

Lower San Joaquin and Delta South Regional Flood Management Plan

January 15th, 2014

SJAFCA
San Joaquin Area FLOOD CONTROL Agency

Presentation Overview

1. RFMP Status Update
2. Key Outstanding Information
3. Questions/Comments

RFMP Status Update

Stakeholder Outreach Information

- Stakeholder Hotline: (209) 475-7688
- RFMP Website: www.sjafca.com/ljsjrdsrfmp.php

RFMP Status Update

Items Completed Since December TAC

- Received and addressed preliminary comments from DWR
- Incorporated ecosystem challenges info from American Rivers
- American Rivers is coordinating meeting with DWR's FESSRO and Conservation Strategy team
- Distributed revised RFMP draft for public review/comment
- Continued Potential Flood Risk Management Projects Chapter
- Information Added to the RFMP Website
 - Public draft of the RFMP
 - TAC Presentations
 - Paradise Cut Symposium and Interregional Coord. Meeting Minutes

RFMP Status Update

RFMP Document Status

Lower San Joaquin/Delta South Regional Flood Management Plan			
Document Status			
RFMP Section	Description	% Complete	Status
1	Acronyms & Abbreviations	50%	In Progress
2	Executive Summary	20%	In Progress
3	Introduction	95%	Addressed Stakeholder Comments
4	Regional Setting	95%	Addressed Stakeholder Comments
5	Assessment of Flood Hazards	95%	Addressed Stakeholder Comments
6	Proposed Improvements	60%	In Progress
7	Regional Priorities	0%	No Action
8	Financial Plan	5%	Basic Recon
-	Regional Atlas Updates	20%	Addressed Stakeholder Comments

RFMP Status Update

Overview of Potential Flood Risk Reduction

Improvements Chapter Progress:

- “Projects” chapter presents raw, unscreened projects as suggested/described by stakeholders & existing sources of information
- Brief (1-2 page) project summaries to aid in later screening/prioritization
 - Description, exhibit, benefits, project partners, costs, etc.
- Project Grouping
 - Some projects have impacts to both Regions
 - Some projects only relate to one Region
 - Some projects are “local” projects
- Preliminary Screening Criteria
 - Flood risk reduction benefits
 - Potential for meeting multi-benefit objectives
 - Financial feasibility
 - Implementation feasibility

RFMP Status Update

What to Expect in the Next Few Months

- Draft “Potential Regional Flood Risk Management System Improvements” Section of the RFMP (Spring 2014)
- Second Public Draft of the RFMP (Spring 2014)
- Second Round of Small Group Meetings to Discuss Projects, Priorities, and Financing (Spring 2014)
- Draft Prioritized Implementation Schedule (Summer 2014)
- Email updates

Please remember to submit your in-kind expenses to Gemma Biscocho Gemma.Biscocho@Stocktongov.com

****Comments on the RFMP can be submitted at anytime****

Key Outstanding Information

Key Information Pending from DWR

- Information on key species and existing stressors on these species (Meeting pending)
- CVFED Task Order 25 Models
- ULE Documentation

Questions & Comments

Meeting Date: Jan. 15, 2014
