly. Our crews are trusted, safe, professional and experienced. Our owner/ manager team stays involved from start to finish.

Step 4 - Closeout

The job is not complete until you are happy. Our turn key projects are quality work so that when it comes time to wrap up a project, the punch lists are short. We keep our word and we keep our deadlines.

Sprung Structures

A Better Way To Build

Rapid Construction. Design Flexibility. Performance & Durability. Lower Overall Costs.

San Francisco Embarcadero SAFE Navigation Center

San Francisco, California

Project Overview:

Client: City of San Francisco

Challenge: A large number of un-sheltered homeless people living in encampments were unable to access services like intensive case management or health care and drug treatment programs at traditional shelters. The area needed a safe, secure, shelter for San Franciscan's experiencing long-term homelessness where they could receive support, social service and housing connections, with a continuum of services aimed at reducing and preventing homelessness. An immediate solution was needed.

Solution: Three Sprung Structures:

Dorm A	50' wide x 120' long
Dorm B	50' wide x 105' long
Office	50' wide x 120' long

Ground Breaking to Completion: 120 days

Results: 200 bed homeless shelter includes; offices, clinic, and dining hall SAFE Navigation Centers are low-threshold, high-service residential programs for adults experiencing homelessness in

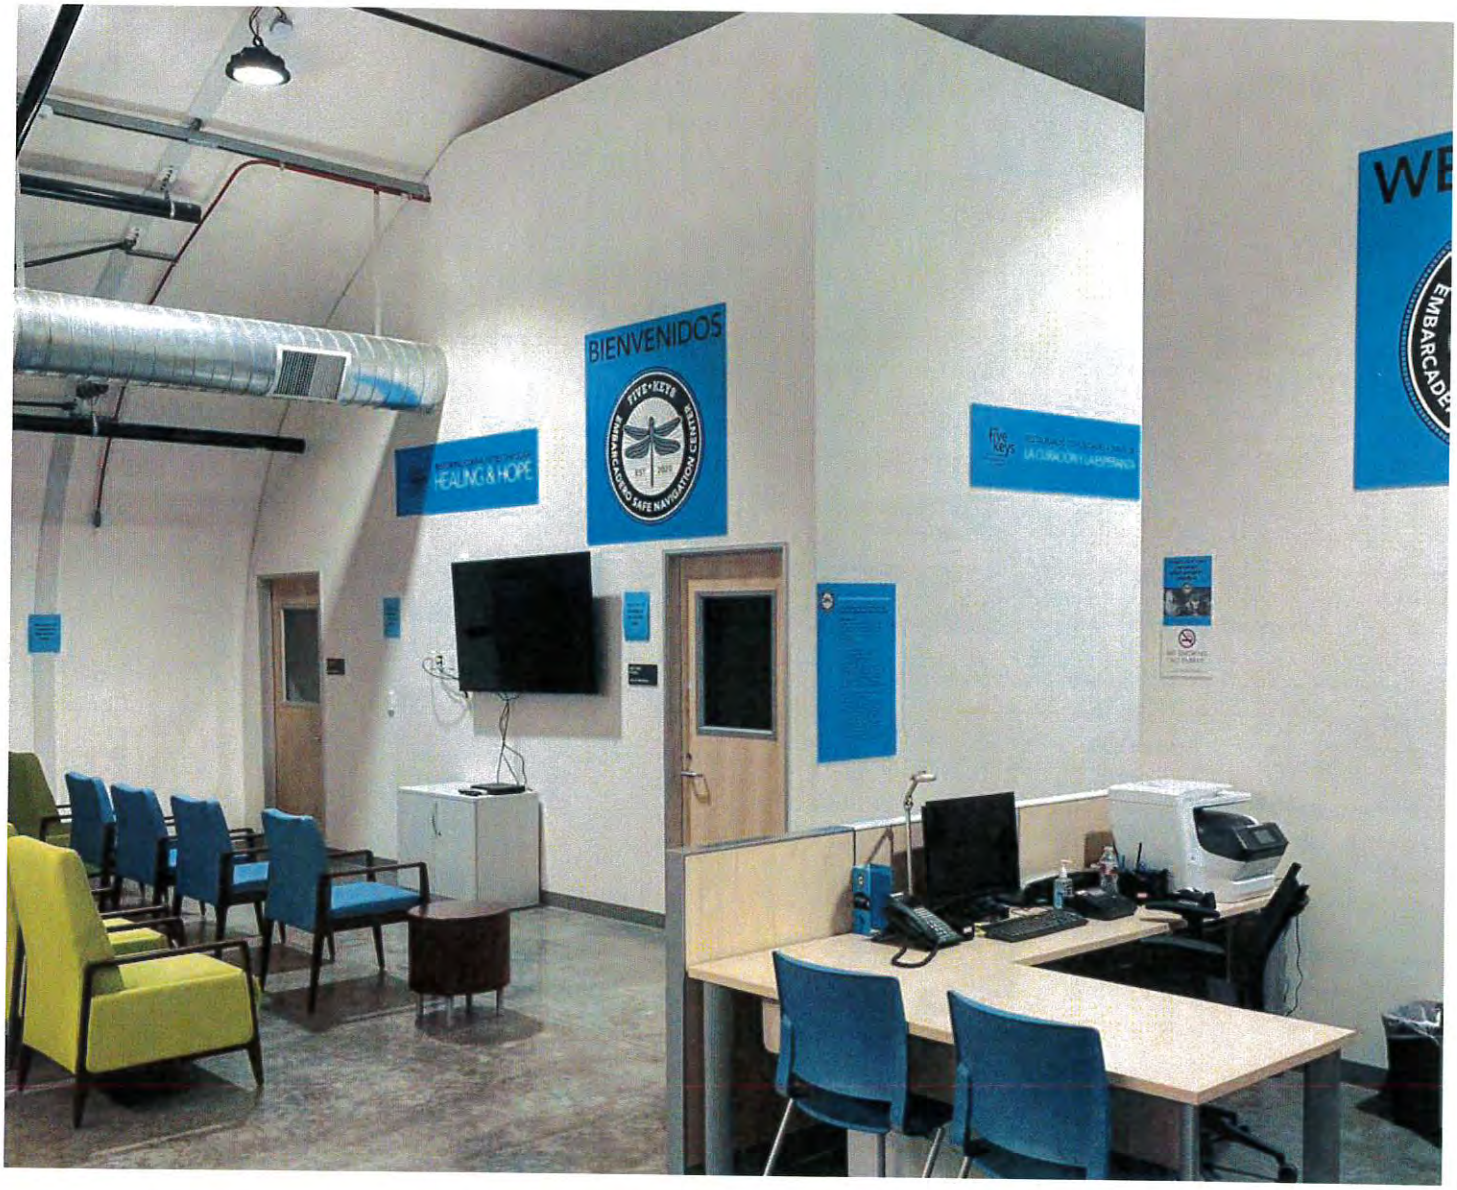
San Francisco. SAFE Navigation Centers are one part of the Homelessness Response System and are an attractive service for people living un-sheltered or in.

SAFE Navigation Centers are essential to reducing un-sheltered homelessness and connecting guests to services and housing assistance. SAFE Navigation Centers build off of the best aspects of Navigation Centers and makes them more scalable, sustainable, and effective. The City is looking to expand SAFE Navigation Centers in neighborhoods across the city to respond to the homelessness crisis.

SAFE Navigation Centers do not accept walk-ins. All individuals and couples who enter have been selected by the SF Homeless Outreach Team or a centralized referral system as good candidates for the SAFE Navigation Center environment. Because SAFE Navigation Centers operate 24x7, there are no lines outside in the evening, and guests are not exited onto the street in the morning.

SAFE Navigation Centers are a proven way to get people off the street and on a pathway to housing and stability. They provide long-term benefits to both neighbors and the city. In 2018, the Department of Homelessness and Supportive Housing helped over 2,200 people exit homelessness, and since their launch the Navigation Centers helped 46% of its guests exit homelessness.

This newest center, with 200 beds, at the Embarcadero SAFE navigation Center strikes a good balance of operational costs and service costs to be most cost-effective.



As a contractor in the Bay Area for 20+ years, we have constructed a wide range of different building types. The pre-engineered Sprung Structure has proven to be a perfect solution for Navigation Centers throughout North America. They are available immediately, quick to construct, energy efficient, and economical. The Sprung Structure provides a very bright open interior that is perfect for dormitory housing, dinning, recreation, clinic and office space.

We strongly recommend any City or County to consider the Sprung Structure Navigation Center solution for housing homeless in their community.

Embarcadero's new homeless Navigation Center a compassionate work of design

A large main central courtyard is featured at the Embarcadero Navigation Center.

Photo: Photos by Lea Suzuki / The Chronicle

John King

Jan. 10, 2020 | Updated: Jan. 10, 2020 7:56 p.m.

It's a sad sign of the times that some of San Francisco's most creative architectural energy is focused on bringing a spark of humanity to large-scale, short-term housing for homeless people.

That dynamic plays out in San Francisco's new Navigation Center on the Embarcadero, where three immense tents frame a courtyard behind 8-foot-high fences. This assemblage shares a triangular block with a parking lot and a 22-story condominium tower.

"We're aiming for sensible and practical designs, in a way that creates dignified living spaces," said Patricia Solis, an architect with San Francisco Public Works. "We're trying to gather insight from all the lessons we've learned, which are numerous."

San Francisco has opened 10 Navigation Centers since 2015, and all but two remain open. Their purpose is to provide round-the-clock refuge for homeless men or women who have been evaluated by outreach workers beforehand. Along with beds and storage space, there are social services to, ideally, transition clients into stable living situations.

The newest center isn't only the biggest, with 200 beds, it's by far the most visible — three rounded fabric tents rising along the Embarcadero at Beale Street just south of the Bay Bridge. It's so visible, in fact, that neighbors sued the city to block its construction.

John Blanchard / The Chronicle

San Francisco Chronicle
https://www.sfchronicle.com/bayarea/article/Embarcadero-s-new-homeless-Navigation-Center-a-14966874.php

Embarcadero's new homeless Navigation Center a compassionate work of design

The naysayers failed, and it opened in late December. Thirty residents have moved in so far.

You enter beneath a smart-looking canopy that extends nearly to the Embarcadero sidewalk, a tilted screen of corrugated polycarbonate atop wooden beams. The door doesn't open without a punch code and the OK from someone inside who can see visitors via a remote camera.

The canopy serves to shield people and their possessions from the elements while they wait to go in; the tilt means that no drainpipe or gutter is needed. The door swings open slowly, automatically, so that someone in a wheelchair will have no problem entering.

I describe the portal in such detail because it embodies how the architects have tackled the design dilemma inherent to ad hoc sanctuaries like this. They need to create a contained environment that's secure yet soothing. Durable enough to withstand damage from troubled residents, yet also offering comfort to people seeking to get themselves back on their feet.

"This is going to be like the Garden of Eden when we're done," said center director Tony Chase of non profit manager Five Keys. His ardor extends to the men and women selected to live there: "We don't call them clients, we call them guests. Case managers are 'care managers.' We want to make this experience as pleasant as possible."

That laudable goal doesn't hide the reality that the center is what it is, a fenced-off zone where beds are clustered in groups of four within two spacious fabric tents 24 feet tall. A third tent holds the check-in hall, the dining area and meeting rooms of varying sizes.

In between the structures is an asphalt clearing that serves as the courtyard and includes a large sandbox where dogs can play. There are some tables and chairs, and metal poles that will be outfitted with sail-like canopies.

The initial plans included a colorful upgrade to the courtyard asphalt and planter boxes similar to those at the Central Waterfront Navigation Center in Dog patch, but the final budget didn't allow for such niceties. The money instead went to locks for the storage boxes that residents slip under their beds and industrial-capacity water heaters in the detached rectangle holding the residents' shared bathrooms.

Where other centers made do with the modular bathroom trailers you might find at a construction site, the facilities here were custom designed. The goal was to build to the standards of what might politely be called a demanding clientele, yet not feel dehumanizing.

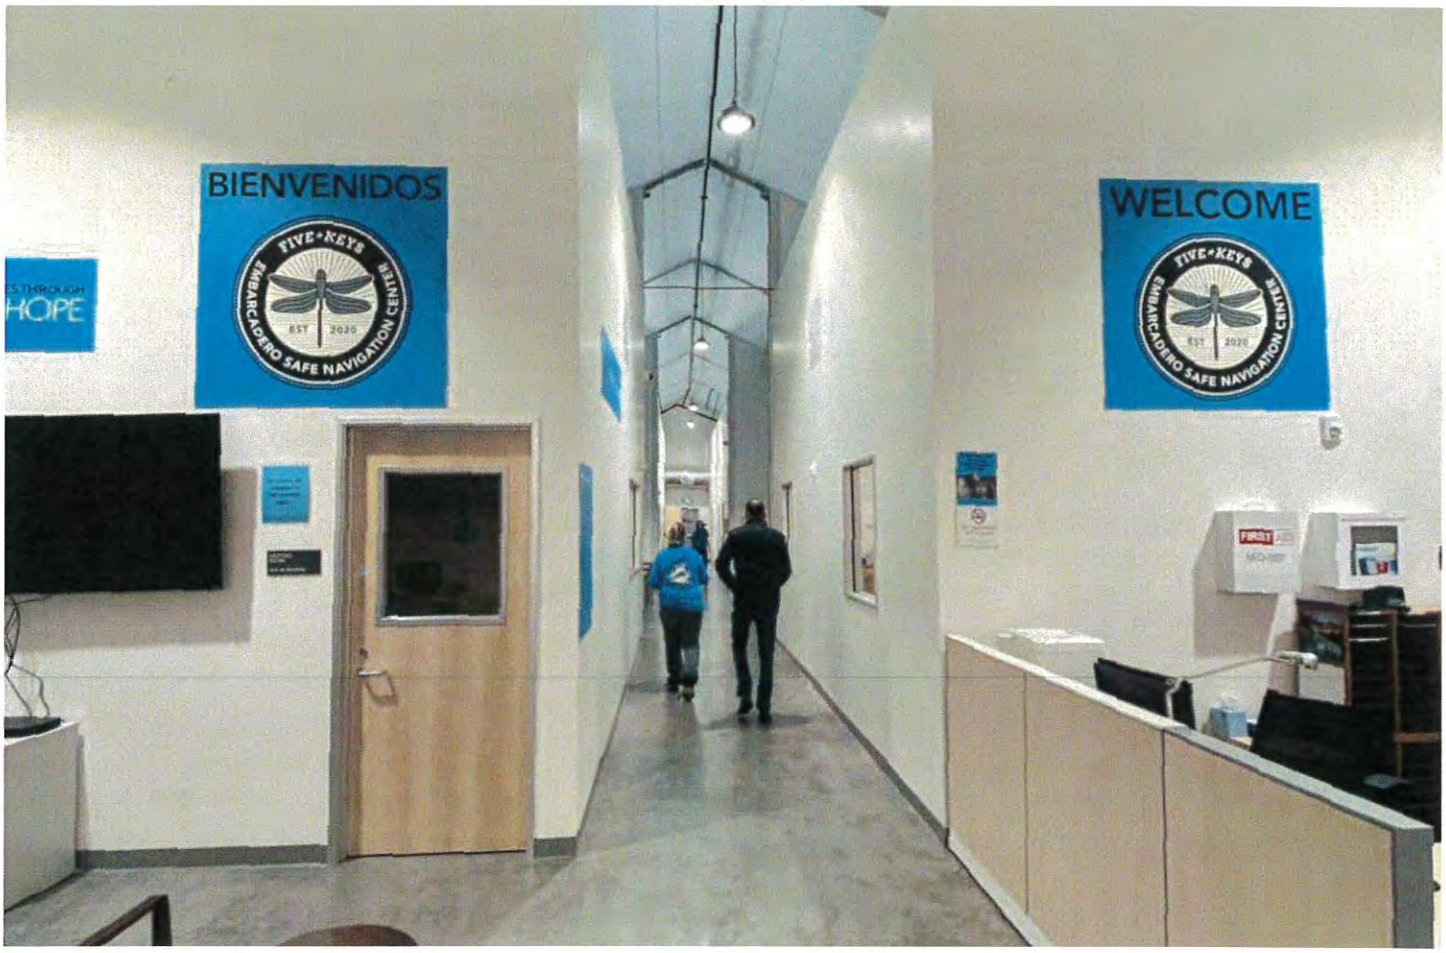
HEALING & HOPE



Top 5 Reasons to Choose Sprung:

1. **Immediate Delivery from Inventory** – Complete projects in a much shorter time-frame than conventional construction, helping people get off the streets and into navigation centers quickly.
2. **Limited Foundation Requirements** – With limited foundation requirements, cities can build in places conventional structures can't be built, including existing asphalt, empty lots, even open spaces, giving more options to densely populated areas.
3. **Rapid Construction Schedule** – Significantly reduce construction costs and timelines compared to conventional construction.
4. **Superior Performing Insulation System** – Save on operating and energy costs with Sprung's airtight building envelope and fully lofted fiberglass insulation system.
5. **Lease with Option to Purchase** – Ease budgeting concerns and up front costs with Sprung's convenient in-house leasing program.

Sprung Structures

For four generations, Sprung has designed solutions for every conceivable application. Inventory-ready building solutions that consistently outperform other building alternatives.

- Sprung structures can be dismantled, reconfigured, re-erected, or relocated for almost any number of applications providing future value and mitigating financial risks.
- Beyond providing all-weather shelter, Sprung structures provide bright, spacious high performance, energy efficient environments.
- Sprung has built homeless navigation centers for world class cities across North America, including Los Angeles, San Francisco, San Diego, Minneapolis, Portland, Fresno and Toronto.

Sprung Structures

A Better Way To Build

Rapid Construction. Design Flexibility. Performance & Durability. Lower Overall Costs.

Division Circle Navigation Center

San Francisco, Homeless Shelter

Project Overview:

Client: St. Vincent de Paul Society of San Francisco and The City of San Francisco Public Works Department

Challenge: The client needed to respond to San Francisco's Mission neighborhood's public health crisis, resulting from the drastic increase in tent encampments. The new Navigation Center needed to serve people living in encampments who have been unable to access services like intensive case management or health care and drug treatment programs at traditional shelters. The area needed a safe, secure, shelter for San Franciscans experiencing long-term homelessness where they could receive support and make lasting social service and housing connections, and a continuum of services aimed at reducing and preventing homelessness.

Solution: **60' wide x 75' long** Sprung Structure fully insulated Dining Hall
60' wide x 135' long Sprung Structure fully insulated Dormitory

Results: The Division Circle Navigation Center (in memory of Brian Quinn, with funding from SF Department of Homelessness and Supportive Housing) proudly provides 126 beds and extensive support services to their clients. St. Vincent de Paul operates the center, which opened in June, 2018. As of July 2018, the Division Circle Navigation center has provided supportive services to over 200 individuals. Services include: case management, medical care, mental health and substance abuse screening, access to appropriate treatment, public benefits, employment resources, and most importantly, assistance finding appropriate and available housing.

Situated perpendicularly, the placement of the two structures creates a community courtyard which includes a garden, outdoor active area, and off leash dog-run. The circular site yields privacy and security. Vehicle parking, bike storage and pedestrian entry to the site is consolidated to one loading zone. The dormitory fills the larger 150' structure, and serves as many clients as possible while maintaining privacy. Adjacent to the dormitory, the 75' structure houses staff offices, a pantry, a laundry, dining & lounge area. Restrooms and showers are in stand-alone units between the structures.

Top 5 Reasons to Choose Sprung:

1. **Immediate Delivery from Inventory –** Complete projects in a much shorter time-frame than conventional construction, helping people get off the streets and into navigation centers quickly.
2. **Limited Foundation Requirements –** With limited foundation requirements, cities can build in places conventional structures can't be built, including existing asphalt, empty lots, even open spaces, giving more options to densely populated areas.
3. **Rapid Construction Schedule –** Significantly reduce construction costs and timelines compared to conventional construction.
4. **Superior Performing Insulation System –** Save on operating and energy costs with Sprung's airtight building envelope and fully lofted fiberglass insulation system.
5. **Lease with Option to Purchase –** Ease budgeting concerns and up front costs with Sprung's convenient in-house leasing program.

Sprung Structures

For four generations, Sprung has designed solutions for every conceivable application. Inventory-ready building solutions that consistently outperform other building alternatives.

- Sprung structures can be dismantled, reconfigured, re-erected, or relocated for almost any number of applications providing future value and mitigating financial risks.
- Beyond providing all-weather shelter, Sprung structures provide bright, spacious high performance, energy efficient environments.
- Sprung has build homeless navigation centers for world class cities across North America, including Los Angeles, San Francisco, San Diego and Toronto.

Exhibit 1 - Appendix C

Stockton Salvation Army County Shelter Annual Budget

Annual Expense	Amount
Utilities: (includes gas, water, sewer, electric, pest control, trash, fire alarm, phone, internet) **	$123,540
Salaries: (includes taxes and benefits) (see attached salary breakdown for staffing)	$1,624,274.81
Overtime Expenses (industry standard of 2% of salary expenses)	$32,485.50
Food, Snacks, Coffee: $8.00 per person per day (125 people) @365 days	$365,000
Building Inspections, A/C, and Heating service parts / maintenance	$6,100
Associated training costs for emergency evacuation procedures; client confidentiality requirements; emergency procedures for medical, psychiatric, and crisis situations; First aid procedures; Cultural competency; and Shelter operational procedures.	$2,500
Cleaning Supplies: (includes hygiene, paper products, first aid, janitorial) $2.32 per pers. per day	$105,850
Sub Total	$2,259,750.31
TSA Administration Fee	$225,975.31
	$2,485,725.34

What we would like Stockton County to provide before opening of the shelter program (Modesto County provide these items for their low barrier shelter.

The County would provide 24 hour internal (1) and external (2) armed security personnel at no cost to TSA.

The County will provide Pest Control service at no cost to TSA.

The County will ensure installation of a Commercial grade and size washer and dryer at no cost to TSA.

These items are included as initial "one time" expenses/purchases:

The County will provide office computers (capable of running all applicable software for shelter operation), copier(scan, email, fax, copy) , office furniture (including desks (9), office chairs (9), tables, filing cabinets (9), conference room table, conference room chairs (10) office supplies, lobby chairs (25), 3 large flat TV's screen for Day Room Area

The County will provide Pet Crates (45)

The County will provide combination padlocks (364) for lockers and closets

The County will provide 182 Personal Storage Containers: (totes and lids)

The County will provide an external Cargo Container and associated hardware for bicycle storage

The County will provide Bathroom (Bathroom Buddy) and Floor Cleaner machines

The County will provide On-site AED First Aid Devices (purchased or leased)

Concerning 'Pets, Possessions and Partners'

'Pets': The Shelter Program will allow guest owned animals that adhere to statewide guidelines for service and support animals. (See attached form for Assistance Animals) (up to 25% of the County shelter client population (32).

'Possessions': The shelter program will provide 1 Storage bin, 1 locker and 1 lockable closet for each client as well as a lockable Storage (shipping) container for bicycles (one bicycle for each client)

'Partners': All shelter clients must agree to and adhere to behavioral guidelines. Shelter clients are prohibited from all sexual relations in the shelter or on TSA Property. Male clients have the choice of sleeping in the male dorm areas, Females can sleep in the female dorm areas and if an individual identifies as 'Other' or 'LGBTQ' they have the choice of sleeping in the Alternate Accommodations Room. Couples may also choose to sleep in the Alternate Accommodations Room however cohabitation of beds is prohibited. All beds are twin size beds and can only be occupied by one person and cannot be moved or pushed together (fire and safety code). Every attempt will be made to place couples next to each other whenever possible.

Employee Outline (Staff to Client ratio) : (minimum of 125 Emergency Shelter clients)

Shift 1: 1 front desk, 1 monitor, 1 shelter director, 1 Maintenance, 1 Janitor, 2 Case managers, 1 Kitchen Supervisor, 1 Cook Aide, 1 Security = (10)

Shift 2: 1 front desk, 2 monitor, 1 Assist- director, 1 HMIS /Intake Coordinator, 1 Case Manger, 1 Cook Aide, 2 Security = (8)

Shift 3: 1 front desk, 2 monitor, 1 Security = (4)

RE: Conditional Lease for use of 1188 S. Airport Way

Dear Major John Brackenbury, M.O.L.:

As requested, this letter is to inform the City of Stockton that GBM willing negotiate a lease with the Salvation Army for ten years with a five-year renewable option for the use of my property for a transitional housing facility for the unhoused in Stockton.

We have been discussing this proposal and We will try our best to working with the Salvation Army to create a location where people can improve their situation in life with the help of support services and job training. Assuming the Salvation Army receives the funding and appropriate zoning for the project we will work together to create a binding lease.

This letter does not serve as a contract nor binds either party to a lease.

Thank you,

Jane Chen

Resolution No.

STOCKTON CITY COUNCIL

RESOLUTION AUTHORIZING THE CITY TO APPLY FOR A GRANT AWARD FROM THE COUNTY OF SAN JOAQUIN TO ACQUIRE AND DEVELOP A LOW-BARRIER SHELTER PROGRAM FOR HOMELESS INDIVIDUALS

The City of Stockton is eligible to submit a one-time capital grant request to the County of San Joaquin to support the creation of low-barrier shelter beds; and

The grant opportunity aligns with the goal of creating an additional 125 low-barrier shelter beds; now, therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF STOCKTON, AS FOLLOWS:

1. Hereby authorizes the City Manager to submit a request for a one-time capital grant through the County of San Joaquin in the amount of $8,116,629 to support the creation of a low-barrier shelter program for homeless individuals.

2. Authorizes an additional request to the County of San Joaquin of $1,371,450 to support the gap in operational funding.

3. Upon approval from the County, authorizes the appropriation of $3,600,000, and total County grant funds, to the Salvation Army of Stockton for daily costs associated with operating a 125-bed shelter and capital project need.

4. The City Manager is hereby authorized to take whatever actions are necessary and appropriate to carry out the purpose and intent of this Resolution.

PASSED, APPROVED and ADOPTED June 14, 2022.

KEVIN J. LINCOLN II
Mayor of the City of Stockton

ATTEST:

ELIZA R. GARZA, CMC
City Clerk of the City of Stockton

Low-Barrier Shelter Beds Recommendation

Stockton City Council

June 14, 2022

Agenda Item 15.6

Timeline and Process

September 2021

- Council approved American Rescue Plan Act (ARPA) funding distribution
  - $12.15 million for Homelessness/Housing
  - $3.6 was approved for Low Barrier Shelter Beds

December 2021

- Council directed the City Manager to pursue $6.5 million of capital grant funds from San Joaquin County

January 2022

- Rane Community Development was contracted to assist with ARPA Homelessness Projects

March 2022

- A Notice of Request for Project Concepts and Funding Availability for Low Barrier Shelter Beds was issued.

Timeline and Process

April 2022

- Four submissions were received and reviewed
- Two were deemed incomplete
- A panel of four individuals reviewed and scored the proposals
    - (1) current county Health Care Services Agency employee
    - (1) current Continuum of Care board member
    - (1) retired SJ County Behavioral Health Services' Executive Team member
    - (1) City's consultant to the Economic Development Department
- Interviews were conducted with Gospel Center Rescue Mission and Salvation Army

May 2022

- Additional information was requested from Salvation Army regarding site control and operational budget

Salvation Army Proposal

- One-time capital grant will be sought from San Joaquin County
- Property location: 1188 S. Airport Way, Stockton CA 95205
  - Zoned light / limited industrial (IL).
  - Permitted use, per Stockton municipal code.
  - GBM Realty, LLC -- June Chen -- Managing Partner
  - 10-year lease with an optional five-year renewal.
  - Large-paved area, a warehouse, and several smaller buildings for storage.
- Development Team
  - RPM Team (a construction management team) and G&G Builders (LGC) licensed general contractor.

Capital Budget

Estimated Costs	Amount
10-year lease (Paid up front) - 120 months at $19,000/mo.	$ 2,280,000
Construction and Renovations	$ 4,951,785
Additional Costs (11%) (permitting, fees, design, demolition, abatement, landscaping, insurance, and overhead)	$ 884,844
Total	**$8,116,629**

Operational Budget

Estimated Expenses	Annual Cost
Salaries and Benefits	$ 1,624,275
Supplies, Utilities, Trainings, Food, Hygiene, etc.	$ 635,475
Administrative Overhead	$ 225,975
Total	**$ 2,485,725**

Recommendations

1. Authorize the City Manager to submit a request for, and accept, a one-time capital grant through the County of San Joaquin in the amount of $8,116,629 to support the creation of a low-barrier shelter program for homeless individuals;

2. Authorize an additional request to the County of San Joaquin of $1,371,450 to support the gap in operational funding for the first two years of operation;

3. Upon approval from the County, authorize the appropriation of $3,600,000 of American Rescue Plan Act funds, and total County grant funds, to the Salvation Army of Stockton for daily costs associated with operating a 125-bed shelter and capital project needs; and,

4. Authorize the City Manager, or designee, to take appropriate and necessary actions to carry out the purpose and intent of this resolution.

File #: 22-0579, **Version:** 1

APPOINTMENT TO THE STOCKTON CIVIL SERVICE/EQUAL EMPLOYMENT COMMISSION

RECOMMENDATION

Adopt a resolution appointing one member to the Civil Service Commission/Equal Employment Commission for a term commencing immediately and ending June 30, 2025.

Summary

The Civil Service Commission currently has one vacancy. The first step towards filling the stated vacancy was to recruit and engage the public to complete an application and interview. The City did and at the conclusion of the recruitment period seven applications were received and four individuals were interviewed. The interviews were recorded and broadcasted on the City's website so that they could be viewed through the archive by the members of the City Council before tonight's meeting. The second step is the City Council appointment process, which is scheduled before you this evening.

DISCUSSION

Background

Pursuant to Stockton Charter Article XXV, Sections 2502 and 2503, the City Council appoints the five -member Civil Service Commission; each term is for three years. The function of the Stockton Civil Service Commission is as follows:

- To adopt, amend or repeal rules for the Civil Service System
- To investigate either upon complaint or upon its own motion concerning any matter touching the administration of the Civil Service Commission
- To act in an advisory capacity to the City Manager on problems concerning personnel administration
- As provided by rule, to hear appeals of dismissals, demotions, or reductions submitted by any person in the competitive service. Prepare or cause to be prepared a written statement of facts, findings, and recommendations on every appeal. The effect of the Commission's recommendation in case of discharge, demotion or reduction shall be final and binding upon all parties.
- To make an annual report and such other reports as it deems desirable to the City Council covering the administration of the personnel system.

The Office of the City Clerk initiated the recruitment to fill the vacancy, which opened on April 5, 2021 and accepted applications until interviews were conducted on May 31, 2022, June 1, 2022, and June 7, 2022.

Pursuant to Council Policy Chapter 3.02, City Council and Mayoral Appointments to Boards, Commissions, and Committees, the following two-step interview and appointment process is used to fill current vacancies on boards and commissions:

1. The City Clerk conducts the initial applicant interviews, which are recorded so that the Council can view from the archive; and,
2. The Council makes the appointment at a regularly scheduled Council meeting.

The City Clerk's Office interviewed the following applicants

Virtu Arora
Christina Mambourg
Nancy Muniz
Doug Vigil

All applicants were notified of tonight's meeting; however, their attendance is not mandatory.

Present Situation

Tonight, the City Council will proceed with the following method for appointment pursuant to Council Policy Chapter 3.02:

1. From the list so provided to the Council, each Councilmember, including the Mayor, will rank the applicants for each Commissioner such that the number of applicants that each Councilmember ranks will be one number greater than the number of vacancies and/or the number of Commission members whose terms will be expiring. (This will likely avoid tie votes.) For example, if there is only one vacancy or only one term expiring, the Councilmember's first choice for appointment will be ranked with the number "2" and the Councilmember's second choice with the number "1." If because of a vacancy and/or because of an expiring term, there is more than one appointment to a Commission, the Councilmember will assign to the Councilmember's first choice the higher(est) number and lesser number(s) to the Councilmember's other choice(s). For example, if there were one vacancy and one term expiring, each Councilmember would rank three applicants, assigning the number "3" to the Councilmember's first choice, the number "2" to the Councilmember's second choice and the number "1" to the third choice.
2. After the Council has ranked the applicants, the City Clerk will tally the rankings and the applicant(s) receiving the highest number(s) would, subject to Council ratification, be appointed. If there is a tie, then the process described in A above will be repeated only as to the applicants who are tied.

   The City Clerk will present the resolution upon appointment of the individuals selected to fill the vacancy effective immediately and ending on June 30, 2025.

FINANCIAL SUMMARY

Civil Service Commissioners receive $25.00 remuneration per meeting with a monthly maximum of $150.00. Sufficient funds are available in account number 010-1621-510.01-12: Compensation Boards and Commissions, for this purpose.

Interests & Experiences

Please tell us about yourself and why you want to serve.

I am a 31 year old residing and working in the City of Stockton with my husband, Lucas, and seven year old daughter, Baylee. In May of 2020 I graduated from the University of San Francisco with a Masters in Public Administration. Since then I have continued to serve Hospice of San Joaquin to procure PPE, establish Telehealth solutions and provide more effective electronic solutions to the management and accessibility of Protected Health Information for the personnel and our patients. Though I have served this agency for nearly seven years and this work continues to be very fulfilling, my professional goal is to serve as a City Manager. To support this goal, I have been a member of the National Society Daughters of the American Revolution for six years working to promote education and patriotism in our county. Additionally, I have served as a Commissioned Notary Public and volunteered at many of the community events attended by Hospice of San Joaquin. I am a civic minded individual hopeful to serve on a City of Stockton Board, Commission or Committee where I will obtain additional experience and expertise in the support, guidance and management of our community.

Please state the reason you would like to be a member of this board/commission.

Personally, to serve the community I live and work in. Professionally, as a third generation government leader helping to give our City a progressive edge whilst promoting and developing its efficacies and efficiencies.

Have you served on an advisory group before?

◉ Yes ○ No

If yes, please explain.

I have served on a Board of Directors for the NSDAR as Recording Secretary, 2017-2018

How did you hear about the position?

Interests & Experiences

Please tell us about yourself and why you want to serve.

My professional experience includes working with the general public population, through non-profit and community based organizations. I also have extensive experience in public service, public speaking, training and coaching teams from multiple agencies, research analysis, data reporting, and management. I hold a deep passion for helping others along with a strong commitment to serving the needs of others in the City of Stockton along with surrounding areas in San Joaquin County and cities along the Central Valley.

Please state the reason you would like to be a member of this board/commission.

I am knowledgeable with federal and state labor requirements, policy, and procedures. I strongly promote collaborating with partnering agencies in providing services for enrichment, sufficient engagement, and efficiency in any workplace establishment. I have experience with state and federal program budgets, grants, community assessments, and project contracts, community events and survey of services. I am confident that my abilities match your need to fill this vacant commission position. I look forward to possibly join your team of impressive committed individuals.

STOCKTON CITY COUNCIL

RESOLUTION APPOINTING ONE MEMBER TO THE STOCKTON CIVIL SERVICE/EQUAL EMPLOYMENT COMMISSION

There is one vacancy on the Stockton Civil Service/Equal Employment Commission due to a commissioner resignation now, therefore

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF STOCKTON, AS FOLLOWS:

The City Council hereby appoints_____ to serve on the Stockton Civil Service/Equal Employment Commission for a term commencing immediately and ending June 30, 2025

PASSED, APPROVED, and ADOPTED June 14, 2022.

KEVIN J. LINCOLN II
Mayor of the City of Stockton

ATTEST:

ELIZA R. GARZA, CMC
City Clerk of the City of Stockton

File #: 22-0436, **Version:** 1

ADOPT THE BUDGET FOR THE FISCAL YEAR 2022-23 CENTRAL STOCKTON LIGHTING MAINTENANCE ASSESSMENT DISTRICT

RECOMMENDATION

This public hearing is to consider public comments and testimony regarding the Fiscal Year (FY) 2022-23 Central Stockton Lighting Maintenance Assessment District (District) Annual Engineer's Report, budget, and levy of assessments.

After the public hearing, if owners of more than 50 percent of the area of assessable lands within the District have not protested the proposed levy of annual maintenance assessments, it is recommended that the City Council adopt a resolution to:

1. Overrule any and all protests or objections (including all written protests not withdrawn in writing before the conclusion of the public hearing) to the proposed levy of assessments in the District in each zone.

2. Approve and adopt the District's Annual Engineer's Report for the FY 2022-23 containing the budget for each zone and confirm and levy the assessments for each zone as set forth in the Annual Engineer's Report.

3. Certify that the special assessment(s), fee(s), or charge(s) to be placed on the FY 2022-23 Secured Property Tax bill by the City of Stockton are certified to meet the requirements of Proposition 218 that added Articles XIIIC and XIIID to the California State Constitution.

4. Confirm that the assessments of the annual amount of costs and expenses for the maintenance and operation of the improvements upon the assessable lands in the District, as contained in the Annual Engineer's Report, shall be levied and collected for FY 2022-23. The assessments are in compliance with all laws pertaining to the levy of the annual assessment (State of California Streets and Highways Code Section 22500). The assessments are levied without regard to property valuation. The purpose of the assessments is to pay the costs and expenses for administration, maintenance, and operation of the Central Stockton Lighting Maintenance Assessment District, Zone 4, Oxford Manor.

5. Authorize the City Manager or designee, on behalf of the City Clerk, to file the assessments or a copy thereof certified by the City Clerk with the San Joaquin County Auditor and cause the assessments to be entered on the 2022-23 tax roll for the parcels in the District, Zone 4, Oxford Manor, as set forth in the Annual Engineer's Report on file with the City Clerk.

It is also recommended that the City Manager be authorized to take appropriate and necessary actions to carry out the purpose and intent of this resolution.

Summary

This public hearing is to consider public comments and testimony regarding the FY 2022-23 District's Annual Engineer's Report, budget, and levy of assessments. The Landscaping and Lighting Act of 1972 (Act), under which the District was formed, requires this public hearing and approval of the Annual Engineer's Report, budget, and levy of assessments. The FY 2022-23 Annual Engineer's Report for the District, which contains the budget, assessment amounts, and description of improvements eligible to be maintained, is on file with the City Clerk and is available for online viewing at:
2022-23_Central_Stockton_Lighting_Engineers_Report.pdf (stocktonca.gov)
<http://www.stocktonca.gov/files/2022-23_Central_Stockton_Lighting_Engineers_Report.pdf>

The District levies assessments to fund maintenance of specialty streetlights in the Oxford Manor area (Attachment A). All funds generated from the assessments in the Oxford Manor zone can only be used for specific work in that zone.

The assessment formula provides for an annual escalator to the maximum allowable assessment and for adjusting the actual assessment. It is recommended that the FY 2022-23 maximum assessment be increased per the formula at the regional Consumer Price Index (CPI) of 5.2 percent. It is further recommended that the actual FY 2022-23 assessment increase by 7.12 percent over the FY 2021-22 assessment to adjust for inflation and track with the national CPI rate. This recommendation is a result of a comprehensive review and evaluation of current maintenance expenditures, long-term capital needs, and available reserves.

The recommended resolution overrules any and all protests; approves and adopts the District's Annual Engineer's Report for the FY 2022-23 containing the budget, and confirms and levies the assessments as set forth in the Annual Engineer's Report; certifies that the assessments meet the requirements of Proposition 218 that added Articles XIIIC and XIIID to the California State Constitution; confirms that the assessments are in compliance with State of California Streets and Highways Code Section 22500, that the assessments are levied without regard to property valuation, and that the assessments are to fund maintenance of streetlights in public rights-of-way; authorizes and directs the City Manager or designee to execute all documents, including, but not limited to, agreements and amendments; and authorizes the City Manager to take appropriate and necessary actions to carry out the purpose and intent of the resolution.

DISCUSSION

Background

The City operates and maintains approximately 19,000 streetlights. In most areas of the City, the cost of operating and maintaining streetlights is funded from the Measure K Fund. However, in the area of central Stockton, a special street lighting District was formed to provide enhanced lighting. The enhanced lighting consists of more lights per block than a standard design would require and more expensive, non-standard poles and fixtures.

The District was formed in 2011 after achieving a passing vote in a voting process established by

Proposition 218. This process requires all benefiting property owners to be given the opportunity to vote on the establishment of a maintenance assessment district. For an assessment district to be established, a majority of the votes cast must be in favor. The District consists of 278 non-City standard streetlights in the Oxford Manor area (Attachment A) and allows for assessments to be collected for the special benefit received as a result of the non-standard street lighting. The general benefit portion is included in the Public Works Operating budget.

The District sets annual assessments collected by the County with annual property taxes on each taxable parcel contained within the District. These annual assessments provide funding for operation, electricity, maintenance, and other administrative costs associated with the specialty lighting system, including preparing an Annual Engineer's Report and assessment roll. The Annual Engineer's Report contains the District's budget. The budget details the maintenance and administrative costs for the Oxford Manor zone.

The special benefit received by each parcel is directly proportional to the Linear Front Footage (LFF) of each parcel fronting the enhanced lighting corridor or street. Therefore, the assessment per parcel was determined by first defining a "Unit Assessment Rate" (dollars per LFF) for the Oxford Manor zone. This assessment rate was calculated by dividing the total special benefit cost in the zone by the total LFF of the zone. This Unit Assessment Rate (dollars per LFF) was then multiplied by each parcel's LFF to determine the special benefit assessment for each parcel. The actual FY 2021-22 LFF assessment rate was $0.287868. The maximum FY 2021-22 LFF assessment rate was $0.574687.

The District assessment was approved with an annual escalator. The escalator is the greater of three percent or the increase in the San Francisco-Oakland-Hayward All Urban CPI. The escalator allows the assessment, when necessary, to keep pace with inflation without having to go through the time and expense to ballot the property owners. The maximum allowable assessment annually adjusts by the CPI, while the actual assessment needed to cover a zone's expenses is determined based on the estimated expenses for the fiscal year. The annual increase in calendar year 2021 of the San Francisco-Oakland-Hayward All Urban CPI was 5.2 percent. Therefore, the maximum escalator that can be applied to the maximum allowable assessment for FY 2022-23 is 5.2 percent. The maximum allowable assessment has been increased by the maximum allowable escalator each year since the District was formed.

On April 19, 2022, Council adopted Resolution No. 2022-04-19-1207, which preliminarily approved and confirmed the FY 2022-23 Annual Engineer's Report, the proposed actual assessments, set a public hearing for June 14, 2022, and authorized the City Clerk to publish notice of the public hearing. The Annual Engineer's Report contains the budget, proposed assessment amounts, and a complete description of improvements eligible to be maintained. The Annual Engineer's Report is on file with the City Clerk.

Present Situation

A summary of the proposed FY 2022-23 budget for the District (Attachment B) is contained within the Annual Engineer's Report, which is on file with the City Clerk. The budgeted expenditures include energy use, bulb replacements, administration, replacement reserves, general maintenance, re-painting, knockdowns, and contingency. Funding for expenditures is from assessments levied on the properties within the District and Public Works Operating budget.

The total proposed FY 2022-23 cost of the Oxford Manor lighting is $56,276, which is an increase of $3,737.38 from FY 2021-22. The increase is attributable to anticipated increases in utility costs and costs to replace potential pole knockdowns due to vehicle collisions, and the recommendation to increase the actual FY 2022-23 assessment by 7.12 percent to adjust for inflation and track with the national CPI. Since the reserve is fully funded and growing, an appropriation from the reserve of $4,148.02 is proposed. The actual FY 2022-23 assessment rate is proposed to be $0.3080865 per LFF. The maximum assessment rate is recommended to be increased the allowed 5.20 percent to $0.604571992 per LFF.

At the end of each fiscal year, any unexpended funds are returned to the District's reserve, which can be used to fund major repairs, such as wire and/or conduit replacement, foundation replacements, or other major repair or improvement.

The District was established with the expectation that long-term refurbishment and gradual replacement of equipment would be accomplished utilizing a combination of operating and reserve funds. The reserve was reviewed and determined to be adequate. The District currently generates sufficient revenue for regular operation and has adequate reserves, so no change to the current assessment is in order.

The FY 2022-23 Annual Engineer's Report for the District, which contains the budget, assessment amounts for each property, and a description of improvements eligible to be maintained, is on file with the City Clerk. The assessments fund the special benefit of 278 non-standard streetlights within the District.

After the public hearing, if owners of more than 50 percent of the area of assessable lands within the District have not protested the proposed levy of annual maintenance assessments, it is recommended that the City Council adopt a resolution to:

1. Overrule any and all protests or objections (including all written protests not withdrawn in writing before the conclusion of the public hearing) to the proposed levy of assessments in the District in each zone.

2. Approve and adopt the District's Annual Engineer's Report for the FY 2022-23 containing the budget for each zone and confirm and levy the assessments for each zone as set forth in the Annual Engineer's Report.

3. Certify that the special assessment(s), fee(s), or charge(s) to be placed on the FY 2022-23 Secured Property Tax bill by the City of Stockton are certified to meet the requirements of Proposition 218 that added Articles XIIIC and XIIID to the California State Constitution.

4. Confirm that the assessments of the annual amount of costs and expenses for the maintenance and operation of the improvements upon the assessable lands in the District, as contained in the Annual Engineer's Report, shall be levied and collected for FY 2022-23. The assessments are in compliance with all laws pertaining to the levy of the annual assessment (State of California Streets and Highways Code Section 22500). The assessments are levied without regard to property valuation. The purpose of the assessments is to pay the costs and

expenses for administration, maintenance, and operation of the Central Stockton Lighting Maintenance Assessment District, Zone 4, Oxford Manor.

5. Authorize the City Manager or designee, on behalf of the City Clerk, to file the assessments or a copy thereof certified by the City Clerk with the San Joaquin County Auditor and cause the assessments to be entered on the 2022-23 tax roll for the parcels in the District, Zone 4, Oxford Manor, as set forth in the Annual Engineer's Report on file with the City Clerk.

It is also recommended that the City Manager be authorized to take appropriate and necessary actions to carry out the purpose and intent of this resolution.

Public Notification

Notice of the Public Hearing was published in The Record on June 4, 2022. The notice is required to be published a minimum of 10 days prior to the public hearing.

FINANCIAL SUMMARY

Total Proposed FY 2022-23 Assessments	$16,923.76
Total Proposed FY 2022-23 Appropriation from Reserves	$4,148.02
TOTAL PROPOSED FY 2022-23 SPECIAL BENEFIT BUDGET (FUND 270-001)	$21,071.78

Assessments are collected to fund the special benefit costs received by the properties in the District and held in a separate fund (Fund 270-001) for this purpose. Funds for the general benefit costs will be presented to Council for consideration during the normal budget process for the FY 2022-23 and are estimated to be $35,204.22.

There is no impact to the City's General Fund or any other unrestricted fund as a result of taking the recommended actions.

Resolution No.

STOCKTON CITY COUNCIL

RESOLUTION OVERRULING ANY AND ALL PROTESTS, ADOPTING THE ANNUAL ENGINEER'S REPORT FOR FISCAL YEAR 2022-23, APPROVING THE BUDGET FOR EACH ZONE, CERTIFYING COMPLIANCE WITH THE REQUIREMENTS OF PROPOSITION 218 AND THE STATE OF CALIFORNIA STREETS AND HIGHWAYS CODE, AND CONFIRMING AND LEVYING ASSESSMENTS FOR THE CENTRAL STOCKTON LIGHTING MAINTENANCE ASSESSMENT DISTRICT

On April 19, 2022, the City Council of the City of Stockton adopted Resolution No. 2022-04-19-1207 to preliminarily approve the Annual Engineer's Report for the Fiscal Year (FY) 2022-23 (the "Annual Engineer's Report"), to provide preliminary approval of the proposed budget, and to set a public hearing for the Central Stockton Lighting Maintenance Assessment District (the "District"), pursuant to the Landscaping and Lighting Act of 1972; and

The only zone currently in the District is Zone 4, Oxford Manor, which currently comprises the entirety of the District subject to an annual assessment; and

Notice of the public hearing that was held on June 14, 2022, was duly and regularly published in *The Record*, in the time, form, and manner required by law as evidenced by the declaration on file with the City Clerk; and

At the public hearing, the City Council afforded to every interested person an opportunity to make a protest to the Annual Engineer's Report, to the maximum annual assessment, the actual FY 2022-23 assessment, to the proposed budget, or to the proposed method and proportion of assessment, either in writing or orally, and this City Council has considered each protest, if any, and all matters and things pertaining to the Annual Engineer's Report were fully heard and considered by this Council; now, therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF STOCKTON, AS FOLLOWS:

1. Protests or objections (including all written protests not withdrawn in writing before the conclusion of the public hearing) to the proposed levy of assessments in Zone 4, Oxford Manor, have not been made by the owners of the area of assessable lands subject to more than 50 percent of the total proposed levy of assessments within the District (Zone 4, Oxford Manor), and any and all protests or objections are overruled.

2. The Annual Engineer's Report for the District on file with the City Clerk for FY 2022-23, which includes the budget for Zone 4, Oxford Manor, is approved and

adopted as the method of assessment for Zone 4, Oxford Manor, to be used to pay the costs and expenses for administration, maintenance, and operation.

3. The Council certifies that the special assessment(s), fee(s), or charge(s) as contained in the Annual Engineer's Report and to be placed on the FY 2022-23 Secured Property Tax bill by the City of Stockton are certified to meet the requirements of Proposition 218 that added Articles XIIIC and XIIID to the California State Constitution.

4. The assessments of the annual amount of costs and expenses for the maintenance and operation of the improvements upon the assessable lands in the District, as contained in the Annual Engineer's Report, are hereby approved and confirmed and shall be levied and collected for FY 2022-23. The assessments comply with all laws pertaining to the levy of the annual assessment (California Streets and Highways Code § 22500). The assessments are levied without regard to property valuation. The purpose of the assessments is to pay the costs and expenses for administration, maintenance, and operation of the Central Stockton Lighting Maintenance Assessment District, Zone 4, Oxford Manor.

5. The City Manager or designee, on behalf of the City Clerk, is hereby directed to file the assessments or a copy thereof certified by the City Clerk or other City official with the San Joaquin County Auditor and cause the assessments to be entered on the FY 2022-23 tax roll for the parcels in the District and each Zone within the District as set forth in the Annual Engineer's Report on file with the City Clerk.

6. The City Manager or designee is hereby authorized and directed to execute all documents, including, but not limited to, agreements and amendments.

7. The City Manager is hereby authorized to take whatever actions are necessary and appropriate to carry out the purpose and intent of this Resolution.

PASSED, APPROVED, and ADOPTED June 14, 2022.

KEVIN J. LINCOLN II
Mayor of the City of Stockton

ATTEST:

ELIZA R. GARZA, CMC
City Clerk of the City of Stockton

CENTRAL STOCKTON LIGHTING MAINTENANCE ASSESSMENT DISTRICT

FY 2022-23 Annual Engineer's Report
Public Hearing

Public Works Department
June 14, 2022
Item No. 16.1

Central Stockton Lighting Maintenance Assessment District

- District established to fund increased costs to maintain 278 total decorative streetlights that exceed City standard
- Operation and Maintenance funded:
  - Electricity
  - Replace Broken Fixtures
  - Replace Burned Out Bulbs
  - Re-paint Poles
  - Replace Damaged or Knocked Down Poles
  - Administration

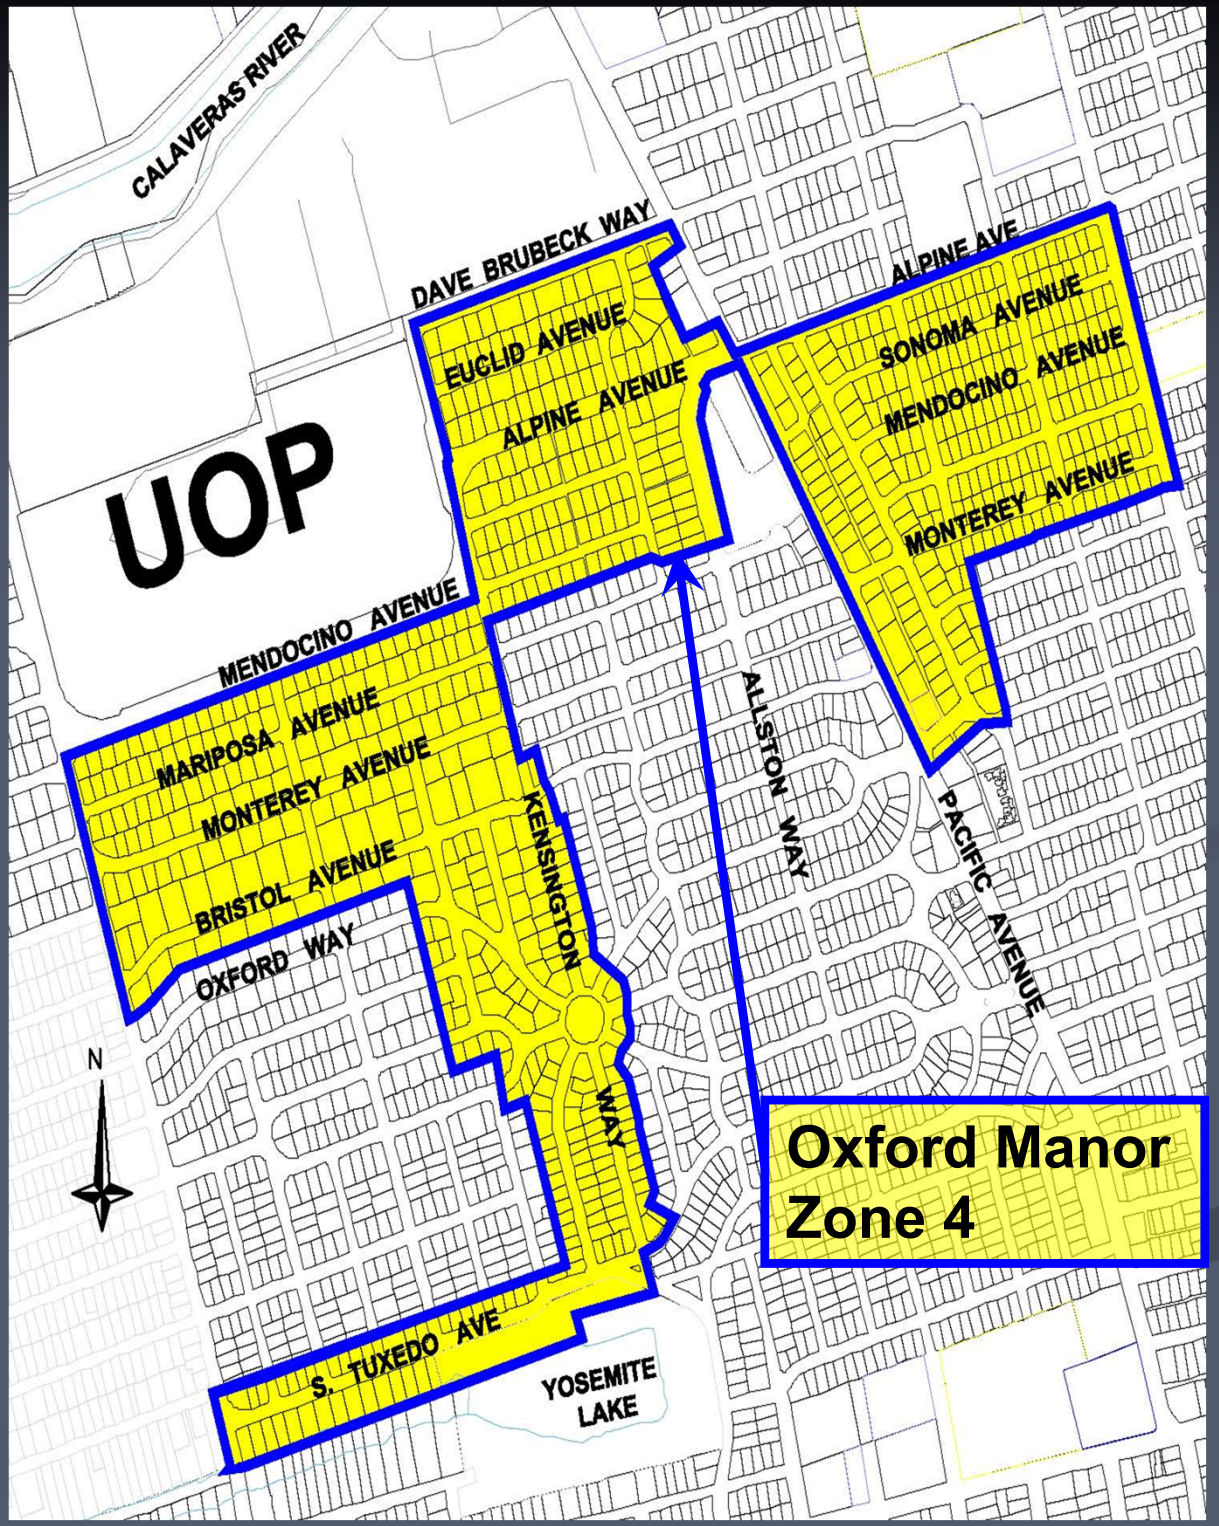
Central Stockton Lighting Maintenance Assessment District

- Each year Council adopts the following:
  - Engineer's Report
  - Maximum Allowable Assessment
  - Annual Budget/Actual Assessment
- Provides funding for:
  - Operation, maintenance, and preparation of an annual Engineer's Report and tax rolls; legal review; collection of assessments on San Joaquin County property taxes and City administration

Maximum Allowable
vs
Actual Assessments

- Original Engineer's Report approved by landowner ballot – allows for annual Cost of Living Adjustment
- Approves annual maximum allowable, but collects only what is needed for anticipated operational costs
- Allows for unanticipated emergencies – to collect only if necessary

CENTRAL STOCKTON LIGHTING MAINTENANCE ASSESSMENT DISTRICT



1728

Annual Assessment

- Assessment based on parcel street frontage
- FY 2022-23 Maximum Assessment Adjustment: 5.20%
  - Based on San-Francisco-Oakland-Hayward All Urban Consumers Price Index per original criteria
- FY 2022-23 Maximum Assessment $0.6045719 /Frontage Foot
- FY 2022-23 Actual Assessment Adjustment: 7.12%
- FY 2022-23 Actual Assessment: $0.3080865/Frontage Foot
- Actual Assessment for typical 50 Foot Lot: $15.40

FY 2022-23 Budget

Zone No.	Zone Name	Proposed Unit Assessment Rate (per Linear Frontage Foot)	Proposed Budget (Actual Assessment)	Proposed Maximum Allowable Assessment
4	Oxford Manor	$0.3080865	$16,923.76	$33,210.25

Recommended Actions

- Overrule all public hearing protests
- Approve and adopt:
  - Central Stockton Lighting Maintenance Assessment District Annual Engineer's Report
  - Maximum Allowable Assessment
  - Annual Budget/Actual Assessment for each Zone of the District
- Confirm and levy assessment for each Zone

File #: 22-0437, **Version:** 1

ADOPT THE BUDGET FOR THE FISCAL YEAR 2022-23 STOCKTON CONSOLIDATED LANDSCAPE MAINTENANCE ASSESSMENT DISTRICT NO. 96-2

RECOMMENDATION

This public hearing is to consider public comments and testimony regarding the Fiscal Year (FY) 2022-23 Stockton Consolidated Landscape Maintenance Assessment District No. 96-2 (Consolidated Landscape District) Annual Engineer's Report, budget, and levy of assessments.

After the public hearing, if owners of more than 50 percent of the area of assessable lands within the Consolidated Landscape District have not protested the proposed levy of annual maintenance assessments, it is recommended that the City Council adopt a resolution to:

1. Overrule any and all protests or objections (including all written protests not withdrawn in writing before the conclusion of the public hearing) to the proposed levy of assessments in the Consolidated Landscape District in each zone.

2. Approve and adopt the Consolidated Landscape District's Annual Engineer's Report for the FY 2022-23 containing the budget for each zone and confirm and levy the assessments for each zone as set forth in the Annual Engineer's Report.

3. Certify that the special assessment(s), fee(s), or charge(s) to be placed on the FY 2022-23 Secured Property Tax bill by the City of Stockton are certified to meet the requirements of Proposition 218 that added Articles XIIIC and XIIID to the California State Constitution.

4. Confirm that the assessments of the annual amount of costs and expenses for the maintenance and operation of the improvements upon the assessable lands in the Consolidated Landscape District, as contained in the Annual Engineer's Report, shall be levied and collected for FY 2022-23. The assessments are in compliance with all laws pertaining to the levy of the annual assessment (State of California Streets and Highways Code Section 22500). The assessments are levied without regard to property valuation. The purpose of the assessments is to pay the costs and expenses for maintenance and operation of public parks and landscape improvements in public rights-of-way and public open spaces.

5. Authorize the City Manager or designee, on behalf of the City Clerk, to file the assessments or a copy thereof certified by the City Clerk with the San Joaquin County Auditor and cause the assessments to be entered on the 2022-23 tax roll for the parcels in the Consolidated Landscape District and each zone within the Consolidated Landscape District as set forth in the Annual Engineer's Report on file with the City Clerk.

It is also recommended that the City Manager be authorized to take appropriate and necessary actions to carry out the purpose and intent of this resolution.

Summary

This public hearing is to consider public comments and testimony regarding the FY 2022-23 Consolidated Landscape District's Annual Engineer's Report, budget, and levy of assessments. The Landscaping and Lighting Act of 1972 (Act), under which the Consolidated Landscape District was formed, requires this public hearing and approval of the Annual Engineer's Report, budget, and levy of assessments. The FY 2022-23 Annual Engineer's Report for the Consolidated Landscape District, which contains the budget, assessment amounts, and description of improvements eligible to be maintained, is on file with the City Clerk and is available for online viewing at: <http://www.stocktonca.gov/files/Consolidated_Landscape_Maintenance_Assessment_District_No-_96-2_Annual_Engineers_Reort_FY22-232022-2.pdf>

The Consolidated Landscape District levies assessments to fund maintenance of public parks, landscape improvements, and streetlights in public rights-of-way and public open spaces in 27 zones across the City. All funds generated from the assessments for each zone can only be used for specific work in that zone.

The assessments for seven zones of the Consolidated Landscape District are fixed and cannot be increased without approval by a majority of the property owners. For FY 2022-23, it is required and recommended the actual assessment, which is at the maximum, remain the same as FY 2021-22 for the seven zones with fixed assessments.

The assessment formula for the remaining 20 zones where assessments are levied provides an annual escalator to the maximum allowable assessment and adjusts the actual assessment. It is recommended that the FY 2022-23 maximum assessment be increased per the formula. It is further recommended that the actual FY 2022-23 assessment increase by a similar escalator over the FY 2021-22 assessment in all 20 zones. This recommendation is a result of a comprehensive review and evaluation of current maintenance expenditures, long-term capital needs, available reserves, and rapid inflation.

The recommended resolution overrules any and all protests; approves and adopts the Consolidated Landscape District's Annual Engineer's Report for the FY 2022-23 containing the budget for each zone; confirms and levies the assessments for each zone as set forth in the Annual Engineer's Report; certifies that the assessments meet the requirements of Proposition 218 that added Articles XIIIC and XIIID to the California State Constitution; confirms that the assessments are in compliance with State of California Streets and Highways Code Section 22500, that the assessments are levied without regard to property valuation, and that the assessments are to fund maintenance of public parks, landscape improvements, and streetlights in public rights-of-way and public open spaces; authorizes and directs the City Manager or designee to execute all documents, including, but not limited to, agreements and amendments; and authorizes the City Manager to take appropriate and necessary actions to carry out the purpose and intent of the resolution.

All costs are funded by assessments levied on the properties in the zones of the Consolidated Landscape District.

DISCUSSION

Background

On February 26, 1996, Council adopted Resolution No. 96-0084 that consolidated the eight Landscape Maintenance Districts that existed at that time into a single Consolidated Landscape District. The City used the provisions of the Act to establish the original individual districts and the Consolidated Landscape District. The Act contains provisions for the City to form an assessment district, or annex territory to an existing district, for the maintenance and operation of improvements that impart a special benefit to an area. Though the title of the Act references landscaping and lighting, a district can be formed to maintain a variety of improvements. These improvements include but are not limited to landscaping, fountains, ornamental structures, public lighting (such as streetlights and traffic signals), walls, irrigation, parks, and park equipment. The Consolidated Landscape District provides for the maintenance of these types of improvements in certain subdivisions throughout the City.

The Consolidated Landscape District sets annual assessments, collected by the County with annual property taxes, on each taxable parcel contained within the Consolidated Landscape District. These annual assessments provide funding for maintenance of the improvements, parks, inspection, repair and replacement of improvements, and other associated administrative costs, including preparing an Annual Engineer's Report and assessment roll. The Annual Engineer's Report contains the Consolidated Landscape District's budget. The budget details the maintenance and administrative costs for all affected zones. The property owners are responsible to fund only those improvements within their zone.

The assessments are apportioned in a manner to distribute the amounts among all assessable parcels in proportion to the special benefit conferred on each parcel. Each year all properties are evaluated to determine if they meet the criteria to be assessed. A dwelling unit equivalent factor (dueF) is assigned to each parcel if they are to be assessed. The dueF is based on the parcel's use. A single-family residential lot is equivalent to one dueF. The dueF for other classifications of properties, such as multi-family or commercial, is determined by the Allocation of Costs and Method of Assessment Spread contained in the Annual Engineer's Report.

There are 34 zones in the Consolidated Landscape District. During the FY 2021-22, no new zones were formed, and no new territory was annexed to any of the existing zones. Assessments are levied in 27 zones (Attachment A). Assessments are not levied in the remaining seven zones as there are no improvements to maintain.

Of the 27 zones where assessments are levied, seven of the zones (A-1 Weber/Sperry, A-2 Morada West, B-1 Long Park, B-2 Weston Ranch, B-3 Weston Park, C-1 Spanos East, and D-1 Bridgeport Trails) do not have a provision for an annual increase to the assessment. The assessment in these districts is at the same level as when the zones were originally formed in the early 1990's. Any increase in the annual assessment would have to be approved by a majority of the affected property owners. Consequently, not all of the current assessments collected are used for services. A portion of the current assessment collected is reserved to be able to afford future cost increases resulting from inflation.

Assessments in the remaining 20 zones were approved with an annual escalator. The escalator is the greater of three percent or the increase in the San Francisco-Oakland-Hayward All Urban Consumers Price Index (CPI). The escalator allows the assessment, when necessary, to keep pace with inflation without having to go through the time and expense to ballot the property owners. The maximum allowable assessment annually adjusts by the CPI, while the actual assessment needed to cover a zone's expenses is determined based on the estimated expenses for the fiscal year. The annual increase in calendar year 2021 of the San Francisco-Oakland-Hayward All Urban CPI was 5.2 percent. Therefore, the maximum escalator that can be applied to the maximum allowable assessment for FY 2022-23 is 5.2 percent.

On April 19, 2022, Council adopted Resolution No. 2022-04-19-1208, which preliminarily approved and confirmed the FY 2022-23 Annual Engineer's Report, the proposed actual assessments, set a public hearing for June 14, 2022, and authorized the City Clerk to publish notice of the public hearing. The Annual Engineer's Report contains the budget, proposed assessment amounts, and a complete description of improvements eligible to be maintained. The Annual Engineer's Report is on file with the City Clerk.

Present Situation

Attachment B is a summary of the proposed FY 2022-23 budget for the Consolidated Landscape District. It includes the proposed per dueF/single-family dwelling assessment for each zone where an assessment is proposed to be levied. The budgeted expenditures include contracted maintenance, utilities, administration, repair and replacement of plant material and infrastructure, allocation to the replacement reserve, and a contingency. The budgeted revenues are from assessments of the property owners. For the zones that have a provision for an annual escalator, it is proposed that the maximum allowable assessment be increased by 5.2 percent, which follows the local region CPI data, and the actual assessment be increased by 7.12 percent, which follows the national CPI data.

The overall budget for FY 2022-23 is based on current expenditure projections and is approximately $5.463 million. This increase of approximately $400,000 from the FY 2021-22 budget is primarily attributable to an increase of several hundred single-family dwelling units from new home construction in the Westlake Villages development in northwest Stockton. The anticipated cost increases across all budget line items are due to rapid inflation.

For FY 2022-23, it is recommended the assessment remain the same for the seven zones with fixed assessments. For the 20 zones where the assessment formula provides for an escalator, it is recommended that the maximum assessment be increased per the formula from the previous fiscal year. It is further recommended that the actual FY 2022-23 assessment increase by the same 7.12 percent in the 20 zones that allow for an annual adjustment. This recommendation is a result of a comprehensive review and evaluation of current maintenance expenditures, long-term capital needs, the Reserve for Continuing Appropriations fund balances, and rapid inflation.

The reserve funds have accumulated over a number of years to fund eventual replacement of improvements such as turf, trees, shrubs, irrigation system components, masonry block and pre-cast concrete back-up walls, and park improvements such as park play equipment, picnic structures, and bathroom buildings when those improvements reach the end of their service life. In zones where

street lighting is an improvement whose maintenance is funded, the annual assessment is set at a rate to fund re-lamping and knock-down repairs/replacement as needed.

The comprehensive review and evaluation were completed by staff, following the completion of a capital needs analysis by Siegfried Engineering, Inc. This combined effort analyzed current maintenance tasks, long-term capital replacement needs, and reserve fund balance for each zone. The analysis identified additional maintenance/service tasks that should be performed, quantified service life, and replacement estimates for the various improvements eligible to be funded by the Consolidated Landscape District. It is recommended the reserve amount be set aside each year. The recommended reserve set aside is based on the current amount that is in reserve, the appropriate reserve balance for each zone (this number changes as the zone ages), and the recommended adjustment to each zone's assessment to reach those levels (Attachment C).

Zones with Fixed Assessments

Zones A-1, A-2, B-1, B-2, B-3, C-1, and D-1 do not have a provision for an annual increase to the maximum allowable assessment. Any increase in the annual assessment in these zones would have to be approved by a majority of the affected property owners. In these seven zones, there is a request for an appropriation from the reserve to balance each zone's budget. Each zone's budget anticipates contracted costs such as routine scheduled maintenance service and utilities and includes eventual but unscheduled expenditures such as wall repairs. If the eventual but unscheduled expenditure were not budgeted, a mid-year appropriation requiring City Council action would have to be processed. To avoid a mid-year appropriation, funds for this type of eventual but unscheduled expenditure are budgeted. If the funds are not used, they are returned to the zone at the end of the fiscal year and are available for the next year. An appropriation from the reserve is the only way to balance the budget and efficiently provide for these types of eventual but unscheduled expenditures. Ultimately, given increases in costs in future years, the reserves in each of the seven zones will be depleted. The zones will become unable to fund maintenance at the level currently provided. Current projections are that the reserves in Zones B-1, B-2, B3, and D-1 will be adequate to continue the current service levels for the next five years.

Reserves in Zones A-1, A-2, and C-1 are insufficient to continue appropriating funds at prior-year levels without the zones falling into insolvency within the next two years. It is recommended that these three zones cease funding wall repairs. All walls are a development requirement and are constructed on private property. Stockton Municipal Code Section 8.36.040.D obligates the property owner to repair any wall constructed as a condition of development.

The following actions are further recommended:

- Zone A-1 - Reduce the frequency of landscape maintenance services and irrigation. Water for irrigating the East Bay Municipal Utilities District property between Lorraine Avenue and West Lane is approximately 22 percent of the total proposed Zone A-1 Budget.

- Zone C-1 - Fund the proportionate share of Baxter Park maintenance costs, estimated at $22,500, from the General Fund, or consider reduction in maintenance services. When Zone C-1 was originally formed, the budget was set based on maintaining only the street landscaping installed with the development. Baxter Park's maintenance cost was added to

Zone C-1 in 1997 without an increase in the existing assessment. Annually increasing park maintenance costs are taking a larger percentage of the budget and requiring an ever-increasing appropriation from the reserve. If appropriations continue at past year's magnitude, Zone C-1 will be insolvent in three years.

The table below shows the FY 2021-22 actual assessment, the recommended FY 2022-23 actual assessment, and what the per dueF assessment would be for budgeted expenditures. The 'Cost per dueF for Budgeted Expenditures' does not include an amount to capitalize a replacement reserve or fund replacement of larger expense items such as extensive landscape rehabilitation or booster pump replacement.

Zone	FY 2021-22 Actual (Fixed)	FY 2022-23 Actual (Fixed)	Cost per dueF for Budgeted Expenditures
A-1	$46.90	$46.90	$86.84
A-2	$79.88	$79.88	$84.58
B-1	$84.00	$84.00	$143.80
B-2	$117.82	$117.82	$211.01
B-3	$24.00	$24.00	$25.55
C-1	$119.24	$119.24	$141.35
D-1	$85.00	$85.00	$162.45

Zones with an Annual Escalator

It is recommended that the actual FY 2022-23 assessment increase by 7.12 percent in the 20 zones that allow for an annual adjustment. This recommendation is a result of a comprehensive review and evaluation of current maintenance expenditures, long-term capital needs, the Reserve for Continuing Appropriations fund balances, and rapid inflation. The recommended budget includes an appropriation from the reserves to fully fund each zone's operating budget. The table below shows the FY 2021-22 actual assessment, the recommended FY 2022-23 actual assessment, and the FY 2022-23 maximum assessment. The percentage increase in the actual assessment is not a uniform 7.12 percent due to rounding and truncating required to obtain an assessment divisible by two. The maximum assessment is set at a 5.2 percent increase as mandated by the original engineer’s report.

Zone	FY 2021-22 Actual	FY 2022-23 Actual	Dollar Difference	Percentage Difference	FY 2022-23 Maximum
A-3	$253.00	$271.00	$18.00	7.11%	$297.12
A-4	$171.40	$183.60	$12.20	7.12%	$290.37
A-5	$550.00	$589.16	$39.16	7.12%	$1,611.00
A-6	$293.80	$314.72	$20.92	7.12%	$692.50
A-7	$99.80	$106.90	$7.10	7.12%	$847.52
A-10	$154.50	$165.50	$11.00	7.12%	$451.94
B-4	$97.00	$103.88	$6.88	7.09%	$107.25

E-1	$197.20	$211.22	$14.02	7.11%	$277.00
E-3	$375.00	$401.68	$26.68	7.11%	$921.79
E-4	$11.60	$12.40	$0.80	6.90%	$327.28
E-5	$120.00	$128.52	$8.52	7.10%	$567.91

The FY 2022-23 Annual Engineer's Report for the Consolidated Landscape District, which contains the budget, assessment amounts, and a description of improvements eligible to be maintained, is on file with the City Clerk. The assessments fund maintenance of over four million square feet of street landscaping, 68 acres of open space, 42 miles of back-up walls, 10.5 miles of bicycle/pedestrian paths, and 12 parks totaling over 114 acres. A brief summary of the improvements eligible to be maintained by each zone and the proposed actual assessment and proposed maximum assessment per dueF for each zone is contained in Attachment C.

After the public hearing, if owners of more than 50 percent of the area of assessable lands within the Consolidated Landscape District have not protested the proposed levy of annual maintenance assessments, it is recommended that the City Council adopt a resolution to:

1. Overrule any and all protests or objections (including all written protests not withdrawn in writing before the conclusion of the public hearing) to the proposed levy of assessments in the Consolidated Landscape District in each zone.

2. Approve and adopt the Consolidated Landscape District's Annual Engineer's Report for the FY 2022-23 containing the budget for each zone and confirm and levy the assessments for each zone as set forth in the Annual Engineer's Report.

3. Certify that the special assessment(s), fee(s), or charge(s) to be placed on the FY 2022-23 Secured Property Tax bill by the City of Stockton are certified to meet the requirements of Proposition 218 that added Articles XIIIC and XIIID to the California State Constitution.

4. Confirm that the assessments of the annual amount of costs and expenses for the maintenance and operation of the improvements upon the assessable lands in the Consolidated Landscape District, as contained in the Annual Engineer's Report, shall be levied and collected for FY 2022-23. The assessments are in compliance with all laws pertaining to the levy of the annual assessment (State of California Streets and Highways Code Section 22500). The assessments are levied without regard to property valuation. The purpose of the assessments is to pay the costs and expenses for maintenance and operation of public parks and landscape improvements in public rights-of-way and public open spaces.

5. Authorize the City Manager or designee, on behalf of the City Clerk, to file the assessments or a copy thereof certified by the City Clerk with the San Joaquin County Auditor and cause the assessments to be entered on the 2022-23 tax roll for the parcels in the Consolidated

Landscape District and each zone within the Consolidated Landscape District as set forth in the Annual Engineer's Report on file with the City Clerk.

It is also recommended that the City Manager be authorized to take appropriate and necessary actions to carry out the purpose and intent of this resolution.

Financial Health of Zones

Later this year staff will prepare a workplan to address zone shortfalls with deliberate rate escalators to provide gain in fund reserves over the next five years. As noted previously, several zones, either with fixed assessments or annual escalators, are on track for becoming insolvent. In some cases, special benefits are no longer being provided, and fund reserves have sustained their respective operation. To implement this future workplan, the City will need to seek approval through the constitutional mandates of the Proposition 218 election process.

Public Notification

Notice of the Public Hearing was published in The Record on June 4, 2022. The notice is required to be published a minimum of 10 days prior to the public hearing.

FINANCIAL SUMMARY

Total Proposed FY 2022-23 Assessments	$4,028,634
Total Proposed FY 2022-23 Appropriation from Reserves	$1,434,741
TOTAL PROPOSED FY 2022-23 BUDGET	$5,463,375
TOTAL CURRENT FY 2021-22 BUDGET	$5,063,696
INCREASE/(DECREASE)	$ 399,679

The requested appropriation from the reserves will leave an estimated $14,431,241.56 in total reserve funds available for future programming. The reserve analysis recommends that there should be a total of $20,049,350.69 in reserve. Additional details for all zones are included in Attachment C.

There may be a cost shortfall of $22,500 to the City's General Fund as a result of taking the recommended actions. This cost may be budgeted in the Parks Operating fund (4540-700-630006) through the annual budgeting process; otherwise, maintenance services at Baxter Park may be reduced accordingly. Otherwise, the City makes no financial contribution to the Consolidated Landscape District. All fees, costs, and expenses, including staff costs, are paid from the proceeds of the annual assessments to be levied.

Difference in Potential per dueF Assessment (FY2021-22 to FY2022-23)	$8.52

ZONE A-1, WEBER SPERRY RANCHES:

Zone A-1 is generally bounded by West Lane, the East Bay Municipal Utilities District right-of-way, the Union Pacific Railroad line and the Calaveras River. Improvements maintained include trees in tree wells, back-up walls and the turf on the East Bay Municipal Utilities District right-of-way between West Lane and Lorraine Avenue.

There is a request for an appropriation of $52,892.82 from the reserve for continuing appropriations to balance the budget. The amount remaining in the reserve after this requested appropriation is considered sufficient to meet present. Any unexpended budgeted funds are returned to the Zone A-1 account at the close of the fiscal year.

The reserves in Zone A-1 are not sufficient to continue appropriating funds at proposed FY 2022-23 levels without the zone falling into insolvency within the next two years. To address the shortfall, wall repairs will no longer be funded. All walls are a development requirement and are constructed on private property. Stockton Municipal Code (SMC) Section 8.30.040.D obligates the property owner to repair any wall constructed as a condition of development. Reductions in frequency of landscape maintenance services will be evaluated along with a reduction in irrigation frequency. Water for irrigating the East Bay Municipal Utilities District property between Lorrain Avenue and West Lane is $25,300.00 (approximately 22 percent of the 22-23 budget) of the total $115,010.00 proposed Zone A-1 Budget.

When the assessment for Zone A-1 was originally approved, it did not include a provision for an annual escalator. The assessment cannot be increased without the affected property owners voting to approve the increase. Therefore, no change is proposed in the $46.90/dueF assessment for FY 2022-23. If the assessment was set at a level that would fully fund the estimated FY 2022-23 expenditures without an appropriation from the reserve, the assessment would be $86.84 per dueF.

The anticipated Zone A-1 reserve balance as of June 30, 2022, is -$8,125.45. The recommended reserve balance is $1,332,781.01. Zone A-1 would require an appropriation from the reserve to cover contracted expenses, utilities, and administration even without budgeting for eventual, but unscheduled expenditures. This zone cannot continue to fund maintenance of all improvements for which it was formed and at the current service levels.

ZONE A-2, MORADA WEST:

Zone A-2 is generally bounded by Hammer Lane, Maranatha Drive, Christian Life Way and State Route 99. Improvements maintained include the back-up walls and trees in tree wells.

There is a request for an appropriation of $432.04 from the reserve for continuing appropriations to balance the budget. The amount in the reserve is not considered sufficient to meet present obligations and still provide for limited future contingencies. Any unexpended budgeted funds are returned to the Zone A-2 account at the close of

the fiscal year. All unnecessary expenses have been eliminated from the FY 2022-23 budget. The Zone A-2 reserve is not sufficient to continue appropriating funds at prior fiscal year levels without the zone falling into insolvency. To address the limited revenue available, wall repairs will no longer be funded. All walls are a development requirement and are constructed on private property. SMC Section 8.30.040.D obligates the property owner to repair any wall constructed as a condition of development. There is a small amount of landscaping requiring irrigation. Annual utility expenses are approximately $775.00 and maintenance approximately $2,200.00. The balance of the revenue is used for administrative costs. The landscaping consists of approximately 40 square feet of shrubs and 35 trees in tree wells. It is more cost efficient to terminate this Zone and the City assume the maintenance and utility costs. Reductions in frequency and extent of landscape maintenance services were considered but will not result in enough of a cost reduction to change the long-term viability of this Zone.

When the assessment for Zone A-2 was originally approved, it did not include a provision for an annual escalator. The assessment cannot be increased without the affected property owners voting to approve the increase. Therefore, no change is proposed in the $79.88/dueF assessment for FY 2022-23. If the assessment was set at a level that would fully fund the estimated FY 2022-23 expenditures without an appropriation from the reserve, the assessment would be $84.58 per dueF.

The anticipated Zone A-2 reserve balance as of June 30, 2022, is $9,378.40. The recommended reserve balance is $152,245.19. Zone A-2 would require an appropriation from the reserve to cover contracted expenses, utilities, and administration even without budgeting for eventual, but unscheduled expenditures. This zone cannot continue to fund maintenance of all improvements for which it was formed and at the current service levels.

ZONE A-3, LA MORADA:

Zone A-3 is located north and south of Morada Lane between the Union Pacific Railroad line and State Route 99. Improvements maintained include back-up walls, landscaping between the walls and back of sidewalk, landscaped medians, Matt Equinoa and Parma Sister City Parks and any future parks within Zone A-3, and the landscaping on the East Bay Municipal Utilities District right-of-way between Hammer Lane and the State Route 99 Frontage Road.

The assessment for this zone has a provision for an annual escalator. The escalator is the greater of three percent or the percentage increase of the local Consumer Price Index (CPI). The local CPI increased 5.20 percent; therefore, the escalator applied to the maximum allowable assessment for FY 2022-23 is 5.20 percent. The actual FY 2021-22 assessment was $253.00 per dueF.

The anticipated Zone A-3 reserve balance as of June 30, 2020, is $2,884,352.81. The recommended reserve balance is $4,184,724.43. It is recommended that the

assessment for Zone A-3 increase by 7.12 percent for FY 2022-23 due to the financial impact of rapid inflation. This will be re-evaluated when preparing the FY 2023-24 budget. The FY 2022-23 assessment will fully fund budgeted expenditures. Any unexpended budgeted funds are returned to the Zone A-3 account at the close of the fiscal year. Based on current projections, and since the assessment for this zone can be increased, barring any catastrophic event it is not anticipated that the reserve will be depleted.

The proposed actual FY 2022-23 assessment is $271/dueF. The proposed maximum FY 2022-23 assessment is $297.12/dueF, which is an increase of 5.20 percent over the FY 2021-22 maximum assessment. If the assessment was set at a level that would fully fund the estimated FY 2022-23 expenditures, the assessment would be $271.00 per dueF.

ZONE A-4, BLOSSOM RANCH:

Zone A-4 is located in the northeasterly part of the City generally at the intersection of March Lane and Holman Road and lying southerly of March Lane. Improvements maintained include back-up walls, landscaping between the walls and back of sidewalk, March Lane median landscaping, and funding a proportionate share of the costs for S.L. Fong Park.

The assessment for this zone has a provision for an annual escalator. The escalator is the greater of three percent or the percentage increase of the local CPI. The local CPI increased 5.20 percent; therefore, the FY 2022-23 escalator applied to the maximum allowable assessment is 5.20 percent. The actual FY 2021-22 assessment was $171.40 per dueF.

The anticipated Zone A-4 reserve balance as of June 30, 2022, is $435,517.79. The recommended reserve balance is $514,110.11. It is recommended that the assessment for Zone A-4 increase by 7.12 percent for FY 2022-23 due to the financial impact of rapid inflation. This will be re-evaluated when preparing the FY 2023-24 budget. It is recommended there be an appropriation of $24,950.00 from the reserve to fully fund estimated costs. The amount remaining in the reserve after this requested appropriation is considered sufficient to meet present obligations and still provide for future contingencies. Any unexpended budgeted funds are returned to the Zone A-4 account at the close of the fiscal year. Based on current projections, and since the assessment for this zone can be increased, barring any catastrophic event it is not anticipated that the reserve will be depleted.

The proposed actual FY 2022-23 assessment is $183.60/dueF. The proposed maximum FY 2022-23 assessment is $290.37/dueF, which is an increase of 5.20 percent over the FY 2021-22 maximum assessment. If the assessment was set at a level that would fully fund the estimated FY 2022-23 expenditures without an appropriation from the reserve, the assessment would be $251.96 per dueF.

ZONE A-5, WEBER WOODS:

Zone A-5 is generally located between the Calaveras River and Bianchi Road and just east of West Lane. Improvements maintained include back-up walls, landscaping between the walls and back of sidewalk, and contributing a proportionate share of the costs to maintain any parks within the service area of Zone A-5 or serving Zone A-5.

The assessment for this zone has a provision for an annual escalator. The escalator is the greater of three percent or the percentage increase of the local CPI. The local CPI increased 5.20 percent; therefore, the FY 2022-23 escalator applied to the maximum allowable assessment is 5.20 percent. The actual FY 2021-22 assessment was $550.00 per dueF.

The anticipated Zone A-5 reserve balance as of June 30, 2022, is -$1,237.85. The recommended reserve balance is $43,919.55. The assessment can be increased be increased to a level that will fully fund budgeted expenditures. Due to the limited number of properties in this zone, 17, the assessment would likely need to be slowly increased to the maximum rate that would fully fund estimated expenses and provide funds for a reserve. There is a request for an appropriation of $22,823.00 from the general fund to balance the budget. The amount remaining in the reserve is not considered sufficient to meet present obligations and still provide for future contingencies. Any unexpended budgeted funds are returned to the Zone A-5 account at the close of the fiscal year. Based on current projections, and since the assessment for this zone can be increased, barring any catastrophic event it is not anticipated that the zone will become insolvent if the assessment can be increased next fiscal year close to the maximum. This zone will not be able to generate sufficient revenue to fund replacement of the entire wall at the end of its service life.

The proposed actual FY 2022-23 assessment is $589.16/dueF. The proposed maximum FY 2022-23 assessment is $1,611.00/dueF, which is an increase of 5.20 percent over the FY 2021-22 maximum assessment. If the assessment was set at a level that would fully fund the estimated FY 2022-23 expenditures without an appropriation from the reserve, the assessment would be $1,931.69 per dueF which exceed the maximum allowed assessment.

ZONE A-6, BLOSSOM NORTH/CAMERA/SPERRY:

Zone A-6 is generally bounded by the Stockton Auto Mall, Holman Road, March Lane, and the Union Pacific Railroad tracks. Improvements maintained include back-up walls, landscaping between the walls and back of sidewalk, and Unity Park.

The assessment for this zone has a provision for an annual escalator. The escalator is the greater of three percent or the percentage increase of the local CPI. The local CPI increased 5.20 percent; therefore, the FY 2022-23 escalator applied to the maximum allowable assessment is 5.20 percent. The actual FY 2021-22 assessment was $293.80 per dueF.

The anticipated Zone A-6 reserve balance as of June 30, 2022, is $1,100,839.68. The recommended reserve balance is $683,176.64. The FY 2022-23 assessment will fully

fund estimated expenditures. Any unexpended budgeted funds are returned to the Zone A-6 account at the close of the fiscal year. Based on current projections, and since the assessment for this zone can be increased, barring any catastrophic event it is not anticipated that the reserve will be depleted.

The proposed actual FY 2022-23 assessment is $314.72/dueF. The proposed maximum FY 2022-23 assessment is $692.50/dueF, which is an increase of 5.20 percent over the FY 2021-22 maximum assessment. If the assessment was set at a level that would fully fund the estimated FY 2022-23 expenditures, the assessment would be $314.72 per dueF.

ZONE A-7, HUNTER RIDGE:

Zone A-7 is generally bounded by March Lane, Blossom Ranch subdivision, the Calaveras River, and the Union Pacific Railroad tracks. Improvements maintained include back-up walls, landscaping between the walls and back of sidewalk, and funding a proportionate share of the costs for S.L. Fong Park.

The assessment for this zone has a provision for an annual escalator. The escalator is the greater of three percent or the percentage increase of the local CPI. The local CPI increased 5.20 percent; therefore, the FY 2022-23 escalator applied to the maximum allowable assessment is 5.20 percent. The actual FY 2021-22 assessment was $99.80 per dueF.

The anticipated Zone A-7 reserve balance as of June 30, 2022, is $740,964.28. The recommended reserve balance is $619,879.90. It is recommended that the FY 2022-23 actual assessment increase by 7.12 percent for FY 2022-23, which follows the national CPI data, and that there be a $123,920.00 appropriation from the reserve. The appropriation from the reserve is designed to mitigate too rapid an increase in the actual assessment in FY 2023-24 the assessment will increase and begin to revert to a level that will fully fund budgeted expenditures and maintain and replenish the reserve. The amount remaining in the reserve after this requested appropriation is considered sufficient to meet present obligations and still provide for future contingencies. Any unexpended budgeted funds are returned to the Zone A-7 account at the close of the fiscal year. Based on current projections, and since the assessment for this zone can be increased, barring any catastrophic event it is not anticipated that the reserve will be depleted.

The proposed actual FY 2022-23 assessment is $106.90/dueF. The proposed maximum FY 2022-23 assessment is $847.52/dueF, which is an increase of 5.20 percent over the FY 2021-22 maximum assessment. If the assessment was set at a level that would fully fund the estimated FY 2022-23 expenditures without an appropriation from the reserve, the assessment would be $282.67 per dueF.

ZONE A-10, CANNERY PARK:

Zone A-10 is generally bounded by Eight Mile Road, State Route 99, La Morada and Villa Antinori Subdivisions, and the Union Pacific Railroad tracks. Improvements

maintained include back-up walls, landscaping between the walls and back of sidewalk, streetlights, and parks.

The assessment for this zone has a provision for an annual escalator. The escalator is the greater of three percent or the percentage increase of the local CPI. The local CPI increased 5.20 percent; therefore, the FY 2022-23 escalator applied to the maximum allowable assessment is 5.20 percent. The actual FY 2021-22 assessment was $154.50 per dueF.

The anticipated Zone A-10 reserve balance as of June 30, 2022, is $203,816.98. The recommended reserve balance is $95,898.19. The assessment has been reverted to a level necessary to fund budgeted expenditures and maintain the reserve. It is recommended that FY 2022-23 assessment increase by 7.12 percent, which follows the national CPI data, and due to the financial impact of rapid inflation. This will be re-evaluated when preparing the FY 2023-24 budget. The FY 2022-23 assessment will fully fund estimated expenditures. Any unexpended budgeted funds are returned to the Zone A-10 account at the close of the fiscal year. Based on current projections, and since the assessment for this zone can be increased, barring any catastrophic event it is not anticipated that the reserve will be depleted.

The proposed actual FY 2022-23 assessment is $165.50/dueF. The proposed maximum FY 2022-23 assessment is $451.94/dueF, which is an increase of 5.20 percent over the FY 2021-22 maximum assessment. If the assessment was set at a level that would fully fund the estimated FY 2022-23 expenditures without an appropriation from the reserve, the assessment would be $165.50 per dueF.

ZONE B-1, WILLIAM LONG PARK:

Zone B-1 is located in the southerly portion of Weston Ranch generally bounded by the PG&E easement, Henry Long Boulevard, McDougald Boulevard and French Camp Road, except the Manteca Unified School District high school site. This zone is for the maintenance of the William Long Park, which is also located in the southerly portion of Weston Ranch.

There is a request for an appropriation of $65,835.00 from the reserve for continuing appropriations to balance the budget. The amount remaining in the reserve after this requested appropriation is considered sufficient to meet present obligations and still provide for future contingencies. Any unexpended budgeted funds are returned to the Zone B-1 account at the close of the fiscal year.

The anticipated Zone B-1 reserve balance as of June 30, 2022, is $764,136.79. The recommended reserve balance is $398,996.51. When the assessment for Zone B-1 was originally approved, it did not include a provision for an annual escalator. The assessment cannot be increased without the affected property owners voting to approve the increase. Therefore, no change is proposed in the $84.00/dueF assessment for FY 2022-23. If the assessment was set at a level that would fully fund the estimated FY

2022-23 expenditures without an appropriation from the reserve, the assessment would be $143.80 per dueF.

ZONE B-2, WESTON RANCH:

Zone B-2 is located west of Interstate 5, east of the San Joaquin River, and north of French Camp Road. This zone encompasses all of the Weston Ranch development. Improvements maintained include the back-up walls, landscaping between the walls and back of sidewalk, the landscaping on the PG&E easement/greenbelt, and Paul E. Weston Park.

There is a request for an appropriation of $512,249.60 from the reserve for continuing appropriations to balance the budget and accommodate contributing to the maintenance of Paul E. Weston Park. The amount remaining in the reserve after this requested appropriation is considered insufficient to meet present obligations and still provide for future contingencies. Any unexpended budgeted funds are returned to the Zone B-2 account at the close of the fiscal year.

When the assessment for Zone B-2 was originally approved, it did not include a provision for an annual escalator. The assessment cannot be increased without the affected property owners voting to approve the increase. Therefore, no change is proposed in the $117.82/dueF assessment for FY 2022-23. If the assessment was set at a level that would fully fund the estimated FY 2022-23 expenditures without an appropriation from the reserve, the assessment would be $211.00 per dueF.

The anticipated Zone B-2 reserve balance as of June 30, 2022, is $674,832.05. The recommended reserve balance is $4,442,009.01. Zone B-2 will require an appropriation from the reserve and general fund to cover contracted expenses, utilities, and administration even without budgeting for eventual, but unscheduled expenditures. This zone will require further analysis to determine whether it can continue to fund maintenance of all improvements for which it was formed and at the current service levels.

ZONE B-3, PAUL E. WESTON PARK:

Zone B-3 is located west of Interstate 5, east of the San Joaquin River, and generally north of William Long Boulevard. This zone is for the maintenance of the Paul E. Weston Park.

When the assessment for Zone B-3 was originally approved, it did not include a provision for an annual escalator. The assessment cannot be increased without the affected property owners voting to approve the increase. Therefore, no change is proposed in the $24.00/dueF assessment for FY 2022-23. If the assessment was set at a level that would fully fund the estimated FY 2022-23 expenditures without an appropriation from the reserve, the assessment would be $25.55 per dueF.

The anticipated Zone B-3 reserve balance as of June 30, 2022, is -$110,815.06. The recommended reserve balance is $811,123.72. The Zone requires an appropriation

from the general fund of $7,391.14 to sustain it. This will push the reserve to a -$58,767.30 by June 30, 2023. Zone B-2 also funds a portion of Weston Park expenses. This zone will require further analysis to determine whether it can continue to fund maintenance of all improvements for which it was formed and at the current service levels.

ZONE B-4, HONORABLE SANDRA BUTLER SMITH NEIGHBORHOOD PARK:

Zone B-4 is located in the westerly portion of Weston Ranch and is generally bounded by the San Joaquin River, French Camp Road, the PG&E Easement/Greenbelt, and William Moss Boulevard. This zone is for the maintenance of the Honorable Sandra Butler Smith Neighborhood Park.

The assessment for this zone has a provision for an annual escalator. The escalator is the greater of three percent or the percentage increase of the local CPI. The local CPI increased 5.20 percent; therefore, the FY 2022-23 escalator applied to the maximum allowable assessment is 5.20 percent. The actual FY 2021-22 assessment was $97.00 per dueF.

The anticipated Zone B-4 reserve balance as of June 30, 2022, is $384,468.35. The recommended reserve balance is $300,262.77. It is recommended that FY 2022-23 assessment increase by 7.12 percent, which follows the national CPI data, due to the financial impact of rapid inflation. This will be re-evaluated when preparing the FY 2023-24 budget. The FY 2022-23 assessment will fully fund estimated expenditures. Any unexpended budgeted funds are returned to the Zone B-4 account at the close of the fiscal year. Based on current projections, and since the assessment for this zone can be increased, barring any catastrophic event it is not anticipated that the reserve will be depleted.

The proposed actual FY 2022-23 assessment is $103.88/dueF. The proposed maximum FY 2022-23 assessment is $107.25/dueF, which is an increase of 5.20 percent over the FY 2021-22 maximum assessment. If the assessment was set at a level that would fully fund the estimated FY 2022-23 expenditures and contributing minimally to the reserve, the assessment would be $103.88 per dueF.

ZONE B-5, WESTON RANCH – FRENCH CAMP ROAD FENCE:

Zone B-5 is located in the southwesterly portion of Weston Ranch and is generally bounded by the San Joaquin River, Henry Long Boulevard, Alice McCuen Avenue, and French Camp Road. This zone is for the maintenance of approximately 6,700 lineal feet of masonry wall located on the south side of French Camp Road from Carolyn Weston Boulevard to EWS Woods Boulevard.

The assessment for this zone has a provision for an annual escalator. The escalator is the greater of three percent or the percentage increase of the local CPI. The local CPI increased 5.20 percent; therefore, the FY 2022-23 escalator applied to the maximum allowable assessment is 5.20 percent. The actual FY 2021-22 assessment was $75.60 per dueF.

The Zone B-5 has an anticipated reserve balance as of June 30, 2022, of $100,025.06. The recommended reserve balance is $330,784.54. This wall was constructed by the Weston Ranch development as a concession to the property owner to the south of French Camp Road for dedicating right-of-way to widen French Camp Road. When the property lying southerly of French Camp Road eventually develops, the fence system will no longer be necessary, and Zone B-5 can be closed. Assessment revenue funds replacements of damaged sections of the fence system. Until there is development to the south, it is recommended that the assessment be set to provide an amount for annual historical damage, which has been approximately $45,000.00, and not develop a reserve due to historical data that suggests additional funds are highly unlikely. Any potential overages will be funded from the general fund as there is no current reserve. Since it is not anticipated that the fence system will reach the end of its service life before development southerly of French Camp Road, there does not appear to be a need to build a replacement reserve to the recommended level. An annual budget of $45,000.00 for repairs, should be adequate to fund any damage. While there could be a catastrophic series of events that could cause over $45,000.00 of damage, damage of that magnitude has not occurred in the past.

The budget reflects a potential request for an appropriation of $53,480.00 from the general fund to balance the budget, however as noted above this would only be in the event of an unlikely catastrophic series of events. The amount remaining in the reserve after this potential appropriation is considered insufficient to meet present obligations and would require the subsequent annual assessment be increase to the maximum allowed to replenish the general fund and the Zone. Any unexpended budgeted funds are returned to the Zone B-5 account at the close of the fiscal year. Based on current projections, and since the assessment for this zone can be increased, barring any catastrophic event it is not anticipated that the reserve will be depleted.

The proposed actual FY 2022-23 assessment is $80.94/dueF. The proposed maximum FY 2022-23 assessment is $203.25/dueF, which is an increase of 5.20 percent over the FY 2021-22 maximum assessment. If the assessment was set at a level that would fully fund the estimated FY 2022-23 expenditures without an appropriation from the reserve, the assessment would be $175.59 per dueF.

ZONE C-1, SPANOS PARK:

Zone C-1 is located east of Thornton Road and north of Bear Creek. Improvements maintained include back-up walls, landscaping between the walls and curb, landscaped medians, and fund a proportionate share of the costs for Vivian "Lady B" Baxter Park.

There is a request for an appropriation of $12,847.56 from the reserve for continuing appropriations to balance the budget. The amount remaining in the reserve after this requested appropriation is not considered sufficient to meet future obligations and still provide for future contingencies. Any unexpended budgeted funds are returned to the Zone C-1 account at the close of the fiscal year.

The anticipated reserve in Zone C-1 is not sufficient to continue appropriating funds at prior year's levels without the zone becoming insolvent within the next two years. To address the limited available revenue, wall repairs will no longer be funded. All walls are a development requirement and are constructed on private property. SMC Section 8.30.040.D obligates the property owner to repair any wall constructed as a condition of development. Reductions in frequency of landscape maintenance services will be evaluated along with a reduction in irrigation frequency. Zone C-1 also pays its proportionate share of the cost to maintain Baxter Park. Zone C-1 was originally formed, and budget set based on maintaining the only street landscaping installed with the development. Baxter Park maintenance cost was added to Zone C-1 in 1997 without an increase in the existing assessment. Annually increasing park maintenance costs are taking a larger percentage of the budget and requiring an ever-increasing appropriation from the reserve. For FY 2022-23, the estimated share is $22,800.00, which is approximately 33 percent of the revenue generated by Zone C-1. If reserve appropriations continue at past years' magnitude, Zone C-1 will be insolvent in 2 to 3 years. It is further recommended the proportionate share of Baxter Park costs, estimated at $22,800.00, be funded by the General Fund. Account 010-3070-590. Zone C-1 will be able to continue to fund scheduled maintenance of the development's street landscaping but will not be able to fund any enhancements or replacements without the property owners approving an increase in the assessment.

When the assessment for Zone C-1 was originally approved, it did not include a provision for an annual escalator. The assessment cannot be increased without the affected property owners voting to approve the increase. Therefore, no change is proposed in the $119.24/dueF assessment for FY 2022-23. If the assessment was set at a level that would fully fund the estimated FY 2022-23 expenditures without an appropriation from the reserve, the assessment would be $141.35 per dueF.

The anticipated Zone C-1 reserve balance as of June 30, 2022, is -$23,875.56. The recommended reserve balance is $1,465,760.95. Zone C-1 would require an appropriation from the general fund to cover contracted expenses, utilities, and administration even without budgeting for eventual, but unscheduled expenditures. This zone will require further analysis to determine whether it can continue to fund maintenance of all improvements for which it was formed and at the current service levels.

ZONE C-2, NORTH STOCKTON PROJECTS:

Zone C-2 includes all of the Waterford Estates East and West, Beck Estates, Beck Ranch, Beck Farms, Elkhorn Country Club Estates, Silver Springs, and Gold Springs subdivisions in the northwesterly part of the City. The zone was formed to provide funds for the maintenance of masonry walls and landscaping, certain segments of the Pixley Slough bicycle/pedestrian path, and fund a proportionate share of the costs for Vivian "Lady B" Baxter Park.

The assessment for this zone has a provision for an annual escalator. The escalator is the greater of three percent or the percentage increase of the local CPI. The local CPI

increased 5.20 percent; therefore, the FY 2022-23 escalator applied to the maximum allowable assessment is 5.20 percent. The actual FY 2021-22 assessment was $250.00 per dueF.

The anticipated Zone C-2 reserve balance as of June 30, 2022, is $1,642,162.79. The recommended reserve balance is $634,305.59. It is recommended that FY 2022-23 assessment increase by 4.37 percent due to the financial impact of rapid inflation. This will be re-evaluated when preparing the FY 2023-24 budget. Any unexpended budgeted funds are returned to the Zone C-2 account at the close of the fiscal year. Based on current projections, and since the assessment for this zone can be increased, barring any catastrophic event it is not anticipated that the reserve will be reduced.

The proposed actual FY 2022-23 assessment is $260.92/dueF. The proposed maximum FY 2022-23 assessment is $271.06/dueF, which is an increase of 5.20 percent over the FY 2021-22 maximum assessment. If the assessment was set at a level that would fully fund the estimated FY 2022-23 expenditures, the assessment would be $260.92 per dueF.

ZONE C-3, SPANOS PARK WEST:

Zone C-3 is located in the northwesterly portion of the City and is generally bounded by Interstate 5, Bear Creek, the Westlake Villages development, and Eight Mile Road. This zone was formed to provide funds for the maintenance of decorative concrete pavement, bicycle/pedestrian path along a portion of Bear Creek, and maintenance of Michael Faklis and Iloilo Sister City Parks.

The assessment for this zone has a provision for an annual escalator. The escalator is the greater of three percent or the percentage increase of the local CPI. The local CPI increased 5.20 percent; therefore, the FY 2022-23 escalator applied to the maximum allowable assessment is 5.20 percent. The actual FY 2021-22 assessment was $142.00 per dueF.

The anticipated Zone C-3 reserve balance as of June 30, 2022, is $1,523,702.79. The recommended reserve balance is $751,148.05. It is recommended that FY 2022-23 assessment increase by 7.12 percent, which follows the national CPI data, due to the financial impact of rapid inflation. This will be re-evaluated when preparing the FY 2023-24 budget. It is recommended there be an appropriation of $118,460.00 from the reserve to moderate the increase. The amount remaining in the reserve after this requested appropriation is considered sufficient to meet present obligations and still provide for future contingencies. Any unexpended budgeted funds are returned to the Zone C-3 account at the close of the fiscal year. Based on current projections, and since the assessment for this zone can be increased, barring any catastrophic event it is not anticipated that the reserve will be depleted.

The proposed actual FY 2022-23 assessment is $152.10/dueF. The proposed maximum FY 2022-23 assessment is $233.42/dueF, which is an increase of 5.20 percent over the FY 2021-22 maximum assessment. If the assessment was set at a

level that would fully fund the estimated FY 2022-23 expenditures without an appropriation from the reserve, the assessment would be $213.19 per dueF.

ZONE C-4, FAIRWAY GREENS:

Zone C-4 includes all of the Fairway Greens subdivision in the northwesterly part of the City. The zone was formed to provide funds for the maintenance of masonry walls and landscaping and to provide its proportionate share of costs to maintain any parks serving the subdivision or within the service area of the subdivision.

The assessment for this zone has a provision for an annual escalator. The escalator is the greater of three percent or the percentage increase of the local CPI. The local CPI increased 5.20 percent; therefore, the FY 2022-23 escalator applied to the maximum allowable assessment is 5.20 percent. The actual FY 2021-22 assessment was $78.40 per dueF.

The anticipated Zone A-7 reserve balance as of June 30, 2022, is $225,700.38. The recommended reserve balance is $217,581.00. It is recommended that the FY 2022-23 actual assessment increase by 7.12 percent, which follows the national CPI data, and that there be a $20,317.00 appropriation from the reserve to moderate in the increase. The assessment can be slowly increased to fully fund the annual zone next fiscal year. The amount remaining in the reserve after this requested appropriation is considered sufficient to meet present obligations and still provide for future contingencies. Any unexpended budgeted funds are returned to the Zone C-4 account at the close of the fiscal year. Based on current projections, and since the assessment for this zone can be increased, barring any catastrophic event it is not anticipated that the reserve will be depleted.

The proposed actual FY 2022-23 assessment is $83.98/dueF. The proposed maximum FY 2022-23 assessment is $309.06/dueF, which is an increase of 5.20 percent over the FY 2021-22 maximum assessment. If the assessment was set at a level that would fully fund the estimated FY 2022-23 expenditures without an appropriation from the reserve, the assessment would be $187.11 per dueF.

ZONE C-6, WESTLAKE VILLAGES:

Zone C-6 is generally bounded by Eight Mile Road, A.G. Spanos Park West subdivision, Bear Creek and Disappointment Slough, and Rio Blanco Road. Zone C-6 was formed to provide funds for maintenance of public parks, a portion of the bicycle/pedestrian path on the Bear Creek levee, and public street lighting constructed within the Westlake Villages project.

The assessment for this zone has a provision for an annual escalator. The escalator is the greater of three percent or the percentage increase of the local CPI. The local CPI increased 5.20 percent; therefore, the FY 2022-23 escalator applied to the maximum allowable assessment is 5.20 percent. The actual FY 2021-22 assessment was $92.00 per dueF.

The anticipated Zone C-6 reserve balance as of June 30, 2022, is $388,492.12. The recommended reserve balance is $181,558.39. It is recommended there be an appropriation of $8,077.80 from the reserve to draw down the reserve. The appropriation from the reserve is designed to bring the reserve to the target level in a few years at which time the assessment will revert to a level that will fully fund budgeted expenditures and maintain the reserve. The amount remaining in the reserve after this requested appropriation is considered sufficient to meet present obligations and still provide for future contingencies. Any unexpended budgeted funds are returned to the Zone C-6 account at the close of the fiscal year. Based on current projections, and since the assessment for this zone can be increased, barring any catastrophic event it is not anticipated that the reserve will be depleted.

The proposed actual FY 2022-23 assessment is $98.52/dueF. The proposed maximum FY 2022-23 assessment is $215.09/dueF, which is an increase of 5.20 percent over the FY 2021-22 maximum assessment. If the assessment was set at a level that would fully fund the estimated FY 2022-23 expenditures without an appropriation from the reserve, the assessment would be $106.51 per dueF.

ZONE C-7 AND SUB-ZONE A, NORTH STOCKTON PROJECTS III:

North Stockton Projects III is generally bounded by Eight Mile Road, Lower Sacramento Road, and the Union Pacific Railroad. Zone C-7 was formed to provide for maintenance of Dorotha Pitts Park. Sub-Zone A was formed to provide for maintenance of streetscaping, walls, and streetlights in the Northbrook subdivision.

The assessment for this zone has a provision for an annual escalator. The escalator is the greater of three percent or the percentage increase of the local CPI. The local CPI increased 5.20 percent; therefore, the FY 2022-23 escalator applied to the maximum allowable assessment is 5.20 percent. The actual FY 2021-22 Zone C-7 assessment was $183.20/dueF. The actual FY 2021-22 Sub-Zone A assessment was $161.74 per dueF.

The anticipated Zone C-7/7A reserve balance as of June 30, 2022, is $505,531.12. The recommended reserve balance is $1,010,680.89. It is recommended that FY 2022-23 assessment increase by 7.12 percent, which follows the national CPI data, due to the financial impact of rapid inflation. This will be re-evaluated when preparing the FY 2023-24 budget. There is a request for $41,698.62 from the Sub-Zone A reserve for continuing appropriations to modulate the annual increase. The assessment for the zone can be increased slowly in the coming years to fully fund the zone and sub-zone without drawing on the reserves. The amount remaining in the reserve after these requested appropriations is considered sufficient to meet present obligations and still provide for future contingencies. Any unexpended budgeted funds are returned to the Zone C-7 and Sub-Zone A accounts at the close of the fiscal year. Based on current projections, and since the assessment for this zone can be increased, barring any catastrophic event it is not anticipated that the reserve will be depleted.

The proposed actual Zone C-7 FY 2022-23 assessment is $196.26/dueF. The proposed actual Sub-Zone A FY 2022-23 assessment is $161.74/dueF. The proposed maximum Zone C-7 FY 2022-23 assessment is $240.11/dueF, which is an increase of 5.20 percent over the FY 2021-22 maximum assessment. The proposed maximum Sub-Zone A FY 2022-23 assessment is $265.15/dueF, which is an increase 5.20 percent over the FY 2021-22 maximum assessment. If the assessments were set at a level that would fully fund the estimated FY 2022-23 expenditures without an appropriation from the reserve, the assessments for Zones C-7 and C-7 Sub-Zone A would be $196.26 per dueF and $285.47 per dueF, respectively.

ZONE D-1, BRIDGEPORT TRAILS:

Zone D-1 is located south of Charter Way, north of West Eighth Street, and east and west of Fresno Avenue. Improvements maintained include back-up walls and landscaping between the walls and back of sidewalk.

There is a request for an appropriation of $24,628.00 from the reserve for continuing appropriations to balance the budget. The amount remaining in the reserve after this requested appropriation is considered sufficient to meet present obligations and still provide for future contingencies. Any unexpended budgeted funds are returned to the Zone D-1 account at the close of the fiscal year.

The anticipated Zone D-1 reserve balance as of June 30, 2022, is $267,251.86. The recommended reserve balance is $289,109.51. When the assessment for Zone D-1 was originally approved, it did not include a provision for an annual escalator. The assessment cannot be increased without the affected property owners voting to approve the increase. Therefore, no change is proposed in the $85.00/dueF assessment for FY 2022-23. If the assessment was set at a level that would fully fund the estimated FY 2022-23 expenditures without an appropriation from the reserve, the assessment would be $162.44 per dueF.

ZONE D-3, BRIDGEPORT TRAILS UNIT 4 AND 5:

Zone D-3 is located south of Charter Way, north of West Eighth Street, and east and west of Fresno Avenue. This zone was formed to maintain back-up walls and landscaping between the walls and back of sidewalk, and landscaped buffer parcels.

The assessment for this zone has a provision for an annual escalator. The escalator is the greater of three percent or the percentage increase of the local CPI. The local CPI increased 5.20 percent; therefore, the FY 2022-23 escalator applied to the maximum allowable assessment is 5.20 percent. The actual FY 2020-21 assessment was $215.00 per dueF.

The anticipated Zone D-3 reserve balance as of June 30, 2022, is $212,355.96. The recommended reserve balance is $124,114.00. It is recommended that the assessments for Zone D-3 be increased due to rapid inflation. It is recommended there be an appropriation of $8,325.00 from the reserve to provide to fully fund estimated costs and to moderate the increase. Any unexpended budgeted funds are returned to

the Zone D-3 account at the close of the fiscal year. Based on current projections, and since the assessment for this zone can be increased, barring any catastrophic event it is not anticipated that the reserve will be depleted.

The proposed actual FY 2023-23 assessment is $230.04/dueF. The proposed maximum FY 2022-23 assessment is $282.33/dueF, which is an increase of 5.20 percent over the FY 2021-22 maximum assessment. If the assessment was set at a level that would fully fund the estimated FY 2022-23 expenditures without an appropriation from the reserve, the assessment would be $275.29 per dueF.

ZONE D-4, CALAVERAS ESTATES:

Zone D-4 includes the new development lying generally north of Barrymore Street on the east and west sides of Alvarado Avenue. This zone was formed to maintain the wall between the subdivision and the railroad tracks, public street lighting, an access way to the Calaveras River at the northerly end of Alvarado Avenue, landscaping in the vicinity of Alvarado Avenue and Beeler Street, and develop a replacement reserve for the eventual replacement of the wall.

The assessment for this zone has a provision for an annual escalator. The escalator is the greater of three percent or the percentage increase of the local CPI. The local CPI increased 5.20 percent; therefore, the FY 2022-23 escalator applied to the maximum allowable assessment is 5.20 percent. The actual FY 2021-22 assessment was $114.80 per dueF.

The anticipated Zone D-4 reserve balance as of June 30, 2022, is $212,303.64. The recommended reserve balance is $81,297.17. While the reserve exceeds the recommended reserve balance, the proposed FY 2022-23 assessment does not fully fund the estimated expenditures. There is a request for an appropriation of $31,996.28 from the reserve. This appropriation from the reserve is designed to bring the reserve balance to the target level within a couple years, at which point the assessment will revert to a level necessary to fund budgeted expenditures and maintain the reserve. The amount remaining in the reserve after this requested appropriation is considered sufficient to meet present obligations and still provide for future contingencies. Any unexpended budgeted funds are returned to the Zone D-4 account at the close of the fiscal year. Based on current projections, and since the assessment for this zone can be increased, barring any catastrophic event it is not anticipated that the reserve will be depleted.

The proposed actual FY 2022-23 assessment is $122.96/dueF. The proposed maximum FY 2022-23 assessment is $1,344.90/dueF, which is an increase of 5.20 percent over the FY 2021-22 maximum assessment. If the assessment was set at a level that would fully fund the estimated FY 2022-23 expenditures without an appropriation from the reserve, the assessment would be $365.36 per dueF.

ZONE D-6, MOSS GARDEN:

Zone D-6 is located southeasterly of State Route 4/Charter Way and Fresno Avenue. Improvements maintained/to be maintained include landscaping between the walls and curb, public street lighting, and its proportionate share of the cost to any park that serves the development or is within the service area of the development.

The assessment for this zone has a provision for an annual escalator. The escalator is the greater of three percent or the percentage increase of the local CPI. The local CPI increased 5.20 percent; therefore, the FY 2022-23 escalator applied to the maximum allowable assessment is 5.20 percent. The actual FY 2021-22 assessment was $11.78 per dueF.

The anticipated Zone D-6 reserve balance as of June 30, 2022, is $301,708.77. The recommended reserve balance is $32,944.20. It is recommended that there be a $65,841.92 appropriation from the reserve, since the reserve exceeds the recommended reserve balance. Increasing the assessment by the CPI to offset rapid inflation, along with the appropriation from the reserve, is designed to bring the reserve closer to the target level within a few years at which time the assessment will revert to a level that will fully fund budgeted expenditures and maintain the reserve. The amount remaining in the reserve after this requested appropriation is considered sufficient to meet present obligations and still provide for future contingencies. Any unexpended budgeted funds are returned to the Zone D-6 account at the close of the fiscal year. Based on current projections, and since the assessment for this zone can be increased, barring any catastrophic event it is not anticipated that the reserve will be depleted.

The proposed actual FY 2022-23 assessment is $12.60/dueF. The proposed maximum FY 2022-23 assessment is $549.43/dueF, which is an increase of 5.20 percent over the FY 2021-22 maximum assessment. If the assessment was set at a level that would fully fund the estimated FY 2022-23 expenditures without an appropriation from the reserve, the assessment would be $188.32 per dueF.

ZONE E-1, LITTLE JOHN CREEK:

Zone E-1 is located north of Industrial Drive between Pock Lane and State Highway 99. Improvements maintained/to be maintained include back-up walls, trees in tree wells, landscaping between the walls and back of sidewalk, the special bridge railing on the Pock Lane Bridge, and fund a proportionate share of the costs for Ernie Shropshire Park. This zone also contributes its proportionate share of costs for maintenance of the Stockton Airport Business Center storm drainage basin.

The assessment approved when the Little John Creek Zone was originally formed was $59.68. In June of 2000, an increase to the assessment was approved to account for increased maintenance costs and to provide for park maintenance. That additional assessment amount was also approved with an annual escalator. The portion of the FY 2021-22 maximum allowable assessment for this zone that is over the original $59.68, $199.96, is subject to the escalator. The escalator is the greater of three percent or the percentage increase of the local CPI. The local CPI increased 5.20 percent; therefore,

the FY 2022-23 escalator applied to the maximum allowable assessment is 5.20 percent. The actual FY 2021-22 assessment was $197.20 per dueF.

The anticipated Zone E-1 reserve balance as of June 30, 2022, is $654,740.40. The recommended reserve balance is $324,519.76. It is recommended that FY 2022-23 assessment increase by 7.12 percent due to the financial impact of rapid inflation. This will be re-evaluated when preparing the FY 2023-24 budget. It is recommended there be an appropriation of $24,337.20 from the reserve to bring the reserve closer to the target level. Any unexpended budgeted funds are returned to the Zone E-1 account at the close of the fiscal year. Based on current projections, and since the assessment for this zone can be increased, barring any catastrophic event it is not anticipated that the reserve will be depleted.

Zone E-1 will contribute its proportionate share of $5,096.00 to the Stockton Airport Business Center Storm Drain Basin Maintenance District for maintenance costs of the Stockton Airport Business Center storm drain basin.

The proposed actual FY 2022-23 assessment is $211.22/dueF. The proposed maximum FY 2022-23 assessment is $277.00/dueF, which is a 5.20 percent increase in the park maintenance portion of the assessment over the FY 2021-22 maximum assessment. If the assessment was set at a level that would fully fund the estimated FY 2022-23 expenditures and reserve allocation, the assessment would be $242.03 per dueF.

ZONE E-3, SEABREEZE:

Zone E-3 is generally located south of Industrial Drive and west of State Highway Route 99, and at the northwesterly corner of Pock Lane and Industrial Drive. Improvements maintained/to be maintained include back-up walls, landscaping between the walls and back of sidewalk, a landscaped area under the PG&E power lines west of Pock Lane, and fund a proportionate share of the costs for Ernie Shropshire Park. This zone also contributes its share for the costs of maintenance of the Stockton Airport Business Center storm drainage basin.

The assessment for this zone has a provision for an annual escalator. The escalator is the greater of three percent or the percentage increase of the local CPI. The local CPI increased 5.20 percent; therefore, the FY 2022-23 escalator applied to the maximum allowable assessment is 5.20 percent. The actual FY 2021-22 assessment was $375 per dueF.

The anticipated Zone E-3 reserve balance as of June 30, 2022, is $426,941.66. The recommended reserve balance is $413,678.66. It is recommended that FY 2022-23 assessment increase by 7.12 percent, which follows the national CPI data, due to the financial impact of rapid inflation. This will be re-evaluated when preparing the FY 2023-24 budget. There is a request for an appropriation of $51,426.84 from the reserve for continuing appropriations to fully fund estimated costs. The amount remaining in the reserve after this requested appropriation is considered sufficient to meet present

obligations and still provide for future contingencies. The appropriation will be reduced, and the assessment gradually increased over the next several years until the assessment fully funds maintenance expenses and provide for contributing to the reserve to fund replacement of long service life improvements. Any unexpended budgeted funds are returned to the Zone E-3 account at the close of the fiscal year. Based on current projections, and since the assessment for this zone can be increased, barring any catastrophic event it is not anticipated that the reserve will be depleted.

Zone E-3 will also contribute $2,116 to the Stockton Airport Business Center Storm Drain Basin Maintenance District for its proportionate share of maintenance costs of the Stockton Airport Business Center storm drain basin.

The proposed actual FY 2022-23 assessment is $401.68/dueF. The proposed maximum FY 2022-23 assessment is $921.79/dueF, which is an increase of 5.20 percent over the FY 2021-22 maximum assessment. If the assessment was set at a level that would fully fund the estimated FY 2022-23 expenditures without an appropriation from the reserve, the assessment would be $566.51 per dueF.

ZONE E-4, OAKMORE MEADOWS:

Zone E-4 is generally bounded by Alpine Avenue, the Union Pacific Railroad tracks, the Calaveras River, and Sanguinetti Lane. Improvements maintained/to be maintained include back-up walls, landscaping between the walls and back of sidewalk, and a future park.

The assessment for this zone has a provision for an annual escalator. The escalator is the greater of three percent or the percentage increase of the local CPI. The local CPI increased 5.20 percent; therefore, the FY 2022-23 escalator applied to the maximum allowable assessment is 5.20 percent. The actual FY 2021-22 assessment was $11.60 per dueF.

The anticipated Zone E-4 reserve balance as of June 30, 2022, is $409,375.81. The recommended reserve balance is $417,156.95. It is recommended that there be a $105,798.60 appropriation from the reserve, since the reserve exceeds the recommended reserve balance. The appropriation from the reserve, is designed to bring the reserve below the target level after this fiscal year at which time the assessment will revert to a level that will fully fund budgeted expenditures and maintain the reserve. The amount remaining in the reserve after this requested appropriation is considered sufficient to meet present obligations and still provide for future contingencies. Any unexpended budgeted funds are returned to the Zone E-4 account at the close of the fiscal year. Based on current projections, and since the assessment for this zone can be increased, barring any catastrophic event it is not anticipated that the reserve will be depleted.

The proposed actual FY 2022-23 assessment is $12.40/dueF. The proposed maximum FY 2022-23 assessment is $327.28/dueF, which is an increase of 5.20 percent over the FY 2021-22 maximum assessment. If the assessment was set at a level that would fully

fund the estimated FY 2022-23 expenditures without an appropriation from the reserve, the assessment would be $154.22 per dueF.

ZONE E-5, RANCHO DEL SOL:

Zone E-5 is located on the east side of Airport Way and lies north and south of Duck Creek. Improvements maintained/to be maintained include back-up walls, landscaping between the walls and back of sidewalk, and landscaping and path along the northerly side of Duck Creek.

The assessment for this zone has a provision for an annual escalator. The escalator is the greater of three percent or the percentage increase of the local CPI. The local CPI increased 5.20 percent; therefore, the FY 2022-23 escalator applied to the maximum allowable assessment is 5.20 percent. The actual FY 2022-23 assessment was $120 per dueF.

The anticipated Zone E-5 reserve balance as of June 30, 2022, is $506,695.99. The recommended reserve balance is $195,584.00. It is recommended there be an appropriation of $57,011.76 from the reserve. The appropriation in is designed to bring the reserve balance to the target level over the next few years at which time the assessment will revert to a level necessary to fund budgeted expenditures and maintain the reserve. The amount remaining in the reserve after this requested appropriation is considered sufficient to meet present obligations and still provide for future contingencies. Any unexpended budgeted funds are returned to the Zone E-5 account at the close of the fiscal year. Based on current projections, and since the assessment for this zone can be increased, barring any catastrophic event it is not anticipated that the reserve will be depleted.

The proposed actual FY 2022-23 assessment is $128.52/dueF. The proposed maximum FY 2022-23 assessment is $567.91/dueF, which is an increase of 5.20 percent over the FY 2021-22 maximum assessment. If the assessment was set at a level that would fully fund the estimated FY 2022-23 expenditures without an appropriation from the reserve, the assessment would be $286.01 per dueF.

Resolution No.

STOCKTON CITY COUNCIL

RESOLUTION OVERRULING ANY AND ALL PROTESTS, ADOPTING THE ANNUAL ENGINEER'S REPORT FOR FISCAL YEAR 2022-23, APPROVING THE BUDGET FOR EACH ZONE, CERTIFYING COMPLIANCE WITH THE REQUIREMENTS OF PROPOSITION 218 AND THE STATE OF CALIFORNIA STREETS AND HIGHWAYS CODE, AND CONFIRMING AND LEVYING ASSESSMENTS FOR THE STOCKTON CONSOLIDATED LANDSCAPE MAINTENANCE ASSESSMENT DISTRICT NO. 96-2

On April 19, 2022, the City Council of the City of Stockton adopted Resolution No. 2022-04-19-1208 to preliminarily approve the Annual Engineer's Report for the Fiscal Year (FY) 2022-23 (the "Annual Engineer's Report"), to provide preliminary approval of the proposed budget, and to set a public hearing for the Stockton Consolidated Landscape Maintenance Assessment District No. 96-2 (the "Consolidated Landscape District") and the various zones therein, pursuant to the Landscaping and Lighting Act of 1972; and

Notice of the public hearing that was held on June 14, 2022, was duly and regularly published in *The Record*, in the time, form, and manner required by law as evidenced by the declaration on file with the City Clerk; and

At the public hearing, the City Council afforded to every interested person an opportunity to make a protest for each Zone to the Annual Engineer's Report, to the maximum annual assessment, the actual FY 2022-23 assessment, to the proposed budget, or to the proposed method and proportion of assessment, either in writing or orally, and this City Council has considered each protest, if any, and all matters and things pertaining to the Annual Engineer's Report were fully heard and considered by this Council; now, therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF STOCKTON, AS FOLLOWS:

1. Protests or objections (including all written protests not withdrawn in writing before the conclusion of the public hearing) to the proposed levy of assessments in each zone have not been made by the owners of the area of assessable lands subject to more than 50 percent of the total proposed levy of assessments within each zone of the Consolidated Landscape District, and any and all protests or objections are overruled.

2. The Annual Engineer's Report for the Consolidated Landscape District on file with the City Clerk for FY 2022-23, which includes the budget for each zone, is approved and adopted as the method of assessment for each zone to be used to pay the

costs and expenses for administration, maintenance, and operation of public parks and landscape improvements in public rights-of-way and public open spaces.

3. The Council certifies that the special assessment(s), fee(s), or charge(s) as contained in the Annual Engineer's Report and to be placed on the FY 2022-23 Secured Property Tax bill by the City of Stockton are certified to meet the requirements of Proposition 218 that added Articles XIIIC and XIIID to the California State Constitution.

4. The assessments of the annual amount of costs and expenses for the maintenance and operation of the improvements, upon the assessable lands in the Consolidated Landscape District, as contained in the Annual Engineer's Report, are hereby approved, and confirmed and shall be levied and collected for FY 2022-23. The assessments comply with all laws pertaining to the levy of the annual assessment (State of California Streets and Highways Code § 22500). The assessments are levied without regard to property valuation. The purpose of the assessments is for the maintenance and operation of public parks and landscape improvements in public rights-of-way and public open spaces.

5. The City Manager or designee, on behalf of the City Clerk, is hereby directed to file the assessments or a copy thereof certified by the City Clerk or other City official with the San Joaquin County Auditor and cause the assessments to be entered on the FY 2022-23 tax roll for the parcels in the Consolidated Landscape District and each Zone within the Consolidated Landscape District as set forth in the Annual Engineer's Report on file with the City Clerk.

6. The City Manager or designee is hereby authorized and directed to execute all documents, including, but not limited to, agreements and amendments.

7. The City Manager is hereby authorized to take whatever actions are necessary and appropriate to carry out the purpose and intent of this Resolution.

PASSED, APPROVED, and ADOPTED June 14, 2022.

KEVIN J. LINCOLN II
Mayor of the City of Stockton

ATTEST:

ELIZA R. GARZA, CMC
City Clerk of the City of Stockton

STOCKTON CONSOLIDATED LANDSCAPE MAINTENANCE ASSESSMENT DISTRICT

FY 2022-23 Annual Engineer's Report
Public Hearing

Public Works Department
June 14, 2022
Item No. 16.2

Stockton Consolidated Landscape Maintenance Assessment District 96-2

- 27 Active Zones Est. to Maintain Improvements
  - 4+ Million sq. ft. of Streetscaping
  - 5,500+ Trees
  - 68+ Acres of Open Space
  - 42+ Miles of Back-up Walls: Repair and Graffiti Abatement
  - 10.5+ Miles of Bike/Pedestrian Paths
  - 12 Parks: 114+ Acres
  - Streetlights
- 2022-23 Proposed Budget: $5.463 Million
  - Maintenance, Repairs, Utilities, Administration

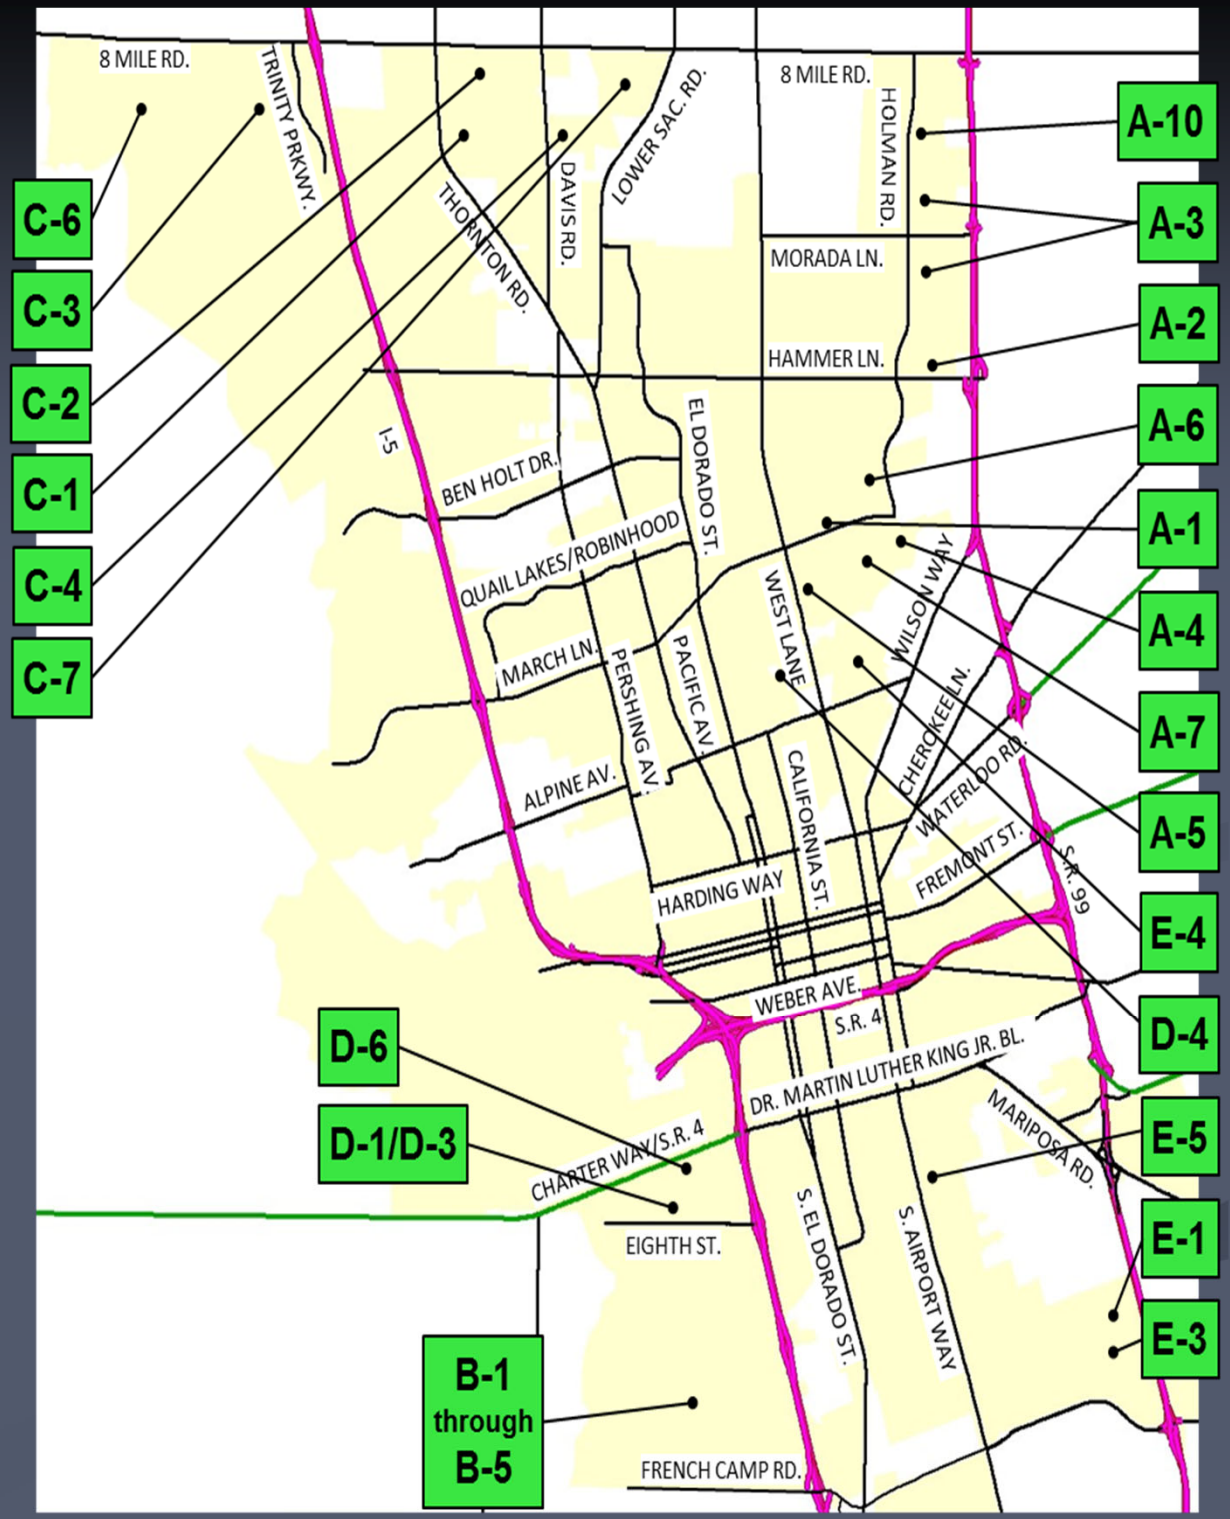
Stockton Consolidated Landscape Maintenance Assessment District 96-2

- Each Year Council Adopts the Following:
  - Engineer's Report
  - Maximum Allowable Assessment
  - Annual Budget/Actual Assessment
- Maintenance and Operation of Landscape and Public Park Improvements
- Provides Funding for:
  - Operation, maintenance, and preparation of an annual Engineer's Report and tax rolls; legal review; collection of assessments on San Joaquin County property taxes and City administration

Maximum Allowable
vs
Actual Assessments

- Original Engineer's Report for 20 Zones approved by landowner ballot – allows for annual Cost of Living Adjustment
- Approves annual maximum allowable but collects only what is needed for anticipated operational costs
- Allows for unanticipated emergencies – to collect only if necessary

STOCKTON CONSOLIDATED LANDSCAPE MAINTENANCE ASSESSMENT DISTRICT 96-2



1793

Annual Assessment

- Assessment fixed in 7 zones; Can be Increased in 20
- Assessment Varies due to:
  - Size of Zone/Number of Assessable Parcels
  - Amount and Type of Improvements to be Maintained
  - Zone Sizes: 17 parcels (A-5) to over 5,000 (B-2)
- 2022-23 Maximum Assessment Adjustment: 5.2%
  - Based on San-Francisco-Oakland-Hayward Consumer Price Index
- FY 2022-23 Actual Assessment Adjustment: Varies 6.90% to 7.12%

FY 2022-23 Zone Budgets

Zone No.	Zone Name	Proposed Budget (Actual Assessment)	Proposed Per Dwelling Unit Equivalent Factor	Maximum Allowable Assessment
A-1	Weber/Sperry	$62,117.18	$46.90	$62,117.18

Recommended Actions

- Overrule all public hearing protests
- Approve and adopt:
  - Stockton Consolidated Landscape Maintenance Assessment District 96-2 Annual Engineer's Report
  - Maximum Allowable Assessment
  - Annual Budget/Actual Assessment for each Zone of the District
- Confirm and levy assessment for each Zone

File #: 22-0486, **Version:** 1

HOLD PUBLIC HEARING FOR APPROVAL OF THE ANNUAL ENGINEER'S REPORT, FISCAL YEAR 2022-23 ANNUAL BUDGET, AND CONFIRM AND LEVY ASSESSMENTS FOR THE STOCKTON CONSOLIDATED STORM DRAINAGE MAINTENANCE ASSESSMENT DISTRICT 2005-1

RECOMMENDATION

The City Council, at its meeting on April 19, 2022, preliminarily approved and confirmed the Engineer's estimate of costs and expenses of the Consolidated Storm Drainage Maintenance Assessment District 2005-1 and the annual assessments related thereto and set a required public hearing for June 14, 2022.

It is recommended that the City Council now conduct a public hearing to consider public comment and testimony regarding the approval and adoption of the annual budgets and assessment rolls for the District.

After the public hearing, if a majority protest based on assessment amount does not exist, it is recommended that the City Council adopt a resolution to:

1. Overrule all public hearing protests or objections (including all written protests not withdrawn in writing before the conclusion of the public hearing) to the proposed levy of assessments in the District in each zone.

2. Approve and adopt the Stockton Consolidated Storm Drainage Maintenance Assessment District No. 2005-1 (District) Annual Engineer's Report for the Fiscal Year (FY) 2022-23, which contains the budget for each zone.

3. Confirm and levy the assessments for each zone as set forth in the Report.

4. File the assessments of a copy thereof, certified by the City Clerk or other City official, with the San Joaquin County Auditor and cause the assessments to be entered on the 2022-23 tax roll as set forth in the Annual Engineer's Report on file with the City Clerk.

5. Approve the Annual Report providing for various Amendments to the several Zone Assessment Diagrams showing segregated parcels created since the last Annual Report and directing the City Clerk to deliver said assessment to the Superintendent of Streets of the City, along with all Amendments to the Assessment Diagrams attached, with a certificate of such confirmation and of the date thereto, and that said Superintendent of Streets shall record all said Amendments to the Assessment Diagrams and assessment in a suitable book to be kept for that purpose.

6. Authorize the City Clerk to file in the office of the County Recorder a copy of the Amendments to the Assessment Diagrams, after the recording of the assessment and the Amendments to the Assessment Diagrams in the office of the Superintendent of Streets.

It is further recommended that the City Manager be authorized to take all appropriate and necessary actions to carry out the purpose and intent of this resolution.

Summary

The Municipal Improvement Act of 1913 and Stockton Improvement Procedure Code, Part V, Stockton Code, under which this District was formed, requires the annual Council approval of the Engineer's Report, Budget, Assessment Rolls, and annual approval to levy the corresponding annual assessments. The assessment district rates for FY 2022-23 will increase the zone assessment amounts by 5.2 percent when allowed by the original Engineers' Report.

If approved, the City Council's action will adopt the Storm Drainage Maintenance Assessment District's FY 2022-23 Annual Engineer's Report, Budgets, and Assessment Rolls for the various zones within the Consolidated Storm Drainage Maintenance District 2005-1. The proposed FY 2022-23 assessments increase the zone assessment amounts by 5.2 percent when allowed by the original Engineers' Report. All budgets in each zone are below the maximum allowable amount. Annual approval of the budget and Engineers' Report is required by the Municipal Improvement Act of 1913 and the Stockton Improvement Code, Part V. The City makes no financial contributions to the District. All fees, costs, and expenses incurred are paid from the proceeds of the annual assessments to be levied and collected on the San Joaquin County tax roll. A copy of the FY 2022-23 Annual Engineers' Report is on file in the Office of the City Clerk and can also be found on the City of Stockton website at the following link:
<http://www.stocktonca.gov/government/departments/municipalUtilities/utilStormInd.html>.

DISCUSSION

Background

On July 26, 2005, the City Council adopted Resolution Number 05-0329 to establish an assessment district designated as the "Stockton Consolidated Storm Drainage Maintenance Assessment District No. 2005-1" and the creation and annexation of Zone 1 to be known as "Riverbend Zone 1." Formation of the District was based on the provisions of the Municipal Improvement Act of 1913 (Act) and the Stockton Improvement Procedure Code, Part V (Stockton Code). Since then, 14 additional Zones have been formed and annexed to the District (Attachment A - District Zones Location Map).

The Act and Stockton Code contain provisions for the City to form an assessment district and annex zones to the district's boundary for the maintenance and operation of improvements that impart a special benefit to an area. The purpose of this District is to provide funding for the operation, maintenance, and replacement of stormwater quality treatment devices that are required by the City's Stormwater National Pollution Discharge Elimination System Permit (NPDES).

For this fiscal year, Siegfried Engineering, Inc. of Stockton, California, was authorized to prepare the FY 2022-23 Annual Engineer's Report. A copy of the Annual Engineer's Report was submitted to the City Clerk and is on file for review by the Mayor and City Council Members. On April 19, 2022, the

City Council adopted and preliminarily approved the FY 2022-23 Annual Engineer's Report, which includes the proposed budgets for the maintenance and operation of the improvements for each zone within the District, and the Assessment Rolls. The City Council's action also set the public hearing for June 14, 2022.

Through this process, the District sets the annual assessments for each zone to be placed on the San Joaquin County tax roll for collection with the County real property taxes. These annual assessments also provide for other associated administrative costs including preparing an Annual Engineer's Report and Assessment Roll.

Property owners are responsible for funding only those improvements in their zone. Each assessed parcel is assigned a dwelling unit equivalent factor (DUE) or a per assessable acre factor. The DUE factor for developed parcels is established in the original Engineer's Report forming each zone, which has previously been approved by Council. A single-family residential lot is equivalent to one dwelling unit equivalent factor.

Present Situation

None of the proposed FY 2022-23 assessments exceed the allowed maximum annual assessment set in the original Engineer's Report, which were approved by landowner ballots following the requirements of Proposition 218 and accepted by Council as part of the formation and annexation proceedings. Proposition 218, enacted in 1996, requires proposed assessments be approved, by ballot procedure, by the property owners affected by the assessments.

The Engineer's Report forming each zone included the provision for an annual escalator on the assessments in an amount equal to the greater of either 3.0 percent or the annual increase as shown in the Local Consumer Price Index for the San Francisco-Oakland-San Jose All Items, All Urban Users, as published by the Bureau of Labor Statistics which was 5.20 percent for calendar year 2021. For FY 2022-23, a 5.20 percent increase has been applied to the FY 2022-23 maximum allowable assessments.

Proposition 218 provides the latitude to approve the maximum allowable assessment but collect a lesser amount based on projected expenditures. Approving the maximum allowable assessment but only assessing the amount needed for the projected expenses, allows the latitude to collect the maximum assessment in the event of unanticipated expenses and/or emergencies, and complies with the requirements of Proposition 218.

The proposed budget for each zone within the District includes engineering fees for the preparation of the Annual Engineer's Report and tax rolls; attorney's fees; estimated cost of maintenance work; City of Stockton administrative costs; County costs to collect the assessments on the tax roll; replacement reserve costs, and a contingency amount. The maintenance scope of work includes vector control; weed abatement; rodent control; slope dressing; mowing; ripping; grading of the basin bottom (as needed); trash and debris pick-up and removal; cleaning of the structures, and sediment removal, filter changes, device cleaning, and other maintenance associated with the special benefit. The table below is a summary of the budget and per DUE factor to be assessed for each zone of the District for both FY 2021-22 and FY 2022-23, as well as the Proposed Operational Budgets and the Maximum Allowable Assessment amounts for FY 2022-23.

Zone No.	Zone Name	FY 2021-22 Rate Per DUE Factor	FY 2022-23 Rate Per DUE Factor	FY 2021-22 Assessment	FY 2022-23 Assessment	FY 2022-23 Proposed Operational Budget	FY 2022-23 Maximum Allowable Assessment
1	Riverbend Estates	$37.64	$40.22	$24,529.00	$26,210.34	$26,210.34	$47,220.73
2A	Cannery Park	$18.64	$7.20	$6,660.14	$7,093.58	$7,093.58	$19,310.51
2B	Cannery Park	$18.74	$20.02	$14,072.10	$15,033.28	$15,033.28	$23,000.68
3	Simbad Estates	$400.76	$427.76	$11,221.28	$11,977.28	$11,977.28	$26,580.68
4	Dama Estates	$678.94	$725.00	$11,541.98	$12,325.00	$12,325.00	$34,693.60
5A	Silver Springs & Gold Springs	$113.30	$121.24	$30,538.88	$32,679.02	$32,679.02	$74,336.44
5B	Silver Springs & Gold Springs	$109.24	$116.42	$3,823.40	$4,074.70	$4,074.70	$5,914.30
6	Old Oak Estates	$198.40	$211.82	$12,300.80	$13,132.84	$13,132.84	$22,944.96
7	Oakmore Meadows, Unit 3	$380.80	$407.08	$19,895.64	$21,268.70	$21,268.70	$24,762.47
8	Little John Creek North & Little John Creek South	$358.38	$383.20	$22,577.94	$24,141.60	$24,141.60	$28,099.26
9	Malisa Manor	$761.82	$813.38	$12,189.12	$13,014.08	$13,014.08	$29,075.36
10	Meadow-lands Unit 2	$309.08	$329.88	$11,126.88	$11,875.68	$11,875.68	$36,634.32
11	Westlake Villages	$3.64	$4.10	$10,999.92	$11,770.92	$11,770.92	$805,337.20
12	Moss Gardens	$27.48	$29.30	$11,054.90	$11,787.06	$11,787.06	$78,462.64
13	ProLogis Park at Duck Creek	$250.82*	$268.25*	$24,535.98	$26,240.04	$26,240.04	$78,832.68

14	Calaveras IV	$390.82	$418.64	$15,632.80	$17,164.24	$17,164.24	$18,822.69
15	BD Homes	$808.68	$866.24	$10,512.84	$11,059.62	$11,059.62	$11,059.62

*ProLogis Park at Duck Creek (Zone 13) is the only zone within the District with assessments calculated on an assessable acre basis. The assessments for ProLogis Park are spread in proportion to the adjusted area for each parcel in Zone 13. The current assessable acreage is 97.82. The maximum assessment is $78,832.68, resulting in a per acre maximum assessment of $820.60. The actual assessment is $26,240.04 resulting in a per acre actual assessment of $268.25.

The per DUE factor varies for each zone and is dependent upon the improvements to be maintained and the number of DUE factors.

The anticipated FY 2022-23 fund balances for each zone in the Consolidated District are:

Zone No.	Zone Name	FY 2022-23 Anticipated Fund Balance
1	Riverbend Estates	$222,462.10
2A	Cannery Park	$56,022.62
2B	Cannery Park	$214,090.50
3	Simbad Estates	$106,645.90
4	Dama Estates	$123,736.74
5A	Silver Springs & Gold Springs	$520,586.28
5B	Silver Springs & Gold Springs	$20,126.40
6	Old Oak Estates	$100,202.90
7	Oakmore Meadows	$179,442.92
8	Little John Creek North & South	$204,273.35
9	Malisa Manor	$128,054.42
10	Meadowlands	$107,961.37
11	Westlake Villages	$46,919.62
12	Moss Gardens	$143,291.46
13	ProLogis Park at Duck Creek	$213,997.84
14	Calaveras IV	$26,101.97
15	BD Homes	$1,241.19

This public hearing allows any interested person an opportunity to make a protest for each zone in the Annual Report, to the maximum annual assessment, to the actual FY 2022-23 assessment, to the proposed budget or to the proposed method and proportion of assessment either in writing or orally. A majority protest exists if more than fifty percent (50%) of the owners of the area of assessable lands within the district in each zone file a written or verbal protest. The required notice of this public hearing was published in The Record once, at least 10 days before the hearing date (published on June 3, 2022.)

By approving the proposed resolution, the City Council will approve and adopt the Annual Engineer's Report for the Fiscal Year 2022-23, which includes the Budget for each zone of the District and the Assessment Roll. This action will also confirm the levy and collection of the assessments set forth in the Annual Engineer's Report for the District.

FINANCIAL SUMMARY

The proposed Consolidated Storm Drainage Maintenance Districts budget for FY 2022-23 is detailed in Attachment B.

The City makes no financial contributions to the District. All fees, costs, and expenses incurred are paid from the proceeds of the annual assessments to be levied and collected on the San Joaquin County tax roll. The use of the funds collected within the various zones of this District is restricted by Proposition 218 and will be used to pay only the expenses related to the maintenance and operation of the specific stormwater quality treatment device(s) detailed in the Engineers' Report for each zone.

The funds collected from the property owners of a zone can only be used for work on the device(s) in that specific zone as it imparts special benefit restricted to the properties of that area. District funds are segregated and cannot be used to operate, maintain, or support the activities of the stormwater, or any other utility at large.

Administrative and operational costs for the maintenance of the stormwater treatment basin in the Cannery Park Zone 2B are proportionately split with the City's Stormwater Utility as the basin is also used for flood control purposes. Cannery Park Zone 2B is the only zone within the District that maintains a device with dual function.

There is no impact to the General Fund or any other unrestricted fund as a result of taking the recommended actions.

Resolution No.

STOCKTON CITY COUNCIL

RESOLUTION ADOPTING THE ANNUAL ENGINEER'S REPORT FOR FISCAL YEAR 2022-23, THE BUDGET FOR EACH ZONE, AND CONFIRMING ASSESSMENTS FOR THE STOCKTON CONSOLIDATED STORM DRAINAGE MAINTENANCE ASSESSMENT DISTRICT NO. 2005-1

On April 19, 2022, this Council adopted its Resolution of Intention to Approve the Annual Engineer's Report (Annual Report) for the 2022-23 Fiscal Year, to Provide Preliminary Approval of the Proposed Budgets for each Zone, and to Set a Public Hearing Thereon (Resolution No. 2022-04-19-1205) for the Stockton Consolidated Storm Drainage Maintenance Assessment District No. 2005-1 as required by law; and

Notice of the Public Hearing held on June 14, 2022, was duly and regularly published in **The Record**, in the time, form, and manner required by law, as evidenced by the declaration on file with the City Clerk; and

At the Public Hearing, this Council afforded to every interested person an opportunity to make a protest for each Zone to the Annual Report, to the maximum annual assessment, to the actual 2022-23 assessment, to the proposed budget, or to the proposed method and proportion of assessment, either in writing or orally, and this Council has considered each protest and all matters and things pertaining to the Annual Report were fully heard and considered by this Council; now, therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF STOCKTON, AS FOLLOWS:

1. Protests or objections (including all written protests not withdrawn in writing before the conclusion of the Public Hearing) to the proposed levy of assessments in each Zone have not been made by the owners of more than fifty percent (50%) of the area of assessable lands within the District in each Zone and all such protests or objections are hereby overruled.

2. The Annual Report on file with the City Clerk for the Fiscal Year 2022-23 Stockton Consolidated Storm Drainage Maintenance Assessment District No. 2005-1, which includes the budget for each Zone, is hereby approved and adopted as the method of assessment for each Zone to be used to pay the costs and expenses of the maintenance and operation.

3. The assessment of the annual amount of costs and expenses of the maintenance and operation of the improvements, upon the several subdivisions of land in the District as contained in the Annual Report, be, and the same is hereby approved and confirmed and shall be levied and collected for the Fiscal Year 2022-23.

A. The assessment complies with all laws pertaining to the levy of the annual assessment (§ 4 of Article XIIID of the California State Constitution, § 53753.5 of the Government Code of the State of California, Streets and Highways Code § 10000, *et seq*., and the Stockton Improvement Procedure Code).

The City of Stockton hereby certifies that the special assessment(s), fee(s) or charges(s) listed below to be placed on the 2022-23 Secured Property Tax bill by the City of Stockton meets the requirements of Proposition 218 that added Articles XIIIC and XIIID to the California State Constitution.

B. The assessment is levied without regard to property valuation.

C. The purpose of the assessment is the maintenance and operation of storm drainage facilities.

4. The City Manager is authorized to direct the Chief Financial Officer or his/her designee to enter the assessments on the 2022-23 tax roll for the parcels in each Zone within the District as set forth in the Annual Report on file with the City Clerk.

5. The Annual Report provides for various Amendments to the several Zone Assessment Diagrams showing segregated parcels created since the last Annual Report; all said Amendments are hereby approved and the City Clerk of said City shall forthwith deliver to the Superintendent of Streets of said City the said assessment together with all Amendments to the Assessment Diagrams thereto attached and made a part thereof, as confirmed by this Council, with her certificate of such confirmation thereto attached and of the date thereof; and that said Superintendent of Streets shall record all said Amendments to the Assessment Diagrams and assessment in his office in a suitable book to be kept for that purpose, and shall append thereto his certificate of the date of such recording, and such recordation shall be and constitute the assessment roll herein.

6. After the recording of the assessment and the Amendments to the Assessment Diagrams in the office of the Superintendent of Streets, the City Clerk shall file in the office of the County Recorder a copy of the Amendments to the Assessment Diagrams.

7. The City Manager is hereby authorized to take whatever actions are necessary and appropriate to carry out the purpose and intent of this Resolution.

PASSED, APPROVED and ADOPTED: June 14, 2022 .

KEVIN J. LINCOLN II
Mayor of the City of Stockton

ATTEST:

ELIZA R. GARZA, CMC
City Clerk of the City of Stockton

Stockton Consolidated Storm Drainage Maintenance Assessment District 2005-1

Public Hearing for Fiscal Year 2022-2023 Assessments

Municipal Utilities Department

June 14, 2022

Agenda Item No. 16.3

CITY OF STOCKTON

MUD

MUNICIPAL UTILITIES DEPARTMENT

1809

Storm Drainage Assessment District 2005-1

- City's Storm Water Discharge Permit (Order No. R5-2016-0040, NPDES Permit No. CAS0085324) requires storm water pollution control devices in new development.

- July 26, 2005: Consolidated Storm Drainage Maintenance District 2005-1 established to fund device maintenance.

CITY OF STOCKTON
MUD
MUNICIPAL UTILITIES DEPARTMENT

Storm Drainage Assessment District 2005-1

- Each year, Council adopts the following:
  - Engineer's Report.
  - Maximum Allowable Assessment.
  - Annual Budget/Actual Assessment.
- Maintenance and operation of stormwater quality (treatment) improvements.
- Assessment provides funding for:
  - Operation, maintenance and preparation of an annual Engineer's report & tax rolls; legal review; collection of assessments on San Joaquin County property taxes and City administration.

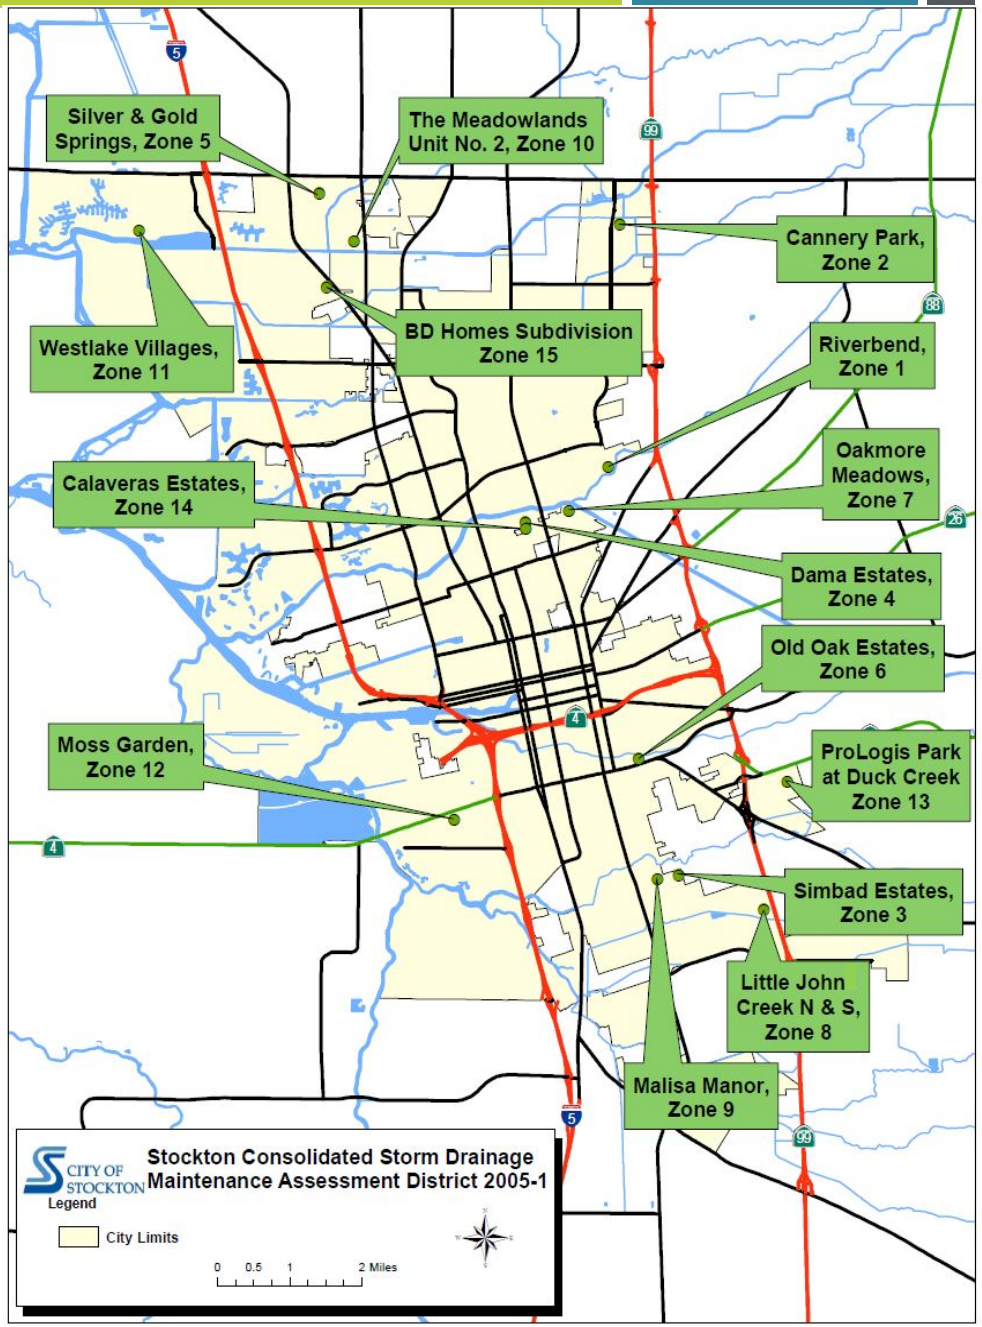
CITY OF STOCKTON
MUD
MUNICIPAL UTILITIES DEPARTMENT

Maximum Allowable vs. Actual Assessments

- Original Engineer's Report approved by landowner ballot – allows for annual Cost of Living Adjustment.
- Approves annual maximum allowable but collect only what is needed for anticipated operational costs.
- Allows for unanticipated emergencies – to collect only if necessary.

CITY OF STOCKTON
MUD
MUNICIPAL UTILITIES DEPARTMENT

Stockton Consolidated Storm Drainage District 2005-1



Annual Assessment

- Varies by zone as a result of:
  - Zone size.
  - Dwelling Unit Equivalent Factor.
  - Number of parcels within zone.
  - Amount and type of improvements to be maintained.

- FY 2022-2023 Maximum Allowable Adjustment: +5.2%
  - Based on the greater of 3% or the annual San-Francisco-Oakland-San Jose Consumer Price Index.
  - FY 2022-2023 Actual assessments are to increase 7.12% but stay within the maximum allowable.

HOLD PUBLIC HEARING FOR APPROVAL OF THE ENGINEER'S REPORT, FISCAL YEAR 2022-23 ANNUAL BUDGETS AND ASSESSMENTS FOR INDUSTRIAL STORM DRAINAGE BASIN MAINTENANCE DISTRICTS

RECOMMENDATION

It is recommended that the City Council conduct the public hearing called for at its meeting on April 19, 2022, to consider public comment and testimony regarding the approval and adoption of the annual budgets and assessment rolls for the six districts listed below (each, a "District").

At the conclusion of the public hearing, if less than fifty percent (50%) of the owners of the assessable lands within a district file a protest of the proposed levy of annual maintenance assessments, it is recommended that the City Council adopt resolutions to:

1. Overrule all public hearing protests or objections (including all written protests not withdrawn in writing before the conclusion of the public hearing) to the proposed levy of assessments in each District, provided, as to each District, no majority protest exists.

2. Approve and adopt the preliminary Fiscal Year (FY) 2022-23 annual budget for each District.

3. Confirm and levy FY 2022-23 assessments for each of the following six industrial storm drainage basin maintenance assessment districts (Districts).

    1) Western Pacific Industrial Park Storm Drainage Basin Maintenance District, Project Number 81-1 (Western Pacific)

    2) Charter Way Industrial Site Storm Drainage Basin Maintenance District, Project Number 86-4 (Charter Way)

    3) Arch Road Industrial Park Storm Drainage Basin Maintenance District, Project Number 84-2 (Arch Road)

    4) Airport Gateway Center Storm Drainage Basin Maintenance District (Airport Gateway)

    5) Stockton Airport Business Center Storm Drainage Basin Maintenance District, Project Number 84-1 (Stockton Airport)

    6) North Newcastle Storm Pump Station and Basin Maintenance District, Project Number 20-1 (North Newcastle)

4. Approve and adopt the Report showing the 2022-23 assessments and the adjusted drainage

acres to be used in assessing the costs and expenses in connection therewith as the method of assessment to be used to pay the costs and expenses of the maintenance and operation.

5. Approve, confirm, and levy the assessments, as set forth in the Report, of the annual amount of costs and expenses to maintain and operate the improvements upon the several subdivisions of land in each District, in proportion to the estimated benefits to be received by said subdivisions, respectively, from the operation of said improvements and of the expenses incidental thereto, as set forth in each respective Report.

It is further recommended that the City Manager be authorized to take appropriate and necessary actions to carry out the purpose and intent of these resolutions.

Summary

The Municipal Improvement Act of 1913 and Stockton Improvement Procedure Code, Part V, under which these Districts were formed, requires annual Council approval of the Engineer's Report, Budget, Assessment Rolls, and approval to levy the corresponding annual assessments for each separate District. The assessment district rates for FY 2022-23, where allowed by an annual escalator, will increase over the FY 2021-22 rates. Where not allowed by an annual escalator, rates will remain the same as the FY 2021-22 rates. The City makes no financial contributions to any of the Districts. All fees, costs, and expenses incurred will be payable solely from the proceeds of the annual assessments to be levied and collected on the San Joaquin County property tax roll, or from each District's reserve funds. A copy of the FY 2022-23 Annual Engineers' Report is on file in the Office of the City Clerk and can also be found on the City of Stockton website at the following link: <http://www.stocktonca.gov/government/departments/municipalUtilities/utilStormInd.html>"

If approved by the City Council, this action will adopt the annual budgets and assessments for the six industrial storm drainage basin maintenance districts listed above for FY 2022-23.

DISCUSSION

Background

The City Council, pursuant to Resolution Numbers 85-0416, 86-1059, 88-0492, 88-0552, 99-0400 and 2020-10-20-1112, authorized the formation of the six industrial storm drainage basin maintenance districts (Attachment A). The formation of these districts was based on the provisions of the Municipal Improvement Act of 1913 (Act) and the Stockton Improvement Procedure Code (Stockton Code). The Act and the Stockton Code contain provisions for the City to form assessment districts for the maintenance and operation of improvements that impart a special benefit to an area.

The purpose of these Districts is to provide funding for the operations and maintenance of the storm drainage basins and the associated improvements. The maintenance includes vector control; weed abatement, rodent control, slope dressing; mowing, disking; grading the basin bottom as needed, trash and debris pick-up and removal; cleaning of the basin structures; and sedimentation relocation. Property owners within a District are responsible for funding only those improvements within the District from which they receive benefit.

Western Pacific, Charter Way, and Arch Road districts were established prior to the passage of Proposition 218. No annual cost of living adjustments were included in the formula for calculating the annual assessments for these districts. The assessments for the property parcels are at the maximum allowable assessment rates and have been since the formation of these Districts. Any changes to the assessment/formula for the calculation of the annual assessments would need to be approved, by ballot, by the property owners that will be affected by the assessments.

A portion of the Stockton Airport Business Center District was established prior to Proposition 218 and as such, the original parcels are at the maximum allowable assessment rate with no allowable cost of living adjustments. In FY 2004-05, thirty-five (35) parcels were annexed into the Stockton Airport Business Center District, following the Proposition 218 prescribed property owner ballot procedure. As a result, the annexed parcels are subject to the requirements of Proposition 218, while the original parcels are not. The Engineer's Report for the annexation of the newer parcels allowed for cost-of-living adjustments to be factored into the calculations of the annual assessments for those parcels. Staff has factored in the allowed cost of living adjustment on those parcels for the calculation of the maximum allowable assessment for the District.

On April 19, 2022, the City Council preliminarily approved and confirmed the budgets and proposed assessments for each of the Districts and set a public hearing for June 14, 2022. Through this process, annual assessments are included on the San Joaquin County property tax roll for collection.

Present Situation

Attachment B provides a summary of the proposed FY 2022-23 budget and assessments for each district. None of the FY 2022-23 assessments exceed the established Maximum Annual Allowable Assessments contained in the original Engineer’s Reports that were approved by landowner ballots or written consent of the landowners and approved by the Council as part of the district formation proceedings. The proposed budgets for the districts include engineering fees, attorney’s fees, estimated pond (basin) maintenance work, City of Stockton administration costs and a contingency.

Operational costs of the three basin districts referenced as Western Pacific Industrial Park, Charter Way Industrial Site, and Arch Road Industrial Park are projected to exceed their maximum allowable assessments in FY 2022-23 by $10,708, $13,809, and $10,494, respectively, based on the contracted costs for preparation of the Annual Engineers’ Report and maintenance of the Districts. Sufficient fund balance exists in reserve to cover the gap in costs not covered by the new assessment; therefore, staff recommends approving the full operating budget and the transfer of funds needed from reserve balance. The FY 2021-22 assessments, FY 2022-23 Proposed Assessments, Fund balance transfers, Operational budgets, Final Projected FY 2022-23 fund balances, and FY 2022-23 Maximum Allowable Assessments are as follows:

District	FY 2021-22 Actual Assessment	FY 2022-23 Proposed Assessment	FY 2022-23 Proposed Amount to Transfer from Fund Balance to Expenditure Account	FY 2022-23 Operational Expenditure Budget	FY 2022-23 Projected Fund Balance	FY 2022-23 Maximum Allowable Assessment
Western Pacific Industrial Park	$17,320	$17,319.54	$10,708.00	$28,027.54	$83,125.94	$17,319.54
Charter Way Industrial Site	$13,000	$12,999.98	$13,809.00	$26,808.98	$38,339.12	$12,999.98
Arch Road Industrial Park	$17,373	$17,372.44	$10,494.00	$27,866.44	$119,851.24	$17,372.44

The Engineers' Report for the Airport Gateway Center District and the portions of the Stockton Airport Business Center District that were annexed in FY 2004-05 contain provisions for an annual cost of living adjustment. Each year, the maximum annual assessments are increased in an amount equal to the greater of either 3.0 percent or the annual increase as shown in the Local Consumer Price Index (CPI) for the San Francisco-Oakland-San Jose All Items, All Urban Users, as published by the Bureau of Labor Statistics for a similar period of time, which was 5.20 percent for the period from February 2021 to February 2022. For FY 2022-23, the 5.20 percent adjustment has been applied to the calculation of the total maximum allowable assessment for Airport Gateway Center and only the annexed portions of the Stockton Airport Business Center Districts. Proposition 218 provides cities the latitude to approve the maximum allowable assessment if warranted based on estimated expenditures, or if estimated expenditures do not justify the maximum to collect a lesser amount.

Staff recommends that Council approve the maximum allowable assessment that will set the base for upcoming fiscal year calculations. Staff recommends approving the full operational budget and the transfer of funds needed from reserve balance to cover the gap in expenses in the Stockton Airport Business Center. Sufficient fund balance exists in reserve to cover the gap in costs not covered by the new assessment. The FY 2021-22 assessments, FY 2022-23 Proposed Assessments, Fund balance transfers, Operational budgets, Final Projected FY 2021-22 fund balances, and FY 2022-23 Maximum Allowable Assessments are as follows:

District	FY 2021-22 Actual Assessment	FY 2022-23 Proposed Assessment	FY 2022-23 Proposed Amount to Transfer from Fund Balance to Expenditure Account	FY 2022-23 Operational Expenditure Budget	FY 2022-23 Projected Fund Balance	FY 2022-23 Maximum Allowable Assessment
Airport Gateway	$28,257	$30,269.26	$0.00	$30,269.26	$361,214.10	$113,171.97
Stockton Airport Business Center	$13,192	$14,129.40	$9,026.68	$30,368.08	$304,433.12	$43,045.19
North Newcastle	$62,796	$67,268.98	$0.00	$67,267.98	$1,240.79	$82,228.58

Administrative and operational costs for the maintenance of the Stockton Airport Business Center basin are offset with transfers from the Little Johns Creek Landscape Maintenance District No. 94-1 and Seabreeze Landscape Maintenance District No. 96-2 ($5,096 and $2,116 respectively), as the basin landscaping is provided for in those districts.

Fund balances are for infrastructure replacement accounts to fund construction of new facilities at the end of their operational life.

The tax rolls submitted for collection show the approved maximum assessment and the actual amount that will be submitted for collection on the San Joaquin County property taxes.

This public hearing allows any interested person an opportunity to make a protest for each district to the maximum annual assessment, to the proposed budget, or to the proposed method and proportion of assessment, either in writing or orally. A majority protest exists if more than fifty percent (50%) of the owners of the area of assessable lands within a district file a written or verbal protest. The required notice of this public hearing was published in The Record on June 3, 2022.

FINANCIAL SUMMARY

The proposed Industrial Storm Drainage Basin Maintenance Districts budget for FY 2022-23 and fund balance projections are detailed in Attachment B.

The City makes no financial contributions to any of the Districts. All fees, costs, and expenses incurred will be payable solely from the proceeds of the annual assessments to be levied and collected on the San Joaquin County property tax roll, or from each District’s reserve funds.

The use of the funds collected within the various districts is restricted by Proposition 218, to pay only the expenses related to the maintenance and operation of the specific storm drainage basin for which they are collected. The funds collected from the property owners of a district can only be used for the work on the basins in that district, as it imparts special benefit restricted to the properties of that

district. District funds are segregated and cannot be used to operate, maintain, or support the activities of the stormwater, or any other, utility at large.

Administrative and operational costs for the maintenance of the Stockton Airport Business Center Basin are offset with transfers from the Little John Creek Landscape Maintenance District No. 94-1 and Seabreeze Landscape Maintenance District No. 96-2 ($5,096 and $2,116, respectively) as the basin landscaping is provided for in those districts.

There is no impact to the General Fund or any other unrestricted fund as a result of taking the recommended actions.

Resolution No.

STOCKTON CITY COUNCIL

RESOLUTION ADOPTING ANNUAL BUDGET AND CONFIRMING ASSESSMENTS FOR THE AIRPORT GATEWAY CENTER STORM DRAINAGE BASIN MAINTENANCE DISTRICT

On April 19, 2022, this Council adopted Resolution No. 2022-04-19-1206-04 preliminary approving the proposed budget for the Fiscal Year (FY) 2022-23 costs and expenses of the maintenance and operation of the improvements in the above District and of the incidental expenses in connection therewith, as more particularly described in the Resolution, and appointed Tuesday, June 14, 2022, at 5:30 P.M., in the regular meeting place of said Council, Council Chambers, Stockton, California, as the time and place for the hearing of protests to the proposed budget for the District, and directed the City Clerk to give a notice of such public hearing as required by law; and

Notice of the public hearing was duly and regularly published in **The Record**, in the time, form and manner required by law, as evidenced by the declaration on file with the City Clerk, whereupon the public hearing was duly and regularly held at the time and place stated in the notice; and

No persons interested, objecting to the FY 2022-23 Engineer's letter Report (the "Report"), the assessments, the proposed budget, or to the proposed method and proportion of assessment as shown in said Report, filed written protests with the City Clerk at or before the time set for the hearing, and all persons interested desiring to be heard were given an opportunity to be heard, and all matters and things pertaining to the Report were fully heard and considered by this Council; now, therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF STOCKTON, AS FOLLOWS:

1. The owners of one-half of the area of the property to be assessed for the maintenance and operational costs did not at or prior to the time fixed for the hearing, file written protests against the proposed budget, or to the Report, or to the estimated benefit to the parcels within the District and of the proportional factors to be used to assess the annual costs and expenses of the maintenance and operation of the improvements.

2. Any and all protests made either to the Report, the proposed budget, or to the proposed levy of assessments, and all persons desiring to be heard in relation to any of the matters, whether as protestants or otherwise, have been fully heard and considered, and any and all such protests or objections are hereby overruled.

3. The assessments are in compliance with all laws pertaining to the levy of the annual assessment (§ 4 of Article XIIID of the California State Constitution, § 53753.5 of the Government Code of the State of California, Streets and Highways Code § 10000 *et seq.,* and the Stockton Improvement Procedure Code). The assessments are levied without regard to property valuation. The purpose of the assessments is the maintenance and operation of storm drainage facilities.

The City of Stockton hereby certifies that the special assessment(s), fee(s), or charges(s) listed below to be placed on the 2022-23 Secured Property Tax bill by the City of Stockton meets the requirements of Proposition 218 that added Articles XIIIC and XIIID to the California State Constitution.

4. The Report showing the 2022-23 assessments and the adjusted drainage acres to be used in assessing the costs and expenses in connection therewith be, and it is hereby adopted and approved as is the method of assessment to be used to pay the costs and expenses of the maintenance and operation.

5. The assessments set forth in the Report of the annual amount of costs and expenses of the maintenance and operation of the improvements, upon the several subdivisions of land in the District in proportion to the estimated benefits to be received by said subdivisions, respectively, from the operation of said improvements and of the expenses incidental thereto, be, and the same is hereby approved and confirmed and the assessments as set forth in the Report are hereby levied.

6. The City Manager is hereby authorized to direct the Chief Financial Officer or his/her designee to enter the assessments on the 2022-23 tax roll for the parcels within the District as shown in the Report on file with the City Clerk.

7. The City Manager is hereby authorized to take whatever actions are necessary and appropriate to carry out the purpose and intent of this Resolution.

PASSED, APPROVED and ADOPTED June 14, 2022.

STOCKTON CITY COUNCIL

RESOLUTION ADOPTING ANNUAL BUDGET AND CONFIRMING ASSESSMENTS FOR THE ARCH ROAD INDUSTRIAL PARK STORM DRAINAGE BASIN MAINTENANCE DISTRICT

On April 19, 2022, this Council adopted Resolution No. 2022-04-19-1206-03 preliminary approving the proposed budget for the Fiscal Year (FY) 2022-23 costs and expenses of the maintenance and operation of the improvements in the above District and of the incidental expenses in connection therewith, as more particularly described in the Resolution, and appointed Tuesday, June 14, 2022, at 5:30 P.M., in the regular meeting place of said Council, Council Chambers, Stockton, California, as the time and place for the hearing of protests to the proposed budget for the District, and directed the City Clerk to give a notice of such public hearing as required by law; and

Notice of the public hearing was duly and regularly published in **The Record**, in the time, form and manner required by law, as evidenced by the declaration on file with the City Clerk, whereupon the public hearing was duly and regularly held at the time and place stated in the notice; and

No persons interested, objecting to the FY 2022-23 Engineer's letter Report (the "Report"), the assessments, the proposed budget, or to the proposed method and proportion of assessment as shown in said Report, filed written protests with the City Clerk at or before the time set for the hearing, and all persons interested desiring to be heard were given an opportunity to be heard, and all matters and things pertaining to the Report were fully heard and considered by this Council; now, therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF STOCKTON, AS FOLLOWS:

1. The owners of one-half of the area of the property to be assessed for the maintenance and operational costs did not at or prior to the time fixed for the hearing, file written protests against the proposed budget, or to the Report, or to the estimated benefit to the parcels within the District and of the proportional factors to be used to assess the annual costs and expenses of the maintenance and operation of the improvements.

2. Any and all protests made either to the Report, the proposed budget, or to the proposed levy of assessments, and all persons desiring to be heard in relation to any of the matters, whether as protestants or otherwise, have been fully heard and considered, and any and all such protests or objections are hereby overruled.

3. The assessments are in compliance with all laws pertaining to the levy of the annual assessment (§ 4 of Article XIIID of the California State Constitution, § 53753.5 of the Government Code of the State of California, Streets and Highways Code § 10000 *et seq.,* and the Stockton Improvement Procedure Code). The assessments are levied without regard to property valuation. The purpose of the assessments is the maintenance and operation of storm drainage facilities.

The City of Stockton hereby certifies that the special assessment(s), fee(s), or charges(s) listed below to be placed on the 2022-23 Secured Property Tax bill by the City of Stockton meets the requirements of Proposition 218 that added Articles XIIIC and XIIID to the California State Constitution.

4. The Report showing the 2022-23 assessments and the adjusted drainage acres to be used in assessing the costs and expenses in connection therewith be, and it is hereby adopted and approved as is the method of assessment to be used to pay the costs and expenses of the maintenance and operation.

5. The assessments set forth in the Report of the annual amount of costs and expenses of the maintenance and operation of the improvements, upon the several subdivisions of land in the District in proportion to the estimated benefits to be received by said subdivisions, respectively, from the operation of said improvements and of the expenses incidental thereto, be, and the same is hereby approved and confirmed and the assessments as set forth in the Report are hereby levied.

6. The City Manager is hereby authorized to direct the Chief Financial Officer or his/her designee to enter the assessments on the 2022-23 tax roll for the parcels within the District as shown in the Report on file with the City Clerk.

7. The City Manager is hereby authorized to take whatever actions are necessary and appropriate to carry out the purpose and intent of this Resolution.
